NEW HAMPSHIRE GENERAL COURT

JOURNAL
of the
HOUSE OF REPRESENTATIVES

Containing the 2006 Session
January 4, 2006
through
June 28, 2006
and
the Special Session of
September 26, 2006

W. DOUGLAS SCAMMAN
Speaker

KAREN O. WADSWORTH
Clerk

DEBORAH NIELSEN
Sergeant-at-Arms
This day, January 4, 2006, the first Wednesday following the first Tuesday in January, being the day designated by the Constitution (Article 3rd, Part 2nd) for assembling of the second-year session of the 159th General Court of the State of New Hampshire, at the Capitol in the city of Concord, the Speaker convened the 2006 House of Representatives and called the session to order at 10:10 a.m.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by Reverend Jared Rardin, Pastor of the South Congregational Church in Concord. O God whose very name transcends anything and everything we deal with in this place, Whose loving presence silences our deepest fears And whose divine justice disquiets our false sense of security. We gather at the beginning of this new session to serve Your people. The wealthy and the poor. The sick and the healthy. The overeducated and the undereducated. Those who live in comfortable homes and those who live in shelters. The young and the old. The gay and the straight. The insured and the uninsured. The religious and the non-religious.

In our work this session, help us to remember that they do not belong to us and we to them, but that together we all belong to You. Give to us today and in the weeks to come a spirit of renewed energy and focus for the work at hand. Let us legislate with both hearts and minds fully operational. Where there is disagreement among us, let it be healthy and constructive. Where there is agreement, let it reveal our common bonds and hopes. And as we work, bless those we hold near and dear: family members, friends and associates who are sick, or hurting, or dying. And if there are any in this chamber who may be suffering silently in mind, or body or spirit. Hold them close in Your caring grace, and bring them to peace and healing. This we ask together in Your name. Amen.

Rep. Russell F. Ingram, member from Salem, led the Pledge of Allegiance.

The National Anthem was sung by Tori Caruso, a 9th grade student from White Mountain Regional High School.

LEAVES OF ABSENCE

Reps. Biundo, Cady, Chabot, Donahue, Gillick, Goodwin, Heon, Palangas, Philbrick, Putnam, Stone and Thomas, the day, illness.
Reps. Elizabeth Blanchard, W. Packy Campbell, Carlson, Morneau, Priestley, Soltani and Katherine Taylor, the day, important business.

INTRODUCTION OF GUESTS

INTRODUCTION OF SPECIAL GUEST

Honorable Harold W. Burns, former Speaker of the House, guest of the House.

HB 1748, prohibiting candidates who did not get elected from serving as alternate members of the planning board or zoning board of adjustment. (Babson, Carr 3: Municipal and County Government)

HJR 20, supporting stem cell research. (Hammond, Graf 11; Buxton, Rock 10; Sokol, Graf 9; Wall, Straf 7; Pilliod, Belk 5; Burling, Dist 5; Larsen, Dist 15: Health, Human Services and Elderly Affairs)

HJR 21, urging the University of New Hampshire to restore intercollegiate baseball and softball. (Bettencourt, Rock 4; Renzullo, Hills 27: Education)

HJR 22, in recognition and support of New Hampshire’s participation in the Experimental Program to Stimulate Competitive Research. (Thomas, Belk 5; Maxfield, Merr 6; Estabrook, Dist 21; Johnson, Dist 2: Science, Technology and Energy)

HJR 23, designating a Purple Heart Trail spur to the New Hampshire state veteran’s cemetery and providing additional signs for the Purple Heart Trail. (D. Smith, Hills 22; Morneau, Coos 4; Almy, Graf 11; Coughlin, Hills 4; Klose, Merr 8; Clegg, Dist 14; Barnes, Dist 17; Kenney, Dist 3; Letourneau, Dist 19: Public Works and Highways)

HJR 24, supporting efforts for commuter rail in the state of New Hampshire. (Lasky, Hills 26; Clemons, Hills 24; Cilley, Straf 3; Foster, Dist 13; Gottesman, Dist 12: Transportation)

HJR 25, encouraging the United States Congress to propose an amendment to the Constitution concerning eminent domain. (Itse, Rock 9; Souza, Hills 11: State-Federal Relations and Veterans Affairs)

HJR 26, urging Congress to reevaluate Title IX. (Bettencourt, Rock 4: State-Federal Relations and Veterans Affairs)

HCR 20, commending the New Hampshire Committee for Employer Support of the Guard and Reserve. (Graham, Hills 18; Weyler, Rock 8; Coughlin, Hills 4; Heon, Straf 2; Hawkins, Hills 18; Letourneau, Dist 19; Barnes, Dist 17; Kenney, Dist 3: Legislative Administration)

HCR 21, urging the Department of Homeland Security to study New Hampshire’s northern border and protection for our dam network. (Buzzell, Coos 4: State-Federal Relations and Veterans Affairs)

HCR 22, relative to the right to pursue a livelihood in natural resources industries. (Morris, Rock 14; Gibson, Hills 19; Goyette, Hills 27; Marshall Quandt, Rock 13; Gallus, Dist 1: Fuller Clark, Dist 24: State-Federal Relations and Veterans Affairs)

HCR 23, urging the President to find it necessary to drawdown the strategic petroleum reserve. (Hagan, Hills 17; N. Johnson, Straf 3; Gorham, Hills 23; State-Federal Relations and Veterans Affairs)

HCR 24, supporting the increased production of renewable energy by the agricultural community. (Phinizy, Sull 5; D. Eaton, Ches 2; DeJoie. Merr 11; Babson, Carr 3; O’Connell, Hills 6; Burling, Dist 5; Green, Dist 6: Environment and Agriculture)

HCR 25, urging the United States to withdraw funding for the United Nations if the United Nations adopts a resolution in violation of the United States Constitution. (Marshall Quandt, Rock 13; Matthew Quandt, Rock 13: Albert, Straf 1; Bicknell, Rock 1; Weyler, Rock 8; Boyce, Dist 4: State-Federal Relations and Veterans Affairs)

HR 20, recognizing Mendon McDonald for his service as chairman of the state committee on aging. (Forsing, Rock 2: Legislative Administration)

HR 21, urging Congress to reimburse New Hampshire municipalities for the amounts granted in veterans’ tax credits. (Buco, Carr 1: State-Federal Relations and Veterans Affairs)
HR 22, urging Congress to promote and publicize the report to the Congress of the United States entitled “A Review of the Restrictions on Persons of Italian Ancestry During World War II.” (Pepino, Hills 11; Movsesian, Hills 22; Matarazzo, Hills 20; Roberge, Dist 9; Green, Dist 6; D’Allesandro, Dist 20; Fuller Clark, Dist 24; State-Federal Relations and Veterans Affairs)

CACR 30, relating to limits on the taking of private property. Providing that eminent domain shall not be used to transfer ownership of real property for private use or economic development. (Giuda, Graf 5; Green, Dist 6; Judiciary)

CACR 31, relating to the attorney general. Providing that the attorney general be elected for the same term as the governor. (DiFruscia, Rock 4; Phinizy, Sull 5; Weyler, Rock 8; Bishop, Rock 2; Spline, Rock 16; Executive Departments and Administration)

CACR 32, relating to eminent domain. Providing that property can only be taken for public benefit other than increased tax revenues. (Cady, Rock 1; Newton, Straf 1; Dumaine, Rock 3; Souza, Hills 11; Judiciary)

CACR 33, relating to the number of members of the senate and senatorial districts. Providing that the senate shall consist of 30 members with 3 elected at large from each district and that senate districts shall conform to county boundaries. (Buzzell, Coos 4; Legislative Administration)

CACR 34, relating to the definition of marriage. Providing that marriage between one man and one woman shall be the only legal union that shall be valid or recognized in this state. (Balboni, Hills 21; Elliott, Hills 19; Itse, Rock 9; Brassard, Hills 17; Villeneuve, Hills 18; Chaplin, Straf 3; Barnes, Dist 17; Boyce, Dist 4; Roberge, Dist 9; Judiciary)

CACR 35, relating to an automatic address of judges every 10 years. Providing that all judges shall be reviewed every 10 years by governor and council as if there has been an address for removal of the judge by both houses of the legislature. (J. Wheeler, Hills 6; Boyce, Belk 5; Judiciary)

CACR 36, relating to the rulemaking authority of the Supreme Court. Providing that the Supreme Court may adopt rules, that the general court may regulate these matters by statute, and that in the event of a conflict between a statute and a rule, the statute, if otherwise valid, shall prevail over the rule. (J. Wheeler, Hills 6; Judiciary)

CACR 37, relating to the legislature. Providing that compensation shall be based on present value. (DiFruscia, Rock 4; Weyler, Rock 8; Bishop, Rock 2; Legislative Administration)

CACR 38, relating to funding for education. Providing that revenue from lotteries and games of chance may only be used for educational purposes. (DiFruscia, Rock 4; Phinizy, Sull 5; Weyler, Rock 8; Spline, Rock 16; Bishop, Rock 2; Kenney, Dist 3; Ways and Means)

CACR 39, relating to the administration of the Supreme Court. Providing that Supreme Court rules shall no longer have the force and effect of law. (L. Christiansen, Hills 27; Marple, Merr 9; Judiciary)

CACR 40, relating to taking of property. Providing that property may not be taken for a public purpose, but only for a public use. (Kurk, Hills 7; Judiciary)

CACR 41, relating to representative districts. Providing that representative districts shall be apportioned according to specified standards. (Kurk, Hills 7; Kennedy, Merr 4; Flanders, Dist 7; Election Law)

CACR 42, relating to sessions of the legislature. Providing that the legislature meet biennially and only on weekday nights and weekends. (Hopfgarten, Rock 5; Legislative Administration)

MOTIONS TO VACATE

Rep. Sheila Francoeur moved that the House vacate the reference of HB 1337, relative to the regulation of carnival and amusement ride operators, to the committee on Commerce.

Motion adopted.

The Speaker referred HB 1337 to the committee on Executive Departments and Administration.

Rep. King moved that the House vacate the reference of HB 1215, relative to the winter maintenance of Diamond Pond Road in the towns of Colebrook and Stewartstown, to the committee on Finance.

Motion adopted.

The Speaker referred HB 1215 to the committee on Public Works and Highways.

HB 669-FN, setting the laboratory fee schedule for certain environmental samples, removed by Rep. Camm.

Consent Calendar adopted.

HB 312, relative to the appointment of parenting coordinators in child custody cases. OUGHT TO PASS WITH AMENDMENT.

Rep. Carolyn M. Gargasz for Children and Family Law: This bill permits the court to appoint a parenting coordinator to assist parents who demonstrate a pattern of continuing high conflict. Both parents must agree to a parenting coordinator. Vote 13-0.

Amendment (0163h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the appointment of parenting coordinators.

Amend the bill by replacing all after the enacting clause with the following:

I New Section; Parental Rights and Responsibilities; Parenting Coordinators. Amend RSA 461-A by inserting after section 11 the following new section:

461-A:11 Parenting Coordinators.

I. In this section:

(a) “Parenting coordination” is a child-focused dispute resolution process in which an impartial parenting coordinator assists high conflict parents to implement their parenting plan by facilitating the resolution of their disputes in a timely manner, educating parents about children's needs, and with the prior approval of the parties or of the court, making decisions within the scope of the court order or appointment contract.

(b) “Parenting Coordinator” means a person who assists the parties in resolving issues related to parenting by educating them about communication skills and about children's needs, and by mediating disputes, and if necessary, arbitrating disputes.

II. In any proceeding under this chapter involving the determination or enforcement of parental rights and responsibilities, if both parents agree, the court may appoint a parenting coordinator if the court finds that the parties demonstrate a pattern of continuing high conflict, or if the court otherwise determines the appointment is in the best interest of the child or children. The parenting coordinator may be appointed at any stage of the proceeding to assist parents in developing and/or implementing a parenting plan.

III. The order of appointment shall specify the duration of appointment, to be a specific number of hours or a period of time that is one year or less.

IV. If both parents agree to the appointment of a parenting coordinator, reasons the court may choose to order a parenting coordinator include, but are not limited to:

(a) An issue or issues appear to be intractable or have been subject to re-occurring litigation.

(b) The well-being of a minor child is placed at risk by the parents' inability to co-parent civilly.

(c) There is a finding of domestic violence.

(d) One or both parents are chemically dependent or mentally ill.

V. Even if both parents agree to the appointment of a parenting coordinator, reasons the court may choose not to order a parenting coordinator include, but are not limited to:

(a) A showing of undue hardship to a party.

(b) An agreement between the parties for alternate dispute resolution.

(c) A qualified parenting coordinator is not available within a reasonable period of time.
VI. The role of the parenting coordinator in a particular case shall be specified in the appointment order. The role of the parenting coordinator is to promote the best interests of the child or children by assisting the parents to implement any part of the parenting plan or other duties as designated by the court including:

(a) Educating the parents about effective communication and their child’s needs.
(b) Facilitating resolution of ongoing disagreements on the following issues:
   (1) Minor alterations in parenting schedule which do not alter the basic time share allocation.
   (2) Childcare arrangements.
   (3) Parenting exchanges and transportation responsibility.
   (4) Medical, dental, and vision care.
   (5) Psychological counseling and related arrangements for the children.
   (6) Education, including but not limited to, school choice, tutoring, and participation in special education programs.
   (7) Discipline.
   (8) Manner and methods of communication between parties and each party and the child or children.
   (9) Schedule and conditions of telephone or electronic communication with the child or children.
   (10) Other issues as the parents may agree or the court may order.
   (c) Co-parenting arbitration about issues such as those listed in subparagraph (b), except as provided in paragraph VII.

VII. Either parent or the parenting coordinator may seek a further order of the court to clarify or change the list of issues set out in the order.

VIII. A parenting coordinator shall not have the authority to decide:
   (a) Termination of parenting plans or court orders.
   (b) Changes in the parenting schedule other than minor alterations, as specified in subparagraph VI(b)(1).
   (c) Modification of parenting plans other than the issues listed in paragraph VI.
   (d) The need for supervised visitation by either parent.
   (e) Relocation of the residence of children.
   (f) Formal or informal religious training.
   (g) Legal residence of a child for school attendance.
   (h) The need for psychological or psychiatric treatment for either parent.

IX. After a decision by the parenting coordinator, either party may, by motion, submit the disputed issue for de novo hearing by the court. The decision of the parenting coordinator shall remain in effect until the court enters an order.

X. The parenting coordinator shall have access to non-parties and, if the parties agree to a release, privileged information, including school officials, physicians, mental health providers, guardians ad litem, other professionals involved with the family and related court records.

XI. The fee for the parenting coordinator shall be the responsibility of the parents in the proportion ordered by the court. The court shall determine the ability of parents to pay by evidence of the financial affidavit as filed. The parties shall sign an agreement with the parenting coordinator as to the fee, hourly rate, and deposit if any.

XII. A parenting coordinator shall submit a written report to the court and to the parties on decisions and recommendations as often as ordered by the court. In the report, the parenting coordinator may give an opinion regarding whether the parenting coordination is succeeding and should continue. Parties may file an objection to the report with the court within 10 days.

XIII. The court shall remove the parenting coordinator:
   (a) On the request and agreement of both parties; or
   (b) On the motion of a party or by court order, if good cause is shown, or
   (c) By request of the parenting coordinator.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a procedure for appointing parenting coordinators in family law cases.
HB 316, relative to neutral evaluations in child custody cases. **INEXPEDIENT TO LEGISLATE.**
Rep. Carolyn M. Gargasz for Children and Family Law: Neutral evaluation currently is taking place in the court system. At this time legislation is not needed. Vote 13-0.

HB 325, relative to the burden of proof in child abuse and neglect proceedings. **ought to pass with amendment.**
Rep. Daniel C. Itse for Children and Family Law: This bill creates a definite opportunity for parents, their attorney and advocates to review evidence in abuse and neglect cases. This ensures the capacity to refute allegations, subpoena witnesses, and request continuances. The bill gives parents the capacity to obtain their own medical evaluation of the child in abuse cases. Finally, the bill requires that all interviews be recorded ensuring the integrity of evidence. Vote 13-0.

**Amendment (0225h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to proceedings under the Child Protection Act.

Amend the bill by replacing all after the enacting clause with the following:

1 Filing Reports, Evaluations, and Other Records. Amend RSA 169-C:12-b to read as follows:

169-C:12-b Filing Reports, Evaluations, and Other Records. All reports, evaluations, and other records from the department of health and human services, counselors, and guardians ad litem in proceedings under this chapter shall be filed with the court and all other parties at least 5 business days prior to any hearing. *Any reports, evaluations, or other records filed after this deadline shall be inadmissible as evidence in such hearing.* Once filed with the court and given to all other parties, the report, evaluation, or other record need not be re-filed during the proceeding. Failure to comply with the provisions of this section shall not be grounds for dismissal of the petition.

2 New Sections; Medical Examinations of Child; Department Interviews With Child. Amend RSA 169-C by inserting after section 12-b the following new sections:

169-C:12-c Medical Examinations of Child. Parents who are the subject of an abuse or neglect petition not involving sexual abuse shall be entitled to request a medical examination of each child involved by a physician of the parents’ choice at the parents’ expense. If timeliness of an examination to verify or dispute an injury is an issue for trial, the department shall cooperate by promptly delivering the child for the requested medical examination with or without court order.

169-C:12-d Department Interviews With Child. Any interview of a child conducted by the department or its contractors, other than caregivers or therapeutic counseling, pursuant to this chapter shall be videotaped or audio recorded. If the interview is videotaped, it shall be videotaped in its entirety. If the interview cannot be videotaped in its entirety, an audio recording of the entire interview shall be made.

3 Effective Date. This act shall take effect January 1, 2007.

**AMENDED ANALYSIS**

This bill changes the filing deadlines for certain reports and records to 5 business days prior to a child abuse or neglect hearing. The bill establishes certain requirements for medical examinations of children who are alleged to have been abused or neglected. This bill also requires interviews of children who may be victims of child abuse or neglect to be videotaped or audio recorded in their entirety.

HB 327, relative to enforcement of support orders. **INEXPEDIENT TO LEGISLATE.**
Rep. David A. Bickford for Children and Family Law: The committee decided not to go forward with creating a process for parents to develop contracts to pay college costs of their children. Vote 16-0.

HB 529, establishing a presumption in favor of shared parental rights and responsibilities. **ought to pass with amendment.**
Rep. David A. Bickford for Children and Family Law: This bill reinforces the legislative intent to promote comparable parental rights and responsibilities, absent evidence to the contrary. The amendment requires the court to use evidence when adjusting a parent’s proposed parenting plan for rights and responsibilities. It also requires the court to set forth in detail its decision in a written order. Vote 14-0.

**Amendment (0196h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to the determination of parental rights and responsibilities.
Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose; Comparable Parenting. RSA 461-A:2, II is repealed and reenacted to read as follows:

II. This chapter shall be construed so as to promote comparable parental rights and responsibilities.

2 Determination of Parental Rights and Responsibilities; Comparable Parenting. Amend RSA 461-A:6, IV-VII to read as follows:

IV. If the court finds upon consideration of the evidence that comparable parenting or the parents proposed allocation of parental rights and responsibilities is not in the child's best interest, the court shall set forth in detail the reasons for its decision in a written order.

V. If the court finds that a parent has been convicted of sexual abuse or sexual assault against such parent’s minor child or minor stepchild, the court may prohibit contact between such parent and the victim of the abuse and any sibling or step-sibling of the victim. The court shall make orders that best protect the victim of the abuse and the siblings and step-siblings of such victim. In this paragraph, “sexual abuse” shall mean sexual abuse as defined in RSA 169-C:3, XXVII-a, and “sexual assault” shall mean sexual assault as provided in RSA 632-A:2, RSA 632-A:3, and RSA 632-A:4.

[V-] VI. If the court determines that it is in the best interest of the children, it shall in its decree grant reasonable visitation privileges to a party who is a stepparent of the children or to the grandparents of the children pursuant to RSA 461-A:13. Nothing in this paragraph shall be construed to prohibit or require an award of parental rights and responsibilities to a stepparent or grandparent if the court determines that such an award is in the best interest of the child.

[V-] VII. The court may appoint a guardian ad litem to represent the interests of the child according to RSA 461-A:16.

[VII. At the request of an aggrieved party: ] VIII. The court shall set forth in detail the reasons for its decision in a written order.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the court to consider comparable parenting as part of the determination of parental rights and responsibilities.

HB 587, relative to child abuse and neglect investigations by the department of health and human services. OUGHT TO PASS WITH AMENDMENT.

Rep. Daniel C. Itse for Children and Family Law: This bill ensures that the parent’s rights in an abuse and neglect investigation as defined in the Department of Children, Youth and Families (DCFY) protocol are verbally disclosed to the parent(s) at the beginning of the investigation. Vote 16-0.

Amendment (0161h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Child Protection Act; Duties of Department of Health and Human Services; Required Disclosure. Amend RSA 169-C:34 by inserting after paragraph V the following new paragraph:

VI. At the first contact in person, any person investigating a report abuse or neglect on behalf of the department shall inform verbally the parents of a child suspected of being a victim of abuse or neglect of the specific nature of the charges and shall inform the parents that they are under no obligation to allow a social worker or state employee on their premises or surrender their children to interviews unless that social worker or state employee is in possession of a court order to that effect.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the department of health and human services to inform parents of a child suspected of being a victim of abuse and neglect of the nature of the charges and that they are not required to admit state employees to their property and are not required to allow them to interview their child without a court order to that effect.

HB 591, relative to the calculation of health and dental insurance costs as part of the child support obligation. OUGHT TO PASS WITH AMENDMENT.

Rep. Eileen C. Flockhart for Children and Family Law: This bill gives a credit to the parent who pays for medical and or dental insurance for the minor children when gross adjusted income is calculated for child support. It also states that co-payments for services are shared equally unless otherwise determined by the parties involved. Vote 16-0.
Amendment (0117h)

Amend the title of the bill by replacing it with the following:
AN ACT relative to the inclusion of health insurance in the calculation of child support.

Amend the bill by replacing all after the enacting clause with the following:

1 Child Support Guidelines; Definition of Adjusted Gross Income; Credit for Cost of Medical Insurance. Amend RSA 458-C:2, I(e) to read as follows:

(c) Amounts actually paid by the obligor for allowable child care expenses [or medical insurance coverage for the minor children to whom the child support order applies].

(f) Amounts actually paid by the obligor for family medical insurance coverage for the minor children to whom the child support order applies.

(g) Amounts actually paid by the obligor for dental insurance coverage for the minor children to whom the child support order applies.

2 Child Support Formula; Reference to Family Added. Amend RSA 458-C:3, II(b) and (c) to read as follows:

(b) The total child support obligation shall be divided between the parents in proportion to their respective incomes as adjusted by this section, except when there are incurred by the obligee child care expenses or for the actual amount paid for family medical and dental insurance coverage for the minor children to whom the child support order applies.

(c) For those cases involving allowable child care expenses or family medical and dental insurance expenses incurred by the obligee, the same methodology described in subparagraphs (a) and (b) shall be used, except that as part of the determination of each parent’s share of the child support obligation, the obligee’s allowable child care expenses or family medical and dental insurance expenses shall be deducted from the adjusted gross income of the obligee.

3 Child Support Orders; Responsibility for Insurance Costs. Amend RSA 458:17, IX to read as follows:

IX. Each child support order shall include the court’s determination and findings relative to health insurance and the payment of uninsured medical expenses for the children. Medical copayments for in-network care shall be apportioned between the parties on an equal basis or in a proportion that is otherwise agreed upon by the parties and approved by the court.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that the amount paid by either parent for family medical and dental insurance coverage for the minor children reduces their income for purposes of calculating child support. The bill also requires the child support order to address responsibility for medical insurance co-payments.

HB 592, relative to the child support guidelines. OUGHT TO PASS WITH AMENDMENT.

Rep. Eileen C. Flockhart for Children and Family Law: The economic consequences to either party for state or federally guaranteed or licensed commercial student loan payments paid by the obligor or obligee for his or her postsecondary educational expenses will now be provided for in statute as a special circumstance. In addition this bill provides some additional discretion to a judge to determine minimum child support payments. Vote 15-0.

Amendment (0139h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraphs; Child Support Guidelines; Student Loan Payments and Postsecondary Education Expenses Deducted From Adjusted Gross Income. Amend RSA 458-C:2, I by inserting after subparagraph (e) the following new subparagraph:

(f) Court-ordered payments for an adult child’s postsecondary educational expenses, made pursuant to a New Hampshire court order issued prior to February 2, 2004, or an out-of-state court order.

2 Adjustment to Child Support Guidelines Under Special Circumstances; School Loan Obligations. Amend RSA 458-C:5, I by replacing subparagraph (j) with the following:

(j) The economic consequences to either party for state or federally guaranteed or licensed commercial student loan payments paid by the obligor or obligee for his or her postsecondary educational expenses.
(k) Other special circumstances found by the court to avoid an unreasonably low or confiscatory support order, taking all relevant circumstances into consideration.

3 Definition of Minimum Support Order: Judicial Discretion Added. Amend RSA 458-C:2, V to read as follows:

V. “Minimum support order” means an order of support equal to $50 per month, unless the court determines that a lesser amount is appropriate under the particular circumstances of the case.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides a deduction under the child support formula for court-ordered, postsecondary educational expenses. The bill also permits the court to adjust child support based on either parent’s school loan obligations. The bill also gives the court discretion to order less than the minimum child support order.

HB 77-FN, relative to geographic location for small group insurance coverage. INEXPEDIENT TO LEGISLATE.

Rep. Jane S. Langley for Commerce: Geographical rating was eliminated with the passage of SB 125 last session – thus this bill is now unnecessary. Vote 17-0.

HB 92, limiting access to certain business records. REFER FOR INTERIM STUDY.

Rep. Stephen B. Stepanek for Commerce: This bill, in one form or another, has been around for many sessions. It is introduced, retained and then referred to interim study each session. Its goal is to put the tax authorities of our neighboring states on notice that in their zeal to collect sales taxes from our border businesses, they must follow certain procedures. By keeping this bill “pending” it has achieved this goal. By a vote of 18-0 the committee recommends that this bill be sent to interim study. Vote 18-0.

HB 159, relative to insurance coverage for persons having deafness and hearing loss. REFER FOR INTERIM STUDY.

Rep. Stephen T. DeStefano for Commerce: The committee heard extensive testimony and received a report under the mandate review process of the Insurance Department. Although not willing to pass this law as written, the issue is worthy of further study. Vote 18-0.

HB 374, establishing a commission on economic independence. INEXPEDIENT TO LEGISLATE.

Rep. Charles L. Clark for Commerce: This was a well intended bill but was very vague as to its real purpose. It was retained with the expectation that the sponsor would be adding definition to the bill. The subcommittee met twice in the fall. The sponsor didn’t attend either meeting. Apparently his interest waned. Vote 19-0.

HB 678-FN, relative to the insurance premium tax. OUGHT TO PASS WITH AMENDMENT.

Rep. Charles L. Clark for Commerce: This bill encourages the retention of domestic insurers and the recruitment of insurers domiciled in other states. It also encourages the retention and recruitment of jobs in the insurance and financial services industry by providing an economic tool, a reduction of the insurance premium tax. The Department of Resources and Economic Development supports this initiative and will actively promote it. Vote 19-0.

Amendment (0189h)

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose and Findings. The general court finds that over the last decade the state has witnessed a significant loss of insurance companies that were domesticated in New Hampshire. The loss of a domestic insurance company to another state takes revenue and jobs from the state and impacts the overall welfare of the general public by the absence of a corporate good citizen no longer available to participate in good works in the communities of New Hampshire. A tool that may be used to retain current domestic insurers and recruit other companies is a reduction in the premium tax rate. A reduction in the premium tax rate will be an effective way to spur economic development and reverse recent losses of domestic insurers. Such a reduction will stimulate growth in financial services and other sectors in New Hampshire. States that have lowered their insurance premium taxes have experienced significant economic gain as many insurers have moved to incorporate in those states. Those states that lowered their insurance premium tax rates have found
that investment by insurers in the form of new employment, acquisition of property, and consumption of services have stimulated economic growth. By reducing the insurance premium tax, New Hampshire will give itself a competitive advantage over other eastern states with higher rates. The general court finds that the economic development stimulated by a reduction in the insurance premium tax rate in New Hampshire will be of great benefit to the state.

2 Retention and Recruitment of Domestic Insurers. The insurance commissioner, or designee, shall work with the commissioner of the department of resources and economic development to retain domestic insurers and recruit insurers to domesticate in New Hampshire.

3 Insurance; Premium Tax Decreased. Amend RSA 400-A:32, I to read as follows:

1(a) Every insurer shall pay to the insurance commissioner a tax [of 2 percent] upon such net premiums, *for lines of business written*, as set forth in the report filed pursuant to RSA 400A:31, I, less estimated payments made in accordance with RSA 400-A:32, II[b], as follows:

(1) A tax of one percent for all lines of business written pursuant to RSA 401:1, I-III and V-VIII, and RSA 401:1-a, I and II;

(2) A tax of 2 percent for all lines of business written pursuant to RSA 401:1, IV, including, but not limited to, insurers licensed pursuant to RSA 420-A, RSA 420-B, and RSA 420-F;

(b) Provided, however, that every authorized insurer shall pay to the insurance commissioner a minimum annual premium tax of no less than $200.

4 Effective Date. This act shall take effect 60 days after its passage.

**AMENDED ANALYSIS**

This bill reduces the insurance premium tax in an effort to retain companies that are presently domesticated in New Hampshire and attract other companies to domesticate in New Hampshire.

This bill is a result of the committee established in 2004, 84.

Referred to the committee on Ways and Means.

**HB 689-FN**, relative to the jurisdiction of the New Hampshire commission for human rights over housing discrimination cases. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Stella Scaman for Commerce: This bill amends state laws that address housing discrimination. These changes were recommended by the United States Department of Housing and Urban Development to allow state law to be certified as substantially equivalent to federal fair housing law. This certification will allow the New Hampshire Commission for Human Rights to hear both state and federal discrimination cases. Increased funding will be provided by HUD, sufficient to fund the increased case load. Vote 19-0.

**Amendment (0033h)**

Amend the bill by replacing section 5 with the following:

5 Choice of Forum. Amend RSA 354-A:21-a, I to read as follows:

1. Any party alleging to be aggrieved by any practice made unlawful under this chapter may, at the expiration of 180 days after the timely filing of a complaint with the commission, or sooner if the commission assesses in writing, but not later than 3 years after the alleged unlawful practice occurred, bring a civil action for damages or injunctive relief or both, in the superior court for the county in which the alleged unlawful practice occurred or in the county of residence of the party[ by the same extent as damages and injunctive relief could be awarded by the commission in a complaint not removed]. Any party alleged to have committed any practice made unlawful under this chapter may, in any case in which a determination of probable cause has been made by the investigating commissioner, remove said complaint to superior court for trial. A court in cases so removed may award all damages and relief which could have been awarded by the commission, except that in lieu of an administrative fine, enhanced compensatory damages may be awarded when the court finds the respondent's discriminatory conduct to have been taken with willful or reckless disregard of the charging party's rights under this chapter. A superior court trial shall not be available to any party if a hearing before the commission has begun or has concluded pursuant to RSA 354-A:21, II[b], or to a complainant whose charge has been dismissed as lacking in probable cause who has not prevailed on an appeal to superior court pursuant to RSA 354A:21, II[a]. In superior court, either party is entitled to a trial by jury on any issue of fact in an action for damages regardless of whether the complaining party seeks affirmative relief.

Amend the bill by replacing section 7 with the following:

7 Effective Date. This act shall take effect July 1, 2006.
HB 716-FN, relative to securities regulation. OUGHT TO PASS WITH AMENDMENT.

Rep. Tara G. Reardon for Commerce: This bill was at the request of the Secretary of State and modernizes securities regulation in the State of New Hampshire. The final version is a collaborative effort of the office of the Secretary of State, the Banking Department and attorneys practicing in the securities area. Definitions have been expanded and clarified regarding fraudulent or deceptive devices, authority and jurisdiction of the Secretary of State, exemption for isolated sales, and when an offer to buy or sell is made. Additionally, the bill modifies requirements for securities licenses and licensing of broker-dealers, record-keepers of complaints and litigation, examinations, and changes fees for licensing and filings. It also adds a penalty for late notice filings. Vote 19-0.

Amendment (0045h)

Amend the bill by deleting sections 1-3 and renumbering the original sections 1-34 to read as 1-31, respectively.

Amend RSA 421-B:3, II as inserted by section 2 of the bill by replacing it with the following:

II. For purposes of this section, a fraudulent or deceptive device or contrivance shall include, but shall not be limited to:

(a) Representing in the offer or sale of securities, in writing or orally, that there is a guarantee against risk or loss.

(b) Inducing excessive trading in a customer’s account, or inducing trading beyond that customer’s known financial resources.

(c) Effecting transactions in the account of a customer without his or her knowledge or maintaining discretionary accounts without written authorization.

(d) Engaging or aiding in any act, practice, or course of business that encourages a prospective purchaser to make a quick decision to invest, irrespective of his or her investment needs and objectives.

Amend RSA 421-B:6, V(b) as inserted by section 7 of the bill by replacing it with the following:

(b) It is prohibited for any branch office or agent of a broker-dealer or investment adviser to conduct a securities or investment advisory business in this state under any name other than that of the broker-dealer or investment adviser with which the branch office is associated or agent is licensed. If more than one business enterprise is conducted from a branch office location, disclosures shall clearly set forth what business activity is conducted by each organization and each licensed agent’s relationship to each organization; provided, however, that this requirement shall not apply to television, radio, or billboard advertising that pertains exclusively to a non-securities product.

Amend RSA 421-B:7, VIII(a) as inserted by section 10 of the bill by replacing it with the following:

VIII. Except for applicants subject to issuer-dealer licensing under RSA 421-B:6, I-a and I-b:

(a) Applications for an issuer-dealer’s license in New Hampshire may be obtained from and shall be filed at the office of the secretary of state.

Amend RSA 421-B:7, X(a) as inserted by section 10 of the bill by replacing it with the following:

X. Except for applicants subject to issuer-dealer licensing under RSA 421-B:6, I-a and I-b:

(a) Application for renewal of an issuer-dealer license shall be made by December 31 of each year to the secretary of state and shall include the fee prescribed by RSA 421-B:31.

Amend RSA 421-B:17, II(a)(1) as inserted by section 15 of the bill by replacing it with the following:

(a)(1) Any nonissuer transactions, whether or not effected by or through a broker-dealer resulting in the completion of 5 or fewer sales within any period of 12 consecutive months. The secretary of state, on a case-by-case basis, may by rule or order, retroactively or prospectively, increase the number of persons to whom sales may be made under this exemption.

Amend RSA 421-B:17-a as inserted by section 18 of the bill by replacing it with the following:

421-B:17-a Registered Securities Offerings and Filings for Exemption from Registration; General Standards of Conduct and Disclosure. The following standards shall apply to all registered offerings of securities and to any exempt offerings which require a filing with the secretary of state.

I. Additional disclosures shall be made in offering documents or registration statements, or an application for registration or a filing for exemption from the registration requirement shall be denied, or further conditions for an exemption or registration shall be imposed, if any of the persons, other than persons licensed in this state, issuing or offering securities in this state:

(a) Has filed a registration statement which is the subject of a currently effective registration stop order entered pursuant to any state’s securities law within 5 years prior to the instant securities offering in this state.
(b) Has been convicted within 5 years prior to making the instant offer of a security in this state of:
(1) Any felony or misdemeanor in connection with the offer, purchase, or sale of any security.
(2) Any felony involving fraud or deceit, including but not limited to:
   (A) Forgery.
   (B) Embezzlement.
   (C) Obtaining money under false pretenses.
   (D) Larceny.
   (E) Conspiracy to defraud.
(c) Is currently subject to a material administrative enforcement order or judgment entered by a state’s securities administrator within 5 years prior to offering securities in this state or is subject to any state’s administrative enforcement order or judgment in which fraud or deceit, including, but not limited to, making untrue statements of material facts and omitting to state material facts, was found and the order or judgment was entered within 5 years prior to offering securities in this state.
(d) Is subject to a material administrative enforcement order or judgment which prohibits, denies, or revokes the use of any exemption from registration in connection with the offer, purchase, or sale of securities.
(e) Is currently subject to any order, judgment, or decree of any court of competent jurisdiction temporarily, preliminarily, or permanently restraining or enjoining such party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any false filing with the state entered within 5 years prior to offering securities in this state.
II. Offering documents filed with the secretary of state shall be delivered to prospective investors at least 48 hours before investors commit to the investment, provided that the secretary of state, for good cause shown, shall suspend this requirement by order.
III. In addition to the disclosures required pursuant to RSA 421-B, additional disclosures shall be included in any offering document for a registered offering of securities pursuant to the policies and guidelines promulgated by the North American Securities Administrators Association (NASAA) for the benefit of investors to provide full and fair disclosure of a particular investment opportunity to investors. In addition, such offerings shall be subject to any further standards, including suitability standards, promulgated by NASAA for such offerings.
Amend RSA 421-B:21, I-a(b) as inserted by section 20 of the bill by replacing it with the following:
(b)(1) To license the following:
   (A) Broker-dealers.
   (B) Investment advisers.
   (C) Issuer-dealers.
   (D) Agents.
   (E) Investment adviser representatives.
(2) The exclusive authority and jurisdiction to issue licenses pursuant to RSA 421-B:21, I-a(b) shall not be read to limit the authority of the department of insurance to license sellers of products where licensure is required both by RSA 421-B and Title XXXVII.
Amend the bill by deleting section 21 and renumbering the original sections 22-28 to read as 21-30, respectively.
Amend RSA 421-B:31, I(b)(1) as inserted by section 22 of the bill by replacing it with the following:
(1) Agent’s initial license fee $100
Amend the bill by inserting after section 22 the following and renumbering the original sections 23-30 to read as 24-31, respectively:
23 Penalty for Late Notice Filing. Amend RSA 421-B:31, IV to read as follows:
IV. (a) Any person who offers or sells securities in New Hampshire under (1) RSA 421-B:12, 13, or 14, where less than the maximum filing fee has been paid in this state, (2) RSA 421-B:17, II(r) or (h), (3) a notice filing under section 18(b)(4)(D) of the Securities Act of 1933, or (4) a notice filing under section 18(b) of the Securities Act of 1933 where less than the maximum filing fee has been paid in this state shall file a sales report with the secretary of state. Such reports shall be filed one year from (1) the effective date of the registration or exemption or (2) the date the notice filing under section 18(b) of the Securities Act of 1933 was made with the secretary of state, and a final sales report shall be filed within 60 days of the termination of the offering. The sales report shall indicate the termination date, the total number and amount of sales in this state, and the total number
and amount of sales in all jurisdictions. Any person who (1) fails to file a sales report or (2) fails to submit annual audited financial statements to the secretary of state under RSA 421-B:15, II-a shall pay a penalty of $25 for each day of delinquency; provided, however, that the secretary of state may, for good cause shown, abate all or a portion of said delinquency penalty. The provisions of this paragraph shall not apply to federal covered securities pursuant to section 18(b)(2) of the Securities Act of 1933.

(b) Any person who fails to timely file the notice required pursuant to RSA 421-B:11, I-a(e) shall pay a penalty of $500 if the notice filing is delinquent by no more than 90 days or a penalty of $1,000 if the notice filing is delinquent by more than 90 days; provided, however, that if the filing is delinquent by more than one year, the person failing to timely file the required notice may be subject to the provisions of RSA 421-B:23, RSA 421-B:24, RSA 421-B:25, and RSA 421-B:26 for such failure.

Amend the bill by replacing section 31 with the following:

31 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill:
I. Expands the definition of “issuer-dealer.”
II. Defines fraudulent or deceptive devices in sales or purchases of securities.
III. Expands unlawful activities to include manipulative, deceptive, or other devices.
IV. Makes changes to the requirements for securities licensing.
V. Establishes additional licensing requirements for issuer-dealers.
VI. Requires investment adviser licensees to keep files of complaints and litigation for the secretary of state to inspect.
VII. Requires examination of an issuer-dealer’s accounts within 4 years of licensing.
VIII. Clarifies the exemption for isolated sales of securities from regulation.
IX. Establishes general standards of conduct in securities offerings.
X. Permits the secretary of state to appoint deputy directors.
XI. Clarifies the authority and jurisdiction of the secretary of state over securities regulation.
XII. Clarifies when an offer to buy or sell is made.
XIII. Changes fees for securities licenses and filings.
XIV. Adds a penalty for late notice filings.
XV. Makes the secretary of state a member of the deferred compensation commission, replacing the director of the office of securities regulation.

This bill is a request of the secretary of state.

Referred to the committee on Ways and Means.

HB 719-FN, recodifying the Articles 1 and 7 of the Uniform Commercial Code. OUGHT TO PASS WITH AMENDMENT.

Rep. Tara G. Reardon for Commerce: This bill adopts the recodified version of Articles 1 and 7 as promulgated by the Commissioners on Uniform Laws. Like other states that have adopted this Uniform version, New Hampshire maintained the choice of law provision currently available. Vote 19-0.

Amendment (0128h)

Amend RSA 382-A:1-301 as inserted by section 1 of the bill by replacing it with the following:

382-A:1-301 Territorial Application of Chapter; Parties’ Power to Choose Applicable Law.

(a) Except as provided in paragraph (b), if a transaction bears a reasonable relation to this state and also to another state or nation, the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties. In the absence of such an agreement, this chapter applies to transactions bearing a reasonable relation to this state.

(b) Where one of the following provisions of this chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law, including the conflict of laws rules, so specified:

(1) Rights of creditors against sold goods, Section 2-402.
(2) Applicability of the Article on Leases, Sections 2A-105 and 2A-106.
(3) Applicability of the Article on Bank Deposits and Collections, Section 4-102.
(4) Governing law in the Article on Funds Transfer, Section 4A-507.
(5) Letters of Credit, Section 5-116.
(6) Applicability of the Article on Investment Securities, Section 8-110.
(7) Law governing perfection, the effect of perfection or nonperfection, and the priority of security interests and agricultural liens, Sections 9-301 through 9-307.

Amend the bill by replacing section 48 with the following:

48 Effective Date. This act shall take effect January 1, 2007.

SB 64, establishing a committee to study small group health insurance plans. INEXPEDIENT TO LEGISLATE.

Rep. Marshall Lee Quandt for Commerce: The committee believes that we now have an oversight committee to ensure SB 125 (2004) is implemented as smoothly as possible. Small group health insurance has been adequately studied to this point. If any future problems exist this bill can be reintroduced. Vote 18-0.

SB 175, requiring insurance coverage for certified midwives. OUGHT TO PASS WITH AMENDMENT.

Rep. James R. Martin for Commerce: This bill requires insurance carriers to cover the services of certified midwives provided in licensed health care facilities, under policies providing maternity benefits, and subject to each insurer’s standards and mechanisms for credentialing and contracting pursuant to RSA 420-J:4 and RSA 420-J:8. Vote 18-0.

Amendment (0168h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Coverage for Certified Midwives; Individual. Amend RSA 415 by inserting after section 6-k the following new section:

415:6-l Coverage for Certified Midwives. Each insurer that issues or renews any individual policy, plan, or contract of accident or health insurance providing maternity benefits, shall also provide to certificate holders of such insurance, who are residents of this state, coverage consistent with the terms and conditions of the policy for services rendered by a midwife certified under RSA 326D. Such coverage shall be subject to each insurer’s standards and mechanisms for credentialing and contracting pursuant to RSA 420-J:4 and RSA 420-J:8 respectively, where applicable, and contingent upon services being provided in a licensed health care facility and within the scope of practice of a certified midwife. Benefits provided shall not be subject to any greater co-payment, deductible, or coinsurance than any other similar benefits provided by the insurer.

2 New Section; Coverage for Certified Midwives; Group. Amend RSA 415 by inserting after section 18-p the following new section:

415:18-q Coverage for Certified Midwives. Each insurer that issues or renews any policy of group or blanket accident or health insurance providing maternity benefits shall also provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage consistent with the terms and conditions of the policy for services rendered by a midwife certified under RSA 326-D. Such coverage shall be subject to each insurer’s standards and mechanisms for credentialing and contracting pursuant to RSA 420-J:4 and RSA 420J:8 respectively, where applicable, and contingent upon services being provided in a licensed health care facility and within the scope of practice of a certified midwife. Benefits provided shall not be subject to any greater co-payment, deductible, or coinsurance than any other similar benefits provided by the insurer.

3 New Section; Coverage for Certified Midwives; Health Service Corporations. Amend RSA 420A by inserting after section 17-e the following new section:

420-A:17-f Coverage for Certified Midwives. Every health service corporation and every other similar corporation licensed under the laws of another state that issues or renews any policy of group or blanket accident or health insurance providing maternity benefits shall also provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage consistent with the terms and conditions of the policy for services rendered by a midwife certified under RSA 326-D. Such coverage shall be subject to each insurer’s standards and mechanisms for credentialing and contracting pursuant to RSA 420-J:4 and RSA 420J:8 respectively, where applicable, and contingent upon services being provided in a licensed health care facility and within the scope of practice of a certified midwife. Benefits provided shall not be subject to any greater co-payment, deductible, or coinsurance than any other similar benefits provided by the insurer.

4 New Section; Coverage for Certified Midwives. Amend RSA 420-B by inserting after section 80 the following new section:
420-B:8-p Coverage for Certified Midwives. Every health maintenance organization and every similar corporation licensed under the laws of another state that issues or renews any policy, plan, or contract of individual or group or blanket health insurance providing maternity benefits shall also provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state, coverage consistent with the terms and conditions of the policy for services rendered by a midwife certified under RSA 326-D. Such coverage shall be subject to each insurer’s standards and mechanisms for credentialing and contracting pursuant to RSA 420J:4 and RSA 420-J:8 respectively, where applicable, and contingent upon services being provided in a licensed health care facility and within the scope of practice of a certified midwife. Benefits provided shall not be subject to any greater co-payment, deductible, or coinsurance than any other similar benefits provided by the insurer.

5 Effective Date. This act shall take effect 60 days after its passage.

SB 209-FN, relative to licensing of money transmitters and check cashers. REFER FOR INTERIM STUDY.
Rep. Tara G. Reardon for Commerce: This bill seeks to regulate money transmitters and check cashers. Resolution of the issues surrounding these activities relies partly on a pending suit involving “stored value cards,” The New Hampshire Attorney General’s Office is currently a participant in that matter. The committee feels this is an important bill and would like to work further studying the issue and gaining more insight into the check cashing practice as it currently exists in the state. Vote 19-0.

HB 113, establishing a committee to study mandatory sentencing in criminal cases. INEXPEDIENT TO LEGISLATE.
Rep. William V. Knowles for Criminal Justice and Public Safety: The intent of this bill was to establish a study committee, which the committee did by means of a subcommittee to study these sentences. It was determined that most of the mandatory sentences involved murder, rape and DWI, which they felt shouldn’t be changed. The subcommittee also decided to submit legislation to allow discretion to judges in cases involving felonious use of a firearm in a crime not considered a violent crime. Vote 15-0.

HB 373, relative to eligibility for parole for nonviolent offenders with Immigration and Naturalization Service detainers or deportation orders, or a federal prison sentence. INEXPEDIENT TO LEGISLATE.
Rep. Karl I. Gilbert for Criminal Justice and Public Safety: The State of New Hampshire should support its own laws. When these offenders are prosecuted, the state considers the status of the offender. The judge also has knowledge of the status during sentencing. The process in this bill, if implemented, would send the wrong message to crime victims. Vote 15-0.

HB 385, establishing a committee to study the repeal of the felony count for fourth and subsequent DWI offenders. OUGHT TO PASS WITH AMENDMENT.
Rep. John E. Tholl for Criminal Justice and Public Safety: The committee believes that there is a serious problem with substance abuse treatment within the state prison system. As originally drafted, the bill would have limited the study to just felony DWI inmates. The amendment broadens the study to all offenses that need substance abuse treatment that a more comprehensive treatment program can result from the study. Vote 15-0.

Amendment (0058h)
Amend the title of the bill by replacing it with the following:
AN ACT establishing a committee to study the adequacy of current substance abuse treatment available in the state prison system.

Amend the bill by replacing section 1 with the following:
1 Committee Established. There is established a committee to study the adequacy of current substance abuse treatment available in the state prison system.

Amend the bill by replacing section 3 with the following:
3 Duties. The committee shall evaluate the adequacy of current substance abuse treatment available in the state prison system.

Amend the bill by replacing section 5 with the following:
5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.
AMENDED ANALYSIS

This bill establishes a committee to study the adequacy of current substance abuse treatment available in the state prison system.

HB 489-FN, relative to disclosing an ownership interest in certain health care facilities and businesses. OUGHT TO PASS WITH AMENDMENT.

Rep. Patricia A. Dowling for Criminal Justice and Public Safety: Currently, health care practitioners disclose ownership interests in ancillary services to the Department of Health and Human Services. The Department of Health and Human Services had indicated it lacked the staff to enforce the disclosure by doctors of their ownership in other health care facilities to which they may refer patients. The original bill required fines and suspension of licenses to force the disclosure. The amendment requires the license application to include such disclosures. If the license is not sufficiently filled out, it will not be granted or could be suspended. False information on the license application shall be subject to perjury. Vote 15-0.

Amendment (0200h)

Amend the bill by replacing all after the enacting clause with the following:

I. Disclosure to Respective Boards; Ownership Interest. RSA 125:25-c is repealed and reenacted to read as follows:

  125:25-c Disclosure to the Licensing Authority.

  I. Notwithstanding any other section of the law, any health care practitioner who has an ownership interest in an entity which provides diagnostic or therapeutic services shall disclose such interest to the appropriate licensing authority regardless of whether any referrals are provided to the health care practitioner's entity or any other entity. In the disclosure to the appropriate licensing authority, the health care practitioner shall list all diagnostic and therapeutic services provided by any entity in which the health care practitioner has an ownership interest. Disclosure of ownership, as well as the percentage of ownership interest in each entity or entities, shall be made upon application for and renewal of the health care practitioner's license, on the application and renewal form.

  II. An entity which provides diagnostic and therapeutic services shall include services provided by an entity within a hospital, but which is not owned by the hospital.

  III. This section shall not apply to in-office ancillary services.

  IV. Failure to report such ownership interest may result in the suspension of one's professional license or registration. Any applicant who falsifies disclosure information shall be subject to perjury.

2 Repeal. RSA 125:15-a, VIII, relative to rulemaking for certain disclosures, is repealed.

3 Effective Date. This act shall take effect July 1, 2006.

AMENDED ANALYSIS

This bill requires a health care practitioner to report an ownership interest in certain health care facilities and businesses to their respective licensing boards instead of the department of health and human services.

Rep. Price declared a conflict of interest and did not participate.

HB 654-FN-L, prohibiting the sale or resale of goods or services produced using inmate labor. INEXPEDIENT TO LEGISLATE.

Rep. Karl I. Gilbert for Criminal Justice and Public Safety: After reviewing concerns of the committee, it appears the Grafton County Commissioners have resolved any issues surrounding the sale of produce grown at the county farm using inmate labor. Passage of this bill would impact all ten county jails and the four state prisons in New Hampshire. Vote 15-0.

HB 673-FN, making it a felony to knowingly transmit the human immunodeficiency virus or hepatitis to another person. INEXPEDIENT TO LEGISLATE.

Rep. William V. Knowles for Criminal Justice and Public Safety: A case was decided in Rockingham Superior Court in which a man was charged with second degree assault with a deadly weapon for having unprotected sex while infected with H.I.V. without informing his partner in sex of his condition until after the event. The material elements in this case alleged in his indictment were: (1) a reckless mental state; (2) causing bodily injury (psychological); and (3) using a deadly weapon. He pled guilty and was sentenced 3-7 years. Prosecutors feel this decision will form a standard and that additional legislation is not necessary. Vote 14-1.
HB 292, establishing a procedure for a town to withdraw from a 3-town school district. INEXPE- DIENT TO LEGISLATE.
Rep. Stephen R. L’Heureux for Education: The committee retained this bill to monitor a situation in Mason. During the summer, the local parties resolved their local issue making this legislation unnecessary. Vote 15-0.

HB 297-FN, relative to charter schools. INEXPE- DIENT TO LEGISLATE.
Rep. Claire D. Clarke for Education: The committee felt that the appropriate vehicle for any amendments to charter school language should be HB 76, in order to prevent duplication of provisions within bills. Therefore elements of this bill as it relates to direct payment to Charter Schools by the state were incorporated into HB 76. Vote 19-0.

HB 606-FN-A-L, revising the calculation and distribution of education funding and special education funding. INEXPE- DIENT TO LEGISLATE.
Rep. David W. Hess for Education: The committee retained six of the seven education funding bills introduced in 2005 in order to have vehicles available to correct and/or modify HB 616 as enacted into law. One of these bills, HB 100, is being used to make technical corrections to the law as enacted in June, 2005. Only one other proposal regarding educational funding was brought forth. Consequently, this bill is not necessary. Vote 19-0.

HB 614-FN-A-L, providing for state funding of the statewide average education cost per pupil. INEXPE- DIENT TO LEGISLATE.
Rep. David W. Hess for Education: The committee retained six of the seven education funding bills introduced in 2005 in order to have vehicles available to correct and/or modify HB 616 as enacted into law. One of these bills, HB 100, is being used to make technical corrections to the law as enacted in June, 2005. Only one other proposal regarding educational funding was brought forth. Consequently, this bill is not necessary. Vote 19-0.

HB 684-FN-L, relative to education funding and the distribution of targeted aid and transition education grants. INEXPE- DIENT TO LEGISLATE.
Rep. David W. Hess for Education: The committee retained six of the seven education funding bills introduced in 2005 in order to have vehicles available to correct and/or modify HB 616 as enacted into law. One of these bills, HB 100, is being used to make technical corrections to the law as enacted in June, 2005. Only one other proposal regarding educational funding was brought forth. Consequently, this bill is not necessary. Vote 19-0.

HB 221, relative to eligibility for absentee ballots. OUGHT TO PASS WITH AMENDMENT.
Rep. Richard B. Drisko for Election Law: This bill will permit persons who are unable to appear at a polling place during polling hours, because of employment obligations, to be considered as absent and thereby eligible for an absentee ballot. This legislation will amend the application forms to include this additional eligibility category. Vote 18-0.

Amendment (0062h)
Amend the bill by replacing all after the enacting clause with the following:
1 Absence, Religious Observance, and Disability Absentee Voting. Amend RSA 657:1 to read as follows:

657:1 Absence, Religious Observance, and Disability Absentee Voting. Any person who is absent on the day of any state election from the city, town, or unincorporated place in which he or she is registered to vote or who cannot appear in public on any election day because of his or her observance of a religious commitment or who is unable to vote there in person by reason of physical disability may vote at such elections as provided in this chapter. A person who is unable to appear at any time during polling hours at his or her polling place because an employment obligation requires the person to remain physically at work or to be in transit to or from work from the time the polls open until after the time the polls close shall be considered absent for purposes of this chapter.

2 Absentee Voter Affidavit; Absence from City or Town. Amend RSA 657:7. If(a) to read as follows:

(a) Absence from City or Town. A person voting by absentee ballot because of absence from the city or town in which he or she is entitled to vote shall fill out and sign the following certificate:
I do hereby certify under the penalties for voting fraud set forth below that I am a voter in the city or town of ________________________, New Hampshire, in ward _______________________; that I will be unable to appear at any time during polling hours at my polling place because I will be working on election day or will be otherwise absent on election day from said city or town and will be unable to vote in person; that I have carefully read (or had read to me because I am blind) the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the ballot within and sealed it in this envelope (or had assistance in marking the ballot and sealing it in this envelope because I am blind).

(Signature)

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed $2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed $5,000.

3 Town Elections; Absentee Voting. Amend RSA 669:26 to read as follows:

669:26 Absentee Voting. Every town which has adopted an official ballot system for town elections as provided in RSA 669:12 or 669:13 shall provide for absentee voting. Any registered voter or armed services voter who is absent from such a town on the day of a town election, or who cannot appear in public on election day because of his observance of a religious commitment, or who, by reason of physical disability, is unable to vote in person may vote at a town election in accordance with the provisions of this section and RSA 669:27-669:29. A person who is unable to appear at any time during polling hours at his or her polling place because an employment obligation requires the person to remain physically at work or to be in transit to or from work from the time the polls open until after the time the polls close shall be considered absent for purposes of this section and RSA 669:27-669:29.

4 Absentee Voter Affidavit. Amend RSA 669:27, III to read as follows:

III. Envelopes of sufficient size to contain the ballots specified in paragraph I, on which shall be printed the following affidavit:

Absence. A person voting by absentee ballot because of absence from the place in which he or she is entitled to vote shall fill out and sign the following certificate:

I do hereby certify, under the penalties for voting fraud set forth below, that I am a voter in the town (city, village district, school district) of ________________________, New Hampshire, that I will be unable to appear at any time during polling hours at my polling place because I will be working on election day or will be otherwise absent on election day from said town (city, village district, school district) and will be unable to vote in person; that I have carefully read the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the within ballot and enclosed and sealed it in this envelope.

(Signature)

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed $2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed $5,000.

Absence Because of Religious Observance or Physical Disability. A person voting by absentee ballot because of religious observance or physical disability shall fill out and sign the following certificate:

I do hereby certify, under the penalties for voting fraud set forth below, that I am a voter in the town (city, village district, school district) of ________________________, New Hampshire, that I will be observing a religious commitment which prevents me from voting in person, or that on account of physical disability I am unable to vote in person; that I have carefully read the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the within ballot and sealed it in this envelope.

(Signature)

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed $2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed $5,000.
5 Absentee Voting; Application Forms. RSA 657:4 is repealed and reenacted to read as follows: 657:4 Forms. Prior to any state election, the secretary of state shall prepare the appropriate application forms for absentee ballots worded in substantially the following form. The secretary of state shall insert the names of all parties qualified as set forth in RSA 652:11 in the list of parties on the application form. The secretary of state shall prepare the application forms in such quantity as he or she deems necessary:

I. Absence (Excluding Absence Due to Residence Outside the Continental United States), Religious Observance, and Disability:

New Hampshire law requires that you vote in person at the polling place for your town or ward unless you:

a. Plan to be absent on the day of the election from the city, town, or unincorporated place in which you are registered to vote.

b. Cannot appear in public on election day because of observance of a religious commitment.

c. Are unable to vote in person due to a disability.

RSA 657:1. Any person who votes or attempts to vote using an absentee ballot who is not entitled to vote by absentee ballot shall be guilty of a misdemeanor. RSA 657:24.

I am requesting an absentee ballot for the following election:

____ State Primary. I am member of the:

____ Republican Party

____ Democratic Party

or I am now declaring my affiliation with that party and am requesting a ballot for that party’s primary.

____ General Election

Applicant’s Name __________________________

(Last) ____________________ (First) ____________ (Middle) ____________ (DOB) ____________

Applicant’s Voting Domicile (home address):

(Street) __________________________ (City/Town) __________________________ (Zip) ____________

Mail the ballot to me at this address:

________________________________________________________________________________________

I hereby declare that:

_____ I am a duly qualified voter who is currently registered to vote in this town/ward.

_____ I am absent from the town/city where I am domiciled and will be until after the next election, or I am unable to register in person due to a disability, and request that the forms necessary for absentee voter registration be sent to me with the absentee ballot.

I will be entitled to vote by absentee ballot at the election designated above because:

_____ I plan to be absent on the day of the election from the city, town, or unincorporated place where I am domiciled.

_____ I cannot appear in public on election day because of observance of a religious commitment.

_____ I am unable to vote in person due to a disability.

This application form must be signed by the applicant. The absentee ballot forms you receive will require you to sign an affidavit confirming that you are entitled to vote by absentee ballot due to one of the reasons stated above. The moderator is required to compare the signature on the affidavit to your signature on this form. The absentee ballot will not be counted if the affidavit and this form do not appear to have been signed by the same person. RSA 659:50.

Signature of the Applicant: __________________________

II. Any person that publishes, mails, or distributes in any manner any written communication that contains a form or postcard which a reasonable person would consider as intended to be used by the recipient of the communication to submit a request for an absentee ballot shall attach a copy of the form prepared by the secretary of state pursuant to paragraph I of this section to the communication or include in the communication a complete facsimile of the form prepared by the secretary of state pursuant to paragraph I of this section. Any person that violates this paragraph shall be subject to a civil penalty not to exceed $1,000, to be imposed in the manner set forth in RSA 659:34, III-V.
III. (a) Absence Due to Residence Outside the Continental United States:
To the city or town clerk of ____________
I, _____________, hereby apply for an official absentee ballot. I am a duly qualified voter entitled to vote in ward ____________, city or town of ____________
Mail absentee ballot to ____________

My (non-military) domicile in New Hampshire immediately prior to such service was: street and number ____________, city or town ____________

Signature of Applicant
6 Effective Date.
I. Section 5 of this act shall take effect January 1, 2007.
II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS
This bill:
I. Permits persons who are unable to appear during polling hours at the polling place because of employment obligation to vote by absentee ballot.
II. Modifies the application form for state election absentee ballots.
III. Requires that persons publishing absentee ballot forms attach a copy or facsimile of the form prepared by the secretary of state.

HB 250, permitting certain Election Day workers to vote by absentee ballot. INEXPEDIENT TO LEGISLATE.
Rep. Keith D. Hirschmann for Election Law: The legislative remedy requested in this bill was incorporated in HB 221 which, as amended, allows any voter who is unable to vote because of employment obligations, including commuting time, which would prevent one from voting while the polls are open to vote by absentee ballot. Vote 18-0.
HB 282, establishing a committee to study issues relating to voter registration and identification requirements. INEXPEDIENT TO LEGISlate.

Rep. William L. O'Brien for Election Law: The committee retained six bills that are related to the subjects of voter registration and voter identification, including this bill that would establish a committee to study those issues and report findings and recommendations to the legislative leadership. The subcommittee that was established to consider those bills conducted a wide-ranging inquiry into voter registration and voter identification issues. Its efforts included receiving testimony from representatives of state and local agencies as well as interested citizens, reviews of laws and materials from the federal government and other states, and discussions among subcommittee members during many work sessions. As a consequence of these studies and deliberations, the subcommittee recommended various reforms that have been incorporated as amendments into the five other bills and have been adopted by a majority of the Election Law Committee for recommendations to the House. Once these reforms are put into practice, a subsequent session of the legislature should consider whether further study and recommendations are required. Vote 18-0.

HB 349, relative to placement and removal of political advertising. OUGHT TO PASS WITH AMENDMENT.

Rep. Janet F. Allen for Election Law: This bill, as amended, allows removal of political advertising on private property without 24 hour notice to the candidate by the police. It eliminates the date requirements for placement of political signs on private property and allows for placement of political advertising on highway rights-of-way with the permission of the landowner. It states that signs shall not be placed on or affixed to utility poles. Vote 17-0.

Amendment (0027h)
Amend the bill by replacing section 1 with the following:

1 Placement and Removal of Political Advertising. Amend RSA 664:17 to read as follows:

664:17 Placement and Removal of Political Advertising. No political advertising shall be placed on or affixed to any public property including highway rights-of-way or private property without the owner’s consent. [The earliest date on which political advertising may be placed or affixed shall be the last Friday in July prior to a state primary. All political advertising shall be removed by the candidate no later than the second Friday following the election unless the election is a primary and the advertising concerns a candidate who is a winner in the primary:] Signs shall not be placed on or affixed to utility poles or highway signs. Political advertising may be placed within state-owned rights-of-way as long as the advertising does not obstruct the safe flow of traffic and the advertising is placed with the consent of the owner of the land over which the right-of-way passes. No person shall remove, deface, or knowingly destroy any political advertising which is placed on or affixed to any private property except the owner of the property or a law enforcement officer removing improper advertising]; provided, however, that, before a law enforcement officer removes any advertisement, he shall notify the candidate that it is improper, and allow the candidate 24 hours to remove the advertisement himself. Political advertising placed on or affixed to any public property may be removed by state, city, or town maintenance or law enforcement personnel. Political advertising removed prior to election day by state, city, or town maintenance or law enforcement personnel shall be kept for one week at a place designated by the state, city, or town so that the candidate may retrieve the items.

AMENDED ANALYSIS

This bill:

I. Establishes procedures for the removal of political advertising placed on public property.

II. Eliminates the requirement that law enforcement provide 24-hour notice to a candidate before removing political advertising improperly placed on private property.

III. Eliminates the date requirements for placement of political advertising.

IV. Permits the placement of political advertising in state-owned rights-of-way under certain circumstances.

HB 482-FN, relative to the application form for absentee ballots. INEXPEDIENT TO LEGISlate.

Rep. Richard B. Drisko for Election Law: Action relative to absentee ballots was taken up in HB 221. Vote 18-0.
SB 13, relative to placement and removal of political advertising. INEXPE DIENT TO LEGISLATE.
Rep. Janet F. Allen for Election Law: The language in this bill was incorporated into the amendment of HB 349. Vote 17-0.

HB 331, establishing a committee to study stock and working dogs for agricultural purposes. OUGHT TO PASS WITH AMENDMENT.
Rep. James G. Phinizy for Environment and Agriculture: This bill was retained in committee, as Environment and Agriculture felt it could best address this issue without having to establish a “study committee.” The bill, as amended, clarifies the use of dogs for agricultural purposes, specifically guarding and herding livestock. As city and suburban development encroach on farms, it has become increasingly necessary to clarify and differentiate between rural and urban usage. This bill protects the ability of farmers to manage livestock without being in violation of statute while using dogs for agricultural purposes. Vote 13-0.

Amendment (0040h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to restraining dogs and relative to livestock working dogs.

Amend the bill by replacing all after the enacting clause with the following:

1 Dog Control Law; Working Livestock Dogs Exempt. Amend RSA 466:30-a, I to read as follows:
   I. Notwithstanding any other provisions of this chapter, it shall be unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, for guarding, working, or herding livestock, as defined in RSA 21:34-a, II(a)(4), for supervised competition and exhibition, or for training for such. For the purpose of this section, “accompanied” means that the owner or custodian must be able to see or hear, or both, or have reasonable knowledge of where the dog is hunting, herding, or where training is being conducted, where trials are being held, or where the dog is guarding, working, or herding livestock. Nothing herein provided shall mean that the dog must be within sight at all times.

2 Working Livestock Dogs and Dogs at Home not a Menace. Amend RSA 466:31, II(a)-e to read as follows:
   (a) If a dog is “at large,” which means it is off the premises of the owner or keeper and not under the control of any person by means of personal presence and attention as will reasonably control the conduct of such dog, unless accompanied by the owner or custodian. This subparagraph shall not include a dog which is being used for hunting, herding, supervised competition, or exhibition, or for training for such activities if accompanied by the owner or custodian, or a dog which is guarding, working, or herding livestock, as defined in RSA 21:34-a, II(a)(4), meaning that the owner or custodian must be able to see or hear the dog, or have reasonable knowledge of where the dog is hunting or herding, or where training is being conducted or where trials are being held, provided that such dog does not have to be within sight at all time;
   (b) If it barks for sustained periods of more than 1/2 hour, or during the night hours so as to disturb the peace and quiet of a neighborhood or area, not including a dog which is guarding, working, or herding livestock, as defined in RSA 21:34-a, II(a)(4);
   (c) If it digs, scratches, or excretes, or causes waste or garbage to be scattered on property other than its owner’s;
   (d) If any female dog in season (heat) is permitted to run at large or be off the premises of the owner or keeper during this period except when being exercised on a leash by a responsible adult. At all other times such dog shall be confined within a building or enclosure in such manner that she will not come in contact (except for intentional breeding purposes) with a male dog. A female dog in heat shall not be used for hunting;
   (e) If it growls, snaps at, runs after, or chases any person or persons not on the premises of the owner or keeper;

3 Dogs at Large; Working Livestock Dogs Exempt. Amend RSA 466:33 to read as follows:
   466:33 Dogs at Large. It shall be unlawful for the owner or custodian of any dog to permit such dog to run at large in territory inhabited by game birds or quadrupeds, or on lands where livestock is pastured, at any time of the year; provided that hares and rabbits may be hunted with dogs during the open season therefor under the owner’s control and supervision. Any organized club may hold a club licensed or sanctioned field trial on game which is otherwise protected. Said club shall secure permission from the owner of the land on which said trial is to be held, and shall notify the
executive director of the fish and game department at least 2 weeks in advance of the date and place of the trial. Whoever violates the provisions of this section shall be guilty of a violation. **Dogs which are guarding, working, or herding livestock, as defined in RSA 21:34-a, II(a)(4), shall be exempt from this section.**

4 Livestock Working Dogs Added to Dogs Wearing Rabies Vaccination Tag. Amend RSA 436:102 to read as follows:

436:102 Duties of Veterinarian. It shall be the duty of each veterinarian, at the time of vaccinating any dog, cat, or ferret, to complete a certificate of rabies vaccination in triplicate which includes the following information: owner’s name and address, description of dog, cat, or ferret (breed, sex, markings, age, name), date of vaccination, rabies vaccination tag number, type of rabies vaccine administered, manufacturer’s serial number of vaccine, and the expiration date of the vaccination. Distribution of copies of the certificate shall be: the original to the owner, one copy retained by the issuing veterinarian and, within 40 days of the vaccination, one copy to the town or city clerk where the dog, cat, or ferret is kept. The veterinarian and the owner shall retain their copies for the interval between vaccinations specified in RSA 436:100. A metal or durable plastic tag, serially numbered, shall be securely attached to the collar or harness of the dog. Whenever the dog is out-of-doors, off the owner’s premises, and not under the control of the owner or handler while working the dog, the collar or harness with the vaccination tag shall be worn. For the purposes of this section, “working the dog” means a dog doing a defined functional canine activity with its owner or handler such as hunting, field work, drafting, and guarding, working, or herding livestock, as defined in RSA 21:34-a, II(a)(4), or participating in any lawful competitive event, including, but not limited to, conformation shows or obedience trials, field trials, agility events, hunts, sled races, or training activities pertinent to functional canine activities. Cats and ferrets shall not be required to wear the collar or harness with the tag.

5 New Subparagraph; Definition of Farming: Livestock Working Dogs Added. Amend RSA 21:34-a, II(b) by inserting after subparagraph (6) the following new subparagraph:

(7) The use of dogs for herding, working, or guarding livestock, as defined in RSA 21:34-a, II(a)(4).

6 Effective Date. This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill adds dogs who are guarding, working, or herding livestock to:
I. Dogs that must be accompanied by an owner or custodian.
II. The exceptions from dogs at large.
III. The requirements for wearing a rabies vaccination tag.
IV. The definition of “farming.”

**HB 538**, relative to disposing of construction and demolition debris. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Timothy D. O’Connell for Environment and Agriculture: The amendment replaces the bill. It extends the 40% solid waste reduction goal date from 2000 to 2008 and introduces deconstruction into the solid waste hierarchy established in RSA 149-M:3, Vote 17-0.

**Amendment (0167h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to deconstruction of structures.

Amend the bill by replacing all after the enacting clause with the following:

I. Waste Reduction Goal. Amend RSA 149-M:2, I to read as follows:

I. The general court declares its concern that there are environmental and economic issues pertaining to the disposal of solid waste in landfills and incinerators. It is important to reserve landfill and incinerator capacity for solid wastes which cannot be reduced, reused, recycled, or composted. The general court declares that the goal of the state, by the year [2000] 2008, is to achieve a 40 percent minimum weight diversion of solid waste landfilled or incinerated on a per capita basis. Diversion shall be measured with respect to changes in waste generated and subsequently landfilled or incinerated in New Hampshire. The goal of weight diversion may be achieved through source reduction, recycling, reuse, and composting, or any combination of such methods. The general court discourages the disposal of recyclable materials in landfills or processing of recyclable materials in incinerators and encourages the use of deconstruction techniques wherever possible.
2 Solid Waste Hierarchy. Amend RSA 149-M:3, II to read as follows:
   II. Recycling and reuse, including deconstruction.
3 New Paragraph; Definitions; Deconstruction. Amend RSA 149-M:4 by inserting after paragraph IV the following new paragraph:
   IV-a. “Deconstruction” means the process of taking apart a structure with the primary goal of preserving the value of all useful building materials, so that the may be recycled or reused.
4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS
This bill modifies the solid waste goals and hierarchy.

HB 544, relative to the land and community heritage program. OUGHT TO PASS WITH AMENDMENT.

Rep. Derek Owen for Environment and Agriculture: This bill provides for limited restricted access for lands acquired for term easements under the Community Heritage Investment Program. Restrictions include camping by members of the public and during times of the growing season, and planting on cropland and harvesting, and forestry land during harvesting or establishing a plantation. Vote 16-0.

Amendment (0227h)
Amend the bill by replacing section 2 with the following:
2 Community Heritage Investment Program; Public Access. Amend RSA 227-M:15, I to read as follows:
   I. There is hereby conveyed pedestrian access to, on, and across the property for hunting, fishing, and transitory passive recreational purposes, but not camping, by members of the public. A grantor may reserve the right to post against vehicles, motorized or otherwise and against [hunting on] access to active livestock fields, against access to agricultural cropland during planting and growing season, and against access to forest land during harvesting or establishment of plantations. Such term easements as described in RSA 227-M:2, IV will be granted where participation in such program fosters farm viability entered into by the authority or the department of agriculture, markets, and food.

AMENDED ANALYSIS
This bill provides that easements acquired by the land and community heritage investment authority or the department of agriculture, markets, and food shall foster farm viability.

HB 578, relative to construction or development constituting a change in use for purposes of assessing the land use change tax. OUGHT TO PASS WITH AMENDMENT.

Rep. Donald R. Philbrick for Environment and Agriculture: This bill clarifies the criteria in RSA 79-A to assessing officials when land comes out of current use and is subject to the land use change tax. It also permits the vice chair of the current use board to act in the absence of the chair. Vote 18-0.

Amendment (0159h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to the current use advisory board and relative to construction or development constituting a change in use for purposes of assessing the land use change tax.
Amend the bill by replacing all after the enacting clause with the following:
1 Current Use Advisory Board; Vice Chair. Amend RSA 79-A:3, IV to read as follows:
   IV. The board shall annually elect [one of its members as chairman] from its members a chair and a vice-chair who shall serve in the chair’s absence with all associated responsibilities, including rulemaking.
2 New Section; Current Use; Contiguous Parcels. Amend RSA 79-A by inserting after section 4 the following new section:
   79-A:4-a Contiguous Parcels.
   I. Parcels of land that are contiguous and under the same ownership, as defined by the board, shall be considered one tract of land for purposes of determining whether any area within such tract meets the criteria for open space land established by the board. This standard shall be applied when determining:
(a) Eligibility for current use assessment under RSA 79-A:5; and
(b) The existence and extent of a change in use under RSA 79-A:7.

II. Paragraph I shall apply to contiguous parcels whether or not they are part of a subdivision or other similar type of development.

3 Current Use; Land Use Change Tax. Amend RSA 79-A:7 to read as follows:

79-A:7 Land Use Change Tax.

I. Land which has been classified as open space land and assessed at current use values on or after April 1, 1974, pursuant to this chapter shall be subject to a land use change tax when it is changed to a use which does not qualify for current use assessment. Except as otherwise provided for in this section, a change in use has occurred to any portion of land under current use assessment if it no longer meets the criteria for open space land established by the board due either to actual physical changes made to such land or minimum acreage requirements not being met. Unless the change in use is due to not meeting minimum acreage requirements, only the land area on which the actual physical changes took place shall be considered changed in use. The amount of land which has changed in use under this section shall be determined according to rules adopted pursuant to RSA 541-A by the chair of the board, based upon the recommendation of the board. A change in use shall occur only as provided for in this section and land not changed in use shall remain under current use assessment.

I-a. Notwithstanding the provisions of RSA 75:1, the tax shall be at the rate of 10 percent of the full and true value determined without regard to the current use value of the land which is subject to a non-qualifying use or any equalized value factor used by the municipality or the county in the case of unincorporated towns or unorganized places in which the land is located. Notwithstanding the provisions of RSA 76:2, such assessed value shall be determined as of the [actual] date [of the change in land use] prescribed in paragraph 1-b if such date is not April 1. This tax shall be in addition to the annual real estate tax imposed upon the property[...and shall be due and payable upon the change in land use]. Nothing in this paragraph shall be construed to require payment of an additional land use change tax when the use is changed from one non-qualifying use to another non-qualifying use.

[1-a. Land which is classified as open space land and assessed at current use values shall be assessed at current use values until a change in land use occurs pursuant to RSA 79-A:7, IV, V, or VI.]

I-b. The full and true value of land that has changed in use shall be based on its highest and best use as of the date the actual physical change began or the minimum acreage requirements were not met. The date upon which actual physical change began on a specific parcel of land shall be when road construction, utility installation, site excavation or grading, or any other act on such parcel integral to a construction or building project commenced, provided that all required local, state, or federal approvals were received prior to the commencement of activities. In the event that these activities commenced prior to receipt of all required approvals, the assessing officials may delay the assessment of the land use change tax until all required approvals have been secured, or illegal actions remedied. In addition, the assessing officials may determine the full and true value of such land based on the highest and best use of the land as of this later time.

I-c. The provisions of this section shall be applied in the same manner whether a construction or building project takes place on a solitary parcel or on one that is part of a subdivision or other similar type of development.

II. The land use change tax shall be due and payable by the owner at the time of the change in use to the town or city in which the property is located. If the property is located in an unincorporated town or unorganized place, the tax shall be due and payable by the owner at the time of the change in use to the county in which the property is located. Moneys paid to a county from the land use change tax shall be used, in addition to any other funds, to pay for the cost of the services provided in RSA 28:7-a and RSA 28:7-b. The land use change tax shall be due and payable according to the following procedure:

(a) The commissioner shall prescribe and issue forms to the local assessing officials for the land use change tax bill which shall provide a description of the property which is subject to a non-qualifying use, the RSA 75:1 full value assessment, and the tax payable.
(b) The prescribed form shall be prepared in quaduplicate; the original, duplicate, and triplicate copy of the form shall be given to the collector of taxes for collection of the land use
change tax along with a special tax warrant authorizing the collector to collect the land use change tax assessed under the warrant; the quadruplicate copy of the form shall be retained by the local assessing officials for their records.

(c) Upon receipt of the land use change tax warrant and the prescribed forms, the tax collector shall mail the duplicate copy of the tax bill to the owner responsible for the tax as the notice thereof. Such bill shall be mailed, at the latest, within 12 months of the date upon which the local assessing officials receive written notice of the change of use from the landowner or his agent, or within 12 months of the date the local assessing officials actually discover that the land use change tax is due and payable. Upon receipt of payment, the collector shall forward the original tax bill to the register of deeds of the county in which the land is located for the purpose of releasing recorded contingent liens required under RSA 79-A:5, VI. The tax bill shall state clearly whether all, or only a portion, of the land affected by the notice of contingent lien is subject to release. The recording fee charged by the register of deeds shall be paid by the owner of the land in accordance with the fees to which the register of deeds is entitled under RSA 478:17. 478:17-f or 478:17-g, I as applicable.

(d) Payment of the land use change tax, together with the recording fees due the register of deeds, shall be due not later than 30 days after mailing of the tax bills for such tax, and interest at the rate of 18 percent per annum shall be due thereafter on any taxes not paid within the 30-day period.

(e) All land use change tax assessments levied under this section shall, on the date of the change in use, create a lien upon the lands on account of which they are made and against the owner of record of such land. Furthermore, such liens shall continue for a period of 18 months following the date upon which the local assessing officials receive written notice of the change of use from the landowner or his agent, or the date the local assessing officials actually discover that the land use change tax is due and payable, and such assessment shall be subject to statutory collection proceedings against real estate as prescribed by RSA 80.

(f) Thereafter, the land which has changed to a use which does not qualify for current use assessment shall be taxed at its full RSA 75:1 value. The land shall again become eligible for current use assessment if it meets the open space criteria established by the board under RSA 79-A:4, I.

III. Whenever land of nonuniform value shall be subject to the land use change tax under this section, or whenever the full value assessment for the land subject to the tax shall not be readily available then the local assessing officials shall assess the RSA 75:1 full value of such land and the land use change tax shall be paid upon such assessed value.

IV. For purposes of this section land use shall be considered changed and the land use change tax shall become payable when:

(a) Actual construction begins on the site causing physical changes in the earth, such as building a road to serve existing or planned residential, commercial, industrial, or institutional buildings; or installation of sewer, water, electrical or other utilities or services to serve existing or planned residential, commercial, industrial, institutional or commercial buildings; or excavating or grading the site for present or future construction of buildings; or any other act consistent with the construction of buildings on the site, except that roads for agricultural, recreational, watershed or forestry purposes are exempt:

(b) Topsoil, gravel or minerals are excavated or dug from the site; except:

(a) In addition to the provisions of paragraph I, land use shall be considered changed when topsoil, gravel, or minerals are excavated or dug from a site; except:

(1) Removal of topsoil in the process of harvesting a sod farm crop in amounts which will not deplete the topsoil; and

(2) Removal of gravel and other materials for construction and maintenance of roads and lands for agricultural and forestry purposes within the qualifying property of the owner or, with the approval of local authorities, to other qualifying property of the owner.

(b) Sale of excavated materials shall constitute a land use change of the property from which the material was excavated. The site shall be reclaimed when the construction or maintenance project is completed to mitigate environmental and aesthetic effects of the excavation. Both project completion time and acceptability of reclamation shall be determined by local authorities. The owner shall keep local officials informed in writing of plans to remove and use of soil material from qualifying lands for purposes of this subparagraph and to assure conformance with any local ordinances, as well as plans for reclamation of the site. Fully reclaimed land shall be eligible for current use assessment if it meets open space criteria established by the board under RSA 79A:4, I, whether or not such land was under current use assessment prior to the excavation.
(c) By reason of size, the site no longer conforms to criteria established by the board under RSA 79-A:4, I.

V. [The amount of land which has changed to a use which does not qualify for current use assessment and on which the land use change tax shall be assessed in the circumstances delineated in RSA 79-A:7; IV shall be according to rules adopted pursuant to RSA 541-A by the chairman of the board, based upon the recommendation of the board. Except in the case of land which has changed to a use which does not qualify for current use assessment due to size, only the number of acres on which an actual physical change has taken place shall become subject to the land use change tax, and land not physically changed shall remain under current use assessment, except as follows:

(a) When a road is constructed or other utilities installed pursuant to a development plan which has received all necessary local, state or federal approvals, all lots or building sites, including roads and utilities, shown on the plan and served by such road or utilities shall be considered changed in use, with the exception of any lot or site, or combination of adjacent lots or sites under the same ownership, large enough to remain qualified for current use assessment under the completed development plan, provided, however, that if any physical changes are made to the land prior to the issuance of any required local, state or federal permit or approval, or if such changes otherwise violate any local, state or federal law, ordinance or rule, the local assessing officials may delay the assessment of the land use change tax until any and all required permits or approvals have been secured, or illegal actions remedied, and may base the land use change tax assessed under RSA 79-A:7 upon the land’s full and true value at that later time.

(b) When land, though not physically changed, is used in the satisfaction of density, setback, or other local, state or federal requirements as part of a contiguous development site, such land shall be considered changed in use at the time the development site is changed in use.

VI. [For purposes of this section:] Land use shall not be considered changed [and the land use change tax shall not be assessed] when:

(a) Land under current use is taken by eminent domain or any other type of governmental taking which would cause the use change penalty to be invoked because, by reason of an actual physical change or by reason of size, the site no longer conforms to criteria established by the board under RSA 79-A:4, I.

(b) Land abutting a site taken by eminent domain or any other governmental taking upon which construction is in progress is used to stockpile earth taken from the construction site. Stockpiled earth may be removed at a later date after written notification to the appropriate local official.

(c) Land accorded current use assessment in one category is changed in use to any other qualifying category.

(d) Land under current use assessment is eligible for conservation restriction assessment pursuant to RSA 79-B. Such land shall then be allowed to change from current use assessment to conservation restriction assessment with no land use change tax being applied.

(e) Roads are constructed for agricultural, recreational, watershed, or forestry purposes.

VII. When land which is accorded current use assessment in one category is changed in use to any other qualifying category as provided in subparagraph VI(c), the owner of the land shall notify the local assessing officials in writing of the change in use at the time that the change in use is made. If a land owner fails to provide the notice required under this paragraph, he may be fined not more than $50 at the discretion of the town or city.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies the criteria for the determination by assessing officials of when current use land being developed is subject to the land use change tax.

The bill also permits the vice-chair of the current use board to act in the chair’s absence.

HB 632-FN-L, creating an environmental policy for New Hampshire. REFER FOR INTERIM STUDY.

Rep. Timothy D. O’Connell for Environment and Agriculture: The primary objective of this bill is to establish a comprehensive environmental policy for New Hampshire, ensuring interagency communication and collaboration, not only at agency levels, but also with the citizens of New Hampshire. The current bill is too broad, subjective, and is not crafted to reflect existing agency interactions. It needs to be resubmitted in a form that is tailored to the needs of New Hampshire, that takes into account ongoing communication between state agencies, and that is in a form that could obtain majority support in the General Court. Vote 16-2.
HB 659-FN-A, establishing a state recycling program to provide technical services to municipalities and establishing a fee on take-out food and beverages. INEXPEDIENT TO LEGISLATE.

Rep. Burton W. Williams for Environment and Agriculture: This bill is similar to other bills being considered to enhance the state’s recycling program. It only targets the fast food industry. Trying to define fast food establishments from the local deli to the major chains would be difficult at best. Vote 17-0.

HB 663-FN, establishing a New Hampshire municipal recycling authority and establishing a commission to study the tax exemption for water and air pollution control facilities. INEXPEDIENT TO LEGISLATE.

Rep. Burton W. Williams for Environment and Agriculture: This bill tries to address two entirely different subjects, both of which are being addressed in other separate bills. Vote 17-0.

HB 115, allowing pharmacists to establish collaborative practice agreements with medical practitioners. OUGHT TO PASS WITH AMENDMENT.

Rep. Alida I. Millham for Executive Departments and Administration: This bill will establish a definition, education standards, and standards of practice for collaborative pharmacy practice between a pharmacist and a health care provider with patient agreement in specific settings (hospitals, long term care facilities, licensed inpatient or outpatient hospice settings, as well as ambulatory care clinics with on-site supervision by the attending practitioner and with a collaborating pharmacist who has no connection to any on-site pharmacy). The change in pharmacy practice is very limited and reflects modern health care practice in current institutionally related care. The definition of the “practice of pharmacy” has also been updated to reflect changes required by federal initiatives such as the new Medicare Part D Pharmaceutical benefit. It is the intent of this legislation to bring carefully specified changes in the Pharmacy Practice Act, which will enhance patient care and bring about better collaboration between the health care practitioner, the pharmacist and the patient. Vote 14-4.

Amendment (0184h)

Amend the bill by replacing all after the enacting clause with the following:

1 Pharmacists; Definition of Practice; Administration of Drugs. Amend RSA 318:1, XIV to read as follows:

XIV. “Practice of pharmacy” means the professional acts performed by a pharmacist and shall include the interpretation and evaluation of prescription orders; the administration, compounding, dispensing, labeling and distribution of drugs and devices; the participation in drug selection [and drug utilization reviews] and drug-related device selection; drug evaluation; utilization or regimen review; the monitoring of drug therapy and use; medication therapy management in accordance with collaborative pharmacy practice agreements; the proper and safe storage and distribution of drugs and devices, and the proper maintenance of proper records; the responsibility of advising, when necessary or when regulated, of therapeutic values, hazards, and use of drugs and devices; and the offering or performing of these acts, services, operations, or transactions necessary in the conduct, operation, management, and control of pharmacy.

2 Pharmacists; Definition; Prescription. Amend RSA 318:1, XVI to read as follows:

XVI. “Prescription” means a verbal, or written, or facsimile or electronically transmitted order for drugs, medicines and devices by a licensed practitioner, to be compounded and dispensed by licensed pharmacists in a duly registered pharmacy, and to be kept on file for a period of 4 years. A written order shall include an electronic transmission prescription received and retained in a form complying with rules adopted pursuant to RSA 319:5-a, XV. Prescriptions may also apply to the finished products dispensed or administered by the licensed pharmacist in the registered pharmacy, on order of a licensed practitioner as defined in this section.

3 New Paragraphs; Pharmacists; Definitions Added; Collaborative Practice. Amend RSA 318:1 by inserting after paragraph XXIV the following new paragraphs:

XXV. “Attending practitioner” means the physician or advanced registered nurse practitioner who has the primary responsibility for the treatment and care of the patient.

XXVI. “Collaborative pharmacy practice” means the practice of pharmacy whereby one or more pharmacists jointly agree, on a voluntary basis, to work in conjunction with one or more attending practitioners under written protocol whereby the collaborating pharmacist or pharmacists may perform medication therapy management authorized by the attending practitioner or practitioners under certain specified conditions and limitations.
XXVII. "Collaborative pharmacy practice agreement" means a written and signed specific agreement between a pharmacist, an attending practitioner, and the patient or patient’s authorized representative who has granted his or her informed consent, that provides for collaborative pharmacy practice for the purpose of medication therapy management for the patient.

