Committee Chairmen Selected for Junior Prom; Plans in Making

Carlson General Chairman Of Dance, Costigan of Orchestra; Others Named

Although the plans for the Junior Prom are still in their infancy, the following people have been selected to serve on committees for the forth coming affair. General chairman for the dance will be Carl Carlson, president of the Junior Class. It will be his job to see that all the other committees do their work thoroughly. Other chairmen are Charles Costigan, orchestra; Jack Hassett, publicity; Dottie Kimball, decorations; Polly Little, programs, Sonny Lamond, tickets; and Queen's Cup, Flora Kimball.

During the coming week one person from each dormitory, sorority and fraternity will be elected to serve on these various committees. After elections these persons will be allotted to each committee according to their ability.

It has been definitely decided that the dance will be held on April 10. If anyone ever wants any information in regard to the Junior Prom, the official headquarters of the committees will be in the Student Council Offices at 309 Ballard.

W.A.A. Delegates Attend the Annual Conference at Colby

Discussed Activities of W.A.A. in Relation to Present Emergency

Five representatives of the Women's Athletic Association attended last week-end the 14th annual WAA Intercollegiate Conference held this year at Colby College in Waterville, Maine. Those who attended were Eleanor Mauricette, WAA president; Louise Griffin, vice-president; Dorothy Page, treasurer; Flora Kimball, rec manager; and Nell Evans, faculty advisor.

The delegates from the University of Maine, Bates College, Nasson College, the University of New Hampshire and Colby College gathered in Waterville by dinner time on Friday. The evening program included witnessing the Northeastern University vs. Colby College basketball game followed by a social hour in the Alumni Building. At this time introductions were made and plans for the week-end were outlined.

Most of Saturday morning was given over to discussion groups. The topics that were discussed included the activities of WAA in relation to present emergency, whether or not the conference with its attendane expense should be continued next year, how to encourage upperclass participation, and co-recreational sports. One of the conclusions that was presented at a summary of the discussions was that this type of conference with its interchange of ideas and its building of friendly relations between colleges should definitely not be discontinued. Another opinion expressed by the groups was

Mask and Dagger Premiere Tomorrow Night

Don Crafts, surrounded by Mado Crafts, Allen Walker, and Jeannette Toohill, in a scene from "The Man Who Came to Dinner"

Tomorrow evening Mask and Dagger, honorary dramatic society, will present the current hit of both stage and screen, "The Man Who Came to Dinner." The play, a comedy by Moss Hart and George S. Kaufman, is being produced in cooperation with English 5 and Architecture 48, and will be given in New Hampshire Hall Wednesday, Thursday, and Friday evenings at 8 P.M.

Beacuse of the sudden illness of Allan Coe, who was cast in the role of John in the play, the president of the Mask and Dagger Society, David Crockett, will take his place. Crockett in the last few hectic rehearsals has learned the numerous lines and has mastered the extensive amount of stage business that is demanded of this character and is expected to again turn in a splendid performance.

The Mask and Dagger orchestra, under the direction of Nathan Babcock, will again present a varied program before the performance and entra-acts.

One Set Show

The entire play is set in the living room of Mr. and Mrs. Ernest W. Stanley (Ralph Parker and Katherine Sullivan) of Mesalia, Ohio, and being a one-set show a very elaborate setting was designed by John Gaw and has been executed under the direction of Robert Stewart. Interesting "props", ranging from everything from underware to a mummy case, have been gathered from all corners by dependable Faith Williams and her aides.

Interesting "stills" from the play were recently photographed by Mr. Nasvik, campus photographer, seem to indicate the play is exceptionally well cast. Also reports from those who have seen "sneak" previews at dress rehearsal have it that, "If rehearsals are any indication "The Man Who Came to Dinner" should be a great show."

(Continued on page 4)

Kids Krack Down at Their Smarty Party

Mortar Board held its "Smarty Party" last Thursday evening in the Commons Organization Room. The party is an annual affair for women students attaining an average of 85 or better the first semester.

This year the party was in the form of a quiz program. Dean Woodruff, Dr. Scudder, Mr. McGrail, Mr. Floyd, Mr. Sim, and Mr. Manton were the victims of questions written out previously by the girls attending. "Professor" Shorty Dumont asked the questions while Barbie Burns kept score. Dr. Scudder came out ahead, while Mr. Manton was awarded the dunce cap.

Refreshments of ice cream and cookies were served.

Int'national Relations Club Has Discussions

The International Relations Club met Thursday, February 19, in Morrill 205, and discussed the problems of "The Negro in Natoinal Defense." Lucille Boody gave a report, which was followed by an open discussion. Dr. Walters, the club's advisor, commented on the subject and added several interesting opinions. The next meeting will be held on Thursday, with the topic, "Hemispheric Solidarity" up for discussion. This should prove interesting since it will deal with Latin America and the recent Rio Conference. This meeting will be open to all those who wish to think over the Inter-American situation.

Tryouts for the next broadcast will be held Thursday afternoon at 4 o'clock at the Studio.

President Declares Government Should Aid Students

Almost a Hundred Grads Return for Successful Alumni College Yesterday

Some sort of financial assistance should be set up by the government to aid the student in taking proper advantage of the accelerated academic program, President Engelhardt said yesterday before nearly a hundred graduates attending the third annual Alumni College held here on campus.

The President went on to say that unless the various phases of our country's service units are set up in some sort of college training program for young men immediately, there is emminent danger that competent material will be drained from our universities. He elaborated on this statement by saying, "Our young people realize there is a challenge facing them and they will leave college to meet it unless military men can provide some sort of program which will satisfy students they are helping more by staying where they are."

