Dear Father I am

Mr Chase is with me. I  
am not half so badly hurt  
as the papers say.

As soon  
as I am able I shall go  
to Concord for a few  
days - but not to Lexington  
- the weather is too cold.  
You need not be in any  
apprehension about me. I hope  
the Democrats will carry the  
State next spring.

You probably

Dear Father

I am  
in this city doing well.  
Mr Chase is with me. I  
am not half so badly hurt  
as the papers say.

As soon  
as I am able I shall go  
to Concord, for a few  
days - but not to Lancaster  
- the weather is to cold.

You need not be in any  
apprehension about me. I hope  
the Democrats will carry the  
state next spring.

You probably  
received the money Dick  
& I sent.

In haste