XXVIII. "Medication therapy management" means the review of medication therapy regimens of patients by a pharmacist for the purpose of evaluating and rendering advice to a practitioner, or evaluating and modifying the medication regimen in accordance with the collaborative pharmacy practice agreement. Decisions involving medication therapy management shall be made in the best interest of the patient. Medication therapy management shall be limited to:
(a) Implementing, modifying, and managing medication therapy according to the terms of the collaborative pharmacy practice agreement;
(b) Collecting and reviewing patient histories within the context of needs for pharmacy practice;
(c) Obtaining and checking vital signs, such as pulse, temperature, blood pressure and respiration;
(d) Ordering laboratory tests as specifically set out in the collaborative pharmacy practice agreement between the pharmacist and the attending practitioner that are specific to the medication or protocol driven;
(e) Formulating a medication treatment plan that will be shared with the patient’s attending practitioner;
(f) Monitoring and evaluating the patient’s response to therapy, including safety and effectiveness;
(g) Performing a comprehensive medication review, in conjunction with the attending practitioner, to identify, resolve, and prevent medication-related problems, including adverse drug events;
(h) Documenting the care delivered and, if applicable, communicating essential information to the patient’s other health care providers; and
(i) Providing education and training designed to enhance patient understanding and the appropriate use of his or her medications.

4 New Paragraph; Rulemaking Added; Pharmacy Board. Amend RSA 318:5-a by inserting after paragraph XVI the following new paragraph:
XVII. The education and training standards and other requirements for pharmacists who, pursuant to prescriber-approved protocol:
(a) Administer prescription medications, including influenza immunizations.
(b) Engage in collaborative pharmacy practices.

5 New Paragraph; Prescription Drugs. Amend RSA 318:42 by inserting after paragraph VII-a the following new paragraph:
VII-b. The management of medication therapy and administration of non-controlled prescription drugs including injectable medications, biologicals, and immunizations by qualified pharmacists pursuant to collaborative pharmacy practice agreements.

6 New Section; Standards for Collaborative Pharmacy Practice. Amend RSA 318 by inserting after section 16 the following new section:
318:16-a Standards for Collaborative Pharmacy Practice.
I. For a pharmacist to participate in a collaborative pharmacy practice agreement, the pharmacist shall:
(a) Hold an unrestricted and current license to practice as a pharmacist in New Hampshire.
(b) Have at least $1,000,000 of professional liability insurance coverage.
(c) Have earned a Pharm.D. degree or completed 3 years of institutional clinical experience as a licensed pharmacist.
(d) Complete at least 5 contact hours or 0.5 continuing education units of board approved continuing education each year. Such continuing education shall address the area or areas of practice generally related to the collaborative pharmacy practice agreement or agreements. The continuing education hours may be applied to the requirements for licensure as a pharmacist in this state.
(e) In order to administer drugs by injection, have completed training that includes programs approved by the Accreditation Council on Pharmacy Education (ACPE) or curriculum-based programs from an ACPE accredited college of pharmacy or state or local health department programs or programs recognized by the board.
II. Collaborative pharmacy practice agreements shall meet the following general requirements:
   (a) Each protocol developed, pursuant to the collaborative pharmacy practice agreement, shall contain detailed direction concerning the services that the pharmacist may perform for that patient. The protocol shall include, but not be limited to:
       (1) The specific drug or drugs to be managed by the pharmacist.
       (2) The terms and conditions under which drug therapy may be implemented, modified, or discontinued.
       (3) The conditions and events upon which the pharmacist is required to notify the collaborating practitioner.
       (4) The laboratory tests that may be ordered in accordance with medication therapy management.
   (5) In instances where drug therapy is discontinued, the pharmacist shall notify the collaborating practitioner of such discontinuance in the time-frame and manner established by the collaborative pharmacy practice agreement.
   (6) All activities performed by the pharmacist in conjunction with the protocol shall be documented as specified in the protocol.
   (b) The collaborative pharmacy practice agreement and protocols shall be on file at the pharmacist’s place of practice. The collaborative pharmacy practice agreement and protocols shall be available to the appropriate licensing board for review upon request.
   (c) Collaborative pharmacy practice agreements shall be reviewed, at least every 2 years, by both the pharmacist and the practitioner, and may be terminated, in writing, by either party. When collaborative pharmacy practice agreements are terminated, the patient shall be informed and provided with details to allow for the uninterrupted continuation of his or her medication therapy management regimen.
   (d) Neither the attending practitioner nor the pharmacist in a collaborative practice agreement may seek to gain personal financial benefit by participating in any incentive-based program that influences or encourages therapeutic or product changes or the ordering of tests or services.

III. A collaborative pharmacy practice agreement that complies with all the requirements of this section shall only be allowed in the following settings:
   (a) Hospitals.
   (b) Long-term care facilities.
   (c) Licensed inpatient or outpatient hospice settings.
   (d) Ambulatory care clinics with onsite supervision by the attending practitioner and with a collaborating pharmacist who has no connection to any onsite retail pharmacy.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows licensed pharmacists to enter into collaborative practice agreements with medical practitioners for certain patient care functions. The bill defines terms and adopts standards for such collaborative practice agreements.

HB 156, relative to licensing private investigators. INEXPEDIENT TO LEGISLATE.
Rep. Judson K. Dexter for Executive Departments and Administration: Much of the subject matter of this bill is included in HB 455, which has been recommended for Interim Study. Therefore, this bill is not needed at this time. Vote 20-0.

HB 256, revising the nurse practice act. INEXPEDIENT TO LEGISLATE.
Rep. Judson K. Dexter for Executive Departments and Administration: This bill was retained depending on the outcome of SB 170, which passed with amendment. Therefore this bill is no longer needed. Vote 20-0.

HB 426, establishing a committee to study the transfer of a certain employee of the department of environmental services. INEXPEDIENT TO LEGISLATE.
Rep. Carl G. Robertson for Executive Departments and Administration: This bill has become a moot point since the employee has been transferred back to her original job. Some members of the committee wanted to use this bill to send a message that state workers should not be subject to political retribution for doing their job. However, the majority of the committee felt that the wrong had been corrected. Vote 19-1.
HB 455-FN, relative to establishing a board of private investigation and security services. REFER FOR INTERIM STUDY.
Rep. Judson K. Dexter for Executive Departments and Administration: The full committee and subcommittee spent many hours reviewing mountains of information on the need to create a standalone board for private investigators. It was abundantly clear that the time has come to establish a board, but time did not allow us to work out all the details to come forward with a final amendment. Vote 20-0.

HB 598-FN, establishing a full-time financial exploitation coordinator in the department of justice. REFER FOR INTERIM STUDY.
Rep. Janeen A. Dalrymple for Executive Departments and Administration: The committee supports the need to coordinate local and statewide efforts to combat financial exploitation. A commission was established through the Department of Health and Human Services (DHHS) and has taken an active role in addressing this very important issue. As a result of the accomplishments of this commission, the E.D & A. Subcommittee, because of new information received, has requested to continue its work in Interim Study. Vote 15-0.

HB 688-FN, relative to the regulation of mental health practitioners and the procedures of the board of mental health. OUGHT TO PASS WITH AMENDMENT.
Rep. James B. Coburn for Executive Departments and Administration: This bill makes various changes to the board of mental health practice procedures for handling complaints, conducting investigations, and holding hearings, as well as adding an additional public member to the board. A major area of legislative intent of this bill is to improve public disclosure of complaints, status of investigations and monitoring closure of complaints. The amendment satisfied both the board and the public. Vote 18-0.

Amendment (0171h)

Amend the bill by replacing all after the enacting clause with the following:

1 Board; Public Members Added. Amend RSA 330-A:3, 1 to read as follows:
   I. There shall be a board of mental health practice composed of the following members: one licensed psychologist, one licensed pastoral psychotherapist, one licensed clinical social worker, one licensed marriage and family therapist, one licensed clinical mental health counselor, and [2] 3 public members. The members shall be appointed to a term of 3 years by the governor with the approval of the council. The members of the board shall elect a chairperson on an annual basis. No discipline’s representative and no public member shall serve as chairperson for consecutive terms.

2 Advisory Committees. Amend RSA 330-A:4 to read as follows:
   330-A:4 Advisory Committees Established; Duties.
   I. The board shall [have the authority to] create an advisory [committees] committee for each mental health discipline it licenses for the purpose of assisting the board in its responsibilities under RSA 330-A:10, II, and [VI-XIV] RSA 330-A:10, VI-XVI. The board member of each mental health discipline shall serve as the chair of that advisory committee. The balance of the membership of each of the advisory committees shall be composed of [members nominated by the New Hampshire Psychological Association, the New Hampshire Pastoral Psychotherapists Association, the New Hampshire Chapter of the National Association of Social Workers, the New Hampshire Association for Marriage and Family Therapists, and the New Hampshire Clinical Mental Health Counselors Association] at least 2 persons and no more than 4 persons licensed in the mental health discipline of that committee.

II. [The advisory committees shall be composed of at least 3 persons and no more than 5 persons, including the chair, all of whom shall be licensed in their applicable professions. No] Advisory committee [member shall serve more than 2 consecutive 3-year terms] members other than the chair shall be appointed by the board and shall serve at the pleasure of the board for no more than 3 consecutive, 2-year terms.

III. The board shall not form any standing committees other than those specified in this chapter.

3 New Paragraph; Administrative Members. Amend RSA 330-A:6 by inserting after paragraph I the following new paragraph:
   I-a. Each non-public member of the board and all licensed mental health professionals performing board-related duties otherwise immune from civil action pursuant to RSA 330-A:27, IV shall comply with and be subject to all provisions of this chapter and that licensee’s professional ethical code in performing board-related duties.
4 Compensation. Amend RSA 330-A:7 to read as follows:

330-A:7 Compensation; Expenses. Members of the board [shall serve without compensation; but] and members of the advisory committees shall receive a per diem compensation of $100, for a meeting or any other board or committee activity requiring 2 or more hours in a 24-hour period, and shall be reimbursed for all actual travel, incidental, and clerical expenses necessarily incurred in carrying out the provisions of this chapter.

5 Meetings Quorum. Amend RSA 330-A:9 to read as follows:

330-A:9 Organization and Meetings.

I. The board shall hold regular annual meetings. Other meetings of the board shall be held at such times and upon such notice as the rules of the board provide. [A majority of the board] Five members shall constitute a quorum.

II. When a quorum is not available for just and timely resolution of a specific matter, former board members or advisory committee members may be appointed by the board to serve as acting board members for purposes of obtaining the minimum quorum in the resolution of that specific matter.

6 New Paragraph; Rulemaking; Other States. Amend RSA 330-A:10 by inserting after paragraph I the following new paragraph:

7 New Paragraph; Rulemaking; Disclosure. Amend RSA 330-A:10 by inserting after paragraph XXII the following new paragraph:

XXIII. Procedures relative to the disclosure to the public of the existence and status of complaints, and the final disciplinary actions by the board, including those action that occur without holding a public hearing. The rules shall provide that such disclosure shall take place within 3 business days of the initiation of an investigation of a complaint, update of investigation status, and final disciplinary action by the board.

8 Records. Amend RSA 330-A:13, I to read as follows:

I. The board shall keep records of its proceedings and a register separate registers of all applications for licensure and all complaints filed against licensees. Such records shall show information relative to the application and the applicant's licensure or rejection, application or complaint and the board's response to the application or complaint, without disclosing the identity of those involved, as the rules of the board may prescribe. The records shall be public and shall be open to inspection at all reasonable times, except for records compiled in connection with disciplinary investigations and records otherwise exempt from disclosure under RSA 91-A or other applicable statutes.

9 Investigations. Amend RSA 330-A:28, I and II to read as follows:

I. The board [may] shall investigate possible misconduct by licensees and other matters within the scope of this chapter. Investigations may be conducted formally, after issuance of a board order setting forth the general scope of the investigation, or informally, after a board vote to seek additional information, without such an order. In either case, [board investigations and the] information gathered [in] subsequent to the initiation of and during such investigations shall be exempt from the public disclosure provisions of RSA 91-A, except to the extent such information may later become the subject of a public disciplinary hearing. The existence of a complaint and status of the investigation, without disclosing the identity of those involved, shall be subject to the disclosure provisions of RSA 91-A. The board may disclose information acquired in an investigation to law enforcement or health licensing agencies in this state or any other jurisdiction, or in response to specific statutory requirements or court orders. A licensee under this chapter shall be promptly informed of the nature and scope of any pending investigation.

II. After determining the nature and scope of an investigation or hearing, the board may employ or retain hearing officers, legal counsel, medical advisors, mental health advisors, or investigators to assist with [any] that investigation [and with the conduct of hearings] or hearing. Members of the board are not eligible for retention.

10 Complaints. Amend RSA 330-A:28, VII to read as follows:

VII. [On its own motion, with just cause, or in response to a complaint received by one of the advisory committees] Except for good cause shown, upon its determination that a formal or informal investigation shall be conducted, the board shall [informally] mail a copy of a complaint to any licensee who is the subject of the complaint, and require the licensee to provide a detailed
and good faith written response to [the] allegations identified by the board. The licensee shall provide complete copies of the licensee’s office records concerning any [patient] client identified in the complaint. The licensee shall respond to such request within a reasonable time period of not less than [45] 30 days, as the board shall specify in its written request. The detailed complaint and licensee’s response shall be exempt from disclosure under RSA 91-A unless the licensee successfully petitions the board to make them available pursuant to RSA 91-A:4.

11 Effective Date. This act shall take effect 60 days after its passage.

Referred to the committee on Finance.

HB 715-FN-A, relative to the regulation of bingo and lucky 7. INEXPEDIENT TO LEGISLATE. Rep. James M. Fitzgerald for Executive Departments and Administration: Considering that legislation passed in the 2004 session putting Bingo and Lucky 7’s under the Pari-Mutuel Commission and all indications were that Pari-Mutuel was doing a good job in the short time that it was in charge (less than one year), the committee felt it would be unsound policy to make another change in such a short time and with no good cause. The committee also looked at some of the language in the bill that would address charitable gaming and it was felt that the language as written would adversely impact charities in the state. We discussed some possible last minute changes in language, but the members of the committee were still uncomfortable with these changes and the possible unintended consequences that they may have on the charities’ ability to fundraise. Vote 20-0.

SB 72, relative to the licensing of public adjusters. OUGHT TO PASS WITH AMENDMENT. Rep. Judson K. Dexter for Executive Departments and Administration: The RSA’s dealing with public adjusters had not been reviewed in many years. This bill was introduced at the request of the Insurance Department. The bill updates definitions, the requirements for bonds and letters of credit, the relationship between public adjuster, employers, insurance companies, and the client/consumer. The bill also further defines the insurance companies’ obligation to clearly outline the appeals process available to the policy holders to help with consumer protection. Vote 20-0.

Amendment (0094h)

Amend RSA 402-D:2 as inserted by section 1 of the bill by replacing it with the following:

402-D:2 Definitions. In this chapter:

I. “Home state” means the District of Columbia and any state or territory of the United States in which a licensee maintains his or her principal place of residence or principal place of business and is licensed to act as a public adjuster.

II. “Person” means a natural person.

III. “Public adjuster” means any person who, on behalf of an insured:

(a) Directly or indirectly solicits from the insured or his or her representative the authority to act for the insured to settle or negotiate settlement or appraisal of a loss under a fire insurance or homeowner’s insurance policy and who so acts for a fee or compensation from a person other than an insurer;

(b) Acts or aids, solely in relation to first party claims arising under a fire insurance or homeowner’s insurance policy, on behalf of an insured person or business entity in negotiating for, or effecting the settlement of, a claim for loss or damage covered by an insurance contract;

(c) Advertises for employment as a public adjuster of insurance claims or solicits business or represents himself or herself to the public as a public adjuster of first party insurance claims for losses or damages arising out of fire insurance or homeowner’s insurance policies; or

(d) Directly or indirectly solicits business, investigates or adjusts losses, or advises an insured about first party claims for losses or damages arising out of policies of fire or homeowner’s insurance for another person engaged in the business of adjusting losses or damages covered by an insurance policy.

IV. “Uniform individual application” means the current version of the National Association of Insurance Commissioners (NAIC) Uniform Individual Application for resident and nonresident persons.

Amend RSA 402-D:6 as inserted by section 1 of the bill by replacing it with the following:

402-D:6 Examination.

I. A person applying for a public adjuster license, pursuant to RSA 402-D:4, shall pass a written examination unless exempt pursuant to RSA 402-D:7. The examination shall test the knowledge of the person concerning the duties and responsibilities of an adjuster and the insurance laws and rules of this state.
II. The commissioner may make arrangements, including contracting with an outside testing service, for administering examinations.

III. An person who fails to appear for the examination as scheduled or fails to pass the examination, shall reapply for an examination and remit all required fees and forms before being rescheduled for another examination.

Amend RSA 402-D:7. I as inserted by section 1 of the bill by replacing it with the following:

I. A person who applies for a public adjuster license in this state who was previously licensed as a public adjuster in another state based on a public adjuster examination shall not be required to complete any pre-licensing examination. This exemption is only available if the person is currently licensed in that state or if the application is received within 12 months of the cancellation of the applicant's previous license and if the prior state issues a certification that, at the time of cancellation, the applicant was in good standing in the state or the state's producer database records, maintained by the NAIC, its affiliates, or subsidiaries, indicates that the public adjuster is or was licensed in good standing.

Amend RSA 402-D:7. III as inserted by section 1 of the bill by replacing it with the following:

III. A person who applies for a public adjuster license in this state who was previously licensed as a public adjuster in this state shall not be required to complete any prelicensing examination. This exemption is only available if the application is received within 12 months of the cancellation of the applicant's previous license in this state and if, at the time of cancellation, the applicant was in good standing in this state.

Amend RSA 402-D:10, I(l) as inserted by section 1 of the bill by replacing it with the following:

(1) Knowingly accepting insurance business from a person who is not licensed but who is required to be licensed by the commissioner.

Amend RSA 402-D:11 as inserted by section 1 of the bill by replacing it with the following:

402-D:11 Bond or Letter Of Credit.

I. Prior to issuance of a license as a public adjuster, the applicant shall maintain in force evidence of financial responsibility through one of the following:

(a) A surety bond executed and issued by an insurer authorized to issue surety bonds in this state, which bond:

(1) Shall be in the amount of at least $20,000;
(2) Shall be in favor of this state and shall specifically authorize recovery by the commissioner on behalf of any person in this state who sustained damages as the result of erroneous acts, failure to act, conviction of fraud, or conviction of unfair practices in his or her capacity as a public adjuster; and
(3) Shall not be terminated unless at least 30 days prior written notice has been filed with the commissioner and given to the licensee.

(b) An irrevocable letter of credit issued by a qualified financial institution, which letter of credit:

(1) Shall be in the sum of at least $20,000; and
(2) Shall be to an account to the commissioner and subject to lawful levy of execution by any person to whom the public adjuster has been found to be legally liable as the result of erroneous acts, failure to act, fraudulent acts, or unfair practices in his or her capacity as a public adjuster.

II. The issuer of such evidence of financial responsibility shall notify the commissioner upon termination of such policy, bond or letter of credit, unless the public adjuster replaces this evidence of financial responsibility and has presented the evidence of such replacement to the existing issue or such instrument.

III. The commissioner may ask for the evidence of such financial responsibility at any time the commissioner deems relevant.

IV. The authority to act as a public adjuster shall automatically terminate if the evidence of financial responsibility terminates or becomes impaired.

Amend RSA 402-D:12, I as inserted by section 1 of the bill by replacing it with the following:

I. A person, who holds a public adjuster license and who is not exempt under paragraph III, shall satisfactorily complete a minimum of 15 hours of continuing education courses, including a minimum of 3 hours of ethics, specifically designed to increase the knowledge of public adjusting duties and responsibilities during each continuing education biennium.
Amend RSA 402-D:17 as inserted by section 1 of the bill by replacing it with the following:

402-D:17 Standards of Conduct of Public Adjuster.

I. A public adjuster shall be honest and fair in all communications with the insured, the insurer, and the public.

II. A public adjuster shall not solicit, or attempt to solicit, an insured during the progress of a loss-producing occurrence, as defined in the insured's insurance contract.

III. A public adjuster shall not permit an unlicensed employee or representative of the public adjuster to advertise, engage insureds, furnish reports, or present bills to insureds, or in any manner whatsoever to conduct business for which a license is required under this chapter.

IV. A public adjuster shall not have a direct or indirect financial interest in any aspect of the claim, other than the salary, fee, commission, or other consideration established in the written contract with the insured.

V. A public adjuster shall not require any interest in salvage of property subject to the contract with the insured unless the public adjuster obtains written permission from the insured after settlement of the claim with the insurer.

VI. The public adjuster shall abstain from referring or directing the insured to get needed repairs or services in connection with a loss from any person:

(a) With whom the public adjuster has a financial interest; or

(b) From whom the public adjuster may receive direct or indirect compensation for the referral.

VII. A public adjuster shall not enter into a contract with an insured where the public adjuster knows or should know that the insured will obtain full recovery without the services of an adjuster.

VIII. No public adjuster shall have any interest in any construction firm, salvage firm, building appraisal firm, motor vehicle repair shop or any other firm which performs any work in conjunction with damages caused by an insured loss. The word "firm" shall include any corporation, partnership, association, joint stock company or person.

IX. Any compensation or anything of value received by a public adjuster shall be disclosed by such adjuster to the insured in writing including the source and amount of such.

X. No public adjuster may employ, be employed by, or be in partnership with or receive or pay any remuneration whatsoever to or from any licensed insurance producer, insurer or employee of an insurer arising out of the activities as a public adjuster.

Amend RSA 402-D:19 as inserted by section 1 of the bill by replacing it with the following:

402-D:19 Additional Penalty. In addition to any of the penalties provided in this chapter, any person who shall act within this state as a public adjuster without being licensed as provided in this chapter shall be guilty of a Class A misdemeanor. Any licensee who in the course of his or her work as a public adjuster shall misrepresent his or her identity or the identity of his or her principal or employer, or who shall wrongfully divulge information obtained by him or her in his or her capacity as a public adjuster may be subject to an administrative fine not to exceed $2,500. Additionally, the commissioner may order a refund of any moneys gained or obtained, or restitution of any valuable consideration received.

Amend RSA 402-D:20 as inserted by section 1 of the bill by replacing it with the following:

402-D:20 Rulemaking Authority. The commissioner may adopt rules, pursuant to RSA 541-A, as are necessary or proper to carry out the purposes of this chapter.

Amend the bill by replacing section 2 with the following:

2 New Paragraph; Insurance; Forms. Amend RSA 412:5 by inserting after paragraph III the following new paragraph:

IV. Every insurer and advisory organization shall provide reasonable means whereby any person aggrieved by the application of an insurer's rating system, claims practices, sales practices or underwriting procedures may be heard, in person or by an authorized representative, upon the person's written request to review the manner in which such procedures were applied in connection with insurance afforded or tendered to the person.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 234-FN, relative to the development of a state municipal information network by the office of information technology. OUGHT TO PASS WITH AMENDMENT.

Rep. Robert L. Wheeler for Finance: This bill, as amended, retains the original policy that the state and its political sub-divisions ought to have an information network – both well planned and implemented. Since there were no resources allocated in this biennial budget for that purpose, a submittal date for the plan was set for March 30, 2007. Vote 19-0.
Amendment (0016h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the development of a state and political subdivision information network. Amend the bill by replacing all after the enacting clause with the following:

1 Office of Information Technology; State and Political Subdivision Information Network. RSA 4-D:3 is repealed and reenacted to read as follows:

4-D:3 Special Duties; Plan for State and Political Subdivision Information Network. The chief information officer shall develop, with the advice of the information technology council established under RSA 4-D:4, the New Hampshire Municipal Association, and the New Hampshire Association of Counties, a plan for the implementation of a state and political subdivision information network. The plan shall be submitted to the joint legislative information technology oversight committee on or before March 30, 2007.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the office of information technology to develop a plan for the implementation of a state and political subdivision information network.

HB 649-FN-A-L, relative to the medical examiner’s duty to investigate medico-legal cases and the fees for and costs of such investigations, OUGHT TO PASS WITH AMENDMENT.

Rep. Robert L. Wheeler for Finance: This bill came to Finance as a bill that pitted the state against the counties for payment of autopsies. The discussion broadened out to include funeral directors, assistant deputy medical examiners, town clerks, etc. By the time we got to the end of the study period it was back to county vs. state, but with a lot of other interested parties. The committee felt that this issue was certainly deserving of further study and so recommends creation of a study committee. Vote 19-0.

Amendment (0169h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a commission to study the costs and funding of medico-legal investigations and autopsies. Amend the bill by replacing all after the enacting clause with the following:

1 Commission Established. There is established a commission to study the costs and funding of medico-legal investigations and autopsies.

2 Membership and Compensation.

I. The members of the commission shall be as follows:

(a) Five members of the house of representatives, 3 from the finance committee, one from the ways and means committee, and one from the municipal and county government committee, appointed by the speaker of the house of representatives.

(b) Three members of the senate, appointed by the president of the senate.

(c) The attorney general, or designee.

(d) The chairperson of the board of registration of funeral directors and embalmers, or designee.

(e) The director of vital records administration, or designee.

(f) An assistant deputy medical examiner, appointed by the governor.

(g) A representative of county government, appointed by the New Hampshire Association of Counties.

(h) A representative of city and town clerks, appointed by the New Hampshire City and Town Clerks’ Association.

(i) A representative of the cremation industry, appointed by the governor.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

3 Duties. The commission shall study and recommend changes to current statutes and procedures relative to the costs of autopsies, transportation, and medico-legal investigations and the financial responsibility for those costs by the state and the counties.

4 Chairperson; Quorum. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section.
5 Report. The commission shall report its findings and any recommendations for proposed legislation in the 2007 legislative session to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a commission to study the costs and funding of medicolegal investigations and autopsies.

HB 698-FN, relative to the penalty assessments. OUGHT TO PASS WITH AMENDMENT. Rep. Christopher C. Pappas for Finance: This bill imposes a 20% penalty assessment on suspended fines and a $50 assessment on each case in which a negotiated plea of guilty is placed on file. These assessments are counted on in the budget signed by the Governor and will raise $893,112 in FY 2007. The committee felt these assessments are appropriate given the costs and burden to the courts from these cases, and was satisfied that under hardship the assessment or suspended fines could still be waived. Vote 18-0.

Amendment (0015h)
Amend the bill by replacing all after the enacting clause with the following:

1 Penalty Assessment; Waiver of Penalty. RSA 188-F:31, III is repealed and reenacted to read as follows:

III.(a) If a total fine for an offense or violation described in paragraph I is suspended in whole or in part, a sum equivalent to the 20 percent penalty assessment shall be imposed on the original fine amount.

(b) If, pursuant to a negotiated plea, a case as described in paragraph I is placed on file with a finding of guilty, the amount of $50 per offense shall be collected.

2 Effective Date. This act shall take effect July 1, 2006.
Referred to the committee on Ways and Means.

HB 718-FN, relative to group life insurance for New Hampshire citizens serving in the military reserves or national guard and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

Rep. Kenneth Weyler for Finance: New Hampshire National Guard and Air National Guard have two types of active duty for which they might be called. Federal active duty was used for the bolstering of the active duty mission, such as the call ups for Iraq. State active duty is usually a response to natural disasters, such as hurricanes, floods, road washouts. Even governor-to-governor requests are state active duty, such as the disaster assistance in Louisiana. The life insurance coverage for these troops at risk is not the same. For federal active duty it is $100,000. For state active duty it is only $5,000. This amendment makes the life insurance for state active duty $100,000. It puts the money in a fund, so that we are self-insured. This seemed the best way, as no death has occurred in state active duty for the 30 years that records were kept. The original bill called for the state paying the monthly premiums for each member’s Serviceman’s Group Life Insurance (SGLI). Testimony showed this idea to be difficult to administer, as well as costly. Vote 20-0.

Amendment (0017h)
Amend the title of the bill by replacing it with the following:

AN ACT relative to a state active duty death benefit for activated members of the New Hampshire national guard and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court finds that:

I. Members of the New Hampshire army national guard and the New Hampshire air national guard should have the same life insurance protection when called to state active duty as they are provided when called to federal active duty.

II. Reimbursement for voluntary Serviceman’s Group Life Insurance (SGLI) has proven difficult to administer, and costs could reach millions of dollars per month.

III. Only members of the New Hampshire army national guard and New Hampshire air national guard take an oath to the governor of New Hampshire, and are on call for state protection and disaster assistance to the people of our state.
IV. The state shall establish and fund a $100,000 death benefit for members of the New Hampshire army national guard and New Hampshire air national guard when called to state active duty, which is equal to the death benefit when called to federal active duty.

2 Subdivision Heading. Amend the subdivision heading preceding RSA 110-B:37 to read as follows:

Pay and Allowances; State Active Duty Death Benefit

3 New Section; State Active Duty Death Benefit. Amend RSA 110-B by inserting after section 37 the following new section:

110-B:37-a State Active Duty Death Benefit; Fund.

I. The state shall fund a death benefit in the amount of $100,000 for each activated New Hampshire army national guard or New Hampshire air national guard member who dies while on state active duty or as the result of injuries incurred on state active duty.

II. There is established in the department of the adjutant general a New Hampshire national guard state active duty death benefit fund. The adjutant general is authorized to make payments from such fund for purposes of the death benefit created under paragraph I. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated. The adjutant general shall, through the operating budget, request $100,000 for fiscal year 2008 and $50,000 for each fiscal year thereafter for deposit into such fund. The fund shall be nonlapsing and continually appropriated to the adjutant general, except that any amount in the fund exceeding $1,000,000 shall lapse to the general fund at the end of each biennium.

4 New Subparagraph; Special Fund; New Hampshire National Guard State Active Duty Death Benefit Fund. Amend RSA 6:12, I(b) by inserting after subparagraph (242) the following new subparagraph:

5 Effective Date. This act shall take effect upon its passage.

HB 139, authorizing the establishment of a moose permit raffle by the fish and game department.

INEXPEDIENT TO LEGISLATE.

Rep. Paul A. Brassard for Fish and Game: After studying this legislation, it was determined that implementing this lottery would conflict with the existing moose lottery and could become financially detrimental to the program. Vote 9-1.

HB 254-FN, establishing additions to lifetime hunting and fishing licenses for certain activities.

OUTOHT TO PASS WITH AMENDMENT.

Rep. David L. Smith for Fish and Game: This bill adds lifetime licenses for bow and arrow, muzzle loading firearm, and cross bow licenses. The bill completely mirrors the regulations pertaining to lifetime licenses for eligible pricing. Two exceptions, one must have a lifetime for muzzle loading firearm, and cross bow and bolt lifetime licenses. Also, the annual take down will be at a flat 9% with no regard for number of licenses sold. This stabilizes the fund. Vote 10-0.

Amendment (0019h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow and bolt licenses.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Fish and Game; Lifetime Licenses for Bow, Muzzleloader, and Crossbow.

Amend RSA 214 by inserting after section 9-c the following new section:

214:9-d Lifetime Licenses for Bow and Arrow, Muzzleloader, and Crossbow.

I. (a) The executive director, at the department of fish and game headquarters only, shall issue lifetime bow and arrow, muzzle loading firearm, and crossbow and bolt licenses for each type of game taken similar to that issued on an annual basis under RSA 208:5, RSA 208:5-a, or RSA 208:7a, respectively, to any resident applicant upon payment of the proper fee, which shall be established by the executive director in accordance with the provisions of paragraph II. Lifetime bow and arrow, muzzle loading firearm, and crossbow and bolt licenses shall be issued only to residents who would be eligible to purchase annual licenses of the same type.

(b) In addition, the executive director may issue lifetime licenses under this section to any resident under 16 years of age. The parent or legal guardian of the applicant shall be a resident
pursuant to RSA 207:1, XXIII. The bow and arrow, muzzle loading firearm, and crossbow and bolt licenses shall not be valid until the licensee has met all requirements for the issuance of such license. Upon meeting the requirements of RSA 214:23-a, the licensee shall have the license validated at the fish and game department headquarters only.

II. The executive director shall obtain an actuarial table based on an appropriate annuity from the commissioner of insurance and shall set the fee for the various licenses annually on July 15 of each year for the following year based on the age of the applicant. The fee for any applicant under 16 years of age shall be the same as the fee for a 16-year-old applicant. In addition the applicant shall pay the agent’s fee in accordance with RSA 214:15-l.

III. In no case shall any lifetime license issued be transferable or any portion of the cost of the license refundable.

IV. Notwithstanding any other provision of law, the monies received from the sale of such lifetime bow and arrow, muzzle loading firearm, and crossbow and bolt licenses shall be deposited with the state treasurer who shall keep the same in the prepaid fish and game license fund. The state treasurer shall annually transfer to the fish and game fund from the prepaid fish and game license fund an amount equal to 9 percent of the portion of the principal balance in the fund each year attributed to lifetime bow and arrow, muzzle loading firearm, and crossbow and bolt licenses, and any interest that accrues to such portion of the prepaid fish and game license fund in excess of 5 percent.

V. In addition, the state treasurer shall pay the amount of one annual license fee to the fish and game fund from the proceeds of each lifetime bow and arrow, muzzle loading firearm, and crossbow and bolt license sold during the current year, the balance going into the prepaid fish and game license fund.

VI. Licenses issued pursuant to this section shall entitle the holder thereof to the same privileges and subject the licensee to the same restrictions as a holder of an annual license.

VII. The executive director shall, if necessary, adopt rules, pursuant to RSA 541-A, relative to the issuance and validation of the lifetime licenses.

2 Prepaid Fish and Game License Fund; Reference Added. Amend RSA 6:12, I(b) (163) to read as follows:

(163) Moneys deposited in the prepaid fish and game license fund under RSA 214:9-c, IV and RSA 214:9-d, IV.

3 Wildlife Habitat Stamp; Exception. Amend RSA 214:1-f, I to read as follows:

I. No person shall at any time take wild animals or wild birds in this state without first procuring, in addition to any applicable licenses required by title XVIII, a wildlife habitat stamp or license under RSA 214:9, XV, for the same period. If a stamp is issued it shall be signed across the face in a permanent manner with the applicant’s signature and shall be carried upon such person while engaged in taking wild animals or wild birds. A person under the age of 16 years may take wild animals or wild birds without such a stamp or license provided that, while so doing, the person is accompanied by an adult who has procured such stamp or license. This paragraph shall not apply to any person who takes wild animals or wild birds under a complimentary license, excluding any administrative fee, issued pursuant to RSA 214:3, RSA 214:7-a, RSA 214:13, RSA 214:13-b, or RSA 214:13-c, or a lifetime license issued pursuant to RSA 214:9-c or RSA 214:9-d that was purchased in a prior calendar year.

4 Fisheries Habitat Fee; Exception. Amend RSA 214:1-g, I to read as follows:

I. A one dollar fisheries habitat fee shall be required to be paid by all persons 16 years of age or older, in addition to any applicable fishing or combination license required by Title XVIII, in order to take fish in the fresh waters of this state. This paragraph shall not apply to any person who takes fish under a complimentary license, excluding any administrative fee, issued pursuant to RSA 214:3, RSA 214:7-a, RSA 214:13, RSA 214:13-b, or RSA 214:13-c, or a lifetime license issued pursuant to RSA 214:9-c or RSA 214:9-d that was purchased in a prior calendar year.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow and bolt licenses which may be purchased by qualified residents.

HB 690-FN, relative to medical services for children and pregnant women. OUGHT TO PASS WITH AMENDMENT.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This amendment clarifies the undue hardship section of RSA 167:4. The language that was adopted came from federal
government rules pertaining to penalties for transfer of assets below market value. This bill adds language to the state statute that protects an individual from having a penalty if that penalty would lead to undue hardship. Specifically, a transfer of asset penalty shall not be imposed if “application of the penalty would deprive the individual of necessary care that his or her health or life would be endangered.” The hardship language cited above is supported by the Governor, the legislature and the Department of Health and Human Services. This was a bipartisan unanimous discussion, study, agreement and vote. Vote 19-0.

Amendment (0002h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to aid to the needy blind and relative to undue hardship for public assistance.

Amend the bill by replacing all after the enacting clause with the following:

1 Condition of Granting Assistance; Aid to Needy Blind Added. Amend RSA 167:28 to read as follows:

167:28 Condition of Granting Assistance. The commissioner of the department of health and human services shall require as a condition to granting old age assistance [or], aid to the permanently and totally disabled, or aid to the needy blind in any case that the applicant, and the spouse of the applicant, if any, residing with the applicant, submit a properly acknowledged agreement to reimburse the federal government, the state and the county for all assistance granted. In such agreement such applicant, and the spouse of the applicant, if any, shall assign as collateral security for such assistance such part of his or her personal property as the commissioner of health and human services shall demand. All funds recovered under the provisions of this section and RSA 167:27, after any necessary reimbursement to the federal government as provided in RSA 167:13, shall be allocated to the county and to the state in the same proportion as the assistance paid by each.

2 New Paragraph; Transfers of Assets; Undue Hardship. Amend RSA 167:4 by inserting after paragraph III the following new paragraph:

III-a. Pursuant to section 1917(c)(2)(D) of the federal Social Security Act, a transfer of asset penalty shall not be imposed if the penalty would result in an undue hardship to the transferor under the following conditions:

(a) The asset was transferred by an agent or authorized representative and it can be demonstrated and documented that the individual lacked the mental capacity to comprehend the disqualifying nature of the act; and

(1) A written and signed statement by a licensed physician states that the individual was mentally incapacitated at the time of the transfer; or

(2) An order of findings from a probate court concerning the individual’s competency is provided to the district office.

(b) Application of the penalty would deprive the individual of necessary care such that his or her health or life would be endangered.

3 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill adds the category of aid to the needy blind to a certain provision of law. This bill also clarifies undue hardship for purposes of public assistance.

Referred to the committee on Finance.

HB 704-FN, establishing the New Hampshire Rx advantage program and continually appropriating a special fund. INEXPEDIENT TO LEGISLATE.

Rep. Deborah J. Hogancamp for Health, Human Services and Elderly Affairs: This bill sought to establish a prescription drug program for the uninsured and underinsured of New Hampshire. The bill was based on other states’ legislation and required mandatory participation by pharmacies. The bill also required pharmaceutical companies wishing to participate in the state preferred drug list to participate in this prescription drug program. Programs as proposed in this bill have engendered significant litigation because of the prescription drug program being closely tied to the Medicaid program. Vote 14-0.

HB 334, relative to consistency of notices in court proceedings. OUGHT TO PASS WITH AMENDMENT.

Rep. Gregory M. Sorg for Judiciary: This bill seeks to amend RSA 514:14 by clarifying to whom notices must be sent of pleadings filed in judicial actions. The committee concluded that it is
impractical to impose by statute notice requirements specific to every situation that could conceivably arise. The committee concluded that substantive amendment to RSA 514:14 was unnecessary, but approved a non-substantive amendment that replaced a phrase regarded by the committee as archaic. Vote 16-0.

Amendment (0179h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to the type of notice provided in court proceedings.

Amend the bill by replacing all after the enacting clause with the following:

1 Notices; Due Process of Law Standard. Amend RSA 514:14 to read as follows:
514:14 Notices. The court shall order notice to be given, in such manner as [they think fit] appears to the court due process of law requires, of any petition, complaint, libel, application, or motion in writing filed therein, and no judgment [or], decree, or ruling shall be rendered thereon [without] absent compliance with such order.
2 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill requires the court to give notice about certain proceedings in such manner as it appears to the court that due process of law requires.

HB 413, relative to the appointment of the chief justice of the superior court. OUGHT TO PASS WITH AMENDMENT.

Rep. James E. Wheeler for Judiciary: The original bill was intended to clarify a law passed last year that made the office of Chief Justice of the Superior Court a five year term. This bill added a sentence to that law that said if the Chief Justice was not reappointed as Chief Justice at the end of his or her term, he or she still remained an Associate Justice. During committee hearings, the committee realized that the bill would conflict with two contingencies in previous legislation. The amendment fixes that problem by incorporating a third contingency that combines both changes and the new change and becomes effective when both of the other contingencies have been met. Vote 16-0.

Amendment (1929h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to the appointment of the chief justice of the superior court and the number of superior court associate justices.

Amend the bill by replacing all after the enacting clause with the following:

1 Superior Court. Contingency Appointment of Chief Justice; Contingency. Amend 2004, 74:1-2 to read as follows:
74:1 Superior Court; Appointment of Chief Justice. Amend RSA 491:1 to read as follows:
491:1 Justices. The superior court shall consist of a chief justice, appointed by the governor and council to a 5-year term, and 28 associate justices. Said justices shall be appointed and commissioned as prescribed by the constitution and shall exercise the powers of the court unless otherwise provided. The chief justice shall be appointed from among the associate justices. In the event that the chief justice resigns as chief justice or is not reappointed at the expiration of the 5-year term at a time when no associate justice vacancies exist, he or she may return to the position of associate justice.
74:2 Contingency. Section 1 of this act shall take effect upon the date the next vacancy occurs in the position of superior court chief justice, provided that 2004, 240:4 has not taken effect.
2 Superior Court Justices; Applicability; Contingency. Amend 2004, 240:4-5 to read as follows:
240:4 Superior Court Justices. Amend RSA 491:1 to read as follows:
491:1 Justices. The superior court shall consist of a chief justice[, appointed by the governor and council to a 5-year term,] and 21 associate justices. Said justices shall be appointed and commissioned as prescribed by the constitution and shall exercise the powers of the court unless otherwise provided.
240:5 Applicability; Contingency. Any superior court justice appointed prior to July 1, 2004 shall retain his or her position until resignation, retirement, or removal pursuant to the New Hampshire constitution. As vacancies occur in superior court justice positions, the vacancies shall remain unfilled until the number of superior court justices is reduced to 22. Section 4 of this act shall take effect on the date on which the number of superior court justices is reduced from 23 to 22, provided that 2004, 74:1 has not taken effect.
3 Superior Court Justices. RSA 491:1 is repealed and reenacted to read as follows:

491:1 Justices. The superior court shall consist of a chief justice, appointed by the governor and council to a 5-year term, and 21 associate justices. Said justices shall be appointed and commissioned as prescribed by the constitution and shall exercise the powers of the court unless otherwise provided. The chief justice shall be appointed from among the associate justices. In the event that the chief justice resigns as chief justice or is not reappointed at the expiration of the 5-year term at a time when no associate justice vacancies exist, he or she may return to the position of associate justice.

4 Contingency. Section 3 of this act shall take effect upon the date the next vacancy occurs in the position of superior court chief justice or the date on which the number of superior court justices is reduced from 23 to 22, whichever occurs later.

5 Effective Date.
I. Section 3 of this act shall take effect as provided in section 6 of this act.
II. The remainder of this act shall take effect upon passage.

AMENDED ANALYSIS

This bill establishes that the chief justice shall be appointed from among the associate justices of the superior court and may return to the position of associate justice upon resignation or the expiration of his or her term.

The bill also clarifies that the number of superior court associate justices is to be reduced to 21.

HB 471, relative to probate requirements for small estates. INEXPEDIENT TO LEGISLATE.
Rep. Cynthia J. Dokmo for Judiciary: The subject matter of this bill, the probate administration of small estates, was dealt with in SB 168 which was passed into law last year. Therefore, this bill was no longer necessary. Vote 16-0.

HB 473, relative to the creation of screening panels for medical injury claims. INEXPEDIENT TO LEGISLATE.
Rep. Gregory M. Sorg for Judiciary: This bill sought enactment of a new Chapter 519-B of the RSA's, which would establish and regulate the proceedings of panels to screen medical injury claims. This was one of a number of bills filed in the 2005 session and assigned to the Judiciary Committee dealing with the perceived medical malpractice insurance crisis. It was retained by the committee for possible further consideration should the bill on the same subject preferred by the committee, and recommended to and passed by the House. HB 702, fail to pass the other body, or should the bill on the same subject preferred and passed by the other body, SB 214, fail to pass the House. SB 214 having passed both chambers, and having been signed into law by the Governor, HB 473 is no longer necessary. Vote 18-0.

HB 508, relative to ex parte hearings. INEXPEDIENT TO LEGISLATE.
Rep. John B. Hunt for Judiciary: The effect of this bill would be to eliminate ex parte hearings, (hearings at which only one party is present) which are held to address emergency situations. Orders issued at ex parte hearings are temporary, and, a full, noticed hearing in which all parties may participate is held expeditiously. A defendant can request an expedited hearing to take place within five business days. The committee is of the opinion that the need to react to emergency situations far outweighs temporary effects of court orders. Vote 18-0.

HB 608-FN, establishing a right to trial by jury prior to a nonemergency involuntary admission. INEXPEDIENT TO LEGISLATE.
Rep. Gail C. Morrison for Judiciary: This bill was retained to consider whether there was reason to alter the present process of review of involuntary admissions to the state hospital by a probate judge. The committee determined that no change is needed. Vote 17-2.

HB 648-FN, relative to reducing frivolous medical injury actions. INEXPEDIENT TO LEGISLATE.
Rep. Gregory M. Sorg for Judiciary: This bill sought enactment of a new Section 4 following RSA 507-E:3, which generally would require that an attorney, at the time of filing a medical malpractice claim, certify that a reasonable investigation has been made that supports a good faith belief that negligence has occurred. Like HB 473, this was one of a number of bills filed in the 2005 session and assigned to the Judiciary Committee dealing with the perceived medical malpractice insurance crisis. It was retained by the committee for possible further consideration for the same reason as HB 472. SB 214 having passed both chambers, and having been signed into law by the Governor, HB 648 is no longer necessary. Vote 19-0.
HB 713-FN, relative to a process for the request and disclosure of social security numbers.

OBVIOUS TO PASS WITH AMENDMENT.

Rep. John B. Hunt for Judiciary: The committee amendment is in three sections. The first section would require that any department or agency requesting a social security number must have specific statutory authority to do so. The second section is relative to internet posting of deeds and mortgages by the county registries. The amendment allows anyone to request that a social security number or bank account number be deleted from the internet. The amendment also has penalties for anyone in the future who knowingly puts a social security number on a closing document. The third section of the bill will bar any business entity from using a social security number unless specifically allowed to do so by federal or state law. Vote 20-0.

Amendment (0097h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Disclosure of Records. Amend RSA by inserting after chapter 275-E the following new chapter:

CHAPTER 275-F
DISCLOSURE OF SOCIAL SECURITY NUMBERS

275-F:1 Definition. In this chapter “governmental entity” means the state or any political subdivision of the state, a government branch, unit, or agency, including any authority, board, court, department, division, commission, institution, bureau, or similar entity of the state or of any political subdivision of the state, or any contractor to any of the foregoing. “Governmental entity” does not include county registries of deeds to the extent they are regulated under RSA 478:4-b.

I. It shall be unlawful for any governmental entity to obtain an individual’s social security number from a source other than the individual to whom it is assigned, or to disclose an individual’s social security number, unless the governmental entity is required by federal law or state statute to do so.

II. It shall be unlawful for any governmental entity to request an individual to disclose his or her social security number on a voluntary basis unless such request is explicitly authorized by state statute.

III. It shall be unlawful for any governmental entity to deny to any individual any right, benefit, or privilege provided by law because of such individual’s refusal to disclose his or her social security number, except for:

(a) Any disclosure which is required by federal law or by state statute as authorized by federal statute; or

(b) Any disclosure of a social security number to a governmental entity maintaining a system of records in existence and operating before January 1, 1975, if such disclosure was required under federal or state statute or regulation enacted or adopted prior to January 1, 1975, to verify the identity of an individual.

IV. Any governmental entity which requests or requires an individual to disclose his or her social security number shall inform that individual in writing whether such disclosure is mandatory or voluntary, by what statutory or other authority such number is solicited, and what uses will be made of it.

275-F:3 Civil Penalties. In any suit brought to enforce the provisions of RSA 275-F:2 in which the court determines that the governmental entity or an employee of the governmental entity acted in a manner which was intentional or willful, the aggrieved individual may bring against the governmental entity an action to enjoin such violation and, if successful, recover court costs and reasonable attorney’s fees.

275-F:4 Criminal Penalties.

I. Any officer or employee of a governmental entity who, by virtue of his or her employment or official position, has possession of, or access to, records of the governmental entity which contain social security numbers the disclosure of which is prohibited by this chapter, and who, knowing that disclosure of the social security number is prohibited, willfully discloses the social security number in any manner to any person or governmental entity not entitled to receive it, shall be guilty of a misdemeanor and fined not more than $1,000.

II. Any person who knowingly and willfully requests or obtains any social security number from a governmental entity under false pretenses shall be guilty of a misdemeanor and fined not more than $1,000.
2 New Sections; Registers of Deeds; Social Security Numbers and Financial Information. Amend RSA 478 by inserting after section 4-a the following new sections:

478:4-b Records; Social Security Numbers and Financial Information.

I. The preparer of a document shall not include an individual’s social security number, credit card number, or deposit account numbers in a document that is prepared and presented for recording in the office of the register of deeds. This paragraph shall not apply to state or federal tax liens, certified copies of death certificates, and other documents required by law to contain such information that are filed or recorded in the office of the register of deeds. For the purpose of this section, “preparer” shall mean the person who drafts the documents that are recorded with the register of deeds. Preparer shall not include any person who hires, requires, refers, pays, or requests that the documents be drafted or recorded.

II. If a deed or instrument that includes an individual’s social security number, credit card number, or deposit account numbers, was filed with the register of deeds and is available on the Internet, the individual may request that the register of deeds redact such information from the Internet record. The register of deeds shall establish a procedure by which individuals may request that such information be redacted from its files which are available on the Internet. Upon request, the information shall be redacted.

III. The register of deeds shall comply with an individual’s request to redact his or her social security number, credit card number, or deposit account numbers within 5 business days of the receipt of the request, or sooner, if ordered to do so by a court, for good cause shown.

478:4-c Violation; Enforcement. An individual aggrieved by a violation of RSA 478:4-b, I may bring against the preparer:

I. An action to enjoin such violation.

II. An action to recover actual monetary loss from such a violation, or to receive up to $1,000 in damages for each such violation, whichever is greater.

III. Both such actions.

3 New Chapter; Action for Unauthorized Use of Social Security Number. Amend RSA by inserting after chapter 507-G the following new chapter:

CHAPTER 507-H

ACTION FOR UNAUTHORIZED USE OF SOCIAL SECURITY NUMBER

507-H:1 Prohibition. No person may do any of the following:

I. Intentionally communicate or otherwise make available to the general public an individual’s social security number or any part thereof.

II. Require an individual to use his or her social security number to access an Internet site unless it is encrypted or otherwise comparably secure.

III. Give, sell, lease, loan, trade, rent, or otherwise disclose an individual’s social security number to a third party for any purpose without written consent by the individual to the disclosure.

IV. Treat an individual differently or refuse to do business with an individual because the individual will not provide, or consent to the receipt by such person of, the social security number of such individual.

507-H:2 Exceptions. This chapter shall not prevent:

I. The collection, use, or release of a social security number as required by state or federal law or by state or federal officials in order to carry out their official functions.

II. The use of a social security number by a person, or a contractor or affiliate of that person, to verify the identity of an individual or for administrative purposes, as long as the number was acquired for an allowable purpose.

III. The collection, use, release, or sharing of a social security number to obtain a credit report from or furnish data to a consumer reporting agency pursuant to the New Hampshire Fair Credit Reporting Act, RSA 359-B, or the Fair Credit Reporting Act, 15 U.S.C. section 1681, et seq.

IV. The collection, use, release, or sharing of a social security number in connection with providing a credit report or file, a consumer report, or consumer disclosure as permitted or required by the New Hampshire Fair Credit Reporting Act, RSA 359-B:1, or to undertake a permissible purpose enumerated in Title V of the Gramm-Leach-Bliley Act, 15 U.S.C. sections 6801 through 6809.

507-H:3 Violation; Actions.

I. An individual aggrieved by a violation of this chapter may bring:

(a) An action to enjoin such violation.
(b) An action to recover actual monetary loss from such a violation, or to receive up to $1000 in damages for each such violation, whichever is greater.

(c) Both such actions.

II. In any successful action under paragraph I, the aggrieved party shall be awarded the costs of the action together with reasonable attorney’s fees as determined by the court. Upon a finding by the court that an unsuccessful pleading, motion, or paper filed in connection with an action under paragraph I was filed in bad faith or for purposes of harassment, the court shall award to the prevailing party attorney’s fees reasonable in relation to the work expended in responding to the pleading, motion, or other paper.

III. It shall be an affirmative defense in any action brought under paragraph I that the defendant has established and implemented, with due care, reasonable practices and procedures to effectively prevent violations of this chapter.

IV. If the court finds that the defendant willfully or knowingly or with gross negligence violated this chapter, the court may, in its discretion, increase damages to an amount equal to not more than 3 times the amount available under paragraph I.

4 Effective Date.
I. RSA 478:4-b, III as inserted by section 2 of this act of this act shall take effect March 1, 2007.
II. The remainder of this act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill:
I. Establishes a process for the request and disclosure of social security numbers by governmental entities.
II. Prohibits, with certain limited exceptions, a person from filing with the registry of deeds a document that includes an individual’s social security number.
III. Authorizes private actions for unauthorized use of a social security number.

SB 172, establishing a committee to study a medical fee schedule for workers’ compensation. REFER FOR INTERIM STUDY.

Rep. William J. Infantine for Labor, Industrial and Rehabilitative Services: The committee was undecided on the merits of this study. Some members had significant predetermined on the possible outcome of the study and others believed a study was appropriate and necessary. All sides agreed to send the bill to Interim Study to review the results of such legislation in other states. Vote 10-0.

CACR 11, relating to the compensation of the legislature. Providing that legislative members receive a payment for each day of legislative attendance and reimbursement for certain necessary expenses. REFER FOR INTERIM STUDY.

Rep. Karen K. Hutchinson for Legislative Administration: While many believe that the work of legislators is worth more than $100 per year, an increase in compensation would have far reaching effects. Budget concerns and possible change in the dynamics of the House by allowing more people to run for office are among those to be studied. Vote 7-2.

SCR 3, relative to the Boy Scouts of America. OUGHT TO PASS WITH AMENDMENT.

Rep. David P. Currier for Legislative Administration: This SCR, as amended, congratulates the Boy Scouts of America and the Daniel Webster Council for ninety plus years of enhancing citizenship skills on the top of such outdoor and leadership skills that have declined in other aspects of American life. Language objectionable to some has been removed in lieu of the language of encouragement regarding high adventure training, co-ed socialization and camaraderie. The two no votes were not anti-topic but rather votes against concurrent resolutions in general. Vote 7-2.

Amendment (0119h)

Amend the resolution by replacing all after the title with the following:
Whereas, the Boy Scouts of America is nearing 100 years since its American inception in 1910; and
Whereas, the Boy Scouts of America have been promoting strong character traits and citizenship attributes; and
Whereas, the Boy Scouts of America have produced some of our strongest national leaders and role models, including, actor and war hero Brigadier General James Stewart, Nolan Ryan, President John F. Kennedy, Walter Cronkite, Bill Gates, Dan Jansen, and Mark Spitz; and
Whereas, Eagle Scouts, including astronaut James Lovell, astronaut Neil Armstrong, President Gerald Ford, Sam Walton, John Tesh, Congressman Richard Gephardt, Congressman Thomas Foley, Senator Lamar Alexander, and Hank Aaron, have gone on to prove that character counts, by living the Scout Law; and

Whereas, scouting now includes the Venturing program for young men and women, promoting physical fitness, leadership skills, and real-world experiences; and

Whereas, scouting’s many mottos include the phrases, “Be Prepared,” and “Do a good turn daily;” and

Whereas, the Boy Scouts of America has been instrumental in shaping the lives of millions of boys and young men for nearly a century; and

Whereas, scouting began in England in 1907 with less than 100 scouts and now has programs in 216 countries serving over 28 million youth; now, therefore, be it

Resolved by the Senate, the House of Representatives concurring:

That the general court of New Hampshire officially recognizes and supports the mission of the Boy Scouts of America and agrees that character counts; and

That copies of this resolution be sent by the senate clerk to the National Council of the Boy Scouts of America in Irving, Texas and the Daniel Webster Council, Boy Scouts of America in Manchester, New Hampshire.

HB 121, relative to local land use approval for facilities requiring air pollution control permits. OUGHT TO PASS WITH AMENDMENT.

Rep. Thomas J. Gillick for Municipal and County Government: The Department of Environmental Services (DES) grants many permits that the legislature has granted them control over - air pollution control permits (RSA 125-C), underground storage facilities permits (RSA 146-C), solid waste facility (RSA 149-M), fill and dredge permits for wetlands (RSA 485-A) and ground water protection (RSA 485-C). It is noted in each of those statutes that the ability of the municipality to enact local ordinances covering land use issues is not pre-empted by the state. This amendment adds the words that these permits “shall not affect any obligation to obtain local approvals required under all applicable, lawful local ordinances, codes and regulations not inconsistent with this chapter.” The committee intended to have consistent language regarding local control in each RSA so that there would be no misinterpretation of the municipality’s ability to have limited authority over land use in these particular areas. Vote 15-0.

Amendment (0176h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to local land use approval for facilities requiring certain pollution control permits.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Air Pollution Control Permit; Local Approval Required. Amend RSA 125-C:11 by inserting after paragraph V the following new paragraph:

VI. The issuance of an air pollution control permit by the department shall not affect any obligation to obtain local approvals required under all applicable, lawful local ordinances, codes, and regulations not inconsistent with this chapter.

2 Liability for Cleanup Costs; Municipal Regulations; Local Approvals Required. RSA 146-C:11, III is repealed and reenacted to read as follows:

III. The issuance of an underground storage facility permit by the department shall not affect any obligation to obtain local approvals required under all applicable, lawful local ordinances, codes, and regulations not inconsistent with this chapter.

3 Removal; Restoration; Equity Relief. Amend RSA 482-A:14-b, II to read as follows:

II. Municipalities may apply to a justice of the superior court for injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall give notice of any such action to the attorney general and the commissioner of environmental services, who may take such steps as they deem necessary to ensure uniform statewide enforcement, including but not limited to joining the action, assuming sole prosecution of the action, or, as of right, dismissing the action without prejudice. Such notice shall be given at least 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case
such notice shall be given as soon as practicable, but in no event later than the date of commence-
ment of the action. [This paragraph shall not be construed to affect, in any manner, existing au-
tority of municipalities to act based upon the provisions of other statutes or local ordinances:] The issuance of a permit by the department shall not affect any obligation to obtain local ap-
provals required under all applicable, lawful local ordinances, codes, and regulations not in-
consistent with this chapter.

4 Groundwater Protection Act; Effect on Local Ordinances. RSA 485-C:20 is repealed and re-
enacted to read as follows:

485-C:20 Effect on Local Ordinances. The issuance of a permit by the department shall not affect any obligation to obtain local approvals required under all applicable, lawful local ordinances, codes, and regulations not inconsistent with this chapter.

5 Permit Required; Presumption Removed. Amend RSA 149-M:9, VII to read as follows:

VII. The issuance of a facility permit by the department shall not affect any obligation to obtain local approvals required under all applicable, lawful local ordinances, codes, and regulations not inconsistent with this chapter. [Local land use regulation of facility location shall be presumed lawful if administered in good faith, but such presumption shall not be conclusive.]

6 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies that issuance of an air pollution control permit, an underground storage facility permit, a dredge and fill permit, a permit under the groundwater protection act, or a solid waste facility permit does not affect any obligation to obtain local approvals required under local ordin-
ances, codes, and regulations.

HB 176, relative to the provision of rental and lease information of commercial and industrial property to assessing officials. INEXPEDIENT TO LEGISLATE.

Rep. Eric G. Stohl for Municipal and County Government: This bill would require owners of commercial and industrial property to provide rental, lease and expense information, upon request, when they apply for a property tax abatement. Persons failing to comply lose their right to appeal. The committee feels that sensitive financial records are just that sensitive and confidential. The lack of an established method of securing this information may place a business at risk of having its competition obtain critical information. Testimony revealed other methods of obtaining this information to properly assess a business, including surveys. The committee felt that with other avenues of securing data available to assessors, it was unnecessary and possibly harmful to mandate the submission of sensitive information to a municipality. Further, the loss of all property tax appeal rights for refusal to comply with such a requirement would be unduly harsh. Vote 15-0.

HB 245, establishing a committee to study property appraisals of features of land and the view from residential property and unimproved land. REFER FOR INTERIM STUDY.

Rep. Eric G. Stohl for Municipal and County Government: This bill would establish a study committee and the committee retained the bill to work on the issue. We determined that there are weaknesses in how values of land features, which include views and waterfront properties, are computed during the assessment process. These weaknesses may not indicate that the values placed on a particular land feature are inaccurate, but they do point out the lack of transparency and documentation as to how these values were calculated. A set of criteria needs to be established outlining what information is to be documented and back-up notations that support the method of how the particular value was determined. We wish to send this bill to interim study to allow the Assessing Standards Board (ASB) a period of time to address this issue. The ASB has a duty under RSA 21-J:14-b to recommend legislation relating to property assessment. The committee will closely monitor and work with the ASB for a resolution to this very important matter. Vote 16-0.

HB 410, relative to the confidentiality of documents submitted with an application for a property tax credit, exemption, or deferral. OUGHT TO PASS WITH AMENDMENT.

Rep. Laurie J. Boyce for Municipal and County Government: This bill changes the method of handling confidential information which is requested by assessing officials in order to verify eligi-
bility for property tax credits, exemptions, or deferrals. The law, as written now, lists three dif-
frent types of documentation that are considered confidential. This bill removes the restriction to just those three types and states all documents used to verify eligibility will be returned to the applicant at the time a decision is made on the application. By adopting this bill, we remove the need to change the law every time a different type of document is requested. Vote 14-2.
Amendment (0182h)

Amend section 1 of the bill by replacing it with the following:

I Property Tax Credit, Exemption, or Deferral Application; Confidentiality. Amend RSA 72:34, II to read as follows:

II. For those exemptions having income or asset limitations, the assessing officials may request true copies of any documents as needed to verify eligibility. [Any documents submitted shall be considered confidential, handled so as to protect the privacy of the applicant, and returned to the applicant at the time a decision is made on the application. The documents are:

(a) Federal income tax form;
(b) State interest and dividends tax form; and
(c) Property tax inventory form filed in any other town:

(RSA 359-C shall not apply to the documents requested for verification under this section.) Unless otherwise provided for by law, all documents submitted with an application or as requested, as provided for in paragraphs I and II, and any copies shall be considered confidential, handled so as to protect the privacy of the individual and not used for any purpose other than the specific statutory purposes for which the information was originally obtained. All documents and copies of such documents submitted by the applicant shall be returned to the applicant after a decision is made on the application.

AMENDED ANALYSIS

This bill requires that all documents and copies of documents submitted with or requested to verify an application for a property tax credit, exemption, or deferral be considered confidential and returned to the applicant after a decision is made on the application.

HB 581, relative to approval and review of municipal charters. OUGHT TO PASS WITH AMENDMENT.

Rep. Robert W. Brundige for Municipal and County Government: A new or revised municipal charter, prior to being voted on by the legislative body, is reviewed by the Secretary of State, Attorney General and the Department of Revenue Administration to insure that the proposal is consistent with the general laws of the State (RSA 49-B:5). This statute gives those agencies fourteen days after receiving a copy of the charter proposal to review and comment on it. HB 581 was introduced at the request of the Secretary of State. Experience has shown that fourteen days is not enough time to do an adequate review. The committee agreed with the amendment that adjusts the charter time so that the three agencies have thirty days to review and comment on the charter proposals. Vote 15-0.

Amendment (0020h)

Amend the bill by replacing all after the enacting clause with the following:

I Municipal Charters; Charter Commission, Membership, Procedure. Amend RSA 49-B:4, V to read as follows:

V. Within 14 days after its organizational meeting, the charter commission shall hold a public meeting for the purpose of receiving information, views, comments and other pertinent material relative to its functions. Within 170 days after its election, the charter commission shall prepare a preliminary report including the text of the charter or charter revision which the commission intends shall be submitted to the voters and any explanatory information the commission deems desirable, shall cause such report to be printed and circulated throughout the municipality, and shall provide sufficient copies of the preliminary report to the municipal clerk to permit its distribution to each voter requesting it. Within 231 days after its election, the charter commission shall submit to the municipal officers its final report, which shall include the full text and explanation of the proposed new charter or charter revision, such comments as the commission deems desirable, an indication of the major differences between any current and proposed charters and a written opinion by an attorney admitted to the bar of this state that the proposed charter or charter revision is not in conflict with the constitution or the general laws. Minority reports if filed shall not exceed 1,000 words. All public hearings before a charter commission shall be held within the municipality at such times and places as may be specified in a notice published at least 7 days prior to the hearing in a newspaper having general circulation in the municipality, but hearings may be adjourned from time to time without further published notice.
2 Municipal Charters: Joint Review by State Agencies. Amend RSA 49-B:5-a. I to read as follows:

1. Within 10 days of the filing of the preliminary report relative to any new municipal charter, charter revision, or charter amendment, the municipal clerk shall file a certified copy of said report with the secretary of state, the attorney general and the commissioner of the department of revenue administration. Within [14] 30 days of the receipt of said report [by], the secretary of state, attorney general and commissioner of the department of revenue administration. [they] or their designees shall jointly review the proposed charter, charter revision, or charter amendment to insure that it is consistent with the general laws of this state.

3 Effective Date. This act shall take effect 60 days after its passage

AMENDED ANALYSIS

This bill changes certain dates relating to the organizational meeting of a municipal charter commission.

This bill also clarifies the procedure for review of a municipal charter.

SB 147-FN-L, relative to eligibility for local assistance. INEXPEDIENT TO LEGISLATE.
Rep. Robert W. Brundige for Municipal and County Government: If a person has been a resident in a municipality for less than 90 days and seeks local assistance, this bill would allow that town to seek reimbursement for such assistance from the town of prior residence. The concept has been introduced in one form or another during each of the last two legislative sessions. A survey distributed to the Local Welfare Administrator Association last June asked the welfare directors to detail the number of times their town or city had rendered assistance in such cases and not been reimbursed. Only one reply was received which positively reported that no problems had been encountered in that town. Information previously given to the committee indicated that the welfare directors have developed a program to coordinate such requests with each other. There appears to be no problem in the area of reimbursement cooperation. Vote 14-0.

HB 264-FN-A, making a capital appropriation for the purchase of a boat storage and repair facility in the town of Belmont. INEXPEDIENT TO LEGISLATE.
Rep. John A. Graham for Public Works and Highways: The provisions of this bill were incorporated into HB 25, the Capital Budget, which was passed by the General Court and signed into law by the Governor. Vote 11-0.

SB 89-FN, relative to financing federally aided highway projects. INEXPEDIENT TO LEGISLATE.
Rep. John A. Graham for Public Works and Highways: This bill concerns Grant Anticipation Bonds for the widening of I-93. This bill is identical to HB 304 which passed the General Court and was signed into law by the Governor. Vote 11-0.

HB 175, relative to divestiture of PSNH generation assets. OUGHT TO PASS WITH AMENDMENT.
Rep. Roy D. Maxfield for Science, Technology and Energy: The original bill would have amended RSA 369-B to prohibit sale of PSNH generation assets without legislative authorization and would have allowed PSNH and other electric utilities in the state to add or modify existing plants provided a risk sharing agreement was agreed to by the Public Utilities Commission. Based on input from the Public Utilities Commission and the several industry spokespersons, the amendment moves the April 30, 2006 generation asset control date to April 30, 2008. The amendment also establishes a comprehensive study committee comprised of electric oversight committee members and other legislative members to explore the entire divestiture issue. Our committee feels that in light of current energy issues facing the country and state, our current energy policies, set forth in RSA 378, as well as deregulation, need to be evaluated and updated to reflect our situation. Vote 12-0.

Amendment (0123h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to divestiture of PSNH generation assets, establishing an energy policy task force, and establishing a fund for the costs of the energy policy task force.

Amend the bill by replacing all after the enacting clause with the following:

1 Divestiture of PSNH Generation Assets. Amend RSA 369-B:3-a to read as follows:

369-B:3-a Divestiture of PSNH Generation Assets. The sale of PSNH fossil and hydro generation assets shall not take place before [April 30, 2006] June 30, 2008. Notwithstanding RSA 374:30,
subsequent to [April 20, 2006] June 30, 2008, PSNH may divest its generation assets if the commission finds that it is in the economic interest of retail customers of PSNH to do so, and provides for the cost recovery of such divestiture. Prior to any divestiture of its generation assets, PSNH may modify or retire such generation assets if the commission finds that it is in the public interest of retail customers of PSNH to do so, and provides for the cost recovery of such modification or retirement.

2 Energy Policy Task Force.

I. There is established an energy policy task force.
II. The members of the task force shall be as follows:
   (a) Five members of the house of representatives, at least 2 of whom shall be members of the legislative oversight committee on electric utility restructuring, appointed by the speaker of the house of representatives.
   (b) Five members of the senate, at least 2 of whom shall be members of the legislative oversight committee on electric utility restructuring, appointed by the president of the senate.
   (c) Three members appointed by the governor.

III. Legislative members of the task force shall receive mileage at the legislative rate when attending to the duties of the task force.

IV. The task force shall:
   (a) Review the state’s energy policies and make recommendations for appropriate changes necessary to accommodate the changing energy environment in New Hampshire.
   (b) Review the divestiture of PSNH generation assets. and the policies for supply.

V. The members of the task force shall elect a chairperson from among the members. The first meeting of the task force shall be called by the first-named house member. The first meeting of the task force shall be held within 45 days of the effective date of this section. Seven members of the task force shall constitute a quorum.

VI. The task force shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before September 30, 2006.

3 Fund Established. The task force shall establish a fund which shall be held by the state treasurer. The fund shall consist of $100,000 from assessments against the state’s electric utilities made by the public utilities commission pursuant to the methodology defined in RSA 363-A:2. The fund may be used, with the prior approval of the fiscal committee of the general court, to pay costs for technical assistance incurred pursuant to section 2 of this act.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill extends the prohibition on the divestiture of PSNH generation assets to June 30, 2008 and establishes an energy policy task force. This bill also establishes for the costs of the energy policy task force.

HJR 1, recognizing that Kittery, Berwick, and the Piscataqua River are within the boundaries of the state of New Hampshire. OUGHT TO PASS WITH AMENDMENT.

Rep. Richard Marple for State-Federal Relations and Veterans Affairs: The General Court recognizes the historical records of the Sixth and Seventh Congress of the United States. Fenland Island – now known as Seavey Island – the home of the Portsmouth Naval Shipyard – was sold to the Federal Government for $5,000.00 by William and Sarah Dennett in 1800. When Maine became a state in 1820, Seavey Island was federal property and doesn’t appear to be included in the Maine or New Hampshire borders. The Piscataqua River boundary established clarified responsibility for the security of Homeland Security and other threats to the entire Piscataqua River, its bed and the Portsmouth Harbor to New Hampshire. When Maine was admitted as a state in 1820, the federal government owned and maintained Seavey Island for 20 years. Vote 11-0.

Amendment (0198h)

Amend the title of the resolution by replacing it with the following:

A RESOLUTION recognizing that Seavey Island and the Piscataqua River are within the boundaries of the state of New Hampshire.

Amend the resolution by replacing all after the title with the following:

Whereas, Seavey Island is in the Piscataqua River and, like Portsmouth, the island provides ready access to the Atlantic Ocean; and
Whereas, historical records support the proposition that the sixth and seventeenth Congress of the United States annexed Seavey Island to Portsmouth, New Hampshire; and
Whereas, recognizing that Seavey Island and the Piscataqua River are in New Hampshire will serve to protect the public from terrorism and similar threats to public safety and homeland security because this definition of the New Hampshire boundary will clarify responsibility for the security of the entire Piscataqua River and the Portsmouth Harbor; now, therefore, be it
Resolved by the Senate and House of Representatives in General Court convened:
That the general court hereby recognizes that Seavey Island and the Piscataqua River are within the boundaries of the state of New Hampshire.

AMENDED ANALYSIS
This resolution recognizes that Seavey Island and the Piscataqua River are within the boundaries of the state of New Hampshire.

HR 14, supporting Taiwan’s participation in the World Health Organization, and supporting the establishment of a Taiwan-United States free trade agreement. OUGHT TO PASS WITH AMENDMENT.
Rep. Kris E. Roberts for State-Federal Relations and Veterans Affairs: Due to the threat of rapid movement of deadly diseases, such as SARS and Avian Flu, often traveling across international trade routes of which Taiwan is a major trading center, it is important to the United States for financial and health security, that Taiwan be allowed to play an active and proactive role in the prevention, treatment and cure of such diseases. Vote 14-0.

Amendment (0078h)
Amend the title of the resolution by replacing it with the following:
A RESOLUTION supporting Taiwan’s participation in the World Health Organization.
Amend the resolution by replacing all after the title with the following:
Whereas, good health is essential to every citizen of the world and access to the highest standards of health information and services is necessary to improve public health; and
Whereas, the World Health Organization (WHO) set forth in the first chapter of its charter the objective of attaining the highest possible level of health for all people; and
Whereas, the achievements of Taiwan, the Republic of China, in the field of health are substantial, including one of the highest life expectancy levels in Asia, maternal and infant mortality rates comparable to those of western countries, the eradication of such infectious diseases as cholera, smallpox, and the plague, and the first to eradicate polio and provide children with Hepatitis B vaccinations; and
Whereas, the United States Centers for Disease Control and Prevention and its Taiwanese counterpart have enjoyed close collaboration on a wide range of public health issues; and
Whereas, in recent years Taiwan has expressed a willingness to assist financially and technically in international health activities supported by the WHO; and
Whereas, direct, unobstructed participation in international health forums and programs is critical to limit the spread of various infectious diseases and achieve world health; and
Whereas, the United States House of Representatives and Senate authorized the Secretary of State to endorse observer status for Taiwan at the World Health Assembly; and
Whereas, President Bush and senior members of his administration have vocalized support for Taiwan’s participation in the WHO; now, therefore, be it
Resolved by the House of Representatives:
That the New Hampshire house of representatives hereby supports Taiwan’s participation in the World Health Organization.

AMENDED ANALYSIS
This house resolution supports Taiwan’s participation in the World Health Organization.

HR 16, requesting that the New Hampshire congressional delegation support optional Social Security personal retirement accounts. REFER FOR INTERIM STUDY.
Rep. James E. Twombly for State-Federal Relations and Veterans Affairs: The committee recommends interim study because of the complexity of how the social security retirement system can
remain solvent. One of the options could be personal retirement accounts but other options could be some increase in the payroll tax or a reduction in some social security benefits. Also, some reductions in eligibility could be an option as well. Vote 11-0.

HB 119-FN, relative to commercial advertising on toll booths. INEXPEDIENT TO LEGISLATE.
Rep. Sherman A. Packard for Transportation: The committee heard proposals from the two companies that wanted to advertise at the toll booths and on the transponder people have attached to the car window. One was looking to put billboards at the toll booths. Another was looking at some form of signage over or around the toll booths. The committee was unanimous in its belief that this was wrong for New Hampshire. We felt that the citizens of this state do not want to pull up to a toll booth and see some bank or telephone company pushing services in neon lights. Vote 9-0.

HB 273-FN, relative to licenses for persons who are not United States citizens and who are temporarily residing in New Hampshire. INEXPEDIENT TO LEGISLATE.
Rep. James W. Danforth for Transportation: With the passage of the Real ID act in May of 2005, this bill becomes unnecessary. Every state is given three years to comply with the provision of Real ID. Before issuing a driver’s license to a person who is not a United States Citizen, every state must conform to certain criteria set forth in the Real ID Act and to whatever rules and regulations are being developed by the Department of Homeland Security. Vote 9-0.

HB 579, relative to motor vehicle inspections. INEXPEDIENT TO LEGISLATE.
Rep. Brenda L. Ferland for Transportation: This bill pertained to the OBD II inspection requirements. It provided an exemption for all vehicles from the OBD II inspection requirement until July of 2006. As this provision was adopted in other legislation, the committee saw HB 579 as redundant. Vote 9-0.

SB 148, relative to motorcycle inspections and relative to electronic inspection information. INEXPEDIENT TO LEGISLATE.
Rep. James W. Danforth for Transportation: This bill provided that “motorcycle only” inspection stations would be exempt from OBDII emission testing requirements. The committee feels that this issue has been addressed in other legislation. Vote 9-0.

SB 157-FN, relative to all terrain vehicles used for agricultural purposes. REFER FOR INTERIM STUDY.
Rep. Brenda L. Ferland for Transportation: The committee believes it was time to take a look at farm vehicles of all kinds and the plates connected to their usage. This may be the time to recodify. Vote 9-0.

SB 146-FN-A-L, establishing a civil legal services fund consisting of court filing fee surcharges for the purpose of establishing and operating a New Hampshire Legal Assistance office in Nashua and to provide for additional staff in other New Hampshire Legal Assistance offices. INEXPEDIENT TO LEGISLATE.
Rep. Shawn N. Jasper for Ways and Means: This bill was recommended as ought to pass with amendment at the end of last session; however it was reported out after the deadline and failed to receive the necessary two-thirds vote for consideration by the House. The components of the bill were deemed to be important and were included as amendments to HB 1 and 2. The essence of the Ways and Means amendment and those adopted in HB 1 and 2 was to create a pilot program to provide legal assistance for low income people and to fund it a level of $700,000 per year, through a penalty assessment. Vote 17-0.
Rep. Matarazzo declared a conflict of interest and did not participate.

COMMITTEE REPORTS – 2005 RETAINED BILLS
REGULAR CALENDAR

HB 37-FN, relative to health insurance coverage for full-time students on medical leaves of absence. OUGHT TO PASS WITH AMENDMENT.
Rep. Stephen B. Stepanek for Commerce: This bill, which has become known as “Michelle’s Law,” has been extensively reviewed by the committee. It is an important first step in eliminating short-
comings that allowed a seriously ill college student to be cancelled from the family’s health policy. The amendment ensures that health carriers will continue to cover these students for one year after they can no longer maintain their full-time status. Vote 18-0.

Amendment (0095h)
Amend RSA 415:5, I(3-a)(b) as inserted by section 1 of the bill by replacing it with the following:

(b) If the coverage for dependent children under subparagraph (3) includes coverage for dependent children who are full-time students beyond the age of 18, such dependent coverage shall include coverage for a dependent’s medically necessary leave of absence from school for a period not to exceed 12 months or the date on which coverage would otherwise end pursuant to the terms and conditions of the policy, whichever comes first. To establish entitlement to coverage under this subparagraph, documentation and certification of the medical necessity of a leave of absence shall be submitted to the insurer by the student’s attending physician; and Amend RSA 415:18, V(b) as inserted by section 2 of the bill by replacing it with the following:

(b) If the coverage for dependent children under paragraph IV includes coverage for dependent children who are full-time students beyond the age of 18, such dependent coverage shall include coverage for a dependent’s medically necessary leave of absence from school for a period not to exceed 12 months or the date on which coverage would otherwise end pursuant to the terms and conditions of the policy, whichever comes first. To establish entitlement to coverage under this subparagraph, documentation and certification of the medical necessity of a leave of absence shall be submitted to the insurer by the student’s attending physician.

AMENDED ANALYSIS
This bill extends health insurance coverage to full-time students on medical leaves of absence. Amendment adopted.
Committee report adopted and ordered to third reading.
Rep. Rogers Johnson declared a conflict of interest and did not participate.

HB 515, relative to group health insurance coverage for certain entities. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: REFER FOR INTERIM STUDY.
Rep. Stephen B. Stepanek for the Majority of Commerce: This bill adopts a new approach to the primary function performed by a purchasing alliance. The existing model is based on the concept of using a purchasing alliance to promote competition among carriers. The new model is based on the concept of using a purchasing alliance to foster competition based on value at the health care service level. This bill is not a “quick fix” or a “silver bullet.” If a group elects to form a purchasing alliance under this legislation, it will take 2 to 4 years before savings will be realized. This bill does not change any of the mandates or rating criteria adopted under SB 125 (Chapter 225, Laws of 2005). That is now the law that regulates the small group insurance market and this bill is designed to work hand in hand with SB 125. This bill does not limit the employer groups that can join a purchasing alliance to small employer groups. It allows any employer group, large or small, to join a purchasing alliance, provided that the group meets the alliance’s membership criteria. This bill provides that a purchasing alliance shall set membership criteria that allows any employer group to join, or alternatively, if it limits its membership to certain groups, that the limitation must be based on membership in an organization, entity or trade association that has been existence for at least 10 years and was created for purposes other than the provision of health coverage. The Chambers of Commerce, the Bar Association, the BIA, the Real Estate Association or other similar types of trade associations could form purchasing alliances for the exclusive benefit of their members under this bill. This bill does not require that a purchasing alliance contract with more than one carrier, or offer more than one benefit plan. This bill allows a purchasing alliance that has 3,000 or more covered lives to obtain certification as a qualified purchasing alliance by demonstrating that its membership criteria is not based on risk selection and that its health benefit plan or plans will promote more cost effective use of health care services by better aligning financial incentives with health care quality and efficiency. This bill provides that the provisions of RSA 420-G apply to coverage obtained through a qualified purchasing alliance. The application of this section to the coverage sold by a qualified purchasing alliance provides that coverage, whether sold to large or small employers through a qualified purchasing alliance, may be subject to guaranteed issue and guaranteed renewal. The intent of this bill is to create a structure that allows an
association or other entity or group to develop and implement a benefit plan that will drive down the costs of health care by improving the health of the employees in that group and by promoting the cost effective use of health care services. It is designed to create financial incentives that will accrue directly to the members of the group that succeed in effecting a reduction in cost due to improved use of health care services and disease prevention. It adopted a model for doing this similar to the model that successfully reduced workers’ compensation costs in New Hampshire. The committee overwhelmingly supports HB 515. Vote 15-2.

Rep. Marshall Lee Quandt for the Minority of Commerce: This bill, as amended, has not had a public hearing. After recently passing SB 125 (Chapter 225, Laws of 2005), the insurance industry and many brokers are asking that we give that time to settle down before going to another major program. It is short-sighted on our part and unfair to our constituents and the insurance industry. The minority of the committee believes we should not go forward with this bill, but give the insurance industry a chance to catch its breath and bring this bill back next year and allow for this major piece of legislation to go through the full process. Keep in mind that we were told that no other state has moved ahead in this direction. We felt that this is another major reason for the legislature to slow down the train that is pushing this legislation through the system.

Majority Amendment (0099h)

Amend the title of the bill by replacing it with the following:
AN ACT relative to purchasing alliances.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Purchasing Alliances. Amend RSA by inserting after chapter 420-K the following new chapter:

CHAPTER 420-L
PURCHASING ALLIANCES

420-L:1 Purpose. The purpose of this chapter is to:
1. Increase the affordability, efficiency, and fairness of health insurance coverage for employers by setting standards for the licensure and oversight of purchasing alliances through which employers and their employees may purchase health coverage.
2. Allow employers and their employees to obtain better value in purchasing health insurance by consolidating purchasing responsibilities and resources, thereby increasing purchasing expertise and reducing the administrative cost of health plan contracting, enrollment, premium collection, and payment for multiple employers.
3. Foster competition based on value.

420-L:2 Definitions. In this chapter:
I. “Commissioner” means the insurance commissioner.
II. “Eligible dependent” means “eligible dependents” as defined in RSA 420-G:2, V.
III. “Eligible employee” means “eligible employee” as defined in RSA 420-G:2, VI.
IV. “Employee enrollee” means an eligible employee, self-employed individual or an eligible dependent of an eligible employee who is enrolled in a health benefit plan offered through an alliance by a participating carrier.
V. “Health benefit plan” means “health coverage” as defined in RSA 420-G:2, IX.
VI. “Health carrier” means “health carrier” as defined in RSA 420-G:2, VIII.
VII. “Member employer” means an employer who enrolls in an alliance.
VIII. “Participating carrier” means a carrier that contracts with the alliance.
IX. “Purchasing alliance” means a non-risk bearing corporation or other entity licensed pursuant to RSA 420-G:10-a that provides health insurance coverage to member employers and their employees.
X. “Qualified purchasing alliance” means a purchasing alliance that has obtained certification from the commissioner under RSA 420-L:13 as a qualified purchasing alliance with authority to operate in the same manner as a qualified association trust pursuant to RSA 420-G:10.
XI. “Small employer” means “small employer” as defined in RSA 420-G:2, XVI.

420-L:3 Jurisdiction of the Commissioner; Penalties.
I. The commissioner shall regulate the establishment and conduct of purchasing alliances.
II. No person or entity, other than a qualified association trust, shall market, sell, offer, or arrange the sale of one or more health benefit plans to 2 or more employers or their eligible employees without first being licensed by the commissioner pursuant to this chapter.
III. A person or entity, not licensed by the commissioner as a purchasing alliance and engaged in the purchase, sale, marketing, or distribution of health insurance or health care benefit plans shall not hold itself out as a health insurance purchasing alliance, health insurance purchasing cooperative, or a health insurance purchasing association.

420-L:4 Purchasing Alliance Application and Licensing. To obtain authority to operate as a purchasing alliance, an application shall be completed and filed with the commissioner by an authorized representative of the corporation or other entity established to operate as a purchasing alliance. An application shall not be deemed filed until all information necessary to properly process the application has been received by the commissioner. Upon filing, the commissioner shall make a determination concerning the application and shall provide notice of the determination to the applicant. If approved, a copy of a license shall be provided to the purchasing alliance. The license shall serve as authorization to operate pursuant to this chapter.

420-L:5 Preparation of a Business Plan and Other Required Documents.

I. The application for a purchasing alliance shall include a business plan containing the following information:

(a) A detailed, written plan of operations explaining how the applicant intends to fulfill the purposes and requirements of this chapter;
(b) The specific steps that the alliance will use to increase affordability, efficiency, and fairness of health insurance coverage;
(c) The specific steps that the alliance will use to allow employers and their employees to obtain better value in purchasing health insurance;
(d) The scope of services to be offered and the resources and expertise to be used to implement and administer those services;
(e) A provision requiring that any coverage procured by the alliance shall require that the members of the alliance be notified directly by the insurer of cancellation due to nonpayment of premium;
(f) The personal biographical information and descriptions of the officers of the alliance;
(g) A written statement demonstrating that those involved in the operation of the alliance have the expertise and experience to effectively and professionally represent employers and their eligible employees; and
(h) An affirmative demonstration that financial controls are in place as a condition of licensure.

II. In addition to the business plan, each applicant shall file with the commissioner the following information or documents:

(a) A plan that affirmatively demonstrates that the alliance has the technical expertise and capacity to serve a significant group of employers and their eligible employees;
(b) A plan that demonstrates that the alliance has the technical capacity to provide service quality;
(c) The applicant’s articles of incorporation, bylaws or other formation and business operation documents;
(d) A list of officers and directors of the applicant and the contract administrator, if one is employed, and personal biographical information or firm descriptions for each;
(e) Evidence of security and prudence in the accounting, deposit, collection, handling, and transfer of moneys; and
(f) A description of the service area in which the alliance will be marketing and offering services.

III. Material changes in the operations or the business plan shall not take effect without approval from the commissioner.

IV. The commissioner shall conduct financial and performance audits or examinations of an alliance on a regular basis. The commissioner shall require audited financial statements from an alliance. The costs of examinations or audits shall be paid by the alliance.

V. A purchasing alliance shall submit an annual report no later than April 1 of each year that includes quarterly financial statements that shows:

(a) The alliance is operating in a sound financial fashion;
(b) The alliance is not a risk-bearing entity; and
(c) The alliance is utilizing sound financial controls and money management.
420-L:6 Revocation of License and Insolvency.
I. The following intentional acts shall constitute grounds for denial, non-renewal, suspension or revocation of an application or existing license, following notice and an opportunity for hearing:
   (a) Failure to comply with the provisions of RSA 420-G;
   (b) Failure to comply with the business plan filed and approved by the commissioner;
   (c) Failure to maintain adequate financial controls;
   (d) Failure to extend alliance health benefit plan coverage to eligible employees;
   (e) Failure to comply with a lawful order of the commissioner;
   (f) Engaging in an unfair or deceptive act or practice;
   (g) Filing any necessary form, including the application form, with the commissioner that contains false or materially incorrect information or omissions; or
   (h) Misappropriation, conversion, illegal withholding, or refusal to pay over upon proper demand any moneys that belong to a person or participating carrier and that have been entrusted to the alliance in its fiduciary capacity.
II. The commissioner shall require the removal and replacement of managerial or marketing staff or third party contractors if necessary to remedy compliance or performance problems.
III. In the event the alliance becomes insolvent, the commissioner shall place the alliance in receivership if necessary to protect the interests of alliance enrollees.
420-L:7 Powers and Duties of Purchasing Alliances; Restrictions on Purchasing Alliances.
I. A purchasing alliance shall:
   (a) Offer health benefit plans that are available to all member employers;
   (b) Establish administrative and accounting procedures for operating the alliance, for providing services to member employers and enrollees, and for preparing an annual budget;
   (c) Develop standard enrollment procedures for enrolling employers and their eligible employees and dependents;
   (d) Establish procedures for open enrollment periods;
   (e) Establish conditions of participation for small employers that conform to the requirements of RSA 420-G and include, but are not limited to, the following:
      (1) Assurances that the member employer is an employer group and is not formed for the purpose of securing health benefits coverage.
      (2) Prepayment of premiums or other mechanisms to assure that payment will be made for coverage;
      (f) Establish membership criteria that allow any employer to participate in the alliance or that limit participation to employers that are members of or affiliated with an association, trade group, or other entity that has been in existence for at least 10 years and was established and maintained for purposes other than the provision of health coverage;
      (g) Provide that each eligible employee is permitted to enroll in any health benefit plan offered by any participating carrier so long as the health benefit plan provides coverage where he or she works or lives;
      (h) Establish conditions of participation for participating carriers;
      (i) Develop and make available a list of objective criteria that shall be met by a participating carrier offering coverage to alliance members;
      (j) Establish conditions of participation for agents or brokers;
      (k) Provide to alliance members clear, standardized information on the health benefit plan including information on:
         (1) Price;
         (2) Benefits;
         (3) Enrollee costs;
         (4) Quality;
         (5) Patient satisfaction;
         (6) Enrollment; and
         (7) Grievance procedures and rights and responsibilities;
      (l) Transmit enrollment and eligibility information to participating carriers on a timely basis;
      (m) Specify in contracts with participating carriers how all premiums shall be transmitted and the frequency of that transmission and how penalties and grace periods on late payments of premiums shall be calculated;
(n) The alliance shall have a fiduciary duty with respect to all moneys received or owed to it to assure payments of its obligations and a full accounting to its members and the commissioner; and 
(o) Submit to the commissioner, quarterly financial statements, annual reports, and proposed material changes in the policy and/or operations of the business plan.