Faculty Members

Four members of the faculty were heard throughout the day by returning alumni. These included the vital lecture given by Professor William Yale on "An Analysis of the Military Situation" at which time he stated, "We have no choice, if we wish our way of life to prevail, but to give our all, individually and collectively, in this people's war against anarchy, tyranny, and oppression." He declared that this was a people's war—a war of the many against the few. The Fascists and Nazis in Europe and the ruling classes

Student Musicians Broadcast Tomorrow

Postponed from last week, the third program in the series of ten musical programs to be presented by campus music students and faculty will be broadcast over WMUR tomorrow night. The time of the broadcast has been changed from 10 o'clock to 9 p.m. This week's program will be given by students of violin, voice, and piano.

The program is as follows:

Waltz in C sharp minor ..... Chopin
Mary Brewster, pianist
Tempo di Menuetto ..... Kreisler
Elizabeth Piper, violinist
Ecloque ..... Delibes
Fairy Bread ..... Gambogi
Du Bist Die Ruh ..... Schubert
Louise Edson, soprano .....
Sarabande and Allegretto from
Sonata in D major ..... Corelli
Marguerite Wolverton, violinist
The Snow Is Falling ..... Debussy
Golliwog's Cake Walk ..... Debussy
(from Children's Corner Suite)
Barbara Connor, pianist

Mike and Dial Holds Informal Discussion

A group of New Hampshire students, including Sid Dimond, Frank Blair, Jim Moulton, Leona Dumont, Alice Moran, and Betty Jo Weaver met on Friday at 4:45 to discuss the pros and cons of the curtailment of the college year and the speeded-up scholastic program. The program, ably directed by Alice Moran, and under the leadership of Clayton Smith, was a spontaneous and natural expression of a cross section of the students sentiments.

At four o'clock on Friday, Mike and Dial met for a brief business meeting at which Clayton Smith presided in the absence of the program manager. A meeting of the executive board has been called for Wednesday at 4 p.m. in the Radio Workshop.

On Thursday and Friday at 4:45 Mike and Dial will sponsor a Mask and Dagger broadcast, directed by Mr. Raymond Keesey. As president of Mask and Dagger, Dave Crockett will announce the cast, and introduce the excerpts from "The Man Who Came to Dinner."

University Made Into War Library Center

100 Students Expected to Enlist as Volunteers

According to a notice from the Federal Security Agency in Washington, D. C., the University of New Hampshire has been designated as one of the 140 War Information Centers throughout the country.

The purpose of this will be to organize and maintain a library of information which will be divided into a dozen or more categories with faculty-student committees volunteering to work in each category. This will involve such problems as the arrangement and display of materials, the counseling of speakers, writers, program chairmen, and others in the use of these materials, and the preparation of subject matter outlines and digests for conferences and meetings within this area. Roughly it is estimated that at least 100 students should be enlisted as volunteers in connection with the War Information Center.

This college defense committee will operate leadership training institutes through which volunteer speakers and discussion leaders in the area may better prepare themselves with respect to both methods and subject matter for participation as leaders in local meetings.

All Out - - - We Wonder

You're doing fine, that's right, just sit around and twiddle your thumbs, secure in the knowledge that everything is turning out just as it should.

Listen to the radio at night and try to be comfortable. Convince yourself that the United States is going all out in its war effort.

See in the many newsreels and movies how the huge American factories are turning out airplanes by the hundreds, then *check back to actual figures and see how far behind actual deliveries have fallen.*

Read the daily paper and see how the Allied navies are sinking ship after ship of the Japanese navy, and how the few American fliers in the far east are slowly grasping air supremacy away from the planes showing the Rising Sun, then *look at the huge losses the Allies have suffered, both in the air and on the sea.*

Listen to the radio commentators tell of the huge gains the Red Armies of Stalin have made against Hitler's crack mechanized forces, *then look at the recent maps and see just how little territory the Russian forces have really gained back.*

Hear of the great losses that the Asiatic foe has suffered in his conquest of the British bases and how his armies have been equipped with nothing but .22 calibre rifles, then *check back and see that regardless of his odds the enemy has succeeded in gaining all of his objectives so far in the war.*

In your frequent bull sessions tell one another that the war is practically over now that the United States has been declared an active participant, then *open your eyes and see the Japanese forces controlling China's main supply road, overrunning Britain's naval bases, taking over virtual control of the Dutch Indies and Java, menacing Australia and keeping our own Hawaiian bases in a constant state of fear.*

Much talk is going around about our factories going all out in their defense production—men are going to work overtime, day and night, weekdays and holidays; it all sounds very good but just this last week the employer, employees and the labor unions could not get together in deciding about the Washington's Birthday holiday—*with the result that over all the country hundreds of thousands of man hours of labor were lost*—and *maybe fifty lives were sacrificed.*

No, America is not going all out in its war effort. The eastern war forces are doing as great a job as they possibly can under the existing conditions, but the folks at home—those men and women running the machines, the businesses—the schools and the homes, are far from doing their jobs. They smugly feel that their help is not necessary in the present conflict.

America, all out for war — We wonder *if they are.*

Election for Student Government is to be held Friday in the "T" Hall arch. All women students are requested to exercise their privilege and cast their ballot.

Gorman Block . . . . . Durham

ON THE SPOT

by Nick

Twas a very quiet week-end in thirteen fraternities and seven sororities. . . Before you read any farther we would like to remind you of tonight's game. Come early, bring your loud voice, school spirit and help the team give the Rams a battle that they never expected after last fortnight's defeat. Let's show people we're still behind our team and that we possess true New Hampshire spirit.

We understand that "Scrappy" Singleton carried an extra pair of brass knuckles on his trip to Northeastern, however he didn't make much use of them. We turn both cheeks to P. K. Dumont for our measure of the judgment that he should meet out to us after the last issue's crack. We are willing to accept this treatment from anyone who has been taken for a ride, and has borne it well. . . We were reminded of last year's St. Anselm's football game when the team got redhot the other night. How about some student figuring out a tin can observation plan so that the government can have some of this precious metal? . . Ed Carlson still can't figure out how St. Paul's was beaten. Come on over and we'll draw you a blueprint.