II. A purchasing alliance may:

(a) Receive, review, and act on grievances against participating carriers by member employers or enrollees;
(b) Require participating carriers to maintain health care data;
(c) Maintain a trust account or accounts for deposit of all moneys received and collected for the operation of the alliance;
(d) Establish procedures and mechanisms for billing and collection of premiums from member employers, including collection of any share of the premium paid by employee enrollees;
(e) Review information and recommendations from consumers, employers, participating carriers or health care providers and other sources, and issue periodic reports or recommendations to the commissioner to improve the delivery of health services and the purchasing of health coverage;
(f) Develop model contracts that describe for potential contractors the requirements of the alliance and provide a copy of the contract to interested carriers;
(g) Place into its contracts between the alliance and member employers the following:
   (1) A provision stating that, for administrative purposes, the alliance shall be the policyholder or contract holder of the health benefit plan on behalf of member employers, their eligible employees and eligible dependents; and
   (2) A provision stating that the participating carrier shall issue a certificate of coverage, or equivalent document, specifying the essential features of the health benefit plan’s coverage to each enrolled eligible employee;
(h) Undertake any activity necessary to administer the alliance, including marketing and publicizing the alliance, and assuring that participating carriers, contractors, participating employers, and enrollees are in compliance with alliance requirements;
(i) Establish contracts with participating carriers to provide health coverage to alliance members;
(j) Establish contracts with employer members;
(k) Contract with qualified, independent third parties for services necessary to carry out the powers and duties of the alliance;
(l) Appoint advisory committees, as necessary, to provide technical assistance in the operation of the program and in carrying out the purposes of this chapter;
(m) Assess member employers a fee for costs incurred or anticipated in connection with the operation of the alliance;
(n) Require as a condition of membership that employers include a minimum percentage of employees in coverage purchased through the alliance;
(o) Reject or allow a carrier to reject an employer from membership or drop or allow a carrier to drop a member employer if the member fails to pay premiums or engages in fraud or material misrepresentation in connection with a health benefit plan purchased through the alliance;
(p) Contract with licensed insurance agents or brokers to market and service coverage made available through the alliance to its members. Compensation for agents and brokers shall not vary based on the actual or expected health status or medical utilization of the group to which coverage is sold;
(q) Define a set of standardized requirements that the alliance shall use to purchase insurance from a carrier;
(r) Require that member employers and their eligible employees continue to pay administrative fees that are part of the contract with the alliance if a member employer or enrollee cancels prior to completion of a contract period or membership period established by the alliance;
(s) Negotiate the premium rates charged for coverage offered through the alliance and, for small employer members, ensure that rates are consistent with the rating restrictions contained in RSA 420-G;
(t) Request such information from participating carriers as is necessary to carry out the powers and duties of this chapter;
(u) Sue or be sued, including taking action necessary for securing legal remedies on behalf of the alliance, member employers, or enrollees;
(v) Apply for loans or loan guarantees from the New Hampshire business finance authority for the purpose of funding startup costs;

(w) Receive and accept loans, grants, funds, or anything of value from a public or private entity including:

(1) Employer premiums;
(2) Employer participation fees;
(3) Employer late fees;
(4) Employer reinstatement fees;
(5) Agent and broker fees paid by the employer;
(6) Interest earned on accounts;
(7) Funds paid by the participating carriers for a pooled marketing effort;
(8) Public sector and private sector grants, gifts, loans, or donations; or
(9) Other lawful sources;

(x) Receive and accept contributions of property, labor, or any other thing of value;

(y) Expend funds to pay:

(1) Participating carriers under their contracts;
(2) Third parties for services provided under contract;
(3) Employer billing adjustments;
(4) Agent and broker fees;
(5) The alliance’s administrative expenses; and
(6) All other expenditures duly authorized by the board;

(z) Exercise all powers reasonably necessary to carry out the powers granted and duties imposed under this chapter; and

(aa) Enter into all other contracts as are necessary to carry out the powers and duties of the alliance.

III. A purchasing alliance shall not:

(a) Purchase health care services directly, assume risk for the cost or provision of health care services, or otherwise contract with health care providers for the provision of health care services to enrollees.

(b) Exclude from membership in the alliance an employer, eligible employee, or eligible dependent of an eligible employee who meets the alliance’s membership criteria and who agrees to pay fees for membership and the premium for health coverage through the alliance and who abides by the bylaws and rules of the alliance.

(c) As a condition of membership, require an employer, eligible employee, or eligible dependent to subscribe to limited health coverage or non-health coverage related products or services.

(d) Engage in any act or practice that results in the selection of member employers and enrollees based on industry type, experience, gender, family status, education, health status, income, employer size, or other factors related to the risk profile of the group.

(e) Require or take any action inconsistent or in conflict with state laws or regulations.

420-L:8 Contracts with Participating Carriers.

I. The contracts entered into by the alliance shall:

(a) Establish performance standards for specific contractual elements;
(b) Set liquidated damages for breach of the contract;
(c) Require the insurer to notify the member employers of cancellation of the policy;
(d) Require the member employers in the event of cancellation to arrange for continuation coverage for their employees to the extent provided under federal and state law; and
(e) Contain a provision stating that if after timely receipt of the premium payment from the employer, the alliance fails to make the premium payment to the insurer, with the result that coverage is terminated, that the alliance shall be liable for benefits to the same extent as the insurer or carrier would have been liable if coverage had not been terminated.

420-L:9 Requirements for Participating Carriers.

I. To qualify as a participating carrier, a carrier shall demonstrate the following characteristics:

(a) That it is licensed and in good standing with the insurance department;
(b) That it has the ability to administer health coverage, to provide adequate service, and to comply with all contractual requirements of the alliance;
(c) That it has the ability to provide enrollees with access to covered services;
(d) That it has the ability to provide coverage for enrollees in any service area in which the carrier plans to participate through the alliance;
(e) That it has the ability to arrange and pay for quality health care services;
(f) That it has the ability to provide standard data required by the alliance, in a manner prescribed by the alliance, including information on:
   (1) Plan performance;
   (2) Enrollee satisfaction;
   (3) Provider payment and incentive structures; and
   (4) Such other data requirements prescribed by the alliance;
(g) That it has the ability to meet quality of care standards established by government and industry authorities; and
(h) That it is financially strong and has competent management.
II. Participating carriers that contract with or employ health care providers shall have the ability to accomplish the following in a manner satisfactory to the alliance:
   (a) Review and report on the cost and quality of care covered;
   (b) Review and report on the appropriateness of care covered; and
   (c) Provide accessible health care services.
III. Each participating carrier shall:
   (a) Meet the standards established by the alliance pursuant to this chapter;
   (b) Provide data and information as required by the alliance;
   (c) Comply with all laws and rules regarding underwriting, rating, claims handling, sales, solicitation, licensing, fair marketing, unfair trade practices, the provisions of this chapter, and other applicable state statutes;
   (d) Enroll and terminate individuals in the manner specified by the alliance; and
   (e) Comply with other requirements established by the alliance pursuant to this chapter.
IV. Nothing in this chapter shall prohibit participating carriers from contracting with particular health care providers or types, classes, or categories of health care providers, or setting reimbursement methodology.
V. In the event that the participating carrier elects to terminate its contract with the alliance, the participating carrier shall:
   (a) Provide advance notice of its decision to the alliance; and
   (b) Provide notice of the decision at least 180 days prior to the non-renewal of health coverage to the member employers and employee enrollees.
420-L:10 Marketing Health Benefit Plans.
I. The alliance shall establish marketing standards for use by participating carriers.
II. Any marketing, advertisement, or educational material for health coverage sold through the alliance shall be approved by the alliance prior to its use.
III. The alliance shall make approved marketing materials available to member employers in an efficient and standardized manner. These materials shall include, but not be limited to, an accurate summary of benefit plans, rates, cost, and accreditation information relating to the offerings of the participating carrier.
IV. This section shall not be construed to prohibit or to compel the alliance or a participating carrier from using the services of an agent or broker.
420-L:11 Conflict of Interest. No officer or board member or director or contract administrator of a purchasing alliance or members of their households may be employed by, be a consultant for, be a member of the board of directors of, or be affiliated with, or otherwise be a representative of a carrier or other insurer. This section shall not preclude an officer or board member or director or contract administrator of a purchasing alliance from purchasing health coverage through the alliance.
420-L:12 Purchasing Alliance Distinguished From Multiple Employer Welfare Arrangement. Purchasing alliances shall not be risk bearing entities, and shall not enter into a self-insured arrangement.
420-L:13 Qualified Purchasing Alliance.
I. A purchasing alliance that has a minimum of 3,000 enrollees may elect to obtain certification from the commissioner as a qualified purchasing alliance. To obtain certification, a purchasing alliance shall demonstrate:
(a) Either that it is open to all employers without discrimination or, if participation is based on membership in or an affiliation with an association, trade group or other entity, that the entity has been in existence for at least 10 years and was established and maintained for purposes other than the provision of health coverage; and
(b) That the health benefit plan or plans offered to its members and the provider payment policies associated with those plans will promote more cost effective use of health care services by providing a better alignment of financial incentives with:

1. Health care quality improvement and efficiency; and
2. Health promotion and disease prevention.

Amend RSA 420-G:10 to read as follows:

2. Qualified Associated Trust. Amend RSA 420-G:10 Qualified Association Trust and Qualified Purchasing Alliance.

I. A qualified association trust or other entity, as defined in RSA 420-G:2, XV, and a qualified purchasing alliance, as defined in RSA 420-L:2, X, shall:

(a) Comply with the rating restrictions outlined in RSA 420-G:4 for all small employer members with 50 or fewer employees based upon the association’s or alliance’s group experience, except that for a qualified association trust, no rating factor shall be utilized without the express written consent of the association.

(b) Offer all eligible members, as defined under the applicable trust or other documents, coverage and rates on a guaranteed issue and renewable basis.

(c) Comply with the regulations concerning medical underwriting in RSA 420-G:5.

(d) Comply with the preexisting conditions provision of RSA 420-G:7.

II. Nothing in this chapter shall be interpreted to limit the size of employers who may participate in coverage with a qualified association trust or a qualified purchasing alliance.

3. Repeal. The following are repealed:

I. RSA 420-G:2, XIV-a, relative to definition of purchasing alliance.
II. RSA 420-G:10-a, III and IV, relative to purchasing alliances.

4. Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a law governing purchasing alliances which may be formed for the purposes of purchasing health insurance.

Majority committee amendment adopted.

The question now being adoption of the majority committee report.

Reps. Kathleen Taylor and Sheila Francouer spoke in favor.

Rep. Stepanek spoke in favor and yielded to questions.

(Deputy Speaker Weyler in the Chair)

Rep. Sheila Francouer requested a roll call; sufficiently seconded.

and the majority committee report was adopted. Ordered to third reading.

HB 703-FN, relative to advertisement of prescription drugs and establishing the pharmaceutical marketing disclosure law. INEXPEDIENT TO LEGISLATE.

Rep. James R. Martin for Commerce: This bill would prohibit the advertising of any prescription drug or device. As such, it is most likely in violation of the First Amendment to the United States Constitution. Commercial speech is protected under that amendment and this bill would violate that amendment. The bill also would require annual reports by pharmaceutical manufacturers with the Secretary of State of all marketing and advertising expenses. This bill would also require every pharmaceutical manufacturing company to file an annual report with the Secretary of State listing the value, nature and purpose of any gift, fee, payment, subsidy or other economic benefit provided in connection with detailing, promotion and other marketing activity, including advertising, to any physician, hospital, nursing home, pharmacist, or any other person authorized to prescribe, dispense or purchase prescription drugs. As such, the bill requires the listing of all marketing and other advertising expenses to virtually everyone, including individuals who purchase prescription drugs. The bill also provides for a penalty of $10,000.00 for each violation. This bill would increase, not decrease, the cost of medicine. Although the purpose of the bill is nowhere stated, the sponsors probably assume that a reduction in marketing and advertising expenses will result in the pharmaceutical manufacturers lowering their prices for prescription drugs. However, no evidence was presented to justify this assumption. Indeed, if the bill passed and resulted in less marketing and advertising in New Hampshire, the funds not spent in New Hampshire might well be expended in neighboring states or used for unrelated purposes. Many physicians learn of new drugs and the side effects of drugs from detail men and women who visit doctors since many doctors do not have time to read clinical studies. The Pharmaceutical Research and Manufacturers of America and many pharmaceutical manufacturers have adopted guidelines which prohibit improper payments to health care professionals. In addition, the Health and Human Services Office of the Inspector General has issued mandatory marketing guidelines enforced by the Department of Justice. New Hampshire need not legislate another layer of regulation. Eliminating or severely curtailing detailing, marketing and advertising in New Hampshire would harm the New Hampshire economy. Vote 15-4.

On a division vote, 264 members having voted in the affirmative and 96 in the negative, the committee report was adopted.

HB 627-FN, relative to raising the age of minority for juvenile delinquency proceedings from 17 to 18 years of age. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Patricia A. Dowling for the Majority of Criminal Justice and Public Safety: This bill restores seventeen year olds who commit crimes to the juvenile justice system. If a serious crime is charged, the seventeen year old can be certified as an adult. Based on testimony and discussion the majority of the committee believes that seventeen year old offenders should be required to stay in school, adhere to strict disciplines, get proper counseling and continue monitoring. A seventeen year old, now considered as an adult, currently receives few, if any, of these services. These services will be provided within the juvenile justice system. Vote 10-5.

Rep. John E. Tholl for the Minority of Criminal Justice and Public Safety: The minority of the committee believes that this bill is ill advised for numerous reasons. The proponents of the bill stated that seventeen year olds are being sentenced to a period of incarceration and do not receive the necessary education (finish high school). Contrary to that assertion, a former correctional
superintendent stated that he had a program for inmates to receive their GED’s that included a graduation ceremony with cap and gowns. A seventeen year old sentenced to the state prison would be assigned to the Granite State High School and receive a full high school diploma upon graduation. The claim was made that a person sentenced to the Youth Development Center would have a better chance at rehabilitation and would thereby reduce recidivism. Unfortunately, there are no statistics that indicate that a person sentenced to the YDC have or have not committed other offenses after release, as their juvenile records are not available. Experienced police officers related personal knowledge of circumstances concerning persons committed to the YDC having later committed crimes as adults, dispelling the myth that YDC works as a rehabilitation tool in every case. In questioning the statistics offered by the proponents it was not possible to determine the crimes for which the twenty-nine seventeen year olds who were currently in the county jails had committed or for which crimes they had been convicted. The only specific crime that was indicated was violation of parole. A violation of parole indicates a conviction for a felony which means the individual had been incarcerated in the state prison. The fiscal note indicates that passage of this bill would increase expenditures by $3,000,000.00 for the first year, $3,700,000.00 for the next year and approximately the same for each additional year. That adds approximately $7,300,000.00 to the biennium. This does not take into account the monies that need to be raised by the counties (transportation increases) and municipalities.

Majority Amendment (0204h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to including persons 17 years old in the juvenile justice system.
Amend the bill by replacing section 19 with the following:
19 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS
This bill includes persons 17 years of age in the juvenile justice system. Majority committee amendment adopted.

The question now being adoption of the majority committee report.
Reps. Tholl and Winchell spoke against.
Reps. Charron and Dowling spoke in favor and yielded to questions.

(Speaker Scamman in the Chair)
Rep. Bicknell requested a roll call; sufficiently seconded.

and the majority committee report was adopted.  
Referred to the committee on Finance. |
HB 100-FN-A-L, establishing an education equity index to provide state education assistance to municipalities. OUGHT TO PASS WITH AMENDMENT.

Rep. Nancy F. Stiles for Education: This bill provides the technical correction necessary to HB 616 (Chapter 257, Laws of 2005), the education funding bill passed last session, in which the legislative intent was to eliminate all donor towns. HB 100, as amended, received unanimous support of the committee and has the support of the Speaker of the House and the President of the Senate. Vote 20-0.

Amendment (0162h)

Amend the title of the bill by replacing it with the following:

AN ACT amending the formula for funding public education.

Amend the bill by replacing all after the enacting clause with the following:

1 School Money: Determination of Grants and Excess Tax. Amend RSA 198:41 to read as follows:

I. For each municipality the department of education shall determine the total education grant as follows:

(a) For the fiscal years beginning July 1, 2005 and July 1, 2007, add the amounts determined in RSA 198:40-a, RSA 198:40-b, and RSA 198:40-c for each municipality. Such amount shall also be used to determine a municipality’s grant in the second year of such bienniums.

(b) (1) For the fiscal year beginning July 1, 2005, if a municipality’s education grant as determined in subparagraph (a) is less than 85 percent of the education grant determined for such municipality for the fiscal year beginning July 1, 2004, under the version of RSA 198:41 in effect on July 1, 2004, then the municipality shall receive a transition grant equal to the excess of 85 percent of the education grant determined for such municipality for the fiscal year beginning July 1, 2004 over the municipality’s grant determined in subparagraph (a).

(2) For the fiscal year beginning July 1, 2006, an eligible municipality shall receive the same amount as determined under subparagraph (b)(1).

(c) (1) For the fiscal year beginning July 1, 2007, if a municipality’s education grant as determined in subparagraph (a) is less than 85 percent of the municipality’s education grant determined in subparagraph (b), then the municipality shall receive a transition grant equal to the excess of 85 percent of the education grant determined for such municipality for the fiscal year beginning July 1, 2006 over the municipality’s grant determined in subparagraph (a).

(2) For the fiscal year beginning July 1, 2008, an eligible municipality shall receive the same amount as determined under subparagraph (c)(1).

(d) The total education grant shall be the sum of subparagraphs (a), (b), and (c).

(e) The department of education shall notify municipalities of the estimated amounts of grants by the November 15 which precedes the fiscal year for which aid is determined.

II. Annually, and in conjunction with setting tax rates under RSA 21-J:35, the department of revenue administration shall determine the amount of excess enhanced education tax for each municipality as follows:

(a) If the average daily membership of the determination year is 2 or less, zero.

(b) If the average daily membership of the determination year is greater than 2, then the amount of the excess enhanced education tax to be remitted pursuant to RSA 198:46 shall be the greater of: revenues from all applicable sources including the municipality’s equitable education grant, but excluding the statewide enhanced education tax assessment, shall be subtracted from the total school appropriation, including appropriations of village districts for school purposes, for the year for which the tax rate is being set. If the resulting balance is:

(1) [Zero] or
Greater than the statewide enhanced education tax assessment, then the excess statewide education tax shall be zero.

(2) [The remainder when the determination year local tax assessed for schools pursuant to RSA 76:8 and the determination year statewide enhanced education tax that was not excess remitted to the state is subtracted from the statewide enhanced education tax to be assessed in the year for which aid is being calculated] Less than the statewide enhanced education tax assessment, then the balance shall be subtracted from the statewide enhanced education tax assessment. The remainder shall be excess statewide enhanced education tax to be remitted under RSA 198:46.

III. [The department of education shall notify municipalities of the estimated amounts of grants and excess statewide enhanced education tax payments by the November 15 which precedes the fiscal year for which aid is determined:}
IV. For the year in which aid is being calculated] Total state aid for an equitable education shall be the sum total of [all] grants in paragraph I; plus the sum total of the statewide enhanced education tax assessed pursuant to RSA 76:8, less the total amount of excess statewide enhanced education tax [to be] remitted pursuant to RSA 198:46.

2 New Subparagraph: Determination of Excess Enhanced Education Tax Payments; Version Effective July 1, 2009. Amend RSA 198:41, I, as inserted by 2005, 257:8, by inserting after subparagraph I(b) the following new subparagraph:

(c) The department of education shall notify municipalities of the estimated amounts of grants by the November 15 which precedes the fiscal year for which aid is determined.

I. [The department of revenue administration shall annually determine a municipality’s statewide enhanced education tax liability pursuant to RSA 198:41:] Any excess statewide enhanced education tax shall be remitted to the department of revenue administration on or before March 15 of the tax year in which the excess occurs.

II. The commissioner of the department of revenue administration shall [calculate and] collect from the municipality the excess tax and pay the excess tax over to the state treasurer for deposit in the education trust fund established by RSA 198:39.

III. The amount of such excess to be remitted shall not include any income derived from the investment of funds by the municipal treasurers under RSA 41:29 and RSA 48:16. Any funds remaining after full payment of the excess tax required in paragraph I shall become available for unrestricted use by the municipality.

4 Assessment and Abatement of Taxes; Commissioner’s Warrant. Amend RSA 76:8, II to read as follows:

II. The commissioner shall issue a warrant under the commissioner’s hand and official seal for the amount computed in paragraph I to the selectmen or assessors of each municipality by December 15 directing them to assess such sum and pay it to the municipality [for the use of the school district or districts and, if there is an excess statewide enhanced education tax payment due pursuant to RSA 198:46, directing them to assess the amount of the excess payment and pay it to the department of revenue administration for deposit in the education trust fund]. Such sums shall be assessed at such times as may be prescribed for other taxes assessed by such selectmen or assessors of the municipality.

5 Cooperative School Districts; Certification of District Taxes. Amend RSA 195:14, I(c)-(d) to read as follows:

(c) The commissioner of revenue administration shall certify to the state department of education the [total] amount to be apportioned among the pre-existing school districts. [Such total] This amount shall [include] be the balance before the equitable education [cost for the district and the amount above the cost of an equitable education to be assessed and collected as local educational taxes] grant revenues are applied.

(d) Unless the provisions of RSA 195:14-a are adopted, the state department of education shall determine [the] each municipality’s proportional share of the [costs above an equitable education to be assessed as local education taxes] net appropriation after application of the grants as follows:

(1) First, the department shall determine each pre-existing district’s proportional share of the [total] amount to be apportioned based on the cooperative school district formula.

(2) Second, the department shall then deduct each pre-existing school district’s equitable education [cost from its proportional share of the total amount to be apportioned] grant.

(3) Third, the department shall notify the commissioner of revenue administration of its determinations:

(4) If the resulting amount [determined in subparagraph (2) for any pre-existing district] is less than zero, the department shall reduce the equitable education grant [payable to the cooperative district under RSA 198:42] under RSA 198:41 by the difference [between the amount determined in subparagraph (1) and the pre-existing district’s equitable education cost].

(4) The department shall notify the commissioner of the department of revenue administration of its determination.

6 Cooperative School Districts; Alternative Method of Apportioning Operating Costs. Amend RSA 195:14-a, I to read as follows:
I. As an alternative to the apportionment of operating costs set forth in RSA 195:14, the cooperative school board may fix a specific percentage of the state equitable education grant amount received in a given year to be applied to the operating costs of the cooperative school district, before the apportionment of remaining cooperative school district operating costs. Such percentage shall not be less than zero percent and not more than 100 percent and shall be the same in each city or town in the cooperative school district.

7 Applicability. Upon the effective date of this act, any excess statewide enhanced education tax remitted to the state by a municipality for the tax year ending March 31, 2006 shall be refunded or adjusted, as the case may be, in accordance with the provisions of this act. Any expenditure of such refund by a municipality shall comply with RSA 31:95-b.

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill amends the calculation and reporting of the statewide enhanced education tax. Amendment adopted.

Committee report adopted and ordered to third reading.

HB 356, relative to the presentation of a budget in a joint maintenance agreement. INEXPEDIENT TO LEGISLATE.

Rep. John L. Ward for Education: The committee decided this is a local issue and should be resolved locally. Additionally, as a committee we were concerned with the policy of mandating RSA 32, the Municipal Budget Law, without a full hearing in the appropriate committees. Vote 14-4. Committee report adopted.

HB 646-FN-L, proposing a definition of an adequate education. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Stephen R. L’Heureux for the Majority of Education: The non-germane amendment to this bill grew out of a concern statewide surrounding the designation of a “Highly Qualified Teacher.” Following House Rules, a public hearing was noticed and held on November 10, 2005. Following the public hearing, it was announced an ad hoc committee would meet the following week to work out any details of the amendment. The amendment accomplishes four goals. One, it establishes that once a teacher receives a designation of HQT, that designation is portable in New Hampshire. Two, it states that a teacher shall not be “non-renewed” solely on the basis of not having enough time to earn HQT. Third, it establishes a commission to monitor the HQT situation, and fourth, it sunsets all components September 2007. Vote 14-3.

Rep. Clifford A. Newton for the Minority of Education: It was unclear if there is any real emergency or need for this legislation since nowhere in No Child Left Behind or the Highly Qualified Teachers portion of it, does it state or require that a teacher shall be dismissed if they fail to attain the HQT designation. This is an administration decision and should be left as such. New Hampshire had a chance to reach for the stars in setting high standards for its teachers, yet chose to be anchored down in mediocrity. Because our founding fathers felt that government should be slow and deliberate, this fast and furious amended bill mandating protection that isn’t necessary should be voted down.

Majority Amendment (0190h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to teachers who are not deemed highly qualified pursuant to the No Child Left Behind Act.

Amend the bill by replacing all after the enacting clause with the following:

I New Section: Highly Qualified Teachers. Amend RSA 189 by inserting after section 14-g the following new section:

189:14-h Highly Qualified Teachers.

I. Teachers and paraprofessionals who meet the highly qualified criteria required under the No Child Left Behind Act shall be deemed highly qualified in all New Hampshire school districts.

II. No teacher or paraprofessional shall be dismissed or nonrenewed solely for failure to meet the highly qualified criteria under the No Child Left Behind Act, provided such teacher or paraprofessional possesses a valid license or certification issued by the department of education.

III.(a) There is hereby established a highly qualified teacher oversight commission to monitor the progression for opportunities to attain the highly qualified teacher designation. The commission shall consist of the following members:
(1) Four members from the house education committee, appointed by the speaker of the house of representatives.
(2) Two members from the senate education committee, appointed by the president of the senate.
(3) The commissioner of the department of education, or designee.
(4) A representative from the New Hampshire School Boards Association, appointed by such association.
(5) A representative from the New Hampshire School Administrators Association, appointed by such association.
(6) A representative from the National Education Association-New Hampshire, appointed by such association.

(b) The commission shall monitor the progression for opportunities to attain the highly qualified teacher designation.
(c) The commission shall elect a chairperson from among its members. The first meeting of the commission shall be called by the first-named house member, and shall be held no later than 45 days from the effective date of this section. Six members of the commission shall constitute a quorum.
(d) Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.
(e) The commission shall meet at least 3 times a year. Progress reports from such meetings shall be made to the chairpersons of the house and senate education committees for distribution to the committee members. The commission shall submit a final report detailing its findings and any recommendations for legislative changes to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, and the state library no later than September 1, 2007.

2 Repeal; 2007. RSA 189:14-h, II-III, relative to dismissal or nonrenewal of certain teachers and relative to the highly qualified teacher oversight commission, are repealed.

3 Effective Date.
I. Section 2 of this act shall take effect September 1, 2007.
II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:
I. Provides that teachers and paraprofessionals who meet the highly qualified criteria required under the No Child Left Behind Act shall be deemed highly qualified in all New Hampshire school districts.
II. Provides that, through September 1, 2007, no teacher or paraprofessional shall be dismissed or nonrenewed solely for failure to meet the highly qualified criteria under the No Child Left Behind Act if such teacher or paraprofessional possesses a valid license or certification issued by the department of education.
III. Establishes a highly qualified teacher oversight commission which is repealed on September 1, 2007.

Majority committee amendment adopted.

The question now being adoption of the majority committee report.
Rep. Stephen L’Heureux spoke against and yielded to questions.

LAID ON THE TABLE

Rep. Stiles moved that HB 646-FN-L, proposing a definition of an adequate education, be laid on the table.
Adopted.

RECESS

The House recessed at 12:55 p.m.

(Speaker Scamman in the Chair)

The House reconvened at 2:10 p.m.

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled Senate Bill numbered 392.
Rep. Currier, Sen. Clegg for the Committee
REFERRAL TO COMMITTEE
The Chair referred HB 254-FN, establishing lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow and bolt licenses, to the committee on Finance.

MOTION TO VACATE
Rep. Dokmo moved that the House vacate the reference of HB 1354, relative to physical force in defense of a person, to the committee on Judiciary.
Motion adopted.
The Speaker referred HB 1354, relative to physical force in defense of a person, to the committee on Criminal Justice and Public Safety.

REGULAR CALENDAR (CONT’D.)
CACR 21, relating to the term of office for governor. Providing that beginning with the 2010 general election, there shall be a 4-year term of office for governor. INEXPEDIENT TO LEGISLATE.
Rep. Thomas J. Langlais for Election Law: The majority believes that a two year term for governor works well. Voters are able to review a governor’s performance, as they do for all elected state officials, every two years thus providing accountability to the voter. These two year terms better ensure an appropriate level of integrity and competency of elected officials.
Vote 13-5.
Reps. Keans and David Campbell spoke against.
Rep. Buco spoke in favor and yielded to questions.
Reps. Langlais and Mirski spoke in favor.
Rep. David Campbell requested a roll call; sufficiently seconded.

and the committee report was adopted.

HB 184, eliminating straight ticket voting. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Michael G. Biundo for the Majority of Election Law: The majority believes that the straight ticket voting option available to voters provides an opportunity to all voters to simplify the marking of that voter's ballot when the action the voter wishes to take is to vote for all the candidates on the ballot that are of a single party. This option does not prevent a voter from voting for any candidate of another party when desired. Straight ticket voting does not contribute to recounts. Vote 12-6.

Rep. Claudia A. Chase for the Minority of Election Law: The straight ticket was originally designed to accommodate illiteracy by using symbols to represent political parties. Complicated
instructions on our current ballot leads to voter confusion. Interpretation of a voter’s intent when a 
straight party vote is indicated but a mark is made beside the name of a candidate of a different party 
is inconsistent. The need for recounts is frequently due to straight ticket voting and interpretation. 
Reps. Vaillancourt and Claudia Chase spoke against. 
Rep. Buzzell requested a roll call; sufficiently seconded.

and the majority committee report was adopted.

HB 380, relative to absentee voting. OUGHT TO PASS WITH AMENDMENT.

Rep. Keith D. Hirschmann for Election Law: This bill as amended provided a new title and will become new section of RSA 657:21-a: Absentee Voting, Special Assistance to Emergency Service Workers. The legislation will allow first responders (fire, police, National Guard, Red Cross workers, utility workers) and others determined by Emergency Management and the Department of Safety to vote by absentee ballot. The Secretary of State will ensure delivery and collection of first response absentee ballots. Vote 18-0.

Amendment (0059h)

Amend the bill by replacing section 1 with the following:

1 New Subdivision; Absentee Voting: Special Assistance to Emergency Services Workers.

Amend RSA 657 by inserting after section 21 the following new subdivision:

Special Assistance to Emergency Services Workers

657:21-a Special Assistance to Emergency Services Worker.

1. If an emergency services worker receives notice after noon on the Friday before any state election that he or she is being called into service under circumstances that will prevent that person from obtaining an absentee ballot before leaving and from voting in person at the polls on election day, upon notification that such a call-out has occurred, the secretary of state with assistance from the attorney general and the department of safety shall make every reasonable effort to cause absentee ballot request forms, absentee ballots, absentee affidavits, and any other materials necessary to vote to be transported to the emergency services workers and to be returned to town or city clerk of each voter’s town or ward.
II. For the purposes of this section, “emergency services worker” shall include law enforcement, emergency medical services personnel, firefighters, members of the New Hampshire national guard, utility workers, employees or volunteers for the American Red Cross, and any other emergency worker declared such by the bureau of emergency management in the division of emergency services, communications, and management, department of safety.

III. For the purposes of this section “every reasonable effort” includes, but is not limited to:

(a) Employing local, county, or state law enforcement to transport ballots, affidavits, and other necessary materials to and from the site in New Hampshire where emergency services are temporarily housed, staged, or deployed for an in-state emergency.

(b) Causing ballots, affidavits, and other necessary materials to be transported by the United States mail or commercial overnight courier to and from an out-of-state site where emergency services workers are temporarily housed, staged, or deployed for an out-of-state emergency.

IV. For the purposes of this section “circumstances that will prevent that person from voting in person at the polls on election day” shall include deployment to any disaster that has been declared by the President of the United States or the governor of New Hampshire.

V. Notwithstanding any provision of the law to the contrary, any ballot returned to a polling place pursuant to this section which arrives before the polls are closed shall be processed according to law and if found otherwise in conformance with law shall be counted.

VI. If, in the judgment of the secretary of state, time does not permit obtaining and transporting the local ballot for each emergency services worker, the secretary of state may prepare and issue a statewide-offices-only absentee ballot for the purposes of this section.

VII. The secretary of state, in cooperation with the department of safety and the attorney general, shall develop procedures for implementing this section. The procedures shall include publication of an emergency telephone number available 24 hours daily during the period covered by this section, to allow after-hours and weekend notification to the secretary of state that his section is being invoked. Suitable information on the availability of this section shall be made available to persons covered by this section.

VIII. The public agency or employer of emergency services workers responsible for making call-outs subject to the provisions of this section shall provide the secretary of state with the name and domicile address of each person called out and an address where an absentee ballot may be delivered on the Saturday, Sunday, or Monday prior to the election at the site of the emergency.

IX. If the costs of executing this section at any election exceed $500, the secretary of state shall certify the same to the state treasurer, and prepare a manifest to authorize the state treasurer to make payments from funds not otherwise appropriated. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

AMENDED ANALYSIS

This bill establishes special absentee voting procedures for emergency services workers who are unable to vote in person because they have been deployed to a disaster.

Amendment adopted.

Committee report adopted and ordered to third reading.

*HB 501*, relative to proving qualifications to vote, requiring identification to obtain a ballot, and relative to citizenship on New Hampshire identifications. **ought to pass with amendment.**

Rep. William L. O’Brien for Election Law: When a person is seeking to register to vote and does not have sufficient evidence of citizenship or domicile to determine qualification on either basis under RSA 654:12, election officials shall accept citizenship or domicile affidavits as that evidence. The statute as it now reads appears to assume, but does not expressly state, that this information has to be accurate in order for the ballot cast by the voter to be valid. This bill as amended, makes this assumption clear by stating that all qualifying information given in one of these affidavits has to be accurate for the vote to be valid. By limiting the requirements to vote, inconsequential, minor errors in the affidavits will not invalidate a vote. Vote 11-3.

**Amendment (0207h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to citizenship and domicile affidavits.

Amend the bill by replacing all after the enacting clause with the following:
1 New Paragraph; Voter Registration; Determining Qualifications of Applicant; Affidavits. Amend RSA 654:12 by inserting after paragraph II the following new paragraph:

III. All information establishing the qualification of the affiant to vote that is provided in a citizenship affidavit or a domicile affidavit presented under this section must be accurate for the resulting vote to be valid.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill declares that information provided in a citizenship or domicile affidavit must be accurate for the resulting vote to be valid.

Amendment adopted.

The question now being adoption of the committee report. Rep. Cali-Pitts requested a roll call; sufficiently seconded.

RECESS

The Speaker announced a brief recess.

(Speaker Scamman in the Chair)

The Speaker reconvened the House session.

REGULAR CALENDAR (CONT’D.)

SB 206-FN, relative to the state code of ethics and establishing an executive ethics commission.

MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Michael D. Whalley for the Majority of Election Law: This bill as amended will establish an Executive Branch Ethics Committee made up of seven members, three of whom shall be nomi-
nated by the Governor, no more than two of whom shall be of the same political party and one of whom shall be an attorney and member of the New Hampshire Bar Association. Two members shall be nominated by the Secretary of State and not be of the same political party and two members shall be nominated by the Treasurer and not be of the same political party. All nominations shall be confirmed by the Governor and Executive Council. Committee members shall have staggered three year terms. This amendment would recodify RSA 15-B, relative to gifts, honorariums and expense reimbursements, by among other things, prohibiting gifts with a value greater than ten dollars and money in any amount. This bill would not prohibit political contributions, commercially reasonable loans, ceremonial objects or awards with a value of less than fifty dollars, objects which primarily serve an informational purpose, gifts where the donor’s act of giving is purely private and personal in nature and would have been given and received even if the person were not an elected official, public official, public employee, constitution 1 official or legislative employee, wages, salary and benefits, tickets or free admission to a charitable, ceremonial or political event and meals and beverages consumed in the course of official business. This bill as amended would also make changes to the financial disclosure requirement for public officials under RSA 15-A by more adequately defining persons required to file, how and when they would file and create more uniform forms for those filing. Changes would also be made to RSA 15-A relative to lobbyists by more appropriately defining lobbying to also include lobbying before the executive branch of government and to require lobbyists to report all fees received for all purposes, not merely what is left after expenses or the removal of payments that are claimed to relate to other matters. SB 206 would also place restrictions on simultaneous employment by prohibiting a lobbyist from serving at the same time as a public employee as defined by RSA 15-B:2, IX. It is important to point out that this prohibition shall not apply to service on a commission, committee, board, panel, advisory committee or other similar governmental entity that is subject to the public meeting and notice requirements of RSA 91-A, the Right to Know Law. This prohibition would also not apply to a public employee or appointee or volunteer testifying at a public hearing or making public comment. This bill as amended would also require that the chairperson and vice-chairperson shall be elected from among the legislative members of the committee. Vote 11-6.

Rep. James R. Splaine for the Minority of Election Law: It is not appropriate for the majority of the Executive Branch Ethics Committee to be appointed by the constitutional officers who are elected by, and thus beholden to, the legislative branch. We believe we should continue to follow the traditional well-proven procedure of the majority of the members of commissions to be nominated by the Governor with the confirmation of the Executive Council. The minority further believes that volunteers of all kinds will be discouraged by this bill. Volunteers are essential to the cost-effective and efficient operation of our state government. Instead of discouraging such volunteer participation in the executive branch, we should welcome it. We should require that volunteers not try to unduly influence government, and we should hold them accountable to the same code of ethics as other members of the executive branch.

**Majority Amendment (0238h)**

Amend the title of the bill by replacing it with the following:

AN ACT establishing an executive branch ethics committee and recodifying RSA 15 relative to lobbyists, RSA 15-A relative to financial statements, and RSA 15-B relative to gifts, honorariums and expense reimbursements.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; et al: 21 by inserting after paragraph II the following new paragraph:

II-a. “Executive branch official” includes every elected official as defined by RSA 15-B:2, III, who holds an executive branch office, every public official as defined by RSA 15-B:2, X and every public employee as defined by RSA 15-B:2, IX.

2 Code of Ethics; References to Public Employees Deleted. Amend RSA 21-G:27 to read as follows:

21-G:22 Conflict of Interest. [Public employees and public] Executive branch officials shall avoid conflicts of interest. [Public employees and public] Executive branch officials shall not participate in any matter in which they, or their spouse or dependents, have a private interest which may directly or indirectly affect or influence the performance of their duties.

21-G:23 Misuse of Position. No [public official and no public employee] executive branch official shall:
I. Disclose or use confidential or privileged information acquired in the performance of his or her duties for the state for personal benefit or for financial gain. [Public officials and public employees shall not]

II. Use [their positions] his or her position with the [government] state to secure privileges or advantages for [themselves] himself or herself, which are not generally available to governmental employees, or to secure governmental privileges or advantages for others.

21-G:24 Acceptance of Campaign Contributions. [A public official or a public employee] An executive branch official who is a candidate for an elective office that is not subject to the reporting requirements of RSA 664 and who accepts a [financial contribution or other form of] political contribution from [an] any person or entity which is or is likely to become subject to that [public official’s or public employee’s] executive branch official’s duties shall make a disclosure of such contributions to the secretary of state within 5 days of receipt of such contributions. The disclosure shall be in writing and on such form as the secretary of state shall prescribe.

21-G:25 Acceptance and Giving of Gifts. Any public employee, public official, and any public employee’s or public official’s spouse or dependent who gives, solicits, accepts, or agrees to accept a gift from a person who is subject to or likely to become subject to or interested in any matter or action pending before or contemplated by the public employee or official or by the governmental body with which that employee or official is affiliated shall disclose the gift in the statement of financial disclosure filed under RSA 21-G:28. Nothing in this section shall be construed to prohibit gifts made to the state of New Hampshire and accepted in accordance with the law.

Restrictions on Simultaneous Employment and Public Service. Volunteer public service to the executive branch is not to be used by volunteers or their business associates to obtain, directly or through a lobbyist, inequitable opportunities for non-public personal communications with executive branch decision makers to influence those executive branch decision makers in the performance of their duties. In furtherance of this prohibition, no person shall:

I. Be a person who has a duty to register as a lobbyist pursuant to RSA 15 and at the same time serve as a public employee as defined by RSA 15-B:2, IX. Unless otherwise prohibited by law, this prohibition shall not apply to appearances before the courts or serving in a position appointed by governor and council; or

II. Be a person who is, or is employed by or has ownership interest in any entity, engaged in or likely to become engaged in promoting or opposing, directly or indirectly, any legislation pending or proposed before the general court, or promoting or opposing action or inaction on any matter, contract, license, permit, or administrative rule, proposed or pending, before the executive branch and at the same time serve as a public employee as defined by RSA 15-B:2, IX, or as an appointee or volunteer for any multi-branch commission, committee, board, or similar governmental entity. Unless such service is otherwise prohibited by law, this prohibition shall not apply to:

(a) Service on a commission, committee, board, panel, advisory committee, or other similar governmental entity that is subject to the public meeting and notice requirements of RSA 91-A;

(b) Service related entirely to a ceremonial or celebratory event or duties; or

(c) A public employee or an appointee or volunteer for any multi-branch entity testifying at a public hearing or making public comment at a public meeting.

21-G:26 Employment Restrictions. For 6 months after leaving office or employment with the state, no [public] executive branch official shall appear as a lobbyist:

I. To promote or oppose directly any specific legislation pending or proposed before the general court [on behalf of]; or

II. To directly promote or oppose action or inaction on any matter, contract, license, permit, or administrative rule pending before the executive branch or with regard to any matter over which that executive branch official had personal and direct responsibility while in state government.

21-G:27 Supplemental State Agency Ethical Codes. In addition to this code, each agency may promulgate a supplemental ethics code to address issues specific to that agency. In the event of a conflict, the provisions of this code shall supersede the agency code with the provisions of this code, a stricter provision of an agency code shall govern. To the extent that this code or an ethics code adopted by an agency shall apply to classified employees, this code, or an agency code, shall be interpreted to be consistent with the provisions of the classified employees’ collective bargaining agreement and the state personnel rules.

3 New Sections; Executive Branch Ethics Committee Established. RSA 21-G:29 is repealed and reenacted to read as follows:
21-G:29 Executive Branch Ethics Committee Established; Jurisdiction; Membership.

I. There is hereby established an executive branch ethics committee to issue guidelines, interpretive rulings, and advisory opinions relative to standards for ethical conduct in the executive branch and to resolve, through procedures established under RSA 21-G:32, issues, questions, or complaints involving executive branch officials who are not classified employees.

II. The jurisdiction of the committee shall consist of matters arising under the executive branch code of ethics, RSA 21-G:21-27, RSA 15-A, RSA 15-B, and rules or guidelines adopted thereunder, as applied to executive branch officials who are not classified employees.

III. The committee shall consist of 7 members, nominated in the following manner:

(a) Three members, nominated by the governor, no more than 2 of whom shall be members of the same political party as defined in RSA 652:11, and one of whom shall be an attorney and member of the New Hampshire Bar Association.

(b) Two members, who shall not be members of the same political party as defined in RSA 652:11, nominated by the secretary of state.

(c) Two members, who shall not be members of the same political party as defined in RSA 652:11, nominated by the treasurer.

IV. All nominations under paragraph III shall be confirmed by the governor and executive council.

V. Persons appointed to the committee shall be qualified by excellent personal reputation and by education or experience in public service, in resolving ethical issues facing persons in public service, or in the law. No executive branch official shall serve as a committee member, and no person who has registered as a lobbyist under RSA 15:1 shall serve as a committee member, or for 6 months following the expiration of such registration.

VI. Committee members shall serve terms of 3 years and until their successors are appointed and qualified. However, initially, the governor shall nominate one member for a one-year term, one member for a 2-year term and one member for a 3-year term; the secretary of state shall nominate one member for a 2-year term, and one member for a 3-year term; the treasurer shall nominate one member for a one-year term and one member for a 2-year term. Initial nominations to the committee shall be made no later than 90 days after the effective date of this section. The initial appointments shall begin on July 1, 2006 and end on June 30 of the appropriate year. Vacancies shall be filled for the remainder of any unexpired term. Following their appointment, members may not hold or campaign for elective office, serve as an officer of any political party or political committee, permit their names to be used in support of or in opposition to any candidate or proposition, participate in any way in any election campaign, make a contribution as defined in RSA 664:2 to any candidate for office or political committee, or act as or assist a lobbyist required to be registered under RSA 15:1.

VII. The governor shall designate one of the governor's appointees as chair, who shall convene the first meeting, which shall take place no later than 30 days after a majority of the membership has been appointed. The members shall elect by majority vote a vice-chair and secretary from the remaining members.

VIII. Committee members shall receive no compensation, except that committee members shall receive mileage at the state employee rate.

21-G:30 Duties.

I. The committee shall be authorized to:

(a) Issue guidelines consistent with the executive branch code of ethics, RSA 21-G:21-27, RSA 15-A, and RSA 15-B, relative to proper and appropriate conduct for individuals relating to the performance of their duties as executive branch officials. Such guidelines shall be consistent with statute.

(b) Issue interpretative rulings explaining and clarifying any law, guideline, rule, or regulation within the jurisdiction of the committee.

(c) Render an advisory opinion, in writing within a reasonable time, in response to a written request by a person subject to any law, guideline, rule, or regulation concerning the application of any law, guideline, rule, or regulation within the committee's jurisdiction to a specific factual situation pertinent to the conduct or proposed conduct of the person seeking the advisory opinion. Any advisory opinion concerning any person subject to the provisions of this subdivision who acted in reliance thereon, shall be binding upon the committee, and it shall be an absolute defense in any complaint brought under this subdivision that the person complained
against acted in reliance upon such advisory opinion. The name of the person seeking an advisory opinion and any information in the opinion that would identify such person shall be non-public. A redacted version of the advisory opinion shall be public.

(d) Receive sworn complaints, investigate allegations of violations of this subdivision or guidelines adopted thereunder by executive branch officials and make appropriate findings of fact and conclusions with respect to such conduct.

(e) Investigate any unauthorized disclosure of information by any committee member or assistant and report to the appropriate authority any allegation which it finds to be substantiated.

II. All actions of the committee shall require an affirmative vote of 4 or more members of the committee before becoming effective, except that a vote to summarily dismiss a complaint shall be unanimous, and a vote to dismiss a complaint after only an internal review and no investigation shall be by an affirmative vote of no less than 5 members of the committee and a vote pursuant to RSA 21-G:31. VII shall require only a majority of the members present and voting. The committee shall request to meet with the legislative ethics committee established under RSA 14-B at least twice yearly to facilitate uniformity in the interpretation of statutory provisions.

III. The committee shall provide the legislative ethics committee with copies of all publicly issued guidelines, procedures, decisions, or opinions.

21-G:31 Complaints; Procedure.

1. Each complaint shall be submitted in writing and signed under oath by the complainant. The sworn complaint shall be filed confidentially with the committee and shall contain the name and address of the complainant. Before any other action is taken by the committee, the executive branch official complained against shall be furnished with a copy of the complaint and a copy shall be sent to each member of the committee for review. The committee may initiate a complaint on its own motion against any individual the committee has reason to believe has violated any law, guideline, rule, or regulation within the committee’s jurisdiction. The committee shall promptly examine each sworn complaint and:

(a) Upon first examination, if by a unanimous vote it determines that a complaint is frivolous, scurrilous, retaliatory in nature, or plainly not within the committee’s jurisdiction, the committee may summarily discharge the complaint without further meeting or proceeding. The committee shall notify the respondent and complainant in writing of its action.

(b) For any complaint not summarily discharged, the committee shall conduct an initial review to ascertain whether the committee has jurisdiction to consider the complaint or whether the complaint is without merit or is unfounded. If the committee concludes by a recorded affirmative vote of no less than 5 members of the committee that the alleged conduct is not within the committee’s jurisdiction, is without merit, or is unfounded, the committee shall dismiss the complaint and shall report such conclusion to the complainant and to the executive branch official, with an explanation of the basis of such determination.

II. If the committee, by recorded vote, concludes that the complaint is within its jurisdiction and may have merit, the committee may proceed to conduct a preliminary investigation. Upon completion of its preliminary investigation, the committee shall conclude by recorded vote that:

(a) No violation occurred and no further action is appropriate;

(b) The violation is inadvertent, technical, or of a de minimis nature and shall be addressed by informal methods; or

(c) There are reasonable grounds to believe a violation occurred and formal proceedings shall be instituted to inquire further into the complaint. In that event, the committee shall issue a formal statement of charges and proceed to a hearing on the complaint.

III. Upon completion of the hearing, the committee shall conclude by recorded vote that:

(a) No violation occurred and no further action is appropriate;

(b) No action is appropriate because there is not clear and convincing evidence that a violation occurred;

(c) Based upon clear and convincing evidence, a violation occurred, but such violation does not justify formal disciplinary action and shall be resolved by informal methods; or

(d) Based upon clear and convincing evidence, a violation occurred, and the violation was of a serious nature so as to warrant formal disciplinary action. In the case of a finding of violation by an executive branch official, the committee may recommend disciplinary action by the appropriate body, including but not limited to a recommendation for disciplinary action by the executive branch official’s supervisor, removal from office under RSA 4:1, or, in the case of the governor,
executive council member, or other officer of the state, impeachment or other appropriate action pursuant to part II, article 38 of the New Hampshire constitution. In addition to any recommendation for disciplinary action under this subparagraph, the committee may refer the case to the department of justice for criminal prosecution. In the event that conduct may constitute both a criminal act and misconduct subject to the jurisdiction of the committee, the committee may on its own motion or by motion of the attorney general suspend its investigation or a pending hearing for the time period reasonably necessary to avoid compromising a criminal prosecution.

IV. Any person who knowingly or willfully swears falsely to a sworn complaint does so under penalty of perjury, and the committee may refer any such case to the department of justice for prosecution.

V. Except as otherwise provided in this paragraph and notwithstanding any other provision of law, all proceedings, information, communications, materials, papers, files, and transcripts, written or oral, received or developed by the committee in the course of its work, shall be confidential. The committee shall first examine any sworn complaint and shall conduct its initial review and preliminary investigation of complaints in a confidential manner, unless otherwise requested by the executive branch official complained against. The committee shall conduct formal proceedings, other than its deliberations, in public session. The committee’s deliberations on complaints shall be conducted in nonpublic session. Upon completion of the preliminary investigation conducted under paragraph II or at the conclusion of formal proceedings under paragraph III, the committee shall make available for public inspection all records, other than its work product and internal memoranda relating to the complaint.

VI. In proceedings under this subdivision, the committee shall have the power to issue subpoenas and administer oaths.

VII Any member of the committee who is directly or indirectly involved in any complaint before the committee or who otherwise has personal knowledge of facts material to the determination of the complaint shall not participate in any proceedings regarding the complaint. In the event that recusals under this paragraph reduce the number of participating members to fewer than 4, the remaining participating members shall designate an alternate or alternates sufficient to increase the committee to 4 members, to serve on the committee for that case only.

21-G:32 Rules; Procedures and Standards. The committee shall adopt, publish, and make available to the public rules governing its procedures, including provisions for disqualification of members for conflict of interest and provisions for the committee to discipline its members for breach of committee procedures, as well as guidelines referred to in RSA 21G:30, I, consistent with the procedures set forth in RSA 541-A.

21-G:33 Committee Administration and Staff. The committee shall be administratively attached to the department of justice, which shall provide appropriate administrative and investigative staff and legal counsel in support of the committee’s activities, at the committee’s request. Files and records of the committee shall be protected against access other than by members of the committee and other persons specifically authorized by the committee.

21-G:34 Penalty.

I. Any person who knowingly or willfully violates RSA 21-G:21-27 or makes unauthorized disclosure of confidential matters or materials contrary to RSA 21-G:31, or interferes with or obstructs lawful activities of the committee, shall be guilty of a misdemeanor and may be subject to disciplinary action as provided in RSA 21-G:31, III(d) and other applicable law.

II. In the case of any person convicted under this section, the court may order restitution.

21-G:35 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

5 Legislative Ethics Committee; Membership Criteria. Amend RSA 14-B:2, II and III to read as follows:

II. No person registered with the secretary of state as a lobbyist under RSA 15 shall serve as a member of the legislative ethics committee or for 6 months following the expiration of such registration.

III. Appointments to the committee shall be made by December 31 prior to the first legislative session of the biennium. A committee meeting shall be called no later than February 1 in the
first legislative session of the biennium. The members shall elect a chairperson and vice-chairperson from among the legislative members of the committee at this meeting. The members shall serve for the biennium and shall not be removed from the committee for any reason except for good cause by unanimous vote of the remaining committee members. Members shall receive no compensation, except that legislative members shall receive mileage at the legislative rate and public members shall receive mileage at the state employee rate. The committee shall provide the executive branch ethics committee with copies of all publicly issued guidelines, procedures, decisions, and opinions.

6 Legislative Ethics Committee; Complaint Procedure; Reference Changed. Amend the introductory paragraph of RSA 14-B:4, I to read as follows:

I. Each complaint shall be submitted in writing and signed under oath by the complainant. The sworn complaint shall be filed confidentially with the committee and shall contain the name and address of the complainant. The legislator, officer, or employee of the legislature complained against shall be furnished with a copy of the complaint and a copy shall be sent to each member of the committee for review. The committee shall initiate a complaint on its own motion against any individual the committee determines has not complied with the provisions of RSA 14-B:7 15-A and RSA 15-B. The committee shall promptly examine each sworn complaint and:

7 Lobbyists. RSA 15 is repealed and reenacted to read as follows:

CHAPTER 15

LOBBYISTS

15:1 Registration.

I. Any person who is employed for a consideration by any other person, except the state of New Hampshire, in a representative capacity for the purposes specified in paragraph II of this section shall first register as a lobbyist with the secretary of state. Each registration shall report the existence of a relationship between a single client and either a single lobbyist or a partnership, firm, or corporation with one or more partners, members, or employees of a firm acting as lobbyist.

II. Registration is required where the person, partnership, firm, or corporation is employed:

(a) To promote or oppose, directly or indirectly, any legislation pending or proposed before the general court, or;

(b) To promote or oppose, directly or indirectly, any action by the governor, governor and council, or any state agency, as defined in RSA 15-A:2, subject to the exclusions in paragraph III.

III. Such registration is not required where the person:

(a) Is employed to represent another only in an adjudicative proceeding or nonadjudicative process as defined or described in RSA 541-A, other than a rulemaking proceeding or any process related to the purchasing of goods or services by the state, and who files an appearance with the authority conducting the matter; or

(b) Is an owner or employee, of a business seeking to do business with the state or communicating with an executive branch official or employee, a state agency, or an administrative official of the general court regarding goods or services that are being or may be purchased by the state.

IV. All registrations required under this section shall expire on December 1.

15:2 Name Tag.

I. Any person who is required to register as a lobbyist under RSA 15:1 shall wear on his or her outer garment a clearly visible name tag when lobbying in the state house or the legislative office building, or before the governor, governor and council, or a state agency. Such name tag shall have white lettering on a hunter orange background and shall be at least 1 ½ inches high and 2 ½ inches long. This name tag shall consist of lobbyist's first and last name and the word “lobbyist” or the name of the organization represented in letters at least ¼ inch high.

II. A person whose lobbying activity is appearing to testify before a legislative committee in an open hearing session is exempt from the requirements of paragraph I.

15:3 Registration Form.

I. The lobbyist registration shall be on a form prescribed by the secretary of state that shall at a minimum include:

(a) The full name of the person registering, if that person is affiliated with a partnership, firm, or corporation, the name of that partnership, firm, or corporation, the name of the client who has employed the person registering, his or her respective business addresses, or if none, his or her residence address.

(b) The usual occupation or primary field of business of each.

(c) The date and character of the employment or agreement therefore.
(d) The duration of the employment if it can be determined.
(e) The special subjects of legislation or executive branch action, if any, to which the employment relates.
(f) If the person registering is a member of or affiliated with a partnership, firm, or corporation that has other members or employees who are also registered as a lobbyist, a list of the full name of each such person. Being listed in this subparagraph does not relieve anyone who will be lobbying for this client from being listed individually under subparagraph (a).
(g) The following statement followed by a line for each person filing the form to sign and date the form: "I have read RSA 15 and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief."

II. If the employment varies from time to time, a current registration shall be maintained for each employment.

15:4 Registration Fee. The fee for registration as a lobbyist under RSA 15:1 for any one year shall be $50 for each person lobbying for each reported client or employer. A fee shall be paid for each individual who acts as a lobbyist for each client or employer regardless of his or her affiliation with any other registered lobbyist.

15:5 Prohibited Activities.
I. Except as provided in paragraph II, no recipient of a grant or appropriation of state funds may use the state funds to lobby or attempt to influence legislation, participate in political activity, or contribute funds to any entity engaged in these activities.
II. Any recipient of a grant or appropriation of state funds that wishes to engage in any of the activities prohibited in paragraph I, or contribute funds to any entity engaged in these activities, shall segregate the state funds in such a manner that such funds are physically and financially separate from any non-state funds that may be used for any of these purposes. Mere bookkeeping separation of the state funds from other moneys shall not be sufficient.

15:6 Statements.
I. Each lobbyist shall file with the secretary of state itemized statements under oath of:
   (a) All fees received from any lobbying client for all purposes.
   (b) What portion of the total fees received are related, directly or indirectly, to lobbying services.
   (c) All expenditures made from lobbying fees, including by whom paid or to whom charged.
   (d) Any honorarium or expense reimbursement, as defined in RSA 15-B, or political contribution, as defined in RSA 664, made by the lobbyist in his or her professional or personal capacity, on behalf of the lobbyist, the partnership, firm, or corporation or by the lobbyist on behalf of the client or employer or by a family member of the lobbyist. The statements shall be open to public inspection. For the purposes of this chapter, "family member" shall mean any person related to and living in the same domicile as the lobbyist, who shares a common economic interest in the expenses of daily living, including, but not limited to, a spouse, child, or parents.
II. Lobbyists shall file statements no later than the second Friday of each month covering all fees received and expenditures, contributions, honorariums, or expense reimbursements made during the previous month, from fees received at any time from a lobbying client or employer or from funds otherwise provided by the lobbyist, partnership, firm, or corporation, or from the client or employer.

III. In this chapter "value" means the amount at which property or services would change hands between a willing buyer and a willing seller when neither is under any compulsion to buy or sell and both have reasonable knowledge of the relevant facts.

IV. A lobbyist, in his or her professional or personal capacity, or a family member of a lobbyist making a contribution, honorarium, or expense reimbursement, in a form other than cash, check or negotiable instrument, to a person with a duty to report that contribution, honorarium, or expense reimbursement pursuant to RSA 15-B or RSA 664 shall provide the recipient with a written statement of the value of the contribution, honorarium, or expense reimbursement if the value is different than any price or value printed on the contribution, honorarium, or expense reimbursement or if the contribution, honorarium, or expense reimbursement does not have a price affixed to it.

V. The lobbyist statement shall be in the form prescribed by the secretary of state, may be in paper or electronic form, and shall include at a minimum:
   (a) The full name of each lobbyist covered by the report.
   (b) The name of the lobbyist partnership, firm, or corporation, if any.
   (c) The business address and telephone number for the lobbyist, partnership, firm, or corporation.
(d) For each client, the full name and business address of the client, the scope of the representation or lobbyist services being paid for, the gross amount of all fees received from that client, not reduced by any expenses, for all purposes, a statement of what portion of the gross fees received are related, directly or indirectly, to lobbying services, a statement of the aggregate total of fees received that are related, directly or indirectly, to lobbying services during the calendar year, and a statement of any fee payment due, but not yet paid.

(c) For each honorarium or expense reimbursement made, that is reportable pursuant to RSA 15-B:

(1) The name of the client on whose behalf the expense reimbursement or honorarium was made, if any.

(2) The name of the person receiving the honorarium or expense reimbursement.

(3) A brief description of the event to which the honorarium or expense reimbursement relates.

(4) The value of the honorarium or expense reimbursement.

(f) For each political contribution made that is reportable pursuant to RSA 664:

(1) The name of the candidate.

(2) The office the candidate is seeking.

(3) The value of the contribution.

(4) If the contribution is an in-kind contribution, a brief description of the contribution.

(g) For all expenditures for salaries, benefits, support staff, and office expenses, related directly or indirectly to lobbying, a statement of the total aggregate expenses for salaries, support staff, and office expenses related directly or indirectly to lobbying shall satisfy the requirement that an itemized statement of these expenses be filed.

(h) The following statement followed by a line for each person filing the form to sign and date the form: “I have read RSA 15, RSA 15-B, and RSA 664 and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief.” This statement shall be made under oath before a notary public or justice of the peace.

V. The secretary of state shall maintain the statements required by this section for 6 years from the date of filing, after which time the statements may be destroyed. The public information on the forms shall be available to the public in the form of a photocopy or an electronic record. The secretary of state shall, as soon as is practical, implement an electronic record keeping system that makes lobbyist registration forms and fee and expense reports available to the public through the internet.

15:7 Blanks. The secretary of state shall provide suitable forms in paper or electronic form to carry out the requirements of this chapter.

15:8 Penalty. Whoever violates any provision of this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Whoever shall make and file any statement under this chapter which is to his or her knowledge false shall be deemed guilty of perjury and punished accordingly.

15:9 Examination of Statements of Fees and Expenditures. It shall be the duty of the attorney general to examine the statements of fees and expenditures which are made under this chapter to the secretary of state and to compel such returns be made to comply with the law.

15:10 Testimonial Privilege. No person shall be excused from testifying in a proceeding instituted against another person under the foregoing sections for the reason that he might thereby incriminate himself; but no testimony so given by him shall be used directly or indirectly as evidence against him in any prosecution, nor shall he be prosecuted for any offenses so disclosed by him.

15:11 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

8 Financial Disclosure. RSA 15-A is repealed and reenacted to read as follows:

CHAPTER 15-A
FINANCIAL DISCLOSURE

15-A:1 Purpose. The purpose of this chapter is to ensure that the performance of official duties does not give rise to a conflict of interest, by requiring the following persons to file a statement of financial interests with the secretary of state. This chapter shall be liberally construed to effect this purpose.

15-A:2 Definitions. In this chapter:

I. “Agency” means the executive branch and any department, division, board, commission, or equivalent entity of the executive branch.
II. "Agency head" means the commissioner or equivalent leader of any department, and the highest ranking member of any commission, board, institution, bureau, or office, which is not a subordinate component of a department or equivalent agency, by whatever name called, other than the legislative and judicial branches of state government.

III. "Family member" shall mean any person related to and living in the same domicile as the elected official, public official, public employee, constitutional official, or legislative employee who shares a common economic interest in the expenses of daily living, including, but not limited to, a spouse, child, or parents.

IV. "Income" means any money or thing of value received.

V. "Primary occupation" means any business, business association, public sector employment, nonprofit employment, or self-employment which provides the largest source of income for the candidate.

15-A:3 Persons Required to File. The following persons shall file a statement of financial interests as required by this chapter:

I. All candidates who file for state or county office.

II. All persons filing an acceptance of nomination form for state or county office.

III. Every person appointed by the governor, governor and council, president of the senate, or the speaker of the house of representatives to any board, commission, committee, board of directors, authority, or equivalent state entity whether regulatory, advisory, or administrative in nature.

IV. All agency heads.

V. Any public official designated, due to the responsibilities of the position, by the agency head.

VI. The secretary of state and the treasurer, and any of their subordinates designated, due to the responsibilities of the position, by the secretary of state or treasurer.

VII. All persons elected to state or county office, and all persons appointed to such elective office to fill a vacancy; and

VIII. Any person, not employed by or working under contract for the state, who is acting on behalf of the governor or an agency while engaged in state business.

15-A:4 Designated Public Officials. The governor shall file with the secretary of state an organizational chart identifying the names and titles of all persons who are acting on behalf of the governor and who are required to file a statement of financial interests. Each agency head shall file with the secretary of state an organizational chart identifying the names, titles, and position numbers of persons in his or her department that are required to file a statement of financial interests. The secretary of state and the state treasurer shall file with the secretary of state an organizational chart identifying the names and titles of all persons in his or her department that are required to file a statement of financial interests.

15-A:5 Form of Disclosure. The secretary of state shall establish a uniform statement of financial interests, which may be in paper or electronic form.

I. The statement of financial interest shall include:

(a) The full text of RSA 15-A.

(b) The full name, work address, work phone number, primary occupation, and, if different, the office, appointment, or employment with government held by person filing the statement of financial interest.

(c) The name, address, and type of any profession, business, or other organization in which the reporting individual or family member was an officer, director, associate, partner, proprietor, or employee, or served in any other professional or advisory capacity, and from which any income in excess of $10,000 was derived during the preceding calendar year. Sources of retirement benefits other than federal retirement and/or disability benefits shall be included. If the person filing the financial interest statement has no qualifying income he or she shall report this by writing his or her initials following the statement "My income does not qualify ______ ."

(d) A statement of whether the person reporting or a family member has a special interest in any of the following businesses, professions, occupations, groups, or matters. A person has a reportable special interest in an item on this list if a change in law, a change in administrative rule, a decision whether or not to award a contract, grant a license or permit, discipline a licensee or permittee, or other decision by government affecting the listed business, profession, occupation, group, or matter would potentially have a greater financial effect on the person reporting the financial interest or a family member than it would on the general public:
(1) Any profession, occupation, or business licensed or certified by the state of New Hampshire, listing each such profession, occupation, or category of business.
(2) Health care.
(3) Insurance.
(4) Real estate, including brokers, agents, developers, and landlords.
(5) Banking or financial services.
(6) State of New Hampshire, county, or municipal employment.
(7) The New Hampshire retirement system.
(8) The current use land assessment program.
(9) Restaurants and lodging.
(10) The sale and distribution of alcoholic beverages.
(11) The practice of law.
(12) Any business regulated by the public utilities commission.
(13) Horse or dog racing, or other legal forms of gambling.
(14) Education.
(15) Water resources.
(16) Agriculture.
(17) New Hampshire taxes, specifying if business profits tax, business enterprise tax, or interest and dividends tax.
(18) The reporting official may, but is not required by this chapter to specify any other area for which he or she has a special interest.

(e) The following statement followed by a line for the person filing the form to sign and date the form: “I have read RSA 15-A and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief.”

II. The secretary of state may also require information such as home phone numbers, home addresses, and other information pertinent to the administration and enforcement of laws relating to financial disclosure. This information shall be non-public and shall not be subject to the provisions of RSA 91-A.

III. The statement of financial interests, if filed on paper, shall be completed by typewriting or legible hand printing, and shall be verified, dated, and signed by the reporting individual personally.

IV. The secretary of state shall maintain the statement of financial interests for 6 years, after which time the statement may be destroyed. The public information on the forms shall be available to the public in the form of a photocopy or an electronic record. The secretary of state shall, as soon as is practical, implement an electronic record keeping system that makes the public information on statements of financial interest available to the public through the internet.

15-A:6 Deadlines for Filing. All persons subject to this chapter shall file a statement of financial interests annually no later than the third Friday in January. All persons subject to this chapter, except those who are elected, shall file a statement of financial interests within 14 days of assuming the office, position, or appointment that makes the person subject to this chapter, unless the person has previously filed a statement during the calendar year.

15-A:7 Penalty. Any person who knowingly fails to comply with the provisions of this chapter or knowingly files a false statement shall be guilty of a misdemeanor.

15-A:8 Examination of Disclosures. It shall be the duty of the attorney general to examine the statements of financial interests which are made under this chapter to the secretary of state and to compel such disclosures to be made to comply with the law. 15-A:9 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

9 Gifts, Honorariums, and Expense Reimbursements. RSA 15-B is repealed and reenacted to read as follows:

CHAPTER 15-B
GIFTS, HONORARIUMS, AND EXPENSE REIMBURSEMENTS

15-B:1 Purpose. The purpose of this chapter is to ensure that the performance of official duties does not give rise to a conflict of interest, by prohibiting certain gifts and by requiring certain persons to file with the secretary of state a report of any honorariums or expense reimbursements received. This chapter shall be liberally construed to effect this purpose.
15-B:2 Definitions. For the purposes of this chapter:

I. “Agency” means the executive branch and any department, division, board, commission, or equivalent entity of the executive branch.

II. “Constitutional official” means the secretary of state, the state treasurer, their deputies, assistants, and all employees of their departments.

III. “Elected official” means the governor, members of the executive council, members of the general court, county commissioners, county sheriffs, county treasurers, county attorneys, registrars of deeds, and registers of probate.

IV. “Expense reimbursement” shall mean payment in any form as prepayment, underwriting, or reimbursement of the reasonable expenses of attendance, registration, travel, meals, or lodging related to a bona fide informational or educational conference, seminar, or meeting, when the source of such reimbursement is other than the state, a county, or the United States of America.

V. “Gift” means:

(a) Money in any amount, whether in the form of cash, check or any other negotiable or non-negotiable instrumentality for the transfer of money.

(b) Any other tangible thing, intangible thing, service, or the use thereof having more than insignificant economic value. Any such item with a value of less than $10 is presumed to be of insignificant economic value.

(c) Notwithstanding subparagraphs (a) and (b), “gift” shall not include:

1. A political contribution as defined in RSA 664.

2. A commercially reasonable loan, made in the ordinary course of business.

3. Repayment to an elected official, public official, public employee, constitutional official, or legislative employee of a bona fide loan made by such a person.

4. A ceremonial object or award, the value of which is primarily personal to the recipient and which has inconsequential economic value. A ceremonial object or award with a value of $50 or less is presumed to be of inconsequential economic value.

5. Objects which primarily serve an informational purpose provided in the ordinary course of business, such as reports, books, maps, or charts.

6. Money in any form, an object, or an intangible thing of economic value, where the donor’s act of giving is purely private and personal in nature and the money, object, or intangible thing of economic value would have been given and received even if the person were not an elected official, public official, public employee, constitutional official, or legislative employee.

7. Wages, salary, benefits, mileage or payment for expenses received by the person in his or her regular course of employment or business which is unrelated to the government position held.

8. Wages, salary, benefits, mileage, or payment for expenses paid to the person by the state, a county, or the United States of America related to performance of official duties.

9. Tickets or free admission to a charitable, ceremonial, or political event provided that:

   A. The proceeds of the event are subject to the political contributions and expenditure reporting law, RSA 664; or

   B. The event is sponsored by a charitable organization that is registered with the division of charitable trusts, department of justice or which is a charitable organization pursuant to section 501(C)(3) of the federal tax code; or

   C. The event is published as an event open for attendance by any member of the general court in the calendar of the senate or the house.

10. Meals, beverages, lodging, or transportation associated with attendance at:

   A. Any event for which the primary significance is ceremonial or celebratory, provided the event is public or, if by invitation only, is planned to have an attendance greater than 50 people; or

   B. Any event where the person is attending in an official capacity representing the state and/or the senate, house, or the agency of which the person is a member.

11. Expense reimbursement or an honorarium.

12. Meals and beverages consumed in the course of official business.

VI. “Honorarium” means a payment in any form to an elected official, public official, public employee, constitutional official, or legislative employee for services for which the person is not being compensated by the state, a county, the United States of America, or any other employer or client, where the service provided is related to or associated with office or employment held with government. Honorarium includes, but is not limited to, a payment as described above, for making a speech, preparing a written document, or serving as an advisor or consultant.
VII. "Family member" shall mean any person related to and living in the same domicile as the elected official, public official, public employee, constitutional official, or legislative employee, who shares a common economic interest in the expenses of daily living, including, but not limited to, a spouse, child, or parents.

VIII. "Legislative employee" means any person employed by the legislative branch.

IX. "Public employee" means any person, including but not limited to a classified employee, who is acting on behalf of the governor or an agency while engaged in state business.

X. "Public official" means a commissioned, unclassified, or nonclassified executive branch employee, but shall not include any commissioned, unclassified, or nonclassified employee elected by the legislature.

XI. "Value" means the amount at which property or services would change hands between a willing buyer and a willing seller when neither is under any compulsion to buy or sell and both have reasonable knowledge of the relevant facts.

15-B:3 Prohibition on Gifts.

I. It shall be unlawful to knowingly give any gift as defined in this chapter, directly or indirectly, to any elected official, public official, public employee, constitutional official, or legislative employee.

II. It shall be unlawful to knowingly give any gift as defined in this chapter, directly or indirectly, to any family member, as defined in this chapter, of any elected official, public official, public employee, constitutional official, or legislative employee, with a purpose of influencing or affecting the official conduct of such official or employee.

III. No elected official, public official, public employee, constitutional official, or legislative employee shall knowingly accept, directly or indirectly, any gift, as defined in this chapter.

15-B:4 Limitation on Receipt of an Honorarium. No public official or public employee shall accept an honorarium from a person who is subject to or likely to become subject to or interested in any matter or action pending before, or contemplated by, the public official, public employee, or the governmental body with which that person is affiliated.

15-B:5 Expense Reimbursement. An elected official, public official, public employee, constitutional official, or legislative employee may accept expense reimbursement for the reasonable expenses for food, travel, and lodging for a conference, meeting, seminar, or educational program which the person attends and that is related to the office, position, or employment held with the state or county, provided that the person attaches to the disclosure report a copy of the agenda or an equivalent document which discloses the subjects addressed and the time schedule of all activities at the event. This provision shall not be construed to require reporting of a prepayment, underwriting, or reimbursement made by an organization to which the state or county pays dues, when the prepayment, underwriting or reimbursement is provided because of the dues paid.

15-B:6 Duty to Report. An elected official, public official, public employee, or legislative employee who receives an honorarium or expense reimbursement shall file a report with the secretary of state no later than the last day of the month following the month during which the gift, honorarium, or expense reimbursement was received.

15-B:7 Honorarium, or Expense Reimbursement Report. The secretary of state shall establish a uniform report of receipt of an honorarium or expense reimbursement, which may be in paper or electronic form.

I. The report shall include at a minimum the following information, which shall be public:

(a) The full name, work address, work phone number, the office, appointment, or employment held by person subject to the reporting requirement.

(b) The full name, post office address, occupation, and principal place of business, if any, of the source of any reportable honorarium or expense reimbursement. When the source is a corporation or other entity, the name and work address of the person representing the corporation or entity in making the honorarium or expense reimbursement must be provided in addition to the name of the corporation or entity.

(c) The value of the honorarium or expense reimbursement. When the exact value is unknown, the person filing the report shall provide an estimate of the value of the gift or honorarium and identify the value as an estimate.

(d) A brief description of the service or event that gave rise to the honorarium or expense reimbursement. Reports of expense reimbursement must include a copy of the agenda or an equivalent document.
(e) The date on which the honorarium or expense reimbursement was received.

(f) The following statement followed by a line for the person filing the form to sign and date the form: "I have read RSA 15-B and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief."

II. The secretary of state may also require information such as home phone numbers, home addresses, and other information helpful to the administration and enforcement of laws relating to honorariums or expense reimbursements. This information shall be non-public and shall not be subject to the provisions of RSA 91-A.

15-B:8 Forms; Place of Filing. The secretary of state shall furnish all forms required under this chapter. All persons filing a report under this chapter shall file with the secretary of state. The reports shall be held in the original form for 6 years from the date of filing, after which time they may be destroyed. The public information on the forms shall be available to the public in the form of a photocopy or an electronic record. The secretary of state shall, as soon as is practical, implement an electronic record keeping system that makes the public information in the reports required by this chapter available to the public through the internet.

15-B:9 Penalty. Any person who knowingly fails to comply with the provisions of this chapter or knowingly files a false report shall be guilty of a misdemeanor.

15-B:10 Examination of Reports. It shall be the duty of the attorney general to examine the reports which are made under this chapter to the secretary of state and to compel such returns be made to comply with the law.

15-B:11 Limitations. This chapter shall not be construed to:

I. Prevent receptions, breakfasts, luncheons, dinners, dances, or picnics or like events from being held for the sole purpose of raising political contributions, provided such contributions comply with and are reported as required by RSA 664.

II. Prohibit gifts or expense reimbursements made to the state of New Hampshire and accepted in accordance with the law.

15-B:12 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

10 Repeal. The following are repealed:

I. RSA 14-B:7, relative to the financial disclosure form for legislators.
II. RSA 21-G:5-a, relative to the financial disclosure form for board and commission members.
III. RSA 21-G:21, III, relative to the definition of gift.
IV. RSA 21-G:21, IV, relative to the definition of public employee.
V. RSA 21-G:21 V, relative to the definition of public official.
VI. RSA 21-G:28, relative to the financial disclosure form for public officials.

11 Applicability. Notwithstanding the change in reporting requirements otherwise established by this act, the statement of financial interests for testimonials, gifts, and honorariums received between June 2, 2005 and June 1, 2006 shall, as required by RSA 15-B prior to its repeal and reenactment, be filed with the secretary of state no later than June 15, 2006.

12 Effective Date. This act shall take effect June 2, 2006.

AMENDED ANALYSIS

This bill establishes an executive branch ethics committee and recodifies RSA 15, relative to lobbyists; RSA 15-A, relative to financial disclosure statements for public officials; and RSA 15-B, relative to reporting requirements for gifts, honorariums, and expense reimbursements.

Rep. Osborne requested a roll call; sufficiently seconded.

and the majority committee amendment was adopted.
Rep. Whalley offered floor amendment (0295h).

Floor Amendment (0295h)
Amend RSA 21-G:25, II as inserted by section 2 of the bill by replacing it with the following:

II. Be a person who is, or is employed by or has ownership interest in any entity, engaged in or likely to become engaged in promoting or opposing, directly or indirectly, any legislation pending or proposed before the general court, or promoting or opposing action or inaction on any matter, contract, license, permit, or administrative rule, proposed or pending, before the executive branch and at the same time serve as a public employee as defined by RSA 15-B:2, IX, or as an appointee or volunteer for any multi-branch commission, committee, board, or similar governmental entity. Unless such service is otherwise prohibited by law, this prohibition shall not apply to:

(a) Service on a commission, committee, board, panel, advisory committee, or other similar governmental entity that is subject to the public meeting and notice requirements of RSA 91-A or the public right of access mandated by part I, article 8 of the New Hampshire constitution;
(b) Service related entirely to a ceremonial or celebratory event or duties;
(c) A public employee, appointee, or volunteer performing an administrative, public health, or safety, or consumer protection-related function for any state agency, or testifying or participating in any public meeting or hearing;
(d) Ownership of publicly-traded stock; or
(e) A public employee, appointee, or volunteer's personal application for any license, permit, or ruling from a state agency.

Reps. Whalley and O'Neil spoke in favor.
Rep. Splaine spoke against.
Rep. John Flanders moved the previous question.
Adopted.

YEAS 157 NAYS 203

YEAS 157

BELKNAP

CHESHIRE

COOS

GRAFTON

HILLSBOROUGH

MERRIMACK
Amend the title of the bill by replacing it with the following:

**Floor Amendment (0296h)**

**AN ACT** establishing an executive branch ethics committee and recodifying RSA 15 relative to lobbyists, RSA 15-A relative to financial statements, and RSA 15-B relative to gifts, honorariums and expense reimbursements.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Code of Ethics; Definition of Executive Branch Official Added. Amend RSA 21-G:21 by inserting after paragraph II the following new paragraph:

II-a. “Executive branch official” means a member of the executive branch elected by the public or the general court, or a commissioned, unclassified, nonclassified, or classified executive branch employee. The term also includes volunteers serving in an official capacity in the executive branch.

2 Code of Ethics; References to Public Employees Deleted. Amend RSA 21-G:22 through RSA 21G:27 to read as follows:

21-G:22 Conflict of Interest. [Public employees and public] Executive branch officials shall avoid conflicts of interest. [Public employees and public] Executive branch officials shall not participate in any matter in which they, or their spouse or dependents, have a private interest which may directly or indirectly affect or influence the performance of their duties.
21-G:23 Misuse of Position. No [public official and no public employee] executive branch official shall:

I. Disclose or use confidential or privileged information acquired in the performance of his or her duties for the state for personal benefit or for financial gain. [Public officials and public employees shall not]

II. Use their positions his or her position with the government state to secure privileges or advantages for themselves himself or herself, which are not generally available to governmental employees, or to secure governmental privileges or advantages for others.

21-G:24 Acceptance of Campaign Contributions. [A public official or a public employee] An executive branch official who is a candidate for an elective office that is not subject to the reporting requirements of RSA 664 and who accepts a financial contribution or other form of political contribution from an any person or entity which is or is likely to become subject to that executive branch official’s executive branch official’s duties shall make a disclosure of such contributions to the secretary of state within 5 days of receipt of such contributions. The disclosure shall be in writing and on such form as the secretary of state shall prescribe.

21-G:25 [Acceptance and Giving of Gifts. Any public employee, public official, and any public employee’s or public official’s spouse or dependent who gives, solicits, accepts, or agrees to accept a gift from a person who is subject to or likely to become subject to or interested in any matter or action pending before or contemplated by the public employee or official or by the governmental body with which that employee or official is affiliated shall disclose the gift in the statement of financial disclosure filed under RSA 21-G:28. Nothing in this section shall be construed to prohibit gifts made to the state of New Hampshire and accepted in accordance with the law.] Ethical Standards for Volunteer Service. Volunteer public service in the executive branch is an honorable tradition which should be encouraged to remain so. Accordingly, such service is not to be used by volunteers or their business associates to obtain, directly or indirectly, inequitable opportunities for non-public personal communications with executive branch decision makers to influence those executive branch decision makers in the performance of their duties. In furtherance of this prohibition, no person who has a duty to register as a lobbyist pursuant to RSA 15 may at the same time serve as a public employee as defined by RSA 15-B:2, IX. Unless otherwise prohibited by law, this prohibition shall not apply to appearances before the courts or serving in a position appointed by governor and council.

21-G:26 Employment Restrictions. For 6 months after leaving office or employment with the state, no [public] executive branch official shall appear as a lobbyist:

I. To promote or oppose directly any specific legislation pending or proposed before the general court [on behalf of]; or

II. To directly promote or oppose action or inaction on any matter, contract, license, permit, or administrative rule pending before the executive branch or with regard to any matter over which that executive branch official had personal and direct responsibility while in state government.

21-G:27 Supplemental State Agency Ethical Codes. In addition to this code, each agency may promulgate a supplemental ethics code to address issues specific to that agency. In the event of a conflict[, the provisions of this code shall supersede the agency code] with the provisions of this code, a stricter provision of an agency code shall govern. To the extent that this code or an ethics code adopted by an agency shall apply to classified employees, this code, or an agency code, shall be interpreted to be consistent with the provisions of the classified employees’ collective bargaining agreement and the state personnel rules.

3 New Sections; Executive Branch Ethics Committee Established. RSA 21-G:29 is repealed and reenacted to read as follows:

21-G:29 Executive Branch Ethics Committee Established; Jurisdiction; Membership.

I. There is hereby established an executive branch ethics committee to issue guidelines, interpretive rulings, and advisory opinions relative to standards for ethical conduct in the executive branch and to resolve, through procedures established under RSA 21-G:32, issues, questions, or complaints involving executive branch officials who are not classified employees.

II. The jurisdiction of the committee shall consist of matters arising under the executive branch code of ethics, RSA 21-G:21-27, RSA 15-A, RSA 15-B, and rules or guidelines adopted thereunder, as applied to executive branch officials who are not classified employees.

III. The committee shall consist of 7 members, nominated in the following manner:
(a) Three members, nominated by the governor, two of whom shall be members of different political parties as defined in RSA 652:11 and one of whom, at the time of nomination, shall have no declared affiliation with a political party as defined in RSA 652:11. One of these members shall be an attorney and member of the New Hampshire Bar.

(b) Three members, nominated jointly by the secretary of state and the treasurer, two of whom shall be members of different political parties as defined in RSA 652:11 and one of whom, at the time of nomination, shall have no declared affiliation with a political party as defined in RSA 652:11.

(c) One member nominated by majority vote of committee members appointed in accordance with subparagraphs (a) and (b) of this paragraph and paragraph IV of this section.

IV. All nominations under paragraph III shall be confirmed by the governor and executive council.

V. Persons appointed to the committee shall be qualified by excellent personal reputation and by education or experience in public service, in resolving ethical issues facing persons in public service, or in the law. No executive branch official shall serve as a committee member, and no person who has registered as a lobbyist under RSA 15:1 shall serve as a committee member, or for 6 months following the expiration of such registration.

VI. Committee members shall serve terms of 3 years and until their successors are appointed and qualified. However, initially, the governor shall nominate one member for a one-year term, one member for a 2-year term and one member for a 3-year term; and the secretary of state and the treasurer shall jointly nominate one member for a one-year term, one member for a 2-year term, and one member for a 3-year term. Initial nominations to the committee shall be made no later than 90 days after the effective date of this section. The initial appointments shall begin on July 1, 2006 and end on June 30 of the appropriate year. Vacancies shall be filled for the remainder of any unexpired term. Following their appointment, members may not hold or campaign for elective office, serve as an officer of any political party or political committee, permit their names to be used in support of or in opposition to any candidate or proposition, participate in any way in any election campaign, make a contribution as defined in RSA 664:2 to any candidate for office or political committee, or act as or assist a lobbyist required to be registered under RSA 15:1.

VII. The governor shall designate one of the governor’s appointees as chair, who shall convene the first meeting, which shall take place no later than 30 days after a majority of the membership has been appointed. The members shall elect by majority vote a vice-chair and secretary from the remaining members.

VIII. Committee members shall receive no compensation, except that committee members shall receive mileage at the state employee rate.

21-G:30 Duties.

1. The committee shall be authorized to:

(a) Issue guidelines consistent with the executive branch code of ethics, RSA 21-G:21-27, RSA 15-A, and RSA 15-B, relative to proper and appropriate conduct for individuals relating to the performance of their duties as executive branch officials. Such guidelines shall be consistent with statute.

(b) Issue interpretative rulings explaining and clarifying any law, guideline, rule, or regulation within the jurisdiction of the committee.

(c) Render an advisory opinion, in writing within a reasonable time, in response to a written request by a person subject to any law, guideline, rule, or regulation concerning the application of any law, guideline, rule, or regulation within the committee’s jurisdiction to a specific factual situation pertinent to the conduct or proposed conduct of the person seeking the advisory opinion. Any advisory opinion concerning any person subject to the provisions of this subdivision who acted in reliance thereon, shall be binding upon the committee, and it shall be an absolute defense in any complaint brought under this subdivision that the person complained against acted in reliance upon such advisory opinion. The name of the person seeking an advisory opinion and any information in the opinion that would identify such person shall be non-public. A redacted version of the advisory opinion shall be public.

(d) Receive sworn complaints, investigate allegations of violations of this subdivision or guidelines adopted thereunder by executive branch officials and make appropriate findings of fact and conclusions with respect to such conduct.

(e) Investigate any unauthorized disclosure of information by any committee member or assistant and report to the appropriate authority any allegation which it finds to be substantiated.
II. All actions of the committee shall require an affirmative vote of 4 or more members of the committee before becoming effective, except that a vote to summarily dismiss a complaint shall be unanimous, and a vote to dismiss a complaint after only an internal review and no investigation shall be by an affirmative vote of no less than 5 members of the committee and a vote pursuant to RSA 21-G:31, VII shall require only a majority of the members present and voting. The committee shall request to meet with the legislative ethics committee established under RSA 14-B at least twice yearly to facilitate uniformity in the interpretation of statutory provisions.

III. The committee shall provide the legislative ethics committee with copies of all publicly issued guidelines, procedures, decisions, or opinions.

21-G:31 Complaints; Procedure.

I. Each complaint shall be submitted in writing and signed under oath by the complainant. The sworn complaint shall be filed confidentially with the committee and shall contain the name and address of the complainant. Before any other action is taken by the committee, the executive branch official complained against shall be furnished with a copy of the complaint and a copy shall be sent to each member of the committee for review. The committee may initiate a complaint on its own motion against any individual the committee has reason to believe has violated any law, guideline, rule, or regulation within the committee’s jurisdiction. The committee shall promptly examine each sworn complaint and:

(a) Upon first examination, if by a unanimous vote it determines that a complaint is frivolous, scurrilous, retaliatory in nature, or plainly not within the committee’s jurisdiction, the committee may summarily discharge the complaint without further meeting or proceeding. The committee shall notify the respondent and complainant in writing of its action.

(b) For any complaint not summarily discharged, the committee shall conduct an initial review to ascertain whether the committee has jurisdiction to consider the complaint or whether the complaint is without merit or is unfounded. If the committee concludes by a recorded affirmative vote of no less than 5 members of the committee that the alleged conduct is not within the committee’s jurisdiction, is without merit, or is unfounded, the committee shall dismiss the complaint and shall report such conclusion to the complainant and to the executive branch official, with an explanation of the basis of such determination.

II. If the committee, by recorded vote, concludes that the complaint is within its jurisdiction and may have merit, the committee may proceed to conduct a preliminary investigation. Upon completion of its preliminary investigation, the committee shall conclude by recorded vote that:

(a) No violation occurred and no further action is appropriate;

(b) The violation is inadvertent, technical, or of a de minimis nature and shall be addressed by informal methods; or

(c) There are reasonable grounds to believe a violation occurred and formal proceedings shall be instituted to inquire further into the complaint. In that event, the committee shall issue a formal statement of charges and proceed to a hearing on the complaint.

III. Upon completion of the hearing, the committee shall conclude by recorded vote that:

(a) No violation occurred and no further action is appropriate;

(b) No action is appropriate because there is not clear and convincing evidence that a violation occurred;

(c) Based upon clear and convincing evidence, a violation occurred, but such violation does not justify formal disciplinary action and shall be resolved by informal methods; or

(d) Based upon clear and convincing evidence, a violation occurred, and the violation was of a serious nature so as to warrant formal disciplinary action. In the case of a finding of violation by a executive branch official, the committee may recommend disciplinary action by the appropriate body, including but not limited to a recommendation for disciplinary action by the executive branch official’s supervisor, removal from office under RSA 4:1, or, in the case of the governor, executive council member, or other officer of the state, impeachment or other appropriate action pursuant to part II, article 38 of the New Hampshire constitution. In addition to any recommendation for disciplinary action under this subparagraph, the committee may refer the case to the department of justice for criminal prosecution. In the event that conduct may constitute both a criminal act and misconduct subject to the jurisdiction of the committee, the committee may on its own motion or by motion of the attorney general suspend its investigation or a pending hearing for the time period reasonably necessary to avoid compromising a criminal prosecution.
IV. Any person who knowingly or willfully swears falsely to a sworn complaint does so under penalty of perjury, and the committee may refer any such case to the department of justice for prosecution.

V. Except as otherwise provided in this paragraph and notwithstanding any other provision of law, all proceedings, information, communications, materials, papers, files, and transcripts, written or oral, received or developed by the committee in the course of its work, shall be confidential. The committee shall first examine any sworn complaint and shall conduct its initial review and preliminary investigation of complaints in a confidential manner, unless otherwise requested by the executive branch official complained against. The committee shall conduct formal proceedings, other than its deliberations, in public session. The committee’s deliberations on complaints shall be conducted in nonpublic session. Upon completion of the preliminary investigation conducted under paragraph II or at the conclusion of formal proceedings under paragraph III, the committee shall make available for public inspection all records, other than its work product and internal memoranda relating to the complaint.

VI. In proceedings under this subdivision, the committee shall have the power to issue subpoenas and administer oaths.

VII. Any member of the committee who is directly or indirectly involved in any complaint before the committee or who otherwise has personal knowledge of facts material to the determination of the complaint shall not participate in any proceedings regarding the complaint. In the event that recusals under this paragraph reduce the number of participating members to fewer than 4, the remaining participating members shall designate an alternate or alternates sufficient to increase the committee to 4 members, to serve on the committee for that case only.

21-G:32 Rules: Procedures and Standards. The committee shall adopt, publish, and make available to the public rules governing its procedures, including provisions for disqualification of members for conflict of interest and provisions for the committee to discipline its members for breach of committee procedures, as well as guidelines referred to in RSA 21G:30, I, consistent with the procedures set forth in RSA 541-A.

21-G:33 Committee Administration and Staff. The committee shall be administratively attached to the department of justice, which shall provide appropriate administrative and investigative staff and legal counsel in support of the committee’s activities, at the committee’s request. Files and records of the committee shall be protected against access other than by members of the committee and other persons specifically authorized by the committee.

21-G:34 Penalty.

I. Any person who knowingly or willfully violates RSA 21-G:21-27 or makes unauthorized disclosure of confidential matters or materials contrary to RSA 21-G:31, or interferes with or obstructs lawful activities of the committee, shall be guilty of a misdemeanor and may be subject to disciplinary action as provided in RSA 21-G:31, III(d) and other applicable law.

II. In the case of any person convicted under this section, the court may order restitution.

21-G:35 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

5 Legislative Ethics Committee; Membership Criteria. Amend RSA 14-B:2, II and III to read as follows:

II. No person registered with the secretary of state as a lobbyist under RSA 15 shall serve as a member of the legislative ethics committee or for 6 months following the expiration of such registration.

III. Appointments to the committee shall be made by December 31 prior to the first legislative session of the biennium. A committee meeting shall be called no later than February 1 in the first legislative session of the biennium. The members shall elect a chairperson and vicechairperson from among the legislative members of the committee at this meeting. The members shall serve for the biennium and shall not be removed from the committee for any reason except for good cause by unanimous vote of the remaining committee members. Members shall receive no compensation, except that legislative members shall receive mileage at the legislative rate and public members shall receive mileage at the state employee rate. The committee shall provide the executive branch ethics committee with copies of all publicly issued guidelines, procedures, decisions, and opinions.
6 Legislative Ethics Committee; Complaint Procedure; Reference Changed. Amend the introductory paragraph of RSA 14-B:4, I to read as follows:

I. Each complaint shall be submitted in writing and signed under oath by the complainant. The sworn complaint shall be filed confidentially with the committee and shall contain the name and address of the complainant. The legislator, officer, or employee of the legislature complained against shall be furnished with a copy of the complaint and a copy shall be sent to each member of the committee for review. The committee shall initiate a complaint on its own motion against any individual the committee determines has not complied with the provisions of RSA [14-B:7] 15-A and RSA 15-B. The committee shall promptly examine each sworn complaint and:

7 Lobbyists. RSA 15 is repealed and reenacted to read as follows:

CHAPTER 15

 LOBBYISTS

15:1 Registration.

I. Any person who is employed for a consideration by any other person, except the state of New Hampshire, in a representative capacity for the purposes specified in paragraph II of this section shall first register as a lobbyist with the secretary of state. Each registration shall report the existence of a relationship between a single client and either a single lobbyist or a partnership, firm, or corporation with one or more partners, members, or employees of a firm acting as lobbyist.

II. Registration is required where the person, partnership, firm, or corporation is employed:

(a) To promote or oppose, directly or indirectly, any legislation pending or proposed before the general court, or;

(b) To promote or oppose, directly or indirectly, any action by the governor, governor and council, or any state agency, as defined in RSA 15-A:2, subject to the exclusions in paragraph III.

III. Such registration is not required where the person is employed to represent another only in an adjudicative proceeding or nonadjudicative process as defined or described in RSA 541-A, other than a rulemaking proceeding or any process related to the purchasing of goods or services by the state, and who files an appearance with the authority conducting the matter.

IV. All registrations required under this section shall expire on December 1.

15:2 Name Tag.

I. Any person who is required to register as a lobbyist under RSA 15:1 shall wear on his or her outer garment a clearly visible name tag when lobbying in the state house or the legislative office building, or before the governor, governor and council, or a state agency. Such name tag shall have white lettering on a hunter orange background and shall be at least 1 1/2 inches high and 2 1/2 inches long. This name tag shall consist of lobbyist's first and last name and the word "lobbyist" or the name of the organization represented in letters at least 1/4 inch high.

II. A person whose lobbying activity is appearing to testify before a legislative committee in an open hearing session is exempt from the requirements of paragraph 1.

15:3 Registration Form.

I. The lobbyist registration shall be on a form prescribed by the secretary of state that shall at a minimum include:

(a) The full name of the person registering, if that person is affiliated with a partnership, firm, or corporation, the name of that partnership, firm, or corporation, the name of the client who has employed the person registering, his or her respective business addresses, or if none, his or her residence address.

(b) The usual occupation or primary field of business of each.

(c) The date and character of the employment or agreement therefore.

(d) The duration of the employment if it can be determined.

(e) The special subjects of legislation or executive branch action, if any, to which the employment relates.

(f) If the person registering is a member of or affiliated with a partnership, firm, or corporation that has other members or employees who are also registered as a lobbyist, a list of the full name of each such person. Being listed in this subparagraph does not relieve anyone who will be lobbying for this client from being listed individually under subparagraph (a)

(g) The following statement followed by a line for each person filing the form to sign and date the form: "I have read RSA 15 and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief."
II. If the employment varies from time to time, a current registration shall be maintained for each employment.

15:4 Registration Fee. The fee for registration as a lobbyist under RSA 15:1 for any one year shall be $50 for each person lobbying for each reported client or employer. A fee shall be paid for each individual who acts as a lobbyist for each client or employer regardless of his or her affiliation with any other registered lobbyist.

15:5 Prohibited Activities.

I. Except as provided in paragraph II, no recipient of a grant or appropriation of state funds may use the state funds to lobby or attempt to influence legislation, participate in political activity, or contribute funds to any entity engaged in these activities.

II. Any recipient of a grant or appropriation of state funds that wishes to engage in any of the activities prohibited in paragraph I, or contribute funds to any entity engaged in these activities, shall segregate the state funds in such a manner that such funds are physically and financially separate from any non-state funds that may be used for any of these purposes. Mere bookkeeping separation of the state funds from other moneys shall not be sufficient.

15:6 Statements.

I. Each lobbyist shall file with the secretary of state itemized statements under oath of:
(a) All fees received from any lobbying client for all purposes.
(b) What portion of the total fees received are related, directly or indirectly, to lobbying services.
(c) All expenditures made from lobbying fees, including by whom paid or to whom charged.
(d) Any honorarium or expense reimbursement, as defined in RSA 15-B, or political contribution, as defined in RSA 664, made by the lobbyist in his or her professional or personal capacity, on behalf of the lobbyist, the partnership, firm, or corporation or by the lobbyist on behalf of the client or employer or by a family member of the lobbyist. The statements shall be open to public inspection. For the purposes of this chapter, “family member” shall mean any person related to and living in the same domicile as the lobbyist, who shares a common economic interest in the expenses of daily living, including, but not limited to, a spouse, child, or parents.

II. Lobbyists shall file statements no later than the second Friday of each month covering all fees received and expenditures, contributions, honorariums, or expense reimbursements made during the previous month, from fees received at any time from a lobbying client or employer or from funds otherwise provided by the lobbyist, partnership, firm, or corporation, or from the client or employer.

III. In this chapter “value” means the amount at which property or services would change hands between a willing buyer and a willing seller when neither is under any compulsion to buy or sell and both have reasonable knowledge of the relevant facts.

IV. A lobbyist, in his or her professional or personal capacity, or a family member of a lobbyist making a contribution, honorarium, or expense reimbursement, in a form other than cash, check or negotiable instrument, to a person with a duty to report that contribution, honorarium, or expense reimbursement pursuant to RSA 15-B or RSA 664 shall provide the recipient with a written statement of the value of the contribution, honorarium, or expense reimbursement if the value is different than any price or value printed on the contribution, honorarium, or expense reimbursement or if the contribution, honorarium, or expense reimbursement does not have a price affixed to it.

V. The lobbyist statement shall be in the form prescribed by the secretary of state, may be in paper or electronic form, and shall include at a minimum:
(a) The full name of each lobbyist covered by the report.
(b) The name of the lobbyist partnership, firm, or corporation, if any.
(c) The business address and telephone number for the lobbyist, partnership, firm, or corporation.
(d) For each client, the full name and business address of the client, the scope of the representation or lobbyist services being paid for, the gross amount of all fees received from that client, not reduced by any expenses, for all purposes, a statement of what portion of the gross fees received are related, directly or indirectly, to lobbying services, a statement of the aggregate total of fees received that are related, directly or indirectly, to lobbying services during the calendar year, and a statement of any fee payment due, but not yet paid.
(e) For each honorarium or expense reimbursement made, that is reportable pursuant to RSA 15-B:
(1) The name of the client on whose behalf the expense reimbursement or honorarium was made, if any.
(2) The name of the person receiving the honorarium or expense reimbursement.
(3) A brief description of the event to which the honorarium or expense reimbursement relates.
(4) The value of the honorarium or expense reimbursement.
(f) For each political contribution made that is reportable pursuant to RSA 664:
   (1) The name of the candidate.
   (2) The office the candidate is seeking.
   (3) The value of the contribution.
(4) If the contribution is an in-kind contribution, a brief description of the contribution.
(g) For all expenditures for salaries, benefits, support staff, and office expenses, related directly or indirectly to lobbying, a statement of the total aggregate expenses for salaries, support staff, and office expenses related directly or indirectly to lobbying shall satisfy the requirement that an itemized statement of these expenses be filed.
   (h) The following statement followed by a line for each person filing the form to sign and date the form: “I have read RSA 15, RSA 15-B, and RSA 664 and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief.” This statement shall be made under oath before a notary public or justice of the peace.

IV. The secretary of state shall maintain the statements required by this section for 6 years from the date of filing, after which time the statements may be destroyed. The public information on the forms shall be available to the public in the form of a photocopy or an electronic record. The secretary of state shall, as soon as is practical, implement an electronic record keeping system that makes lobbyist registration forms and fee and expense reports available to the public through the internet.

15:7 Blanks. The secretary of state shall provide suitable forms in paper or electronic form to carry out the requirements of this chapter.

15:8 Penalty. Whoever violates any provision of this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Whoever shall make and file any statement under this chapter which is to his or her knowledge false shall be deemed guilty of perjury and punished accordingly.

15:9 Examination of Statements of Fees and Expenditures. It shall be the duty of the attorney general to examine the statements of fees and expenditures which are made under this chapter to the secretary of state and to compel such returns be made to comply with the law.

15:10 Testimonial Privilege. No person shall be excused from testifying in a proceeding instituted against another person under the foregoing sections for the reason that he might thereby incriminate himself; but no testimony so given by him shall be used directly or indirectly as evidence against him in any prosecution, nor shall he be prosecuted for any offenses so disclosed by him.

15:11 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

8 Financial Disclosure. RSA 15-A is repealed and reenacted to read as follows:

CHAPTER 15-A
FINANCIAL DISCLOSURE

15-A:1 Purpose. The purpose of this chapter is to ensure that the performance of official duties does not give rise to a conflict of interest, by requiring the following persons to file a statement of financial interests with the secretary of state. This chapter shall be liberally construed to effect this purpose.

15-A:2 Definitions. In this chapter:
I. “Agency” means the executive branch and any department, division, board, commission, or equivalent entity of the executive branch.
II. “Agency head” means the commissioner or equivalent leader of any department, and the highest ranking member of any commission, board, institution, bureau, or office, which is not a subordinate component of a department or equivalent agency, by whatever name called, other than the legislative and judicial branches of state government.
III. “Family member” shall mean any person related to and living in the same domicile as the elected official, public official, public employee, constitutional official, or legislative employee who shares a common economic interest in the expenses of daily living, including, but not limited to, a spouse, child, or parents.
IV. "Income" means any money or thing of value received.
V. "Primary occupation" means any business, business association, public sector employment, nonprofit employment, or self-employment which provides the largest source of income for the candidate.

15-A:3 Persons Required to File. The following persons shall file a statement of financial interests as required by this chapter:
I. All candidates who file for state or county office.
II. All persons filing an acceptance of nomination form for state or county office.
III. Every person appointed by the governor, governor and council, president of the senate, or the speaker of the house of representatives to any board, commission, committee, board of directors, authority, or equivalent state entity whether regulatory, advisory, or administrative in nature.
IV. All agency heads.
V. Any public official designated, due to the responsibilities of the position, by the agency head.
VI. The secretary of state and the treasurer, and any of their subordinates designated, due to the responsibilities of the position, by the secretary of state or treasurer.
VII. All persons elected to state or county office, and all persons appointed to such elective office to fill a vacancy; and
VIII. Any person not employed by or working under contract for the state, who is acting on behalf of the governor or an agency while engaged in state business.

15-A:4 Designated Public Officials. The governor shall file with the secretary of state an organizational chart identifying the names and titles of all persons who are acting on behalf of the governor and who are required to file a statement of financial interests. Each agency head shall file with the secretary of state an organizational chart identifying the names, titles, and position numbers of persons in his or her department that are required to file a statement of financial interests. The secretary of state and the state treasurer shall file with the secretary of state an organizational chart identifying the names and titles of all persons in his or her department that are required to file a statement of financial interests.

15-A:5 Form of Disclosure. The secretary of state shall establish a uniform statement of financial interests, which may be in paper or electronic form.
I. The statement of financial interest shall include:
(a) The full text of RSA 15-A.
(b) The full name, work address, work phone number, primary occupation, and, if different, the office, appointment, or employment with government held by person filing the statement of financial interest.
(c) The name, address, and type of any profession, business, or other organization in which the reporting individual or family member was an officer, director, associate, partner, proprietor, or employee, or served in any other professional or advisory capacity, and from which any income in excess of $10,000 was derived during the preceding calendar year. Sources of retirement benefits other than federal retirement and/or disability benefits shall be included. If the person filing the financial interest statement has no qualifying income he or she shall report this by writing his or her initials following the statement "My income does not qualify _______".
(d) A statement of whether the person reporting or a family member has a special interest in any of the following businesses, professions, occupations, groups, or matters. A person has a reportable special interest in an item on this list if a change in law, a change in administrative rule, a decision whether or not to award a contract, grant a license or permit, discipline a licensee or permittee, or other decision by government affecting the listed business, profession, occupation, group, or matter would potentially have a greater financial effect on the person reporting the financial interest or a family member than it would on the general public:
(1) Any profession, occupation, or business licensed or certified by the state of New Hampshire, listing each such profession, occupation, or category of business.
(2) Health care.
(3) Insurance.
(4) Real estate, including brokers, agents, developers, and landlords.
(5) Banking or financial services.
(6) State of New Hampshire, county, or municipal employment.
(7) The New Hampshire retirement system.
(8) The current use land assessment program.
(9) Restaurants and lodging.
(10) The sale and distribution of alcoholic beverages.
(11) The practice of law.
(12) Any business regulated by the public utilities commission.
(13) Horse or dog racing, or other legal forms of gambling.
(14) Education.
(15) Water resources.
(16) Agriculture.
(17) New Hampshire taxes. specifying if business profits tax, business enterprise tax, or interest and dividends tax.
(18) The reporting official may, but is not required by this chapter to specify any other area for which he or she has a special interest.

e) The following statement followed by a line for the person filing the form to sign and date the form: "I have read RSA 15-A and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief."

II. The secretary of state may also require information such as home phone numbers, home addresses, and other information pertinent to the administration and enforcement of laws relating to financial disclosure. This information shall be non-public and shall not be subject to the provisions of RSA 91-A.

III. The statement of financial interests, if filed on paper, shall be completed by typewriting or legible hand printing, and shall be verified, dated, and signed by the reporting individual personally.

IV. The secretary of state shall maintain the statement of financial interests for 6 years, after which time the statement may be destroyed. The public information on the forms shall be available to the public in the form of a photocopy or an electronic record. The secretary of state shall, as soon as is practical, implement an electronic record keeping system that makes the public information on statements of financial interest available to the public through the internet.

15-A:6 Deadlines for Filing. All persons subject to this chapter shall file a statement of financial interests annually no later than the third Friday in January. All persons subject to this chapter, except those who are elected, shall file a statement of financial interests within 14 days of assuming the office, position, or appointment that makes the person subject to this chapter, unless the person has previously filed a statement during the calendar year.

15-A:7 Penalty. Any person who knowingly fails to comply with the provisions of this chapter or knowingly files a false statement shall be guilty of a misdemeanor.

15-A:8 Examination of Disclosures. It shall be the duty of the attorney general to examine the statements of financial interests which are made under this chapter to the secretary of state and to compel such disclosures to be made to comply with the law. 15-A:9 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

9 Gifts, Honorariums, and Expense Reimbursements. RSA 15-B is repealed and reenacted to read as follows:

CHAPTER 15-B

GIFTS, HONORARIUMS, AND EXPENSE REIMBURSEMENTS

15-B:1 Purpose. The purpose of this chapter is to ensure that the performance of official duties does not give rise to a conflict of interest, by prohibiting certain gifts and by requiring certain persons to file with the secretary of state a report of any honorariums or expense reimbursements received. This chapter shall be liberally construed to effect this purpose.

15-B:2 Definitions. For the purposes of this chapter:

I. "Agency" means the executive branch and any department, division, board, commission, or equivalent entity of the executive branch.

II. "Constitutional official" means the secretary of state, the state treasurer, their deputies, assistants, and all employees of their departments.

III. "Elected official" means the governor, members of the executive council, members of the general court, county commissioners, county sheriffs, county treasurers, county attorneys, registrars of deeds, and registers of probate.
IV. “Expense reimbursement” shall mean payment in any form as prepayment, underwriting, or reimbursement of the reasonable expenses of attendance, registration, travel, meals, or lodging related to a bona fide informational or educational conference, seminar, or meeting, when the source of such reimbursement is other than the state, a county, or the United States of America.

V. “Gift” means:

(a) Money in any amount, whether in the form of cash, check or any other negotiable or non-negotiable instrumentality for the transfer of money.

(b) Any other tangible thing, intangible thing, service, or the use thereof having more than insignificant economic value. Any such item with a value of less than $10 is presumed to be of insignificant economic value.

(c) Notwithstanding subparagraphs (a) and (b), “gift” shall not include:

(1) A political contribution as defined in RSA 664.

(2) A commercially reasonable loan, made in the ordinary course of business.

(3) Repayment to an elected official, public official, public employee, constitutional official, or legislative employee of a bona fide loan made by such a person.

(4) A ceremonial object or award, the value of which is primarily personal to the recipient and which has inconsequential economic value. A ceremonial object or award with a value of $50 or less is presumed to be of inconsequential economic value.

(5) Objects which primarily serve an informational purpose provided in the ordinary course of business, such as reports, books, maps, or charts.

(6) Money in any form, an object, or an intangible thing of economic value, where the donor’s act of giving is purely private and personal in nature and the money, object, or intangible thing of economic value would have been given and received even if the person were not an elected official, public official, public employee, constitutional official, or legislative employee.

(7) Wages, salary, benefits, mileage or payment for expenses received by the person in his or her regular course of employment or business which is unrelated to the government position held.

(8) Wages, salary, benefits, mileage, or payment for expenses paid to the person by the state, a county, or the United States of America related to performance of official duties.

(9) Tickets or free admission to a charitable, ceremonial, or political event provided that:

(A) The proceeds of the event are subject to the political contributions and expenditure reporting law, RSA 664; or

(B) The event is sponsored by a charitable organization that is registered with the division of charitable trusts, department of justice or which is a charitable organization pursuant to section 501(C)(3) of the federal tax code; or

(C) The event is published as an event open for attendance by any member of the general court in the calendar of the senate or the house.

(10) Meals, beverages, lodging, or transportation associated with attendance at:

(A) Any event for which the primary significance is ceremonial or celebratory, provided the event is public or, if by invitation only, is planned to have an attendance greater than 50 people; or

(B) Any event where the person is attending in an official capacity representing the state and/or the senate, house, or the agency of which the person is a member.

(11) Expense reimbursement or an honorarium.

(12) Meals and beverages consumed in the course of official business, with a value of not more than $50 per person.

VI. “Honorarium” means a payment in any form to an elected official, public official, public employee, constitutional official, or legislative employee for services for which the person is not being compensated by the state, a county, the United States of America, or any other employer or client, where the service provided is related to or associated with office or employment held with government. Honorarium includes, but is not limited to, a payment as described above, for making a speech, preparing a written document, or serving as an advisor or consultant.

VII. “Family member” shall mean any person related to and living in the same domicile as the elected official, public official, public employee, constitutional official, or legislative employee, who shares a common economic interest in the expenses of daily living, including, but not limited to, a spouse, child, or parents.
VIII. "Legislative employee" means any person employed by the legislative branch.
IX. "Public employee" means any person, including but not limited to a classified employee, who is acting on behalf of the governor or an agency while engaged in state business.
X. "Public official" means a commissioned, unclassified, or nonclassified executive branch employee, but shall not include any commissioned, unclassified, or nonclassified employee elected by the legislature.
XI. "Value" means the amount at which property or services would change hands between a willing buyer and a willing seller when neither is under any compulsion to buy or sell and both have reasonable knowledge of the relevant facts.

15-B:3 Prohibition on Gifts.
I. It shall be unlawful to knowingly give any gift as defined in this chapter, directly or indirectly, to any elected official, public official, public employee, constitutional official, or legislative employee.
II. It shall be unlawful to knowingly give any gift as defined in this chapter, directly or indirectly, to any family member, as defined in this chapter, of any elected official, public official, public employee, constitutional official, or legislative employee, with a purpose of influencing or affecting the official conduct of such official or employee.
III. No elected official, public official, public employee, constitutional official, or legislative employee shall knowingly accept, directly or indirectly, any gift, as defined in this chapter.

15-B:4 Limitation on Receipt of an Honorarium. No public official or public employee shall accept an honorarium from a person who is subject to or likely to become subject to or interested in any matter or action pending before, or contemplated by, the public official, public employee, or the governmental body with which that person is affiliated.

15-B:5 Expense Reimbursement. An elected official, public official, public employee, constitutional official, or legislative employee may accept expense reimbursement for the reasonable expenses for food, travel, and lodging for a conference, meeting, seminar, or educational program which the person attends and that is related to the office, position, or employment held with the state or county, provided that the person attaches to the disclosure report a copy of the agenda or an equivalent document which discloses the subjects addressed and the time schedule of all activities at the event. This provision shall not be construed to require reporting of a prepayment, underwriting, or reimbursement made by an organization to which the state or county pays dues, when the prepayment, underwriting or reimbursement is provided because of the dues paid.

15-B:6 Duty to Report. An elected official, public official, public employee, or legislative employee who receives an, honorarium or expense reimbursement shall file a report with the secretary of state no later than the last day of the month following the month during which the gift, honorarium, or expense reimbursement was received.

15-B:7 Honorarium, or Expense Reimbursement Report. The secretary of state shall establish a uniform report of receipt of an honorarium or expense reimbursement, which may be in paper or electronic form.

I. The report shall include at a minimum the following information, which shall be public:
   (a) The full name, work address, work phone number, the office, appointment, or employment held by person subject to the reporting requirement.
   (b) The full name, post office address, occupation, and principal place of business, if any, of the source of any reportable honorarium or expense reimbursement. When the source is a corporation or other entity, the name and work address of the person representing the corporation or entity in making the honorarium or expense reimbursement must be provided in addition to the name of the corporation or entity.
   (c) The value of the honorarium or expense reimbursement. When the exact value is unknown, the person filing the report shall provide an estimate of the value of the gift or honorarium and identify the value as an estimate.
   (d) A brief description of the service or event that gave rise to the honorarium or expense reimbursement. Reports of expense reimbursement must include a copy of the agenda or an equivalent document.
   (e) The date on which the honorarium or expense reimbursement was received.
   (f) The following statement followed by a line for the person filing the form to sign and date the form: "I have read RSA 15-B and hereby swear or affirm that the foregoing information is true and complete to the best of my knowledge and belief."
II. The secretary of state may also require information such as home phone numbers, home addresses, and other information helpful to the administration and enforcement of laws relating to honorariums or expense reimbursements. This information shall be non-public and shall not be subject to the provisions of RSA 91-A.

15-B:8 Forms; Place of Filing. The secretary of state shall furnish all forms required under this chapter. All persons filing a report under this chapter shall file with the secretary of state. The reports shall be held in the original form for 6 years from the date of filing, after which time they may be destroyed. The public information on the forms shall be available to the public in the form of a photocopy or an electronic record. The secretary of state shall, as soon as is practical, implement an electronic record keeping system that makes the public information in the reports required by this chapter available to the public through the internet.

15-B:9 Penalty. Any person who knowingly fails to comply with the provisions of this chapter or knowingly files a false report shall be guilty of a misdemeanor.

15-B:10 Examination of Reports. It shall be the duty of the attorney general to examine the reports which are made under this chapter to the secretary of state and to compel such returns be made to comply with the law.

15-B:11 Limitations. This chapter shall not be construed to:
I. Prevent receptions, breakfasts, luncheons, dinners, dances, or picnics or like events from being held for the sole purpose of raising political contributions, provided such contributions comply with and are reported as required by RSA 664.

II. Prohibit gifts or expense reimbursements made to the state of New Hampshire and accepted in accordance with the law.

15-B:12 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

10 Repeal. The following are repealed:
I. RSA 14-B:7, relative to the financial disclosure form for legislators.
II. RSA 21-G:5-a, relative to the financial disclosure form for board and commission members.
III. RSA 21-G:21, III, relative to the definition of gift.
IV. RSA 21-G:21, IV, relative to the definition of public employee.
V. RSA 21-G:21, V, relative to the definition of public official.
VI. RSA 21-G:28, relative to the financial disclosure form for public officials.

11 Applicability. Notwithstanding the change in reporting requirements otherwise established by this act, the statement of financial interests for testimonials, gifts, and honorariums received between June 2, 2005 and June 1, 2006 shall, as required by RSA 15-B prior to its repeal and reenactment, be filed with the secretary of state no later than June 15, 2006.

12 Effective Date. This act shall take effect June 2, 2006.

AMENDED ANALYSIS

This bill establishes an executive branch ethics committee and recodifies RSA 15, relative to lobbyists; RSA 15-A, relative to financial disclosure statements for public officials; and RSA 15-B, relative to reporting requirements for gifts, honorariums, and expense reimbursements.

Rep. Weed spoke in favor.

(Speaker Scamman in the Chair)

Reps. Whalley and O’Brien spoke against.

Rep. Pratt spoke in favor.

Rep. John Flanders moved the previous question.

Adopted.

Rep. Clemons requested a roll call; sufficiently seconded.

and floor amendment (0296h) failed.

Rep. Vaillancourt offered floor amendment (0278h).

Floor Amendment (0278h)

Amend RSA 21-G:29 as inserted by section 3 of the bill by inserting after paragraph III the following new paragraph:

III-a. Each political party, as defined in RSA 652:11, shall be equally represented on the executive branch ethics committee. Equal representation on the committee means that for each member who is a registered voter of one party, there shall be a member who is a registered voter of the other party. Any undeclared voter appointed to the committee shall have maintained his or her undeclared status for at least 6 months prior to the time of appointment. For purposes of this paragraph, a registered voter of a party means a person who has had a registered party affiliation for at least 6 months prior to the time of appointment.

Rep. Whalley spoke against.
Rep. John Flanders moved the previous question.
Adopted.
Rep. Lasky requested a roll call; sufficiently seconded.

SPECIAL ORDER

Without objection, the Speaker ordered that the remaining bills on today’s calendar be made Special Orders and taken up first on January 18, 2006. The bills removed from the Consent Calendar will be placed in their Regular Calendar order for the same date.

RESOLUTION

Rep. O’Neil offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, January 18, 2006 at 10:00 a.m.

Adopted.
LATE SESSION
Third reading and final passage

HB 312, relative to the appointment of parenting coordinators.
HB 325, relative to proceedings under the Child Protection Act.
HB 529, relative to the determination of parental rights and responsibilities.
HB 587, relative to child abuse and neglect investigations by the department of health and human services.
HB 591, relative to the inclusion of health insurance in the calculation of child support.
HB 592, relative to the child support guidelines.
HB 689-FN, relative to the jurisdiction of the New Hampshire commission for human rights over housing discrimination cases.
HB 719-FN, recodifying the Articles 1 and 7 of the Uniform Commercial Code.
SB 175, requiring insurance coverage for certified midwives.
HB 385, establishing a committee to study the adequacy of current substance abuse treatment available in the state prison system.
HB 489-FN, relative to disclosing an ownership interest in certain health care facilities and businesses.
HB 221, relative to eligibility for absentee ballots.
HB 349, relative to placement and removal of political advertising.
HB 331, relative to restraining dogs and relative to livestock working dogs.
HB 538, relative to deconstruction of structures.
HB 544, relative to the land and community heritage program.
HB 578, relative to the current use advisory board and relative to construction or development constituting a change in use for purposes of assessing the land use change tax.
HB 115, allowing pharmacists to establish collaborative practice agreements with medical practitioners.
SB 72, relative to the licensing of public adjusters.
HB 234-FN, relative to the development of a state and political subdivision information network.
HB 649-FN-A, establishing a committee to study the costs and funding of medicolegal investigations and autopsies.
HB 718-FN-A, relative to a state active duty death benefit for activated members of the New Hampshire National Guard and making an appropriation therefor.
HB 334, relative to the type of notice provided in court proceedings.
HB 413, relative to the appointment of the chief justice of the superior court and the number of superior court associate justices.
HB 713-FN, relative to a process for the request and disclosure of social security numbers.
SCR 3, relative to the Boy Scouts of America.
HB 121, relative to local land use approval for facilities requiring certain pollution control permits.
HB 410, relative to the confidentiality of documents submitted with an application for a property tax credit, exemption, or deferral.
HB 581, relative to approval and review of municipal charters.
HB 175, relative to divestiture of PSNH generation assets, establishing an energy policy task force, and establishing a fund for the costs of the energy policy task force.
HJR 1, recognizing that Seavey Island and the Piscataqua River are within the boundaries of the state of New Hampshire.
HR 14, supporting Taiwan’s participation in the World Health Organization.
HB 37-FN, relative to health insurance coverage for full-time students on medical leaves of absence.
HB 515, relative to purchasing alliances.
HB 100-FN-A-L, amending the formula for funding public education.
HB 380, relative to absentee voting.
HB 501, relative to citizenship and domicile affidavits.
SB 206, relative to the state code of ethics and establishing an executive ethics commission.

UNANIMOUS CONSENT

RECESS MOTION

Rep. O’Neil moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only. Adopted.

The House recessed at 5:30 p.m.

RECESS

(Rep. Wendelboe in the Chair)

RESOLUTION

HB 1763, extending a committee and adding certain duties relative to pharmacy reimbursement. (Wendelboe, Belk 1; Kurk, Hills 7; Martel, Dist 18; Clegg, Dist 14: Health, Human Services and Elderly Affairs)

HB 1764, relative to the committee to study Medicaid reimbursement rates for pharmacy providers. (Wendelboe, Belk 1; Kurk, Hills 7; Martel, Dist 18: Health, Human Services and Elderly Affairs)

RECESS

(Speaker Scamman in the Chair)

Rep. Weyler moved that the House adjourn.
Adopted.
The House assembled at 12:15 p.m., the hour set in the Call for an Emergency Session of the House, and was called to order by the Speaker.

Rep. David A. Welch, member from Kingston, led the Pledge of Allegiance.

LEAVES OF ABSENCE
Reps. Chabot, Gillick, James Martin, Palangas, Palazzo and Putnam, the day, illness.
Reps. Adams, Gene Andersen, Richard Cooney, Currier, Hilliard, Hollinger, Kelly, Lessard, Mary Ellen Martin, Michon, Morrison, Parker, Plifka, Marshall Quandt, Serlin, Anna Tilton and Wiley, the day, important business.
Reps. Casey and Coughlin, the day, illness in the family.

SUSPENSION OF RULES
Reps. O’Neil and Craig moved that the House Rules be so far suspended as to permit introduction and consideration at the present time and, if passed, to permit immediate third reading and final passage of SB 393-FN-A, relative to the temporary provision of assistance to persons eligible for both Medicaid and Medicare services and making an appropriation therefor. Adopted by the necessary two-thirds.

RESOLUTION
Reps. O’Neil and Craig offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bill numbered 393 shall be by this resolution read a first and second time by the therein listed title.
Adopted.

INTRODUCTION OF SENATE BILL
First and second reading
SB 393-FN-A, relative to the temporary provision of assistance to persons eligible for both Medicaid and Medicare services and making an appropriation therefor.

CONSIDERATION OF SENATE BILL
SB 393-FN-A, relative to the temporary provision of assistance to persons eligible for both Medicaid and Medicare services and making an appropriation therefor.
Rep. O’Neil spoke in favor and yielded to questions.
Rep. Wendelboe yielded to questions.
Adopted.

MOTION ON SENATE BILL
Rep. O’Neil moved that SB 393-FN-A, relative to the temporary provision of assistance to persons eligible for both Medicaid and Medicare services and making an appropriation therefore, be read a third time by this resolution, and that its title be the same as adopted, and that it be passed at the present time.
On a division vote, 332 members having voted in the affirmative and 20 in the negative, the motion was adopted.

Third reading and final passage
SB 393-FN-A, relative to the temporary provision of assistance to persons eligible for both Medicaid and Medicare services and making an appropriation therefor.

ADJOURNMENT FROM THE EARLY SESSION
Rep. O’Neil moved that the House adjourn from the early session, and that the business of the late session be in order.
Adopted.
UNANIMOUS CONSENT

ADJOURNMENT OF EMERGENCY SESSION
Rep. O’Neil moved that the House stand in recess for the purpose of enrolling SB 393, at the completion of which the Emergency Session of the House would stand adjourned.

RECESS
The House recessed at 12:40 p.m.

(Speaker Scamman in the Chair)
ENROLLED BILL REPORT
The Committee on Enrolled Bills has examined and found correctly enrolled Senate Bill numbered 393.

Rep. Currier, Sen. Clegg for the Committee

The House adjourned 2:15 p.m.
HOUSE JOURNAL No. 2
Wednesday, January 18, 2006

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

O God of Tina, Guy, Leo, Terrence, Tony, Phillip, Charles and Keith, O God of homeless persons, God of Governors, God of Representatives, God whose compassion stirs us and whose righteousness sometimes shames us, we gather today again to do not only the work of this state, but to do Your work. Help us to receive our Governor’s State of the State Address with open minds, and to respond in constructive ways. Bless our debates concerning recreational space, prescription drug programs and end-of-life orders with our very best awareness and commentary; and in the waning hours of today’s debates, O God, we pray simply for the energy to plow through. Let us in our work today remember the needs of those who find themselves at the bottom of the social and economic heap, smothered by a surfeit of good intentions and a lack of adequate response from the systems which tend to benefit us. Bless all who care, support, guide and challenge them. And finally, O God, bless any of us gathered here today who may be suffering in mind, in body, in spirit or in relationship. Grant them a large measure of peace and healing. All this we pray in Your Holy name. Amen.

Rep. Charles B. Yeaton, member from Epsom, led the Pledge of Allegiance.

The National Anthem was sung by Ashley Campbell, Abigail Dean, Cassidy McKinnon, Lindsey Willett and Sarah Therrien, 4th grade students from Trinity Christian School in Concord.

LEAVES OF ABSENCE

Reps. Mary Allen, Barker, Chabot, Dalrymple, Desmarais, Donahue, Patrick Garrity, Gillick, Goodwin, Heon, Lefebvre, Palangas, Palazzo, Pantelakos, Putnam, Carl Robertson and Weldy, the day, illness.
Reps. Janet Allen, Gene Andersen, Berube, Stephanie Eaton, Hilliard, Hollinger, Klose, Manning, Mears, Morris, Packard, Parker, Priestly, Reed, and Whiting, the day, important business.
Rep. Hagan, the day, death in the family.

INTRODUCTION OF GUESTS

COMMUNICATION
January 12, 2006

W. Douglas Scamman, Speaker
New Hampshire General Court
Concord, New Hampshire
Dear Mr. Speaker:
I regret to inform you that I will resign my position as a member of the New Hampshire General Court from the 13th District, Rockingham County. This resignation will take effect at noon on Tuesday, January 17th, 2006.

Rep. Rogers J. Johnson
Rockingham County, District 13

The Speaker accepted the resignation, with regret.

RESOLUTION

Reps. Weyler and Craig offered the following: RESOLVED, that the House of Representatives, on this date, January 18, 2006, is ready to meet with the Honorable Senate in Joint Convention for the purpose of hearing the State of the State Address by his Excellency, Governor John H. Lynch. Adopted.
MOTION TO VACATE
Rep. King moved that the House vacate the reference of HB 1349, relative to costs of personnel and rates for equipment use in hazardous waste incidents, to the committee on Finance. Motion adopted.
The Speaker referred HB 1349 to the committee on Criminal Justice and Public Safety.

SENATE MESSAGE
The Senate is ready to meet with the House of Representatives in Joint Convention for the purpose of hearing the State of the State Address by his Excellency, Governor John Lynch.
The Senate and Senate President Theodore L. Gatsas joined the House.

JOINT CONVENTION
(Speaker Scamman presiding)
The Speaker called the Joint Convention to order.

INTRODUCTION OF SPECIAL GUESTS
The 2005 University of New Hampshire Wildcats football team, winners of the I-AA Meadowlands Cup, named the ECAC Team of the Year; earned the number one ranking at the end of the season and a share of the Atlantic 10 Conference championship.
Represented by team members: David Ball, Brent Barbato, Aaron Brown, Tim Carignan, Corey Graham, Brandon Graham, Matt Henery, Evan Loring, Sean Lynch, Connor McCormick, Jeff Panmer, Tucker Peterson, Mark Rutberg, Ricky Santos, Derek Stank, David Sundberg, Alan Tallman, Adam Triscila, Dan Wagner, Chris Ward and Will Yarborough, accompanied by Coach Sean McDonnell.
Speaker Scamman and Senator D’Allesandro addressed the Joint Convention and presented Declarations to the team.
The Sergeant-at-Arms escorted the following to their seats:
The Speaker introduced Governor John H. Lynch and Dr. Susan Lynch.
Governor Lynch presented his State of the State Address to the Joint Convention.

STATE OF THE STATE ADDRESS
Governor Lynch: Mr. Speaker, Mr. President, Mr. Chief Justice, honorable members of the Governor’s Council, the Judiciary, the House and Senate, my fellow citizens of New Hampshire: Before I begin allow me to recognize my wife, Susan. Her love, support and patience, and that of our children, make it possible for me to do my job every day. Thank you for being a wonderful first lady.
It is an honor and privilege for me to come to this historic chamber to report to you that the state of our state is strong. Through our work together in the past year, we’ve put our state back on track and addressed together some of our most pressing challenges. Now we must continue to build the future we want for New Hampshire: A future where every child receives a high school diploma; our children grow up safe; our natural beauty is preserved for all to enjoy; more people have affordable, quality health care; and every citizen has the opportunity for a good job. We live in the greatest state in the greatest country in the world and I want to keep it that way.
A year ago I asked you to work with me by focusing on progress for the people of New Hampshire. Together, we put partisanship aside, and the people of New Hampshire are better off for it. I want to thank the leadership of both parties, Speaker Scamman, Representative Craig, Senate President Gatsas and Senator Larsen for committing wholeheartedly to this bipartisan approach. We have respected our differences and respected one another, and worked together, Democrats and Republicans, every day to get things done. Bipartisanship forces us to decide issues based on the merits, not on party lines; to care not who gets the credit, as long as the right thing gets done; and to listen to the citizens of our state and to each other. It takes more work, but it gets better results for our people.
This spirit of cooperation represents our state’s best traditions of communities working together and neighbors helping neighbors. We saw that spirit as we joined to meet the great challenges of the past year. And it is this spirit that will allow us to meet the challenges of the coming year.

On October 9th, floods devastated parts of western New Hampshire. Seven of our citizens lost their lives. Homes and businesses were destroyed; roads and bridges washed away. Our state and our people came together to respond. In Alstead, I met a woman who had lost everything; but there she was at the fire station, answering the phones and helping others. Local electricians worked with state officials and utilities to get generators to everyone who needed them. The Red Cross opened shelters. The Salvation Army fed volunteers and fed families. People from across the state, from school children to businesses donated money, clothes, and toys.

Nearly every state department worked around the clock to help people and to begin rebuilding. Within days, the Department of Transportation was re-opening roads – re-connecting communities and giving people hope that recovery was on the way. Please join me in thanking all of our state employees for their exemplary service. And let me particularly thank Senate President Gatsas, Speaker Scaman, the legislators and local officials from the affected areas, for their outstanding leadership during this disaster.

Across western New Hampshire, people told me that seeing the National Guard made them feel safe again. In the past year, our National Guard members have served in Iraq and Afghanistan, gone to the Gulf states after Hurricane Katrina, and helped in our flood recovery. Each time, they left behind their homes, their jobs and their families. Let us thank them for their sacrifices.

We have made great progress in rebuilding after the floods. But the job is not done. Some of our neighbors lost everything, and we must do what we can to help them recover. The federal government normally pays 75% of disaster costs, and the state and local communities normally split the remainder equally, but that’s much more than some of these communities can afford. That is why I ask you to pass legislation to have the state cover all but $5,000 of the match for that community. We must help our communities rebuild.

The Portsmouth Naval Shipyard is the best shipyard in the nation. When the Department of Defense recommended closing the Shipyard, some said we shouldn’t try to fight it – that we couldn’t beat Washington. But we chose to fight. We had the facts on our side and worked together – shipyard employees, state officials, the congressional delegation, local communities, and thousands of our citizens. And together, together, we saved the Portsmouth Naval Shipyard.

Fuel costs are higher than ever, but Washington still has not met its responsibility to provide fuel assistance to families and seniors. In New Hampshire we were not going to leave our citizens out in the cold. Together, we acted and funded fuel assistance for our families.

The new federal prescription drug program got off to a disastrous start, leaving many seniors unable to get their prescriptions filled. In New Hampshire, we were not going to risk the health of our citizens. Together, we acted and made sure our seniors could get the medication that they need. While scandal dominates the national headlines, we in New Hampshire are working hard to ensure the highest standards of ethics and integrity in state government. We must come together to enact bipartisan ethics reform this year. And while some are attacking our presidential primary, we are going to fight together and we are going to fight hard to protect our first-in-the-nation tradition.

When we gathered last year, we faced a major budget deficit. Together, we balanced the budget without smoke and mirrors, while looking out for the needs of our citizens. We returned our state to sound financial footing, turning deficit to surplus without new taxes. Now, there are many bills before us this year that lay claim to a portion of the surplus. But we must exercise restraint.

First, I believe that we must place a significant portion of the surplus in the Rainy Day Fund. That’s the fiscally responsible thing to do, and will provide a much needed cushion in the face of likely federal funding cuts. Second, we should make a few targeted investments in our economy and public safety, and finally, we must address the pressing, unanticipated needs of our citizens, as we are doing with the flood recovery and higher fuel costs. We know that high-energy costs are cutting into the ability of community providers to care for our citizens – from people with developmental disabilities to children in daycare. That is why I ask you to support Rep. Wallner’s and Sen. Green’s legislation to provide additional support for community providers to meet rising fuel costs.

We want all of our citizens to have access to affordable, quality health care. Last year we took action to stabilize our small business health insurance market. We ended the ability of insurance companies to discriminate based on where a business is located. And we ended the ability of insurance companies to discriminate against sick workers. Providing health care for children is the
right thing to do; it is also a wise investment in our future. Children who have access to quality health care do better in school and they do better later in life. That is why we increased our commitment to New Hampshire’s Healthy Kids Children’s Health Insurance Program. It is an investment we must sustain.

Our working families are struggling to pay for prescription drugs. Later today, the House will vote on a bill establishing the New Hampshire Rx program. This will permit the state to use its bargaining power with drug companies to help families save. I ask you to pass this important legislation. We were privileged last year to witness the courage of a young cancer victim, Michelle Morse. She faced the choice of staying in school or losing her health insurance. Michelle and her parents worked to make sure other students wouldn’t face that same impossible decision. Michelle’s parents are in the gallery today. Let us take a moment to thank them for all they and Michelle have done to help others. Sadly, Michelle passed away in November. The House honored her legacy by voting to ensure that college students will not lose their health insurance just when they need it most. I ask the Senate to quickly do the same and pass Michelle’s Law.

The increasing cost of health care is not sustainable for government, for businesses, for individuals. Too many of our citizens lack health insurance and don’t get the preventative care they need. My goal is that ten years from now New Hampshire will still be the healthiest state in the nation and more of our citizens will have access to quality health care, at a more affordable cost. I created the Citizen’s Health Initiative to help turn that vision into a reality. They are moving forward on three important fronts: developing criteria to evaluate and monitor the quality of care; reducing the medical errors and duplication through electronic medical records; and making it easier for people to get information about health care quality and health care costs. We cannot solve our health care problems overnight, or by legislation alone, but with this Initiative, for the first time, New Hampshire has everyone at the table committed to finding solutions.

Childhood obesity is a growing public health problem, and an issue Susan feels passionately about. She has been traveling throughout New Hampshire to raise awareness and to encourage our young people to live healthier and more active lives. Thank you, Susan for helping address this critical challenge.

Education is the key to opportunity for your children, our families, and our state. The demands of a changing economy require a highly skilled and educated workforce. We improved our education funding system last year, directing more aid to the communities that need it the most; reducing the statewide property tax rate; and eliminating the divisive system of donor towns. Now, I ask you to support eliminating the statewide property tax once and for all.

For our state to compete and our children to succeed, more of them must graduate from high school. Last year an estimated 2,300 of our students dropped out of high school. We must make it clear to our young people that we are not going to give up on them; we don’t want them to give up on themselves. We must change the law and require our children to stay in school until age 18. Along with the bipartisan sponsors of this legislation, I recognize that changing the compulsory attendance age is really only one part of the solution. That is why this spring I will host a statewide summit to develop strategies for keeping our young people in school. We must think creatively by looking at alternative programs, vocational high schools, internships, night programs, and at the role of the community technical colleges. Our young people, and our state, cannot afford for us to fail. Every New Hampshire child should receive a high school diploma.

We must continue our efforts to make higher education more affordable. Thanks to our commitment in this budget, first-year New Hampshire students who receive the maximum Pell Grant will now be able to attend our University System institutions for no additional tuition.

By all measures, New Hampshire’s economy is strong and poised to grow even stronger in the months and years ahead. However, there are steps that we must take if we want that growth to continue. We must develop a regional plan to combat high electric rates. We need more affordable housing for our workers. Our businesses need streamlined state services. And we must get wireless access to every part of our state by the end of the decade. That is why I will soon create by Executive Order a Jobs Cabinet. Its task will be to address these issues, with concrete recommendations that will make a difference for our economy and will make a difference for our families. Companies that innovate create jobs. That is why I am asking you to support Sen. Odell’s legislation to provide a tax credit for research and development. It is a small investment, with a potentially big payoff for our economy and our citizens.
To demonstrate that New Hampshire is a good place to do business, we should send a clear message that in New Hampshire, we respect property rights. I urge you to pass legislation that will set appropriate limits on eminent domain to protect private property in our state.

New Hampshire is at a crossroads. For four decades, we have been the fastest-growing state in New England. This growth has given us unparalleled opportunity. But, if we are not careful, we could put at risk the very things that make New Hampshire such a great place to live and work. I was disappointed that the budget did not provide more funding for the Land and Community Heritage Investment Program, which has done so much to protect our natural and our cultural resources. We must continue working together to protect all that makes New Hampshire so special. Mercury pollution poisons our waterways. It jeopardizes the health of our citizens. This year, we must pass legislation to reduce mercury emission from power plants in New Hampshire. But it makes no sense to reduce mercury pollution from one source, only to turn around and allow new mercury polluters in our state. Construction and demolition debris is not burned as fuel in any of our neighboring states except Maine, and 80% of that which is burned in Maine comes from out of state. We must not let New Hampshire become the new dumping ground for this toxic material. We need a long-term state policy for protecting our groundwater, an issue that legislative study committees are considering. Until we have that policy in place, we must proceed carefully to avoid further exploitation of our groundwater resources. We must ensure that our citizens always have clean, safe drinking water.

Our state parks are treasures. We are improving our great park system by working to add a new park on Temple Mountain and creating a specialized ATV park in Berlin. Last year, the legislature created a commission to study the future of our state park system. I look forward to its recommendations, but I want to make clear my guiding principles. Our state parks belong to all of our citizens, and we hold them in trust for future generations. I will not allow them to be turned over to private interests.

The most fundamental duty of state government is to protect the safety of our citizens. Our Bureau of Emergency Management did an extraordinary job during the floods. However, we must continue to work to improve our emergency preparedness and response. An Avian Flu pandemic would be a catastrophe for our citizens. New Hampshire recently conducted a major statewide drill to test our ability to respond. We learned some important lessons from the drill that will improve our ability to protect New Hampshire citizens. I will continue working with Emergency Management, Health and Human Services, the legislature, communities and health care providers to make sure New Hampshire does everything possible to prepare.

Our population and highway traffic is increasing. But in recent years, we’ve seen a reduction in the number of state troopers. That’s not safe for our troopers or for our citizens. That is why I’m asking you to support legislation sponsored by Senators Clegg and D’Allesandro to increase the number of state troopers on our roads.

In New Hampshire, we are seeing an increase in the production and sale of crystal meth, a horribly addictive drug that is ruining lives. I applaud the work of the Legislative Caucus on this issue and I urge you to pass tough legislation this year. We must prevent crystal meth from gaining an even bigger foothold in our state.

We must focus our attention on improving the Corrections system, and our new Commissioner Bill Wrenn will be presenting us with recommendations in the coming months. But one step is clear. We must begin planning the expansion of the prison in Berlin.

People who prey on children are among the most dangerous criminals in our state. Working with the Attorney General and many groups and lawmakers, particularly the bill’s sponsors, Rep. Batula and Sen. Foster, we developed legislation that will give New Hampshire the most comprehensive and toughest child protection laws in the nation. This legislation contains 28 provisions aimed at increasing the penalties on people who prey sexually on children; increasing penalties for murdering or permanently injuring a child; improving registration and monitoring of sexual predators; and giving parents better information about whether sexual predators are living in their neighborhoods. Nothing, nothing is more important than keeping our children safe. It’s time to send a clear message: If you prey on our children in New Hampshire, we are going to send you to prison and we are going to keep you there for a long time.

As I have traveled the State of New Hampshire, citizens have told me of the pride that they feel in the new tone that we have brought to Concord. They see the spirit of bipartisan cooperation, they see their state government working for them, and they see the results. Let us remain united by our common love for New Hampshire and its people.
I pledge to you that my door will remain open to all of you, Democrat, Republican and Independent. I will continue to work for solutions, not partisan advantage. I will continue to work with you to put the interests and needs of the people of New Hampshire first.
In the past year, we have worked together in the best traditions of New Hampshire to confront the challenges we faced. Let us move forward this year with the same spirit of cooperation, the same resolve, and the same commitment to all of our citizens.
Thank you.

Adopted.
The Joint Convention adjourned.

The House recessed at 11:15 a.m.

RECESS

(Speaker Scamman in the Chair)
The House reconvened at 11:25 a.m.

COMMITTEE REPORTS
CONSENT CALENDAR

Rep. Weyler moved that the Consent Calendar with the relevant amendments as printed in the day’s House Record be adopted.
Consent Calendar adopted.

HB 1184, relative to the majority vote required for the use of bond proceeds in certain school districts or municipalities. OUGHT TO PASS WITH AMENDMENT.
Rep. Nancy Johnson for Municipal and County Government: The bill is a technical correction. Currently, an official ballot municipality passes a bond or serial note by a 3/5 vote. If there is a balance, it takes a 2/3 vote to authorize the municipality to use that remaining sum for any other purposes for which bonds or notes would be issued. This bill changes that 2/3 vote to a 3/5 vote in official ballot municipalities. Vote 15-2.

Amendment (0311h)
Amend the bill by replacing section 2 with the following:
2 Effective Date. This act shall take effect upon its passage.

HB 1248 FN, relative to the alteration of a portion of the town line between Milford and Amherst. OUGHT TO PASS.
Rep. Eric G. Stohl for Municipal and County Government: This bill changes the boundary line between the towns of Amherst and Milford by transferring a portion of territory from Amherst to Milford. The territory involved is only about 250' wide on one end and only about 35' on the other and extending for about 3400' in length. The present town line divides 15 pieces of property which includes some homes being split in two. Both towns’ governing bodies are in complete agreement with this solution. In addition, the legislative body of each municipality will need to ratify this agreement by a 2/3 majority vote. Vote 16-0.

HB 1262, legalizing actions taken at town meeting relative to increasing the board of selectmen from 3 members to 5 members in the town of Pittsfield. OUGHT TO PASS.
Rep. Eric G. Stohl for Municipal and County Government: This bill legalizes the proceedings, actions, and votes taken on the question of increasing the board of selectmen from 3 members to 5 members at the Pittsfield Town Meeting on March 12, 2005. The committee heard testimony from numerous individuals including past and present selectmen. The petitioners sought advice from the town administrator as to the procedure for having an article to raise the membership of the select board placed on the town warrant. They followed that procedure and submitted the advised number of signatures. The town administrator, the supervisor of the checklist, and the board of selectmen reviewed the petition and placed it on the Town Warrant. The people at the town meeting voted 432-366 in favor of raising the number of selectmen from 3 to 5. Some time later, the vote was ruled invalid due to the fact that the wrong RSA was followed. The committee feels these proceedings, actions and the vote taken should be ratified. Vote 17-0.
**REGULAR CALENDAR**

**HB 1402**, defining “occupant” for purposes of liability for construction or maintenance of recreational trails. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEX-PEDIENT TO LEGISLATE.**

Rep. David H. Russell for the Majority of Resources, Recreation and Development: This bill is extremely critical to the North Country and the state as a whole in protecting the billion dollar snowmobile industry. Maintaining and improving trails for public recreational use utilizing volunteers (either paid or not paid) has become essential. This bill addresses the immunity of these volunteers in maintaining and more specifically grooming the large network of snowmobile trails. This bill was requested by the Department of Resources and Economic Development. Vote 9-6.

Rep. Sandra B. Keans for the Minority of Resources, Recreation and Development: The purpose of HB 1402 was originally to address the ruling in Estate of Kenison v. Dubois, et al. The stated goal of the supporters of the bill was to make volunteer trail groomers immune from liability for negligence. During the hearing, the attorney for the New Hampshire Snowmobile Association represented that they will not be immune from liability for gross negligence; however, this is not correct. Under both the original version, and the amended version of HB 1402, even gross negligence is protected. If the bill goes forward, it should be changed to clarify that those who are grossly negligent are not protected from liability. However, as the bill stands, it completely flips on its head the phrase “occupant.” With this bill, the common-sense meaning of the word no longer exists, and an artificial meaning is given, making it ambiguous as best. Furthermore, the bill ambiguously removes all legal protections for all snowmobilers (and all others listed in the bill, hikers, campers, etc.), no matter how poorly constructed, maintained or improved the trail is. Under the confusing language of this bill, the longstanding common law of reasonable care is completely stripped away. None of the persons protected from immunity will have the duty to use “reasonable care,” and because even gross negligence is protected, if the language is enforced by the court, these people will have no duty to use any care at all. There will be absolutely no compensation for medical bills or lost wages to those injured by the gross negligence of those who construct, maintain, or improve trails; no accountability whatsoever. The costs for their care, at least where the injuries are substantial, will most likely end up being borne by the taxpayers. There is no problem that needs to be fixed. The mere testimony at the hearing that some groomers are “nervous” based on the Kenison case, should not be sufficient to change longstanding New Hampshire law protecting individuals injured by another’s negligence. The minority intends to offer a floor amendment that will satisfy these concerns.

**Majority Amendment (0375h)**

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Liability of Landowners; Duty of Care. Amend RSA 212:34 by inserting after paragraph IV the following new paragraph:

V. In this section, “occupant of premises” means an association, corporation, or other legal entity which is nonprofit, or an individual who performs services for a nonprofit entity that constructs, maintains, or improves trails for public recreational use.

2 Off Highway Recreational Vehicles and Trails; Inherent Dangers of OHRV Operation. Amend RSA 215-A:5-c to read as follows:

215-A:5-c Inherent Dangers of OHRV Operation. I. It is recognized that OHRV operation may be hazardous. Therefore, each person who drives or rides an OHRV accepts, as a matter of law, the dangers inherent in the sport, and shall not maintain an action against an owner, occupant, or lessee of land for any injuries which result from such inherent risks, dangers, or hazards. The categories of such risks, hazards, or dangers which the OHRV user assumes as a matter of law include, but are not limited to, the following: variations in terrain, trails, paths, or roads, surface or subsurface snow or ice conditions, bare spots, rocks, trees, stumps, and other forms of forest growth or debris, structures on the land, equipment not in use, pole lines, fences, and collisions with other operators or persons.

II. In this section, “occupant” means an association, corporation, or other legal entity which is nonprofit, or an individual who performs services for a nonprofit entity that constructs, maintains, or improves trails for public recreational use.

3 New Paragraph; Snowmobiles; Posted Land. Amend RSA 215-C:55 by inserting after paragraph II the following new paragraph:
III. In this section, "occupant" means an association, corporation, or other legal entity which is nonprofit, or an individual who performs services for a nonprofit entity that constructs, maintains, or improves trails for public recreational use.

4 New Paragraph; Limitation of Actions; Landowner Liability Limited. Amend RSA 508:14 by inserting after paragraph II the following new paragraph:

III. In this section, "occupant" means an association, corporation, or other legal entity which is nonprofit, or an individual who performs services for a nonprofit entity that constructs, maintains, or improves trails for public recreational use.

5 Effective Date.
I. Section 3 of this act shall take effect July 1, 2006 at 12:01 a.m.
II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS
This bill defines "occupant" and "occupant of premises" for purposes of landowner liability. This bill is a request of the department of resources and economic development.
Rep. Spang spoke against.
Majority committee amendment failed.
Rep. Spang offered floor amendment (0474h).

Floor Amendment (0474h)
Amend the title of the bill by replacing it with the following:

AN ACT establishing the standard of care for certain individuals or nonprofit entities in constructing, maintaining, or improving trails for public recreational use, and establishing a committee to study the standard of care applicable to landowners, lessees, and occupants for the use of public recreational land.

Amend the bill by replacing all after the enacting clause with the following:

1 Limitation of Actions; Duty of Care. Amend RSA 508:14, II to read as follows:

II. Any individual, corporation, or other nonprofit legal entity, or any individual who performs services for a nonprofit entity, that constructs, maintains, or improves trails for public recreational use shall not be liable for personal injury or property damage in the absence of gross negligence or willful or wanton misconduct.

III. An owner of land who permits another person to gather the produce of the land under pick-your-own or cut-your-own arrangements, provided said person is not an employee of the landowner and notwithstanding that the person picking or cutting the produce may make remuneration for the produce to the landowner, shall not be liable for personal injury or property damage to any person in the absence of willful, wanton, or reckless conduct by such owner.

2 Committee Established. There is established a committee to study the standard of care applicable to landowners, lessees, and occupants for the use of public recreational land.

3 Membership and Compensation.
I. The members of the committee shall be as follows:
(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.
(b) Two members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

4 Duties. The committee shall study the standard of care applicable to landowners, lessees, and occupants for the use of public recreational land. The committee shall study the provisions of RSA 508:14, RSA 215-A:5-c, RSA 215-C:55, and RSA 212:34 for the purpose of reconciling the standards of care applicable to landowners, lessees, and occupants of lands used for public recreational use.

5 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

6 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.

7 Effective Date. This act shall take effect upon its passage.
AMENDED ANALYSIS

This bill provides that any individual, corporation, or other nonprofit legal entity, or any individual who performs services for a nonprofit entity, that constructs, maintains, or improves trails for public recreational use shall not be liable for personal injury or property damage in the absence of gross negligence or willful or wanton misconduct. The bill also establishes a committee to study the standard of care applicable to landowners, lessees, and occupants for the use of public recreational land.

Reps. Spang and Stohl spoke in favor.

Floor amendment (0474h) was adopted.

Majority committee report adopted and ordered to third reading.

SPECIAL ORDERS FROM JANUARY 4, 2006

HB 634-FN-A, establishing a state recycling program to provide technical services to municipalities and establishing a fee on disposable and recyclable goods sold at retail. OUGHT TO PASS WITH AMENDMENT.

Rep. Burton W. Williams for Environment and Agriculture: This state, as a whole, has not obtained the solid waste diversion goal of 40% established under RSA 149-M:2. Funding and expertise have not been available to our cities and towns to properly address their solid waste issues. Solid waste tonnage at our incinerators and land fills is increasing. This bill addresses the issue before us and directs monies to recycling programs. Vote 15-0.

Amendment (0228h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to solid waste reduction, establishing a solid waste disposal fee, and renaming the recycling market development steering committee.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The general court finds and declares that the state did not attain the 40 percent solid waste diversion goal established by the state for the year 2000 under RSA 149-M:2. Additional resources are needed to assist municipalities and businesses in diverting greater amounts of the waste stream from disposal in landfills and incinerators, thereby preserving disposal capacity in New Hampshire. Programs must also be developed to appropriately dispose of household hazardous waste, including the ever-burgeoning quantities of electronic waste.

2 Solid Waste Management; Definition; Source Reduction. Amend RSA 149-M:4, XXIV to read as follows:

XXIV. “Source reduction” means changing industrial processes, technologies, and product components with the specific objective of reducing the amount or toxicity of waste at the source. Source reduction shall also include any actions taken outside of the manufacturing setting that reduce the amount of waste produced.

3 New Subdivision; Funding For Waste and Toxicity Reduction. Amend RSA 149-M by inserting after section 57 the following new subdivision:

Funding For Waste and Toxicity Reduction

149-M:58 Solid Waste Disposal Fee.

I. A solid waste disposal fee of $1 per ton shall be assessed on any solid waste that is landfilled or incinerated at a solid waste facility. The operator of the facility shall be liable for payment of this fee according to paragraph II. If an accurate weight scale is not available at a receiving landfill or incinerator, the disposal fee shall be imposed at a rate of $0.25 per cubic yard, as can most accurately be determined.

II. Fees shall accrue and be remitted to the department by those responsible for payment on a semiannual basis upon forms provided by the department. The respective 6-month accrual periods shall end on June 30 and December 31, with remittances due on the following July 31 and January 31, respectively.

III. If payment required by this section is not furnished, or is incorrect or insufficient, the department shall make a finding as such, and determine the amount due from information available.

IV. Accurate and complete solid waste weight or volume records relating to the disposal fee imposed by this section shall be kept by those responsible for paying the fees to the department and shall be available for inspection or examination at any time by the commissioner, or the commissioner’s duly authorized agents or employees, and shall be preserved for a period of 5 years.
V. The commissioner shall adopt rules, under RSA 541-A, relative to the payment of the fee under this section, including any necessary forms and records.

149-M:59 Exemptions. The following shall not be subject to the disposal fee imposed by RSA 149M:58:

I. Any material that is delivered to a solid waste facility and is not landfilled or incinerated at that facility.

II. Brush, logs, stumps, leaves, and roots deposited into a stump dump.

III. Roadside wastes delivered to a landfill or incinerator when the facility operator certifies that he or she has accepted those wastes without any disposal charge.

IV. Cover material that is placed over solid waste at a landfill as defined by rules adopted under RSA 149-M:7.

V. Solid waste disposed of at a landfill or incinerator that is owned by a municipality, provided such facility accepts waste generated only within the municipality, with such exemption to be at the option of the qualifying municipality.

(a) For a municipality that opts to be exempt under this paragraph, funds collected under this subdivision shall not be used to provide money or services to the municipality or to residents, businesses, schools or any other entities within the municipality.

(b) This prohibition shall not apply to any entity that has not disposed of its solid waste at the municipal landfill or incinerator within the past 6 months.

(c) This prohibition shall expire if the municipality decides to no longer opt for such exemption and makes at least 2 consecutive, semi-annual payments under RSA 149-M:58, II.

VI. Incinerator ash that is landfilled, provided the ash was generated at an in-state incinerator and such incinerator is not owned by a qualifying municipality that opts to be exempt under paragraph V.

149-M:60 Use of Funds.

I. At least 50 percent of the revenues collected from the solid waste disposal fee shall be available to organizations registered with the secretary of state as nonprofit organizations provided the following conditions are met by each organization:

(a) The organization shall maintain its non-profit status;

(b) The organization’s primary mission is to assist municipalities, schools, or businesses in increasing levels of source reduction, recycling, reuse or composting; and

(c) The organization shall only spend proceeds received under this subdivision to provide:

(1) Technical assistance to municipalities and businesses on source reduction, recycling, reuse, and composting issues;

(2) Recycling and composting equipment grants to municipalities;

(3) Support for school source reduction, recycling, reuse, and composting programs; or

(4) Support for educational programs on source reduction, recycling, reuse, composting, the purchase of products with recycled material content, and pay-as-you-throw programs.

(d) An emphasis shall be given to minimizing administrative costs, while effectively delivering such services or grants.

II. The department may expend up to 50 percent of the revenues collected from the solid waste disposal fee, pursuant to appropriations of said sums in the department’s operating budget, for the purpose of:

(a) Training solid waste facility operators in recycling and composting practices;

(b) Maintaining accurate information on recycling and composting rates in the state, including the overall diversion rate;

(c) Providing programs for the efficient receipt, transportation, and disposal of household hazardous waste and electronic wastes; and

(d) Collecting the solid waste disposal fee, administering the fund in RSA 149-M:61, and staffing the recycling steering commission established under RSA 149-O.

149-M:61 Fund Established; Administration and Expenditure.

I. There is hereby established the solid waste reduction fund into which all moneys collected under this subdivision shall be deposited. This nonlapsing, special fund is continually appropriated to the department of environmental services to be expended only as provided by contract issued under paragraph II and as provided under RSA 149-M:60, II. The state treasurer shall invest the moneys deposited in the fund as provided by law. Any return on investments made shall also be credited to the fund.
II. The recycling steering commission, established under RSA 149-O, shall determine the types and amounts of grants and services, as identified under RSA 149-M:60, I(c), that are best able to produce long-term, increased rates of solid waste diversion from landfills and incinerators. Based on such determination, the commission shall from time to time, as needed, issue requests for proposals from eligible nonprofit organizations and shall select the organization or organizations to whom a contract shall be awarded. The department shall contract with such organizations, on behalf of the commission, under such terms as specified by the commission and in conformance with applicable state law. Such contracts shall not exceed 3 years in duration and shall include a payment schedule and reporting requirements sufficient to assure that the contract is being fulfilled.

4 Recycling Steering Commission. Amend RSA 149-O to read as follows:

CHAPTER 149-O
RECYCLING [MARKET DEVELOPMENT] STEERING [COMMITTEE] COMMISSION

149-O:1 [Committee] Commission Established; Duties. There is established a recycling [market development] steering [committee] commission to promote the establishment and expansion of recycling-related [industries and companies] activities in New Hampshire.

149-O:2 Duties. The [steering committee] commission shall have the following duties:

I. Advocating and securing funding for recycling market development.

II. Facilitating close communication and interaction among the state’s recycling and economic development agencies and other involved organizations.

III. Providing continuity to the state’s recycling market development efforts by reviewing and revising market development priorities, evaluating the impact of market development initiatives, and recommending new directions for market development efforts.

IV. Developing a strategy to increase the amount of solid waste diverted from landfills and incinerators through source reduction, recycling, composting, reuse, the purchase of products with recycled material content, and pay-as-you-throw programs, and to fund such activities in accordance with RSA 149-M:61, II.

149-O:3 Membership.

I. The [steering committee] commission shall consist of the following members:[representing the major segments of the state’s recycling and economic development communities]:

(a) One member of the house of representatives, appointed by the speaker.

(b) One member of the senate, appointed by the senate president.

(c) The director of the office of energy and planning, or designee. [governor’s recycling program:]

(d) [The recycling coordinator in] The commissioner of the department of environmental services, or designee [another appropriate representative of the department, appointed by the commissioner of the department of environmental services].

(e) The commissioner of the department of resources and economic development, or designee.

(g) The director of the division of plant and property management, department of administrative services.

(f) A representative of beverage, soft drink, or retail grocer interests, appointed by the governor.

(g) A representative of school recycling interests, appointed by the governor.

(h) A representative of the New Hampshire Business and Industry Association, appointed by the association.

(i) A representative from the New Hampshire Business Development Corporation, business finance authority, or another statewide economic development organization, appointed by the governor.

(j) (i) A representative of New Hampshire’s environmental community, appointed by the governor.

(k) A representative] (j) Two representatives from the New Hampshire Municipal Association, appointed by the association.

(l) The commissioner of the department of transportation, or designee:]
149-O:4 Meetings and Staffing. The [committee] commission shall meet quarterly and at such other times as the chairperson may call. The commission shall be provided staffing services by the department of environmental services.

149-O:5 Report. The [committee] commission shall prepare an annual report detailing the [committee’s] commission’s actions and progress during the prior fiscal year and any recommendations for legislation. The [committee] commission shall submit the report by [February] October 1 each year to the [chairperson of the house environment and agriculture committee, the chairperson of the senate environment committee] respective house of representatives and senate standing committees having responsibility for the subject matter, the speaker of the house, the senate president, the house clerk, the senate clerk, the state library, and the governor.

149-O:6 Mileage. Members shall serve without compensation except that legislative members shall receive legislative mileage while conducting [committee] commission business.

5 New Subparagraph: Treasury; Application of Receipts Amend RSA 6:12, I(b) by inserting after subparagraph (242) the following new subparagraph:

6 Repeal. RSA 149-M:6, XI, relative to assessing an out-of-state solid waste surcharge, is repealed.

7 Prospective Repeal. The following are repealed.

I. RSA 149-M:58-61, relative to funding for waste and toxicity reduction.

II. RSA 6:12, I(b)(243), relative to the solid waste reduction fund. Any balance remaining in the solid waste reduction fund after all contractual payment obligations are fulfilled shall be deposited in the general fund.

8 Effective Date.

I. Section 7 of this act shall take effect July 1, 2012.

II. The remainder of the act shall take effect July 1, 2006.

AMENDED ANALYSIS

This bill establishes a program administered by the department of environmental services for funding for solid waste reduction, and authorizes fees to be paid to and expended by the department. The bill also renames the recycling market development steering committee as the recycling steering commission and revises the duties of the commission. Amendment adopted.

The question now being adoption of the committee report.

Repss. Burton Williams and Essex spoke in favor and yielded to questions.

Rep. John Flanders moved the previous question.

Adopted.

Rep. Camm requested a roll call; sufficiently seconded.

168 House Journal January 18, 2006
and the committee report was adopted.
Referred to the committee on Ways and Means.
HB 624-FN, relative to penalties in certain health and health-related professions. OUGHT TO PASS WITH AMENDMENT.

Rep. Ronald J. Nowe for Executive Departments and Administration: Under current law there are no penalties for practicing without a license in 21 professions that are identified in this bill. This bill will establish a uniform penalty for knowingly practicing without a license in these 21 regulated professions. Vote 16-4.

Amendment (0201h)

Amend the bill by replacing sections 7-9 with the following:

7 Nursing; Practicing Without a License. Amend RSA 326-B:41, II to read as follows:
   II. Practice as a licensee without a license or when the license to do so has been revoked or suspended or when the license to do so has lapsed.

8 New Section; Nursing Practice Act; Penalties. Amend RSA 326-B by inserting after section 41 the following new section:
   326-B:41-a Penalty.
   I. Any person who shall practice or attempt to practice as a registered nurse, advanced registered nurse practitioner, licensed practical nurse, or licensed nursing assistant in this state without a license shall be guilty of a class A misdemeanor if a natural person or guilty of a felony if any other person.
   II. Any person who violates any of the other provisions of this chapter shall be guilty of a misdemeanor.

9 Certified Midwifery; Penalties. Amend RSA 326-D:6, III to read as follows:
   III. The title “certified midwife” shall be used only by persons certified under this chapter. No person shall continue to represent himself or herself as a certified midwife after certification has been suspended under this chapter. Any person whose certification under this chapter has been suspended or revoked by the council for disciplinary action under RSA 326-D:8, shall not engage in the practice of midwifery unless and until the suspension or revocation of certification has been lifted. [Any person violating any provision of this chapter shall be guilty of a violation.]

IV. Any person who shall practice or attempt to practice as a certified midwife in this state without certification shall be guilty of a class A misdemeanor if a natural person or guilty of a felony if any other person. Any person violating any other provision of this chapter shall be guilty of a violation.

Amend the bill by replacing all after section 20 with the following:

21 New Subparagraph: Interpreters For The Deaf And Hard Of Hearing; Exemptions. Amend RSA 326-I:7, IV by inserting after subparagraph (c) the following new subparagraph:
   (f) Court reporters certified under RSA 331-B while employed as court reporters as defined in RSA 331-B:2, III.

22 Effective Date. This act shall take effect July 1, 2006.

Amendment adopted.
Committee report adopted.
Referred to the committee on Criminal Justice and Public Safety.

The House recessed at 12:20 p.m.

RECESS

(Speaker Scamman in the Chair)

The House reconvened at 1:20 p.m.

REGULAR CALENDAR (CONT’D.)

Without objection, The House took up the following three bills out of their Regular Calendar order.

CLERK’S NOTE

When less than two-thirds of the elected membership is present. Part II, Article 20 of the state constitution requires the assent of two-thirds of those present and voting to render their acts and proceedings valid.
HB 116, relative to changes in eligibility for state programs. INEXPEDIENT TO LEGISLATE. Rep. Elizabeth S. Hager for Finance: This bill is not necessary. The Legislature has several points of control/information about eligibility for programs; both the Fiscal Committee and the Joint Legislative Committee on Administrative Rules review eligibility standards. This bill would create redundancy. Vote 16-4. Adopted by the necessary two-thirds.

HB 191-FN, relative to using school building aid for leased classrooms. INEXPEDIENT TO LEGISLATE. Rep. Kenneth H. Gould for Finance: Part of this bill has been passed in other legislation. The remainder of this bill raises questions about school-owned buildings versus leased buildings. It also creates friction between town and school as regards building permit fees. Vote 19-1. Adopted by the necessary two-thirds.

CLERK’S NOTE
The constitutionally required two-thirds of the membership for action by majority vote was declared present.

HB 298, relative to consolidating statutes relating to driving while intoxicated. OUGHT TO PASS WITH AMENDMENT. Rep. Brenda L. Ferland for Transportation: This bill takes all DWI laws relating to any motor vehicle, boats, and OHRV from a multitude of sections of current statutes and combines them into one section with no major changes, just some language clarification. Vote 9-0.

Amendment (0217h)
Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Alcohol or Drug Impairment. Amend RSA by inserting after chapter 265 the following new chapter:

CHAPTER 265-A
ALCOHOL OR DRUG IMPAIRMENT

265-A:1 Definitions. In this chapter:
I. “Authorized agent” means any agent or inspector certified by the commissioner, after training, to police the public waters of the state.
II. “Boat” means and includes every type of watercraft used or capable of being used as a means of transportation on the water.
III. “OHRV” means an off highway recreational vehicle as defined in RSA 259:69 or a snowmobile as defined in RSA 259:102.
IV. “Peace officer” means “peace officer” as defined in RSA 594:1 or any properly trained personnel of the United States Coast Guard.

Driving or Operating Under the Influence of Drugs or Liquor

265-A:2 Driving or Operating Under Influence of Drugs or Liquor; Driving or Operating With Excess Alcohol Concentration.
I. No person shall operate or attempt to operate an OHRV or drive or attempt to drive a vehicle upon any way:
(a) While such person is under the influence of intoxicating liquor or any controlled drug or any combination of intoxicating liquor and controlled drugs; or
(b) While such person has an alcohol concentration of 0.08 or more or in the case of a person under the age of 21, 0.02 or more.

II. No person shall operate or attempt to operate a boat while under the influence of intoxicating liquor or a controlled drug or any combination of intoxicating liquor and a controlled drug or drugs, or while such person has an alcohol concentration of 0.08 or more or in the case of persons under the age of 21, 0.02 or more.

265-A:3 Aggravated Driving While Intoxicated. A person shall be guilty of aggravated driving while intoxicated if the person drives, operates, or attempts to operate an OHRV, or if the person drives or attempts to drive a vehicle upon any way, or if the person operates or attempts to operate a boat:
I. While under the influence of intoxicating liquor or any controlled drug or any combination of intoxicating liquor and controlled drug or drugs and, at the time alleged:
(a) Drives or operates at a speed more than 30 miles per hour in excess of the prima facie limit;
(b) Causes a motor vehicle, boating, or OHRV collision resulting in serious bodily injury, as defined in RSA 625:11, VI, to the person or another;

(c) Attempts to elude pursuit by a law enforcement officer by increasing speed, extinguishing headlamps or, in the case of a boat, navigational lamps while still in motion, or abandoning a vehicle, boat, or OHRV while being pursued; or

(d) Carries as a passenger a person under the age of 16;

II. While having an alcohol concentration of 0.08 or more or, in the case of a person under the age of 21 at the time of the offense, 0.02 or more and, at the time alleged:

(a) Drives or operates at a speed more than 30 miles per hour in excess of the prima facie limit;
(b) Causes a motor vehicle, boating, or OHRV collision resulting in serious bodily injury, as defined in RSA 625:11, VI, to the person or another;

(c) Attempts to elude pursuit by a law enforcement officer by increasing speed, extinguishing headlamps or, in the case of a boat, navigational lights while still in motion, or abandoning a vehicle, boat, or OHRV while being pursued; or

(d) Carries as a passenger a person under the age of 16; or

III. While having an alcohol concentration of 0.16 or more.

265-A:4 Implied Consent of Driver or Operator to Submit to Testing to Determine Alcohol Concentration. Any person who drives, operates, or attempts to operate an OHRV, drives or attempts to drive a vehicle upon the ways of this state, or operates or attempts to operate a boat upon the public waters of the state shall be deemed to have given consent to physical tests and examinations for the purpose of determining whether such person is under the influence of intoxicating liquor or controlled drugs, and to a chemical, infrared molecular absorption, or gas chromatograph test or tests of any or all of any combination of the following: blood, urine, or breath, for the purpose of determining the controlled drug content of such person's blood or alcohol concentration if arrested for any offense arising out of acts alleged to have been committed while the person was driving, operating, attempting to operate, or in actual physical control of an OHRV, driving, attempting to drive, or in actual physical control of a vehicle, or operating, attempting to operate, or in actual physical control of a boat while under the influence of intoxicating liquor or controlled drugs or while having an alcohol concentration in excess of the statutory limits contained in RSA 265-A:2 or RSA 265-A:3. The test or tests shall be administered at the direction of a law enforcement officer, peace officer, or authorized agent having reasonable grounds to believe the person to have been driving, operating, attempting to operate, or in actual physical control of an OHRV, driving or in actual physical control of a vehicle, or operating or in actual physical control of a boat while under the influence of intoxicating liquor or controlled drugs or while having an alcohol concentration of 0.08 or more, or in the case of a person under the age of 21, 0.02 or more. A copy of the report of any such test shall be furnished by the law enforcement agency to the person tested within 48 hours of receipt of the report by the agency by certified mail directed to the address shown on such person's license or other identification furnished by the person. Results of a test of the breath shall be furnished immediately in writing to the person tested by the certified breath testing operator conducting the test. When the incident involves an accident resulting in death or serious bodily injury to any person as provided in RSA 265-A:16, the prerequisites of RSA 265-A:8 shall not apply. Properly trained personnel of the United States Coast Guard may arrest and conduct tests on persons who are believed to be under the influence of intoxicating liquor or controlled drugs, or a combination thereof, and who are in physical control of a boat operating upon the public coastal waters of this state.

265-A:5 Administration of Alcohol Concentration Tests.

I. Only a duly licensed physician, registered nurse, certified physician's assistant, or qualified medical technician or medical technologist acting at the request of a law enforcement officer, authorized agent, or peace officer may withdraw blood for the purpose of a test required by RSA 265-A:4. Such licensed physician, registered nurse, physician's assistant, or qualified medical technician or medical technologist shall not be liable for damages or otherwise to the person from whom blood is withdrawn for any act performed in connection with such withdrawal provided the physician, registered nurse, physician's assistant, or qualified medical technician or medical technologist acts with ordinary care.

II. All such blood and urine tests made under the direction of a law enforcement officer, authorized agent, or peace officer shall be conducted in the forensic science laboratory of the department of safety established in RSA 106-B:2-a or, in the case of blood and urine samples to be tested for the
presence of controlled drugs, in any other laboratory capable of conducting such tests which is licensed under the laws of this or any other state and which has also been licensed by the U.S. Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1988, as amended.

III. The successful completion of the external standard reference check shall be admissible evidence that the instrument was properly calibrated at the time of the test. The external standard reference check shall be performed according to the schedule required in rules adopted by the commissioner of the department of safety pursuant to RSA 541-A.

IV. No tests of blood, urine, or breath authorized by RSA 265-A:4 shall be considered as evidence in any proceeding before any administrative officer or court unless such test is performed in accordance with methods prescribed by the commissioner of the department of safety.

V. The commissioner of the department of safety shall adopt rules pursuant to RSA 541-A relative to:

(a) Methods and procedures for the testing of blood, urine, and breath to determine alcohol concentration and controlled drug content of a person’s blood;

(b) Techniques or methods for ascertaining the qualifications and competence of individuals to conduct such tests;

(c) Methods and procedures for the delivery and processing of samples of such tests;

(d) Forms relative to taking samples for alcohol concentration tests for admission as evidence pursuant to RSA 265-A:12, IV;

(e) Procedures for certification of any laboratory that conducts tests pursuant to RSA 265-A:7; and

(f) Such other matters as are required to carry out the provisions of this chapter relative to alcohol concentration tests.

265-A:6 Administration of Physical Tests Added. No post-arrest physical test or examination authorized by RSA 265-A:4 shall be considered as evidence in any proceeding before any administrative officer or court unless such test or examination is performed by a law enforcement officer who has been trained in the administration of such physical tests and examinations by a law enforcement agency or in a training program approved by the police standards and training council.

265-A:7 Additional Tests. Any person to whom RSA 265-A:4 is applicable shall have the right at his or her own expense to have similar tests made by a person of his or her own choosing who is competent to conduct the tests, as determined by the commissioner of the department of safety under RSA 265-A:5, and shall be so informed by the law enforcement officer at the same time as the person is requested to permit a test under the provisions of RSA 265-A:4. The failure or inability of an arrested person to obtain an additional test shall not preclude the admission of any test taken at the direction of a law enforcement officer, authorized agent, or peace officer. Nothing herein shall require the release from custody of the arrested person for the purpose of having such additional test made. For the purpose of this section:

I. The sample of blood taken pursuant to RSA 265-A:4 shall be of sufficient quantity to allow 2 tests; and the testing laboratory shall retain for a period of 30 days subsequent to the test conducted pursuant to RSA 265-A:4 a quantity of said sample sufficient for another test, which quantity shall be made available to the respondent or his or her counsel upon request.

II. The sample or samples of breath taken pursuant to RSA 265-A:4 shall be captured in an appropriate medium approved by the commissioner of the department of safety pursuant to RSA 265-A:5, V, and shall be sufficient to allow an equivalent additional test for each breath sample taken pursuant to 265-A:4. The captured sample or samples shall be given to the respondent in a manner determined by the commissioner of the department of safety.

265-A:8 Prerequisites to Tests.

I. Before any test of a person’s blood, urine or breath specified in RSA 265-A:4 is given, the law enforcement officer, authorized agent, or peace officer shall:

(a) Inform the arrested person of his or her right to have a similar test or tests made by a person of his or her own choosing;

(b) Afford the arrested person an opportunity to request such additional test; and

(c) Inform the arrested person of the consequences of his or her refusal to permit a test at the direction of the law enforcement officer.

II. Before any post-arrest physical test specified in RSA 265-A:4 is given, the law enforcement officer, authorized agent, or peace officer shall inform the defendant of the consequences of the defendant’s refusal to comply with the law enforcement officer’s, authorized agent’s, or peace officer’s instructions for a post-arrest physical test.
III. If the law enforcement officer, authorized agent, or peace officer fails to comply with the provisions of this section, the test shall be inadmissible as evidence in any proceeding before any administrative officer and court of this state.

265-A:9 Effect of Evidence of Alcohol Concentration Test. The provisions of this subdivision do not limit the introduction of any other competent evidence bearing on the question of whether a person charged with the violation of RSA 265-A:2, I(a), or RSA 265-A:3, I, was under the influence of intoxicating liquor or any controlled drug.

265-A:10 Effect of Evidence of Refusal to Take Alcohol Concentration Test. If a person refuses to submit to a test as provided in RSA 265-A:4, such refusal may be admissible into evidence in a civil or criminal action or proceeding arising out of an act alleged to have been committed by that person while driving, operating, attempting to operate, or in actual physical control of an OHRV, driving, attempting to drive, or in actual physical control of a vehicle, or attempting to operate, or in actual physical control of a boat while under the influence of intoxicating liquor or any controlled drug.

265-A:11 Evidence.

I. Upon complaint, information, indictment, or trial of any person charged with the violation of RSA 265-A:2, the court may admit evidence of physical testing of the defendant for being under the influence of intoxicating liquor or controlled drugs as provided in RSA 265-A:4, and of the controlled drug content of the defendant's blood and the defendant's alcohol concentration, as shown by a test of his or her breath, blood, or urine as provided in RSA 265-A:4. Evidence that there was, at the time alleged, an alcohol concentration of 0.03 or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor. Evidence that there was, at the time alleged, an alcohol concentration of more than 0.03 and less than 0.08 is relevant evidence but is not to be given prima facie effect in indicating whether or not the defendant was under the influence of intoxicating liquor, but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. Evidence that there was, at the time alleged, an alcohol concentration of 0.08 or more is prima facie evidence that the defendant was under the influence of intoxicating liquor. In addition, evidence that there was, at the time alleged, an alcohol concentration of 0.08 or more shall, in conjunction with the evidence otherwise required by RSA 265A:2, I(b) of driving or attempting to drive a vehicle upon a way, constitute a separate offense under RSA 265-A:2, I(b); and evidence that there was, at the time alleged, an alcohol concentration of 0.08 or more shall, in conjunction with the evidence otherwise required by RSA 265A:3, II of driving or attempting to drive a vehicle upon a way and of one or more of the circumstances specified in RSA 265-A:3, II (a), (b), (c), and (d) constitute a separate offense under RSA 265-A:3, II; and evidence that there was, at the time alleged, an alcohol concentration of 0.16 or more shall, in conjunction with the evidence otherwise required by RSA 265-A:3, III of driving or attempting to drive a vehicle upon a way, constitute a separate offense under RSA 265-A:3, III.