We just found out who wrote Beethoven's Fifth and who finished Hager's quart. . . What's Mal Wilson doing now that Helen Pomeroy is teaching in Dover? I guess he's hitting the books for a change. Lester Rollins says this is the real thing. . . Fred Scannell's eligible to vote and the rest, legally now. . . We still can't get over the Phi Mu Delta who received two telegrams collect. . one at Mil Art and one at Carnival thanking him for the invitation that she didn't receive. . . Well, anyway, Norma, there's still Junior Prom. . . Ernie Rainey: "Girls beware. I'm on the Loose." . . We hear that Rusty's still looking for "that man". . . The Morgue was very quiet this week-end, especially after Andy Sanne put away the pistol. . . Chick, the operator, told us that Bill Call and Evelyn Laraba set an all time record by using the SAE-North Congo line for an hour and a half. . . Jack Freese finally got a break—the freshmen hired him for March 7. . . Marion and Elwyn are still fighting it out since Carnival. She quit for an evening and took in the Theta U party with Bernie Pender. . . Jack Mudge looked very classy and showed plenty of promise at Northeastern. It's O. K. Jack. See me later. . . We wonder who's going to get Karelis first—the army or Vassar? . . . Sam Askenazy took another great week-end trip to Malden. . . Hetzel's top floor was seen gathered round four tables. No, it wasn's Red Dog, that popular Hetzel pastime. . .

FLASH! "Mississippi" has been harboring a diamond since Christmas. The southerner beat four Northerners to the punch. . . Ann Sheridan has nothing on Connie Estes and the part she takes in The Man Who so on and so forth . . . Fred Draper was seen studying for the second time on a Sunday night. Bob was the cause of it again. How did you make out, Fred? . . . Jack Wiseman and Lloyd Farwell spent a peachy week-end at Wheelock . . . We were surprised at North Congo postponing their dance until March 14. . . From the way things are shaping up the week-end of the 13th and 14th is going to be hectic for loose women. They had better get that week-end's dates now. . . We found out who made that "awful" call to Alpha Zetch. But we ain't telling that one for all the sugar in the house. . . Gene Wright's "Old Girl" has been bogging down during the last couple of days due to the cold spell . . . Bob Mullen spent another week-end at Mass. General. . . Tom Niles did two good deeds this week-end; one, acting as Theta U's auctioneer, then setting Bob O'Neil's date straight. . . Nothing's been heard from Bickford lately. . . Ditto on Alice Lawless. . . Mike Satzow is thinking of making a N. E. tour. His first stop will be a date at the Lafayette in Malden. . . We wonder why Buck Edison is still carrying that tube of lipstick. . . We wonder if the progress of Mary Manning and that Kappa Sig senior is as torrid as usual. . . Speed Sawyer is in high again. . . Ruth Brown's new glasses are a big help, she can see the whole of Lambda Chi now. . . We would like a certain prof to take notice of the fact that Sam Samaha is cum laude down at B. U. Law. . . . Cider John was pretty sweet at the Pi Lambda Sigma party, which was a successful affair. . . Lil Hoyt and Carolyn Folsom had an enjoyable week-end at Bowdoin. Those lucky fellows! That rock that Miggs Hine has on her left hand is the best seen on campus —so far. . . That New Yorker must be pretty fast. He has Baroness Flynn guessing and to top it off, the Baron (better known as Earbender) doesn't know anything about it.

Greek World

Theta Upsilon: Miss Ethel Dultgen of New York City, national treasurer of Theta Upsilon, inspected the chapter last week-end. The presidents of the other campus sororities Ann Taylor, Constance Fletcher, Joan Osborn, Albertine Phaneuf, Florence Strout, and Barbara Peterson; president of Panhellenic Carolyn Gove, and Miss Woodruff were luncheon guests Saturday noon. . . Saturday night we staged a box lunch vic party in the Trophy room. Everyone renewed his youth by playing parlor games. . . Sunday the Dover City Association were our guests at a special meeting. . . Miss Dultgen returned to New York Monday noon.

Lambda Chi Alpha: This week-end proved to be a very quiet one here in Durham. Many of the brothers were away to compete in the track meet Saturday. . . The north country has good skiing conditions right now and a cruise to that part of the world should be in order. . . John Dearborn was in Durham Saturday night and was given the usual warm greeting.

Pi Lambda Sigma: The winter formal last Saturday was a great success. We started off with dinner at the President's Dining Room and the dance was held at Kappa Sigma. The theme was patriotic and the decorations were appropriate. Mr. and Mrs. J. D. Hauslein and Mr. and Mrs. E. T. Donovan were the chaperones. . . The engagements of three alumnae were announced recently: Marie M. Cassily, '39, Dover, to Mr. James F. Clark; Veronica Doe, '39, Dover, to Mr. John Skammels; and Theresa Cain, '39, Durham, to Mr. John Grady.

Pianist Georg Fior Replaces Arthur Kent

Announcement has been made concerning the artist replacing Arthur Kent, bass-baritone of the Metropolitan Opera, who was scheduled to give a recital here on March 18. Mr. Kent has been drafted and featured in his place will be Georg Fior, pianist. Mr. Fior has given recitals in New York, London, Paris, Berlin, Amsterdam, and Boston. He has played as soloist with many orchestras, such as the Boston Symphony and the Cleveland Orchetra. During the past year and a half he has appeared in more than thirty recitals. Georg Fior is well-known in the concert world and the Lectures and Concerts Committee has been fortunate in obtaining his services.

Chess Club Elects Oberg And Day as New Officers

At a recent meeting the Chess Club elected the following officers: Charles Oberg, president; and James Day, secretary-treasurer. Among the activities sponsored by the club is a two-man team tournament to which interested fraternities and dormitories are invited to send representatives. A match with Exeter Academy has been arranged for Saturday, February 28. In addition, the club will hold a tournament for the college championship in the near future. The next meeting will be held at 7:30 p.m. Wednesday, February 25, at the Commons Trophy Room.

Couplings of the Week

by James Kalled and Paul Bandidos

Harry James—Probably the finest "jump" number cut in the last two months is **B-19**—a waxing with a rhythmic phrase that serves as backing to some of the most terrific trumpet work ever kicked in by Maestro James. This record is beautifully balanced and the treatment of riffing the central theme defies description. Columbia.

Tommy Dorsey—Tommy uncorks a super-swing offering of **This Thing Called Love.** This Cole Porter opus jumps from the record edge with a Sid Oliver arrangement that is strictly from solid. How they dig that intro! Comes next Connie Haines pleading for enlightenment with some great swing vocalizing. The band with all stops out launches into the final refrain in killer fashion. Victor.

Count Basie—**More Than You Know** is a slow dance tempo with some magnificent muted trumpet passages. Lynne Sherman in her chirping almost catches the unique throaty quality of the late Helen Morgan. The flip-over **Down for Double** was dreamed up by Goodman, Krupa, Basie, Kirby, Rey Williams, Higginbotham, Carter, and Barnett. Nuff said! Okeh

Alvino Rey—Here are two gorgeous tid-bits for lights-low dancing. **Blue Shadows and White Gardenias** and **Sing Me a Song of the Islands.** Bluebird.

Week's Theme Song

Bob Crosby—Crosby's calling card is the sweet, tender and romantic tune **Summertime.** It may be schmalty, but honestly, the right way. It is done very slow and throughout we're conscious of the juicy-close-harmony-blend of the instruments. Decca.

by Phil Peters

LET'S START ANEW!

After two long months of hectic sports engagements, the University of New Hampshire winter sports calendar is almost completed. Basketball, hockey and winter track have been offering items for discussion for weeks, but from now on we'd better cease debating on why some of the teams weren't successful and others were, and look towards the future and something more encouraging, baseball. On the whole, the winter season was not a success, in fact, it was disappointing. The basketball team was one of the worst in years. The varsity hockey squad played in-and-out on the ice, sometimes looking impressive, and sometimes very weak. The varsity winter track team hasn't won a meet as yet.

Freshmen Good

New let's glance at the freshman situation. On this front we find a different picture from the start to finish. The first-year men came up with formidable forces on all fronts, performing brilliantly on the whole on the basketball court, skating effectively on the ice, and running fleet-footedly on the track. All of these organizations climaxed most of their activities with a favorable balance of verdicts. After analyzing these facts, one comes to the definite conclusion that in the near future the Wildcats will have strong athletic teams. The reality, however, is that throughout the years the yearlings are usually strong but the varsity squadrons not half so powerful. Why? The writer hasn't the background and authority to make any actual statement on the causes but generalizations sometimes help.

These are possible seasons:

1. Some of the best freshman material fails to stay in school.
2. Varsity competition is much keener than freshman.
3. Coaching may be inefficient.

It's fairly obvious that many of the freshman stars don't complete school, and the coaching is all right. Therefore, what we need is more material. We need to have all the high school stars want to come here. We must give athletes better offers than we have been giving them. This can be done without lowering our educational standards and these methods have been commented on before by the writer. In modern times, it doesn't pay to stay behind the others. The other schools are getting the athletes, and in order to stay in sporting competition with a good face, we must follow suit. If we don't, then our opponents should be schools that ensue the same policy that we do. Most of our present foes go out and get players much more than we do. This, in our opinion, is one of the reasons why we have difficult times.

Freshman Pucksters Beat Northeastern

The freshman hockey squad completed its season in grand manner Saturday afternoon by pinning the Northeastern frosh, 4-1. The Kittens had no difficulty in downing the Boston boys taking an early lead and never relinquishing it.

After three minutes of fast action in the first period, Forbes, New Hampshire center, zipping the puck into the goal, aided by Murphy. This tally was the only score of the period and the Durham boys fought desperately all the time defending it.

As soon as the second period opened, Murphy of New Hampshire tallied the second goal to increase the Kitten advantage to two points but the Huskies came back with a goal of their own to cut the lead down again to one point.

The Lundholm forces retaliated immediately, however, to gain another registration when Lanza, right wing, came through with a fast whiff into the net.

The final score came after fourteen minutes of the last period on a goal by right defense Cunning.

This game closes the frosh hockey season, a season that was successful from all angles.

Summary:

New Hampshire		Northeastern
Murphy	G	Sperm
Lanza	RD	Rasin
Forbes	LD	Tenney
Dondero	C	Kerrivan
Cunning	RW	Mitchell
McMartin	LW	Lumsden

NH spares—Kenyon, Grant, Farwell, Massico, Auerbach, Williams, McAustin. NU spares—Jones, Abbott, Crapo, Cooke, Doherty. Goals—First period: Forbes (NH). Second period: Murphy (NH), Mitchell (NU), Lanza (NH). Third Period: Cunning (N H).

Maine Triumphs Over Sweetmen, 70-46

Morcom Collects 3 Firsts; Breaks 3 Meet Records

Despite a one-man show by sensational Boo Morcom, Wildcat sophomore star, the University of Maine swamped New Hampshire 70½ to 46½ in Saturday's track activities at Orono. Weakness in the running events was once again primarily responsible for the setback.

Morcom shattered meet and field house records in the high jump and pole vault, and broke the meet record in the broad jump. His high jump of 6 ft. 6 in. marked his best effort to date, and his broad jump of 22 ft. 10 7/8 in. has only been bettered by a leap of 23 feet in a meet last year when he was a freshman.

Bill Hadlock, the Maine hurdle star, set a new meet and state record with a time of 7.9s in the 60-yard high hurdles.