II. Upon complaint, information, indictment, or trial of any person charged with a violation of the provisions of RSA 265-A:2, II relative to the operation of boats by a person under the influence of intoxicating liquor or a controlled drug, the court may admit evidence of the defendant's alcohol concentration at the time alleged, as shown by a chemical, infrared molecular absorption, or gas chromatograph test or tests of his or her breath, urine, or blood. Evidence that there was, at the time alleged, an alcohol concentration of 0.08 or more, is prima facie evidence that the defendant was under the influence of intoxicating liquor. Evidence that the defendant had, at the time alleged, an alcohol concentration of more than 0.03 and less than 0.08 is relevant evidence and may be considered with other competent evidence in determining whether or not the defendant was under the influence of intoxicating liquor. Evidence that the defendant had, at the time alleged, an alcohol concentration of 0.03 or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor.

265-A:12 Official Record of Tests.

I. Any person who is arraigned on a charge arising under RSA 265-A:4 shall file notice in said court, within 30 days immediately following the receipt by the person of the results of any alcohol concentration test administered to such person, requiring the attendance of the person who conducted the breath test, or in the case of any other chemical test, the certifying scientist. Failure to file notice shall be deemed a waiver to require attendance of the person who conducted the breath test, or in the case of any other chemical test, the certifying scientist at the trial. The official report of the test issued pursuant to RSA 265-A:4 shall be deemed conclusive evidence of the conduct and result of said test.
II. A copy of the preventive maintenance check form filled out by the forensic breath testing supervisor who performed the last preventive maintenance check on the breath testing machine in question prior to the time of the test at issue shall be admissible evidence of the performance and successful completion of such check. Such check shall have been performed according to the schedule required in the rules adopted by the commissioner of the department of safety.

III. The successful completion of the external standard reference check shall be admissible evidence that the instrument was properly calibrated at the time of the test. The external standard reference check shall be performed according to the schedule required in rules adopted by the commissioner of the department of safety pursuant to RSA 541-A.

IV. A copy of the appropriate form filled out and signed by the person who took the sample for the alcohol concentration test in question shall be admissible evidence that the sample was taken by such person at the stated time on the stated date according to the procedures prescribed in the rules adopted by the commissioner of the department of safety pursuant to RSA 265-A:5. V.

V. Any person who is arraigned on a charge arising under RSA 265-A:2, RSA 265-A:3, or RSA 265-A:43 shall file, within 10 days of such person’s receipt of the results of any toxicology test administered to such person for the presence of any controlled drug, a notice in said court requiring the attendance of the certifying scientist. Failure to file notice shall be deemed a waiver to require attendance of the certifying scientist at trial. The official report of the test issued pursuant to RSA 265-A:4 shall be deemed conclusive evidence of the conduct of the result of such test.

265-A:13 Incapacity to Give Consent. Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusing shall be deemed not to have withdrawn the consent provided by RSA 265-A:4 and the test or tests may be administered. The provisions of RSA 265-A:8 shall not apply to persons incapable of giving consent as provided for in this section.

265-A:14 Refusal of Consent.

I. If a person under arrest for any violation or misdemeanor under RSA 265 or RSA 215-A refuses upon the request of a law enforcement officer, authorized agent, or peace officer to submit to physical tests or to a test of blood, urine, or breath designated by the law enforcement officer, authorized agent, or peace officer as provided in RSA 265-A:4, none shall be given, but:

(a) If this is the first refusal with no prior driving or operating while intoxicated or aggravated driving or operating while intoxicated conviction:

(1) The director shall suspend his or her license to drive or nonresident driving privilege for a period of 180 days; or

(2) If the person is a resident without a license or permit to drive a motor vehicle in this state, the director shall deny to the person the privilege to drive and the issuance of a license for a period of 180 days after the date of the alleged violation.

(b) If the person has a prior driving or operating while intoxicated or aggravated driving or operating while intoxicated conviction or a prior refusal of consent under this section:

(1) The director shall suspend his or her license to drive or nonresident driving privilege for a period of 2 years; or

(2) If the person is a resident without a license or permit to drive a motor vehicle in this state, the director shall deny to the person the privilege to drive and the issuance of a license for a period of 2 years after the date of the alleged violation.

II. The 180-day or 2-year suspension period or denial of issuance period imposed pursuant to this section shall not run concurrently with any other penalty imposed under the provision of this title. Any such suspension or denial of a license or privilege to drive shall be imposed in addition to any other penalty provided by law, subject to review as provided in RSA 265-A:31.

III. A refusal of consent for both post-arrest physical testing and testing of blood, urine, or breath following any one arrest shall be deemed one refusal for the purposes of this section.

IV. The provisions and penalties of this section, relative to the refusal of consent, shall apply to any person under arrest for any violation or misdemeanor involving the operation of a boat, after a hearing and upon satisfactory proof of the following:

(a) That the authorized agent or peace officer had reasonable grounds to believe the arrested person had been operating, had been attempting to operate, or was in actual physical control of a boat upon the public waters of this state while under the influence of intoxicating liquor or controlled drugs or any combination thereof;
(b) That the person has been arrested;
(c) That the person refused to submit to the test upon request of the authorized agent or peace officer;
(d) That the agent or officer informed the person arrested that his or her refusal to submit to such a test would constitute a violation; and
(e) That the agent or officer informed the arrested person of his or her right to have a similar test or tests conducted by a person of his or her own choosing.

265-A:15 Preliminary Breath Test.
I. Any law enforcement officer, authorized agent, or peace officer, who has been certified by the police standards and training council according to standards for such certification contained in rules adopted by said council pursuant to RSA 541-A, having reasonable grounds to believe that a person has been driving, operating, attempting to operate, or in actual physical control of an OHRV, driving, attempting to drive, or in actual physical control of a vehicle, or operating, attempting to operate, or in actual physical control of a boat upon the public waters of the state while under the influence of intoxicating liquor or controlled drug or while the person's alcohol concentration was 0.08 or more or in the case of a person under the age of 21, 0.02 or more or in the case of a person licensed to operate and operating a commercial vehicle or operating a commercial vessel and licensed pursuant to RSA 270-E:22 at the time of the offense, 0.04 or more may, without making an arrest, request that such person submit to a preliminary breath test for alcohol concentration to be administered by the officer. The results of any test administered under this section may be introduced into evidence in a court for any relevant purpose. Failure to submit to the test shall not constitute a violation of this chapter. Evidence of a failure to submit to a preliminary breath test shall not be admissible in court in any prosecution under this subdivision, except for the purpose of determining whether the officer had probable cause to arrest the person. The provisions of this section shall not limit the introduction of any other competent evidence bearing on the question of whether a person charged with violating RSA 265-A:2, I(a), RSA 265-A:2, II, or RSA 265-A:3 was under the influence of intoxicating liquor or any controlled drug. Nothing contained in this section shall be construed to prevent or require a subsequent test pursuant to RSA 265-A:4. The police officer requesting the test shall advise orally the person to be tested that his or her failure to take the test or his or her taking of the test shall not be construed to prevent or require a subsequent test pursuant to RSA 265-A:4. The results of the test shall be furnished immediately to the person tested by the police officer administering the test and in writing, if requested.

II. No device may be used to give a chemical test under the provisions of this section unless it has been approved as to type and make by the department of safety.

III. The commissioner of the department of safety shall adopt rules, pursuant to RSA 541-A, relative to methods and procedures for evaluation and approval of preliminary breath test devices.

265-A:16 Blood Testing of Certain Motor Vehicle Fatalities. When a collision, boating accident, or OHRV accident results in death or serious bodily injury to any person, all drivers or operators involved, whether living or deceased, and all deceased vehicle, boat, or OHRV occupants and pedestrians involved shall be tested for evidence of alcohol or controlled drugs. A law enforcement officer, authorized agent, or peace officer shall request a licensed physician, registered nurse, certified physician's assistant, or qualified medical technician or medical technologist to withdraw blood from each driver or operator involved if living and from the body of each deceased driver or operator, deceased occupant, or deceased pedestrian, in accordance with RSA 611:6, II, for the purpose of testing for evidence of alcohol content or controlled drugs; provided that in the case of a living driver or operator the officer has probable cause to believe that the driver or operator caused the collision or accident. All tests made under this section shall be conducted by the forensic science laboratory established in RSA 106-B:2-a or in any other laboratory capable of conducting such tests which is licensed under the laws of this or any other state and which has also been licensed by the U.S. Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1988, as amended. A copy of the report of any such test shall be kept on file by the medical examiner. The filed report is not a public record under RSA 91-A. However, the report shall be made available to the following:

I. Any highway safety agency for use in compiling statistics to evaluate the effectiveness of its program; and

II. Any person, including his or her legal representative, who is or may be involved in a civil, criminal, or administrative action or proceeding arising out of an accident in connection with which the test was performed.
265-A:17 Arrest Without a Warrant. Notwithstanding any other statutory provision of law to the contrary, a law enforcement officer may, without a warrant, arrest any person involved in a traffic accident, OHRV accident, or boating accident when the officer has probable cause to believe that such person has committed an offense, an element of which is driving under the influence of intoxicating liquors, controlled drugs or both. Notwithstanding any statutory provision of law to the contrary, a law enforcement officer may make such an arrest in such officer's own jurisdiction or on the property of any medical facility in another jurisdiction in this state where the person or others are taken for treatment for injuries suffered in such traffic accident.

265-A:18 Penalties for Intoxication or Under Influence of Drugs Offenses.

1. Except as otherwise provided in this section:

(a) Any person who is convicted of any offense under RSA 265-A:2, I shall be:

(1) Guilty of a class B misdemeanor;
(2) Fined not less than $500;
(3) Required to furnish proof of successful completion of an impaired driver intervention program prior to the restoration of the person's driver's license or privilege to drive, provided that, if the person has previously completed, or been required by a court or the department of safety to complete, an impaired driver intervention program (I.D.I.P.) or any similar program in any jurisdiction, the person shall be required to furnish proof of successful completion of the multiple DWI offender intervention detention center program (M.O.P.) or an equivalent 7-day residential intervention program approved by the commissioner of health and human services;

(4) The person's driver's license or privilege to drive shall be revoked for not less than 9 months and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years. The court may suspend up to 6 months of this sentence, provided that the person has entered into the relevant driver intervention program required by subparagraph (3) within 45 days after conviction, or as soon thereafter as any extenuating circumstances approved by the department of health and human services allow;

(5) The sentencing court may sentence the person to additional alcohol and/or drug treatment and counseling, or to a treatment program approved by the commissioner of health and human services, or both. In addition, the court may require the person to submit to random urinalysis or such other tests as the court may deem appropriate; and

(6) The court in which the person was convicted may reduce the conviction to a violation upon a motion filed by either party at least one year after the date of the conviction. In deciding whether to reduce the conviction to a violation, the court may consider the person's subsequent driving record, any evidence of drug or alcohol treatment, the hardship that having a criminal record may cause for the person, and any other factors that the court deems relevant.

(b) Any person who is convicted of any aggravated DWI offense under RSA 265-A:3, except as provided in subparagraph (c), shall be:

(1) Guilty of a class A misdemeanor;
(2) Fined not less than $750;
(3) Sentenced to a mandatory sentence of not less than 10 consecutive days of which 3 consecutive 24-hour periods shall be served in the county correctional facility and 7 consecutive 24-hour periods shall be served at the state-operated 7-day multiple DWI offender intervention detention center established under RSA 265-A:40, which sentence shall begin no later than 21 days after conviction. In the event that the state-operated 7-day multiple DWI offender intervention detention center has no available space, the person shall be assigned to an equivalent 7-day residential intervention program approved by the commissioner of health and human services. The person shall begin following any treatment recommendations arising out of the final evaluation given to the person at the multiple DWI offender intervention detention center or equivalent program within 60 days after the person has completed serving the required 7 consecutive 24-hour periods or such other time as the court may order;

(4) The person's driver's license or privilege to drive shall be revoked for not less than 18 months and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years. Except for good cause found by the court and noted in writing, the court may suspend up to 6 months of this sentence, provided that the person has entered into the relevant driver intervention program required by subparagraph (3) as soon as any circumstances approved by the department of health of human services allow;
(5) The sentencing court may sentence the person to additional alcohol and/or drug treatment and counseling, or to a treatment program approved by the commissioner of health and human services, or both. In addition, the court may require the person to submit to random urinalysis or such other test as the court may deem appropriate; and

(6) A person who leaves the relevant driver intervention program required by subparagraph IV(a)(3) before completion and fails to return and complete it as soon as extenuating circumstances approved by the department of health and human services allow or who fails to begin following treatment recommendations within the time required by subparagraph IV(a)(3) shall be in contempt of court and shall serve a minimum of 14 days in the county correctional facility.

c) Any person who is convicted of aggravated DWI under RSA 265-A:3, I(b) or II(b), shall be:

(1) Guilty of a class B felony;
(2) Fined not less than $1,000;
(3) Sentenced to a mandatory sentence of not less than 21 consecutive days of which 14 consecutive 24-hour periods shall be served in the county correctional facility followed by 7 consecutive 24-hour periods served at the state-operated 7-day multiple DWI offender intervention detention center established under RSA 265-A:40, which sentence shall begin no later than 21 days after conviction. In the event that the state-operated 7-day multiple DWI offender intervention detention center has no available space the person shall be assigned to an equivalent 7-day residential intervention program approved by the commissioner of health and human services, and the remainder of the sentence may be deferred at the court’s discretion. The person shall begin following any treatment recommendations arising out of the final evaluation given to the person at the multiple DWI offender intervention detention center or equivalent program within 60 days after the person has completed serving the required 7 consecutive 24-hour periods or such other time as the court may order. The court may, at the satisfactory completion of any ordered treatment, suspend any remaining deferred sentence. Failure to successfully complete any court-ordered intervention program or recommended treatment shall result in the imposition of any remaining deferred sentence; and

(4) The person’s driver’s license or privilege to drive shall be revoked for not less than 18 months and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years. Except for good cause found by the court and noted in writing, the court may suspend up to 6 months of this sentence, provided that the person has entered into the relevant driver intervention program required by subparagraph (3) as soon as any extenuating circumstances approved by the department of health and human services allow.

II. Any person convicted of a violation of RSA 265-A:19, II shall be subject to the penalties set out in this section for a violation of RSA 265-A:3. Any person convicted of a violation of any other provision in RSA 265-A:19 or a violation of RSA 265-A:2, II shall be subject to the penalties set out in this section for a violation of RSA 265-A:2, I.

III. Any person who is convicted of an offense under RSA 265-A:2, I, RSA 265-A:3, or RSA 630:3, II and the offense occurred while the person was under the age of 21 shall be sentenced according to the provisions of this section, except that in all cases the person’s driver’s license or privilege to drive shall be revoked for not less than one year.

IV. Upon conviction of any offense under RSA 265-A:2, I or RSA 265-A:3, based on a complaint which alleged that the person has had one or more prior convictions under RSA 265-A:2, I or RSA 265-A:3, or RSA 630:3, II, or under reasonably equivalent offenses in an out-of-state jurisdiction, within 10 years preceding the date of the second or subsequent offense, the person shall be subject to the following penalties in addition to those provided in paragraph I:

(a) For a second offense:

(1) The person shall be guilty of a class A misdemeanor.
(2) The person shall be fined not less than $750.
(3)(A) If the complaint alleges that the prior conviction occurred within 2 years preceding the date of the second offense, the person shall be sentenced to a mandatory sentence of not less than 37 consecutive days of which 30 consecutive 24-hour periods shall be served in the county correctional facility followed by 7 consecutive 24-hour periods to be served at the state-operated 7-day multiple DWI offender intervention detention center established under RSA 265-A:40 within 21 days after conviction, except that in circumstances where the state-operated 7-day multiple DWI offender intervention detention center has no available space the person shall
be assigned to an equivalent 7-day residential intervention program approved by the commissioner of health and human services. The person shall begin following any treatment recommendations arising out of the final evaluation given to the person at the multiple DWI offender intervention detention center or equivalent program within 60 days after the person has completed serving the required 30 consecutive 24-hour periods or such other time as the court may order.

(B) If the complaint alleges that the prior conviction occurred more than 2 but not more than 10 years preceding the date of the second offense, the person shall be sentenced to a mandatory sentence of not less than 10 consecutive days of which 3 consecutive 24-hour periods shall be served in the county correctional facility and 7 consecutive 24-hour periods shall be served at the state-operated 7-day multiple DWI offender intervention detention center established under RSA 265-A:40, which sentence shall begin no later than 21 days after conviction. In the event that the state-operated 7-day multiple DWI offender intervention detention center has no available space the person shall be assigned to an equivalent 7-day residential intervention program approved by the commissioner of health and human services. The person shall begin following any treatment recommendations arising out of the final evaluation given to the person at the multiple DWI offender intervention detention center or equivalent program within 60 days after the person has completed serving the required 7 consecutive 24-hour periods or such other time as the court may order.

(4) The person’s driver’s license or privilege to drive shall be revoked for not less than 3 years.

(5) The person shall pay a fee to the commissioner, as established under RSA 126-A:43, for the costs of the state-operated 7-day multiple DWI offender intervention detention center program prior to license restoration. If the person attends an approved equivalent 7-day residential intervention program, the fees and costs shall be paid to the program.

(6) A person who leaves the program before completion and fails to return and complete it as soon thereafter as extenuating circumstances approved by the department of health and human services allow, or who fails to begin following treatment recommendations within the time required by subparagraph IV(a)(3) shall be in contempt of court and shall serve a minimum of 30 days in the county correctional facility.

(7) The sentencing court may sentence the person to additional alcohol and/or drug treatment and counseling, or to a treatment program approved by the commissioner of health and human services, or both. In addition, the court may require the person to submit to random urinalysis or such other tests as the court may deem appropriate.

(b) For a third offense, any person convicted under this paragraph shall be subject to all the penalties of subparagraph (a) except that:

(1) The person’s driver’s license or privilege to drive shall be revoked indefinitely and shall not be restored for at least 5 years. At the end of the 5-year minimum revocation period the person may petition the court for eligibility to reapply for a driver’s license and the court, for good cause shown, may grant such eligibility subject to such terms and conditions as the court may prescribe. Any untimely petition under this subparagraph shall be dismissed without a hearing. If such petition is granted and the person is otherwise eligible for license restoration, the person may then apply to the director for restoration of driver’s license, but the license shall not be restored until the provisions of RSA 263:65-a and all other requirements under law are met.

(2) The person shall be sentenced to a mandatory sentence of not less than 180 consecutive days of which 30 consecutive 24-hour periods shall be served in the county correctional facility following which the person shall complete at the person’s own expense a residential treatment program of at least 28 days duration or an intensive course of substance abuse treatment based upon a formal evaluation by a licensed alcohol and other drug counselor and approved by the department of health and human services before the driver’s license may be restored. The remainder of the sentence may be deferred for a period of up to 2 years. The court may, at the satisfactory completion of any ordered treatment, suspend any remaining deferred sentence. Failure to successfully complete any court-ordered intervention program or recommended treatment shall result in the imposition of any remaining deferred sentence.

(3) The sentencing court may sentence the person to additional alcohol and/or drug treatment and counseling or to a treatment program approved by the commissioner of health and human services, or both. In addition, the court may require the person to submit to random urinalysis or such other tests as the court may deem appropriate.
(c) For a fourth or subsequent offense, any person convicted under this paragraph shall be subject to all the penalties of subparagraphs (a) and (b) except that the person shall be guilty of a felony, and the person’s driver’s license or privilege to drive shall be revoked indefinitely and the person shall not petition for eligibility to reapply for a driver’s license as provided in subparagraph (b)(1) for at least 7 years.

(d) For a third or subsequent offense when any prior offense under this paragraph is negligent homicide under RSA 630:3, II, or reasonably equivalent offense in an out-of-state jurisdiction, the person convicted under this paragraph shall be subject to all the penalties of subparagraphs (a) and (b) except that the person’s driver’s license or privilege to drive shall be revoked indefinitely and the person shall not petition for eligibility to reapply for a driver’s license as provided in subparagraph (b)(1) for at least 10 years.

V. Voluntary completion of an impaired driver intervention program, or an appropriate equivalent, and commencement of treatment recommended by the program may be considered by a court when determining a sentence under this section.

VI. If any person is convicted of a violation of RSA 265-A:2, I or RSA 265-A:3, and the conviction is not based upon a complaint which alleges prior convictions as provided in paragraph IV, but the person is found to have had one or more such prior convictions in this state or in an out-of-state jurisdiction within 10 years preceding the date of the offense, the person’s driver’s license or privilege to drive shall be revoked for not less than one year nor more than 3 years. Except for good cause found by the court and noted in writing, the court may suspend up to 6 months of this sentence, provided that within 45 days after conviction the person has entered the 7-day program at the state-operated multiple DWI offender intervention detention center program or an equivalent 7-day residential intervention program approved by the commissioner of health and human services, as provided in RSA 265-A:40 and RSA 265-A:42. The person’s license shall not be restored until the person has successfully completed the program. The court may further order attendance at a residential treatment center, for a period not to exceed 30 days, at the person’s own expense.

VII. For the purposes of this section:

(a) “Revocation” or “revoked” means revocation as defined in RSA 259:90 and also includes, if the person is a nonresident, the revocation of the person’s privilege as an out-of-state driver to drive on any ways of this state.

(b) “Out-of-state jurisdiction” includes any governmental entity that issues driver’s licenses that are valid for operating a motor vehicle on the ways of this state as provided in RSA 263:37, and that has laws relating to driving while intoxicated that are reasonably equivalent to the laws of this state.

(c) “Successful completion” means meeting further counseling requirements, if any, arising out of the final evaluation given to the offender at the I.D.I.P. or the M.O.P. or its equivalent; provided, however, that the offender shall have the right to a hearing before the commissioner or designee, who shall determine whether the further counseling requirements arising out of the final evaluation are warranted and appropriate, and whether the offender should be eligible for license restoration. The definition in this subparagraph shall also apply to RSA 265-A:42.

(d) A person shall be presumed to have furnished proof of successful completion of an impaired driver intervention program if the person furnishes a report indicating that he or she has completed attendance at the I.D.I.P., the M.O.P., or an equivalent program, and that he or she has paid all assessed program fees. The presumption may be overcome by a hearing requested by the department, or the I.D.I.P., the M.O.P., or an equivalent program, with notice to and an opportunity to be heard by the person, where the department and/or the I.D.I.P., the M.O.P., or an equivalent program shall have the burden of proving that the person has not successfully completed an impaired driver intervention program.

(e) The I.D.I.P., the M.O.P., or an equivalent program shall inform the department of safety in writing of any further treatment it deems necessary in order to be considered a completed program before a license suspension should be restored. The department of safety shall notify the licensee of his or her ability to request a hearing to dispute the findings and the licensee shall inform the department of safety if the licensee requests a hearing within 20 days of receipt of such notice. At such hearing the I.D.I.P., the M.O.P., or an equivalent program shall have the burden of proving the person has not successfully completed an impaired driver intervention program. The I.D.I.P., the M.O.P., or an equivalent program shall inform the department of safety in writing within 5 days after the end of the program attended by the licensee.
VIII. No portion of the minimum mandatory sentence of imprisonment and no portion of the mandatory sentence of the period of revocation and no portion of any fine imposed under this section shall be suspended or reduced by the court. No case brought to enforce this section shall be continued for sentencing for longer than 35 days. No person serving the minimum mandatory sentence under this section shall be discharged pursuant to authority granted under RSA 651:18, released pursuant to authority granted under RSA 651:19, or in any manner, except as provided in RSA 623:1, prevented from serving the full amount of such minimum mandatory sentence under any authority granted by RSA title LXII or any other provision of law.

IX. Upon conviction under the provisions of RSA 265-A:2, I or RSA 265-A:3, the prosecutor shall present to the court a certified copy of the defendant’s record of convictions of motor vehicle offenses under RSA title XXI and reasonably equivalent offenses in out-of-state jurisdictions which are on record at the New Hampshire division of motor vehicles or known to the prosecutor, or a signed statement that the defendant has no such prior convictions within the preceding 7 years. Prior to sentencing the court shall note on the complaint the number of prior convictions for drug or alcohol-related motor vehicle offenses, or the absence of any such prior convictions, as shown on such report or statement.

X. Any conviction under RSA 265-A:2, I or RSA 265-A:3 shall be reported to the department of safety, division of motor vehicles, and shall become a part of the motor vehicle driving record of the person convicted.

XI. Any person convicted of a violation of RSA 265-A:2, RSA 265-A:3, or RSA 265-A:19, I, and who at the time of driving or attempting to drive a vehicle or off highway recreational vehicle or operating or attempting to operate a boat was transporting a person under the age of 16, shall have the driver’s license or privilege to drive revoked for the maximum time period under the section violated and the person’s license or privilege to drive shall not be restored until the offender has successfully completed a 7-day program at the state operated multiple DWI offender program or an equivalent 7-day residential intervention program approved by the commissioner at the person’s own expense.

265-A:19 Penalties for Boating While Intoxicated.

I. Any person convicted of a violation of RSA 265-A:2, II or RSA 630:2 or RSA 630:3, or RSA 631:1, RSA 631:2, RSA 631:2-a, or RSA 631:3 when the offense was committed by means of his or her operation or attempted operation of a boat shall not operate a boat on the waters of this state for a period of one year from the date of his or her conviction, whether or not such conviction is appealed. Any person operating or attempting to operate a boat during such a period is guilty of a misdemeanor.

II. Any person convicted of a violation of RSA 265-A:2, II who at the time of the violation was transporting a person under the age of 16 shall not operate a boat on the waters of this state until the offender has successfully completed a 7-day program at the state operated multiple DWI offender program or an equivalent 7-day residential intervention program approved by the department of health and human services at the person’s own expense. Any person operating a boat in violation of this paragraph is guilty of a misdemeanor.

III. Any conviction under this section shall be reported to the commissioner of the department of safety, division of motor vehicles, and shall become a part of the motor vehicle driving record of the person convicted.

IV. Any person who is convicted of a violation of RSA 265-A:2, II shall be subject to the same penalties as a person convicted of a violation of RSA 265-A:2, I as specified in RSA 265-A:18. Any person who is convicted of a violation of paragraph II of this section shall be subject to the same penalties as a person convicted of a violation of RSA 265-A:3 as specified in RSA 265-A:18.

V. Notwithstanding the provisions of title LXII and in addition to any other penalty imposed under this section, any person who operates a boat in violation of this subdivision shall be fined not more than $500.

265-A:20 Loss of Motorboat Privileges. Any person who is convicted of a violation of RSA 265A:2, II involving a motor vehicle shall lose the privilege to operate a motorboat on the waters of this state for a period of one year from the date of conviction.

265-A:21 Annulment; Plea Bargaining.

I. Notwithstanding the provisions of RSA 651:5, no court shall order an annulment of any record of conviction of driving or attempting to drive a vehicle upon any way or driving, operating, attempting to operate, or being in actual physical control of an OHRV or operating or attempt-
ing to operate a boat on the waters of this state while under the influence of intoxicating liquor or any controlled drug or while having an alcohol concentration of 0.08 or more or of aggravated drunken driving until 10 years after the date of conviction. Any record thus annulled shall be retained in a permanent file, to be opened only for purposes of sentencing in the case of an offense under RSA 265-A:3.

II. Notwithstanding any other provision of law to the contrary, in any case in which a person is arrested for and charged with the offense of driving or attempting to drive a vehicle on any way or driving, operating, attempting to operate, or being in actual physical control of an OHRV or operating or attempting to operate a boat while under the influence of intoxicating liquor or drugs or while having an alcohol concentration of 0.08 or more and that charge is reduced from a second or subsequent offense to a first offense or in which the original charge is reduced to or in any manner substituted with another charge or a nolle prosequi entered in exchange for an agreement to plead guilty or nolo contendere to another charge, the prosecutor shall submit to the attorney general a written report describing such agreement. All such written reports shall be submitted to the attorney general on a monthly basis. The report shall contain such information as the attorney general shall prescribe; provided, however, that the attorney general shall not be subject to the provisions of RSA 541-A in prescribing such information. The report required by this paragraph shall be a public record and shall be available for public inspection as provided in RSA 91-A:4.

III. Notwithstanding any other provision of law to the contrary, if a person is arrested for driving or attempting to drive a motor vehicle upon any way or driving, operating, attempting to operate, or being in actual physical control of an OHRV or operating or attempting to operate a boat while under the influence of intoxicating liquor or drugs or while having an alcohol concentration of 0.08 or more, no prosecutor shall enter into any agreement with such person or such person’s attorney if such agreement would result in a charge that removed the case from consideration under any provision of RSA 259-RSA 266. The provisions of this paragraph, however, shall not prevent the bringing of any charge under RSA 630:2 or RSA 630:3.

265-A:22 Payment of all Obligations Prior to Restoration or Renewal. The director of motor vehicles shall not restore or renew a person’s license or privilege to drive, if it was revoked pursuant to RSA 265-A:2; RSA 265-A:3; RSA 265-A:35; RSA 265-A:43; RSA 630:2; or RSA 630:3, or if the revocation was connected with an alcohol-related or drug-related offense, until all obligations of such person resulting from the arrest and conviction for the offense are met. For the purposes of this section, the word “obligations” shall mean fines and penalty assessments, court-ordered restitution or reimbursement to any person injured as a result of the offense, successful completion of all treatment and rehabilitation programs the person is required to take, full payment of all fees for such programs, and any other costs which may be ordered by the court. The word “obligations” shall not mean completion of probation or parole or completion of a condition of probation or parole. In any case where the court orders periodic payment of fines, penalty assessments, restitution, or reimbursement, the obligations of such periods shall be deemed to have been met if such person is current in all such court-ordered payments.

265-A:23 Commercial Licensing; Penalties; Driving Under the Influence. Any person who drives a commercial motor vehicle with or without a valid commercial driver license and commits one of the following offenses shall be punished as follows:

I. The commissioner shall suspend for at least one year, the commercial driver license of a person who is found to have committed a first violation of driving a commercial motor vehicle under the influence of alcohol or with an alcohol concentration of 0.04 or greater, or other controlled substances, notwithstanding RSA 265-A:11, 1:

II. If the driver commits a violation of paragraph I while carrying hazardous materials, the suspension shall be for a period of 3 years.

III. The commissioner shall suspend for life, or a period of not less than 10 years, according to federal Department of Transportation regulations, the commercial driver license of a person who is found to have committed a second violation of driving a commercial motor vehicle under the influence of alcohol or with an alcohol concentration of 0.04 or greater, or other controlled substance, notwithstanding RSA 265-A:11, 1.

265-A:24 Commercial Drivers Prohibited From Driving with any Alcohol in Their Systems.

I. Notwithstanding any other provision of law, a person shall not drive a commercial motor vehicle while having alcohol in his or her system.
II. A person who drives a commercial motor vehicle while having alcohol in his or her system, or who refuses to take a test to determine his alcohol concentration, shall be placed out of service for 24 hours.

I. Any person who drives a commercial motor vehicle upon the ways of New Hampshire shall be deemed to have given consent, subject to the provisions of RSA 265-A:4, to a test or tests of any or all or any combination of the following: blood, breath, or urine, for the purpose of determining that person's alcohol concentration, or the presence of other drugs.

II. A test or tests may be administered at the direction of a law enforcement officer who, after stopping or detaining the commercial motor vehicle driver, has probable cause to believe that the driver was driving a commercial motor vehicle while having alcohol in his system.

III. (a) Upon the first refusal of any person to submit to a test or tests as administered by a law enforcement officer for the purposes of determining the person's alcohol concentration or the presence of other drugs, the director shall revoke his or her commercial license for a period of not less than one year.

(b) If the person has a prior refusal under subparagraph III(a) then, upon the second or subsequent refusal of such person to submit to a test or tests as administered by a law enforcement officer for the purposes of determining the person's alcohol concentration or the presence of other drugs, the director shall revoke his or her commercial license for a period of not less than 10 years.

IV. If the person refuses testing, or submits to a test which discloses an alcohol concentration of 0.04 or more, the law enforcement officer shall submit a sworn report to the department certifying that the test was requested pursuant to paragraph 1 and that the person refused to submit to testing, or submitted to a test which disclosed an alcohol concentration of 0.04 or more.

V. Upon receipt of the sworn report of a law enforcement officer submitted under paragraph IV, the department shall disqualify the driver from driving a commercial motor vehicle under RSA 265-A:23.

VI. The driver shall have the opportunity for a hearing and appeal as provided in RSA 265A:31 and RSA 265-A:34.

265-A:26 Revocation of License for Driving While Intoxicated and Appeal.

I. Upon a conviction of a violation of RSA 265-A:2 or RSA 265-A:3, the court shall report to the department and shall immediately revoke the license or driving privilege of the person so convicted, or the right of a nonresident so convicted to drive within the state of New Hampshire; and said court in the case of holders of New Hampshire licenses shall return such license with its findings marked thereon, together with the court return, to the department; and the department may revoke the license of any person who shall be convicted of a similar offense by a court of any other state in a criminal proceeding, or who shall be found to have committed a similar act by a court of any other state in a civil proceeding.

II. Whenever any person convicted of a violation of RSA 265-A:2 or RSA 265-A:3 appeals, the district court shall forthwith revoke the license or driving privilege of such person and, in case of a holder of a New Hampshire license, shall return such license together with the court return to the department which shall not reissue any license until the period of revocation determined by the court has elapsed.

265-A:27 Not Guilty Finding; Return of License. Any person whose license was revoked under the provisions of RSA 265-A:26 who appeals and is not found guilty shall have any previously held license returned. No additional fee requirements shall be imposed in connection with such license restoration.

265-A:28 License Restored Upon Proof of Financial Responsibility. Notwithstanding the provisions of RSA 263:71, the director shall not restore a license or driving privilege to a person whose license or driving privileges have been revoked pursuant to RSA 265-A:18 until such person has furnished proof of financial responsibility as required by other provisions of the law.

265-A:29 Revocation of Nonresident Privilege. When it has been finally determined under the procedures of this subdivision that a nonresident's privilege to drive a motor vehicle in this state has been revoked, the department shall give information in writing or by electronic means of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.
265-A:30 Administrative License Suspension.

I. If any person refuses a test as provided in RSA 265-A:14 or submits to a test described in RSA 265-A:4 which discloses an alcohol concentration of 0.08 or more or, in the case of a person under the age of 21 at the time of the violation, 0.02 or more, the law enforcement officer shall submit a sworn report to the department. In the report the officer shall certify that the test was requested pursuant to RSA 265A:4 and that the person refused to submit to testing or submitted to a test which disclosed an alcohol concentration of 0.08 or more, or, in the case of a person under the age of 21, 0.02 or more.

II. Upon receipt of the sworn report of a law enforcement officer submitted under paragraph I, the department shall suspend the person’s driver’s license or privilege to drive as follows:

(a) In the case of a refusal to take a test described in RSA 265-A:4, the suspension shall be for the period specified in RSA 265-A:14.

(b) In the case of a person who submits to a test described in RSA 265-A:4 which discloses an alcohol concentration of 0.08 or more or, in the case of a person under the age of 21 at the time of the violation, 0.02 or more, the suspension shall be for:

(1) Six months if there is no prior refusal under RSA 265-A:14, no prior driving while intoxicated or aggravated driving while intoxicated convictions, and no prior administrative license suspension pursuant to RSA 265-A:30.

(2) Two years if there is a prior refusal under RSA 265-A:14, or a prior driving while intoxicated or aggravated driving while intoxicated conviction, or a prior administrative suspension pursuant to RSA 265-A:30.

III. On behalf of the department, the law enforcement officer submitting the sworn report under paragraph I shall serve immediate notice of suspension on the person, and the suspension shall be effective 30 days after the date of service. If the person has a valid New Hampshire driver’s license, an officer shall take the driver’s license of the person, and issue a temporary license valid for the notice period. The officer shall send the license to the department along with the sworn report under paragraph I.

IV. If the person submits to a test described in RSA 265-A:4 and the results of the test are not immediately available and therefore no notice has been served by the law enforcement officer, the department shall mail such notice and the suspension shall be effective 30 days after the date of service. If the address shown in the law enforcement officer’s report differs from that shown on the department records, the notice shall be mailed to both addresses. The notice shall be presumed to have been served 3 days after mailing. Upon receipt of the notice of suspension and before requesting any review or hearing under RSA 265-A:31, if the person has a New Hampshire driver’s license that has not been surrendered, the person shall surrender such person’s license at a place designated by the department and shall be issued a temporary driving permit valid for the notice period.

V. In the case of a person who has a driver’s license from another jurisdiction, all provisions of this subdivision shall apply except that surrender of the out-of-state driver’s license and issuance of a temporary driving permit shall not be required. The department shall transmit a copy of the suspension order to the motor vehicle authorities in the jurisdiction where the person’s license was issued, and also in the jurisdiction of the person’s residence if different from that where the license was issued.

265-A:31 Administrative Review and Hearings.

I. (a) Any person whose license is suspended or revoked under this subdivision may request either an administrative review or a hearing. The request shall be in writing and shall state the grounds upon which the person seeks to have the order of suspension or revocation rescinded, which grounds shall be limited to those provided in paragraph II. The filing of the request shall not stay the suspension or revocation. A request for either administrative review or hearing received by the department after 30 days from the date the notice is issued shall be denied as untimely.

(b) If the request is for an administrative review, the request may be accompanied by any statement or other evidence which the person wants the department to consider. Upon receiving the request the department shall review the order, the evidence upon which it is based, including whether the person was driving or in actual physical control of a motor vehicle, and any other information brought to the attention of the department, and shall determine whether sufficient cause exists to sustain the order.

(c) If the request is for a hearing, the request shall also indicate whether or not the person desires to have the law enforcement officer present. The hearing shall be held within 20 days after
the filing of the request unless the person requests a continuance. A request for a continuance by
the person shall not stay the order of suspension or revocation. The hearing shall be recorded, and
be conducted by the department’s designated agent. The hearing may be conducted upon a review
of the law enforcement officer’s report if there is no request to have the officer present. If there is
a request that the law enforcement officer be present at the hearing and the officer fails to appear
without good cause shown, the case shall be dismissed and the order rescinded. If the person re-
questing the hearing fails to appear without good cause shown, the right to a hearing shall be waived
and the order sustained.

II. The scope of the administrative review or hearing shall be limited to the issues of:
(a) Whether the officer had reasonable grounds to believe the arrested person had been
driving, attempting to drive, or was in actual physical control of a vehicle upon the ways of this
state or operating or attempting to operate a boat on the waters of this state or was driving, oper-
ating, attempting to operate, or in actual physical control of an OHRV while under the influence
of intoxicating liquor, narcotics, or drugs;
(b) The facts upon which the reasonable grounds to believe such are based;
(c) Whether the person had been arrested;
(d) Whether the person has refused to submit to the test upon the request of the law en-
forcement officer or whether a properly administered test or tests disclosed an alcohol concen-
tration of 0.08 or more, or, in the case of a person under 21 years of age, 0.02 or more;
(e) Whether the officer informed the arrested person of his or her right to have a similar
test or tests conducted by a person of his or her own choosing; and
(f) Whether the officer informed the arrested person of the fact that refusal to permit the test
would result in suspension of his or her license or driving privilege and that testing above the alco-
hol concentration level specified in RSA 265-A:2 or RSA 265-A:3 would also result in suspension.

III. In the case of either an administrative review or a hearing, the hearing examiner shall issue
his or her recommendation on the order of suspension or revocation within 15 days of the request
for administrative review or the hearing date. The recommendation shall be in writing and a copy
shall be provided to the parties. The recommendation shall be final unless a review or appeal is
filed under RSA 265-A:33 or RSA 265-A:34.

265-A:32 Period of License Suspension. Where a license or driving privilege has been sus-
pended under RSA 265-A:30 and the person is also convicted on criminal charges arising out of the same
event both the suspension and the court-ordered revocation shall be imposed but the total period
of suspension and revocation shall not exceed the longer of the 2 periods; provided, however, that
any suspension for refusing to submit to a test under the provisions of RSA 265-A:14 shall not run concurrently with any other penalty imposed under the provisions of this title.

265-A:33 Review. Within 10 days following the examiner’s ruling, a person whose license has
been suspended or revoked, or the law enforcement officer, may petition the director for a review
of the ruling. The filing of the petition shall not stay a suspension or revocation of the person’s
driver’s license or privilege to drive if imposed, or the restoration of the person’s driver’s license
or privilege to drive. The review shall determine whether the ruling is erroneous as a matter of
law or cannot be sustained by the facts as presented at the hearing. After a review of the ruling,
the director shall issue within 10 days a finding either affirming the ruling or granting a new
hearing. Any grant of a new hearing shall be accompanied by a written explanation setting forth
the specific error of law or the reason why the ruling cannot be sustained by the facts.

265-A:34 Appeal; Administrative License Suspension.

I. Any person aggrieved by a decision of the department under this subdivision, after the
administrative hearing or review, may appeal the decision as provided in this section. The court
shall have the full authority to determine whether any license suspension or revocation should be
stayed during the pendency of the appeal.

II. If the suspension is sustained after a hearing as provided in RSA 265-A:31, a person shall
have the right to file a petition in the superior court in the county in which he or she was arrested
to review the final order by the director or the director’s authorized agent within 30 days of the
date of the final order. Jurisdiction to hear such appeals is vested in the superior court.

III. At the earliest practical time, the court shall review the record as developed before the
director or authorized agent, together with any written legal argument presented to the court. Based
on that review, the court may affirm or reverse the decision of the director or agent or order that
oral argument be held. As justice may require, the court may remand the case to the director or
authorized agent for further findings or rulings. In no event shall the oral argument be held less than 14 days after notice has been provided to the director. The petition for appeal shall set forth all the grounds upon which the final order is sought to be overturned. Issues not raised by the appellant before the director or agent shall not be raised before the superior court. The burden of proof shall be upon the appellant to show that the decision of the director or agent was clearly unreasonable or unlawful, and all findings of the director or agent upon all questions of fact properly before him or her shall be deemed to be prima facie lawful and reasonable. The order or decision appealed from shall not be set aside or vacated except for errors of law, unless the court is satisfied, by a clear preponderance of the evidence before it, that the order is unjust or unreasonable.

IV. No new or additional evidence shall be introduced in the superior court, but the case shall be determined upon the record and evidence transferred, except that in any case, if it shall be necessary in order that no party shall be deprived of any constitutional right, or if the court shall be of the opinion that justice requires the reception of evidence of facts which have occurred since the hearing, or which by reason of accident, mistake, or misfortune could not have been offered before the director or authorized agent, it shall remand the case to the director or authorized agent to receive and consider such additional evidence.

265-A:35 Probationary Licenses.
I. Any person who shall apply for reissuance of his or her driver's license following revocation or suspension for an offense under RSA 265:79, RSA 265-A:2, RSA 265-A:3, or RSA 265-A:43 for an offense involving a vehicle is an "at risk" driver and his or her driver's license shall be probationary for at least 5 years following the date of reissuance.

II. No holder of a probationary license shall drive or attempt to drive a vehicle upon any way when he or she is under the influence of intoxicating liquor or any controlled drug or any combination of intoxicating liquor and controlled drugs, so that the alcohol concentration is 0.03 or more. Driving with an alcohol concentration of 0.03 or more is a per se violation of a probationary license and subjects the probationary license holder to administrative suspension of his or her driver's license for not less than 90 days and not more than 180 days. Such administrative suspension shall be in addition to any court imposed suspension or revocation periods.

III. Any probationary license holder whom the police have reasonable cause to believe is driving with an alcohol concentration of 0.03 or more and who refuses to submit to a test for alcohol concentration shall have his or her driver's license administratively suspended for a period of 90 days.

Alcohol Ignition Interlock Program
265-A:36 Alcohol Ignition Interlock Program Established.
I. Any person whose license or permission to drive has been revoked or suspended for an aggravated DWI offense under RSA 265-A:18, I(b), I(c), or a subsequent DWI offense under RSA 265A:18, IV may be required by the court after the period of revocation or suspension to install an ignition interlock device as defined in RSA 259:43-a in any vehicle registered to that person or used by that person on a regular basis, for not less than 6 months nor more than 2 years. Installation and monitoring costs shall be paid by the offender. A certificate proving installation of the device shall be provided to the division of motor vehicles as a condition precedent to reinstatement of the individual's license to drive, and the division may mark the person's license accordingly.

I-a. Any person who is convicted of driving while under suspension or revocation resulting from a DWI offense shall be required by the court to install an ignition interlock device in any vehicle registered to that person or used by that person on a regular basis, for the remaining period of suspension or revocation plus an additional period not less than 6 months nor more than 2 years. The court may order such installation on a temporary basis prior to conviction as a condition of bail.

I-b. To the extent that technology does not exist to permit the installation or safe operation of any particular vehicle type when equipped with an interlock, the court may order that a restraining device which disables the vehicle be placed on any such vehicle registered to or used on a regular basis by a person required to install an ignition interlock device.

II. Nothing in this section shall prohibit a court of competent jurisdiction from requiring the installation of an ignition interlock device for any person convicted of a violation of RSA 265-A:2 involving a vehicle, where the conviction is not based upon a complaint which alleges prior convictions as provided in RSA 265-A:18, IV, but the person is found to have had one or more such prior convictions in this state or in an out-of-state jurisdiction.
III. Any person under the age of 21 whose license or permission to drive has been revoked or suspended under RSA 265-A:18 may be required by the court after the period of revocation or suspension to install an ignition interlock device as defined in RSA 259:43-a in any vehicle registered to that person or used by that person on a regular basis, until the age of 21 or for not less than 12 months, whichever is longer.

IV. An ignition interlock device may not be sold or distributed in this state without the device being approved by the commissioner or the department of safety.

V. The department of safety shall establish rules, pursuant to RSA 541-A, for the approval of ignition interlock devices and the licensing of approved interlock service providers.

VI. The commissioner shall adopt rules and regulations to create an ignition interlock program that will control the delivery of interlock service in this state under this subdivision. The rules adopted for the licensing of approved interlock service providers shall require that each provider, at a minimum:

(a) Provide recalibration of each device within 30 days of installation and every 60 days thereafter, unless otherwise ordered by the court;

(b) Maintain at least that number of locations across the state for the installation, service, calibration, and monitoring of an ignition interlock device as might be required from time to time by the program operating protocol developed by the commissioner;

(c) Provide periodic reports as determined by the court or in department rules, to the probation office and treatment provider, if applicable; if the offender is not placed on probation, to the arresting agency and the court of jurisdiction;

(d) Retain all data-logger records for 12 months after the end of the period to which the offender is sentenced;

(e) Provide installation and service to those offenders determined by the court to be unable to pay the full cost of an interlock program by reserving for this purpose a hardship credit equal to 2 percent of the service provider’s gross receipts, excluding the purchase or rental cost of the interlock device, which credit and free service shall be reported annually to the department; and

(f) Provide a certificate of installation to the vehicle’s owner upon installation of the device in a form to be determined by the department’s interlock rules.

265-A:37 Alcohol Ignition Interlock Circumvention.

I. Any person required by the court to install an ignition interlock device shall not drive any motor vehicle not equipped with this device.

II. A person shall not tamper with, or in any way attempt to circumvent the operation of an ignition interlock device that has been installed in a motor vehicle.

III. A person shall not start or attempt to start a motor vehicle equipped with an ignition interlock device for the purpose of providing an operable motor vehicle to a person who is restricted by law to drive only a motor vehicle so equipped. The provisions of this section do not apply if the starting of a motor vehicle, or the request to start a motor vehicle equipped with an ignition interlock device, is done for the purpose of safety or mechanical repair of the device or the vehicle, and the person subject to the court order does not drive the vehicle.

IV. A person shall not knowingly provide a motor vehicle not equipped with a functioning ignition interlock device to another person whom the provider of the vehicle knows was sentenced to drive only a motor vehicle equipped with an ignition interlock device.

V. Any person who violates the provisions of this section shall be guilty of a misdemeanor.

265-A:38 Violating Court Order.

I. Upon written notice, by affidavit, that any person has violated an order of the court with regard to the installation of an ignition interlock device after the period of revocation or suspension imposed in RSA 265-A:18, 265:79, or 630:3, a hearing shall be scheduled within 14 business days of the notice. Pending the hearing and upon a finding of probable cause that a violation has occurred based upon the affidavit, the court shall immediately suspend the defendant’s privilege to drive a motor vehicle. After the hearing and upon a finding of violation by a preponderance of the evidence, the privilege to drive shall not be restored until the court is satisfied that the person is in compliance with its order.

II. If it is found that a person required to drive a motor vehicle equipped with an ignition interlock device has failed to comply with any requirement for the maintenance or calibration of the device, or shows a consistent pattern of failures to pass the breath test provided by the device, the court may order a hearing to determine if the person should be held in contempt of court. Upon
a finding of contempt, the court may sentence the defendant to up to 6 months in a county department of corrections facility, may make such other orders as necessary to bring about compliance, and may order a further license suspension or revocation for a period of not more than 12 months. The period of suspension or revocation under this section shall be added to any previously ordered suspension or revocation.

Impaired Driver Intervention Programs

265-A:39 Impaired Driver Intervention Programs.
I. Except as provided in paragraph IV, the commissioner of the department of health and human services shall be responsible for biennially approving the impaired driver intervention programs and 7-day residential intervention programs equivalent to the multiple DWI offender intervention detention center program (M.O.P.) which persons convicted under RSA 265-A:2 or RSA 265A:3 shall attend in order to regain their driver’s licenses or driving privileges; but the commissioner of the department of health and human services shall not approve any impaired driver intervention program unless such program is conducted without cost to the state. Notwithstanding RSA 6:12, any fees collected under subparagraph V(c) of this section shall be placed in a nonlapsing revolving account and shall be used by the commissioner for the purposes of this subdivision only.

II. Notwithstanding any other law to the contrary, the impaired driver intervention programs operated by the department of corrections shall be deemed approved programs for purposes of the attendance required at such programs for restoration of driver’s licenses or driving privileges under RSA 265-A:42.

III. An impaired driver intervention program shall consist, at a minimum, of 20 hours of standardized educational curriculum and an exit interview.

IV. The commissioner of the department of health and human services shall adopt rules, pursuant to RSA 541-A, relative to the impaired driver intervention programs and those programs equivalent to the M.O.P. as required in RSA 265-A:18 and RSA 265-A:42 with respect to:
(a) Procedures and forms to be followed in order for drivers who have completed such programs to regain their licenses or driving privileges.
(b) Place of business and areas of the state in which approved programs may operate.
(c) Records and reports.
(d) Schedule of fees and charges.
(e) Such other matters as the commissioner of the department of health and human services and the commissioner of safety may prescribe for the protection of the public.

V. The commissioner of the department of health and human services shall adopt rules, pursuant to RSA 541-A, relative to the operation of impaired driver intervention programs with respect to:
(a) Course content and standards of instruction.
(b) Certification and recertification of instructors.
(c) A per client fee to be paid by program providers sufficient to cover the costs of monitoring course content, establishing and maintaining standards of instruction, data collection, and administrative support.
(d) Any other matter related to the proper administration of this section.

265-A:40 Multiple DWI Offender Intervention Detention Center Program.
I. The commissioner of the department of health and human services shall be responsible for administration and operation of the 7-day multiple DWI offender intervention detention center program which persons convicted under RSA 265-A:2 or RSA 265-A:3 or sentenced pursuant to RSA 651:2, V(h) may be required to attend.

II. Any person who attends the 7-day multiple DWI offender intervention detention center program shall be required to pay the fees for confinement and intervention costs, except that prior payment shall not be required of any person. The fees shall be sufficient to make the program self-supporting, exclusive of start-up costs. The fees collected shall be deposited in a special account in the office of the state treasurer and utilized as provided in RSA 265-A:41.

III. The state-operated 7-day multiple DWI offender intervention detention center program shall furnish to the courts a report indicating when a person has completed attendance at the program, and shall furnish to the division of motor vehicles, department of safety, a report indicating when a person who attends the program pursuant to RSA 265-A:18 has successfully completed the program and treatment or involvement in a substance abuse program when appropriate and warranted.
IV. The commissioner of the department of health and human services shall submit an annual report on the 7-day state-operated multiple DWI offender intervention detention center program, on or before January 1 of each year, to the speaker of the house of representatives and the president of the senate.

V. The commissioner of the department of health and human services shall adopt rules, pursuant to RSA 541-A, relative to the operation of the 7-day multiple DWI offender intervention detention center program with respect to:

(a) Program curriculum and content.
(b) Bed availability schedules.
(c) Any other matter related to the proper administration of this section.

265-A:41 Utilization of Funds. All funds derived from the fees collected by the commissioner of the department of health and human services under RSA 265-A:18 shall be paid over to the state treasurer within 10 days of the subsequent month, or at an earlier date, for deposit into a separate account in the treasury known as the 7-day multiple DWI offender intervention detention center program account. These funds are appropriated as indicated in the operating budget as a source of funds for the 7-day multiple DWI offender intervention detention center program. Any funds remaining in the account over the appropriation indicated in the operating budget shall lapse into the general fund at the end of each fiscal year.

265-A:42 Attendance at Impaired Driver Intervention Program Required.

I. The director shall not restore the license or driving privilege of any person whose license or privilege has been revoked or suspended pursuant to RSA 265-A:2, I or 265-A:3 until such person has furnished proof of successful completion of an impaired driver intervention program which is:

(a) Approved by the commissioner of the department of health and human services and the commissioner of safety pursuant to RSA 265-A:39 and RSA 265-A:40;
(b) Approved by the court or the department of safety, in the case of a person who is not a resident of this state; or
(c) Operated by the department of corrections and approved pursuant to RSA 265-A:39, II.

II. For the purposes of this section, “successful completion” means meeting further counseling requirements, if any, arising out of the final evaluation given to the offender at the I.D.I.P. or the M.O.P. or its equivalent; provided, however, that the offender shall have the right to a hearing before the commissioner or designee, who shall determine whether the further counseling requirements arising out of the final evaluation are warranted and appropriate, and whether the offender should be eligible for license restoration.

III. Successful completion shall also include payment of all assessed I.D.I.P., M.O.P., and equivalent program fees, except in the case of attendance at programs operated by the department of corrections. Failure of the offender to make full payment of the assessed fee may also result in petition for contempt of court charges against the offender.

IV. (a) Upon enrolling in an impaired driver intervention program, a person shall provide to the program an original certified copy of the person’s driver’s license record. Such record shall be secured from the division of motor vehicles, or from the state in which the person holds a driver’s license, if an out-of-state resident. The person shall pay for all costs involved in securing the certified copy.

(b) In the case of enrollment in the state-operated 7-day multiple DWI offender intervention detention center, a person shall provide such certified copy at the time of enrollment or prior to the issuance of a report under RSA 265-A:40, III and RSA 265-A:18, VIII.

V. (a) A person shall be presumed to have furnished proof of successful completion of an impaired driver intervention program if the person furnishes a report indicating that he or she has completed attendance at the I.D.I.P., the M.O.P., or an equivalent program, and that he or she has paid all assessed program fees. The presumption may be overcome by a hearing requested by the department, or the I.D.I.P., the M.O.P., or an equivalent program, with notice to and an opportunity to be heard by the person, where the department and/or the I.D.I.P., the M.O.P., or an equivalent program, shall have the burden of proving that the person has not successfully completed an impaired driver intervention program.

(b) The I.D.I.P., the M.O.P., or an equivalent program shall inform the department in writing of any further treatment it deems necessary in order to be considered a completed program before a license suspension should be restored. The department shall notify the licensee of his or her ability to request a hearing to dispute the findings and the licensee shall inform the department
of safety if the licensee requests a hearing within 20 days of receipt of such notice. At such hearing the I.D.I.P., the M.O.P., or an equivalent program shall have the burden of proving the person has not successfully completed an impaired driver intervention program. The I.D.I.P., the M.O.P., or an equivalent program shall inform the department in writing within 5 days after the end of the program attended by the licensee.

Other Alcohol and Drug Offenses

265-A:43 Possession of Drugs. Any person who drives on any way a vehicle while knowingly having in his or her possession or in any part of the vehicle a controlled drug or controlled drug analog in violation of the provisions of RSA 318-B shall be guilty of a misdemeanor, and his or her license shall be revoked or his or her right to drive denied for a period of 60 days and at the discretion of the court for a period not to exceed 2 years.

265-A:44 Transporting Alcoholic Beverages.

I. The words “liquor” and “beverage” as used in this section shall have the same meanings as defined in RSA 175:1.

II. Except as provided in paragraph V, no driver shall transport, carry, possess, or have any liquor or beverage within the passenger area of any motor vehicle upon any way in this state except in the original container and with the seal unbroken. Securely capped partially filled containers of liquor or beverages shall be stored and transported in the trunk of the motor vehicle. If the motor vehicle does not have a trunk, such containers shall be stored and transported in that compartment or area of the vehicle which is the least accessible to the driver.

III. Except as provided in paragraph V, no passenger shall carry, possess, or have any liquor or beverage within any passenger area of any motor vehicle upon any way or in an area principally used for public parking in this state except in the original container and with the seal unbroken. Securely capped partially filled containers of liquor or beverages may be stored and transported in that compartment or area of the vehicle which is the least accessible to the driver.

IV. A person who violates this section shall be guilty of a violation and shall be subject to a fine of $150. In addition, a person who violates paragraph II of this section may have his or her drivers' license, if a resident, or driving privilege, if a nonresident, suspended 60 days for a first offense and up to one year for a second or subsequent offense.

V. This section shall not apply to persons transporting, carrying, possessing, or having any liquor or beverage in a chartered bus, in a taxi, or in a limousine for hire; provided, however, that the driver of any of said vehicles is prohibited from having any liquor or beverage in or about the driver's area.

VI. For the purposes of this section only:

(a) “Passenger area of any motor vehicle” shall not include any section of a motor vehicle which has been designed or modified for the overnight accommodation of persons or as living quarters.

(b) “Way” shall mean the entire width between the boundary lines of any public highway, street, avenue, road, alley, park, or parkway, or any private way laid out under authority of statute, or any such way provided and maintained by a public institution to which state funds are appropriated for public use or any such way which has been used for public travel for 20 years.

265-A:45 Transportation of Alcoholic Beverages by a Minor.

I. Notwithstanding RSA 265-A:44, II, no driver under the age of 21 shall, except when accompanied by a parent, legal guardian, or legal age spouse, transport any liquor or beverage in any part of a vehicle. A driver violating this section may have his or her license or privilege to drive suspended for 60 days. The words “liquor” and “beverage” as used in this section shall have the same meanings as defined in RSA 175:1. “Legal age spouse” means a person 21 years of age or older.

II. This section shall not apply to a driver under 21 years of age employed under RSA 179:23.

2 Reference Changed. Amend RSA 6:12, I(b)(147) to read as follows:

(147) Moneys deposited in the 7-day multiple DWI offender intervention detection center program account under RSA [172-B:2-c] 265-A:41.

3 Reference Changed. Amend RSA 6:12, I(b)(175) to read as follows:

4 Reference Changed. Amend RSA 21-P:14, II(dd) to read as follows:

(dd) The methods, procedures, and techniques for the testing of blood, urine, and breath to determine alcohol concentration as described under RSA [265:85] 265-A:5, V.
5 References Changed. Amend RSA 21-P:14, IV(j)-(k) to read as follows:
   (j) Suspension or revocation of a driver’s license or driving privilege, as authorized by
   (k) Appeals of driver’s license denial, suspension, or revocation, as authorized by RSA 263:75,
   RSA 265-A:34, and 263:76.

6 Reference Changed. Amend RSA 21-P:14, IV(r) to read as follows:
   (r) Administrative suspension of motor vehicle licenses pursuant to RSA [265:91-a-]
   265:91-b and RSA 265:91-c and RSA 265-A:30 through RSA 265-A:32, including notices,
   forms, temporary driving permits, hearing procedures, and procedures for restoration after the
   suspension period.

7 Reference Changed. Amend RSA 179:27-a, II to read as follows:
   II. Any partially consumed bottle of table wine which is to be removed from the premises
   under paragraph I shall be securely sealed and bagged, by the licensee, either to be in conformance
   with any applicable local open container law for those patrons on foot, or transported as
   required by RSA [265:84] 265-A:44, in the trunk of a motor vehicle. If the vehicle is not equipped
   with a trunk, the securely sealed opened table wine bottles may be stored and transported in that
   compartment or area of the vehicle which is the least accessible to the driver.

8 Reference Changed. Amend RSA 214:20-f to read as follows:
   214:20-f Administration of Blood Alcohol Concentration Tests. All and any alcohol concen-
   tration tests performed as authorized in RSA 214:20-d shall be conducted pursuant to the require-
   ments of RSA [265:85] 265-A:5, relative to the testing of blood, urine, and breath.

9 Reference Changed. Amend RSA 214:20-g to read as follows:
   arrested person to obtain additional tests, shall apply to any person to whom RSA 214:20-d is applicable.

10 Reference Changed. Amend RSA 214:20-j to read as follows:
   to the court and the admissibility of the official report of tests, shall govern admissibility of the
   official records related to the tests taken pursuant to this RSA 214:20-d as well as the notice
   required to compel the attendance of any person who conducted such tests at trial.

11 References Changed. Amend RSA 215-A:19, VII(b)-(c) to read as follows:
   (b) RSA [215-A:11] 265-A:2, I and RSA 265-A:3, relative to operating an OHRV while
   intoxicated or under the influence of drugs.
   (c) RSA [215-A:11-b] 265-A:14, relative to refusal of consent.

12 References Changed. Amend RSA 215-A:29, XIX(b) to read as follows:
   (b) Any person who violates this section by operating an OHRV in this state during the
   period of suspension or revocation of such person’s license or driving privilege for a violation of
   and RSA 630:3, II shall be guilty of a misdemeanor and shall be sentenced in accordance with
   RSA 263:64, IV.

13 References Changed. Amend RSA 259:39, I(k)-(l) to read as follows:
   (k) Conviction of any offense involving a vehicle specified in RSA [265:82] 265-A:2, I;
   (l) Conviction of any offense involving a vehicle specified in RSA [265:82-a] 265-A:3;

14 Reference Changed. Amend RSA 259:43-b to read as follows:
   259:43-b Interlock Service Provider. An approved interlock service provider means an entity
   that installs, services, calibrates, monitors, and provides reports as required by RSA [265:93-a]
   265A:36, VI(c) who is approved by the commissioner of the department of safety to do so; no
   person shall provide any of the services of an approved interlock service provider without such
   prior approval.

15 References Changed. Amend RSA 259:125, II to read as follows:
   II. For the purposes of RSA 265:79, RSA [265:82] 265-A:2, I, and RSA [265:82-a] 265-A:3,
   any public highway, street, avenue, road, alley, park, parking lot, or parkway; any private way
   laid out under authority of statute; ways provided and maintained by public institutions to which
   state funds are appropriated for public use; any privately owned and maintained way open for public
   use; and any private parking lots, including parking lots and other out-of-door areas of commer-
   cial establishments which are generally maintained for the benefit of the public.

16 Reference Changed. Amend RSA 260:16 to read as follows:
   260:16 Appropriation. The department may destroy, at the end of 5 years from the date of fil-
   ing, originals or copies, including photographs, microphotographs, or photographic film, of reports
required by law of accidents and applications for licenses to drive motor vehicles and for the registration thereof. The department may destroy any obsolete number plates and forms which, in the director's opinion, are no longer of any value to the state. The time limit provided herein shall not apply in the case of the destruction of original records, papers, or documents as provided in RSA 260:19.

This section shall not be construed as allowing the destruction of any record of conviction maintained for the purposes of RSA [265:82] 265-A:2, I.

17 References Changed. Amend RSA 261:180, III to read as follows:

III. The commissioner, when suspending a driver's license or privilege to drive because the driver is an habitual offender or has been convicted of negligent homicide involving the use of a motor vehicle, manslaughter involving the use of a motor vehicle, a subsequent offense of driving or attempting to drive under the influence of intoxicating liquor or any controlled drug under RSA [265:82] 265-A:2, I, or aggravated driving while intoxicated or attempted aggravated driving while intoxicated under RSA [265:82-a] 265-A:3, shall also revoke the registration of any vehicle registered to the individual whose license is being revoked or suspended, for the period of revocation or suspension of the license or privilege to drive.

18 References Changed. Amend RSA 262:23, II to read as follows:

III. Notwithstanding paragraph I, any person who qualifies under RSA 259:39 shall not be subject to the minimum mandatory provisions of paragraph I if, and only if, that person's certification was not based on any conviction under RSA [265:82] 265-A:2, I or any misdemeanor or felony motor vehicle conviction pursuant to RSA title XXI, and that person has not been convicted of any such offense, or any reasonably similar offense in any jurisdiction within the United States and Canada, since the date of the certification; provided, however, that any such person shall be guilty of a class A misdemeanor and may be sentenced to one year or less. Any person incarcerated upon the effective date of this paragraph, pursuant to certification as an habitual offender under RSA 259:39, who does not have a conviction under RSA [265:82] 265-A:2, I involving a vehicle or any misdemeanor or felony motor vehicle convictions pursuant to RSA title XXI, may apply immediately to the superior court for sentence review and reduction.

19 References Changed. Amend the introductory paragraph of RSA 262:44 to read as follows:

Any person charged with a violation of the provisions of title XXI on vehicles, excluding a violation of RSA 263:1-a, RSA 265:79, [265:82, 265:82-a] RSA 265-A:2, RSA 265-A:3, RSA 265:115, RSA 265:117, a speeding offense under RSA 265:60 for which the defendant must appear in court, and any offense which is a misdemeanor or felony, may plead guilty, nolo contendere, or not guilty by mail in the following manner:

20 References Changed. Amend RSA 263:56-a, II(b) to read as follows:

(b) The director shall purge the record of violations in default, related suspensions, and all fees and fines assessed against these defaults and suspensions under this section that have been on file for more than 7 years; provided, however, that the director shall not purge such records for a violation of RSA 265:79, RSA [265:82] 265-A:2, I, RSA [265:82-a] 265-A:3, RSA 265:115, RSA 265:117, and any offense which is a misdemeanor or felony during the defendant's lifetime until the defendant's driver's license or driving privilege is reinstated. All courts shall notify the director of any such failure on a form prescribed by the director.

21 Reference Changed. Amend RSA 263:56-e, II(c) to read as follows:

(c) The person has successfully completed a program required by RSA [263:65-a] 265A:42 at approximately the same time he or she would have been required to take the driver attitude program.

22 References Changed. Amend RSA 263:64, IV to read as follows:

IV. Any person who violates this section by driving or attempting to drive a motor vehicle in this state during the period of suspension or revocation of his or her license or driving privilege for a violation of RSA 265:79 shall be guilty of a misdemeanor. Any person who violates this section by driving or attempting to drive a motor vehicle or by operating or attempting to operate an OHVR or snowmobile in this state during the period of suspension or revocation of his or her license or driving privilege for a violation of RSA [215-A:11, 215-C:11, RSA 265:82] 265-A:2, I, RSA [265:82-a] 265-A:3, or RSA 630:3, II shall be guilty of a misdemeanor and shall be sentenced to imprisonment for a period not less than 7 consecutive 24-hour periods to be served within 6 months of the conviction, shall be fined not more than $1,000, and shall have his or her license or privilege revoked for an additional year. No portion of the minimum mandatory sentence of imprisonment shall be suspended by the court. No case brought to enforce this paragraph shall be continued for sentencing for longer than 35 days. No person serving the minimum mandatory
sentence under this paragraph shall be discharged pursuant to authority granted under RSA 651:18, released pursuant to authority granted under RSA 651:19, or in any manner, except as provided in RSA 623:1, prevented from serving the full amount of such minimum mandatory sentence under any authority granted by title LXII or any other provision of law.

23 Reference Changed. Amend the subdivision heading preceding RSA 263:65 and RSA 263:65 to read as follows:

Effect of Reckless Driving [or Driving While Under Influence of Alcohol or Drugs]

263:65 Revocation for Reckless Driving [or Driving While Under Influence of Alcohol or Drugs]. Upon a conviction of a violation of RSA 265:79, [82 or 82-a,] the court shall report to the department and shall immediately revoke the license or driving privilege of the person so convicted, or the right of a nonresident so convicted to drive within the state of New Hampshire; and said court in the case of holders of New Hampshire licenses shall return such license with its findings marked thereon, together with the court return, to the department; and the department may revoke the license of any person who shall be convicted of a similar offense by a court of any other state in a criminal proceeding, or who shall be found to have committed a similar act by a court of any other state in a civil proceeding.

24 Alcohol and Controlled Substance Provisions Deleted. Amend RSA 263:94, I(a)-(c) to read as follows:

(a) The commissioner shall suspend for at least one year, the commercial driver license of a person who is found to have committed a first violation of:

(1) [Driving a commercial motor vehicle under the influence of alcohol with an alcohol concentration of 0.04 or greater, or other controlled substances, notwithstanding RSA 265:89; (2) Leaving the scene of an accident while driving a commercial motor vehicle; and (3)] (2) Driving a commercial motor vehicle in the commission of a felony, except a controlled substance felony as described in subparagraph (d).

(b) If the driver commits any of the violations listed in subparagraph (a) while carrying hazardous materials, the suspension shall be for a period of 3 years.

(c) The commissioner shall suspend for life, or a period of not less than 10 years, according to federal Department of Transportation regulations, the commercial driver license of a person who is found to have committed a second violation of:

(1) [Driving a commercial motor vehicle under the influence of alcohol with an alcohol concentration of 0.04 or greater, or other controlled substances, notwithstanding RSA 265:89; (2) Leaving the scene of an accident while driving a commercial motor vehicle; or (3)] (2) Using a commercial motor vehicle in the commission of a felony.

25 Scope of Administrative Review or Hearing. Amend RSA 265:91-b, II to read as follows:

II. The scope of the administrative review or hearing shall be limited to the [issues] issue of:

(a) Whether the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a vehicle upon the ways of this state while under the influence of intoxicating liquor, narcotics or drugs;

(b) The facts upon which the reasonable grounds to believe such are based;

(e) whether the person had been arrested;

(d) Whether the person has refused to submit to the test upon the request of the law enforcement officer or whether a properly administered test or tests disclosed an alcohol concentration of 0.08 or more, or, in the case of a person under 21 years of age, 0.02 or more;

(e) Whether the officer informed the arrested person of his right to have a similar test or tests conducted by a person of his own choosing; and

(f) Whether the officer informed the arrested person of the fact that refusal to permit the test would result in suspension of his license or driving privilege and that testing above the alcohol concentration level specified in RSA 265:91-a would also result in suspension.

26 Reference Changed. Amend RSA 270:12-a, I(b) to read as follows:

(b) The provisions of RSA [270:48-a] 265-A, relative to the operation or attempted operation of boats by a person under the influence of intoxicating liquor or a controlled drug or other unlawful operation of boats thereunder and all other crimes and offenses occurring on the public bodies of inland waters of the state;

27 References Changed. Amend RSA 270:46-a, I(c)-(d) to read as follows:

(c) RSA [270:50] 265-A:14, refusal of consent.

(d) RSA [270:48-a] 265-A:2, II, operating or attempting to operate boats under the influence of liquor or drugs.
28 Reference Changed. Amend RSA 270:83 to read as follows:
270:83 Chocorua Lake. No person shall use, operate, or have aboard or attached to any boat as defined in RSA 265-A:1. II a petroleum- or electric-powered inboard or outboard motor, or any other type of power motor, upon the waters of Chocorua Lake in Tamworth. Whoever violates the provisions of this section shall be guilty of a violation.

29 Reference Changed. Amend RSA 422:29. VI to read as follows:
VI. Any person who operates or attempts to operate an aircraft while under the influence of intoxicating liquor or of any controlled drug as prohibited by this chapter or 14 C.F.R. [Part] part 91 as amended shall be guilty of a class B felony and be subject to the same penalties as a person convicted of a violation of RSA 265-A:2, I as specified in RSA 265-A:18, I(c). Any conviction under this section shall be reported to the department of safety, division of motor vehicles and shall become a part of the motor vehicle driving record of the person convicted.

30 Reference Changed. Amend RSA 502-A:19-b, I to read as follows:
I. Such defendant shall receive, in addition to [his] a summons, a uniform fine schedule entitled “Notice of Fine, New Hampshire District and Municipal Courts” which shall contain the usual fines for violations of the provisions of title XXI on vehicles, excluding violations of RSA 265:79, 265-A:2, I or any offense which is a misdemeanor or felony; the usual fines for violations of the provisions of RSA 270, 270-A, and 270-E, excluding any offense which is a misdemeanor or felony; the usual fines for violations of the provisions of title XVIII on fish and game laws, excluding any offense which is a misdemeanor or felony; and the usual fines for violations of the provisions of title XIX-A on forestry laws, excluding any offense which is a misdemeanor or felony. The defendant shall be given a notice of fine indicating the amount of the fine plus penalty assessment at the time the summons is issued; except, if, for cause, the summoning authority wishes the defendant to appear personally. Defendants summoned to appear personally must do so on the arraignment date specified in the summons, unless otherwise ordered by the court. Defendants who are issued a summons and notice of fine and who wish to plead guilty or nolo contendere shall enter their plea on the summons and return it with payment of the fine plus penalty assessment to the division of motor vehicles within 30 days of the date of summons. Defendants in violation of the provisions of title XVIII shall be subject to the provisions of RSA 207:18 and RSA 214:19.

31 Applicability; Pleas by Mail. Section 30 of this act shall apply only to courts which are not computerized in coordination with the division of motor vehicles.

32 References Changed. Amend RSA 630:3, II-III to read as follows:
II. A person is guilty of a class A felony when in consequence of being under the influence of intoxicating liquor or a controlled drug or any combination of intoxicating liquor and controlled drug while operating a propelled vehicle, as defined in RSA 637:9, III or a boat as defined in RSA 270:48 265-A:1, II, he or she causes the death of another.

III. In addition to any other penalty imposed, if the death of another person resulted from the negligent driving of a motor vehicle, the court may revoke the license or driving privilege of the convicted person for up to 7 years. In cases where the person is convicted under paragraph II, the court shall revoke the license or driving privilege of the convicted person indefinitely and the person shall not petition for eligibility to reapply for a driver’s license for at least 7 years. In a case in which alcohol was involved, the court may also require that the convicted person shall not have a license to drive reinstated until after the division of motor vehicles receives certification of installation of an ignition interlock device as described in RSA 265:36, which shall remain in place for a period not to exceed 5 years.

33 Reference Changed. Amend RSA 651:2, V(h) to read as follows:
(h) In cases of a person convicted of a felony or class A misdemeanor, a court may sentence such person to 7 consecutive 24-hour periods to be served at the state-operated 7-day multiple DWI offender intervention detention center program established under RSA 172-B:2-b 265-A:40, if the evidence demonstrates that alcohol was a contributing factor in the commission of the offense and provided that space is available in the program and such person pays the fees for the program in full prior to admission.

34 References Changed. Amend the introductory paragraph of RSA 651:5, III to read as follows:
III. Except as provided in RSA 265-A:21 or in paragraphs V and VI, any person convicted of an offense may petition for annulment of the record of arrest, conviction, and sen-
tence when the petitioner has completed all the terms and conditions of the sentence and has there-

after been convicted of no other crime, except a motor vehicle offense classified as a violation other
than driving while intoxicated under RSA [265:82] 265-A:2, I, for a period of time as follows:

35 References Changed. Amend RSA 651:6, II(b)-(c) to read as follows:

(b) Has previously been convicted of a violation of RSA 630:3, II. RSA [265:82-a] 265-A:3, I(b) or II(b), or any crime in any other jurisdiction involving driving or attempting to drive a motor
vehicle under the influence of controlled drugs or intoxicating liquors, or both, and such person has
committed a crime as defined under RSA 630:3, II or RSA [265:82-a] 265-A:3, I(b) or II(b); or

(c) Has twice previously been convicted in this state or any other jurisdiction, for driving or attempting to drive a motor vehicle under the influence of intoxicating liquors or controlled
drugs, or both, and such person has committed a crime as defined under RSA 630:3, II or RSA [265:82-a] 265-A:3. I(b) or II(b).

36 Repeal. The following are repealed:

I. RSA 172-B:2-a through 172-B:2-c, relative to impaired driver intervention programs.

II. RSA 215-A:11 through 215-A:11-q, relative to DWI provisions for OHVRs.

III. RSA 263:14-a, relative to probationary licenses.

IV. RSA 263:65-a, relative to attendance at impaired driver intervention programs.

V. RSA 263:66, relative to revocation of license for driving while intoxicated and appeals.

VI. RSA 263:67, relative to not guilty findings; return of license.

VII. RSA 263:71-a, relative to license restoration upon proof of financial responsibility.

VIII. RSA 263:95, relative to commercial drivers prohibited from driving with any alcohol
in their systems.

IX. RSA 263:96, relative to implied consent requirements for commercial motor vehicle drivers.

X. RSA 265:80, relative to possession of drugs.

XI. RSA 265:81, relative to transporting alcoholic beverages.

XII. RSA 265:81-a, relative to transportation of alcoholic beverages by a minor.

XIII. RSA 265:82, relative to driving under influence of drugs or liquor; driving with excess
alcohol concentration.

XIV. RSA 265:82-a, relative to aggravated driving while intoxicated.

XV. RSA 265:82-b, relative to penalties for intoxication or operating under the influence of
drugs offenses.

XVI. RSA 265:82-c, relative to annulment; plea bargaining.

XVII. RSA 265:82-d, relative to payment of all obligations prior to restoration.

XVIII. RSA 265:83, relative to arrests without a warrant.

XIX. RSA 265:84, relative to implied consent of driver to submit to testing.

XX. RSA 265:85, relative to administration of alcohol concentration tests.

XXI. RSA 265:85-a, relative to administration of physical tests.

XXII. RSA 265:86, relative to additional tests.

XXIII. RSA 265:87, relative to prerequisites to tests.

XXIV. RSA 265:88, relative to effect of evidence of alcohol concentration tests.

XXV. RSA 265:88-a, relative to evidence of refusal to take alcohol concentration tests.

XXVI. RSA 265:89, relative to evidence.

XXVII. RSA 265:90, relative to official records of tests.

XXVIII. RSA 265:91, relative to incapacity to give consent.

XXIX. RSA 265:91-a, relative to administrative license suspensions.

XXX. RSA 265:92, relative to refusal of consent.

XXXI. RSA 265:92-a, relative to preliminary breath test.

XXXII. RSA 265:93, relative to blood testing of certain motor vehicle fatalities.

XXXIII. RSA 265:93-a through 265:93-c, relative to alcohol ignition interlock program.

XXXIV. RSA 270:47 through 270:58-b, relative to implied consent for boaters.

XXXV. RSA 215-C:11 through 215-C:27, relative to DWI provisions for snowmobiles.

37 Effective Date. This act shall take effect January 1, 2007.

Amendment adopted.

Committee report adopted.

Referred to the committee on Criminal Justice and Public Safety.
HB 685-FN-A, permitting casino gambling. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. James M. Fitzgerald for the Majority of Executive Departments and Administration: The committee felt that the bill, as written, was too restrictive in that it designated that a casino be built in the White Mountains. The committee heard conflicting testimony as to the economic benefit that a casino would have in the White Mountains and there was concern about the social impact it might have. The committee felt that if the State should decide that it wants to expand gaming in New Hampshire to include casino gambling, a thorough study should be done to determine what type of casino, the number of casinos and what locations would best serve the needs of the state. Also the committee felt that it is premature to consider expanding gaming in New Hampshire before the committee established in the last legislative session to look into expanded gaming in New Hampshire has made its report. Vote 18-2.

Rep. Pamela V. Manney for the Minority of Executive Departments and Administration: For decades, the State of New Hampshire has been wrestling with the idea of establishing casino gambling in the State of New Hampshire. Study committees were formed to discuss the impact of expanded gambling in New Hampshire. Proponents, for and against, have had ample opportunity to express their opinions on the matter. It is now time to vote. Are you in favor of establishing a casino in the White Mountain Region or not? Proponents believe to do so would be an economic boon to the local economy and to the local citizens starving for year round employment in that area of New Hampshire. They also believe it would be a boon to the state economy as well. Reps. Manney and Gionet spoke against and yielded to questions.

Rep. Fitzgerald spoke in favor.

Rep. Mirski requested a roll call; sufficiently seconded.

SB 110-FN-A, establishing the New Hampshire Rx plus program for prescription drugs. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE. Rep. Cindy Rosenwald for the Majority of Health, Human Services and Elderly Affairs: Approximately 135,000 citizens of New Hampshire, more than 10% of our population, do not have health insurance or prescription drug benefits and are of lower income. For individuals and families living on low incomes, being able to afford prescription medicines is a significant hardship. Pharmacists report that often customers ask which of their prescriptions they should fill because they cannot afford to fill all of them. Individuals with no health insurance are the people who pay the highest prices for their medicines when they can least afford it. This discount drug program was studied over a period of months beginning last February, with subcommittees meeting a total of nine times. During that period, a number of amendments were considered, and testimony was heard from all interested, parties, including pharmacies and pharmaceutical manufacturers. The final amendment,
voted OTP 6-1 by subcommittee, is based on a similar bill enacted in Hawaii last year, offering a combination of discounts from both pharmacies and the pharmaceutical industry to individuals up to 300% of federal poverty limit who have no insurance for prescription drugs or have reached the limit of their coverage. Since that time, similar programs have been enacted in Michigan and Montana. The committee amendment has several distinct advantages. Participation for both pharmacies and pharmaceutical manufacturers is completely voluntary. Therefore, no federal waiver from Medicaid officials is required, and the state Medicaid plan does not need to be amended. The Pharmaceutical industry representatives who attended subcommittee meetings did not oppose the program; nor have they in Hawai.”In addition, the pharmaceutical industry has sponsored a ballot initiative in California that creates a similar voluntary discount program and has collected $78 million from member drug companies for marketing efforts in support of it. The committee amendment received supportive testimony from the coordinator of New Hampshire’s program to help low income people obtain free medications from drug companies. We heard testimony that bridge program cannot meet the full need of New Hampshire’s under-insured. The majority of the committee believes that this program will increase retail pharmacy purchases from customers who will pay cash and buy other items when they are in the stores. Members of the retail industry in New Hampshire attended some of the subcommittee meetings, and did not oppose the bill. The majority of the committee felt there was a need in our state for a prescription drug discount program for the lower income under-insured population. Vote 17-4.

Rep. Fran Wendelboe for the Minority of Health, Human Services and Elderly Affairs: This bill creates a bureaucratic state program with at least a million dollar fiscal note for start up costs and a Health and Human Service Department fiscal note stating that drug company rebates will not cover yearly administrative costs in the first three years of the program. The drug industry currently has a nationwide free/or nearly free program for all ages who are uninsured and under 150-200% of poverty. This is where our efforts should be – supporting outreach and enrollment in the free programs. Additionally, no pharmacies have agreed to participate and it is unlikely they will since this legislation does not provide any reimbursement for discounts the pharmacies are required to provide or any payment of a dispensing fee. Since it is voluntary participation, pharmacies are likely to not participate. Drug companies also have not committed to participate with “rebates” to the state for non medicaid population. BRA 98 requires discount rebates for the “poverty” medicaid program but are under no obligation to give kickback (rebates) for uninsured people who make up to $65,000 a year. While the minority agrees some people need assistance with their drug costs, there are other ways to get them assistance at little cost to the state.

Majority Amendment (0011h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing the New Hampshire Rx plus program for prescription drugs and continually appropriating a special fund.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court finds that affordability is critical in providing access to prescription drugs for New Hampshire residents. The general court hereby creates the New Hampshire Rx Plus Program to enable the state to make prescription drugs more affordable for qualified New Hampshire residents, thereby increasing the overall health of New Hampshire residents, promoting healthy communities, and protecting the public health and welfare. It is not the intent of this act to discourage employers from offering to pay or paying for prescription drug benefits for their employees or to supplant employer-sponsored prescription drug benefit plans.

2 New Chapter; New Hampshire Rx Plus Program for Prescription Drugs. Amend RSA by inserting after chapter 161-K the following new chapter:

CHAPTER 161-L

NEW HAMPSHIRE RX PLUS PROGRAM

161-L:1 Definitions. In this chapter:
   I. “Commissioner” means the commissioner of the department of health and human services.
   II. “Committee” means the pharmacy and therapeutics advisory committee established in 2003, 319:176 that advises the department on the medicaid preferred drug list.
   III. “Department” means the department of health and human services.
   IV. “Initial discounted price” as it pertains to a drug means the average wholesale price less 10 percent.
V. "Participating pharmacy" or "retail pharmacy" means a retail pharmacy located in this state that elects to participate in the program.

VI. "Preferred drug" includes but is not limited to:
(a) A drug listed on the state's medicaid preferred drug list;
(b) An antipsychotic drug;
(c) An antidepressant drug;
(d) A chemotherapy drug;
(e) An antiretroviral drug;
(f) An immunosuppressive drug; and
(g) Any other drug approved pursuant to this chapter.

VII. "Program" means the New Hampshire Rx plus program.

VIII. "Qualified resident" means a resident of the state who has a family income equal to or less than 300 percent of the federal poverty level, who does not have prescription drug coverage or has exceeded the extent of their benefits, and who is enrolled in the program.

IX. "Secondary discounted price" as it pertains to a drug means the initial discounted price less any further discounts paid out of the Rx plus fund.

161-L:2 Rx Plus Preferred Drug List; Duties of Committee.

I. The department shall establish a Rx plus preferred drug list that includes but is not limited to:
(a) Drugs listed on the state's medicaid preferred drug list;
(b) Antipsychotic drugs;
(c) Antidepressant drugs;
(d) Chemotherapy drugs;
(e) Antiretroviral drugs;
(f) Immunosuppressive drugs; and
(g) Any other drugs approved pursuant to this chapter.

II. The committee shall review and recommend drugs for placement on the Rx plus preferred drug list, striving to identify the safest and most efficacious drugs that are available at the lowest cost. The committee's recommendations may take into consideration any of the following factors:
(a) Therapeutic value for the disease or condition under treatment;
(b) Clinical efficacy;
(c) Safety;
(d) Cost; and
(e) Other relevant factors as determined by the committee.

III. When considering categories of drugs designed to treat specialized chronic medical conditions and diseases, the committee shall consult with physicians and other health care professionals with specialized clinical knowledge and expertise in this area, either in their capacity as consultants serving on the committee, or as physicians or pharmacists with a practice or specialty in chronic diseases.

IV. The determination of a drug's safety and efficacy shall be consistent with the standards set forth in the peer-reviewed literature and other available sources including, but not limited to the American Hospital Formulary Service Drug Information, the United States Pharmacopoeia Drug Information, the DRUGDEX Information System, and the America Medical Association Drug Evaluations.

V. The determination of a drug's net cost shall consider the pharmacy reimbursement amount, authorized under RSA 161-L:8, as adjusted by manufacturer's rebates to be paid to the department. The committee shall not consider a drug's net cost unless it determines that the drug has no significant clinical or safety advantages over one or more alternative drugs, when used for a given purpose.

161-L:3 New Hampshire Rx Plus Program.

I. There is established within the department, the New Hampshire Rx plus program. The program shall combine the purchasing power of all qualified residents to enable the state to reduce prescription drug costs and to improve the quality of health care for qualified New Hampshire residents in the program, thereby increasing the overall health of New Hampshire residents, promoting healthy communities, and protecting the public health and welfare, and to integrate the program as part of any statewide program for the uninsured.

II. The program shall utilize manufacturer rebates and pharmacy discounts to reduce prescription drug prices.

III. The department may administer the program or contract with a third party or third parties to administer any single component, or combination of components of the program including
outreach, eligibility, claims, administration, rebate negotiations and recovery and redistribution in
order to achieve the maximum possible discount for New Hampshire residents. Any contract to
administer any program component shall prohibit the contractor from receiving any compensation
or other benefits from any manufacturer participating in the program.

IV. The department shall conduct ongoing quality assurance activities similar to those used
in the medicaid program.

161-L:4 Program Eligibility.

I. All qualified residents of the state shall be eligible to participate in the Rx plus program.

II. The department:

(a) Shall establish procedures to determine eligibility and shall issue program enrollment
cards to eligible qualified residents;
(b) Shall undertake outreach efforts to build public awareness of the program and maxi-
mize the enrollment of eligible qualified residents; and
(c) May adjust the requirements and terms of the program by rule, pursuant to RSA 541A,
to accommodate any federally-funded or authorized prescription drug program.

161-L:5 Rebate Agreement.

I. A drug manufacturer or labeler that sells prescription drugs in the state may enter into a
rebate agreement with the department for this purpose. The rebate agreement shall require the
manufacturer to make rebate payments to the state each calendar quarter or according to a sched-
ule established by the department.

II. The commissioner shall negotiate the amount of the rebate required from a manufacturer
in accordance with this section.