The summary:

70-yard dash—Won by Youlden (M); second, Atwell (NH); third, Phillips (M). Time, 7.5s. 300-yard run—Won by Radley (M); second, Youlden (M); third, Atwell (NH). Time, 32.5s. 600-yard run—Won by Kelso (M); second, Lowry (NH); third, Stewart (M). Time, 1m, 16s. 1000-yard run—Won by Moody (M); second, Lowry (NH); third, Sleeper, (NH). Time 2m. 22s. Mile run—Won by Martinez (M); second, Moody (M); third, Sleeper (NH). Time, 4m. 34.5s. Two-mile run—Won by Hamm (M); second, French(NH); third, Brown (NH). Time, 10m. 9.7s. 60-yard high hurdles—Won by Hadlock (M); second, Jenson (M); third, King (NH). Time, 7.9s. (meet and college record.) 70-yard low hurdles—Won by Hadlock (M); second, Fuller (M); third, King (NH). Time, 8.3s. 35-pound weight throw—Won by Styrna (NH); second, Dodge (M); third, Harding (M). Distance, 52 ft. 6 3/4 in. 16-pound shotput—Won by Weisman (M); second, Styrna (NH); third, Prescott (NH). Distance, 40 ft. 11 5/8 inches. High jump—Won by Morcom (NH); second, Brady (M); third, Clements (M). Height 6 ft. 6 in. (meet and field house record). Broad jump—Won by Morcom (NH); second, Dowd (NH); third, Styrna (NH). Distance, 22 ft. 10 7/8 in. (meet record). Pole vault—Won by Morcom (NH); second Nute (M); third, tie between Lobozzo (M) and King (NH). Height, 13 ft. 2 in. (meet and field house record.)

Basketball Tourney Opens Here Thursday

Decision Reached After Thirteen and Half Hours; Kelleher Heads Referees

Official headquarters just released the schoolboy teams which are to compete in the annual tournament which starts Thursday morning of this week. The following are the Class A teams selected: Manchester Central, Berlin, St. Joseph of Manchester, Dover, Manchester West, Concord, Nashua, and Portsmouth.

The first game in class A competition will take place Thursday evening at 7:30 when Central will meet Concord. Other matchings are St. Joseph vs. Portsmouth, West vs. Berlin and Dover vs. Nashua.

Class B teams competing are Pinkerton Academy, Conant of Jaffrey, Kennett of Conway, Peterborough, Hillsborough, Meredith, Hampton, and Somersworth, while Stratford, Belmont, Lisbon, and Charlestown are the class C entries.

The decisions were reached after thirteen and one half hours of deliberation.

"Smokey" Kelleher will again be the head referee.

Matthews, Wheeler, Pinks High Scorers

Kittens Drub Freshman Saints, 42-23; Finish With 7 Wins, 4 Losses

Continuing to show the benefits of nearly a full season's experience, Coach Henry Swasey's rookie-studded varsity basketball team downed St. Anselm's, 48-42, last Saturday at the Field House. It was the second straight victory for the hoopsters, the two wins coming after a dismal record of no wins and twelve losses.

From the moment play got under way until about 15 minutes before the end of the game, the lead was being tossed about from one team to another. Hal Monica broke the scoring ice in the first minute of play with a foul shot. St. Anselm's broke away to a 7-4 advantage in the next few minutes and maintained the margin of three points through to the end of the first half, which saw the Hawks on the long end of a 25-22 score.

In the first half the lead changed hands 12 times.

Mathews Puts NH Ahead

However, with 15 minutes of the second half left, Mathews sank the basket which put New Hampshire ahead, 34-33. From then on, St. Anselm's continually threatened but was never able to quite catch the greatly improved Swaseymen. With four minutes of play left, Bob Wheeler sank a field goal and a moment later, was successful on a free try. George Alimi scored the final basket of the game to make the final score 48-42. St. Anselm's scored but one point in this final four minutes, a foul shot by the big Hawks' center, "Horse" Dedinsky.

There was no single star for either team. The whole starting lineup for New Hampshire, Kolinsky, Monica, Pinks, Wheeler, and Mathews played a fast brand of ball. George Alimi, who played nearly all of the last half, after center Bill Kolinsky went out on fouls, showed up to advantage as he teamed up with Maurice Pinks, a star in more ways than one of late, to hold the Hawkes practically scoreless in the final ten minutes of action.

"Pinky" Still Starring

Bob Wheeler and Bob Mathews, sophomore and senior scoring threats, led the Swaseymen, the former with

New Hampshire Wildcats Finally Scalped by Swift Dartmouth Indians I. S. U. in Ski Meet

HIGHLIGHTS OF THE SEASON

1. Ski team wins Dartmouth and UNH winter carnival meets. 2. Boo Morcom vaults 14 feet and shines all around. 3. Koumantzelis and Scammon look like good varsity material. 4. Frosh basketball players promising (Bobotas, Bograkis, Britton, and Stafford. 5. Mathews makes brilliant come back to aid Captain Monica. 6. **Plan four times a week physical education for boys.**

Don't Forget Thursday

Thursday evening one of the best entertainment features of the year gets underway when the crack high school basketbal quintets in the state tangle. The yelling, shouting, and keen brand of playing at these affairs usually results in the best possible entertainment. The packed tands create the greatest pitch that spirit can attain. Don't forget it!

For the second year in succession, the Wildcat ski team was edged out by Dartmouth at the Middlebury Winter Carnival Intercollegiate Skiers Union Meet, 585.60 - 583.59, a margin of only 2.1 points. Thus, the Indians avenged their two previous defeats at the hands of the New Hampshire team.

Bob Meservey set the pace for the Big Green in the downhill race on the Worth Mountain Trail, followed by Ira Townsend of Middlebury. Ralph Townsend held down the seventh place but just four seconds behind him was Freshman Steve Knowlton. Capt. Bob Clark's 12th and Toger Howard's 15th places set the Wildcat team up with a total of 96.64 points to place New Hampshire second to Dartmouth's 98. 33 points.