III. The commissioner shall take into consideration the rebate calculated under the medicaid
rebate program pursuant to title 42 U.S.C. section 1369r-8, the average wholesale price of pre-
scription drugs, and any other information on prescription drug prices and price discounts.

IV. The commissioner shall use his or her best efforts to obtain an initial rebate amount
equal to or greater than the rebate calculated under the medicaid program pursuant to 42 U.S.C.
section 1369r-8.

V. With respect to rebates effective July 1, 2008, the commissioner shall use his or her best
efforts to obtain a rebate amount equal to or greater than the amount of any discount, rebate, or
price reduction for prescription drugs provided to the federal government.

161-L:6 Participating and Nonparticipating Manufacturers.

I. The names of manufacturers that enter and do not enter into rebate agreements pursuant to
this chapter shall be deemed public information. The department shall release this information to
health care providers and the public annually.

II. The department may also provide to health care providers information about the relative
cost of drugs produced by manufacturers that enter into rebate agreements compared to the cost of
drugs produced by those that do not enter into rebate agreements. The department shall adopt rules,
under RSA 541-A, establishing procedures for the implementation of this section.

161-L:7 Discounted Retail Prices for Program Participants.

I. Each retail pharmacy participating in the program shall sell drugs to qualified residents at
the lowered initial discounted price, in addition to the secondary discounted price as such dis-
counted prices are determined by the department pursuant to this chapter.

II. The department shall establish discounts for drugs covered by a rebate agreement and shall
promote the use of safe, efficacious, and cost-effective drugs, taking into consideration:

(a) Reduced prices for state and federally-capped drug programs;
(b) Differential dispensing fees;
(c) Administrative costs of the department; and
(d) The recommendation of the committee.

III. Beginning July 1, 2007, a participating pharmacy shall offer the initial discounted price.

IV. No later than July 1, 2008, a participating pharmacy shall offer the secondary discounted
price, if available.

161-L:8 Pharmacy Reimbursement.

I. A pharmacy shall submit claims to the department to verify the amount charged to program
participants. On a schedule to be determined by the department, the department shall reimburse
each pharmacy for the discounts of prescription drugs provided to program participants less any
administrative costs incurred by the department.
II. The department shall collect pharmacy use data necessary to calculate the amount of the manufacturer rebate under RSA 161-L:5. The department shall protect the confidentiality of information received as required under state or federal law, rule, or regulation.

III. The department shall not impose transaction charges on participating pharmacies that submit claims or receive payments under the program.

161-L:9 Rx Plus Fund Established.

I. There is hereby established in the office of the state treasurer a fund to be known as the Rx plus fund into which shall be deposited:

(a) All moneys received from manufacturers who pay rebates as provided in RSA 161L:5.
(b) Appropriations made by the general court to the fund; and
(c) Any other revenues designated for the fund.

II. Moneys in the fund shall be used for the following purposes:

(a) Reimbursement payments to participating pharmacies for discounts provided to program participants;
(b) The cost of administering the Rx plus program, including salary and benefits of employees, computer costs, and contracted services as provided in RSA 161-L:3; and
(c) Any other purpose deemed necessary by the department for the purpose of operating and administering the Rx plus program.

III. All interest on Rx plus fund balances shall accrue to the Rx plus fund. Moneys in this fund shall be nonlapsing and continually appropriated to the department.

161-L:10 Annual Report. The department shall make a report relative to the enrollment and financial status of the Rx plus program to the speaker of the house of representatives, the president of the senate, and the governor no later than 20 days prior to the convening of each regular legislative session, beginning with the 2007 regular legislative session.

161-L:11 Rulemaking. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

I. The application process.
II. Rebate agreements under RSA 161-L:5.
III. The administration of the Rx plus fund established in RSA 161-L:9.
IV. The contracting process, including confidentiality procedures, under RSA 161-L:3.
V. Any adjustments to accommodate any federally-funded or authorized prescription drug program pursuant to RSA 161-L:4, II(c).
VI. The content and form of information to be provided under RSA 161-L:6.
VII. The schedule for reimbursement to pharmacies under RSA 161-L:8.

3 New Subparagraph; Rx Plus Fund. Amend RSA 6:12, I(b) by inserting after subparagraph (242) the following new subparagraph:

(243) Moneys deposited in the Rx plus fund pursuant to RSA 161-L.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the New Hampshire Rx plus program for prescription drugs. Under this bill, participating pharmacies shall sell prescription drugs to qualified residents at a discounted price. The bill grants rulemaking authority to the commissioner of the department of health and human services for the purposes of the bill.

Majority committee amendment adopted.
Majority committee report adopted.
Referred to the committee on Finance.

SPECIAL ORDER

Reps. O'Neil and Craig moved that HB 656-FN, relative to medical decision making for those adults without capacity to make health care decisions for themselves and establishing procedures for Do Not Resuscitate Orders, be made a Special Order for Wednesday, February 15, 2006. Motion adopted.

REGULAR CALENDAR (CONT'D.)

HB 653-FN-L, relative to bonds for construction, development, improvement, and acquisition of broadband facilities. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Robert W. Brundige for the Majority of Municipal and County Government: This bill allows the issuance of municipal bonds or notes for the purpose of financing the development, construc-
tion, reconstruction, renovation, improvement, and acquisition of broadband infrastructure in any area of a municipality that is not served by a wireless or facilities based broadband service or provider. The municipality would be prohibited from bonding unless it first sent out a request for proposals (RFP) to the private sector to see whether any private vendor was willing to build the broadband infrastructure. If no RFPs were positively replied to within two months or if there was not activity on the part of a private vendor within 14 months of the RFP process, then the municipality could undertake its own proposal to bond and build the infrastructure. As with any bond or note in excess of $100,000, a public hearing is required prior to the vote on the bond or note, along with a super majority to pass the bond question. The amendment only authorizes the bonding for broadband infrastructure, and does not authorize the municipality to become broadband carrier, service, or provider. It is anticipated that with the passage of this bill economic development will be stimulated in those areas not currently served by broadband carriers. Vote 12-3.

Rep. Laurie J. Boyce for the Minority of Municipal and County Government: The intention of this bill was to give municipalities, with no available broadband service, the opportunity to issue bonds to build the necessary infrastructure to provide broadband. With a last minute amendment, it was expanded so any municipality without 100% broadband coverage will have the ability to issue bonds that will have to be paid for by the broadband users, not the town, although the town will have issued the bond. What happens if the “town broadband” goes broke? What is the cost for this service going to be that only a few have to pay? Much progress has taken place in getting broadband to the New Hampshire rural areas. Passage of this bill could have a negative effect on future private investments in broadband and put an undue burden on the local taxpayer. Proponents of this bill say they will build networks with public monies so private providers could then use them. We were told at the public hearing that private companies would not want to use infrastructure set up by someone else because of the “unreliability” of their system and the cost. There are just too many unanswered questions that could cost taxpayers money.

**Majority Amendment (0181h)**

Amend the bill by replacing all after the enacting clause with the following:

I Bonds for Broadband Infrastructure Added to Permissible Bonds for Counties and Municipalities. Amend RSA 33:3 to read as follows:

33:3 Purpose of Issue of Bonds or Notes. A municipality or county may issue its bonds or notes for the acquisition of land, for planning relative to public facilities, for the construction, reconstruction, alteration, and enlargement or purchase of public buildings, for other public works or improvements of a permanent nature including broadband infrastructure as defined in RSA 38:38, I(e), to be purchased or constructed in areas not served by an existing broadband carrier or provider, for the purchase of departmental equipment of a lasting character, for the payment of judgments, and for purposes of economic development which shall include public-private partnerships involving capital improvements, loans, and guarantees. The public benefit in any public-private partnership must outweigh any benefit accruing to a private party. Bonds or notes for the purposes of economic development may be issued only after the governing body of the municipality or county has held hearings and presented the public benefit findings to the public and after such issuance has been approved by the legislative body. A municipality or county shall not issue bonds or notes to provide for the payment of expenses for current maintenance and operation except as otherwise specifically provided by law.

2 Issue of Bonds for Certain Preliminary Expenses. RSA 33:3-c is repealed and reenacted to read as follows:

33:3-c Issue of Bonds for Preliminary Expenses.

I. A municipality or county may issue its bonds or notes for the purpose of defraying the cost of preliminary or final plans and specifications or other preliminary expenses incidental to, or connected with, any proposed public work or improvement of a permanent nature consisting of the construction, reconstruction, alteration, enlargement, or improvement of the following:

(a) A public building.
(b) A water works.
(c) A sewerage system or sewage or waste treatment facility.
(d) A solid waste disposal or resource recovery facility.
(e) Broadband infrastructure as defined in RSA 38:38 to be purchased or constructed in areas not served by an existing broadband carrier or provider.

II. Bonds or notes shall mature over a period of not more than 5 years from the date of issue unless they are issued at the same time as bonds or notes for the public work or improvement for which such expenses were incurred, in which case said bonds or notes shall mature over a period
not exceeding the expected useful life of such public work or improvement. A municipality or county may issue its bonds or notes in accordance with this section for planning and other preliminary expenses relating to solid waste disposal or resource recovery facilities to serve the municipality or county, notwithstanding that the facilities may later be owned by a private entity, but only for such expenses incurred prior to any binding contractual commitment to a proposed private owner, and only if such bonds or notes do not constitute “private activity bonds” as defined in section 103(n)(7) of the United States Internal Revenue Code of 1954, as amended.

3 New Section; Broadband Infrastructure Bonds Authorized. Amend RSA 33 by inserting after section 3-f the following new section:

33:3-g Broadband Infrastructure Bonds.

I. A municipality may issue bonds for the purpose of financing the development, construction, reconstruction, renovation, improvement, and acquisition of broadband infrastructure in areas not served by an existing broadband carrier or provider that would be provided at a fee to broadband carriers that provide broadband services. Without limiting the foregoing, broadband infrastructure may be the subject of public-private partnerships established in accordance with the provisions of RSA 33:3.

II. Bonds issued under this section shall be payable in annual payments so that the amount of annual payment of principal and interest in any year on account of any bond shall be not less than the amount of principal and interest payable in any subsequent year by more than 5 percent of the principal of the entire bond. The total amount of payments shall be sufficient to extinguish the entire bond at such bond’s maturity. The first payment of principal on any bond shall be made no later than 5 years and the last payment not later than 30 years after the date issued. Each authorized issue of bonds shall be a separate and distinct loan.

III. A municipality shall not issue bonds for the purpose of financing the development, construction, reconstruction, renovation, improvement, and acquisition of broadband infrastructure in areas not served by an existing broadband carrier or provider unless a request for proposals has been issued and no broadband carrier or provider has responded positively within 2 months or deployed broadband service within 14 months of the issuance of the request for proposals.

4 New Section; Extension From Debt Limit; Broadband Infrastructure. Amend RSA 33 by inserting after section 6-e the following new section:

33:6-f Exclusion From Debt Limit; Broadband Infrastructure. Municipalities may incur debt for broadband infrastructure as defined in RSA 38:38, I(e) by the issue of bonds or notes authorized under this chapter. Any debt incurred for this purpose shall be outside the debt limit prescribed in this chapter. Such debt shall at no time be included in the net indebtedness of any municipality for the purposes of determining its borrowing capacity.

5 Definitions; “Broadband Infrastructure” Added to Definition of “Revenue-Producing Facilities.” Amend RSA 33-B:1, VI to read as follows:

VI. “Revenue-producing facilities” means water works, broadband infrastructure as defined in RSA 38:38, I(e), purchased or constructed in areas not served by an existing broadband carrier or provider, sewerage systems, sewage treatment or disposal facilities, solid waste disposal or resource recovery facilities, parking facilities, facilities for the production, generation, transmission, or distribution of electricity or gas and any other real or personal property or interests in a municipality or regional water district owned or controlled by the municipality or regional water district, from the operation of which revenues are or are expected to be derived by the municipality, or regional water district.

6 New Subdivision; Broadband Access. Amend RSA 38 by inserting after section 37 the following new subdivision:

38:38 Broadband Access.

I. In this section:

(a) “Access tariff” means the fee charged on a monthly or annual basis to broadband carriers for access to the broadband infrastructure.

(b) “Areas not served” means any part of a municipality without a wireless or facilities based broadband service or a wireless or facilities based broadband service provider. Wireless shall not include subscription satellite service.

(c) “Broadband” means the transmission of information, between or among points specified by the user, with or without change in the form or content of the information as sent and received, at rates of transmission defined by the Federal Communications Commission as “broadband.”
(d) "Broadband carrier" means any provider of broadband services, except aggregators of broadband services, as defined in section 226 of the 1996 Telecommunications Act.

(e) "Broadband infrastructure" means all equipment and facilities, including all changes, modifications, and expansions to existing facilities, as well as the customer premises equipment used to provide broadband, and any software integral to or related to the operations, support, facilitation, or interconnection of such equipment, including upgrades, and any installation, operations and support, maintenance, and other functions required to support the delivery of broadband.

(f) "Broadband service" means the offering of broadband for a fee directly to the public, or to such classes of users as to be effectively available directly to the public, regardless of the facilities used.

(g) "Open network" means any broadband infrastructure which is open to any third party users in a nondiscriminatory manner on a fair and equitable basis using publicly available access tariffs for services.

(h) "Open network interfaces" means the technical and operational means, manners, and methods for any third party access to the broadband infrastructure, which shall be provided on the basis of generally acceptable industry standards available at the time of access.

II. A municipality may use its broadband infrastructure for the purpose of providing an open network and assuring that third party access is available in accordance with current state and federal regulations.

38:39 Broadband Access Tariffs. For defraying the cost of acquisition, construction, payment of the interest on any debt incurred, management, maintenance, operation, and repair of broadband infrastructure, or the construction, enlargement, or improvement of such systems, the governing body may establish a scale of rates called access tariffs, may prescribe the manner and the time for the payment of such tariffs, and may change such tariffs when it deems advisable.

38:40 Broadband Fund.

I. The funds received from the collection of access tariffs shall be kept as a separate fund to be known as the broadband fund. Such fund shall be allowed to accumulate from year to year, shall not be commingled with town or city tax revenues, and shall not be deemed part of the municipality's general fund accumulated surplus. Such fund may be expended only for the purposes specified in RSA 38:38, or for the previous expansion or replacement of broadband infrastructure.

II. Except when a capital reserve fund is established pursuant to paragraph III, all broadband funds shall be held in the custody of the municipal treasurer. Estimates of anticipated revenues and anticipated expenditures from the broadband fund shall be prepared and submitted to the governing body as a special warrant article as set forth in RSA 32, if applicable, and shall be included as part of the municipal budget submitted to the local legislative body for approval. Expenditures shall be within amounts appropriated by the local legislative body.

III. At the option of the local governing body, all or part of any surplus in the broadband fund may be placed in one or more capital reserve funds held in the custody of the trustees of trust funds pursuant to RSA 35:10. If such a reserve fund is created, then the governing body, may expend such funds pursuant to RSA 35:15 without prior approval or appropriation by the local legislative body, but all such expenditures shall be reported to the municipality pursuant to RSA 38:41. This paragraph shall not be construed to prohibit the establishment of other capital reserve funds for any lawful purpose relating to broadband access.

38:41 Broadband Fund Report. The governing body shall annually make a report of the broadband fund to the municipality showing the expenses and income of the fund, and all other material facts. This report shall be published in the annual report of the municipality.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill, in areas not served by an existing broadband carrier or provider:

I. Authorizes a county or municipality to issue bonds for broadband infrastructure.

II. Exempts broadband infrastructure bonds from municipal debt limits.

III. Authorizes municipalities to charge broadband access tariffs, to be kept in broadband funds and expended only for broadband infrastructure.

Majority committee amendment adopted.

The question now being adoption of the majority committee report.

Rep. Giuda spoke against and yielded to questions.

Rep. Patten spoke in favor.
Rep. Lund requested a roll call; sufficiently seconded.

HB 695-FN, requiring the university system of New Hampshire to make payments in lieu of taxes for purchased property. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. John P. Dowd for the Majority of Municipal and County Government: The university system has a statutory tax exemption that has been in effect since the middle of the 1800s along with the tradition of not taxing state, local, county-owned property. The statutory tax exemption actually dates back to 1842 and has not been changed significantly since. There is recognition that the host communities do bear some costs for the university system but also reap many benefits. In order to be partners together in the public arena, the university system requested that the presidents of each university negotiate with their host communities and come up with an agreement or contract that would address the needs of both the community and the university – either in services supplied or payment in lieu of taxes. If there are differences of opinions, there is a permanent Public Higher Education Study Committee in RSA 187-A:28-a that shall examine the goals, purposes, organization, and financing of public higher education in New Hampshire, and shall evaluate and make recommendations on the university of New Hampshire, Plymouth State University, Keene State College, the Granite State College, and the Regional Community-Technical College System. This bill is the latest in a long line of bills attempting to do away with the tax exemption for Plymouth State University (PSU) properties. It is specific to the town of Plymouth and Plymouth State University. The bill is a ruse to negate a contract between the town of Plymouth and PSU, which was agreed to and unanimously signed by the selectmen of Plymouth in February 2002. The contract is in effect for a period of seven years. This agreement more than doubled the dollars in payment in lieu of taxes (to more than $800K) that the university system pays the town from the previous contract. This is a local issue that should be settled locally. Vote 10-5.

Rep. Mary R. Cooney for the Minority of Municipal and County Government: The problem of the university system of New Hampshire buying property and thereby removing it from the tax roles varies in magnitude in different communities. In the small town of Plymouth, whose resident population is less than 3,000, the problem is greater than in a city or larger community. The issue is fairness and loss of local control in all host communities. Since the inception of the university system of New Hampshire, millions of dollars worth of property has been taken off the tax roles. This bill would not affect past property purchased, only future property. Presently, USNH host communities have no control over the university purchasing property, nor over what the university does with that property. The immediate effect is that the host community loses the tax revenue on that property but is still responsible for providing services to that property. Plymouth State University has a $250 million dollar master plan which will require the purchasing of additional
property. The host communities have no control over the taking of property. This bill as amended would simply mitigate that impact by requiring the university to make a payment in lieu of taxes for 5 years, reducing the amount by 20% each subsequent year. The citizens of Plymouth at the town meeting have supported efforts to achieve a fairness in reimbursement agreements with the university. The select boards of the towns of Plymouth and Holderness, the city of Keene, along with the New Hampshire Municipal Association, gave written testimony in support of this bill. The state must recognize that the shifting of costs from USNH to local taxpayers has reached an untenable level. The provisions of this bill are reasonable and fair.

Rep. Mary Cooney spoke against.

Rep. Dowd spoke in favor.

On a division vote, 244 members having voted in the affirmative and 88 in the negative, the majority committee report was adopted.

Rep. Aguiar declared a conflict of interest and did not participate.

**HB 317-FN**, relative to mooring permits and fees. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Donald A. Brueggemann for Resources, Recreation and Development: The original bill set up a process whereby residents in a community could petition the Commissioner of the Department of Safety to have a lake or pond included in the moorings program which currently requires permits for moorings on the six largest lakes. Currently, lakes may be added only through legislative action and the committee felt strongly against delegating this authority. The portion of this bill that provided for increases in the mooring fee for those six lakes in the mooring program is being recommended in an effort to have the program support itself. The initial decal or permit would require a $125 fee. The initial mooring permit requires a site visit. The annual renewal fee under this bill would be $50 (up from $25). The committee felt this increase was more than justified given the time and effort needed to coordinate and monitor the program. These fees are more in line with the actual cost of program to the state. Vote 20-1.

**Amendment (0074h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to mooring fees.

Amend the bill by replacing all after the enacting clause with the following:

1 Mooring of Boats on Public Waters; Annual Mooring Fee. Amend RSA 270:62, V to read as follows:

V. A fee of $125 shall be charged for each initial decal issued pursuant to this subdivision which shall be deposited in the navigation safety fund established under RSA 270-E:6-a. An annual mooring fee of [25] $50 shall be charged for each decal [issued] renewed pursuant to this subdivision which shall be deposited in the navigation safety fund established under RSA 270-E:6-a.

2 Effective Date. This act shall take effect January 1, 2007.

**AMENDED ANALYSIS**

This bill increases mooring fees.

Reps. O’Neil and Currier moved Recommit to committee and spoke in favor.

Motion adopted.

Recommitted to the committee on Resources, Recreation and Development.

**SB 128-FN**, relative to the establishment of emissions reduction standards as required by the Clean Power Act. **INEXPEDIENT TO LEGISLATE.**

Rep. Lynne M. Ober for Science, Technology and Energy: This bill, recognizing that no proven technology was currently available to achieve proposed reduction levels, provided for a cap and trade program as well as a mitigation program. The committee retained the bill until results were available from testing at the PSNH power plant, done under the direction of the Department of Environmental Services (DES). Testing results showed limited mercury reduction. The committee held numerous public hearings. DES, which originally requested this bill, now recommends legislation supporting the installation of scrubber technology by 2013 and legislation has been filed to support this new, revised request. Vote 9-5.

Rep. Phinizy spoke against and yielded to questions.

(Speaker Scamman in the Chair)

MOTION TO LAY ON THE TABLE

Rep. Ryan moved that SB 128-FN, relative to the establishment of emissions reduction standards as required by the Clean Power Act, be laid on the table.

Rep. Clemens requested a roll call; sufficiently seconded.

212  House Journal  January 18, 2006
The question now being adoption of the committee report.
Committee report adopted.

HB 645-FN, relative to fire-safe cigarettes. OUGHT TO PASS WITH AMENDMENT. 
Rep. Steve Vaillancourt for Ways and Means: After passing the House by a 199-134 vote on 
March 9, 2005, this bill was referred to Ways and Means to study any possible fiscal impact 
would New Hampshire require that all cigarettes sold in the state be “fire safe.” These cigarettes 
are manufactured so as to be more likely to go out if left unintentionally on a chair or sofa and 
thus reduce the potential for fires. After retaining the bill and studying it over the summer, the 
committee could find no evidence that there would be a fiscal impact. Cigarettes would not in-
crease in price, and all indications are that these cigarettes would taste the same and smoke the 
same as cigarettes currently sold in the state. In fact, there is ample evidence that smokers will not 
even recognize the difference. The committee amendment does three things. While an exploration 
of the efficacy of these cigarettes in preventing fires was beyond the scope of the committee, it 
was agreed that “fire safer” would be a more appropriate name than “fire safe,” lest anyone think 
that these cigarettes would be totally fire safe. So that no money will be spent developing 
standards for such cigarettes, the committee mandated that the New York safety standards be used. 
Vermont and California have passed legislation using this standard as well. The committee be-
lieves that a nationwide standard would be appropriate and that congress could mandate fire safer 
cigarettes in all 50 states. Since that does not appear likely any time soon, New Hampshire can 
join an increasing number of states which are passing such legislation. So as to make the transi-
tion a smooth one, the amendment gives the Commissioner of Safety, in consultation with the State 
Fire Marshal, until January 1, 2007 to adopt the standards and does not require that only “fire safer” 

Amendment (0064h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to fire-safer cigarettes.
Amend the bill by replacing all after section 1 with the following:

2 New Chapter; Trade and Commerce: Sale of Fire-Safer Cigarettes. Amend RSA by inserting 
after chapter 339-E the following new chapter:

CHAPTER 339-F
SALE OF FIRE-SAFER CIGARETTES

339-F:1 Definitions. In this chapter:
I. “Cigarette” means any roll for smoking made wholly or in part of tobacco, and wrapped in 
any material except tobacco.
II. "Commissioner" means the commissioner of safety.

III. "Manufacturer" means any person engaged in the business of importing, exporting, producing, or manufacturing tobacco products who sells his or her product only to licensed wholesalers.

IV. "Retailer" means any person who sells tobacco products to consumers, and any vending machine in which tobacco products are sold.

V. "Sale" or "sell," means any transfer, whether by bargain, gift, exchange, barter, or otherwise.

VI. "Vending machine operator" means any person operating one or more tobacco product vending machines on property or premises other than his or her own.

VII. "Wholesaler" means any person doing business in this state who shall purchase all of his or her unstamped tobacco products directly from a licensed manufacturer, and who shall sell all of his or her products to licensed wholesalers, sub-jobbers, vending machine operators, retailers, and those persons exempt from the tobacco tax under RSA 78:7-b.

339-F:2 Rulemaking; Cigarette Fire-Safety Standards. Pursuant to RSA 541-A:3-b, the commissioner, in consultation with the state fire marshal, shall incorporate by reference the New York fire safety standards for cigarettes effective June 28, 2004 as amended, as the fire safety standards for cigarettes sold or offered for sale in this state.

339-F:3 Prohibited Sales.

I. On and after July 1, 2007, no cigarettes shall be sold or offered for sale in this state unless the manufacturer has certified in writing to the department of safety and the department of justice that such cigarettes meet the performance standards established under RSA 339-F:2. Copies of such written certifications shall be provided by the certifying manufacturer to all wholesale dealers and all agents.

II. The commissioner also shall adopt, by rule, procedures by which retail dealers are notified of which cigarettes have been certified by manufacturers as meeting the performance standards prescribed by the department of safety.

III. Nothing in this section shall be construed to prohibit any person or entity from selling cigarettes that have not been certified by the manufacturer in accordance with RSA 339-F:2 if such cigarettes are or shall be stamped for sale in another state or are packaged for sale outside the United States.

IV. No person shall sell tobacco products through a vending machine unless access to the machine is readily available or it is constructed so as to permit the commissioner, or his or her agent, to readily determine whether the packages of tobacco products being sold comply with the requirements of this chapter.

339-F:4 Penalties; Enforcement.

I. A person who violates this section shall be guilty of a violation for a first offense and a misdemeanor for each subsequent offense.

II. Any cigarettes sold, offered for sale, or possessed for sale in this state, in violation of RSA 339-F:3 shall be deemed contraband under RSA 78:16 and such cigarettes shall be subject to seizure and forfeiture, and all such cigarettes so seized and forfeited shall be destroyed and not resold.

339-F:5 Enforcement by Department of Justice. The department of justice may bring an action to enforce the criminal penalties in RSA 339-F:4 and to enjoin further acts in violation of this chapter. In any action brought pursuant to this section, the department shall be entitled to recover the costs of investigation, costs of the action, and reasonable attorney’s fees.

3 Date for Adoption of Fire-Safety Standards. The commissioner of safety shall adopt the rules required under this chapter by January 1, 2007.

4 Access to Vending Machines. Amend RSA 78:2, III to read as follows:

III. No person shall sell tobacco products through a vending machine unless access to said machine is readily available or it is constructed so as to permit the commissioner, or his or her agent, to readily determine whether the packages of tobacco products being sold have proper stamps affixed to them which show payment of the tobacco tax imposed under RSA 78:7 and whether they comply with RSA 339-F.

5 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

The question now being adoption of the committee report.

Reps. Lund and Gibson spoke against.
Reps. Vaillancourt and Jasper spoke in favor.
Rep. Hinkle spoke against and yielded to questions.
Rep. Weare spoke in favor and yielded to questions.
Rep. Hinkle requested a roll call; sufficiently seconded.

</table>
HB 397, relative to authority to file an abuse or neglect petition under the Child Protection Act.

OUGHT TO PASS WITH AMENDMENT.

Rep. Sheila A. Foote for Children and Family Law: This bill will preclude private abuse or neglect petitions under RSA 169-C. The Division of Children, Youth and Families will become the sole petitioner in all cases of abuse and neglect. This bill is a consequence of the misuse of the process by individuals which has resulted in a wasteful drain of limited resources that could have been better used by DCYF. This bill does not prevent law enforcement officers from obtaining verbal or written court orders for taking protective custody or protective supervision of children and for the placement of children who are found to be in imminent danger. Vote 17-0.

Amendment (0121h)

Amend the bill by inserting after section 1 the following and renumbering the original sections 2-3 to read as 3-4, respectively:

2 Emergency Interim Relief; Petition Filed by Department of Health and Human Services. Amend RSA 169-C:6-a. IV to read as follows:

IV. If the court issues ex parte orders, the department [or law enforcement officer] shall file a petition meeting the requirements of RSA 169-C:7 within 72 hours of the issuance of the orders, excluding Sundays and holidays.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Committee report adopted and ordered to third reading.

REGULAR CALENDAR (CONT’D.)

HB 485, relative to the basis for awarding custody to a stepparent or grandparent. MAJORITY: REFER FOR INTERIM STUDY. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Mary Beth Walz for the Majority of Children and Family Law: This bill attempted to make New Hampshire statutes consistent with state and federal court decisions. However, the committee believes that further changes are necessary to comport with Supreme Court decisions. Thus, the committee voted to send this bill to Interim Study to allow time to complete the work needed. Vote 10-3.

Rep. David J. Bettencourt for the Minority of Children and Family Law: The bill originally passed with amendment 17-0, then a week later was reconsidered. The minority strongly felt that the law allowing grandparents and stepparents to take custody away from parents during the parents’ custody action is unconstitutional. The minority feels it is unwise to leave unconstitutional laws in statute. The interim study is directed toward an unrelated issue to solve court jurisdiction. We feel that issue should have come under a different bill.

Majority committee report adopted.
HB 590, excluding stepchildren from the definition of “child” in the context of support orders. **OUGHT TO PASS.**

Rep. David A. Bickford for Children and Family Law: This bill removes “stepchild” from the definition of “dependent child.” It also amends RSA 546-A:1, Uniform Civil Liability for Support, that leaves stepchildren liable to support stepparents. Vote 10-5.

Committee report adopted and ordered to third reading.

HB 610-FN, relative to the right to trial by jury in parental rights termination cases. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Mary Stuart Gile for the Majority of Children and Family Law: This bill proposed that any person at risk of having parental rights terminated as defined in RSA 170-C:10, shall have the right to a trial by jury upon written request. The committee struggled to address key issues for both parents and children. The majority was concerned that the current process of reaching termination of parental rights decisions which protects the best interest of the child would be materially compromised. A jury trial could considerably lengthen the time before permanency could be achieved and result in additional costs for both state and counties. Also, there was no evidence presented that jury trials would improve outcomes.

Rep. Daniel C. Itse for the Minority of Children and Family Law: The minority believes that this is a clear New Hampshire Constitutional issue. The New Hampshire Supreme Court has held that parenting is an inherent and fundamental right under Part 1, Article 2. The minority believes that both Part 1 Article 15 and Article 20 require that parents have a right to trial by jury in termination of parental rights cases. Vote 9-6.

Majority committee report adopted.

**SPECIAL ORDER**

HB 203-FN, relative to the use of tracking devices in consumer products. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Sheila T. Francoeur for Commerce: This bill, as introduced, would have required informing a consumer either in writing or verbally of the presence of a tracking device (RFID) in any consumer article purchased. The committee recognized the privacy concerns with this type of device, but also understood the benefits this technology has for industry. The amendment balances the concern for privacy with future technological development by setting definitions, disclosure requirements and establishing a commission to track the development and implementation of this technology and its effects on the citizens of New Hampshire. Vote 19-0.

Amendment (0132h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the regulation of tracking devices and establishing a commission on the use of tracking devices.

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Regulation of Tracking Devices. Amend RSA by inserting after chapter 358-R the following new chapter:

**CHAPTER 358-S**

REGULATION OF TRACKING DEVICES

358-S:1 Definitions.

I. “Consumer product” means a physical object that is, or is intended to be, used or consumed by a consumer and includes food, alcoholic and nonalcoholic beverages, and prescription and nonprescription drugs; clothing; merchandise; motor vehicles and their component parts; advertising and sales documents and literature; and books, magazines, and greeting and business cards. A “consumer product” does not include an identification document.

II. “Identification document” means any document or object containing personal information that an individual uses alone or in conjunction with any other information to establish his or her identity, to engage in government-regulated activities, or to engage in financial transactions. Identification documents shall include but shall not be limited to:

(a) Drivers’ licenses, identification cards, and license plates issued by the director of the division of motor vehicles, department of safety;

(b) E-Z Pass transponders;
(c) Identification cards or badges issued to employees or contractors;
(d) Insurance benefit cards;
(e) Identification cards issued by public and private schools and educational institutions;
(f) Benefit cards issued in conjunction with any government-supported aid program;
(g) Credit, debit, and financial account cards;
(h) Licenses, certificates, registrations, or other means to engage in a business or profession regulated by the state or its political subdivisions; and
(i) Library cards issued by any public library.

III. “Personal information” means information that can be used to identify an individual. Such information includes an individual’s name, address, telephone and cellular telephone number, social security number, credit card and financial account numbers, driver’s license number, e-mail address, date of birth, race, religion, ethnicity, nationality, political affiliation, photograph and digital image, fingerprint or other biometric identification, and any other unique personal identifier or number.

IV. “RFID” or “radio frequency identification” means technologies that use radio waves to identify individual physical objects.

V. “Tracking device” means any item or application that is passively or actively capable of transmitting unique identification or location information. Tracking devices shall include devices that use radio frequency identification technology; tracking device shall not include bar codes or similar markings that do not transmit information.

VI. “Universally accepted symbol” means a graphical system designed to provide a standard way to show the presence of an RFID transponder, its frequency, and data structure.

358-S:2 Labels Required; Consumer Products.
I. No consumer product or identification document, to which a tracking device or devices have been affixed or implanted, shall be sold or offered for sale or provided to a consumer without a label containing a universally accepted symbol. This requirement shall also apply to any packaging relating to an individual consumer product or identification document that may contain a tracking device. A single such label may be used on a product or identification document that contains more than one tracking device.

II. Identifying labels shall be affixed to the consumer product, identification document, or its packaging, by the entity that implants the tracking device in the product or by the entity that imports products that contain tracking devices.

358-S:3 Human Implantation Prohibited. No person shall implant or attempt to implant a tracking device into any individual without the informed, written consent of the individual, or an individual’s legal guardian. No individual shall be offered an incentive, denied an opportunity, or in any way treated differently from any other individual as a consequence of providing or withholding such consent.

358-S:4 Restrictions on State Use of Tracking Devices.
I. The state or a political subdivision, department, or agency shall not issue, or permit others to issue on its behalf, any identification document that contains a tracking device or uses tracking devices to locate an individual, either directly or indirectly through other persons, except in the following circumstances:
   (a) To locate a person who is incarcerated in the state prison or county jail, is housed in a mental health facility pursuant to a court order after having been charged with a crime, is subject to court-ordered electronic monitoring, or is a resident of a state or county hospital, nursing facility or assisted living facility;
   (b) When the tracking device is implanted in an identification document that is to be used on a toll road or bridge owned or operated by the state or a political subdivision, department, or agency thereof, but only for the specific purpose of collecting funds for the use of that road or bridge; or
   (c) To locate a state employee engaged in the performance of his or her official duties during normal working hours.

II. No identification document issued pursuant to this section shall contain, transmit, or enable the remote reading of any personal information other than a unique personal identifier number issued by the state.

358-S:5 Penalties.
I. Any person convicted of violating RSA 358-S:2 shall be guilty of a misdemeanor. Each such act shall constitute a separate offense.
II. Any person convicted of violating RSA 358-S:3 shall be guilty of a felony.

III. The state may bring suit for civil penalties for up to $10,000, plus court costs and reasonable attorney’s fees, for each violation of this chapter.

2 Commission on the Use of Tracking Devices.

I. There is hereby established a commission on the use of tracking devices. The commission shall study the use of tracking devices in government and business and monitor their effect on the economy and society.

II. The members of the commission shall be as follows:

(a) Three members of the house of representatives, including one member from the house commerce committee and one member from the house science, technology, and energy committee, appointed by the speaker of the house of representatives.
(b) Two members of the senate, appointed by the president of the senate.
(c) Two members of the public, appointed by the governor.
(d) The attorney general, or designee.
(e) One member of the New Hampshire High Technology Council, appointed by such council.
(f) One member representing the Retail Merchants Association of New Hampshire, appointed by such association.
(g) One member representing the Business and Industry Association of New Hampshire, appointed by such association.
(h) One member representing the financial services industry, appointed by the New England Financial Services Association.
(i) One member representing consumer or privacy interests, appointed by the governor.

III. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

IV. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Seven members of the commission shall constitute a quorum.

V. The commission shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library annually on or before November 1 and shall submit a final report before dissolving on or before November 1, 2009.

3 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill establishes labeling requirements for and prohibitions on the use of tracking devices and establishes a commission on the use of tracking devices. Amendment adopted.

Committee report adopted and ordered to third reading.

SPECIAL ORDER

SB 211-FN, relative to pharmaceutical marketers. REFER FOR INTERIM STUDY.
Rep. Jane S. Langley for Commerce: This bill would require annual reports by the pharmaceutical manufacturers to be filed with the Secretary of State. The committee agreed that this is an important issue, but the bill as proposed would not accomplish a reduction in the cost of prescription drugs. With additional study it is hoped that will be accomplished. Vote 19-0.
Committee report adopted.

SPECIAL ORDER

HB 459, relative to access to criminal records and enhanced 911 system records and excluding information brokers from private detective licensing. OUGHT TO PASS WITH AMENDMENT.
Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This was a housekeeping bill clarifying the access to criminal justice data for proper investigative purposes. It allows access to criminal justice information by persons who maintain the data base. This bill as originally written would have allowed unlimited access to criminal records by information brokers. This provision was removed by the amendment. Vote 14-0.
Amendment (2152h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to access to criminal records and enhanced 911 system records.

Amend the bill by replacing all after section 1 with the following:

2 Confidentiality of Enhanced 911 System Information and Records. Amend RSA 106-H:14 to read as follows:

106-H:14 Information not Subject to Right-to-Know Law. Any information or records compiled under this chapter shall not be considered a public record for the purposes of RSA 91-A. Notwithstanding any provision of law to the contrary, the bureau shall only make information or records compiled under this chapter available to a law enforcement agency that requires the information or records for investigative purposes.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill clarifies that law enforcement personnel have access to criminal justice data for proper investigative purposes. The bill allows access to criminal justice information by persons who maintain the state criminal justice information database.

Amendment adopted.

Floor Amendment (0283h)

Amend the bill by replacing section 2 with the following:

2 Confidentiality of Enhanced 911 System Information and Records. Amend RSA 106-H:14 to read as follows:

106-H:14 Information not Subject to Right-to-Know Law. Any information or records compiled under this chapter shall not be considered a public record for the purposes of RSA 91-A. Notwithstanding any provision of law to the contrary, the bureau shall only make information or records compiled under this chapter available on a case-by-case basis to a law enforcement agency that requires the information or records for investigative purposes.

Floor amendment (0283h) adopted.

Committee report as amended adopted and ordered to third reading.

REGULAR CALENDAR (CONT’D.)

HB 258-L, relative to the terms of a collective bargaining agreement in a school district. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Michael B. Asselin for the Majority of Education: The majority of committee members believe that this bill will disrupt the school collective bargaining agreements by allowing school administrators to increase the salary/benefits of a teacher to retain them if they have received another offer of employment. Merit pay already addresses the issue of rewarding more qualified teachers. Vote 11-4.

Rep. Mark S. Carter for the Minority of Education: New Hampshire is experiencing growing teacher shortages. These shortages fall disproportionately on our poorer districts. The minority of the committee feels that something can and should be done about the shortages. The minority will put forward a floor amendment should the ITL recommendation of the committee majority be overturned by the House. The legislature should enable local school districts, so that they have the ability to negotiate to keep their best and most necessary teachers.

Majority committee report adopted.

SPECIAL ORDER

HB 249, relative to delivery of absentee ballots to city or town clerks. INEXPEDIENT TO LEGISLATE.

Rep. Keith D. Hirschmann for Election Law: This bill was an attempt to make it more convenient to return a ballot to a town or city clerk by allowing a family member to hand-deliver the ballot. Testimony from the New Hampshire City and Town Clerks Association, opposing the bill, raised questions about proper identification and appropriate safeguards to maintain the integrity of the ballot. The Secretary of State was also concerned and opposed the bill. Vote 15-3.

Rep. Vaillancourt spoke against and yielded to questions.

On a division vote, 181 members having voted in the affirmative and 138 in the negative, the committee report was adopted.
HB 309-FN-A, establishing a commission to recodify laws relating to financial contributions and disclosures and conflicts of interest and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

Rep. Richard B. Drisko for Election Law: This bill would have established a commission to revise, clarify, simplify and recodify laws relating to financial contribution and disclosure and conflicts of interest and create funding for same. The committee recommended ITL as SB 206 would pre-empt the work of such a commission by providing omnibus ethical legislation to fulfill this need. Vote 10-4. Committee report adopted.

HB 403, limiting permissible gifts to elected officials. INEXPEDIENT TO LEGISLATE.

Rep. Richard B. Drisko for Election Law: This bill would have limited permissible gifts to elected officials to meals, tickets, and other non-cash items with a value of less than $250 by incorporating this bill into SB 206, this action will yield a uniform omnibus ethics bill. Vote 10-4. Rep. Cali-Pitts requested a roll call; sufficiently seconded.

and the committee report was adopted.
HB 470-FN-A, relative to the annual funding of placement costs for juvenile diversion and alternative disposition programs and relative to an effectiveness study of such programs. INEXPEDIT

ENT TO LEGISLATE.

Rep. Elizabeth S. Hager for Finance: The juvenile diversion money is some of the most effective state money in New Hampshire. It is administered through the counties, so there is some local control and we know it keeps children out of our expensive institutions. This bill asked for an increase in the funds which a majority of the committee does not believe we can do right now. It also called for a study of the various programs and the Finance committee is committed to working with DHHS to look at the effectiveness of diversion services. Vote 13-7.

Committee report adopted.

HB 638-FN, relative to county liability for payment of nursing home costs. OUGHT TO PASS WITH AMENDMENT.

Rep. Neal M. Kurk for Finance: This bill deals with the county-state financial relationship. The counties have expressed a variety of concerns on this subject ever since the most recent major overhaul of the relationship in the 1990s. (SB 409, Ch. 388, Laws of 1998). As introduced, the bill returned the cost-sharing on non-federal Medicaid nursing home care from the current 50%-50% to the pre-1998 61% counties – 31% state, and it eliminated any cost-sharing by the counties for the home- and community-based care program. A subcommittee carefully examined these and other programs in which costs were shared between the counties and the state and considered a wide variety of options to change them in ways that were “revenue neutral.” Several options were presented to the full Finance Committee. However, none was satisfactory to a majority of the committee or to a majority of the counties. The committee amendment makes no change in the current county-state financial cost-sharing relationship. However, in addition to extending the current moratorium on new nursing home and rehabilitation beds until June 30, 2009, it provides two significant benefits to the counties. First, it requires the Department of Health and Human Services to seek a federal match for un-reimbursed nursing home costs paid by the counties and to pay such revenue, if obtained, to the counties. Second, it reversed the downshifting to the counties of certain costs imposed by the 2005-06 budget. These costs related to recipients of old age assistance and aid to the permanently and totally disabled, and would have cost county taxpayers approximately $5.4 million from the anticipated biennium surplus to pay for the change. It is the committee’s understanding that work on the county-state financial relationship will continue in the next session through a variety of legislative vehicles. Vote 14-2.

Amendment (0250h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to county and state financing of nursing home services.

Amend the bill by replacing all after the enacting clause with the following:

I Certificate of Need; Nursing Home Beds; Moratorium Extended. Amend RSA 151-C:4, III(a) to read as follows:

III(a) No certificate of need shall be granted by the board for any nursing home, skilled nursing facility, intermediate care facility or rehabilitation facility from the effective date of chapter 310, laws of 1995, department of health and human services reorganization act, through the period ending [December 31, 2006] June 30, 2009, except that a certificate of need shall be issued for replacement or renovation of existing beds as necessary to meet life safety code requirements or to remedy deficiencies noted in a licensing inspection pursuant to RSA 151 or state survey and certification process pursuant to titles XVIII and XIX of the Social Security Act.

II Rehabilitation Beds. Amend 2004, 260:27 to read as follows:

260:27 Health Services Planning and Review Board; Rehabilitation Beds and Services. Through the period ending [December 31, 2006] June 30, 2009 unless sooner authorized by the general court, the health services planning and review board shall not authorize changes regarding the licensure or certification of any rehabilitation beds in any type of facility, shall not authorize the addition of any rehabilitation beds in any type of facility, and shall not grant any certificate of need related to the board’s administrative standards for comprehensive physical rehabilitation services. This section shall not prohibit the voluntary transfer of rehabilitation beds between 2 licensed health care facilities; provided, that any such transaction does not result in an increase in the number of any type of rehabilitation beds in the state.
3 New Paragraph; County Reimbursement of Funds; Limitations on Payments. Amend RSA 167:18-b by inserting after paragraph VI the following new paragraph:

VII. (a) Any shortfall between the state audited Medicaid allowances incurred by the state’s county operated ICF nursing homes and amounts otherwise reimbursed by federal 50 percent Medicaid matching funds or other income, shall be certified as a public expenditure and be eligible for additional federal funding match.

(b) The department of health and human services shall seek federal Medicaid assistance match for any state audited county nursing home Medicaid expense which is not fully reimbursed through rates. Any revenue realized through such a match shall be paid to the nursing homes which incurred the unreimbursed expense, provided, however, that no state general funds are expended directly or indirectly for this purpose.

4 County Nursing Homes; Local Medical Assistance Contribution. Amend RSA 167:18-f to read as follows:

167:18-f Local Medical Assistance Contribution. In addition to any other reimbursement required by law, each county shall, within 60 days from notice thereof, reimburse the public assistance fund at the rate of [§27] $6 per month for each recipient of old age assistance and [§52] $23 per month for each recipient of aid to the permanently and totally disabled for whom the county would be liable under the provisions of RSA 166, except that no reimbursement shall be required for any recipient for whom the county has an obligation under RSA 167:18-b.

5 Appropriation; Health and Human Services. The sum of $5,400,000 for the biennium ending June 30, 2007 is hereby appropriated to the department of health and human services, for the purpose of funding the change to the local medical assistance contribution made in section 4 of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

6 County Credit for Contributions. Any county reimbursement under RSA 167:18-f made from July 1, 2005 until June 30, 2006 which exceeds the rate for reimbursement provided in section 4 of this act shall be credited to the counties for the year ending June 30, 2006 for fulfilling the local medical assistance contribution.

7 Effective Date.
I. Section 4 of this act shall take effect July 1, 2005, at 12:01 a.m.
II. Sections 5 and 6 of this act shall take effect June 30, 2006.
III. The remainder of this act shall take effect July 1, 2006.

AMENDED ANALYSIS

The bill removes the increase in county payments for old age assistance and aid to the permanently and totally disabled. This bill also extends the moratoriums on nursing home and rehabilitation beds.

Amendment adopted.
Committee report adopted and ordered to third reading.

HB 670-FN-A, relative to the land and community heritage investment program. INEXPEDIENT TO LEGISLATE.

Rep. Kenneth L. Weyler for Finance: This bill was retained so that the budget process could be completed. It appropriated $4 million in FY '06 and $6 million in FY '07. In the budget, the Senate came up with the novel idea of dedicating the highway mitigation funds of $3.5 million each year plus $1.5 million or the same $10 million. Highway fund monies are to be used to buy open space in the highway corridor towns or nearby. Most proponents of LCHIP do not acknowledge this $3.5 million and insist that our appropriation is only $1.5 million. This new idea has not had a fair demonstration. We should wait to see its effect before we change the funding sources. Vote 12-7.
Committee report adopted.

Rep. Mirski declared a conflict of interest and did not participate.

HB 506, including employees of charitable organizations under the protection of the state law against discrimination. OUGHT TO PASS WITH AMENDMENT.

Rep. Mary J. Gorman for Labor, Industrial and Rehabilitative Services: This bill includes employees of non-profit charitable organizations under the protection of the state’s anti-discrimination employment law so claims can be investigated and resolved by the New Hampshire Commission for Human Rights, just like employees of for-profit employers. Exempt are clubs exclusively social, or fraternal or religious association, or corporation, if such club, association, or corporation is not
organized for private profit, as evidenced by declarations filed with the Internal Revenue Service, nor does it include any employer with fewer than six persons in its employ, but shall include the state and all political subdivisions, boards, departments, and commissions thereof. Vote 8-2.

Amendment (0595h)
Amend RSA 354-A:2, VII as inserted by section I of the bill by replacing it with the following:

VII. "Employer" does not include a club exclusively social, or a fraternal or religious association or corporation, if such club, association, or corporation is not organized for private profit, as evidenced by declarations filed with the Internal Revenue Service, nor does it include any employer with fewer than 6 persons in its employ, but shall include the state and all political subdivisions, boards, departments, and commissions thereof.

Amendment adopted.

Committee report adopted and ordered to third reading.

SPECIAL ORDER

HB 642-FN-L, relative to the regulation of home inspectors. OUGHT TO PASS WITH AMENDMENT.

Rep. Robert W. Brundige for Municipal and County Government: The intent of this bill is to require the licensing of home inspectors to assure that New Hampshire consumers of home inspection services can rely on the competence of the home inspector. Currently there is no accountability for the home inspection industry except through the court system. The amendment to license home inspectors was mirrored after the plumbing and electrical licensing statutes. The committee does not routinely address licensing issues, but voted to support the concept of licensure. During our executive session the committee noted that this bill needs to go to the Executive Departments and Administration Committee to be sure that all the licensure requirements for home inspectors comply with the committee accepted standards. Vote 15-0.

Amendment (0141h)
Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Home Inspectors. Amend RSA by inserting after chapter 329-A the following new chapter:

CHAPTER 329-B
HOME INSPECTORS

329-B:1 Purpose. The purpose of this chapter is to protect the people of the state of New Hampshire by requiring the licensing of home inspectors to assure that consumers of home inspection services can rely on the competence of a home inspector.

329-B:2 Definitions. In this chapter:

I. "Apprentice" means any person who is engaged in learning and assisting in home inspection under an apprenticeship program acceptable to the board.

II. "Board" means the board of home inspectors, established by RSA 329-B:3.

III. "Home inspection" means a visual analysis for the purposes of providing a professional opinion of the condition of a residential building and its related structures, any reasonably accessible installed components and the operation of the building systems, including the controls normally operated by the owner, for the following components of a residential building of 4 units or less: heating system, electrical system, cooling system, plumbing system, structural components, foundation, roof covering, exterior and interior components and site aspects as they affect the building. Home inspection shall not require identifying concealed conditions or latent defects.

IV. "Home inspector" means any person who is licensed by the board as a home inspector and who engages in the business of performing home inspections and writing home inspection reports.

V. "Home inspection" report means a written report prepared by a home inspector for compensation and issued after a home inspection. The inspector shall report:

(a) On those systems and components inspected which, in the professional opinion of the inspector, are significantly deficient or are near the end of their service lives.

(b) A reason why, if not self-evident, the system or component is significantly deficient or near the end of its service life.

(c) The inspector's recommendations to correct or monitor the reported deficiency.

(d) Any systems and components designated for inspection which were present at the time of the inspection but were not inspected, and a reason they were not inspected.
VI. “Residential building” means a structure consisting of from one to 4 family dwelling units, and including a single-family home, a multifamily dwelling, manufactured housing as defined in RSA 384:16-d, II, and any single family condominium unit, wholly or partly used or occupied, or intended to be used or occupied, as the home or residence of one or more persons.

329-B:3 Board.

I. There shall be a board of home inspectors, consisting of 5 members, including 2 home inspectors, one real estate broker licensed under RSA 331-A, one attorney licensed to practice in this state, and one public member, each to be appointed by the governor, with the approval of the council, to a term of 4 years. No member of the board shall be appointed to more than 2 terms.

II. The public member of the board of home inspectors shall be a person who is not, and never has been, a home inspector or the spouse of a home inspector, and who does not have, and never has had, a material financial interest in either the provision of home inspection services or an activity directly related to the home inspection profession at any time during the 5 years preceding appointment.

III. The board shall be an administratively attached agency, under RSA 21-G:10, to the department of state.

329-B:4 Compensation and Expenses. Members of the board shall each be allowed the sum of $30 per day and their necessary traveling expenses incurred in carrying out their official duties.

329-B:5 Organization and Meetings. The board shall hold at least 4 regular meetings each year, and special meetings may be held at such times as the business of the board may require. Notice of all meetings shall be given in such manner as the rules of the board may provide. The board shall annually elect a chairperson and a vice-chairperson from among its members. A quorum of the board shall consist of not less than 3 members, at least one of whom shall be a public member.

329-B:6 Fees. The board shall establish fees for examination of applicants, for licensure and for renewal of licensure to practice under this chapter, and for transcribing and transferring records and other services. The fees established by the board shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses of the board for the previous fiscal year.

329-B:7 Receipts and Disbursements. The board shall receive and account at least monthly for all moneys derived under the provisions of this chapter, and shall pay the same to the state treasurer. The board may employ such clerical or other assistants as are necessary for the proper performance of its work, and may make expenditures from this fund for any purpose which, in the opinion of the board, is reasonably necessary for the proper performance of its duties under this chapter. Under no circumstances shall the total amount of payments made hereunder exceed the amount of the fees collected hereunder. Any balance in the account shall lapse at the end of each fiscal year.

329-B:8 Examinations. The board shall have authority to examine and license home inspectors. When issued, such license shall be valid throughout the state, and the licensee shall be entitled to perform the work of a home inspector anywhere within the state without any payment or additional fee. Each applicant for a license shall present to the board on a blank furnished by the board a written application for license, containing such information as the board may require, accompanied by the required fee. Such examinations shall be held at such times and places as the board shall determine. The scope of such examinations and the methods of procedure shall be prescribed by the board.

329-B:9 Rulemaking. The board shall adopt rules, pursuant to RSA 541-A, relative to:

I. The design and content of all forms and applications required under this chapter.

II. The application procedure for a license to practice under this chapter.

III. The qualifications of applicants in addition to those requirements set under this chapter.

IV. How an applicant shall be examined, including the time, place, type and form of the examination.

V. The disposition of examinations, including provision of test results to examinees.

VI. How a license to practice under this chapter shall be renewed, including the requirements for continuing education.

VII. The establishment of all fees required under this chapter.

VIII. Ethical and professional standards required to be met by each holder of a license to practice under this chapter and how disciplinary actions by the board shall be implemented for violations of these standards.

IX. The training and experience requirements of home inspectors, and of apprentices.

X. Procedures for the conduct of hearings consistent with the requirements of due process.

329-B:10 License Criteria.

I. No person shall provide, nor present, call or represent himself or herself as able to provide a home inspection for compensation unless licensed in accordance with the provisions of this chapter. No business entity may provide home inspection services unless each of the home inspec-
tors employed by the business entity is licensed in accordance with the provisions of this chapter. No business entity may use, in connection with the name or signature of the business entity, the title "home inspectors" to describe the business entity's services, unless each of the home inspectors employed by the business entity is licensed in accordance with the provisions of this chapter.

II. To be eligible for a license as a home inspector, an applicant shall fulfill the following requirements:

(a) Be of good moral character.
(b) Have successfully competed high school or its equivalent.
(c) Have completed a course of study of no less than 80 hours that covers all of the following components of a residential building of 4 units or less: heating system, cooling system, plumbing system, electrical system, structural components, foundation, roof covering, exterior and interior components and site aspects as they affect the building.

(d) Have acquired the required training and experience requirements as established by the board.

329-B:11 Expiration and Renewal. Notwithstanding any outstanding license to the contrary, all licenses issued by the board shall expire on the last day of the month of the licensee’s birth, but may be renewed during the following month, retroactive to the first day of the month. The fee for renewal of all licenses issued under this chapter shall be established by the board. Upon failure to pay the renewal fee within the required period, a licensee may renew his or her license by submitting the required fee plus $10 before the last day of the second month following the month of his or her birth. Any application received thereafter shall be rejected, unless accompanied by proof of successful completion of the examination required under RSA 329-B:8. A licensed home inspector shall complete at least 20 hours of board approved continuing education during each calendar year in order to maintain his or her license.

329-B:12 Exclusions. A licensed home inspector shall not be required to perform any action or make any determination unless specifically required by lawful authority. Inspectors are not required to determine:

I. The condition of systems or components which are not readily accessible.
II. The remaining life of any system or component.
III. The strength, adequacy, effectiveness or efficiency of any system or component.
IV. The causes of any condition or deficiency.
V. The methods, materials, or costs of corrections.
VI. Future conditions including, but not limited to, failure of systems and components.
VII. The suitability of the property for any specialized use.
VIII. Compliance with regulatory requirements (codes, regulations, laws, ordinances, etc.).
IX. The market value of the property or its marketability.
X. The advisability of the purchase of the property.
XI. The presence of potentially hazardous plants or animals including, but not limited to, wood destroying organisms or diseases harmful to humans.
XII. The presence of any environmental hazards including, but not limited to, toxins, carcinogens, noise, and contaminants in soil, water and air.
XIII. The effectiveness of any system installed or methods utilized to control or remove suspected hazardous substances.
XIV. The operating costs of systems or components.
XV. The acoustical properties of any system or component.

329-B:13 Reciprocity. Upon payment to the board of a fee and the submission of a written application form provided by the board, the board shall issue a home inspector license to any person who holds a valid license, certificate, or registration issued by another state or possession of the United States or the District of Columbia that has standards substantially equivalent to, or exceeding, those of this state, as determined by the board.

329-B:14 Persons Not Required to be Licensed. Nothing in this chapter prevents:

I. A person who is employed by a governmental entity from inspecting residential buildings if the inspection is within official duties and responsibilities.
II. A person from performing a home inspection if the inspection will be used solely by a bank, savings and loan association or credit union to monitor progress on the construction of a residential structure.
III. A person who is employed as a property manager for a residential structure and whose official duties and responsibilities include inspecting the residential structure from performing an inspection on the structure if the person does not receive separate compensation for the inspection work.

IV. A person who is regulated in another profession from acting within the scope of that person's license, registration or certification.

329-B:15 Disciplinary Action.

I. The board may undertake disciplinary proceedings:
   (a) Upon its own initiative; or
   (b) Upon written complaint of any person which charges that a person licensed by the board has committed misconduct under paragraph II and which specifies the grounds therefor.

II. Misconduct sufficient to support disciplinary proceedings under this section shall include:
   (a) The practice of fraud or deceit in procuring or attempting to procure a license to practice under this chapter;
   (b) Conviction of a felony or any offense involving moral turpitude;
   (c) Any unprofessional conduct, or dishonorable conduct unworthy of, and affecting the practice of, the profession;
   (d) Unfitness or incompetency by reason of negligent habits or other causes; or negligent or willful acts performed in a manner inconsistent with the health or safety of persons under the care of the licensee;
   (e) Addiction to the use of alcohol or other habit-forming drugs to a degree which renders him or her unfit to practice under this chapter;
   (f) Mental or physical incompetency to practice under this chapter;
   (g) Willful or repeated violation of the provisions of this chapter; or
   (h) Suspension or revocation of a license, similar to one issued under this chapter, in another jurisdiction and not reinstated.

III. The board may take disciplinary action in any one or more of the following ways:
   (a) By reprimand;
   (b) By suspension, limitation or restriction of license or certification for a period of up to 5 years;
   (c) By revocation of license or certification;
   (d) By requiring the person to participate in a program of continuing education in the area or areas in which he or she has been found deficient;
   (e) By requiring the home inspector to obtain insurance against loss, expense and liability resulting from errors and omissions or neglect in the performance of services as a home inspector; or
   (f) By requiring the home inspector to file with the board a bond that is furnished by a company authorized to do business in this state and is in the amount approved by the board.

329-B:16 Prohibited Acts. A licensed home inspector shall be prohibited from the following:

I. Performing or offering to perform, for an additional fee, any repairs to a structure on which the inspector, or the inspector's company, has prepared a home inspection report in the past 12 months, except that a home protection company that is affiliated with or that retains a home inspector does not violate this section if it performs repairs pursuant to a claim made under a home protection contract.

II. Inspecting for a fee any property in which the inspector, or the inspector's company, has any financial interest or any interest in the transfer of the property.

III. Offering or delivering any compensation, inducement or reward to the owner of the inspected property, the broker or agent, for the referral of any business to the inspector or the inspection company.

IV. Accepting an engagement to make an inspection or to prepare a report in which the inspection itself, or the fee payable for the inspection, is contingent upon either the conclusions in the report, preestablished findings, or the close of escrow.

329-B:17 Liability of Home Inspectors.

I. An action to recover damages for any act or omission of a home inspector relating to a home inspection that he or she conducts may only be commenced within 1 year after the date that a home inspection is completed.

II. Only a client and no other party shall have an action to recover damages arising from a home inspection or a home inspection report.

329-B:18 Appeals. Any person affected by a final decision of the board may appeal such final decision pursuant to RSA 541.

2 Effective Date. This act shall take effect January 1, 2007.
AMENDED ANALYSIS

This bill establishes the licensure of persons providing home inspection services and the regulation of such persons by a board of home inspectors.

Rep. Patten yielded to questions.

On a division vote, 201 members having voted in the affirmative and 113 in the negative, the committee amendment was adopted.

On a division vote, 187 members having voted in the affirmative and 126 in the negative, the committee report was adopted.

Referred to the committee on Executive Departments and Administration.

Rep. Mirski declared a conflict of interest and did not participate.

REGULAR CALENDAR (CONT’D.)

HB 91-FN, repealing the local property tax exemption for wooden poles and conduits. INEXPE- DIENT TO LEGISLATE.

Rep. Susan W. Almy for Ways and Means: This bill is the exact opposite of SB 11 which was thoroughly agreed and passed last year. The majority of the committee agreed that the issue should only be raised once in a term, at most. Vote 11-5.

Committee report adopted.

SPECIAL ORDER

HB 524, relative to outsourcing of jobs. INEXPE- DIENT TO LEGISLATE.

Rep. William J. Infantine for Labor, Industrial and Rehabilitative Services: While the intent is laudable, this bill would be grossly punitive and contrary to the accepted reality of globalization which in fact can result in substantial cost savings and job savings if offshore sourcing is managed rather than repudiated. This bill’s provisions would not prevent large companies from dropping New Hampshire as a market, and could cause greater loss of jobs if passed. Vote 10-0.

Rep. Infantine moved Recommit to committee.

Motion adopted.

Recommitted to the committee on Labor, Industrial and Rehabilitative Services.

COMMITTEE APPOINTMENTS

The Speaker appointed the following members to the Joint Committee for House Address 1: Reps. Dokmo, Mooney, Sheila Francoeur, Kurk, Shurtleff and Pratt.

SPECIAL ORDER

Without objection, the Speaker Special Ordered the remaining bills on today’s calendar to February 1, 2006.

RESOLUTION

Rep. O’Neil offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, February 1, 2006 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 1184, relative to the majority vote required for the use of bond proceeds in certain school districts or municipalities.

HB 1248 FN, relative to the alteration of a portion of the town line between Milford and Amherst.

HB 1262, legalizing actions taken at town meeting relative to increasing the board of selectmen from 3 members to 5 members in the town of Pittsfield.

HB 1402, establishing the standard of care for certain individuals or nonprofit entities in constructing, maintaining, or improving trails for public recreational use, and establishing a committee to study the standard of care applicable to landowners, lessees, and occupants for the use of public recreational land.
HB 653-FN-L, relative to bonds for construction, development, improvement, and acquisition of broadband facilities.

HB 645-FN, relative to fire-safer cigarettes.

HB 397, relative to authority to file an abuse or neglect petition under the Child Protection Act.

HB 590, excluding stepchildren from the definition of "child" in the context of support orders.

HB 203-FN, relative to the regulation of tracking devices and establishing a commission on the use of tracking devices.

HB 459, relative to access to criminal records and enhanced 911 system records.

HB 638-FN, relative to county and state financing of nursing home services.

HB 506, including employees of charitable organizations under the protection of the state law against discrimination.

HB 645-FN, relative to fire-safer cigarettes.

HB 397, relative to authority to file an abuse or neglect petition under the Child Protection Act.

HB 590, excluding stepchildren from the definition of "child" in the context of support orders.

HB 203-FN, relative to the regulation of tracking devices and establishing a commission on the use of tracking devices.

HB 459, relative to access to criminal records and enhanced 911 system records.

HB 638-FN, relative to county and state financing of nursing home services.

HB 506, including employees of charitable organizations under the protection of the state law against discrimination.

UNANIMOUS CONSENT

PERSONAL PRIVILEGE

Reps. Mirski and Craig addressed the House.

RECESS MOTION

Rep. O’Neil moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 5:25 p.m.

RECESS

(Speaker Scamman in the Chair)

COMMITTEE ASSIGNMENT

SENATE MESSAGES

CONCURRENCE

HB 406, revising certain provisions of the home education statutes.

HB 505, relative to recording mailing addresses on property deeds.

NONCONCURRENCE

HB 66, regulating mandatory overtime for nurses and assistants.

HB 365, relative to recount fees.

HB 372, relative to notification of interested parties in medical parole cases.

HB 533-FN, relative to penalties for aggravated felonious sexual assault.

HB 696-FN, relative to enhanced penalties for certain crimes against the elderly and persons with disabilities.

CONCURRENCE WITH AMENDMENTS

SB 72, relative to the licensing of public adjusters.

SB 175, requiring insurance coverage for certified midwives.

SCR 3, relative to the Boys Scouts of America.

RECESS

(Rep. Easson in the Chair)

RESOLUTION

Rep. Dickinson offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 1765, shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.
INTRODUCTION OF HOUSE BILL  
First, second reading and referral  
*HB 1765-FN-A-L*, appropriating matching funds for disaster relief resulting from the October 2005 floods. (Gibson, Hills 19; Parkhurst, Ches 4; Phinizy, Sull 5; Essex, Hills 1; D. Eaton, Ches 2; Eaton, Dist 10; Burling, Dist 5: Finance)  

RECESS  
(Speaker Scamman in the Chair)  
RESOLUTION  
Rep. Wendelboe offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 1766 shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee. Adopted.

INTRODUCTION OF HOUSE BILL  
First, second reading and referral  
*HB 1766*, relative to the duties of the state board of education concerning educating pupils on AIDS and venereal diseases. (Balboni, Hills 21; Hagan, Hills 17; Newton, Straf 1; Ingbretson, Graf 5: Education)  

RECESS  
(Speaker Scamman in the Chair)  
RESOLUTION  
Rep. Price offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 1767 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committee. Adopted.

INTRODUCTION OF HOUSE BILL  
First, second reading and referral  
*HB 1767-FN-A*, authorizing the state acquisition of real estate destroyed in the October 2005 floods, establishing a commission to determine the appropriate use of the property, and making an appropriation therefor. (D. Eaton, Ches 2; Phinizy, Sull 5; Pratt, Ches 2; Hager, Merr 12; Hogancamp, Ches 4; Odell, Dist 8: Finance)  

RECESS  
(Rep. Reeves in the Chair)  
RESOLUTION  
Rep. Weyler offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bills numbered 1768 and 1769, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees. Adopted.

INTRODUCTION OF HOUSE BILLS  
First, second reading and referral  
*HB 1768-FN*, relative to the corporate purposes of the New Hampshire Bar Association and the regulation of attorneys by the Supreme Court. (Mead, Hills 4; Rowe, Hills 6; O'Brien, Hills 4; Sorg, Graf 3; Elliott, Hills 19; Giuda, Graf 5; Roberge, Dist 9; Boyce, Dist 4: Judiciary)  
*HB 1769*, relative to insurance records required for market conduct purposes. (Rodeschin, Sull 2; Infantine, Hills 13; McRae, Hills 7; Odell, Dist 8: Commerce)  

RECESS  
(Speaker Scamman in the Chair)  
The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

God of transcendence and God of the particulars, we pause at the beginning of this day to ask Your presence in our midst. More truthfully, we ask Your help in opening our minds and our work to Your presence. Shape our agendas to match Your agenda. Help us to discern, even in the midst of engaging discussions around education funding, sex education, voter issues and speed limits, that You are as much in the details as in the generalities. We pray for a spirit of teamwork, but if wrestling is needed of us, let it be authentic, charitable, and an experience which leaves all feeling that we were truly heard and honestly blessed.

As we work away in this chamber, we lift up to Your care those here in our midst who are suffering or are troubled by life challenges. We offer up those of our friends and family members whose joys and concerns we carry in our hearts. And we lift up those whose stories of homelessness, addiction, poverty and illness would be far more to bear than we can imagine. All this we pray in gratitude for our many blessings. Amen.

Rep. Ronald J. Nowe, member from Epping, led the Pledge of Allegiance.

The National Anthem was sung by Cynthia Downs, a 12th grade student from Spaulding High School in Rochester.

LEAVES OF ABSENCE

Reps. Barker, Carlson, Gillick, Hunter, Palangas, Phinizy, Putnam, Reardon, Snyder, Weldy and Wiley, the day, illness.
Reps. Bleyler, Callaghan, Egbers, Goodwin, Introne, Manning, Priestly, Rochette, Ross, and Zolla, the day, important business.
Rep. MaryAnn Blanchard, the day, illness in the family.

INTRODUCTION OF GUESTS

SENATE MESSAGE

NONCONCURS WITH AMENDMENT
REQUESTS COMMITTEE OF CONFERENCE

SB 206-FN, relative to the state code of ethics and establishing an executive ethics commission.
The President appointed Sens. Clegg, Boyce and Larsen.
Rep. Whalley moved that the House accede.
Adopted.
The Speaker appointed Reps. Whalley, O'Brien, O'Neil and Craig.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. O'Neil moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 1238-FN, relative to centralized voter registration database information, removed by Rep. Kurk.

CACR 31, relating to the attorney general. Providing that the attorney general be elected for the same term as the governor, removed by Rep. DiFruscia.
HB 1183, relative to the terms of office for state department commissioners, removed by Rep. Hellwig.

HB 1456-FN, relative to licensure of septic system inspectors, removed by Rep. Bergin.

HB 1108, relative to the transfer of funds among PAU’s within a department, removed by Rep. Hellwig.

HB 1269, relative to the taking of red deer or elk, removed by Rep. R. L’Heureux.

HB 1294, relative to antique snowmobiles, removed by Rep. R. L’Heureux.

HB 1160, establishing a committee to study the effects of willful, habitual misconduct by individuals on their subsequent well-being which may impose a burden on public funds, removed by Rep. Hellwig.

HB 1318, relative to prohibiting services for illegal immigrants, removed by Rep. Buhlman.

HB 1409-FN, relative to organ and tissue donation, removed by Rep. Kurk.

HB 1654, relative to the probate court mediation fund and fee, removed by Rep. Mirski.

HB 1321, relative to qualifications for police chiefs in towns with populations of more than 3,000, removed by Rep. Solomon.

HB 1255, establishing a committee to study improvements to the Amoskeag Street interchange at exit 6 of the F.E. Everett Turnpike, removed by Rep. Hirschmann.

HB 1619-FN, relative to a certain toll plaza in Merrimack, removed by Rep. Mooney.

CACR 38, relating to funding for education. Providing that revenue from lotteries and games of chance may only be used for educational purposes, removed by Rep. DiFruscia.

HB 1599, reducing the rate of the business profits tax and repealing the business enterprise tax, removed by Rep. Hellwig.

Consent Calendar adopted.

CONSENT CALENDAR

HB 1135, making a technical correction to the Uniform Interstate Family Support Act. OUGHT TO PASS.

Rep. Harriet E. Cady for Children and Family Law: The bill corrects 2 clerical errors in the Uniform Interstate Family Support Act. RSA 546-B:47-52. Since the statutory references to the procedure for registering and modifying a child support order in another state were now corrected, the committee voted ought to pass. Vote 13-0.

HB 1202, relative to the minimum age required for marriage. REFER FOR INTERIM STUDY.

Rep. Mary Stuart Gile for Children and Family Law: This bill proposes to increase the minimum age required for marriage to 16. Current NH law allows males of 14 years and females of 13 years to marry with parental consent. A review of data for 2000-2004 indicated 6 teenagers married in that five year period. The committee felt the bill needs more work and following a review of marriage laws in the U.S.A by age, voted to refer to Interim Study. Vote 14-1.

HB 1214, establishing a task force to identify and assess community-based, educational and social/human services programs that serve families with children 8 years of age and younger. OUGHT TO PASS WITH AMENDMENT.

Rep. Eileen C. Flockhart for Children and Family Law: Up to date and accurate data on these programs is essential to the committee in developing policies. Vote 12-0.

Amendment (0555h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a study committee to identify and assess community-based, educational and social/human services programs that serve families with children 8 years old and younger.

Amend the bill by replacing all after the enacting clause with the following:

1 Study Committee Established. There is established a study committee to identify and assess community-based, educational and social/human services programs that serve families with children 8 years old and younger.

2 Membership and Compensation.

I. The members of the study committee shall be as follows:

(a) Four members of the house of representatives, appointed by the speaker of the house of representatives, 2 of whom shall be members of the children and family law committee, one of whom shall be a member of the education committee, and one of whom shall be a member of the health, human services and elderly affairs committee.

(b) Two members of the senate, appointed by the president of the senate.
II. Members of the study committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The study committee shall identify and assess all community-based, educational and social/human services programs that serve families with children 8 years old and younger.

I. For each program, the study committee shall identify:

(a) The entity responsible for administering and funding the program, such as a mental health center, hospital, church, school, or state or local government agency, and an indication of whether the responsible entity is private or public, and its source of governance or statutory authority, if any.

(b) The program’s stated mission and whether the program’s focus is primarily education, prevention, intervention, or therapy.

(c) Funding sources, and an indication of whether the program is a for-profit program or a nonprofit program.

(d) Eligibility criteria for the program.

(e) The number of parent and child participants in the program.

(f) The program’s location and catchment area.

(g) The program’s methods of evaluation and accountability.

(h) Any additional data that the committee deems necessary.

II. The study committee shall use the information identified to assess the degree to which existing programs are able to meet the needs of families with children 8 years old and younger and to increase awareness and understanding of existing programs.

III. The committee shall solicit information and testimony from such organizations and individuals as may assist the committee in the performance of its duties, including but not limited to the following:

(a) The division for children, youth, and families, department of health and human services.

(b) The division of family assistance, department of health and human services.

(c) The division of public health services, department of health and human services.

(d) The department of education.

(e) Family Support NH.

(f) Early Learning NH.

(g) The New Hampshire Association for the Education of Young Children.

(h) Child and Family Services.

(i) Community Bridges.

(k) The university system of New Hampshire.

4 Chairperson. The members of the study committee shall elect a chairperson from among the members. The first meeting of the study committee shall be called by the first-named house member. The first meeting of the study committee shall be held within 45 days of the effective date of this section.

5 Report. The study committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library. The committee shall file an interim report on or before November 1, 2006 and a final report on or before November 1, 2007.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a study committee to identify and assess community-based, educational and social/human services programs that serve families with children 8 years old and younger.

HB 1285, making certain technical corrections to the adoption statute. OUGHT TO PASS WITH AMENDMENT.

Rep. Karen K. McRae for Children and Family Law: This bill makes certain technical changes to the language in the adoption statute. For example, “consent” instead of “agree.” The bill also clarifies inheritance rights and privileges. The amendment removes language from the putative father registry. Vote 11-1.
Amendment (0379h)
Amend the bill by replacing RSA 170-B:6, I(c)(2) as inserted by section 2 of the bill with the following:

(2) In New Hampshire, the registration form shall be supplied by the office of child support services.

HB 1363, relative to financial statements used to determine child support obligations. INEXPEDIENT TO LEGISLATE.
Rep. Karen K. McRae for Children and Family Law: The committee felt that the bill raised too many questions, which in turn led to a discussion of the unintended consequences of a three year look back. The bill was fraught with problems of inequities in its intended implementation. Vote 12-0.

HB 1396, relative to competency of juvenile offenders. INEXPEDIENT TO LEGISLATE.
Rep. David J. Bettencourt for Children and Family Law: The committee unanimously found this legislation inexpedient to legislate per the request of the sponsor. The sponsor cited several flaws within the bill that were brought to his attention by the Department of Justice. The sponsor was told that concerns would be addressed only by extensive rewording by those who desired the legislation. Vote 14-0.

HB 1545, requiring mediation as part of participation in a juvenile diversion program. INEXPEDIENT TO LEGISLATE.
Rep. Karen K. McRae for Children and Family Law: The committee felt that mediation has to be voluntary and therefore, juveniles cannot be required to participate in mandatory mediation. There was also testimony that mediation was regularly being used where appropriate. Vote 12-0.

HB 1252, authorizing the use of a credit freeze as a means of deterring identity theft. INEXPEDIENT TO LEGISLATE.
Rep. Stephen B. Stepanek for Commerce: The prime sponsor requested that this bill be withdrawn because an identical bill has been introduced in the Senate. The committee agreed to that and will wait for the Senate bill to study the issue. Vote 17-0.

HB 1413-FN, relative to daylight saving time. INEXPEDIENT TO LEGISLATE.
Rep. Kathleen N. Taylor for Commerce: This bill would declare that daylight saving time in New Hampshire shall be two hours in advance of United States Standard Eastern Time, rather than one hour in advance of EST. The committee feels that changing the hours of daylight savings time by two hours rather than one hour would have to be done on a regional or national level. It would not be feasible to have a separate time zone just for New Hampshire. Vote 15-1.

HB 1607-FN, relative to reckless endangerment of roadway workers. INEXPEDIENT TO LEGISLATE.
Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill was introduced as the result of one cited instance in which a D. O. T. road crew was doing routine maintenance beside the interstate. It was a “rolling work zone” so called, meaning no signs or other warning devices were in use. As the workers completed a task, which in this instance, consisted of painting an arrow on pavement to locate storm drains, they would drive a short distance to the next drain, exit the truck and paint the next drain. A vehicle coming down the road veered into the breakdown lane. As was the accepted practice, one of the workers was over the guardrail watching for just such an occurrence and gave timely warning to his co-worker enabling him to get over the guardrail. The vehicle struck the highway vehicle in the rear. It was determined that the driver had been confused. As written, this bill would not have made any difference in reducing the risk as the driver of the car was not driving recklessly. Further, the highway workers were in violation of RSA 265:6-a by not posting signs at the work zone. Because current laws provide penalties for reckless operation, the committee feels this law is unnecessary. Vote 16-1.

HB 1623-FN, relative to harm or threats to public officials. INEXPEDIENT TO LEGISLATE.
Rep. James H. Oliver for Criminal Justice and Public Safety: This bill is the result of a N.H. Supreme Court Committee on Court Security. This bill amends a paragraph to RSA 640:3. The Senate has submitted a similar bill adding Section 631:4-a to RSA 631:4. The sponsor has agreed with the recommendation of ITL. Vote 14-0.
HB 1669-FN, increasing the penalties for littering. INEXPEDIENT TO LEGISLATE.
Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill was introduced to solve a problem that is currently addressed in RSA 265:102 and RSA 163-B:3. A violator can be charged under either. The bill called for an increase in the fines and linked non-payment of the fine to suspension of either the violator’s driving license and hunting or fishing licenses. The committee felt that the additional penalties were either not needed or not generally effective considering that not all violators might have either license. Vote 17-0.

HB 1680-FN, requiring law enforcement and corrections officers to complete training in appropriate techniques for dealing with persons with mental health conditions. REFER FOR INTERIM STUDY.
Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill is a much-needed bill. The majority of the committee agreed, as did those few who did not totally support the bill, yet they still expressed a genuine need for some type of training in this ever increasingly difficult and often time dangerous encounter of Law Enforcement and the person that has a mental health condition. Many questions have arisen from this public hearing; is this 28a mandate? Is forty hours of training too much? Is 4 hours enough? Should the Probate Courts advise the police in the communities and/or sheriffs and the family members when a person is well enough, on meds, to be placed back into society? All of these and more must be brought to the fore so we can determine a possible solution; hence the committee recommends this bill for interim study. Vote 16-1.

HB 1732-FN-A, repealing the fund for the domestic violence grant program and relative to marriage license fees. INEXPEDIENT TO LEGISLATE.
Rep. Stanley E. Stevens for Criminal Justice and Public Safety: At the request of the sponsor, this bill was voted Inexpeident to Legislate. Vote 15-0.

HB 1203-FN-L, relative to school building costs for athletic fields. INEXPEDIENT TO LEGISLATE.
Rep. Timothy E. Easson for Education: The committee learned that since this bill was filed, Bedford was granted a waiver for artificial turf by the Department of Education. Thus, this bill is not necessary. Vote 14-0.

HB 1368, requiring elementary school instruction in proverbs. INEXPEDIENT TO LEGISLATE.
Rep. Emma L. Rous for Education: This bill proposes curriculum already covered by state frameworks and currently taught throughout the state. Vote 14-0.

HB 1408-FN, allowing reserve and national guard members returning to New Hampshire after full-time active duty to take courses tuition free at any community-technical institute or college. INEXPEDIENT TO LEGISLATE.
Rep. John L. Ward for Education: The committee believes that the bill was laudable. However, after a subcommittee review, there were too many unanswered questions. Those interested parties agreed and also recommended inexpedient to legislate. Vote 15-0.

HB 1489, relative to school emergency response plans. OUGHT TO PASS WITH AMENDMENT.
Rep. Stephen R. L’Heureux for Education: The committee unanimously believes in the adoption of this bill which will serve to develop an “all hazards” approach to emergency planning in our New Hampshire schools. An amendment was offered that required plans to be forwarded to the NH Bureau of Emergency Management and that the Bureau be available to conduct the training and provide support to the school districts to aid in any plan implementation, established a 2-year development process, and made the drills part of what is currently in law mirroring the Life Safety Code on school evaluation drills. Vote 13-0.

Amendment (0589h)
Amend the bill by replacing section 1 with the following:

1 New Subdivision; Emergency Response Plans. Amend RSA 189 by inserting after section 63 the following new subdivision:

Emergency Response Plans

189:64 Emergency Response Plans.

1. Within 2 years of the effective date of this section, every public and nonpublic school shall develop a site-specific school emergency response plan which is based on and conforms to the Incident Command System of the National Incident Management System. A copy of the plan shall
be forwarded to the bureau of emergency management, division of emergency services, communication, and management, department of safety. The plan shall provide that at least 2 of the required number of fire evacuation drills shall be emergency response drills. The plan shall address hazards including acts of violence, threats, earthquakes, floods, tornadoes, structural fire, wildfire, internal and external hazardous materials releases, and any other hazard deemed necessary by school officials. The first emergency response drill shall be conducted within one year of the completion of the plan.

II. The plan shall be coordinated with local emergency authorities and with the emergency response plan in the municipality in which the school is located. A school shall review its plan at least annually, and shall update the plan, if necessary. The bureau of emergency management, division of emergency services, communication, and management, department of safety shall assist school districts in conducting training for and providing support to school districts in the development, implementation, and review of an emergency response plan, as may be needed.

HB 1539, establishing a committee to study the shortage in speech language services and the criteria for certification as a speech language specialist. **OUGHT TO PASS WITH AMENDMENT.** Rep. Claire D. Clarke for Education: The committee feels a study committee is warranted to study the shortage of qualified speech language pathologists. Testimony heard indicated that there were hundreds of speech language pathologists available but a "critical shortage" declaration was being made so a district could hire the lesser-trained speech language specialist. It is the committee's feeling that this study committee will define what a critical shortage is, when it is declared, who declares it, and determines the need for speech language specialists and speech language pathologists. Vote 12-0.

**Amendment (0414h)**

Amend section 2 of the bill by replacing paragraph III with the following:

III. Members of the committee shall consult with the commissioner of the department of education, speech language pathologists, speech language specialists, and any other individual with relevant information or expertise as deemed necessary.

HB 1118, requiring paper ballots at all elections. **OUGHT TO PASS.**

Rep. Jane A. Clemons for Election Law: This bill would codify the continued use of paper ballots for purposes of recounts, which New Hampshire has always required. Should new electronic ballot machines be used in the future, any such machine would be required to have the ability to produce paper ballots of some sort so visual inspection would show the intent of the individual voter. Vote 17-0.

HB 1122, relative to special elections. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Richard B. Drisko for Election Law: The intent of this bill is to clarify the process for the establishment of a date for a special election. The language specifies that a special election, when possible, will coincide with a regularly scheduled election in the towns or wards as represented by the city. In the event the towns or wards can not agree on a date, the governor and council shall declare that the election be held on a Tuesday not less than 80 nor more than 87 days following the declaration by the governor and council. This procedure minimizes the financial impact on the district. Vote 16-1.

**Amendment (0573h)**

Amend the bill by replacing section 1 with the following:

1 Nominations for Special State Elections; Coincidence with Regular Election. Amend RSA 655:81, I to read as follows:

1. The special election shall be held on the Tuesday not less than 80 nor more than 87 days following the day that the governor and council declare that there shall be a special election; provided, however, that if one or more municipalities where a special election for state representative will be held have a regularly-scheduled election occurring between 80 and 180 days following the day that the governor and council declare that there shall be a special election, the governor and council shall set the date of the election to coincide with the regularly-scheduled election if a majority of the towns or wards, as represented by the city, jointly request that day; if towns or wards, as represented by the city, request that the special election coincide with regu-
larly-scheduled elections occurring on different dates, the election shall be held on the Tuesday not less than 80 nor more than 87 days following the day that the governor and council declare that there shall be a special election; and

**HB 1147**, relative to the conduct of recounts. **OUGH TO PASS.**
Rep. Suzanne Harvey for Election Law: This bill would require visual inspection of ballots during recounts and prohibits the use of any mechanical, optical or electronics device to recount ballots. It would codify current practice, protect our tradition of paper ballots and strengthen creditability among voters in our election process. While machines can count ballots, they cannot discern intent of the voter when the markings may not be absolutely clear. Rather than have some ballots discounted in their entirety by machines which may happen on election night, these ballots would be fully considered in a recount by the secretary of state and his/her assistants and the candidates. Vote 17-0.

**HB 1166**, relative to electronic ballot counting machines. **OUGH TO PASS WITH AMENDMENT.**
Rep. Richard B. Drisko for Election Law: The intent of this bill is to provide that if electronic ballot counting machines are used at the polling place, they will be tested within five days preceding the election. The testing shall be open to public observation and examination at a date and a time duly posted by the moderator. Vote 14-1.

**Amendment (0594h)**
Amend the bill by replacing section 1 with the following:

1 New Section; Preparation of Voting Materials; Electronic Ballot Counting Machines. Amend RSA 656 by inserting after section 44 the following new section:

656:45 Electronic Ballot Counting Machines. If an electronic ballot counting machine is used at the polling place, the machine shall be tested within the 5 days preceding each election and the testing shall be open to public observation and examination at a date and time posted by the moderator. The moderator shall run test ballots through the machine to verify its accuracy.

**HB 1283**, relative to sheep and goat identification requirements. **OUGH TO PASS.**
Rep. Betty B. Hall for Environment and Agriculture: It is necessary to bring our state laws into compliance with federal requirements. Our livestock owners need to be able to operate in compliance with both state and federal regulations. Vote 12-0.

**HB 1296**, relative to the voluntary scrapie flock certification program. **OUGH TO PASS.**
Rep. James F. Powers for Environment and Agriculture: This bill will assist in preventing spread of scrapie, which is a fatal degenerative disease affecting the central nervous system of sheep and goats. Like HB 1283, it is required to bring New Hampshire law regarding sheep and goats into compliance with federal regulations. Vote 13-0.

**HB 1142**, establishing a committee to study whether a general business license should replace the licensure of trades and professions. **INEXPEDIENT TO LEGISLATE.**
Rep. Judson K. Dexter for Executive Departments and Administration: While the committee felt that this was an interesting approach to deal with the trades and professions, it was nearly unanimously agreed that unforeseen consequences could cause chaos. This would require the detailed review of 130 plus trades and professions. Additionally, many of our laws are directly attached to other state and federal agencies such as health and human services, insurance, environmental services and others. Finally, the bill offers no recommendations to replace the current system to protect peoples’ safety, administration or costs. Vote 11-3.

**HB 1144**, allowing dental hygienists to engage in independent practice. **INEXPEDIENT TO LEGISLATE.**
Rep. Anne-Marie Irwin for Executive Departments and Administration: This bill would remove the requirement that dental hygienists practice only under the supervision of licensed dentists and would allow for independent practice. After extensive testimony and subsequent subcommittee work, the committee concluded that the concept of independent practice had merit but was premature. Presently, only Colorado allows independent practice, however, there is a national movement to establish standards and expanded scope of practice. When over the next few years, additional education, development of standards and cooperation with dentists occurs, the Executive Department and Administration Committee anticipates working again with the dental hygienist. Vote 17-2.
HB 1185, relative to Volunteer NH. OUGHT TO PASS.
Rep. Donald F. Ryder for Executive Departments and Administration: Volunteer NH is an established committee that coordinates volunteer organizations with the state. This bill allows the board of directors to appoint an executive director who will serve at the pleasure of the board. Members appointed by the governor and council shall serve renewable three (3) year terms. All others serve coterminous with their term of office. The bill removes a restriction of no compensation for the executive director. Vote 16-1.

HB 1358, establishing an investigatory commission for unethical conduct in state government. INEXPEDIENT TO LEGISLATE.
Rep. Alida I. Millham for Executive Departments and Administration: This bill as written would establish a legislatively driven investigation committee to act on allegations of unethical or improper conduct within a state agency. The committee agreed that investigating commissions, if established, should be in response to a specific and clearly articulated abuse of authority or blatant violation of rules and regulation. There already exist laws and rules that offer avenues for citizens, lawmakers, and state employees to seek redress for unethical and improper conduct. There is access to the attorney general’s office; there are ombudsmen in many areas changed with handling abuse claims. There also exists, the Elder Abuse Advisory Council that seeks to improve the protection of New Hampshire seniors from abuse, neglect, and exploitation. Vote 19-0.