Blizzard Rages

Still skiing in a blizzard and with a temperature of fifteen below, Bob Clark won the Slalom just seven seconds ahead of Townsend. These two times with Knowlton's ninth and Keough's fourteenth gave New Hampshire a half point lead over the Indians for this event. The combined downhill and slalom gave Dartmouth a seven tenths higher score than their New Hampshire rivals.

The favored Bloodmen got off to a fine start on Saturday morning in the cross country event. This event was won by Townsend of the 'Cat squad with a temperature of fifteen below, cold enough for Al Merrill who suffered from frozen ears but finished in fifth place. Dartmouth's Distin and Densmore captured the third and fourth places and another of the skiers from Lebanon, Ira Townsend, skiing for Middlebury, placed second. There was only thirty seven seconds difference between the first and fifth places. Freshman Rog Howard and last week's winner Bill Keough took ninth and thirteenth.

New Jump Record

A new record for the Chipman Hill Jump was set by Rog Simpter of Dartmouth who leaped 117 feet. This long jump gave him a first with a large point lead. Al Merrill took fourth, Keough followed with a seventh, and Townsend brought up with an eighth.

The combined langlauf and jumping was won by Al Merrill, second place being taken by Ralph Townsend. Keough and Howard placed tenth and thirteenth, respectively, in the combined. The 'Cats took this from Dartmouth by 1.2 points.

Snow Ideal

Snow conditions could not have been better at the Breadloaf Ski Bowl. An eighteen inch base with four inches of new powder made for ideal ski conditions, the sub-zero temperatures and blizzards being the only handicaps.

Next week-end the Wildcat ski team goes to the Norwich Carnival to compete against several college teams. However, the Middlebury meet provided the last clash between full teams from both New Hampshire and Dartmouth this season.

Exeter Downs Frosh Trackmen Saturday

Strong Exeter tracksters walloped the New Hampshire freshmen 52 1/6 to 28 5/6 in a dual meet at the Academy Saturday afternon. It was the second setback in four starts for the frosh.

Johnny Koumantzelis again paced the Kittens with two firsts and a third. His cage record-breaking broad jump of over 22 feet was disallowed when the tip of the takeoff board splintered. Speedy Dick Scammon with two seconds and a third also stood out for the losing cause.

The summary:

40-yard high hurdles—Won by Koumantzelis (NH); second, Furner E); third, Alexander (E). Time, 5.7s. 40-yard dash—Won by Ewald (E); second, Scammon (NH); third, McCoubrey (E). Time, 4.8s. 1000-yard run—Won by Hall (E); second, Wilkins (E); third, Pelonsky (NH). Time, 2m. 32.2s. 300-yard run—Won by Ingraham (NH); second, Scammon (NH); H), Barrier (E), and Allard (E). Time third, tied between Koumantzelis (N 34.3s. 600-yard run—Won by Simons (E); second, Shute (E); third, Scam—Won by Kraeger (E); second, Cram mon (NH). Time, 1m. 19.8s. Shotput (NH); third, Bacon (E). Distance, 48 ft. 10 1.2 in. Pole vault—Won by bel (E), third. Height—5 ft. 6 in. High Martin (E); second, Ogden (E); Tarjump—Tit between Withington (E), and Tower (NH); third tied between Moses (E), and Graham (E). Height —5 ft. 6 in.

"Man Who Came to Dinner" Opens Tomorrow in N. H. Hall

(Continued from page 1)

The following is the production staff for "The Man Who Came to Dinner": W. G. Hennessy, Director; Ray Keesey, Associate Director; George Thomas, Technical Director; Stage Managers, Ann Eastman and Clare Langley; Lighting, Russel Beal, Leonard Convel and George Kelley; Costumes, Betty Jo Weaver and Christine Buck; Scenery, John Gaw, Robert Garnsey; Construction, Robert Stewart, Richard Horan, Dan Russell, Joe Ricciardone, Donald Cross, Bob Leggett, John Cross; Properties and Decoration, Faith Williams, Marjorie Farwell, Ruth Grube, Elaine Hershberg, Jane Haubrich, Albertine Phaneuf; Ushers, Chief Usher, Dorothy Briggs; Melba McKay, Betty Ridlon, Betty Lucy, Ruth Grube, Penelope Richards, Sylvia Hawkes, Dorothy Keeke, June Straw, Janice Eckstrom, Rachel LaFlamme, Ruth Linscott, Dorothy Jelley, Barbara Ellis, Ethel Steigmann, Albertine Phaneuf, Marjorie Farwell, Elaine Hirshberg, Borbara Burns, Ann Taylor and Marjorie Chalmers.

Characters

The characters in order of their appearance are: Mrs. Enest W. Stanley, Katheine Sullivan; Miss Preen, Winifred Kennedy; Richard Stanley, Leon Eckman; June Stanley, Dorothy Parker; John, David Crockett; Sarah, Theda Oakes; Mrs. Dexter, Betty Jo Weaver; Mrs. McCutcheon, Christine Buck; Mr. Stanley, Ralph Parker; Maggie Cutler, Jeannette Toohill; Mr. Bradley, John Miller; Sheridan Whiteside, Donald Crafts; Harriet Stanley, Marjorie Blaisdell; Bert Jefferson, Mado Crafts; Professor Metz, Allen Walker; Luncheon Guests, Daniel Russell, Robert Maddock, and Richard Garnsey; Mr. Baker, Richard Horan; Expressman, Thomas O'Donnell; Lorraine Sheldon, Constance Estes; Sandy Charles Hager; Beverly Carlton, Elwyn Dearborn; Westcott, Robert Birnbaum; Radio Technicians, George Kelley and Horace Bascom; Four Young Boys, George Bachelder, George Hartwell, James Jackson, and Roderick Starke; Banjo, Clayton Smith; Two Deputies, Joe Ricciardone and Donald Cross; and a Plainclothes Man, James Keenan, Jr.