HB 1498, establishing a risk management unit within the department of administrative services. OUGHT TO PASS WITH AMENDMENT.
Rep. James B. Coburn for Executive Departments and Administration: The first part of this bill changes RSA 21-I:4 to match the agency’s current reporting relationship for the bureau of risk management. An administrative audit recommended that the commissioner should make the appropriate changes to the statute to match the current state. This bill moves the bureau of risk management unit. The second part of the bill cleans up some rule making requirements that are no longer necessary. Vote 13-0.

Amendment (0495h)
Amend the title of the bill by replacing it with the following:
AN ACT establishing a risk management unit within the department of administrative services and relative to the rulemaking authority of the department of administrative services.
Amend the bill by replacing all after section 10 with the following:
11 Department of Administrative Services; Rulemaking Authority. Amend the introductory paragraph of RSA 21-I:14 to read as follows:
21-I:14 Rulemaking Authority. The commissioner of administrative services shall adopt rules, pursuant to RSA 541-A, relative to the following matters, if such matters require statements of general applicability within the definition of “rule” set forth in RSA 541-A:1, XV:
12 New Paragraph; Duties of Commissioner of Administrative Services; Insurance Requirements for Certain State Contractors. Amend RSA 21-I:13 by inserting after paragraph XIII the following new paragraph:
IV. Establish a general liability insurance provision for standard state contracts that requires any contractor who qualifies for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000 to provide insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate.
13 Repeal. RSA 21-I:14, III, XIV, and XV, relative to the rulemaking authority of the department of administrative services, are repealed.
14 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS
This bill establishes a risk management unit within the department of administrative services. The unit has the same responsibilities as the bureau of risk management but is not part of the division of accounting services.
The bill also repeals 3 areas of rulemaking authority by the department of administrative services, 2 of which have become obsolete and one of which is addressed in statute.
HB 1503, relative to financial programs administered by the postsecondary education commission. OUGHT TO PASS.
Rep. Anne-Marie Irwin for Executive Departments and Administration: This bill allows for all funds to be distributed to students and not revert to the general fund. The amount of money, between six and fifteen thousand dollars, is hugely significant to worthy applicants (such as the orphans of veterans programs) and makes miniscule difference to the general fund. In addition, the bill provides for some housekeeping details. Vote 20-0.

HB 1559, relative to training requirements for barbers, cosmetologists, manicurists, and estheticians. INEXPEDIENT TO LEGISLATE.
Rep. Hector M. Velez for Executive Departments and Administration: This bill would reduce the training requirements for licensure as barbers, cosmetologists, manicurists and estheticians. This bill also requires topics of training adopted in rules of the board of barbering and cosmetology and esthetics to relate to the protection of public health. These changes will greatly reduce the level of education of salon professionals in New Hampshire and more importantly, will put consumers at risk by having under-educated, inadequately trained professionals in salons and spas. There was an overwhelming number of professionally licensed barbers, cosmetologists, manicurists, and estheticians who opposed this legislation. Vote 18-0.

HB 1735-FN, relative to awarding the state employees’ health insurance plan. OUGHT TO PASS.
Rep. Peter F. Bergin for Executive Departments and Administration: This bill was requested by the committee studying the Department of Insurance and awarding of the bids for health insurance for state employees as established by 2005, 103 (HB 195). The bill repeals the law requiring a self-insured health plan for state employees. It gives the commissioner the flexibility to self insure or to get bids from insurance companies. The bill creates a legislative committee to make recommendations and advise the commissioner of administrative services on the state employee group insurance program. It also allows the inclusion of the university system, if it so chooses, into the state employees health insurance program. Vote 16-0.
Referred to the committee on Finance.

HB 688-FN, relative to the regulation of mental health practitioners and the procedures of the board of mental health. OUGHT TO PASS.
Rep. Elizabeth S. Hager for Finance: This bill came to the Finance Committee to ascertain whether there were financial ramifications. The committee learned there is sufficient money in the fund for the changes in this bill. Vote 16-0.

HB 1131, increasing the payment in lieu of taxes paid to the city of Portsmouth by the Pease development authority. INEXPEDIENT TO LEGISLATE.
Rep. Peter E. Franklin for Finance: There is no impediment to negotiations between Pease Development Authority - Port Authority and the city of Portsmouth at the present time. Both parties are amenable to discussions to assure a more equitable payment for services to Portsmouth for its support of Port Authority related activities which impact Portsmouth tax payers. Portsmouth and the Pease Development Authority have an inclusive municipal services agreement and the port should be part of that agreement. Vote 19-0.

HB 1148-FN-A, making an appropriation to the Seacoast Shipyard Association. INEXPEDIENT TO LEGISLATE.
Rep. Robert L. Wheeler for Finance: Avenues to fund the requested appropriation of $7,500 already exist in DRED in their Economic Development Fund (Seacoast Shipyard Association, SSA, did receive $30,000 from the fund in the Fall of 2004) and the Economic Development Matching Grant program. Further, these application programs would be more timely and responsive to SSA needs than this worthy proposed legislative remedy. Accountability and reporting criteria exist in these programs and that path furthers the system and order of government in the funding of projects utilizing public funds. Vote 23-0.

HB 1226-FN, relative to the New Hampshire Humanities Council. OUGHT TO PASS.
Rep. Christopher C. Pappas for Finance: New Hampshire provides no state funding to its Humanities Council unlike 41 other states and U.S. Territories. However, our state has a longstanding informal arrangement with the New Hampshire Humanities Council, whereby the state houses the
Council in state office space rent-free. This bill simply formalizes that arrangement, begun by Governor Sununu and continued by each successive governor. The Department of Administrative Services supports this legislation, and will be able to work out any new terms with the Council or draft a lease agreement. The committee was satisfied that DAS is sufficiently, if necessary, protected by the bill and that the important work of the Council will be supported into the future. Vote 20-0.

**HB 1267**, establishing a committee to study the use of money in dedicated funds. **INEXPEDITENT TO LEGISLATE.**

Rep. Joseph E. Stone for Finance: In 2003, HB 368, Chapter 174 was signed into law. The bill was heard by the House Ways and Means Committee and the committee report stated, “This bill makes technical corrections to the list of dedicated funds that are now subject to reporting requirements through the State Treasurer to the relevant policy committee of the legislature. The committee supports continued interest in the issue of disclosure and oversight of dedicated funds”. The issue has been addressed, thus the Finance Committee feels this bill is unnecessary. Vote 22-0.

**HB 1280**, establishing a committee to study all sources of grant funding received by the state. **INEXPEDITENT TO LEGISLATE.**

Rep. Joseph E. Stone for Finance: The committee felt that with all the layers of review involved in grants; that is financial audits, performance audits, and committees specified to review grants by assignment that further study appears to be redundant. Vote 22-0.

**HB 1504-L**, establishing a committee to study reimbursing towns for emergency services on interstate highways. **INEXPEDITENT TO LEGISLATE.**

Rep. Linda T. Foster for Finance: The committee understands that this complicated issue affects every town and city in our state and agrees that the issue may warrant a comprehensive study that involves all state maintained roads and not just interstate highways. The committee believes that one of the policy committees should look at this type of legislation and hopes that a more inclusive bill will be constructed and filed for the January 2007 session. Vote 20-2.

**HB 1617-FN-L**, relative to the Franklin school district. **INEXPEDITENT TO LEGISLATE.**

Rep. Kenneth H. Gould for Finance: This bill would require the Franklin School District to forfeit education grant funds of more than $7,000,000. There is probably a valuable message here, but passage of this bill would be punitive in the extreme. Vote 22-0.

**HB 1644-FN**, relative to funding the fuel assistance program in the office of energy and planning and requiring a one-time reduction in the rate of the statewide enhanced education tax and making appropriations therefor. **INEXPEDITENT TO LEGISLATE.**

Rep. Elizabeth Hager for Finance: This bill is duplicative of other bills before the committee. We intend to deal with the two issues in those other bills. Vote 22-0.

**HB 1115**, relative to the definition of resident for purposes of fish and game laws. **OUGHT TO PASS WITH AMENDMENT.**

Rep. David L. Smith for Fish and Game: The bill changes the residency requirement from six months to 60 days for the purpose of purchasing Fish and Game Licenses and also for registering snowmobiles. This is in conformity with the 60 day requirement to register a motor vehicle. The bill had full committee support. Vote 10-0.

**Amendment (0442h)**

Amend the bill by inserting after section 1 the following and renumbering the original sections 2 and 3 to read as 4 and 5, respectively:

2 Fish and Game; OHRVs; Definition of Resident. RSA 215-A:1, XII is repealed and reenacted to read as follows:

   XII. “Resident” means a resident of the state as defined in RSA 21:6, except that no person shall be deemed to be a resident who claims residence in any other state for any purpose.

3 Fish and Game; Snowmobiles; Definition of Resident. RSA 215-C:1, XIV is repealed and reenacted to read as follows:

   XIV. “Resident” means a resident of the state as defined in RSA 21:6, except that no person shall be deemed to be a resident who claims residence in any other state for any purpose.

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect July 1, 2006.
AMENDED ANALYSIS

This bill clarifies the definition of resident for persons receiving a fish and game license, permit, or stamp, or registering an OHVR or snowmobile.

**HB 1348**, requiring hunters to wear hunter orange. **INEXPEDIENT TO LEGISLATE.**

Rep. Howard C. Dickinson for Fish and Game: This bill requires only hunters to wear “hunter” orange during the hunting season although far more non-hunters are in the woods hiking, bird-watching, cutting firewood or simply taking a Sunday afternoon walk. During the 10 year period between 1993 and 2003 only one hunting accident was reported in New Hampshire. This was because we have an excellent hunter safety course which stresses the importance of clearly identifying your target, because not everyone will be wearing orange, nor would they be required to wear it according to HB 1348. Both the Department of Fish and Game and the New Hampshire Wildlife Federation oppose this legislation, as does a majority of the House Fish and Game Committee. Vote 9-1.

**HB 1420-FN**, prohibiting remote control and Internet hunting. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Howard C. Dickinson for Fish and Game: This bill, as amended, defines remote control internet hunting and makes any person operating such a program subject to a Class A misdemeanor and a civil fine of not less than $10,000. A number of states have banned or are in the process of banning this type of activity. The committee unanimously agreed that New Hampshire should be included. Vote 10-0.

**Amendment (0559h)**
Amend the bill by replacing all after the enacting clause with the following:

1. New Section; Remote Control and Internet Hunting. Amend RSA 207 by inserting after section 8 the following new section:

   207:8-a Remote Control or Internet Hunting Prohibited.
   I. No person shall offer for sale, take, or assist in the taking of wildlife by use of remote control or Internet hunting. Any person, firm, corporation, partnership, limited liability company, association, or other business entity who violates this section shall be guilty of a class A misdemeanor. In addition, the executive director may impose a civil penalty of not less than $10,000 for each violation of this section, with the moneys received from imposition of such civil penalty to be deposited in the fish and game fund.

   II. For the purpose of this section “remote control or Internet hunting” shall mean the use of a computer or other electronic device, equipment, or software, to remotely control the aiming or discharge of a firearm or other weapon, that allows a person, not physically present, to take wildlife.

   2. Effective Date. This act shall take effect 60 days after its passage.

**AMENDED ANALYSIS**

This bill prohibits remote control or Internet hunting and establishes criminal and civil penalties for violations.

Referred to the committee on Criminal Justice and Public Safety.

**HB 1524**, relative to regulation of dog training by the fish and game department. **INEXPEDIENT TO LEGISLATE.**

Rep. Howard C. Dickinson for Fish and Game: This bill would allow the Fish and Game Department to adopt rules governing the period for the training of bird dogs as well as bear dogs. Current law allows for the department to regulate the period of training for bear dogs. The committee unanimously believes that HB 1524 is unnecessary. Vote 10-0.

**HB 1605-FN**, relative to transfers from prepaid fish and game license fund. **OUGHT TO PASS.**

Rep. David L. Smith for Fish and Game: Last year a Fish and Game Subcommittee discovered that the lifetime license fund was being reduced annually at an over aggressive rate. This was as a result of the significant decline in interest rates from when the existing formula was enacted. The new formula should hold the fund balance steady, and provide a relatively stable annual income flow. Vote 10-0.

**HB 1657**, relative to uses of charitable donations for fish and wildlife conservation programs. **OUGHT TO PASS WITH AMENDMENT.**

Rep. David L. Smith for Fish and Game: This bill enables and encourages the Fish and Game Department to become more actively involved with other groups and individuals who use our
New Hampshire out-of-doors. Bird watchers, mountain bikers, hikers, etc., and the organizations that support these activities will all be targeted. Special licenses may be sold indicating various levels of donations. Special conservation decals may be given for a donation. Groups may be recognized for work done on behalf of Fish and Game (i.e. a Boy Scout project). This bill repeals the super sporting account fund acts, and transfers the small existing balances into the new Wildlife Legacy Initiative Account. These super sporting programs have not been successful. This bill is a part of a plan, with other legislation to be acted upon this year, that will help the Fish and Game Department address the financial problems that it is facing. Vote 10-0.

Amendment (0593h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a wildlife legacy initiative for gifts and donations for fish and wildlife conservation programs.

Amend the bill by replacing all after the enacting clause with the following:

I. New Section; Fish and Game; Wildlife Legacy Initiative Amend RSA 206 by inserting after section 33-b the following new section:

206:33-a Wildlife Legacy Initiative; Account Established.

I. The executive director may establish a wildlife legacy initiative that encourages gifts and donations to support fish, wildlife, and marine resource conservation projects, conservation education activities, and opportunities to use, access, and appreciate these public resources by promoting the benefits of the initiative and recognizing individuals or organizations for their voluntary participation. The executive director in establishing any relationship with such persons shall use care to deal with persons who are supportive of the full mission of the fish and game department and not persons opposing the legal taking of game or fish.

II. The executive director may establish levels of giving and offer incentives for various levels of donations, enter into agreements and partnerships with the public or private sector as necessary to develop, market, promote, solicit for, and conduct the wildlife legacy initiative. The executive director may issue certificates, documentation, and other gifts to identify and recognize participants.

III. There is established an account within the fish and game fund to be known as the wildlife legacy initiative account. All gifts and donations received through the wildlife legacy initiative shall be deposited in this account. Notwithstanding any other provision of law to the contrary, donations made to the wildlife legacy initiative shall not require acceptance by the commission or the governor and council. Moneys deposited in the wildlife legacy initiative account are non-lapsing and continually appropriated to the fish and game department and may be used with approval of the fish and game commission for the purposes stated in paragraphs I and II.

2 Transfer of Super Sporting Account Funds. Any sums in the super sporting license account for wildlife and the super sporting license account for fisheries on the effective date of the repeal of RSA 214:7-c by section 4 of this act shall be transferred and are hereby appropriated to the wildlife legacy initiative account under RSA 206:33-c established in section 1 of this act.

3 New Subparagraph; Treasury; Application of Receipts. Amend RSA 6:12, I(b) by inserting after subparagraph (242) the following new subparagraph:

(243) Moneys deposited in the fish and game department wildlife legacy initiative account under RSA 206:33-c.

4 Repeal. The following are repealed:

I. RSA 6:12, I(b)(188) and (189), relative to the super sporting license accounts.

II. RSA 214:7-c, relative to the super sporting license.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows the fish and game department to establish a wildlife legacy initiative for gifts and donations from individuals and organizations for the purpose of encouraging, supporting, and funding fish and wildlife conservation programs. The bill also repeals the super sporting license provisions.

Reps. Baroody and Mirski declared a conflict of interest and did not participate.

HB 1658, relative to the use by the fish and game department of charitable donations for the general administration of the department. OUGHT TO PASS WITH AMENDMENT.

Rep. David L. Smith for Fish and Game: This bill is enabling the Fish and Game Department to interact with a private foundation that shall be formed to help solve the long-term major funding
needs of the department. The states of Florida, Colorado, Arkansas, and Wyoming have this source of support. This bill will give the forthcoming program public recognition, and will show that the State of New Hampshire supports this action. All aspects of the legislation have been reviewed and approved by the Attorney General’s Office. Vote 10-0.

Amendment (0570h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to authorizing agreements by the fish and game department with nonprofit partners for the purpose of accepting gifts, grants, bequests, or donations to further department goals.

Amend the bill by replacing all after the enacting clause with the following:

I. New Paragraph; Gifts and Donation; Exception Added. Amend RSA 206:33-a by inserting after paragraph II the following new paragraph:

III. This section shall not apply to gifts, grants, bequests, or donations received pursuant to RSA 206:33-c.

II. New Section; Agreements With Nonprofit Partners. Amend RSA 206 by inserting after section 33-b the following new section:

206:33-c Agreements With Nonprofit Partners.

I. The commission, in consultation with the executive director, may designate one or more nonprofit foundations as an official nonprofit partner of the department for the purpose of accepting gifts, grants, bequests, and donations to further department goals.

II. An official nonprofit partner shall be a nonpolitical legal entity that:

(a) Is incorporated under the laws of this state;

(b) Has been granted an exemption from federal income tax under Section 501(c) of the Internal Revenue Code of 1986, as amended; and

(c) Works with the department to further department goals.

III. The executive director shall have the power and authority to enter into agreements on behalf of the fish and game department with an official nonprofit partner. Any such agreement shall be subject to review and approval by the attorney general.

IV. The executive director is authorized to assign staff, use department facilities and pay necessary and reasonable expenses associated with executing and implementing agreements and facilitating a successful partnership between the department and an official nonprofit partner.

V. Any moneys received pursuant to this section shall be accounted for and expended in accordance with RSA 206:33.

3 Effective Date. This act shall take effect July 1, 2006.

AMENDED ANALYSIS

This bill allows the fish and game department to designate a nonprofit foundation as a nonprofit partner and enter into agreements for the purpose of accepting gifts, grants, bequests, or donations to further department goals.

This bill is a request of the fish and game department.

HB 1659, relative to the use of certain small caliber firearms in taking wildlife. OUGHT TO PASS WITH AMENDMENT.

Rep. David L. Smith for Fish and Game: This bill is to clarify existing law. At the time the existing law was enacted, no firearms under .22 calibers were being marketed. We now have .17 caliber firearms. This legislation will change existing law to read as “.22 or smaller caliber rim fire firearms.” An effective date of 60 days after passage is called for, so it can be law by the fall 2006 hunting season. Vote 10-0.

Amendment (0567h)

Amend RSA 207:3, III as inserted by section 1 of the bill by replacing it with the following:

III. [This section] Paragraph II shall not apply to the use of .22 or smaller caliber rimfire [rifles, or to the use of pistols or revolvers] firearms.

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect 60 days after its passage.
HB 1104-FN-A, making an appropriation to the Good Neighbor Health Clinic. INEXPEDIENT TO LEGISLATE.

Rep. April H. Mason for Health, Human Services and Elderly Affairs: This bill would make an appropriation to the Dept. of Health and Human Services for the purposes of making a payment to the Good Neighbor Health Clinic in White River Junction, Vermont. The committee heard compelling testimony from the Director of the Good Neighbor Health Clinic which provides services to an increasing percentage of New Hampshire residents who reside in towns that border Vermont. The clinic does not bill Medicare and Medicaid and serves the uninsured “working poor” in both Vermont and New Hampshire. It provides free medical care. While clearly the clinic is providing much needed services to this population, currently 56% are from New Hampshire, the committee was concerned about sending New Hampshire funds to support a clinic based in Vermont. New Hampshire has many citizens whose current health care needs are not being met and supporting legislation to appropriate funds to Vermont while we have unmet needs here in New Hampshire seemed counterproductive. Secondly, committee members suggested the Good Neighbor Health Clinic approach the border towns, whose residents they are serving, for funding. Many cities and towns will, via a warrant article, provide a mechanism to fund agencies such as the Good Neighbor Health Clinic. To date, the clinic has not pursued that option to secure funding. Lastly, New Hampshire physicians are donating a significant amount of their time as volunteers in the clinic. This “in kind” donation is a valuable contribution that New Hampshire is making through these wonderful volunteers. The committee agreed that the Good Neighbor Health Clinic is doing excellent work and providing valuable and necessary services. However, we felt other funding options, such as town warrant articles, should be attempted before approaching State funds. Vote 17-1.

HB 1121-L, relative to licensure levels of care in residential care facilities. OUGHT TO PASS WITH AMENDMENT.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill for purposes of administrative rules combined “residential care” and “supported residential care” together which are currently viewed as two levels of care. This bill primarily authorizes administrative rulemaking authority for DHHS. Testimony on this bill indicated that there is a significant concern, in general, about the clarity of administrative rules and their adaptation to the current system of the delivery of health care in New Hampshire. Therefore, the bill was amended to require a thorough study of RSA 151 and any other statutes that pertain to residential care and assisted level. The general consensus was that a legislative committee should review the overall administrative rule authority of DHHS before proceeding with specific changes in rules impacting on the continuum of health care services. Vote 16-0.

Amendment (0431h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study rulemaking and licensure issues relative to assisted living and residential care.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study matters relative to rulemaking and licensure by the department of health and human services in regards to assisted living and residential care.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Three members of the senate, appointed by the president of the senate.

II. The committee shall solicit information from any resource the committee deems relevant to its study.

III. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee’s study shall include, but not be limited to, the following:

1. Whether the definitions and description of residential care facilities and assisted living facilities under RSA 151:2, I(e) and elsewhere should be amended to add clarity and better reflect the current delivery of services of such care in New Hampshire.
II. Whether the commissioner’s rulemaking authority under RSA 151:9 should be amended to give the commissioner different or specific instruction regarding the licensure of such facilities relative to levels of license classification.

III. Whether any additional changes can be made to RSA 151 or any other statute relative to assisted living and residential care that would make the law more effective in providing clarity to consumers and providers relative to such care and the regulation of such care.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study rulemaking and licensure issues relative to assisted living and residential care.

HB 1204, relative to human immunodeficiency virus education, prevention and control. OUGHT TO PASS.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill deletes RSA 141 F, h, c, and d. Those sections of the statute required the Department of Health and Human Services to review applications from health care workers in the state who have HIV or Hepatitis B and who wish to perform or participate in any exposure-prone invasive procedures. In fact, DHHS has never received any application for the process nor did the department convene the required expert panel since the legislation went into effect in 1993. OSHA directives provide guidance for health care workers and define universal precautions. OSHA monitors health care entities for compliance with these regulations. Therefore, the state requirements listed above are all redundant and unnecessary. The committee unanimously agreed to delete the redundant sections. Vote 15-0.

HB 1208, establishing a committee to study transferring case management responsibilities for home and community based care programs from the department of health and human services to the counties. INEXPEDIENT TO LEGISLATE.

Rep. J. Gail Barry for Health, Human Services and Elderly Affairs: This bill is already covered in HB 691-FN which establishes that an oversight committee on Health and Human Services shall monitor the ongoing Medicaid modernization plan. This addition, under Section 175:13(I) allows the DHHS to establish “one or more pilot programs for the provisions of case management services through a program operated by or under contract with a county government” for individuals receiving services under the Medicaid home and community-based case waiver program. This is a well intentioned concept but legislation as indicated above already is available. Therefore, the legislation is not needed and would just be legislative duplication of existing law. Vote 17-0.

HB 1220, establishing a committee to study a statewide review of all unanticipated fatalities and serious injury involving incapacitated adults and individuals 60 years of age or older. OUGHT TO PASS.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill was a request of the Dept. of Health and Human Services. Over the past two to three years there has been extensive review of elderly abuse and exploitation. Several bills were generated by the Elder Abuse Council of DHHS and this is one of those bills. It establishes a legislative committee to consider whether there is evidence that could lead to the formation of a statewide review of unanticipated deaths and serious injury, particularly among the elderly. If it is felt that a review is needed, then this legislative committee would recommend a methodology to be used in such a study. This bill was unanimously supported by the committee and testimony in support of the bill included DHHS, and the Disability Rights Center. No one spoke in opposition. Vote 15-0.

HB 1279, establishing a commission to study state medicaid reimbursement. OUGHT TO PASS WITH AMENDMENT.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee unanimously supported the concepts that focused on the study of Medicaid reimbursement rates in New Hampshire. The study should include the adequacy of the current rates and if there is harm result-
ing from low rates, the study would provide suggestions as to possible remedies. The commission was reduced in size to include 5 legislative members and 4 representatives of pertinent constituencies: Medicaid Office, Home Care Association of NH, NH Health Care Association and the NH Hospital Association. The commission can consult with other experts as needed. The commission will report its findings on or before December 1, 2006. Vote 15-0.

Amendment (0369h)
Amend the bill by replacing section 2 with the following:

2 Membership and Compensation.
I. The members of the commission shall be as follows:
(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.
(b) Two members of the senate, appointed by the president of the senate.
(c) The director of the office of medicaid business and policy, department of health and human services.
(d) A representative of the Home Care Association of New Hampshire, appointed by that association.
(e) A representative of the New Hampshire Health Care Association, appointed by the association.
(f) A representative of the New Hampshire Hospital Association, appointed by the association.
II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.
Amend the bill by replacing section 5 with the following:

5 Report. The commission shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before December 1, 2006.

HB 1281, establishing a committee to study the effectiveness of the department of health and human services. INEXPEDIENT TO LEGISLATE.
Rep. Thomas E. Donovan for Health, Human Services and Elderly Affairs: This bill was an attempt to establish a committee to assess the overall effectiveness of the Department of Health and Human Services using appropriate survey tools. The presentation before the committee though dealt primarily with the sponsor’s hope to have an investigation into certain practices of the department in the area of elder abuse using a survey tool the sponsor developed. The committee offered appropriate suggestions to the sponsor as to where an investigation might be undertaken. The committee felt that this bill was too broadly written and also that the department was assessing many of its programs and practices presently. Currently, the Statutory Oversight Committee on Health and Human Services has the authority and responsibility to conduct the studies outlined in this bill. Formation of another committee is not needed. Vote 17-0.

HB 1332, establishing a commission to study health care in New Hampshire prisons. OUGHT TO PASS WITH AMENDMENT.
Rep. Susan Emerson for Health, Human Services and Elderly Affairs: The commission shall study the adequacy of health care services in N.H. correctional facilities, including state prisons, county correctional facilities and youth correctional facilities and make such recommendations as the commission deems appropriate. The commission shall solicit information and testimony from such organizations and individuals as may assist the commission in the performance of its duties. It appears that there are mental health and drug problems in our correctional facilities where 85% of the population has medical conditions that can affect psychiatric conditions. 75% of the juveniles in the Youth Development Center have mental illness. Testimony indicated that Los Angeles, CA County Jail is the largest mental health facility in the United States. In New Hampshire some folks get arrested in the fall so they can stay in jail over the winter to receive medical attention and then are homeless the rest of the time. Vote 16-0.

Amendment (0400h)
Amend the title of the bill by replacing it with the following:

AN ACT establishing a commission to study health care in New Hampshire correctional facilities.
Amend the bill by replacing section 1 with the following:

1 Commission Established. There is established a commission to study health care in New Hampshire correctional facilities.
Amend the bill by replacing section 3 with the following:

3 Duties. The commission shall study the adequacy of health care services in New Hampshire correctional facilities, including state prisons, county correctional facilities, and youth correctional facilities, and make such recommendations as the commission deems appropriate. The commission shall solicit information and testimony from such agencies, organizations, and individuals as may assist the commission in the performance of its duties.

AMENDED ANALYSIS

This bill establishes a commission to study health care in New Hampshire correctional facilities.

HB 1359-FN, establishing a committee to study case management responsibility for certain elderly and adult services. INEXPEDIENT TO LEGISLATE.
Rep. Thomas E. Donovan for Health, Human Services and Elderly Affairs: The committee, along with the sponsor, agreed that this bill is no longer needed and acted accordingly. Vote 15-0.

HB 1461, establishing a task force to study Temporary Assistance to Needy Families (TANF) benefits. OUGHT TO PASS.
Rep. Joan H. Schulze for Health, Human Services and Elderly Affairs: The committee heard a great deal of testimony regarding the Temporary Assistance to Needy Families (TANF) program. This program is the Welfare to Work program which provides training to individuals so they can become self-sufficient. This particular bill establishes a task force to study if the funding awarded to participants is sufficient to cover the costs of necessities, such as utilities and rent. Duties of the task force include: 1. Are the current grant levels supportive of moving the TANF parents toward economic self-sufficiency while providing a safe, secure and healthy family life for children in the TANF families. 2. If the current grant levels are insufficient to support the desired objectives, what level is needed and what is the total budgetary cost. 3. Should the state retain the current flat TANF grant structure or adopt a structure which reflects regional differences in costs of housing, transportation, and other essentials or some other cost effective system. 4. Consider methods of future smooth transfer of state funds to cover changes in costs of essential services. Look at tying the TANF grant structure to the TANF standard of need. 5. Hold any public hearings the task force deems necessary to the successful discharge of the duties established. 6. Consider the alternatives to the private rental market in order to save state funds when providing affordable housing. 7. Recommend identified changes in the levels and structure of the TANF grant to the Governor, the Commissioner of HHS, and the Speaker of the House and the President of the Senate. The information gathered can be used to establish guidelines and protocols to update the NH TANF programs. The Legislative Caucus for Young Children strongly supports passage of this bill. Vote 17-0.

HB 1464-FN-A-L, relative to mosquito control, establishing a mosquito control fund and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.
Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill creates the mosquito control fund which has the purpose of assisting cities and towns in a variety of ways to control mosquitoes and encourage abatement activities. One of the major reasons for this activity is to provide a variety of ways to address the threat of eastern equine encephalitis. This is a serious illness, for some, who have an infection of the central nervous system. This can include high fever (103 to 106 degrees), serious headaches and stiffness. These symptoms can be followed by seizures and comas. Of those who have these symptoms, about one-third die. Others have permanent brain damage and can require lifelong custodial care. The committee heard testimony from a New Hampshire mother whose four-year old son had the terrible symptoms described above. The good news is that her son is making excellent progress. Mosquito control needs to be a joint effort of state and local officials. Mosquitoes do not recognize town lines. In addition to creating the mosquito control fund, the bill requires statewide community planning. Also, it calls for a comprehensive public awareness program. It outlines procedures by the Department of Health and Human Services to determine a threat to the public health. It also describes the process DHHS will utilize to determine how a city or town becomes eligible to receive funds. DHHS will provide technical assistance to help in the development of local plans. Vote 20-0.
Amendment (0313h)

Amend RSA 141-C:24, II as inserted by section 1 of the bill by inserting after subparagraph (c) the following new subparagraph:

(d) Appropriate abatement measures.

Referred to the committee on Finance.

HB 1472-FN-A, establishing a home energy assistance program in the department of health and human services and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The sponsors of this bill requested that the bill be inexpedient to legislate. The legislature earlier took action to establish a home energy assistance program to assist low-income families and individuals with the payment of home heating costs. It is the unanimous opinion of the committee that this legislation is not needed due to the previous initiative of the legislature enacted after this bill was put into Legislative Services. Vote 19-0.

HB 1499, relative to the oversight committee on health and human services. INEXPEDIENT TO LEGISLATE.

Rep. Barbara C. French for Health, Human Services and Elderly Affairs: The Health and Human Services Oversight Committee, as presently constituted, have expertise in the field of health and human services with supportive help of financial experts. There did not appear to be any compelling need or argument to expand. Presently anyone can request to bring forth an item for the agenda and all are welcome to participate in all meetings. Vote 16-0.

HB 1728 FN-L, relative to time limits on eligibility for Temporary Assistance for Needy Families (TANF). INEXPEDIENT TO LEGISLATE.

Rep. Deborah J. Hogancamp for Health, Human Services and Elderly Affairs: This bill seeks to change the time limit of eligibility for Temporary Assistance for Needy Families (TANF). Current TANF financial benefits are available for a lifetime maximum of 60 months. This bill would allow assistance for 24 months during any 60-month period. The federal government is in the process of reauthorizing the TANF program, and the committee overwhelmingly felt to make changes in our state program at this time would be a waste of time. The committee heard testimony from the department regarding their success with this program. Concerns of border crossing to receive New Hampshire benefits were raised; statistics from the department did not support this concern. In fact some surrounding states have similar TANF requirements, and the program is a state and federal one with a once in a lifetime cumulative of 60-month benefit, no matter where the recipient lives. The committee believed this bill sought to fix a problem that we did not have. Vote 16-0.

HB 1730-FN-L, relative to long-term care program management and cost controls. INEXPEDIENT TO LEGISLATE.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill would have amended certain sections of Chapter 151-E Long-Term Care. This chapter was significantly revised in 2005 and those changes are now in effect. In general, the committee felt that time is needed to review the effectiveness of the changes before rushing to make further changes with no evidence to support the need for new changes. The committee was unanimous in voting to ITL this bill. This is a highly technical bill. Under the section dealing with Program Management and Cost Control: 151-E:11, the existing legislation placed significant controls into place. The Department (DHHS) shall not increase expenditures in approved budgets for these class lines (nursing facility, mid level, and home health care) or the number of persons to receive mid-level or home care services without the approval of the legislative fiscal committee, and the prior review of the county – state finance commission.” This bill would have changed this section to read: “Notwithstanding any provision of law to the contrary and except as provided in paragraph III, the department shall not increase expenditures in approved budgets for, or the number of persons to receive, mid-level or home care services, nor shall there be any transfer of funds into such class lines.” This eliminates the oversight protections built into any unanticipated need to transfer within the budget for the continuum of health care services and stops any transfers into these (budget) class lines. However, a new section III further addresses final transfers pertaining to nursing homes. “The department shall increase nursing home rates in accordance with nursing home funding increases in the state operating budget and the projection of the average number of persons to receive services which is included in the state
operating budget." The department is required to perform a semi-annual rate adjustment. Under this bill (HB 1730), the department is required to make rate adjustments which are based on changes in acuity levels “and shall make increases or decreases in payment which are directly related to actual increases or decreases in acuity.” If there is a decrease in the number of nursing home residents which results in a number below that contained in the budget, then a savings occurs. In this instance, the department is allowed to go to the fiscal committee and the governor and executive council. 50% of the savings would be used to increase nursing home reimbursement rates and 50% would go to the department. It appears that none of the savings would be used to increase the rates of the other levels of health services including mid-level and home health care. The department vigorously opposed this bill and outlined a number of unintended consequences. The bill was supported by nursing home representatives but was opposed by all of the other constituencies that would be impacted. However, the committee in opposing this bill strongly supports section 151-E:11 that requires the department to seek a review by the county-state finance commission and to seek approval by the legislative fiscal committee before increasing expenditures or the number of people who will be served in mid-level or home care services. Vote 16-0.

**HB 1742-FN, relative to disclosing infections in hospitals and nursing homes. INEXPEDIENT TO LEGISLATE.**

Rep. Susan Emerson for Health, Human Services and Elderly Affairs: This bill would require hospitals and nursing homes to make quarterly reports to the Department of Health and Human Services on infections acquired in such facilities. This bill requires the DHHS to develop methodology for collecting and analyzing the infection rate data. The committee heard from the Board of Infection Control, the New Hampshire Hospital Association, medical doctors, quality improvement, NHCQF, Board in Infection Disease. This bill was too broad. The reporting within the hospital and nursing homes are not standardized, so until this is done on a federal and state level, this bill could not be enforced. Now hospitals and nursing homes are reporting on surgical site infection, ventilator-associated pneumonia, central line related blood stream infections and urinary tract infections for their joint commission survey. The Health & Human Services and Elderly Affairs Committee will be incorporating the good ideas in this bill into HB 1741, which covers the same topic. Vote 15-0.

**HB 1746-FN-L, relative to eligibility for Temporary Assistance to Needy Families (TANF). INEXPEDIENT TO LEGISLATE.**

Rep. Deborah J. Hogancamp for Health, Human Services and Elderly Affairs: This bill seeks to amend the state plan for Temporary Assistance to Needy Families (TANF). This bill would have imposed a cap on benefits to a TANF recipient who had an additional child while receiving program benefits. During testimony this raised concerns. Under the current program the birth of an additional child provides an additional $63.00 per month to the recipient. Currently 1.6% of TANF recipients have an additional child while receiving program benefits. This bill also would have eliminated education programs from countable work activities – the current plan allows this. The bill also stiffened penalties for non-compliance with program requirements. The bill did retain the 60-month lifetime benefit, but required a 36 month period of ineligibility after receiving 24 months of benefits. Testimony heard expressed a concern about these interruptions and the ability of an individual to make progress toward gainful employment. The primary goal of the TANF program is to provide needy families assistance to break the cycle of dependence on public aid and support through financial assistance and education training opportunities provided through the New Hampshire Employment Program (NHEP). In each of the past 5 years this program has received awards for high performance resulting in 30 million dollars in federal aid to support the program. In addition, the federal government is in the process of reauthorizing the TANF program, and changes in the program are anticipated, according to testimony. The majority of the committee felt it prudent to not make changes in the state program until the federal changes were known. Also, the committee voted unanimously to support HB 1461 which establishes a task force to study TANF benefits, and believes this bill’s recommendations would be best studied further by the task force established in that bill. Vote 16-1.

**HB 1205, relative to service of process by New Hampshire plaintiffs on foreign corporations. INEXPEDIENT TO LEGISLATE.**

Rep. Gregory M. Sorg for Judiciary: The New Hampshire Business Corporation Act was completely reviewed and re-enacted at RSA 293-A in 1992. Sections 15-10 of that act comprehensively ad-
dressed the subject of service of process, and the committee was unconvinced that that section, in conjunction with the “long-arm” statute. RSA 510:14, were no longer sufficient in scope and clarity to enable efficient and fair service for process. Vote 14-0.

HB 1411-FN, reducing certain fines for motor vehicle violations and repealing the surcharge on entry fees for small claims actions and the district court mediation fund. INEXPEDIENT TO LEGISLATE.

Rep. Bette R. Lasky for Judiciary: This bill would repeal RSA 6:12 I(b)(235) establishing the court mediation fund which was passed a year ago. The reduction of fines for motor vehicle violations is the subject matter of HB 1243, which was referred to Way & Means. Vote 13-4.

HB 1721, relative to changes in the use of weighted caseload statistics in the calculation of the salaries of part-time district court justices. REFER FOR INTERIM STUDY.

Rep. Gregory M. Sorg for Judiciary: Presently, part-time district and probate court judges are paid on the basis of weighted values assigned to each type of case. Units are assigned related to the average judicial time that has been deemed to be required for each type of case. This bill would revise the weight among the various case types. The committee concluded that the entire concept of a case-type basis of payment requires an in-depth study so that justice may be rendered in the most financially efficient way. A possible alternative might be a case out-come basis, which would weight a case of a particular type that is settled by a plea differently from one that goes to trial, or that ends with an oral ruling from the bench differently from one that requires a detailed written opinion. Vote 17-0.

HB 1103, relative to creating county commissioner districts in Strafford County. INEXPEDIENT TO LEGISLATE.

Rep. Nancy K. Johnson for Municipal and County Government: The bill as presented to the committee would have established three separate county commissioner districts in Strafford County. The committee heard no compelling evidence as to why things should change. The argument was made that the nine other counties do this, why shouldn’t Strafford? Strafford County is unique in that it is the smallest county in land mass and is serviced by only one daily paper. The end result is the concerns of all citizens are heard no matter where they reside. As chance may have it, the current commissioners now are from different regions of the county. This committee is uncomfortable changing the law without just cause. Vote 15-0.

HB 1212-FN, relative to the relocation of manufactured housing having delinquent property taxes. INEXPEDIENT TO LEGISLATE.

Rep. Eric G. Stohl for Municipal and County Government: Currently no building or structure that is taxed as real estate can be moved or relocated unless the owner of the building or structure delivers to the person moving the same a receipted tax bill that gives evidence that taxes assessed as of April 1 have been paid in full or a statement signed by a majority of the board of selectmen or assessors that the same may be moved without payment of assessed taxes. The committee heard the original bill on January 5, 2006 without the prime sponsor in attendance due to an injury. We heard testimony that opposed the bill from tax collectors and selectmen. There was one person that spoke in favor of the original bill. When asked what was good in the bill, the reply was that nothing could be found. The hearing was continued to January 17, 2006 to allow time for the prime sponsor to be in attendance. At this time, the prime sponsor submitted an amendment that made many major changes to the bill. What the amendment would do is allow for certain manufactured housing to be removed from a municipality without having documentation that the delinquent taxes were paid. The committee feels that this is not fair to all other property taxpayers who are required to pay their taxes. Vote 12-0.

HB 1245 FN-L, allowing municipalities to be paid usage fees for services provided to county government. INEXPEDIENT TO LEGISLATE.

Rep. Jessie L. Osborne for Municipal and County Government: This bill was introduced to allow municipalities that provide services to county government to adopt a county government usage fee program and be paid fees for such services. The municipality would set reasonable costs for these services and the bill further mandated that the municipality shall bill the commissioners all fees due. The passage of this bill would start to erode the property exemption granted for all political subdivisions granted by the General Court. This is a local issue regarding a host municipality and a governmental entity that requires the governing bodies of both entities to sit down and
resolve their differences. There are benefits and costs associated with having a governmental entity within a municipality's boundaries. Although this bill was introduced with one municipality's issue, if passed it would have negatively affected the relationship between all host municipalities and their governmental entities. Vote 13-2.

**HB 1251-FN**, relative to receipt by counties of federal funds for public assistance. **INEXPEDIENT TO LEGISLATE.**

Rep. Eric G. Stohl for Municipal and County Government: This bill allows counties to directly receive federal funds designated for public assistance programs for which the counties are responsible for payment. The intent has merit, but the bill does not lend itself to the intent. Much of the federal funding is received by the state in the form of Block Grants which also have generalized restrictions. So to do as this bill wishes, the federal government would need to change the process to allow the counties to receive the payment directly. Vote 14-1.

**HB 1371**, relative to requiring approval for extended absences for elected county officers. **INEXPEDIENT TO LEGISLATE.**

Rep. Robert W. Brundige for Municipal and County Government: This bill requires an elected county officer who wishes to take an absence from the position for more than two weeks, except for the case of illness, to get prior approval from the county commissioners. All elected county officers are independently elected and therefore they are responsible to the electorate for their actions. There is no recall for county officers. Therefore informing the voters of the individual's actions will give the electorate the opportunity to determine if they want the individual involved to continue serving them or not. Vote 15-0.

**HB 1434**, establishing a study committee to investigate municipal tax exemptions for nursing homes. **INEXPEDIENT TO LEGISLATE.**

Rep. Nancy K. Johnson for Municipal and County Government: The bill's sponsor was not present for the public hearing and none of the co-sponsors could explain the issue that justified this bill. The committee did not have any just cause to pass this bill. Vote 15-0.

**HB 1119**, relative to naming the Richard Monahan Bridge in the town of Carroll. **OUGHT TO PASS.**

Rep. Candace C. W. Bouchard for Public Works and Highways: This bill names the bridge that spans the Ammonoosuc River on Route 302 in the town of Carroll, the Richard Monahan Bridge. The naming of the bridge recognizes Vietnam Veteran Richard Monahan, who died from complications of Agent Orange exposed to while serving his country in Vietnam. Richard Monahan grew up in Twin Mountain which is part of Carroll. After his service in Vietnam, Richard Monahan returned to Carroll and served as Chief of Police. The Carroll selectmen voted to support the naming of the bridge. No state funds will be used to pay for the design, construction, maintenance, or installation of the sign. Vote 15-0.

**HB 1169-L**, relative to highway construction safety. **INEXPEDIENT TO LEGISLATE.**

Rep. James W. Danforth for Public Works and Highways: This bill would establish a new statute requirement for the wearing of reflective highly visible clothing by persons working on state highways. Public testimony to the committee was that both current state policy and federal regulations required a higher standard than was outlined and that this bill would not improve safety for construction workers as written. Worker safety standards are currently set by Occupational Health and Safety Administration in Federal statutes. Currently all persons working on a state highway are required to wear highly reflective clothing, not just the one requested in this bill. Vote 18-0.

**HB 1198**, establishing a committee to study highway rest areas. **OUGHT TO PASS WITH AMENDMENT.**

Rep. James B. Rausch for Public Works and Highways: This bill establishes a committee to study highway rest areas to better serve tourists and other motorists. Testimony indicated a need to improve the state rest areas. The Department of Transportation and the Department of Resources and Economic Development have concerns that the rest areas are not fully integrating all of the resources of the state. Both departments want to enhance the rest areas to benefit our citizens, tourists and motorists. The Department of Transportation recognizes that the rest areas are valuable resources and hopes the study will find ways to utilize them so tourists and motorists will have access to all of the products and services New Hampshire has to offer. The amendment adds the Department of Agriculture to the list of agencies giving assistance to the study committee. Vote 12-3.
Amendment (0394h)
Amend paragraph II of section 3 of the bill by replacing it with the following:

II. The committee shall seek assistance from the liquor commission and the departments of transportation, resources and economic development, revenue administration, safety, and agriculture, markets, and food.

HB 1228-FN, relative to the sale or lease of state-owned real estate. OUGHT TO PASS WITH AMENDMENT.
Rep. James B. Rausch for Public Works and Highways: This legislation is relative to the disposal of real property owned by the state. The Long Range Capital Planning and Utilization Committee requested this bill to require all state agencies to charge a fee that covers all administrative expenses incurred to dispose of the property. Currently some agencies do while others do not. Research by the Long Range Capital Planning and Utilization Committee, with the cooperation of the agencies, has determined the cost basis for the fee is $1,100. The amendment requires the revenue from the administrative fee be deposited into the state fund from which the property was initially purchased, or into the general fund. This administrative fee is still subject to the approval of the Long Range Capital Planning and Utilization Committee. Vote 15-0.

Amendment (0402h)
Amend RSA 4:40, III-a as inserted by section 1 of the bill by replacing it with the following:

III-a. All state agencies shall charge an administrative fee for the disposal of real property under this section. The administrative fee shall be at least $1,100 and shall be subject to the approval of the long range capital planning and utilization committee. The revenue from the administrative fees shall be deposited into the general, highway, turnpike, or fish and game fund, depending on which fund initially purchased the property.

HB 1268-FN-A, making a capital appropriation for air conditioning in the House of Representatives chamber in the state house. INEXPEDIENT TO LEGISLATE.
Rep. Franklin T. Tilton for Public Works and Highways: A bid package has been issued for improvements to the ventilation system in the House of Representatives Chamber to be accomplished with previously appropriated funds. A bid option to add the additional elements that would complete the air conditioning is part of the package. Bids are expected to be in by mid-March and it is anticipated that existing funds will be sufficient to cover the cost of installing the air system in the Chamber. Further, the committee is very reluctant to support a request for a capital appropriation during the second year of the biennial budget cycle. Vote 13-0.

HB 1364, establishing a commission to study the best use and possible transfer of certain state-owned land in the town of Brentwood. INEXPEDIENT TO LEGISLATE.
Rep. Bernard L. Benn for Public Works and Highways: This bill called for a study committee to determine the best use and possible transfer of certain state-owned land in the Town of Brentwood. The land in question is a 35 acre reserve owned by the NH Fish and Game Department. It contains several buildings near the road; a house, single car garage, two car garage used for storage/workshop and several chicken coop type structures all of which are in some level of disrepair. The remainder of the parcel is an open space reserve. The Fish and Game Department testified that they intend to maintain the property as open space with public access and have no plans to sell the property. The committee determined that a study was not needed since the town’s concern regarding any negative impact resulting from the future use of the property is not justified at this time. If the Fish and Game Department should, in the future, decide to sell the property it would have to go through the CORD process and the town would not only have input into that process, but would be first in line to acquire the property if it so chose. Vote 13-0.

HB 1468-FN-L, relative to Reservoir Road in the town of Deering. OUGHT TO PASS WITH AMENDMENT.
Rep. Bernard L. Benn for Public Works and Highways: At the request of the Town of Deering, this bill reclassifies a portion of a Class II state road to a Class V local road. In addition, the bill was amended to include a similar request from the Town of Hanover to extend the Urban Compact Area by reclassifying a portion of a Class I state highway to a Class IV road. In both cases, the New Hampshire Department of Transportation agreed to the changes. Vote 15-0.
Amendment (0391h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to Reservoir Road in the town of Deering and Lyme Road in the town of Hanover.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Lyme Road in the Town of Hanover; Classification Changed to Class IV. The class I portion of Lyme Road in the town of Hanover, from the compact line at station 123+55 of New Hampshire project number 45-99, dated 1962, to approximately station 132+00, shall be reclassified as a class IV highway, with the compact line reestablished at that point.

AMENDED ANALYSIS

This bill reclassifies a portion of Reservoir Road in the town of Deering as a class V highway. The bill also reclassifies a portion of Lyme Road in the town of Hanover as a class IV highway.

HB 1471-FN, repealing the statutes relative to regional highway conferences. OUGHT TO PASS.

Rep. James B. Rausch for Public Works and Highways: This bill repeals the statutes relative to regional highway conferences. The legislation is at the request of the Department of Transportation, as a housekeeping measure. The issues and public hearings are currently being held and discussed as part of the 10-Year Highway planning process. These conferences are redundant and not necessary. Vote 12-0.

HB 1540, establishing a committee to study implementation of the regional electronic toll collection system. INEXPEDIENT TO LEGISLATE.

Rep. David B. Campbell for Public Works and Highways: There are already two committees directly overseeing the implementation of the E-Z Pass System. The two committees presently overseeing E-Z Pass are the Capital Budget Overview Committee and the House and Senate E-Z Pass Task Force, which consists of five Senators, five Representatives, two Councilors and two gubernatorial appointees. Vote 14-0.

HB 1573, establishing a committee to study the scheduling and conduct of state construction projects. INEXPEDIENT TO LEGISLATE.

Rep. Franklin T. Tilton for Public Works and Highways: The committee proposed by this bill would be largely redundant to procedures and forums that currently are used to determine scheduling and conduct of state construction projects. The 10-Year Transportation Improvement Plan (TIP) is established and updated every two years using a well defined process. Improvements to this process can be considered as part of the process. Any member wishing to learn more about the 10-Year Highway Plan planning process may stop by Room 201 in the LOB to pick up a pamphlet describing this process. Vote 15-0.

HB 1712-FN-A, making an appropriation for design and engineering costs for the expansion of the northern New Hampshire correctional facility and for the design, engineering, and construction of a minimum security building at the northern New Hampshire correctional facility. INEXPEDIENT TO LEGISLATE.

Rep. John A. Graham for Public Works and Highways: This bill would have appropriated $300,000 for designing an expansion of the Berlin Prison and an additional $100,000 for the construction of a minimum security building. While the committee is supportive of the expansion of the Berlin facility, this bill is not the vehicle to accomplish this project. The Berlin Prison was built on a design/build concept to accommodate one thousand prisoners. However, the prison was constructed with 500 beds. The committee recommends that the Department of Corrections review the original plans and immediately institute a design build project for the expansion in order to be ready for the next capital budget. The committee is ready to work with the Department, if necessary, to bring this project forward. Vote 15-1.

HB 1210, restricting the speed of remote controlled model boats. INEXPEDIENT TO LEGISLATE.

Rep. David H. Russell for Resources, Recreation and Development: This bill was introduced at the request of a constituent whose property had sustained substantial damage by a remote controlled boat. While the committee is certainly sympathetic to the case, the general consensus was that these cases are best handled locally. If that fails, certainly the civil courts could solve any litigation. For purposes of this bill, "headway speed" is not applicable. Vote 14-1.
HB 1688, prohibiting the use of gasoline-powered watercraft on Head’s Pond in Hooksett. OUGHT TO PASS.

Rep. D. L. Christensen for Resources, Recreation and Development: Head’s Pond is a 120 acre shallow pond surrounded by a 100 foot buffer and with the shore land owned by one corporate owner. The shore land owner allows access although there is not a road or launch ramp, carry-in boats could be used. This bill is supported by the Hooksett Planning Board and the Hooksett Conservation Commission. Vote 14-0.

HB 1120-FN-L, relative to Internet access in public libraries. INEXPEDIENT TO LEGISLATE.

Rep. James M. Garrity for Science, Technology and Energy: Although the original intent of this bill is laudable, the committee found that most local libraries already have reasonable Internet access policies in place to address web access by children or minors. These policies include, but are not limited to: parental permission to use computers; parental accompaniment and direct supervision; separated filtered computers in children’s areas; and visual supervision by library staff. The sponsor has agreed that this bill was not ready for prime time, and has started a dialogue within the New Hampshire Library Association to discuss on-going policy improvements or recommendations in this area. Vote 14-1.

HB 1163, establishing a commission to study the feasibility of developing a conversion system for motor vehicles to operate on multiple fuels. INEXPEDIENT TO LEGISLATE.

Rep. James H. Lawrence for Science, Technology and Energy: Although the majority of the committee fully supports the concept of exploring alternative fuel systems for motor vehicles, it does not feel it is necessary to have a study commission on this topic at this time. Currently there are already a number of initiatives in this area being looked at by the New Hampshire Department of Environmental Services. In addition, the private sector has already taken the lead in developing and producing motor vehicle technologies aimed at the accomplishment of the goals proposed in this legislation. Vote 12-1.

HB 1164, requiring cellular telephone service providers to have a minimum 72-hour power backup capacity at each cell tower location. INEXPEDIENT TO LEGISLATE.

Rep. Lynne M. Ober for Science, Technology and Energy: This bill would require all cellular telephone service providers to have a minimum 72-hour power backup capacity at each cell tower location. Cellular telephone providers have emergency plans which include mobile self-powered transmitters that can be moved into areas where a cellular tower has failed or areas where additional capacity is needed. Some cellular towers are located in areas where local ordinances prohibit installation of backup capacity. If this legislation is passed these towers could no longer be used resulting in a loss of cellular service in some areas of the state. The committee unanimously felt that the combination of existing backup plans coupled with the potential loss of service in many areas offered significant reasons for not requiring this legislation. Vote 14-0.

HB 1383, defining deconstruction for purposes of solid waste management. INEXPEDIENT TO LEGISLATE.

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill is directed at the existing solid waste management source reduction policy (RSA 149-M: 2). The bill attempts to redefine the state’s first priority in source reduction from recycle and reuse and instead require deconstruction as it relates to construction debris. The committee agreed that the issue is one of management of these construction materials as they are reclaimed and recycled and not a technical problem. The existing recycling market is reclaiming all salvageable material as a matter of economics today. Vote 14-1.

HB 1507, requiring the department of environmental services to report on and make recommendations on global warming issues in New Hampshire. INEXPEDIENT TO LEGISLATE.

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill attempts to establish a green energy policy for the state. It would promulgate the purchase of 20% renewable energy, ‘greening’ of the state motor vehicle fleet, reduce government use of energy by 25% and control sprawl. It also requires the Department of Environmental Services to study, report and make recommendations on global warming. The committee agrees that this is an expansive bill that includes several items of interest and concern. However, existing policy and laws governing these processes in the state need to be considered. The costs associated with these principles require evaluation and several existing bills and studies this year will afford more participation and deliberation. We encourage the sponsor to work with the various committees working on these policies. Vote 15-0.
HB 1579, relative to membership of the air resources council. OUGHT TO PASS WITH AMENDMENT.

Rep. William V. Chase for Science, Technology and Energy: The air resources council advises the Department of Environmental Services (DES) on air pollution policy and serves as the appeals panel for decisions by the DES for violations of air pollution rules and regulations. The legislative statute creating the air resources council, RSA 21-0:11, specifies that one of the eleven members of the council be a licensed practicing physician. The council has been unable to obtain consistent physician representation. In order to obtain more consistent representation by a health care professional, the council and DES have requested that the requirement to have a physician as a member of the council be changed to "a licensed practicing physician or other health care professional possessing expertise in the field of public health and the health-related impacts of air pollution." Vote 13-0.

Amendment (0312h)

Amend RSA 21-0:11, I as inserted by section 1 of the bill by replacing it with the following:

I. There is hereby established an air resources council which shall be composed of 11 members, including one representing the steam power generating industry; one representing the oil industry; one representing the natural gas industry; one representing the manufacturing component of industry; one representing the field of municipal government; and 6 members appointed at large who shall represent the public interest, one of whom shall be a licensed practicing physician or other health care professional possessing expertise in the field of public health and the health-related impacts of air pollution, one of whom shall represent the field of recreation, and at least one of whom shall represent environmental interests. The council members who shall represent the public interest may not derive any significant portion of their income from persons subject to permits or enforcement orders, and may not serve as attorney for, act as consultant for, serve as officer or director of, or hold any other official or contractual relationship with any person subject to permits or enforcement orders. All potential conflicts of interest shall be adequately disclosed. The members shall be residents of the state and shall be appointed by the governor with the consent of the executive council. Each member shall serve for a term of 4 years.

AMENDED ANALYSIS

This bill permits a health care professional with certain expertise to serve on the air resources council instead of a licensed practicing physician.

HJR 22, a resolution in recognition and support of New Hampshire’s participation in the Experimental Program to Stimulate Competitive Research. OUGHT TO PASS.

Rep. James M. Garrity for Science, Technology and Energy: New Hampshire recently became a member of the Experimental Program to Stimulate Competitive Research (EPSCoR) and is pursuing grants from the National Science Foundation. Passage of this resolution is needed to show the National Science Foundation that the New Hampshire General Court stands firmly behind EPSCoR research, development and economic development efforts. Vote 14-0.

HB 1145, permitting vehicles to proceed straight through an intersection after stopping for a red light. INEXPEDIENT TO LEGISLATE.

Rep. Brenda L. Ferland for Transportation: This bill would have permitted vehicles to proceed straight through an intersection on red after stopping. The committee saw this law becoming the disaster of right on red after stopping. Today so many don’t stop, much less slow down. The sponsor of the bill believes this is a way to save fuel. The trade off is lives for gasoline, a poor trade at best. We have become a hurry-up society to the point that people speed up on yellows and then proceed through an intersection before the red is illuminated. Drivers will not focus on emergency vehicles coming from the opposite directions. Vote 13-0.

HB 1161, requiring vehicles to be equipped with a useable spare tire. INEXPEDIENT TO LEGISLATE.

Rep. Brenda L. Ferland for Transportation: Even if you required this as statutory law, most people cannot change their own tires because of age, health, spare tire may have gone flat, no knowledge of how to do it, no jack or don’t know how to use one, and if the tire was put on with an air wrench most people will not be able to get the lug nuts off. We are concerned about people breaking down
on the side of the road but this bill won’t get them off the highway any faster by requiring a useable spare tire in vehicles. It also would have included trailers, motorcycles and trucks. Absent of a search warrant an officer cannot look into a person’s trunk for enforcement. Today’s technology of no flat tires will take care of the problem. Vote 13-0.

**HB 1367**, prohibiting vehicle number plate covers that obscure the plate numbers. **INEXPEDIENT TO LEGISLATE.**
Rep. Brenda L. Ferland for Transportation: This bill prohibited vehicle plate covers that obscure the plate numbers. Current inspection code already prohibits this practice, making this bill unnecessary. Vote 13-0.

**HB 716-FN**, relative to securities regulation. **ought to PASS.**
Rep. Jim Ryan for Ways and Means: This bill brings regulation of the security industry into the 21st century by improving aspects of regulation and oversight of the securities industry. The bill was carefully reviewed by the Commerce Committee and was passed to the Ways and Means Committee after unanimous action by the Commerce Committee. The Ways and Means Committee reviewed the bill in terms of licensing fees for broker-dealers and noted no decrease in revenue to the State. Vote 13-0.

**HB 1179**, repealing a requirement that the department of transportation spend a certain amount for litter removal that is determined based on fees paid to the liquor commission. **ought to PASS.**
Rep. Kevin L. Camm for Ways and Means: This bill repeals a requirement that DOT spend an amount of its budget for litter removal that is based on fees paid to the Liquor Commission. Testimony from DOT indicated they spend $1.2 million annually on litter removal. The reference Liquor Commission requirement was approximately $800,000. The committee agrees with the sponsors that the requirement is redundant and unnecessary. Vote 12-1.

**REGULAR CALENDAR**
**SPECIAL ORDERS**

**HB 39**, relative to sex education in public schools. **MAJORITY: ought to PASS with AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**
Rep. Barbara J. Hagan for the Majority of Education: This bill, with amendment, merely allows an additional method for parents to exercise to opt their children out of any courses in human sexuality or family relations which conflict with their religious beliefs. The bill is patterned after current New Hampshire law with respect to the New Hampshire Immunization Program whereby parents sign a Certificate of Religious Exemption and are thereby exempt from having to be immunized. The bill gives an opening to parents where inconsistencies appear in the local districts. Vote 12-8.

Rep. Emma L. Rous for the Minority of Education: This bill is unnecessary and provides options for parents already in place in rules and practice around the state. By specifying a religious basis for opting out of sex ed, we may actually narrow the basis for opting out. In addition, the bill mistakenly allows parents to opt out of a “course” rather than a “unit.”

**Majority Amendment (0104h)**
Amend the title of the bill by replacing it with the following:

**AN ACT permitting a religious exemption from courses on human sexuality or family relations.**

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; School Boards; Religious Exemption. Amend RSA 189 by inserting after section 10 the following new section:

189:10-a Religious Exemption for Courses in Human Sexuality or Family Relations.

I.(a) Each public and nonpublic school shall permit a pupil to claim a religious exemption from any course on human sexuality or family relations upon the execution of a notarized religious exemption form. The form shall be available in the school principal’s office, school nurse’s office, and the guidance office, and shall be as follows:

**CERTIFICATE OF RELIGIOUS EXEMPTION**

PUPIL’S NAME ____________________________

BIRTH DATE ____________________________

ADDRESS ____________________________

NAME OF COURSE ___________________
The above-named school health course or health instruction in human sexuality or family relations conflicts with the above-named pupil's and/or parent/guardian's religious beliefs. By the affixed signature below, I/we the parent(s)/guardian(s) affirm that the above-named pupil is exempt from attendance or participation in such course. (Only one parent/guardian signature is necessary to execute this exemption.)

Signature of parent/guardian
Date __________________________

Signature of parent/guardian
Date __________________________

I hereby affirm that this affidavit was signed in my presence on this ______ day of __________, 2006, by ______________, known to me or demonstrated to me to be the legal parent(s)/guardian(s) of the above-named pupil.

Notary Public/Justice of the Peace

(b) The school district shall retain a copy of the executed form and shall furnish a copy to the parent or legal guardian of an exempt pupil.

III. Nothing in this section shall be construed to prohibit instruction in personal hygiene or biology.

IV. The execution of this form shall not constitute grounds for denial of credits to a pupil.

Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill implements a procedure requiring public and nonpublic schools to grant a religious exemption from any course on human sexuality or family relations.

Rep. Stiles and Giuda spoke against.
Rep. Rous spoke against and yielded to questions.
Rep. Dumaine requested a roll call; sufficiently seconded.

</table>
HB 76, revising the process of charter school approval by the state board of education. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Claire D. Clarke for the Majority of Education: The majority of the committee agreed that local school districts should not have to make payments to charter schools from their adequacy dollars and then have to wait two years to be reimbursed by the state. Since New Hampshire law states charter schools are “public schools,” they should be funded accordingly. Since the state provides for education as a common goal for the benefit of all, the public charter schools, in order to be successful, should be directly funded by the state. Vote 17-1.

Rep. Paul C. Ingbretson for the Minority of Education: While this bill addresses an important problem confronting charter school funding, a portion of the bill goes well beyond state law by disallowing religious-based institutions that serve a secular purpose from ever receiving state funds or becoming charter schools.

Majority Amendment (0024h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to distribution of state aid to charter schools.

Amend the bill by replacing all after the enacting clause with the following:

1 Charter and Open Enrollment Schools; Funding. Amend RSA 194-B:11, I to read as follows:

I. There shall be no tuition charge for any pupil attending an open enrollment or charter conversion school located in that pupil’s resident district. Funding limitations in this chapter shall not be applicable to charter conversion or open enrollment schools located in a pupil’s resident district. For any other charter or open enrollment school authorized by the school district, the pupil’s resident district shall pay to such school an amount equal to not less than 80 percent of that district’s average cost per pupil as determined by the department of education using the most recent available data as reported by the district to the department. For any charter school authorized by the state board of education. [the pupil’s resident district shall pay tuition beginning July 1, 2005 and every fiscal year thereafter;] and not approved by the local school district, the state shall pay education aid directly to the charter school for each pupil who is a resident of this state in attendance at such charter school [in an amount per pupil determined] as follows:

(a) For the fiscal year beginning July 1, 2005, $3,500 annual tuition.
(b) For every fiscal year thereafter, the department of education shall determine the tuition rate by adjusting for the average annual percentage rate of inflation based on the northeast region consumer price index for all urban consumers as published by the Bureau of Labor Statistics, United States Department of Labor. The average shall be based on the 4 calendar years ending 18 months before the beginning of the fiscal year for which the tuition rate is to be determined.

(c) Tuition amounts shall be prorated on a per diem basis for pupils attending a school for less than a full school year. To the extent permitted by law, tuition payments shall coincide with the distribution of equitable education grants under RSA 198:42 or on such other terms as are mutually acceptable.

(d) The source of funds for payments under this section shall be from moneys specifically set aside for charter schools.

2 Charter and Open Enrollment Schools; Definitions. Amend RSA 194-B:1, III to read as follows:

III. “Charter school” means an open enrollment public school, operated independent of any school board and managed by a board of trustees. A charter school shall operate as a nonprofit secular organization under a charter granted by the state board and in conformance with this chapter and shall not be affiliated with any religious institution or any nonpublic or sectarian school.

3 New Paragraph; Charter and Open Enrollment Schools; Board of Trustees. Amend RSA 194B:5 by inserting after paragraph VI the following new paragraph:

VII. Any member of a charter school board of trustees who also serves as an employee, agent, or board member of any for-profit entity with whom the charter school contracts for goods or services shall make public disclosure of such fact and shall recuse oneself from any business the charter school may have with the for-profit entity. Any contract executed in violation of this paragraph shall be voidable at the discretion of the commissioner of the department of education. A member of a charter school board of trustees who executes a contract in violation of this paragraph may be held personally liable to the charter school for any damages caused by such contract.

4 Repeal. RSA 194-B:11, IX, relative to the issuance of reimbursement anticipation notes to charter schools, is repealed.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Requires the state to pay education aid directly to a charter school approved by the state board of education.

II. Prohibits a charter school from being affiliated with a religious institution, nonpublic, or sectarian school.

III. Requires any member of a charter school board of trustees who also serves as an employee, agent, or board member of any for-profit entity with whom the charter school contracts for goods or services to make public disclosure of such fact and to recuse oneself from any business the charter school may have with the for-profit entity.

Majority committee amendment adopted.

Rep. Ingbretson offered floor amendment (0401h).

Floor Amendment (0401h)

Amend RSA 194-B:11, I(d) as inserted by section 1 of the bill by replacing it with the following:

(d) The source of funds for payments under this section shall be from moneys specifically set aside for charter schools from the education trust fund established in RSA 198:39.

Amend the bill by replacing section 2 with the following:

2 State Aid; Education Trust Fund. Amend the introductory paragraph to RSA 198:39, I to read as follows:

I. The state treasurer shall establish an education trust fund in the treasury. Moneys in such fund shall not be used for any purpose other than to distribute adequate education grants to municipalities’ school districts and to approved charter schools pursuant to RSA 198:42, and to provide low and moderate income homeowners property tax relief under RSA 198:56-198:61. The state treasurer shall deposit into this fund immediately upon receipt.

AMENDED ANALYSIS

This bill requires the state to pay education aid directly to a charter school approved by the state board of education and requires any member of a charter school board of trustees who also serves
as an employee, agent, or board member of any for-profit entity with whom the charter school contracts for goods or services to make public disclosure of such fact and to recuse oneself from any business the charter school may have with the for-profit entity.

Rep. Ingbretson spoke in favor.

(Deputy Speaker Weyler in the Chair)

Floor amendment (0401h) was adopted.
Majority committee report adopted.
Ordered to third reading.

HB 278, relative to the alternative budget procedure in school administrative units. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Clifford A. Newton for the Majority of Education: This bill will allow communities to adopt the SAU budget at the annual school district elections. The committee feels that with the passage of this bill, towns belonging to multi-district SAU’s will have better representation as more people come out to vote at district elections than at district meetings. Vote 15-1.

Rep. Michael A. Balboni for the Minority of Education: The bill would force towns to vote in SB 2 form even if not an SB 2 town. Why should the state dictate that a town must have a particular form of government when the residents of that town want a different form? This is a very dangerous precedent.

Rep. Casey spoke in favor and yielded to questions.
On a division vote, 226 members having voted in the affirmative and 115 members in the negative, the majority committee report was adopted.
Ordered to third reading.

HB 650-FN-L, revising education funding and distribution and establishing needs-based matching grants. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. David W. Hess for the Majority of Education: This is another education funding bill which was introduced last January and retained by the Education Committee. However, over the fall, the sponsor of the bill proposed an amendment which, if adopted, would have added yet another targeting factor to the five enacted into law in June. By an overwhelming, bi-partisan 3-1 majority, the committee rejected the amendment. The amendment would make an appropriation for education funding in addition to what is already in law commencing in the next biennium – FY 2008-2009, 20 months into the future. For the first four years, that appropriation would come from dedicated funds – the reductions in transition grants. The committee rejected the proposal for a number of reasons. First, the money that will become available from the reduction in transition grants is already intended to fund the increases in education funding automatically built into current law. Thus, this new targeting would require additional funding over increases already built into law, additional appropriations of approximately $5 million dollars in FY 2008 and FY 2009, and approximately $17 million in 2010. Second, such appropriations are being proposed almost 2 and 4 years before-the-fact, when we don’t know the fiscal condition of the state, either available revenue or new needs. Third, because the proposal is prospective only, we won’t even know the exact size of the appropriation for 2008 until more than a year from now. Fourth, since the targeting is based on median household income, the data relied on will be 9 years out-of-date when it is first used, as this data is derived from the 2000 census and is not officially updated until the 2010 census. Fifth, there is no public call or outcry for such a formula. No one appeared in support of the amendment except the sponsor, and the overwhelming mood among the general public appears to be a request to, just once, leave the funding formula alone. There appears to be a near-universal feeling among the general public that what is needed now in education funding is stability, continuity and predictability. Sixth, no good reason was given for tinkering with the education funding formula this way this year. Any changes other than technical changes should be considered in the session in which they become effective. Seventh, using median household income will add confusion to education funding as current law already uses median family income in its calculations. Finally, many believe that there are better income criteria available than median household income. For example, the New Hampshire Center for Public Policy uses per capita income and median family income in its wealth formula, but not median household income. For one or more of these reasons, the committee rejected the proposed amendment and then voted by the same margin to recommend Inexpedient to Legislate. Vote 14-5.
Rep. Mark S. Carter for the Minority of Education: The minority of the committee supported an amendment to the original bill that would improve the existing targeted aid law by incorporating aid based upon community income, which current law fails to adequately accomplish. A floor amendment and vigorous debate will be offered. The House accepted HB 616, as amended by the Senate, last year, in order to avoid a Committee of Conference outcome that could have been less desirable than the Senate version. It is now time to look at necessary enhancements to achieve improved funding equity.

Having voted with the prevailing side, Rep. O'Neil moved that the House reconsider its action whereby it voted HB 650-FN-L, revising education funding and distribution and establishing needs-based matching grants, Inexpedient to Legislate.

HB 664-FN-L, mandating open enrollment in all school districts. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. W. Packy Campbell for the Majority of Education: This bill creates communication between students, parents and school boards by allowing reasons for wanting to leave a school and reasons why a student would want to attend a school to be discussed as a real outcome by removing residency requirements. This bill maintains local control by authorizing local school boards to adopt procedures for open enrollment. Vote 14-6.
Rep. Emma L. Rous for the Minority of Education: School districts currently have the option to choose open enrollment, but this bill would make it a requirement. The bill repeals residency requirements for school attendance (RSA 193:12, I), repeals a district’s option to vote for open enrollment (RSA 194 B:2, I), and repeals the assurance that no public school shall be required to be open enrollment (RSA B:2, III). The bill places an unreasonable burden on local districts and will lead to greater inequities between districts.

**Majority Amendment (0197h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to open enrollment in all school districts.

Amend the bill by inserting after section 2 the following and renumbering the original sections 3-9 to read as 4-10, respectively:

3 New Paragraph; Charter and Open Enrollment Schools; Establishment and Admission. Amend RSA 194-B:2 by inserting after paragraph VIII the following new paragraph:

VIII-a. No teacher, school administrator, or other school district official shall engage in any action for the purpose of recruiting or otherwise attempting to persuade an individual pupil to attend a specific school. No school district which causes a specific pupil to attend a specific school by engaging in recruitment or persuasion shall receive any per pupil funds for such pupil under RSA 194-B:11, and all funds for any such pupil shall remain with the pupil’s resident school district.

**AMENDED ANALYSIS**

This bill removes the residency requirements for school attendance and requires that all elementary and secondary schools adopt procedures to become open enrollment schools. The bill also prohibits teachers or other school officials from recruiting or attempting to persuade an individual pupil to attend a specific school.

On a division vote, 168 members having voted in the affirmative and 188 in the negative, the majority committee amendment failed.

Rep. W. P. Campbell offered floor amendment (0623h).

**Floor Amendment (0623h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Charter and Open Enrollment Schools. Amend RSA 194-B:1, VI to read as follows:

VI. “Open enrollment public school” or “open enrollment school” means any public school which, in addition to providing provides educational services to pupils residing within its attendance area or district, or chooses to accept pupils from other attendance areas within its district and from outside its district.

2 Charter and Open Enrollment Schools. Amend RSA 194-B:1-a, II to read as follows:

II. Encourage school districts to allow public charter [and open enrollment] schools.

3 Charter and Open Enrollment Schools; Admission. Amend RSA 194-B:2, VIII to read as follows:

VIII. A pupil who meets the admission requirements of an open enrollment or charter school, and who is a resident of the district where the school is located, shall be given absolute admission preference over a nonresident pupil. Once admitted and unless expelled, open enrollment and charter school pupils need not reapply for admission for subsequent years.

4 New Paragraph; Charter and Open Enrollment Schools; Establishment and Admission. Amend RSA 194-B:2 by inserting after paragraph VIII the following new paragraph:

VIII-a. No teacher, school administrator, or other school district official shall engage in any action for the purpose of recruiting or otherwise attempting to persuade an individual pupil to attend a specific school. No school district which causes a specific pupil to attend a specific school by engaging in recruitment or persuasion shall receive any per pupil funds for such pupil under RSA 194-B:11, and all funds for any such pupil shall remain with the pupil’s resident school district.

5 Charter and Open Enrollment Schools. Amend the section heading to RSA 194-B:4 and the introductory paragraph to RSA 194-B:4, I to read as follows:

194-B:4 Charter Schools [and Open Enrollment Schools]; Procedure for Adoption and Rescission; Limitations.

I. Any school district may adopt the provisions of RSA 194-B, to adopt a charter school program, in the following manner:
6 Charter and Open Enrollment Schools; Procedures for Adoption and Rescission. Amend RSA 194-B:4, I(c)-(d)(1) to read as follows:

(c)(1) In adopting the provisions of RSA 194-B, a school district [shall] may impose limitations on the number of its resident pupils who may attend a charter [or open enrollment schools] school located inside [and] or outside the school district. These limitations shall be represented as any percentage between zero and 100 percent of the school district’s current pupil enrollment.

(2) In school districts with annual meetings, where no limitation question receives a majority vote, [the limitations applying to the district shall be zero] there shall be no limitations on the number of pupils who may attend a charter school. Where 2 or more conflicting adoption and/or limitation questions receive a majority vote, that combination of adoption and limitation provisions receiving a majority vote granting greatest latitude of parental choice shall apply.

(d) The wording of the required adoption and limitation questions shall be either or both:

(1)(A) “Shall we adopt the provisions of RSA 194-B, regarding charter [and open enrollment] schools?”; and

(B) “Shall no more than (any whole number from 0 to 100) percent of the district’s current pupil enrollment be eligible for tuition to attend a charter [and open enrollment schools] school located outside the school district?”; and

(C) “Shall no more than (any whole number from 0 to 100) percent of the district’s current pupil enrollment be eligible for tuition to attend a charter [and open enrollment schools] school located inside the school district?”.

7 Charter and Open Enrollment Schools; Procedures for Adoption and Rescission. Amend the introductory paragraph to RSA 194-B:4, II (b) to read as follows:

(b) If a majority of those voting to rescind the provisions of RSA 194-B or to reduce the percentages of pupils eligible to attend [open enrollment or] a charter [schools] school, then as of July 1 next following the action taken:

8 Charter and Open Enrollment Schools; Procedures for Adoption and Rescission. Amend RSA 194-B:4, IV to read as follows:

IV. Upon approval by each of the district’s legislative bodies and after a public hearing, 2 or more school districts may consolidate otherwise eligible resident pupils into one applicant pool for the purposes of an admissions lottery for designated charter [or open enrollment] schools.

-9 New Section; Open Enrollment Schools; Procedures for Limitation. Amend RSA 194-B by inserting after section 4 the following new section:

194-B:4-a Open Enrollment Schools; Limitation Provisions.

I. (a) A school district may impose limitations on the number of its resident pupils who may attend an open enrollment school located inside or outside the school district. These limitations shall be represented as any percentage between zero and 100 percent of the school district’s current pupil enrollment. The question shall be presented in accordance with the procedures set forth in RSA 194-B:4, I(a)-(b).

(b) In school districts with annual meetings, where no limitation question receives a majority vote, there shall be no limitation on the number of pupils who may attend an open enrollment school located inside or outside the school district. Where 2 or more conflicting limitation questions receive a majority vote, that combination of limitation provisions receiving a majority vote granting greatest latitude of parental choice shall apply.

II. The wording of the limitation question shall be either or both:

(a) “Shall no more than (any whole number from 0 to 100) percent of the district’s current pupil enrollment be eligible for tuition to attend an open enrollment school located outside the school district?”; and/or

(b) “Shall no more than (any whole number from 0 to 100) percent of the district’s current pupil enrollment be eligible for tuition to attend an open enrollment school located inside the school district?”

10 Charter and Open Enrollment Schools; Pupil Selection. Amend RSA 194-B:9, V to read as follows:

V. (a) [For districts having enabled only the open enrollment provisions of this chapter.] The local school board shall have the authority to establish [rules to implement] procedures for the acceptance or denial of open enrollment pupils. Such procedures shall specify, in part, that no school district shall be required to accept a pupil from another school district if doing so would result in an unreasonable increase in the pupil-teacher ratio as determined by the local school board.
(b) Open enrollment pupils shall be required to reapply for admission each school year.
(c) A local school board shall not deny the payment of money as set forth in RSA 194-B:11 to another school district which has accepted an open enrollment pupil.
(d) Open enrollment pupils shall continue to be counted in the average daily membership in attendance of their resident district.
(e) A parent or legal guardian aggrieved by the decision of a local school board under this section may appeal such decision to the state board of education.

11 Charter and Open Enrollment Schools. Amend the introductory paragraph to RSA 194-B:11, I to read as follows:

I. There shall be no tuition charge for any pupil attending [an open enrollment] a public elementary or secondary school or charter conversion school located in that pupil's resident district. Funding limitations in this chapter shall not be applicable to charter conversion or [open enrollment] public elementary or secondary schools located in a pupil's resident district. For any other charter [or open enrollment] school authorized by the school district or the state board of education, or for a school district which has accepted an open enrollment pupil, the pupil's resident district shall pay to such school an amount equal to not less than 80 percent of that district's [average] total cost per pupil as determined by the department of [education] education's cost per pupil by district report using the most recent available data as reported by the district to the department. [For any charter school authorized by the state board of education, the pupil's resident district shall pay tuition beginning July 1, 2004, and every fiscal year thereafter, in an amount per pupil equal to the amount determined in RSA 198:40-I.] If the cost per pupil by district report contains no cost information for a certain grade level, the total state average cost per pupil for that district, as contained in such report, shall be used. If this amount exceeds the average cost per pupil in the receiving district, then such excess shall be returned to the pupil's resident district. If this amount is less than the average cost per pupil in the receiving district, the school board of the receiving district may opt to accept such amount as full payment of tuition for the school year or may require the parent or legal guardian to pay the difference, or a portion thereof. Tuition amounts shall be prorated on a per diem basis for pupils attending a school for less than a full school year. To the extent permitted by law, tuition payments shall coincide with the distribution of adequacy grants under RSA 198:42 or on such other terms as are mutually acceptable.

12 Pupils: Legal Residence Required. RSA 193:12 is repealed and reenacted to read as follows:

193:12 Legal Residence Required.

I. For purposes of this section, the legal residence of a pupil shall be as follows:
(a) In the case of a minor, legal residence is where his or her parents reside, except that:
(1) If the parents live apart and are not divorced, legal residence is the residence of the parent with whom the child resides.
(2) In a divorce decree where parents are awarded joint legal custody the legal residence of a minor child is the residence of the parent with whom the child resides. If a parent is awarded sole or primary physical custody by a court of competent jurisdiction in this or any other state, legal residence of a minor child is the residence of the parent who has sole or primary physical custody. If the parent with sole or primary physical custody lives outside the state of New Hampshire, the pupil does not have residence in New Hampshire.
(3) If the minor is in the custody of a legal guardian appointed by a New Hampshire court of competent jurisdiction or a court of competent jurisdiction in another state, territory, or country, legal residence is where the guardian resides. If the department of health and human services has been appointed legal guardian, the residence of the minor is where the child is placed by the department or the court. Legal guardianship shall not be appointed solely for the purpose of allowing a pupil to attend school in a district other than the district of residence of the minor's parent or parents. Whenever a petition for guardianship or legal custody is filed in a court of competent jurisdiction on behalf of a relative of a child, other than a parent, the child shall be permitted to attend school in the district in which the relative of the child resides pending a court determination relative to custody or guardianship.
(b) No minor placed in a home for children or health care facility, as defined in RSA 193:27, by another state which charges the state of New Hampshire, a political subdivision of the state of New Hampshire, or a New Hampshire school district, for the regular or special education costs for New Hampshire children placed in that state, shall be deemed a legal resident for purposes of school assignment, unless the sending state agrees to reimburse the receiving district, as defined in RSA 193:27, for regular education and special education costs.
II. For the purposes of this title, "legal resident" of a school district means a natural person who is domiciled in the school district and who, if temporarily absent, demonstrates an intent to maintain a principal dwelling place in the school district indefinitely and to return there, coupled with an act or acts consistent with that intent. A married person may have a domicile independent of the domicile of his or her spouse. If a person removes to another town with the intention of remaining there indefinitely, that person shall be considered to have lost residence in the town in which the person originally resided even though the person intends to return at some future time. A person may have only one legal residence at a given time.

III. For the purposes of this section, the legal residence of a child of homeless parents is where the child temporarily resides unless the parents and another school district agree that the child's attendance in school in that school district will be in the best interests of the child in that continuity of education will be provided and transportation will not be unduly burdensome to the school district. "A child of homeless parents" means a child whose parents:

(a) Lack a fixed, regular and adequate residence; or
(b) Have a primary nighttime residence in a supervised publicly or privately operated shelter for temporary accommodations such as public assistance hotels, emergency shelters, battered women's shelters, and transitional housing facilities, or a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.

IV. Except as provided in subparagraph II(b), nothing in this section shall limit or abridge the right of any child placed and cared for in any home for children, as defined in RSA 193:27, or of any child placed in the home of a relative of that child by the department of health and human services, or placed in the home of a relative or friend by a court pursuant to RSA 169-B, RSA 169-C, RSA 169-D, or RSA 463, to attend the public schools of the school district in which the home for children or home of the relative or friend in which a child is placed by the department of health and human services or by a court of competent jurisdiction is located, as provided in RSA 193:28.

V. Whenever a parent or guardian voluntarily places a child with a relative at the recommendation or request of the department of health and human services, that child shall be permitted to attend the public schools of the school district in which that relative resides provided that:

(a) Upon request of the school district, the department of health and human services shall confirm that the department recommended or requested that the child be placed with the relative to promote the child's well being, and not for the purpose of allowing the child to attend school in the district where the relative resides; and
(b) Upon request of the school district, the relative shall take reasonable steps to secure a court award of guardianship over the child, the child being allowed to attend school in that district while the relative seeks guardianship.

VI. Whenever a dispute arises between 2 or more school districts as to the residency of a child who is in the legal custody or guardianship of the department of health and human services, or who has been placed pursuant to a court order in a proceeding under RSA 169-B, RSA 169-C, RSA 169D, or RSA 463, the department of health and human services may request in writing that the respective superintendents resolve the dispute. If the residency dispute remains unresolved 10 days after such request, the department of health and human services may request that the commissioner of the department of education determine the residence of the child. The child may attend school in the district in which the child has been placed by the court or the department of health and human services pending the resolution of the residency dispute. Liability as to the cost of school attendance provided under this paragraph shall be determined by the commissioner of education.

VII. If more than one school district is involved in a residency dispute or the parents or guardians who live apart cannot agree on the residence of a minor child, the respective superintendents shall jointly make such decision. In those instances when an agreement cannot be reached in a timely manner, the commissioner of education shall make a determination and such determination shall be final. No school district shall deny a pupil implementation of an existing individual education plan. A pupil shall remain in attendance in the pupil's school of origin during the pendency of a determination of residency and shall be counted in the average daily membership in residence in the district of residence. In this paragraph, "school of origin" means the school the child attended when permanently housed or the school in which the child was last enrolled. Notwithstanding the provisions of RSA 21-N:11, III any person aggrieved by a determination of the commissioner may appeal such determination to a court of competent jurisdiction.
VIII. Nothing in this section shall require a district to provide transportation for a student beyond the geographical limits of that district.

IX. Each school district shall adopt an admission and attendance of students policy.

X. The commissioner of education may enter into agreements with other states relative to liability for educational costs, including special education costs, of students placed in New Hampshire by those states, or of students placed outside the state of New Hampshire.

XI. For the purpose of determining liability for a child placed and cared for in any home for children or health care facility, the provisions of RSA 193:29 shall apply.

13 Cooperative School Districts; Modification. Amend RSA 195:31 to read as follows:

195:31 Modification. In the event that the cooperative district adopts the provisions of RSA 194-B, [and the cooperative district also adopts open enrollment percentage amounts pursuant to RSA 194-B:4;] the percentage of pupils authorized by a vote of the cooperative district shall be permitted to attend a charter school which may be established in the district and approved by the voters in accordance with RSA 194-B:3.

14 Authorized Regional Enrollment Area (AREA) Schools; Procedure. Amend RSA 195-A:3, V(p) to read as follows:

(p) Whether the districts within the area plan shall adopt the provisions of RSA 194-B, and how the adoption of such provisions [and the adoption of the open enrollment percentage limitations] will affect the districts within the area plan;

15 Repeal. The following are repealed:

I. RSA 194-B:2, I, providing that a school district legislative body may vote to designate a school as an open enrollment school.

II. RSA 194-B:2, III, relative to requiring that no public school shall be required to be an open enrollment school.

III. RSA 194-B:4, l(d)(2), relative to the adoption by a city or town of open enrollment provisions.

16 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Clarifies the residency requirements for school attendance.

II. Provides that all school districts shall be deemed open enrollment districts, but allows a school district to control open enrollment by authorizing the local school board to adopt procedures governing the acceptance and denial of open enrollment pupils.

III. Provides that no local school board shall deny the payment of money as set forth in RSA 194-B:11 to another school district which has accepted an open enrollment pupil.

IV. Allows municipalities to limit the percentage of the pupil population eligible to attend a school located inside or outside of the resident district.

Rep. Asselin spoke in favor.

Rep. Rous spoke against and yielded to questions.

Rep. W. P. Campbell spoke in favor and yielded to questions.

Floor amendment (0623h) failed.

The question now being adoption of the motion of Ought to Pass.

The motion of Ought to Pass failed.

Motion adopted.

The House recessed at 12:55 p.m.

RECESS

(Deputy Speaker Weyler in the Chair)

The House reconvened at 1:55 p.m.
HB 345, requiring photo identification to obtain a ballot. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. William L. O’Brien for the Majority Election Law: Subsequent to the filing of this bill, two important developments occurred relative to the issue of requiring photo IDs in order to vote. The first was that on May 11, 2005 the Congress passed the REAL ID Act of 2005, which established minimum requirements for information displayed on state driver’s licenses and for information that must be obtained in order to issue such a license if it was going to be accepted by a federal agency. The second development was that in September the Commission on Federal Election Reform, co-chaired by President Jimmy Carter and Secretary James Baker and including as commission members Senator Tom Daschle and Representatives Lee Hamilton, Bob Michel and Susan Molinari, as well as many others who have similarly distinguished themselves in service to our nation, issued a comprehensive report on needed election reforms. In that report the commission made the following observation: “The electoral system cannot inspire public confidence if no safeguards exist to deter or detect fraud or to confirm the identity of voters. Photo IDs currently are needed to board a plane, enter federal buildings, and cash a check. Voting is equally important.” Following this observation, the Carter/Baker commission noted further that the trend nationally is to require voter IDs, starting with 11 states in 2001, 24 states now and 12 additional states considering adding the requirements to their laws. Based on these observations, the commission recommended first “that the states use REAL ID cards for voting purposes.” In addition, the commission recommended that one additional requirement be added to REAL ID cards if they are to be used for voting purposes: the cards should indicate citizen. Based on testimony received by the majority of the committee believes that requiring photo IDs to vote in New Hampshire would inspire greater confidence in our electoral process and thereby promote participation in voting. In recommending passage of this bill as amended, the majority was fully aware that some individuals may not have such an ID in effect. The bill therefore allows such voters to sign an affidavit claiming that has occurred and go forward and vote. The majority recommends this important measure that will address a perennial concern of many that our voting system does not have sufficient safeguards. Vote 10-7.