L. Ireland, R. Dickson Take Ski Honors

Skiing for the Outing Club, the Women's ski team sent two members to compete at the Women's Intercollegiate Skiers Union Meet at Middlebury College. Ruth Dickson placed second in the slalom race, edged out of first by a Skidmore girl at the Breadloaf Ski Bowl. The fifth place was captured by Leslie Ireland who later took fourth in the downhill and third in the combined downhill and slalom.

Regulations stated that only teams of two could be entered in the women's competition and this brought twenty five girls to ski for individual honors only. Miss Audrey Nunnemacher of Middlebury, sister of Capt. Jack of Dartmouth, won the meet with two and a half points more than Miss Ireland's third.

Women's Ping-pong Tourneys Completed

The women's house ping-pong tournaments have been completed with an unusual amount of participation; all fourteen houses had tournaments and, of these, seven had 100 per cent out, while several others were hindered only because some of their girls were ill in Hood House. This compares very favorably with last year's record, when there were only eight house tournaments, of which five had 100 per cent participation.

The following houses had all their members entered in their tournaments: Phi Mu, Pettee, Alpha Chi, Smith, Pi Lambda Sigma, Chi Omega and the Commuters.

Newman Club Holds Religious Gathering

The Newman Club held a joint meeting with the members of the Hillel Club and the Student Christian Movement in New Hampshire Hall Sunday night in observance of National Brotherhood Week.

The guest speaker of the evening was Rev. Neal O'Conner of Lowell, Mass. His topic was the life of James Clarence Nangan, the author of the famous Irish patriotic poem, "My Dark Roseline." He also applied the words of the poem to America of the present day.

Rabbi Sidnay Guthmen, Mr. Robert James, and Rev. Desmond O'Conner also spoke. They commented on his talk and made a few additional remarks on the brotherhood of the Jews, Protestants, and Catholics in order to preserve our unity.

There will be a Newman Club meeting next Sunday night in New Hampshire Hall at 7:30. The speaker will be Father Maxwell, President of Holy Cross College.

WAA DELEGATES

(Continued from page 1)

great approval of the evening exercise period in dormitories and sorority houses recently instituted by the University of New Hampshire WAA.

Following the discussion period the delegates adjourned for a tramp thru the snow to Colby's new Outing Club camp. Lunch was served there and later in the afternoon the group returned to campus via Mayflower Hill where the new Colby is gradually being built. The next event on the afternoon program was a figure skating exhibition followed by general skating for all the delegates.

The climax of the week-end was the banquet in the Alumni Building Saturday night. President Johnson, who will retire from serving as the head of Colby College at the end of this year, spoke a few words to the group at this time. He congratulated the delegates on their interest in sports and stressed the importance of playing and being happy in these times, as well as training minds and bodies for the days that are ahead. Following President Johnson's talk, a representative of each college gave a short speech on an assigned topic concerning the theme of "Figure Skating." The speaking was concluded by a discussion of "From School Figures to Free Skating," by a former member of the Colby Physical Education Department. The showing of a movie on figure skating concluded the evening program. The week-end conference closed after breakfast on Sunday.

Freshmen Make Plans For Kittens Caper

Jack Freese Will Furnish Music for Frosh Dance

Plans for one of the long-anticipated events of the social year, the freshman hop, are nearing completion and the various committees are putting the finishing touches on the work. The "Kittens' Caper," meaning a frolicsome dance, will be held on March 7 in New Hampshire Hall. Music for the dance will be furnished by Jack Freese and his orchestra.

Contrary to previous years, the "Caper" will not be a costume dance but merely an informal affair, similar to the gatherings held at the beginning of the year. However, the dance will feature something which has never before been held at a freshman dance, namely, a jitterbug contest. So all the swing fans had better practice their rug-cutting and be "in the groove."

The committees in charge of the dance are as follows: Co-chairmen—Fred Crory and Joyce Smith; Publicity—Barbara Shepard; Orchestra—Marilyn Cressy; Refreshments—Bea Christian; Tickets—Joe Strumski, and Posters—Norman Leonard.

ALUMNI COLLEGE

(Continued from page 1)

in Japan have promulgated a philosophy of the domination of the many by the few. They are waging war to impose anarchy on the entire world by ruthless force and inhuman terror. In England, in conquered Europe, in Russia and in China the masses of the people are determined to resist, to defeat, to distroy utterly this evil thing which humanity has achieved during the last five hundred years in creating a government of the people, by the people, for the people. Professor Yale stirringly closed his speech when he said, "The ultimate victory depends on the will of our people to win the war until the Axis type of tyranny is absolutely destroyed."

Phillips Speaks

Professor William Phillips discussed some of the pressing economic questions of the times under the title, "Inflation versus Price Regulation." He warned, "It is high time that we began to realize that we are at war. This is no time to fool around waiting for the other fellow to make the first sacrifices. It is a time when we simply must pull together and at least for the time being forget such social reforms as subsidies to particular group, parties, and the like. We must all make sacrifices but let us make these sacrifices gladly and so guide our destinies in order that we may achieve our goal with the minimum of necessary sacrifice. This can be done through an intelligent fiscal and monetary policy coupled with a vigorous army well equipped and equal to any in the world."

Talk on Far East

An interesting and authoritative talk was given by Professor Herbert Rudd on "What the United States faces in East Asia." This timely topic was doubly interesting because of the fact that Professor Rudd has had actual years of experience of living in the Far East to back up his lecture.

Though on leave this semester, Professor William Hennessy particularly came up from Harvard, where he is studying, to give an entertaining and stimulating lecture entitled "The Return of the Native."

Dougalmen Bow to Huskies 9 - 4

Outstanding Play Made By Bruce Singleton

Playing without the services of their stellar goalie Paul Nugent, the Wildcat sextet dropped its final game of the season to the strong Northeastern hockey team by a score of 9 to 4, at Boston.

Nugent dislocated his shoulder during the Bowdoin encounter last Thursday and missed the windup against the Huskies. His place was taken by John Mudge, a sophomore who turned in a credible performance while in the game.

Singleton Scores

The first New Hampshire tally was registered by Bruce Singleton, "bad boy of the team," and was the outstanding scoring play of the game. Blond Bruce grabbed a loose puck and was leading a trio of Huskie skaters down the ice in the direction of the Northeastern goal when he suddenly stopped on the proverbial dime, causing his pursuers to all shoot by him and he then calmly banged home the initial counter.

Adams countered twice for the Dougalmen, while the other New Hampshire marker was countered by Carlson. Quinn and Carlson both were credited with assist during the game.

The Wildcat defense pair of Jerry Thayer and "Big Al" Sakoian stood out for the "Blue and White" breaking up numerous Northeastern offensives.

The hockey team finished the season with a record of ten losses and four wins, but the team was much better than the record points out.

The "fickle finger of fate" was the main reason why Coach Tony Dougal's charges did not ring up one of the more impressive records in New England. Begin and Perkins were both lost in mid-season due to the draft, Al Sakoian was sidelined for a couple of games due to a knee injury which slowed him down for the remainder of the season, Paul Nugent was hurt, and games with MIT and Middlebury, which were almost certain victories this year were called off for one reason or another.

Sophomore Sensation

Red Adams, the Sophomore Sensation, ranks second among New England scorers with twenty-five points, ninteen goals and six assists, while Al Sakoian doesn't have to take a back seat to a defense man in New England and in Paul Nugent the 'Cats had one of the better goalies of the league.

Barring the draft or scholastic difficulties next year's club should be one of the best in the New England hockey circles. The loss of Nugent, Thayer, Carlson and Quinn will be the severest blow to the team, with such boys as Adams, Singleton, Sakoian, O'Kane and Mudge returning, and a fine group of freshmen coming up.

The only remaining chapter of the current season will be the electing of two captains, one for this year to replace Don Perkins who left school for the Army, and one for the coming season.

Physical Education Requirement Revised

New Program Adapted to Defense and Army Needs

The department of physical education and athletics at the University has reorganized the contents of its program of physical education to better meet the needs of youth in the national emergency.

Previous to the war, the program provided opportunities for men students to learn skills in a variety of physical activities that they might enjoy in later life. The department feels that the most pertinent need today is for a healthy and vigorous college youth who is physically prepared to make his contribution when and how his country needs him. Physical fitness, organic stamina, courage, determination and aggressiveness are essential qualities in a total war.

The program in effect now provides opportunities for men to participate in activities that should bring out and develop the above mentioned qualities. Individual recreational activities have given way to vigorous and competitive big-muscle activities. Classes are organized around such activities as boxing, wrestling, basketball, and competitive gymnasium games. Ten minutes of rugged conditioning exercises

At present the new program is required only of freshmen and sophomores. Plans are now being formulated by a student committee for a voluntary physical fitness program for the remainder of the college year which closes May 9. This program will reach the total men-student population.

The department is organizing a program for next year which, it is expected, will require the participation of all men students at least four times a week during their four years of college. This program will not only give attention to the physically normal student but also to those who have remedial defects. A test will be devised that will measure the physical fitness, endurance, and stamina of the students. The test will be similar to those administered by the army and navy and will function on a competitive basis. Those students attaining the highest score in the test will be especially recognized and honored.

The program of varsity and freshman intercollegiate sports will be continued next year unless factors beyond the control of the university necessitate a curtailment or modification. The intramural program will be expanded to provide opportunity for a greater number to derive its benefits.

Lost: One brown knitted mitten somewhere between here and there. If found please give to lost and found department at 309 Ballard Hall.

(Continued from page 3)

14 points, the latter with 13. Pinks rimmed the hoop for eight points to continue in his recently acquired star role.

Dedinsky was the Hawks' outstanding man as he found the basket good for 12 points. In addition, he was a constant thorn in New Hampshire's offensive march, particularly under the basket where he used his 6' 4" to good advantage.

Frosh Finish Season

In their final game of the season, Coach George Fielding's frosh quintet swept to an easy 42-23 victory over the St. Anselm's freshmen. The Kittens quickly grabbed a decisive lead and were never headed.

Forwards Al Britton and Bob Stafford were the scoring stars for the Fieldingmen with 13 and 11 points respectively. Soc Bobotas, in addition to being responsible for 9 points, played good defensive ball, along with Nick Bograkis and Dick McDermott.

Thus the frosh end the winter with 7 wins and but 4 losses. Freshman coach George Fielding can look back with satisfaction at having put out a successful quintet; but, even better, varsity coach Henry Swasey can look ahead to some very promising material for next year's varsity team.

New Hampshire

Lf. Mathews, 6-1—13; Hall, 0-0—0; rf. Wheeler, 6-2—14; Clark, 0-1—1; c. Kolinsky, 1-1—3; Harris, 0-1—1; Goodfellow, 0-0—0; lg. Monica, 0-4—4; Alimi, 2-0—4; rg. Pinks, 2-4—8;

St. Anselm's

Lf. O'Connell, 4-2—10; rf. Sharry, 2-2—6; c. Dedinsky, 4-4—12; Potter, 0-0—0; lg. Garvey, 2-1—5; rg, Sullivan, 1-2—4; Feeley, 1-1—3; Kuczynski 1-0—2.

Totals: 15-12—42.

Referees—Flaherty and Mahan.

* * * * *

As noted before, the freshmen have completed their season; but the varsity still have three games left and all three are tough—Rhode Island, Colby and Maine. They are all home games.

There is no doubt about Director Bjornar Bergethon's band making a huge difference in the spirit displayed both by the crowd and the players. It is certainly more than coincidental that the band has played at both of the last two home games and both have been played off with much more pep than have all the other home games.

The famous Rhode Island Rams play here tonight. This will be the last chance to see one of the greatest teams in the country in action since Stutz Modelewski, the country's leading scorer over a four year stretch, will be graduated this spring.