Rep. Charles F. Weed for the Minority of Election Law: This bill will create more harm than good. Some citizens who have lost or forgotten their picture identification cards will be denied their constitutionally protected right to vote. This bill tries to solve a problem which does not exist. No charge of voter fraud has been proven even though there have been many careful investigations by both the Secretary of State and the Attorney General.

Majority Amendment (0235h)

Amend the bill by replacing all after the enacting clause with the following:

1 Obtaining a Ballot; Identification Required. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the checklist. The ballot clerk shall then require the person desiring to vote to furnish a state or federal government-issued identification meeting the requirements of the federal Real ID Act of 2005, Public Law 109-13 to verify the person’s identity or, if the person states that he or she has not been issued a valid form of such identification, a voter identification affidavit pursuant to paragraph II. The voter, if still qualified to vote in the town or ward and unless challenged as provided for in RSA 659:27-33, or unless failing to present the required identification, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.
II. In any instance where a voter states to a ballot clerk that he or she has not been issued a valid state or federal government-issued identification meeting the requirements of the federal Real ID Act of 2005, Public Law 109-13, then as a substitute for such identification the voter shall be permitted to submit an affidavit, certified by the ballot clerk, in the following form:

Voter Identification Affidavit

1. My name is ______________________. I reside at ______________________.

2. I have not been issued an identification card by a state or federal government that sets forth my name, birth date, sex, identification number, digital photograph, and address and is in effect as of the date of this affidavit.

3. This affidavit is dated ______________________.

I acknowledge that I have read and understand the above and do hereby swear, under the penalties for voting fraud, that all of the above is complete and accurate.

Signature

2 Effective Date. This act shall take effect November 1, 2007.

AMENDED ANALYSIS

This bill requires a voter to present photographic identification or a voter identification affidavit to obtain a ballot.

Rep. Whalley spoke against.

Majority committee amendment failed.

Floor Amendment (0443h)

Amend the bill by replacing all after the enacting clause with the following:

1 Obtaining a Ballot; Identification Required. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the guardrail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name; and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist for the voter, and ask if the address is correct; if the address on the checklist is not correct, the ballot clerk shall correct the address in red on the checklist. The ballot clerk shall then require the person desiring to vote to furnish a state or federal government-issued identification meeting the requirements of the federal Real ID Act of 2005, Public Law 109-13 to verify the person’s identity or, if the person states that he or she has not been issued a valid form of such identification, or has lost possession of, or misplaced such an identification within the preceding period of 14 days, a voter identification affidavit pursuant to paragraph II. The voter, if still qualified to vote in the town or ward and unless challenged as provided for in RSA 659:27-33, or unless failing to present the required identification, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

II. In any instance where a voter states to a ballot clerk that he or she has not been issued a valid state or federal government-issued identification meeting the requirements of the federal Real ID Act of 2005, Public Law 109-13, or has lost possession of, or misplaced such an identification within the preceding period of 14 days, then as a substitute for such identification the voter shall be permitted to submit an affidavit, certified by the ballot clerk, in the following form:

Voter Identification Affidavit

1. My name is ______________________. I reside at ______________________.

2. I have not been issued an identification card by a state or federal government that sets forth my name, birth date, sex, identification number, digital photograph, and address and is in effect as of the date of this affidavit or I have lost possession of, or misplaced such an identification within the past 14 days.

3. This affidavit is dated ______________________.

I acknowledge that I have read and understand the above and do hereby swear, under the penalties for voting fraud, that all of the above is complete and accurate.

Signature
III. Notwithstanding the requirement for an identification, if a person desiring to vote states that he or she does not have a sufficient identification, but such person is personally known to any of the city or town clerk, moderator, supervisors of the checklist, or ballot clerks as a person qualified to vote at such location, such person shall not be refused a ballot for lack of identification if the city or town clerk, moderator, supervisor of the checklist, or ballot clerk records the name of the voter and the name of the city or town clerk, moderator, supervisor of the checklist, or ballot clerk who knows the voter in the same manner as affidavits are recorded pursuant to RSA 659:32.

2 Effective Date. This act shall take effect November 1, 2007.

AMENDED ANALYSIS

This bill requires a voter to present photographic identification or a voter identification affidavit to obtain a ballot. The bill establishes an exception to the identification requirement for persons personally known to certain election officials.

Reps. Claudia Chase and Weed spoke against and yielded to questions.
Reps. Whalley and O’Brien spoke in favor and yielded to questions.
Rep. Giuda requested a roll call; sufficiently seconded.

and floor amendment (0443h) was adopted.
Rep. Kurk offered floor amendment (0717h).

Floor Amendment (0717h)

Amend the bill by replacing all after the enacting clause with the following:

1 Obtaining a Ballot; Identification Required. Amend RSA 659:13 to read as follows:

659:13 Obtaining a Ballot.

I. A person desiring to vote shall, before being admitted to the enclosed space within the
guardrail, announce his or her name to one of the ballot clerks who shall thereupon repeat the name;
and, if the name is found on the checklist by the ballot clerk, the ballot clerk shall put a checkmark
beside it and again repeat the name. The ballot clerk shall state the address listed on the checklist
for the voter, and ask if the address is correct; if the address on the checklist is not correct, the
ballot clerk shall correct the address in red on the checklist. The ballot clerk shall then require
the person desiring to vote to furnish a state or federal government-issued photo identification
to verify the person’s identity or, if the person states that he or she has not been issued a valid
form of such identification, or has lost possession of, or misplaced such an identification within
the preceding period of 14 days, a voter identification affidavit pursuant to paragraph II. The
voter, if still qualified to vote in the town or ward and unless challenged as provided for in RSA 659:27-33, or unless failing to present the required identification, shall then be allowed to enter the space enclosed by the guardrail. After the voter enters the enclosed space, the ballot clerk shall give the voter one of each ballot to be voted on in that election which shall be folded as it was upon receipt from the secretary of state.

II. In any instance where a voter states to a ballot clerk that he or she has not been issued a valid state or federal government-issued photo identification, or has lost possession of, or misplaced such an identification within the preceding period of 14 days, then as a substitute for such identification the voter shall be permitted to submit an affidavit, certified by the ballot clerk, in the following form:

Voter Identification Affidavit

1. My name is __________________________. I reside at _________________________________.

2. I have not been issued an identification card by a state or federal government that sets forth my name, birth date, sex, identification number, digital photograph, and address and is in effect as of the date of this affidavit or I have lost possession of, or misplaced such an identification within the past 14 days.

3. This affidavit is dated _________________________________.

I acknowledge that I have read and understand the above and do hereby swear, under the penalties for voting fraud, that all of the above is complete and accurate.

Signature

III. Notwithstanding the requirement for an identification, if a person desiring to vote states that he or she does not have a sufficient identification, but such person is personally known to any of the city or town clerk, moderator, supervisors of the checklist, or ballot clerks as a person qualified to vote at such location, such person shall not be refused a ballot for lack of identification if the city or town clerk, moderator, supervisor of the checklist, or ballot clerk records the name of the voter and the name of the city or town clerk, moderator, supervisor of the checklist, or ballot clerk who knows the voter in the same manner as affidavits are recorded pursuant to RSA 659:32.

2 Effective Date. This act shall take effect November 1, 2007.

AMENDED ANALYSIS

This bill requires a voter to present photographic identification or a voter identification affidavit to obtain a ballot. The bill establishes an exception to the identification requirement for persons personally known to certain election officials.

Rep. Kurk spoke in favor and yielded to questions.

Floor amendment (0717h) was adopted.

The question now being adoption of the motion of Ought to Pass as amended.

HB 347, requiring proof of identity for voter registration. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. William L. O'Brien for the Majority of Election Law: This bill relates to HB 345, which would establish a photo ID requirement for voting with an affidavit exception. The September 2005 Report of the Commission on Federal Elections (the Carter/Baker report) recommended that the citizenship information that state agencies are required under the REAL ID Act of 2005 to collect to issue driver’s license should be placed on those IDs so they can be used for voting purposes. This bill will implement that recommendation. Testimony was given that the Department of Safety already collects information and issues IDs in compliance with the REAL ID Act of 2005 and is considering a license redesign in which citizenship could be displayed with no additional cost. Licenses already indicate lack of U.S. citizenship for some individuals through shorter effective dates and testimony also was received that although law enforcement officials are aware of this indication there never have been complaints of discrimination by law enforcement personnel. The majority of the committee was not persuaded by concerns expressed that discrimination by police officers would result from citizenship being shown on licenses. The bill amended will ease voter registration and voting, as well as add to the integrity of our electoral process. Vote 10-5.

Rep. Charles F. Weed for the Minority of Election Law: This bill goes well beyond the requirements of the Federal REAL ID Act. We feel that the requirement of inclusion of national citizenship on the New Hampshire driver’s license could lead to discrimination against innocent individuals during times of national stress.

Majority Amendment (0236h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to indicating citizenship on drivers’ licenses and nondrivers’ identification cards.

Amend the bill by replacing all after the enacting clause with the following:

1 Identification Cards; Citizenship. Amend RSA 260:21, II-III to read as follows:

II. The department shall, before issuing a card to an applicant, require the applicant to furnish proof of his or her name, sex, age, citizenship, and address of residence.

III. The identification card shall bear the name, address, [social security] identification number, date of birth, blood type (optional), picture, and signature of the applicant. an indication of whether or not the applicant is a United States citizen, and in the case of a card issued pursuant to RSA 260:21, I(c), said card shall bear the notation “Golden Granite State Discount Card.”

2 New Section; Issuance of Drivers’ Licenses; Evidence of Citizenship. Amend RSA 263 by inserting after section 5-c the following new section:

263:5-d Evidence of Citizenship. Before the department issues any license to any person under this chapter, the department shall have on file evidence of the person’s citizenship.

3 Drivers’ Licenses; Form of License. Amend RSA 263:40 to read as follows:

263:40 Form of License. The commissioner shall, upon payment of the required fee, issue to every applicant a driver’s license subject to such conditions as the commissioner may deem expedient and in such form as the commissioner may prescribe. The license shall bear thereon a distinguishing number assigned to the licensee, an indication of whether or not the licensee is a United States citizen, and an instant full-face color photograph, image, or likeness of the licensee. There shall also be provided a space wherein the licensee may enter his or her blood type if [he] the licensee so desires.

4 Commercial Driver License; Information Included. Amend RSA 263:91, I(i)-(j) to read as follows:

(i) The name of this state; and
(j) The expiration date; and
(k) Whether or not the licensee is a United States citizen.

5 Contingency. If HB 345 of the 2006 regular session becomes law, sections 1-4 of this act shall take effect 60 days after its passage. If HB 345 of the 2006 regular session does not become law, sections 1-4 of this act shall not take effect.
6 Effective Date.
I. Sections 1-4 of this act shall take effect as provided in section 5 of this act.
II. The remainder of this act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill requires that drivers’ licenses and nondrivers’ identification cards indicate whether the holder is a United States citizen.

Majority committee amendment adopted.

Rep. Kurk offered floor amendment (0446h).

**Floor Amendment (0446h)**

Amend the bill by replacing section 2 with the following:

2 New Section; Issuance of Drivers’ Licenses; Evidence of Citizenship. Amend RSA 263 by inserting after section 5-c the following new section:

263:5-d Evidence of Citizenship. Before the department issues any license to any person under this chapter, the department shall have examined evidence of the person’s citizenship. The department shall keep a record of the type of evidence on which it relied but shall not keep on file a copy of such evidence or any information contained therein other than the information required under RSA 260:21, II and III.

Rep. O’Brien spoke against and yielded to questions.

On a division vote, 191 members having voted in the affirmative and 146 in the negative, Floor amendment (0446h) was adopted.

The question now being adoption of the motion of Ought to Pass as amended.

Reps. Weed and Velez spoke against.

Rep. O’Brien spoke in favor and yielded to questions.

HB 391, relative to voter registration forms for students. OUGHT TO PASS WITH AMENDMENT.

Rep. William L. O’Brien for Election Law: There are some individuals who wish to register to vote in New Hampshire and appear, sometimes on election days, sometimes earlier, without sufficient evidence that they are U.S. citizens or that they are domiciled in New Hampshire or otherwise. In such circumstances, they are offered the opportunity to sign citizenship and domicile
affidavits whereby on their word alone they are established as U.S. citizens with a New Hampshire domicile sufficient for voting purposes. Under present law, however, those affidavits become secret documents, hidden from public scrutiny by those who might know or be interested in the truthfulness of claims they make and information they provide. As Justice Oliver Wendell Holmes observed, and this legislature when it enacted RSA 91-A, the New Hampshire Right to Know Law, affirmed, “Sunshine is the best disinfectant.” This bill allows the light of public attention to shine on such affidavits by making citizenship and domicile affidavits subject to RSA 91-A. It allows those who are interested in confirming the integrity of voter registration by affidavits to have access to the information needed for such a review. The committee views this opening of public records as an important reform that will strengthen the New Hampshire electoral process. Vote 12-6.

Amendment (0208h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to election affidavits.

Amend the bill by replacing all after the enacting clause with the following:

1 Right to Know Exemption. Amend RSA 654:31-a to read as follows:

654:31-a Right to Know Exemption. The information contained on the checklist of a town or city, specifically, the name, street address, town or city, and party affiliation, if any, of registered voters, except as otherwise provided by statute, is public information subject to RSA 91-A. All other information on the voter registration form, absentee registration affidavit, and application for absentee ballot shall be treated as confidential information and the records containing this information shall be exempt from the public disclosure provisions of RSA 91-A, except as provided by statutes other than RSA 91-A. Citizenship and domicile affidavits are public records subject to RSA 91-A. Election officials and law enforcement personnel in furtherance of their official duties may access and may disclose information from the voter registration form, citizenship and domicile affidavits, absentee registration affidavits, and applications for absentee ballots, if necessary to resolve a challenge to an individual registering to vote or voting, or if necessary to investigate or prosecute election law violations or any crime. Law enforcement access and use of such records for the investigation or prosecution of crimes unrelated to election law violations shall be limited to the records of the specific individuals who are the subject of the investigation or prosecution.

2 Affidavit. Amend RSA 659:30 to read as follows:

659:30 Affidavit. The affidavit of a challenged voter, a voter citizenship affidavit, a voter domicile affidavit, or any other affidavit required by the election statutes may be sworn before [any person authorized by law to administer oaths or before] any election officer.

3 Preservation of Voting Materials. Amend RSA 659:101 to read as follows:

659:101 Preservation of Absentee Voting Materials, Election Day Affidavits, and Domicile Affidavits. The affidavit envelopes and application forms processed by the moderator as provided in RSA 659:50, and the citizenship affidavit and domicile affidavits as provided in RSA 654:12 and any other documentary proof of qualifications retained by the town or city clerk, the supervisors of the checklist, or other election official may be preserved in the same manner that ballots are preserved. [and] Citizenship, voter registration, and domicile affidavits shall be retained for 3 years after the election in which they are used, and other materials may be destroyed one year after the first state general election at which the individual may vote.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill makes citizenship and domicile affidavits public records subject to RSA 91-A and modifies requirements for their execution and preservation.

Amendment adopted.

Floor Amendment (0486h)

Amend the bill by replacing section 1 with the following:

1 Right to Know Exemption. Amend RSA 654:31-a to read as follows:

654:31-a Right to Know Exemption. The information contained on the checklist of a town or city, specifically, the name, street address, town or city, and party affiliation, if any, of registered voters, except as otherwise provided by statute, is public information subject to RSA 91-A. All
other information on the voter registration form, absentee registration affidavit, citizenship and domicile affidavits, and application for absentee ballot shall be treated as confidential information and the records containing this information shall be exempt from the public disclosure provisions of RSA 91-A, except as provided by statutes other than RSA 91-A. Notwithstanding the foregoing, citizenship and domicile affidavits are public records subject to RSA 91-A for the sole purpose of challenging an individual registering to vote or voting, challenging ballots to be recounted, to the extent that such ballot challenges are specifically authorized by law, or determining the accuracy of any citizenship or domicile affidavit. Election officials and law enforcement personnel in furtherance of their official duties may access and may disclose information from the voter registration form, citizenship and domicile affidavits, absentee registration affidavits, and applications for absentee ballots, if necessary to resolve a challenge to an individual registering to vote or voting, or if necessary to investigate or prosecute election law violations or any crime. Law enforcement access and use of such records for the investigation or prosecution of crimes unrelated to election law violations shall be limited to the records of the specific individuals who are the subject of the investigation or prosecution.

**AMENDED ANALYSIS**

This bill makes citizenship and domicile affidavits public records subject to RSA 91-A for the purpose of voter challenges and modifies requirements for their execution and preservation. Rep. O'Brien spoke in favor. Floor amendment (0486h) was adopted.

The question now being adoption of the motion of Ought to Pass as amended. Rep. Craig requested a roll call; sufficiently seconded.

Robertson, Timothy
and the motion was adopted.
Ordered to third reading.
Rep. Shaw voted Yea and intended to vote Nay.

HB 621-FN, requiring disclosure of gifts and campaign contributions by lobbyists. MAJORITY: INEXPEDIENT TO LEGISlate. MINORITY: OUGHT TO PASS WITH AMENDMENT. Rep. Richard B. Drisko for the Majority of Election Law: This bill would have required lobbyists to report all gifts and campaign contributions to the Secretary of State. In addition, it would have required a candidate to disclose donations from registered lobbyists. Both of these issues are covered in SB 206. Vote 9-5.
Rep. James R. Splaine for the Minority of Election Law: We as a legislature should stand behind the highest standards of honesty and disclosure for lobbyists. Our amendment accomplishes that goal. Reps. Peter Sullivan and Splaine spoke against.
Rep. Clemons requested a roll call; sufficiently seconded.

and the majority committee report failed.

Rep. Splaine moved Ought to Pass and offered minority committee amendment (0199h).

Minority Amendment (0199h)

Amend the bill by replacing all after the enacting clause with the following:

I. Any political committee whose receipts or expenditures in support of a candidate, measure, or political party exceed $500 except, for the purposes of this paragraph only, the political committee of a political party or the political committee of a candidate, shall file with the secretary of state an itemized statement, signed by its chairman and treasurer showing each of its receipts exceeding $25 with the full name and home post office address of the contributor in alphabetical order and the amount of the contribution, the date it was received, and the aggregate total for each election for each contributor of over $100. The statement shall be filed not later than the Wednesday 12 weeks immediately preceding a primary election, before 5 o’clock in the afternoon, and shall cover the period from the day of the committee registration up to and including the Monday before the statement is due. All receipts of $25 or under shall appear on the statements as itemized receipts. Any listing which exceeds an individual’s aggregate total of $100 for each election shall be accompanied by the contributor’s occupation including official job title, the name of the contributor’s employer, and the city or town of the contributor’s principal place of business, if any. The statement shall also show each committee expenditure with the full name and city or town of persons, corporations, committees, or to whomever paid or to be paid, the date paid, and the election for which the expenditure was made, with the specific nature and amount of each expenditure since the date of the registration. The statements shall include a separate itemized list of donations from lobbyists registered under RSA 15:1.

2 Reporting by Candidates. Amend RSA 664:7 to read as follows:

664:7 Reporting by Candidates. Each candidate at the primary or general election for governor, senator, state senator, representative to general court, or county officer, who has expenditures exceeding $500, shall file statements before and after an election in like manner and detail as prescribed in RSA 664:6, II, II-a, III, IV, and V, excepting, however, the expenditures of political committees of the party to which the candidate belongs in elections other than primaries. Such statements shall also include an itemized list of donations from lobbyists registered under RSA 15:1.

3 Effective Date. This act shall take effect January 1, 2007.
AMENDED ANALYSIS

This bill requires candidates and political committees to itemize donations from registered lobbyists. Rep. Splaine spoke in favor.

Rep. Whalley requested a roll call; sufficiently seconded.

and minority committee amendment (0199h) was adopted.

The question now being adoption of the motion of Ought to Pass as amended.

Rep. Clemens requested a roll call; sufficiently seconded.
MOTION TO RECONSIDER
Having voted with the prevailing side, Rep. O'Neil moved that the House reconsider its action whereby it ordered to third reading, HB 345, requiring photo identification to obtain a ballot. Reconsideration failed.

MOTION TO RECONSIDER
Having voted with the prevailing side, Rep. O'Neil moved that the House reconsider its action whereby it ordered to third reading, HB 347, requiring proof of identity for voter registration. On a division vote, 137 members having voted in the affirmative and 206 in the negative, reconsideration failed.

MOTION TO RECONSIDER
Having voted with the prevailing side, Rep. O'Neil moved that the House reconsider its action whereby it ordered to third reading, HB 391, relative to voter registration forms for students. Rep. Rollo requested a roll call; sufficiently seconded.

*(Speaker Scamman in the Chair)*

**REGULAR CALENDAR**

**SPECIAL ORDERS (CONT’D.)**

**HB 639-FN**, relative to voter registration. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. William L. O'Brien for the Majority of Election Law: During testimony many witnesses raised concerns over the integrity of election day registrations in which the registrants use one or both of the citizenship and domicile affidavits that are available when no other evidence of citizenship or domicile is brought to the attention of the election official handling the registration. We allow individuals who first appear on Election Day to vote based on their word alone that they are United States citizens and residents of New Hampshire. The committee’s concerns over the integrity
of this process have grown as we have become aware that investigation and prosecution of all election law is handled by a single assistant attorney general who handles those election law duties on very much a part-time basis as he has other, and often more pressing, duties to perform. These concerns have not been abated when we have heard that few problems have appeared, because we know that these affidavits are withheld from the public, including candidates and those promoting or opposing ballot measures, so they cannot be challenged for accuracy and because – and this we have considered quite important – there is no incentive to find and challenge the false affidavit because there will be no way to identify and remove the improperly cast ballot from a count. Considering these concerns and limitations, the majority of the committee has fashioned what it submits is the least intrusive, most straightforward method to allow these wrongful votes to be retrieved and discarded when they have influenced the results of an election. Using the existing election recount procedure, and not in any way extending the deadlines or changing the approach for such recounts, HB 639 would allow these affidavits to be challenged in a recount and, if the challenge is successful, the wrongful vote to be removed from the count. The procedure for how the challenge would proceed will be established by the Secretary of State, as would the mechanism for marking ballots given only to Election Day registrants using citizenship as domicile affidavits so those ballots can be associated with the affidavits. The only requirement for marking such ballots is that it be done in a manner that will promote voter privacy. Methods were discussed that would reach that result, but the final determination was to allow the Secretary of State to choose and implement the best method. The only ballots that need to be associated with particular affidavits and therefore particular voters will be those ballots that resulted from materially false affidavits. Vote 9-5.

Rep. Charles F. Weed for the Minority of Election Law: Voters have a right to expect that they are casting a secret ballot. When they hear that challenged ballots will be marked and tracked it will lead to less trust and confidence in the election process, and will discourage transitional, homeless, and minority voters. More harm than good is caused by this bill which is strongly opposed by the people who conduct state, local, and federal elections, the city and town clerks association.

**Majority Amendment (0209h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to voters presenting citizenship or domicile affidavits to register on election day.

Amend the bill by replacing all after the enacting clause with the following:

1 General Voter Registration; Determining Qualifications of Applicant. Amend RSA 654:12 to read as follows:

654:12 Determining Qualifications of Applicant.

I. When determining the qualifications of an applicant, the supervisors of the checklist, or the town or city clerk, shall require the applicant to present proof of citizenship, age, and domicile, as provided in the following categories:

(a) CITIZENSHIP. The supervisors of the checklist, or the town or city clerk, shall accept from the applicant any one of the following as proof of citizenship: the applicant's birth certificate, passport, naturalization papers if the applicant is a naturalized citizen, a citizenship affidavit, or any other reasonable documentation which indicates the applicant is a United States citizen. The citizenship affidavit shall be in the following form:

**CITIZENSHIP AFFIDAVIT**

Name: ____________________________________________

Name at birth if different: ____________________________

Place of birth: _____________________________________

Date of birth: _____________________________________

Date and Place of Naturalization:

I hereby swear and affirm, under the penalties for voting fraud set forth below, that I am a United States citizen and that to the best of my knowledge and belief the information above is true and correct. I hereby acknowledge that, if I present this affidavit on election day, my ballot will be marked and subject to challenge during a recount, which may occur several weeks after election day. I also am aware that my ballot will not be associated with my affidavit unless the affidavit is determined to be invalid.

(Signature of applicant)
In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed $2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed $5,000.

On the date shown above, before me, ______________________ (print name of notary public, justice of the peace, election officer), appeared ______________________ (print name of person whose signature is being notarized), (known to me or satisfactorily proven (circle one)) to be the person whose name appears above, and he or she subscribed his or her name to the foregoing affidavit and swore that the facts contained in this affidavit are true to the best of his or her knowledge and belief.

Notary Public/Justice of the Peace/Official Authorized by RSA 659:30

(b) AGE. Any reasonable documentation indicating the applicant is 18 years of age or older.
(c) DOMICILE. Any reasonable documentation which indicates that the applicant has a domicile and intends to maintain a domicile, as defined in this chapter, in the town, city, or ward in which he or she desires to vote, or, if the applicant does not have reasonable documentation in his or her possession at the place and time of voter registration, an affidavit in the following form:

DOMICILE AFFIDAVIT

Date: __________________________
Name: __________________________
Current Domicile Address: __________________________
Street Ward Number __________________________
Town or City Zip Code __________________________
Date when current domicile was established: Month: __________ Year: __________
Place and date of birth: __________________________
Address of last previous domicile: __________________________
Street Ward Number __________________________

Town or City Zip Code __________________________
I hereby swear and affirm, under the penalties for voting fraud set forth below, that my established domicile is at the current domicile address I have entered above and that to the best of my knowledge and belief the information above is true and correct. I hereby acknowledge that, if I present this affidavit on election day, my ballot will be marked and subject to challenge during a recount, which may occur several weeks after election day. I am also aware that my ballot will not be associated with my affidavit unless the affidavit is determined to be invalid.

(Signature of applicant)

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed $2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed $5,000.

On the date shown above, before me, ______________________ (print name of notary public, justice of the peace, election officer), appeared ______________________ (print name of person whose signature is being notarized), (known to me or satisfactorily proven (circle one)) to be the person whose name appears above, and he or she subscribed his or her name to the foregoing affidavit and swore that the facts contained in this affidavit are true to the best of his or her knowledge and belief.

Notary Public/Justice of the Peace/Official Authorized by RSA 659:30

II. The supervisors may refuse to add the name of an applicant to the checklist if he or she fails to present the evidence or an affidavit as required by this section. Without limiting the acceptance of other forms of proof of domicile or identity deemed reasonable by the supervisors:
(a) Any one of the following documents is presumptive evidence that the individual seeking to vote meets the domicile requirement, provided the document is currently valid, was issued to or in the name of the applicant, and shows the address the applicant claims as a domicile:

(1) New Hampshire driver’s license.
(2) New Hampshire vehicle registration.
(3) Armed services identification, or other photo identification issued by the United States government.

(b) Any one of the following is presumptive evidence of the identity of an applicant sufficient to satisfy the identity requirement for an official authorized by RSA 659:30 to take the oath of an applicant swearing to a citizenship, domicile, or election day affidavit:

(1) Photo driver’s license issued by any state or the federal government.
(2) United States passport, armed services identification, or other photo identification issued by the United States government.
(3) Photo identification issued by local or state government.

(c) The presumptions established in this paragraph may be defeated by evidence establishing that it is more likely than not that the applicant is not qualified as a voter.

III. All information provided in a citizenship affidavit or a domicile affidavit presented under this section which establishes the affidavit’s qualifications as a voter must be accurate for the resulting vote to be valid.

IV. Any person presenting a citizenship or domicile affidavit in order to register on election day shall be provided with an affidavit form marked in a manner established by the secretary of state so as to promote voter privacy but allow a ballot to be matched to an invalid affidavit. The secretary of state shall further establish the procedure for the submission of the affidavits and tracking of ballots supported by affidavits.

2 New Section; General Provisions for Recounts; Affidavit Challenges. Amend RSA 660 by inserting after section 16 the following new section:

660:16-a Affidavit Challenges. Any person may challenge a ballot being recounted by stating reasons satisfactory to the secretary of state why the voter’s citizenship or domicile affidavit is inaccurate. The secretary of state shall notify the voter whose ballot is challenged, and the voter or any candidate on the ballot shall be permitted to present evidence to refute the challenge. The process to be followed for this procedure shall be as established by the secretary of state and set forth in the manual on the New Hampshire election laws and procedures for conducting elections.

3 Board of Recount; Affidavit Challenges. Amend RSA 669:32 to read as follows:

669:32 Board of Recount.

I. At the time and place so appointed and notified, the clerk shall publicly break the seal of and open the package in which the ballots of said election are kept; and, thereupon, said ballots shall be recounted by the clerk, the moderator, and the selectmen of said town who shall constitute the board of recount. Any member of the board of recount who is one of the candidates for the office being recounted shall disqualify himself or herself from the board of recount for all official duties of said board. The moderator shall appoint an assistant who shall take the same oath as, serve in the same capacity as, and have all the powers of the recount official whom he or she has replaced.

II. Any person may challenge a ballot being recounted by stating reasons satisfactory to the board of recount why the voter’s citizenship or domicile affidavit is inaccurate. The board of recount shall notify the voter whose ballot is challenged, and the voter or any candidate on the ballot shall be permitted to present evidence to refute the challenge. The process to be followed for this procedure shall be as established by the secretary of state and set forth in the manual on the New Hampshire election laws and procedures for conducting elections.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a procedure for marking the ballots of voters who register on election day using citizenship or domicile affidavits. This bill also establishes a procedure for challenging the ballot of a person who presented an inaccurate citizenship or domicile affidavit.

Majority committee amendment adopted.

The question now being adoption of the majority committee report.

Reps. Weed, Marjorie Smith and Vaillancourt spoke against.

Rep. O’Brien spoke in favor and yielded to questions.

Rep. Whalley spoke in favor.

Rep. Clemons requested a roll call; sufficiently seconded.

Without objection, the Chair ordered that HB 722, relative to the spreading of biosolids in certain designated areas, be made a Special Order for Thursday, February 2, 2006 as the first order of business. Motion adopted.

SPECIAL ORDER

REGULAR CALENDAR

SPECIAL ORDERS (CONT’D.)

HB 541, relative to repealing the incorporation of the New Hampshire Bar Association. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Stephen J. Shurtleff for the Majority of Judiciary: This bill seeks to revoke the corporate charter of the New Hampshire Bar Association and confiscate its assets due to the sponsor’s erroneous belief that the association is an illegal monopoly. However, extensive testimony and legal
research refuted this notion, and in fact, case law in New Hampshire and in most, if not all, jurisdictions affirm that mandatory bar associations are not illegal monopolies within the meaning of the law. Additionally, the minority mistakenly believes that the Bar Association regulates the practice of law. This is simply not correct. The Supreme Court, through rules and court committees, regulates the practice of law in this state. The majority of the committee could find no justification of revoking the charter, let alone confiscating its assets, without giving the association the benefit of due process of law. It is simply not the New Hampshire way. Vote 13-7.

Rep. Robert D. Mead for the Minority of Judiciary: This bill seeks to repeal the corporate charter granted to the New Hampshire Bar Association by the Legislature in 1873 on the basis of some very valid concerns. The legal system and the courts established by our Constitution are intended to protect the public and private rights of our citizens by providing remedies and redress when those rights have been violated. Over time, however, our legal system has come under the indirect control of a private fraternal organization through mandatory membership in, and regulation of those who practice law by that private organization. This obligatory membership and regulation has extended to including the very judges presiding over the courts established to protect and administer justice for our citizens. Originally founded as chartered on the basis of its being – an independent fraternal corporation organized to pursue improvement of the administration of justice as determined by its membership, the Association has become a monopoly in violation of Article 83, Part Second. This has occurred because, the Supreme Court, which already regulated admission of attorneys to the practice of law, some 35 years ago made membership in the Association mandatory for all attorneys. The monopoly power illegally conferred on the Association has led to a situation in which the legal system established by the New Hampshire Constitution to protect the rights of, and to provide remedies and redress for its citizens has come in no small part under the indirect control of this corporation, whose officers are neither employees of the state, nor elected to their position by the citizens of New Hampshire. Slowly, over time and through various legislative actions and administrative rulings by the Supreme Court, controlling influences in some judicial and executive branch policies and practices have been granted to this private organization. Unique among professional organizations, it has become an authorized licensing board along with the other state and municipal agencies (RSA 161-B:2 X). This private organization determines who is qualified to satisfy some “members only” appointments by Governor and Executive Council (RSA 494:1 VIII, IX) and contracts issued for public defenders are subject to approval by its board of governors, to whose deliberations the public has no right of access (RSA 604-B:4). To further protect their unique position, New Hampshire Bar Association members are exempt from the state licensing required of members of other professions, such as physicians, dentists, insurance agents, realtors, and the skilled trades. The administrative controls that have been woven into the fabric of our state government by this private fraternal organization strike at the very heart of a free, open and representative government and the legal system and set New Hampshire apart from our neighboring New England states of Maine, Vermont, Connecticut, and Massachusetts.

Rep. Lars Christiansen spoke against.

On a division vote, 269 members having voted in the affirmative and 29 in the negative, the majority committee report was adopted.

Reps. Coughlin and Peter Sullivan declared a conflict of interest and did not participate.

HB 626-FN-L, relative to the right-to-know law. OUGHT TO PASS WITH AMENDMENT.

Rep. Cynthia J. Dokmo for Judiciary: This bill updates the Right to Know law to reflect new types of communications created by advancements in technology, such as the Internet and sophisticated phone systems. It neither broadens nor narrows the reach of existing law, but simply acknowledges these new forms of communications and clarifies when they are subject to the law. The update was the product of a two year study by a commission formed specifically by the legislature to address modern technology. The commission continues to meet with the object of updating other provisions of the Right to Know law, such as copy costs and penalties. It expects to file additional legislation in the next term. However, all parties agree that it was essential to make the changes proposed in the current bill, to clarify issues related to new types of communications. Vote 20-0.

Amendment (0153h)
Amend RSA 91-A:1-a, V(b) as inserted by section 3 of the bill by replacing it with the following:
(b) The executive council and the governor with the executive council; including any advisory committee established by the governor by executive order or by the executive council;
Amend RSA 91-A:2 as inserted by section 4 of the bill by replacing it with the following:

91-A:2 Meetings Open to Public.

I. For the purpose of this [section] chapter, a “meeting” [shall mean] means the convening of a quorum of the membership of a public body, as [provided] defined in RSA 91-A:1-a, [to discuss or act] whether in person, by means of telephone or electronic communication, or in any other manner such that all participating members are able to communicate with each other contemporaneously, for the purpose of discussing or acting upon a matter or matters over which the public body has supervision, control, jurisdiction or advisory power. A chance, social, or other encounter not convened for the purpose of discussing or acting upon such matters shall not constitute a meeting if no decisions are made regarding such matters. However, if any such matters are discussed among a quorum of the body, the discussion shall be disclosed at the next meeting of the body. “Meeting” shall also not include:

[(a) Any chance meeting or a social meeting neither planned nor intended for the purpose of discussing matters relating to official business and at which no decisions are made; however, no such chance or social meeting shall be used to circumvent the spirit of this chapter;
(b) (a) Strategy or negotiations with respect to collective bargaining;
(c) (b) Consultation with legal counsel; or
(d) (c) A caucus consisting of elected members of a public body of the same political party who were elected on a partisan basis at a state general election or elected on a partisan basis by a town or city which has adopted a partisan ballot system pursuant to RSA 669:12 or RSA 44:2[-]; or
(e) (d) Circulation of draft documents which, when finalized, are intended only to formalize decisions formerly made in a meeting.

II. [All public proceedings shall be open to the public, and all persons shall be permitted to attend any meetings of those bodies or agencies.] Subject to the provisions of RSA 91-A:3, all meetings shall be open to the public. Except for town meetings, school district meetings and elections, no vote while in open session may be taken by secret ballot. Any person shall be permitted to use recording devices, including, but not limited to, tape recorders, cameras and videotape equipment, at such meetings. Minutes of all such meetings, including names of members, persons appearing before the public bodies [or agencies], and a brief description of the subject matter discussed and final decisions, shall be promptly recorded and open to public inspection within 144 hours of the [public] meeting, except as provided in RSA 91-A:6, and shall be treated as permanent records of any public body [or agency], or any subordinate body thereof, without exception. Except in an emergency or when there is a meeting of a legislative committee, a notice of the time and place of each such meeting, including a nonpublic session, shall be posted in 2 appropriate places, one of which may be the public body’s Internet website, if such exists, or shall be printed in a newspaper of general circulation in the city or town at least 24 hours, excluding Sundays and legal holidays, prior to such meetings. An emergency shall mean a situation where immediate undelayed action is deemed to be imperative by the chairman or presiding officer of the public body [or agency] who shall post a notice of the time and place of such meeting, as soon as practicable, and shall employ whatever further means are reasonably available to inform the public that a meeting is to be held. The minutes of the meeting shall clearly spell out the need for the emergency meeting. When a meeting of a legislative committee is held, publication made pursuant to the rules of the house of representatives or the senate, whichever rules are appropriate, shall be sufficient notice. If the charter of any city or guidelines or rules of order of any public body [or agency described in RSA 91-A:1-a] require a broader public access to official meetings and records than herein described, such charter provisions or guidelines or rules of order shall take precedence over the requirements of this chapter.

Amend the bill by replacing sections 7 and 8 with the following:

7 New Section; Communications Outside Meetings. Amend RSA 91-A by inserting after section 2 the following new section:

91-A:2-a Communications Outside Meetings.

I. Any communications outside a meeting, in whatever form, among a quorum of the membership of a public body which bear upon matters over which the body has supervision, control, jurisdiction, or advisory power shall be disclosed at the next meeting of the body before any decision may be made, including a decision not to act. If such communications are in writing, copies or printouts shall be made a part of the public record. Communications among less than a quorum of members need not be disclosed. Communications described in RSA 91-A:2, I(a)-(d) are not subject to the disclosure requirements of this paragraph.

II. Communications outside a meeting shall not be used to circumvent the spirit of this chapter.

8 Effective Date. This act shall take effect July 1, 2006.
AMENDED ANALYSIS

This bill clarifies the manner in which the right-to-know law applies to both governmental records kept in electronic form and electronic communication used to transact governmental business. Amendment adopted.

The question now being adoption of the committee report.
Rep. Thomas spoke in favor and yielded to questions.

and the committee report was adopted.
Ordered to third reading.

SPECIAL ORDER
Without objection, the Speaker ordered that the remaining bills on today’s calendar be made Special Orders for February 2, 2006.

RESOLUTION
Rep. O’Neil offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 2, 2006 at 9:30 a.m.
Adopted.

LATE SESSION
Third reading and final passage
HB 1135, making a technical correction to the Uniform Interstate Family Support Act.
HB 1214, establishing a study committee to identify and assess community-based, educational and social/human services programs that serve families with children 8 years old and younger.
HB 1285, making certain technical corrections to the adoption statute.
HB 1489, relative to school emergency response plans.
HB 1539, establishing a committee to study the shortage in speech language services and the criteria for certification as a speech language specialist.
HB 1118, requiring paper ballots at all elections.
HB 1122, relative to special elections.
HB 1147, relative to the conduct of recounts.
HB 1166, relative to electronic ballot counting machines.
HB 1283, relative to sheep and goat identification requirements.
HB 1296, relative to the voluntary scrapie flock certification program.
HB 1185, relative to Volunteer NH.
HB 1498, establishing a risk management unit within the department of administrative services and relative to the rulemaking authority of the department of administrative services.
HB 1503, relative to financial programs administered by the postsecondary education commission.

HB 688-FN, relative to the regulation of mental health practitioners and the procedures of the board of mental health.

HB 1226-FN, relative to the New Hampshire Humanities Council.

HB 1115, relative to the definition of resident for purposes of fish and game laws.

HB 1605-FN, relative to transfers from prepaid fish and game license fund.

HB 1657, establishing a wildlife legacy initiative for gifts and donations for fish and wildlife conservation programs.

HB 1658, relative to authorizing agreements by the fish and game department with nonprofit partners for the purpose of accepting gifts, grants, bequests, or donations to further department goals.

HB 1659, relative to the use of certain small caliber firearms in taking wildlife.

HB 1121-L, establishing a committee to study rulemaking and licensure issues relative to assisted living and residential care.

HB 1204, relative to human immunodeficiency virus education, prevention and control.

HB 1220, establishing a committee to study a statewide review of all unanticipated fatalities and serious injury involving incapacitated adults and individuals 60 years of age or older.

HB 1279, establishing a commission to study state medicaid reimbursement.

HB 1332, establishing a commission to study health care in New Hampshire correctional facilities.

HB 1461, establishing a task force to study Temporary Assistance to Needy Families (TANF) benefits.

HB 1119, relative to naming the Richard Monahan Bridge in the town of Carroll.

HB 1198, establishing a committee to study highway rest areas.

HB 1228-FN, relative to the sale or lease of state-owned real estate.

HB 1468-FN-L, relative to Reservoir Road in the town of Deering and Lyme Road in the town of Hanover.

HB 1471-FN, repealing the statutes relative to regional highway conferences.

HB 1688, prohibiting the use of gasoline-powered watercraft on Head’s Pond in Hooksett.

HB 1579, relative to membership of the air resources council.

HJR 22, a resolution in recognition and support of New Hampshire’s participation in the Experimental Program to Stimulate Competitive Research.

HB 716-FN, relative to securities regulation.

HB 1179, repealing a requirement that the department of transportation spend a certain amount for litter removal that is determined based on fees paid to the liquor commission.

HB 76, relative to distribution of state aid to charter schools.

HB 278-L, relative to the alternative budget procedure in school administrative units.

HB 345, requiring photo identification to obtain a ballot.

HB 347, relative to indicating citizenship on drivers’ licenses and nondrivers’ identification cards.

HB 391, relative to election affidavits.

HB 621-FN, requiring disclosure of gifts and campaign contributions by lobbyists.

HB 626-FN-L, relative to the right-to-know law.

UNANIMOUS CONSENT

Reps. Easson, Craig, Mirski, and Daniel Eaton addressed the House.

Without objection, the Chair so ordered.

REMARKS

Rep. Easson: Thank you, Mr. Speaker. Last week, New Hampshire marked the 20th anniversary of a national tragedy that affected this state deeply. When the space shuttle Challenger was lost on January 28, 1986, America and New Hampshire grieved for a dedicated teacher and noble explorer in Christa McAuliffe. She embodied the high ideals, work ethic, and passion that has motivated ordinary people to do extraordinary things so many times in our history.

But high ideals and extraordinary feats are not always without pain and sacrifice. The Challenger crew was not the first lost in America’s space program, and sadly, they were not the last. Seventeen dedicated men and women have sacrificed to their last full measure in pursuit of reaching out to embrace the mysteries and wonders of space. Coincidentally, the anniversaries of those events are strikingly close together.

Let us also remember that January 27 marked 39 years since Apollo I in which we lost Edward White, Gus Grissom and Roger Chaffee. Twenty years ago on January 28th, Dick Scobee, Michael J. Smith,
Judith A. Resnik, Ronald E. McNair, Ellison S. Onizuka and Gregory B. Jarvis were killed alongside Christa McAuliffe on Challenger. And today, February 1st, marks three years since the space shuttle Columbia was destroyed on re-entry killing Rick D. Husband, William C. McCool, Michael P. Anderson, David M. Brown, Kalpana Chawla, Laurel Blair Salton Clark, and Ilan Ramon. I would like to conclude with a portion of the remarks made to the nation by President Ronald Reagan on the day we lost Challenger.

"I want to say something to the school children of America who were watching the live coverage of the shuttle’s takeoff. I know it is hard to understand, but sometimes painful things like this happen. It’s all part of the process of exploration and discovery. It’s all part of taking a chance and expanding man’s horizons. The future doesn’t belong to the fainthearted; it belongs to the brave. The Challenger crew was pulling us into the future, and we’ll continue to follow them. The crew of the space shuttle Challenger honored us by the manner in which they lived their lives. We will never forget them, nor the last time we saw them this morning, as they prepared for their journey and waved goodbye and “slipped the surly bonds of earth” to “touch the face of God.” Thank you, Mr. Speaker. I ask that the House pause to observe a moment of silence.

RECESS MOTION
Rep. O’Neil moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 6:20 p.m.

RECESS

(REP. LARS CHRISTIANSEN IN THE CHAIR)
RESOLUTION
Rep. DiFruscia offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 1770, shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL
First, second reading and referral

HB 1770, requiring the state to obtain a warrant for telephone and wireless telephone subscriber or customer information and billing records. (Kurk, Hills 7: Judiciary)

ENROLLED BILL AMENDMENT

SB 72, relative to the licensing of public adjusters. (Amendment printed SJ 02/09/06)
Adopted.

SENATE MESSAGE
CONCURRENCES

HB 1184, relative to the majority vote required for the use of bond proceeds in certain school districts or municipalities.

HB 1248-FN, relative to the alteration of a portion of the town line between Milford and Amherst.

HB 1262, legalizing actions taken at town meeting relative to increasing the board of selectmen from 3 members to 5 members in the town of Pittsfield.

RECESS

(Speaker Scamman in the Chair)
Rep. Weyler moved that the House adjourn.
Adopted.
The House assembled at 9:30 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day’s opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

Remind us, O God, when it feels as though our work is never done, that Your work is endless, and that in some small way, often unbeknownst to us, we can be vessels for the divine work to which You call us: building community, providing for all, legislating justice, working toward peace, and offering opportunities which allow all of Your children to lead meaningful and rewarding lives.

In that knowledge, give us renewed energy today as we tackle the issues we did not get to yesterday: issues concerning taxation, speed limits and safety, municipal finance, and more. Give us a sense of gratitude for this burden of leadership we carry, knowing that with the responsibility comes the knowledge that we have provided for others.

Bless those here in this chamber who are in need of support or care this day. Bless the family members and friends who are in need and bless especially, we pray, the poor, the homeless, the addicted and the forgotten. In Your Holy name, we ask it. Amen

Rep. John W. Flanders, Sr., member from Kingston, led the Pledge of Allegiance.

The National Anthem was sung by members of the Epping Middle and High School Chorus.

LEAVES OF ABSENCE

Reps. Aboshar, Barker, Carlson, Gillick, Hunter, Putnam, Snyder, Weldy and Wiley, the day, illness.

Reps. Janet Allen, Bleyler, Buhlman, Dalrymple, Daniuk, Egbers, Goley, Hollinger, Introne, Mirski, Moore, Morneau, Morris, Naro, Osgood, Pepino, Priestly, Ross and Zolla, the day, important business.

Rep. MaryAnn Blanchard, the day, illness in the family.

Rep. Souza, the day, death in the family.

INTRODUCTION OF GUESTS

REGULAR CALENDAR

SPECIAL ORDERS

HB 722, relative to the spreading of biosolids in certain designated areas. WITHOUT RECOMMENDATION.

Rep. Babson moved Ought to Pass with Amendment and offered floor amendment (0270h).

Floor Amendment (0270h)

Amend the bill by replacing all after section 4 with the following:

5 New Subdivision; Biosolids, Septage, Short Paper Fiber, Sludge, and Solid Waste. Amend RSA 483 by inserting after section 15 the following new subdivision:

Biosolids, Septage, Short Paper Fiber, Sludge, and Solid Waste

483:16 Definitions. In this chapter:

I. "Biosolids" mean biosolids as defined in RSA 485-A:2, XXII.

II. "Septage" means septage as defined in RSA 485-A:2, IX-a.

III. "Short paper fiber" means short paper fiber as defined in RSA 485-A:2, XXIII.

IV. "Sludge" means sludge as defined in RSA 485-A:2, XI-a.

V. "Solid waste" means solid waste as defined in RSA 149-M:4, XXII.

I. Within a protected river corridor, any land application or stockpiling of biosolids, septage, short paper fiber, sludge, and solid waste shall be set back a minimum of 250 feet from the normal high water mark of the protected river.
II. Along tributaries within a protected river corridor and outside the 250-foot setback required under paragraph I:

(a)(1) If immediately incorporated into the soil, any land application of biosolids, septage, short paper fiber, sludge, and solid waste shall be set back a minimum of 75 feet from the normal high water mark of the tributary on land which has a slope less than 15 percent; or

(2) If not immediately incorporated in the soil, the application shall be set back 125 feet from the normal high water mark of the tributary on land which has a slope less than 15 percent, and shall only be applied to established forage crops.

(b) Any stockpiling of biosolids, septage, short paper fiber, sludge, and solid waste shall be set back a minimum of 250 feet from the normal high water mark of the tributary.

III. The provisions of this section shall not apply to biosolids that are sold for home gardening use in consumer packages registered as fertilizers under RSA 431:4 and that weigh 100 pounds or less.

483:18 Exception; Manure, Lime, and Wood Ash. The provisions of RSA 483:17 shall not apply to manure, lime, or wood ash, when used for agricultural purposes.

483:19 Exception: Temporary Use Authorization. The provisions of RSA 483:17 shall not apply to biosolids, septage, short paper fiber, sludge, and solid waste when applied to existing land application sites exempt under 1998, 56:6, as amended by 2003, 43:14, unless the required departmental permit issued under applicable rules is not renewed, is revoked, or is allowed to lapse.

483:20 Exception; Scientific Research. The restrictions on the land application of biosolids, septage, short paper fiber, sludge, and solid waste contained in this subdivision shall not apply to qualifying land that is used for scientific research on biosolids, septage, short paper fiber, sludge, and solid waste conducted by the university of New Hampshire and the New Hampshire department of environmental services. Any continued application of biosolids, septage, short paper fiber, sludge, and solid waste pursuant to this section shall comply with all applicable federal and state laws and any best management practices published by the university of New Hampshire cooperative extension.

6 Effective Date. This act shall take effect 60 days after its passage.

Reps. Essex and Babson spoke in favor.

Rep. Olimpio spoke against.

Rep. Owen spoke against and yielded to questions.

Rep. Essex requested a roll call; sufficiently seconded.

HB 657-FN-L, relative to promoting community revitalization. OUGHT TO PASS WITH AMENDMENT.

Rep. Robert L. Theberge for Municipal and County Government: The intent of this bill is to enable a municipality to grant short-term property tax relief as another economic tool to enhance the downtown areas. This bill allows municipalities to grant an owner of a building in a designated village center area of the municipality to apply for tax relief while improving the structure. The cost of the improvement must be at least $75,000. The initial tax relief will be in the form of freezing the property assessment at its current value for the duration of the improvement not to exceed five years. At the expiration of the relief period, the building will then be assessed at the improved value. If the improvement results in new residential units or has historical or cultural features, the tax relief may be extended after the initial five years. Once the governing body of the municipality receives the application, it shall hold a public hearing on the matter. Tax relief for a qualifying structure shall be effective when the governing body finds that the structure in question will be (1) a public benefit, (2) the property owner agrees to a covenant granted to the municipality, and (3) the proposed use of the structure after rehabilitation is consistent with the master plan of the municipality. The covenant shall include precise terms and duration of the tax relief as well as those requirements of the owner to maintain the building at a certain level for a set timeframe. If the owner of the building fails to follow the terms of the covenant or other requirements, the governing body of the municipality shall assess all taxes to the owner as though no tax relief was granted. Vote 15-0.

Amendment (0039h)
Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Community Revitalization Tax Relief Incentive. Amend RSA by inserting after chapter 79-D the following new chapter:

CHAPTER 79-E
COMMUNITY REVITALIZATION TAX RELIEF INCENTIVE

79-E:1 Declaration of Public Benefit.
I. It is declared to be a public benefit to enhance downtowns and town centers with respect to economic activity, cultural and historic character, sense of community, and in-town residential uses that contribute to economic and social vitality.

II. It is further declared to be a public benefit to encourage the rehabilitation of the many underutilized structures in urban and town centers as a means of encouraging growth of economic, residential and municipal uses in a more compact pattern, in accordance with RSA 9-B.

III. Short-term property assessment tax relief and a related covenant to protect public benefit as provided under this chapter are considered to provide a demonstrated public benefit if they encourage substantial rehabilitation and use of qualifying structures as defined in this chapter.

79-E:2 Definitions. In this chapter:
I. “Qualifying structure” means a building located in a district officially designated in a municipality’s master plan, or by zoning ordinance, as a downtown, town center, central business district, or village center, or, where no such designation has been made, in a geographic area which, as a result of its compact development patterns and uses, is identified by the governing body as the downtown, town center, or village center for purposes of this chapter.

II. “Substantial rehabilitation” means rehabilitation of a qualifying structure which costs at least 15 percent of the pre-rehabilitation assessed valuation or at least $75,000, whichever is less.

III. “Tax relief” means that for a period of time determined by a local governing body in accordance with this chapter, the property tax on a qualifying structure shall not increase as a result of the substantial rehabilitation thereof.
IV. “Tax relief period” means the finite period of time during which the tax relief will be effective, as determined by a local governing body pursuant to RSA 79-E:5.

79-E:3 Adoption of Community Revitalization Tax Relief Incentive Program

I. Any city or town may adopt the provisions of this chapter by voting whether to accept for consideration requests for community revitalization tax relief incentives. Any city or town may do so by following the procedures in this section.

II. In a town, other than a town that has adopted a charter pursuant to RSA 49-D, the question shall be placed on the warrant of a special or annual town meeting, by the governing body or by petition under RSA 39:3.

III. In a city or town that has adopted a charter under RSA 49-C or RSA 49-D, the legislative body may consider and act upon the question in accordance with its normal procedures for passage of resolutions, ordinances, and other legislation. In the alternative, the legislative body of such municipality may vote to place the question on the official ballot for any regular municipal election.

IV. If a majority of those voting on the question vote “yes,” applications for community revitalization tax relief incentives may be accepted and considered by the local governing body at any time thereafter, subject to the provisions of paragraph VI of this section.

V. If the question is not approved, the question may later be voted on according to the provisions of paragraph II or III of this section, whichever applies.

VI. The local governing body of any town or city that has adopted this program may consider rescinding its action in the manner described in paragraph II or III of this section, whichever applies. A vote terminating the acceptance and consideration of such applications shall have no effect on incentives previously granted by the city or town, nor shall it terminate consideration of applications submitted prior to the date of such vote.

79-E:4 Community Revitalization Tax Relief Incentive.

I. An owner of a qualifying structure who intends to substantially rehabilitate such structure may apply to the governing body of the municipality in which the property is located for tax relief. The applicant shall include the address of the property, a description of the intended rehabilitation, any changes in use of the property resulting from the rehabilitation, and an application fee.

II. Upon receipt of an application, the governing body shall hold a duly noticed public hearing to take place no later than 60 days from receipt of the application, to determine whether the structure at issue is a qualifying structure; whether the proposed rehabilitation qualifies as substantial rehabilitation; and whether there is a public benefit to granting the requested tax relief and, if so, for what duration.

III. No later than 45 days after the public hearing, the governing body shall render a decision granting or denying the requested tax relief and, if so granting, establishing the tax relief period.

IV. (a) The governing body may grant the tax relief, provided:

(1) The governing body finds a public benefit under RSA 79-E:7; and

(2) The specific public benefit is preserved through a covenant under RSA 79-E:8; and

(3) The governing body finds that the proposed use is consistent with the municipality’s master plan or development regulations.

(b) If the governing body grants the tax relief, the governing body shall identify the specific public benefit achieved under RSA 79-E:7, and shall determine the precise terms and duration of the covenant to preserve the public benefit under RSA 79-E:8.

V. If the governing body, in its discretion, denies the application for tax relief, such denial shall be accompanied by a written explanation. The governing body’s decision may be appealed to the board of tax and land appeals or the superior court in the same manner as provided for appeals of current use classification pursuant to RSA 79-A:9 or 79-A:11 provided, however, that such denial shall be deemed discretionary and shall not be set aside by the board of tax and land appeals or the superior court except for bad faith or discrimination.

79-E:5 Duration of Tax Relief Period.

I. The governing body may grant such tax assessment relief for a period of up to 5 years, beginning with the completion of the substantial rehabilitation.

II. The governing body may in its discretion add up to an additional 2 years of tax relief for a project that results in new residential units and up to 4 years for a project that includes affordable housing.

III. The governing body may in its discretion add up to an additional 4 years of tax relief for the substantial rehabilitation of a qualifying structure that is listed on or determined eligible for listing.
on the National Register of Historic Places, state register of historic places, or is located within and important to locally designated historic district, provided that the substantial rehabilitation is conducted in accordance with the U.S. Secretary of Interior’s Standards for Rehabilitation.

79-E:6 Resumption of Full Tax Liability. Upon expiration of the tax relief period, the property shall be taxed at its market value in accordance with RSA 75:1.

79-E:7 Public Benefit. The proposed substantial rehabilitation must provide at least one of the following public benefits in order to qualify for tax relief under this chapter:

I. It enhances the economic vitality of the downtown
II. It enhances and improves a structure that is culturally or historically important on a local, regional, state, or national level, either independently or within the context of an historic district, town center, or village center in which the building is located;
III. It promotes development of municipal centers, providing for efficiency, safety, and a greater sense of community, consistent with RSA 9-B; or
IV. It increases residential housing in urban or town centers.

79-E:8 Covenant to Protect Public Benefit.

I. Tax relief for the substantial rehabilitation of a qualifying structure shall be effective only after a property owner grants to the municipality a covenant ensuring that the structure shall be maintained and used in a manner that furthers the public benefits for which the tax relief was granted.

II. The covenant shall be coextensive with the tax relief period. The covenant may, if required by the governing body, be effective for a period of time up to twice the duration of the tax relief period.

III. The covenant shall include provisions requiring the property owner to obtain casualty insurance, and flood insurance if appropriate. The covenant may include, at the governing body’s sole discretion, a lien against proceeds from casualty and flood insurance claims for the purpose of ensuring proper restoration or demolition or damaged structures and property. If the property owner has not begun the process of restoration, rebuilding, or demolition of such structure within one year following damage or destruction the property owner shall be subject to the termination of provisions set forth in RSA 79-E:9, I.

IV. The local governing body shall provide for the recording of the covenant to protect public benefit with the registry of deeds. It shall be a burden upon the property and shall bind all transferees and assignees of such property.

V. The applicant shall pay any reasonable expenses incurred by the municipality in the drafting, review and/or execution of the covenant. The applicant also shall be responsible for the cost of recording the covenant.

79-E:9 Termination of Covenant; Reduction of Tax Relief; Penalty.

I. If the owner fails to maintain or utilize the building according to the terms of the covenant, or fails to restore, rebuild, or demolish the structure following damage or destruction as provided in RSA 79-E:8, III, the governing body shall, after a duly noticed public hearing, determine whether and to what extent the public benefit of the rehabilitation has been diminished and shall determine whether to terminate or reduce the tax relief period in accordance with such determination. If the covenant is terminated, the governing body shall assess all taxes to the owner as though no tax relief was granted, with interest in accordance with paragraph II.

II. Any tax payment required under paragraph I shall be payable according to the following procedure:

(a) The commissioner of the department of revenue administration shall prescribe and issue forms to the local assessing officials for the payment due, which shall provide a description of the property, the market value assessment according to RSA 75:1, and the amount payable.
(b) The prescribed form shall be prepared in quadruplicate. The original, duplicate, and triplicate copy of the form shall be given to the collection of taxes for collection of the payment along with a special tax warrant authorizing the collector to collect the payment under the warrant. The quadruplicate copy of the form shall be retained by the local assessing officials for their records.
(c) Upon receipt of the special tax warrant and prescribed forms, the tax collector shall mail the duplicate copy of the tax bill to the owner responsible for the tax as the notice of payment.
(d) Payment shall be due not later than 30 days after the mailing of the bill. Interest at the rate of 18 percent per annum shall be due thereafter on any amount not paid within the 30-day period. Interest at 12 percent per annum shall be charged upon all taxes that would have been due and payable on or before December 1 of each tax year as if no tax relief had been granted.

79-E:10 Lien for Unpaid Taxes. The real estate of every person shall be held for the taxes levied pursuant to RSA 79-E:9.
79-E:11 Enforcement. All taxes levied pursuant to RSA 79-E:9 which are not paid when due shall be collected in the same manner as provided in RSA 80:1 – 80:42-a.

79-E:12 Rulemaking. The commissioner of the department of revenue administration shall adopt rules, pursuant to RSA 541-A, relative to the payment and collection procedures under RSA 79-E:9.

79-E:13 Extent of Tax Relief.

I. Tax relief granted under this chapter shall pertain only to assessment increases attributable to the substantial rehabilitation performed under the conditions approved by the governing body and not to those increases attributable to other factors including but not limited to market forces; or

II. Tax relief granted under this chapter shall be calculated on the value in excess of the original assessed value. Original assessed value shall mean the value of the qualifying structure assessed at the time the governing body approves the application for tax relief and the owner grants to the municipality the covenant to protect public benefit as required in this chapter.

79-E:14 Other Programs. The provisions of this chapter shall not apply to properties whose rehabilitation or construction is subsidized by state or federal grants or funds that do not need to be repaid totaling more than 50 percent of construction costs from state or federal programs.

Rep. Hughes spoke against.
Rep. Kurk spoke against and yielded to questions.
Rep. Patten spoke in favor and yielded to questions.
Rep. Hughes requested a roll call; sufficiently seconded.

and the committee amendment was adopted.

Committee report adopted and ordered to third reading.

Rep. Baroody and Mirski declared a conflict of interest and did not participate.

(Deputy Speaker Weyler in the Chair)

SB 104-FN, relative to the tax exemption for water and air pollution control facilities. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Eric G. Stohl for the Majority of Municipal and County Government: Currently there is an exemption from the local property tax for any treatment facility, device, appliance or installation that has the effect of reducing, controlling or eliminating any source of water and air pollution. This property tax exemption is granted in RSA 72:12-a. Originally, this exemption was granted in 1971, prior to the Federal clean air and water acts, and was for a specific time of 25 years. This enabled the industry, if a by-product of the facility created pollutants that might affect water or air, to use pollution control devices to help make our water and air cleaner. The application process for this exemption was made to the Department of Environmental Services (DES). A thorough review of the device and the amount of pollution that was controlled was done by DES and a percentage of the value of the device that was eligible for the tax exemption was determined. Then the applicant and the municipality were notified. The statute requires that the local assessor shall appraise the device every year and report that assessment to the Department of Revenue Administration (DRA).

In 1996, there was a change in the time period that this exemption would be valid – forever or as
long as the pollution control device was reducing, controlling or eliminating pollution. This amendment changes the time period to "until reimbursement for the investments costs are recovered by accumulation of value through this property tax exemption." A further restriction on this tax exemption was adopted that the exemption "shall not exceed 25 percent of the applicant's total assessed value of the facility at the time of the exemption." We all know that air and water pollution is part of our everyday lives and cleaning up that pollution is a duty and obligation that we all share. That is why we encourage everyone to recycle, reduce and reuse. As with any tax exemption, the other taxpayers in the community pick up the cost of the exemption - whether it is for elderly, veterans or pollution control devices. The difference here is that the municipality has no vote in granting or denying the pollution control device tax exemption. We also all agree that clean air and water benefit everyone in the state, not just the municipality where the device is located. This amendment is intended to bring a balance to the need for clean air and water, businesses and our local taxpayer. The amendment also shifts the requirement for assessing these pollution control devices from the local municipality to the DRA, so that the information gathered is correct and available when decisions regarding the pollution control device tax exemption are needed. The committee is aware that balance is necessary in order to have continued support for businesses to grow and prosper in New Hampshire. Vote 13-3.

Rep. Robert L. Theberge for the Minority of Municipal and County Government: The intent of this legislation was to resolve the on-going dispute which exists between the town of Bethlehem and a privately owned landfill. Although this bill aimed to help municipalities facing fiscal problems by dramatically reducing the amount of tax exemptions from which businesses currently benefit through the investment and installation of pollution control devices, the bill undermines years of good business working relationships between the state and industry. The minority believes that New Hampshire would lose its competitive advantage. By the reduction of tax exemptions, businesses may be forced either to downsize which would create a loss of jobs, increase the number of weeks of downtime, and/or locate to another state having a better tax exemption structure. In essence, any short-term gain will be offset by one or all of the above. The minority is gravely concerned that changes to RSA 72:12-a would negatively impact economic development, jobs and the environment. It was unclear on how the amendment is to be interpreted. As a consequence, this bill may lead to unnecessary litigation.

Majority Amendment (0175h)

Amend the bill by replacing all after the enacting clause with the following:

I. Any person, firm, or corporation which builds, constructs, installs, or places in use in this state any treatment facility, device, appliance, or installation wholly or partly for the purpose of reducing, controlling, or eliminating any source of air or water pollution shall be entitled to have the value of said facility and any real estate necessary therefor, or a percentage thereof determined in accordance with this section, exempted from the taxes levied under this chapter for the period of years in which the facility, device, appliance, or installation is used in accordance with the provisions of this section until reimbursement for the investment costs are recovered by accumulation of value through this property tax exemption.

II. The party seeking the exemption shall file an application with the department of environmental services if the exemption sought is for a water pollution control facility or an air pollution control facility, with a copy to the taxing authorities in the municipality where the facility is situated. Said application shall describe the facilities and their function or functions and shall state the applicant's total investment therein and the portion allocable to each function, to be verified by the department of revenue administration. Any such exemption requested shall not exceed 25 percent of the applicant's total assessed value of the facility at the time of the exemption.

III. The department of environmental services shall investigate and determine whether the purpose of the facility is solely or only partially pollution control. If the department finds that the purpose of the facility is only partially pollution control it shall determine by an allocation of the applicant's investment in the facility what percentage of the facility is used to control pollution. In making its investigation, the department may inspect the facility and request such other information from the applicant as is reasonably necessary to assist it in making its determination.

IV. Upon making its determination, the department of environmental services shall notify the applicant, the department of revenue administration, and the taxing authorities of the municipality where the facility is situated whether the purpose of the facility is solely pollution control, or, if not, what percentage of the applicant's investment in the facility should be allocated to pollution control.
V. The department of revenue administration shall each year separately appraise and describe the facility and related real estate and cause such appraisal and description using the determination approved by the department of environmental services. Such appraisal shall be reported to the local taxing authorities to appear in their inventory. In accordance with the provisions of this section, the taxing authority shall exempt from the taxes levied under this chapter the appraised value of the facility and any real estate necessary therefor, or the exempt percentage thereof, determined by the department of environmental services. The exemption period shall begin as of the April 1 next following the receipt of the department's department of environmental services' determination. The department of revenue administration shall keep a record of the total of exemptions granted and shall provide the information to the owner of the facility, the municipality, and the general court annually.

VI. Either the municipality or, the owner of the facility, or the department of revenue administration may request a rehearing or appeal from such determination in accordance with the provisions of RSA 541.

2 Effective Date. This act shall take effect April 1, 2006.

AMENDED ANALYSIS

This bill limits the property tax exemption for water and pollution control facilities to the reimbursement of the amount of investment costs.

Majority committee amendment failed.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. O'Neil moved that the House reconsider its action whereby it failed to adopt the majority committee amendment on SB 104-FN, relative to the tax exemption for water and air pollution control facilities.

On a division vote, 209 members having voted in the affirmative and 113 in the negative, Reconsideration prevailed.

(Speaker Scamman in the Chair)

The question now being adoption of the majority committee amendment on SB 104.

Reps. Slocum and Theberge spoke against.

Rep. Dowd spoke in favor.

Rep. Stohl spoke in favor and yielded to questions.

Rep. King requested a roll call; sufficiently seconded.

RECESS

(Speaker Scamman in the Chair)

The House reconvened at 1:20 p.m.

SENATE MESSAGE

REQUESTS CONCURRENCE WITH AMENDMENT

HB 1402, establishing the standard of care for certain individuals or nonprofit entities in constructing, maintaining, or improving trails for public recreational use, and establishing a committee to study the standard of care applicable to landowners, lessees, and occupants for the use of public recreational land. (Amendment printed SJ 02/02/06)

Rep. Currier moved that the House concur.

Adopted.

REGULAR CALENDAR

SPECIAL ORDERS (CONT’D.)

HB 162, establishing boating speed limits for Lake Winnipesaukee. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. Dennis F. Abbott for the Majority of Resource, Recreation and Development: This bill, as amended, establishes a speed limit on all state waters, provides for violations to be included in a person’s driving record, and provides for enforcement of a “reasonable and prudent” standard of boat operation. This bill was introduced relative to Lake Winnipesaukee but it was agreed by most of the committee that applying it only to that lake could have the unintended consequence of unfairly diverting the speed problem to other public waters in the state. The bill also allows for public safety exceptions and approved and sanctioned races. Furthermore, a recent survey indicated a vast majority of New Hampshire residents favor a speed limit on all the state’s waterways. In addition to the initial hearing, the committee held three public hearings in the Lakes Region over the summer, attended by upwards of a thousand individuals. In addition, the committee received hundreds of letters and petitions from citizens. The committee then conducted four additional meetings, solicited additional testimony and discussed and debated the issue in an attempt to reach the consensus that has been the hallmark of the committee during the past year. There was unanimous agreement that there is a serious problem on our public waters with real or perceived threats to the safety and enjoyment of a large number of individuals and families. The committee explored and debated various solutions including further education, better enforcement, a variety of speed limits, more discretion for marine patrol officers, and limiting high speeds to
specific areas or times. The majority of the committee rejected the idea of merely applying a “reasonable and prudent” standard to speed enforcement because it would be confusing and unenforceable without a specific speed limit. Further, it would have little or no effect on boating safety. Expert testimony indicated that speed limits are enforceable, while the very low number of citations for “reckless operation” provide evidence that standards based on officer discretion are seldom used. In RSA 270:1 (II) the legislature states “...it is hereby declared that the public waters of New Hampshire shall be maintained and regulated in such a way as to provide for the safe and mutual enjoyment of a variety of uses, both from the shore and from water-borne conveyances.” The testimony of hundreds of residents, visitors, businesses and camp directors indicated that many do not feel this policy is being carried out satisfactorily. This is gradually undermining the desirability of New Hampshire as a safe place for individuals and especially families to recreate. Our public waters are reaching the point where there are just too many recreationists of all types to safely accommodate high speeds. In order to effectively enact the legislative policy, the time has come for New Hampshire to impose a reasonable speed limit on our waters. Vote 11-10.

Rep. D. L. Chris Christensen for the Minority of Resources, Recreation and Development: The key difference between the majority amendment and the minority amendment is that the majority wants an arbitrary 45mph day/25mph night speed limit on all New Hampshire waterways. The minority finds that the arbitrary speed limit is the wrong solution to a perceived problem. Consider this: Tourism is up. Boat registrations are up. Boating accidents have gone down over the last five years since mandatory safety education was introduced. No evidence was presented to the committee showing that speed limits have improved water safety records anywhere. Law enforcement officials testified that speed limits will be difficult to enforce and the public opinion was split. State Police and Marine Patrol. We have two separate and distinct organizations because they face different tasks and operate in different environments. Traffic on the highway travels in one direction, mostly at similar speeds, in similar vehicles. Boats travel in all directions with a variety of speeds. Motor vehicle right-of-way is controlled by signs and traffic lanes. Boat right-of-way is controlled by navigation rules. There is no comparison. The minority looks to the Coast Guard for unbiased expertise. Speed should be reasonable and prudent for existing conditions, without using an arbitrary number. This is the approach used by the United States Coast Guard for inland waters. Other states reference Coast Guard regulations as their benchmark. The minority is sensitive to those who testified that they are scared to go out on the lakes. New Hampshire’s waterways should be open to everyone. However, none of the incidents described would have been eliminated by the majority’s proposed speed limit. Better enforcement of current laws and stricter penalties for violators are the solutions that the minority of the committee, most of whom are avid and experienced boaters, bring forward in the minority amendment.

Majority Amendment (0057h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to general rules for vessels operating on water.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; General Rules for Vessels Operating on Water. Amend RSA 270-D:2 by inserting after paragraph IX the following new paragraphs:

X.(a) No person shall operate a vessel at a speed greater than is reasonable and prudent under the existing conditions and without regard for the actual and potential hazards then existing. In all cases, speed shall be controlled so that the operator will be able to avoid endangering or colliding with any person, vessel, object, or shore.

(b) Where no hazard exists that requires lower speed for compliance with subparagraph (a), the speed of any vessel in excess of the limit specified in this subparagraph shall be prima facie evidence that the speed is not reasonable or prudent and that it is unlawful:

1) 25 miles per hour during the period from 1/2 hour after sunset to 1/2 hour before sunrise; and

2) 45 miles per hour at any other time.

(c) The speed limitations set forth in subparagraph (b) shall not apply to vessels when operated with due regard for safety under the direction of the peace officers in the chase or apprehension of violators of the law or of persons charged with, or suspected of, any such violation, nor to fire department or fire patrol vessels, nor to private emergency vessels when traveling to emergencies. This exemption shall not, however, protect the operator of any such vessel from the consequences of a reckless disregard of the safety of others.
(d) The speed limitations set forth in subparagraph (b) shall not apply to boat racing permitted under RSA 270:27.

XI. Any conviction under this section shall be reported to the commissioner of the department of safety, division of motor vehicles, and shall become a part of the motor vehicle driving record of the person convicted.

2 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS
This bill establishes general speed limitations for vessels. This bill also requires that violations of the general rules for vessels operating on water become a part of the motor vehicle driving record of the person convicted.

MOTION TO LIMIT DEBATE
Rep. Barry moved that debate on HB 162, establishing boating speed limits for Lake Winnipesaukee, be limited to 20 minutes each side, including questions.

Rep. Vaillancourt amended the motion to allow 60 minutes each side, including questions. The Speaker announced a roll call vote.

## COOS

Merrick, Scott
MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. MacKay moved that the House reconsider its action whereby it adopted the motion to limit debate on HB 162, establishing boating speed limits for Lake Winnipesaukee, to 20 minutes each side, including questions.

On a division vote, 201 members having voted in the affirmative and 124 in the negative, Reconsideration prevailed.

The question now being shall debate on HB 162 be limited to 20 minutes each side, including questions.

Motion failed.

MOTION TO LAY ON THE TABLE

Rep. Rodeschin moved that HB 162, establishing boating speed limits for Lake Winnipesaukee, be laid on the table.

Rep. Gibson requested a roll call; sufficiently seconded.

</table>
and the majority committee amendment was adopted.

Rep. Patten offered floor amendment (0726h).

**Floor Amendment (0726h)**

Amend the title of the bill by replacing it with the following:

**AN ACT relative to general rules for vessels operating on water.**

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; General Rules for Vessels Operating on Water. Amend RSA 270-D:2 by inserting after paragraph IX the following new paragraph:

X.(a) No person shall operate a vessel at a speed greater than is reasonable and prudent under the existing conditions and without regard for the actual and potential hazards then existing. In all cases, speed shall be controlled so that the operator will be able to avoid endangering or colliding with any person, vessel, object, or shore.
(b) Where no hazard exists that requires lower speed for compliance with subparagraph (a), the speed of any vessel in excess of the limit specified in this subparagraph shall be prima facie evidence that the speed is not reasonable or prudent and that it is unlawful:

(1) 25 miles per hour during the period from 1/2 hour after sunset to 1/2 hour before sunrise; and

(2) 45 miles per hour at any other time.

c) The speed limitations set forth in subparagraph (b) shall not apply to vessels when operated with due regard for safety under the direction of the peace officers in the chase or apprehension of violators of the law or of persons charged with, or suspected of, any such violation, nor to fire department or fire patrol vessels, nor to private emergency vessels when traveling to emergencies. This exemption shall not, however, protect the operator of any such vessel from the consequences of a reckless disregard of the safety of others.

d) The speed limitations set forth in subparagraph (b) shall not apply to boat racing permitted under RSA 270:27.

2 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill establishes general speed limitations for vessels.

Rep. Patten spoke in favor.

On a division vote, 84 members having voted in the affirmative and 245 in the negative, floor amendment (0726h) failed.

Floor Amendment (0412h)

Amend RSA 270-D:2, X(c) as inserted by section 1 of the bill by replacing it with the following:

(c) The speed limitations set forth in subparagraph (b) shall not apply to ocean waters or to vessels when operated with due regard for safety under the direction of the peace officers in the chase or apprehension of violators of the law or of persons charged with, or suspected of, any such violation, nor to fire department or fire patrol vessels, nor to private emergency vessels when traveling to emergencies. This exemption shall not, however, protect the operator of any such vessel from the consequences of a reckless disregard of the safety of others.

Rep. Abbott spoke in favor and yielded to questions.

Rep. Currier spoke against and yielded to questions.

On a division vote, 239 members having voted in the affirmative and 99 in the negative, floor amendment (0412h) was adopted.

Rep. Chris Christensen offered minority committee amendment (0030h).

Minority Amendment (0030h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to safe operation of vessels on New Hampshire waters.

Amend the bill by replacing all after the enacting clause with the following:

1 Careless and Negligent Operation of Boats; Driving Record. Amend RSA 270:29-a to read as follows:

270:29-a Careless and Negligent Operation of Boats. Any person who shall operate a power boat upon any waters of the state in a careless and negligent manner or so that the lives and safety of the public are endangered shall be guilty of a misdemeanor. Any conviction under this section shall be reported to the commissioner of the department of safety, division of motor vehicles, and shall become a part of the motor vehicle driving record of the person convicted.

2 New Paragraph; General Rules for Vessels Operating on Water; Speed. Amend RSA 270-D:2 by inserting after paragraph IX the following new paragraph:

X. No person shall operate a vessel at a speed greater than is reasonable and prudent under the conditions and having regard to the actual and potential hazards then existing.

3 Boating and Water Safety; Penalties; Driving Record. Amend RSA 270-D:9 to read as follows:

270-D:9 Penalties. Any person who violates any provisions of this chapter or any rule adopted under RSA 270-D:8 shall be guilty of a violation. Any conviction under RSA 270-D:2 shall be reported to the commissioner of the department of safety, division of motor vehicles, and shall become a part of the motor vehicle driving record of the person convicted.

4 Effective Date. This act shall take effect January 1, 2007.
AMENDED ANALYSIS

This bill establishes a general standard for vessel operation speed. This bill also makes certain vessel operation violations a part of the convicted person’s driving record.

Rep. Chris Christensen spoke in favor and yielded to questions.

Rep. Dickinson spoke against.

Rep. Thomas spoke in favor.

MOTION TO LAY ON THE TABLE

Rep. Steven L’Heureux moved that HB 162, establishing boating speed limits for Lake Winnipesaukee, be laid on the table.

Regular Calendar
Special Orders (Cont'd.)

SB 140, relative to the acceptance of in-lieu payments for the restoration or creation of wetlands and the preservation of upland areas adjacent to wetland areas. Ought to pass with amendment.

Rep. Judith T. Spang for Resources, Recreation and Development: This bill establishes a mechanism for more meaningful mitigation for wetland disturbances of less than one acre or 200 feet of stream. Mitigation through very small scale wetland restoration or land conservation projects is ineffective ecologically and difficult for developers. By collecting and pooling fees from a number of small projects, larger wetland areas can be restored or conserved. The committee retained this bill to establish safeguards to ensure the program would be carried out properly. Vote 21-0.

Amendment (0075h)

Amend the bill by replacing all after the enacting clause with the following:

I. New Subdivision; Aquatic Resource Compensatory Mitigation. Amend RSA 482-A by inserting after section 27 the following new subdivision:

Aquatic Resource Compensatory Mitigation

482-A:28 Aquatic Resource Compensatory Mitigation. In lieu of requiring other forms of compensatory mitigation, the department may accept payment for an unavoidable loss of aquatic resource functions and values from a proposed activity which at a minimum:

I. Impacts less than one acre of wetlands and meets the criteria for a United States Army Corps of Engineers state programmatic general permit.

II. Involves more than 200 linear feet, measured along the shoreline, of a lake or pond or its bank.

III. Alters the course of or disturbs 200 or more linear feet of an intermittent or perennial stream or river channel or its banks. For intermittent streams, this distance shall be measured along the thread of the channel. For perennial streams or rivers, the total disturbance shall be calculated by summing the lengths of disturbances to the channel and the banks.

IV. Exceeds one acre of impact for a public roadway or a public utility project and meets the criteria for a United States Army Corps of Engineers state programmatic general permit.

482-A:29 Fund Established.

I. There is hereby established the aquatic resource compensatory mitigation fund into which payments made under this subdivision shall be deposited. The fund shall be a separate, non-lapsing fund continually appropriated to the department to be used only as specified in this subdivision for costs related to wetlands creation or restoration, stream restoration, preservation of upland areas adjacent to wetlands, and the subsequent monitoring and maintenance of such areas.
II. The fund may not be used to pay state personnel costs except, upon approval of the fiscal committee, to support up to one full-time position for administration of the fund and related projects. Only money from the 5 percent administrative assessment collected under RSA 482-A:30, III, and RSA 482-A:31, II, and RSA 482-A:32, II shall be used for this purpose.

III. The state treasurer shall invest the fund as provided by law. Interest received on such investment shall be credited to the fund.

IV. The wetlands council, established by RSA 21-O:5-a, shall approve disbursements of the aquatic resource compensatory mitigation fund based on recommendations provided by the site selection committee established under RSA 482-A:33, and in accordance with rules adopted by the commissioner.

482-A:30 Payment for Freshwater and Tidal Wetlands Losses. For freshwater and tidal wetlands losses, the in lieu payment shall be the sum of:

I. The cost that would have been incurred if a wetland of the same type was constructed at the ratios adopted by the department based on a price of $65,000 per acre of wetland created, to be adjusted at the beginning of the calendar year according to the annual simple rate of interest on judgments established by RSA 336:1;

II. The area of wetlands, as used in the calculation performed under paragraph I, times the cost of land in the municipality where the impact is occurring as calculated by the total assessed land values in the municipality, as determined by the department of revenue administration which are equalized, divided by the number of acres in the municipality to yield a per acre equalized land value; and

III. An administrative assessment which equals 5 percent of the sum of paragraphs I and II.

482-A:31 Payment for Stream or Shoreline Losses. For stream or shoreline resource losses, the in lieu payment shall be the sum of:

I. The linear feet of shoreline or stream impacted times $200, to be adjusted at the beginning of the calendar year according to the annual simple rate of interest on judgments established by RSA 336:1; and

II. An administrative assessment which equals 5 percent of the amount in paragraph I.

482-A:32 Rulemaking. The commissioner shall adopt rules under RSA 541-A relative to:

I. Identification of appropriate situations under which in lieu payments may be made. The criteria in RSA 482-A:28 shall be the minimum requirements for projects eligible for in lieu payments.

II. The method of calculating the amount of in lieu payments under RSA 482-A:30 and RSA 382A:31 which shall approximate the total cost of wetlands construction or such other mitigation actions as would have been required by the department and incurred by the applicant in the absence of making such payments. An administrative assessment of 5 percent of the total cost shall be added as part of the calculation method.

III. Criteria to use in selecting projects that would compensate for the lost aquatic resource functions or values.

(a) Tidal aquatic resources shall be compensated by the selection of qualifying tidal projects.

(b) An emphasis shall be given to selecting from among the qualifying projects those that are nearer to the site of the lost aquatic resource.

(c) No project shall be funded with in lieu payments from losses that occurred outside the hydrologic unit code 8 watershed, as developed by the United States Geological Survey, in which the project is located.

(d) Such criteria shall be adopted in consultation with the site selection committee established under RSA 482-A:33.

482-A:33 Site Selection Committee Established.

I. There is established a site selection committee for the purpose of identifying projects to be funded from the aquatic resource compensatory mitigation fund.

II. The committee shall consist of the following members:

(a) The commissioner of the department of environmental services, or designee.

(b) The director of fish and game, or designee.

(c) The director of the office of energy and planning, or designee.

(d) The commissioner of the department of resources and economic development, or designee.

(e) Four members of the public, appointed by the governor and council for a term of 3 years or until a successor is chosen. The members of the public shall be as follows:

(1) A member of a municipal conservation commission at the time of appointment, who shall be one of 3 nominees submitted by the New Hampshire Association of Conservation Commissions.
(2) A natural resource scientist, who shall be one of 3 nominees submitted by the New Hampshire Association of Natural Resource Scientists.

(3) A person with experience in environmental protection and resource management at the time of appointment, who shall be one of 3 nominees submitted by the Nature Conservancy.

(4) A person with experience in environmental protection and resource management at the time of appointment, who shall be one of 3 nominees submitted by the Society for the Protection of New Hampshire Forests.

III. The members of the committee shall elect a chairperson annually.

IV. Each public member of the committee shall receive $50 per meeting. The other members of the site selection committee shall receive no compensation other than their regular state salaries but shall receive mileage paid at the rate set for state employees.

482-A:34 Report. The department shall submit an annual report by October 1 beginning with fiscal year 2006, to the fiscal committee, the chairperson of the house resources, recreation and development committee, and the chairperson of the senate environment and wildlife committee summarizing all receipts and disbursements of the aquatic resource compensatory mitigation fund, including a description of all projects undertaken. Each report shall be in such detail with sufficient information to be fully understood by the general court and the public. After submission to the general court, the report shall be available to the public.

2 Application of Receipts; Aquatic Resource Compensatory Mitigation Fund. Amend RSA 6:12, I(b) by inserting after subparagraph 242 the following new subparagraph:

(243) Moneys deposited in the aquatic resource compensatory mitigation fund established by RSA 482-A:29.

3 Wetlands Council; Aquatic Resource Compensatory Mitigation Fund. Amend RSA 21-O:5-a by inserting after paragraph VII the following new paragraph:

VIII. The council shall approve disbursements of the aquatic resource compensatory mitigation fund established under RSA 482-A:29.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill allows the department of environmental services to accept monetary payments in lieu of other forms of compensatory mitigation for wetlands and shorelines for certain small projects. It establishes a mitigation fund for the payments and establishes a committee to select projects that will compensate for the loss of wetlands and which may be funded from the mitigation fund. Amendment adopted.

Rep. Spang offered floor amendment (0354h).

Floor Amendment (0354h)

Amend RSA 482-A:28 as inserted by section 1 of the bill by replacing it with the following:

482-A:28 Aquatic Resource Compensatory Mitigation. In lieu of other forms of compensatory mitigation, the department may accept payment for an unavoidable loss of aquatic resource functions and values from a proposed activity which at a minimum:

I. Impacts less than one acre of wetlands and meets the criteria for a United States Army Corps of Engineers state programmatic general permit.

II. Exceeds one acre of impact for a public roadway or a public utility project and meets the criteria for a United States Army Corps of Engineers state programmatic general permit.

Amend RSA 482-A:29, II-IV as inserted by section 1 of the bill by replacing it with the following:

II. The fund may not be used to pay state personnel costs except, upon approval of the fiscal committee, to support up to one full-time position for administration of the fund and related projects. Only money from the 5 percent administrative assessment collected under RSA 482-A:30, III shall be used for this purpose.

III. The state treasurer shall invest the fund as provided by law. Interest received on such investment shall be credited to the fund.

IV. The wetlands council, established by RSA 21-O:5-a, shall approve disbursements of the aquatic resource compensatory mitigation fund based on recommendations provided by the site selection committee established under RSA 482-A:32, and in accordance with rules adopted by the commissioner.

Amend section 1 of the bill by deleting RSA 482-A:31 and renumbering the original RSA 482-A:32 – RSA 482-A:34 to read as RSA 482-A:31 – RSA 482-A:33, respectively.
AMENDED ANALYSIS

This bill allows the department of environmental services to accept monetary payments in lieu of other forms of compensatory mitigation for wetlands for certain small projects. It establishes a mitigation fund for the payments and establishes a committee to select projects that will compensate for the loss of wetlands and which may be funded from the mitigation fund.

Floor amendment (0354h) adopted.

Committee report adopted and ordered to third reading.

HR 13, condemning the genocide in the Darfur region of the Sudan and urging Congress, with the support of the President, to pass the Darfur Accountability Act (S. 495) and the Darfur Genocide Accountability Act (H.R. 1424). INEXPEDIENT TO LEGISLATE.

Rep. Richard Marple for State-Federal Relations and Veterans Affairs: The committee is not insensitive to the plight of the people of Darfur but the language of the resolution would commit 10,000 U.S. forces to the mission that the committee did not feel appropriate. Vote 11-0.

Reps. Anna Tilton and Pratt spoke against.

Reps. Twombly and Coughlin spoke in favor and yielded to questions.

Rep. Pritchard requested a roll call; sufficiently seconded.

Phinizy, James

and the committee report was adopted.

HB 588, relative to suspension of drivers’ licenses after a motor vehicle accident. OUGHT TO PASS.

Rep. Brenda L. Ferland for Transportation: The current law for suspension of license after a report of an accident reads that the director shall suspend the license of the driver. The committee has added one line saying that after a receipt of the report of an accident and notice that there has been an adjudication by a court that the driver was at fault, then the director shall suspend the license. Vote 9-0.

Rep. Ferland offered floor amendment (0610h).

Floor Amendment (0610h)

Amend the bill by replacing section 1 with the following:

1 Suspension of License After Report of Accident. Amend RSA 264:3, I to read as follows:

I. After receipt of the report required by RSA 264:25 and either notice that there has been an adjudication by a court that the driver was at fault or a finding by the director as a result of a hearing with notice to all persons involved in the accident that the driver was at fault, the director shall suspend the license and registration certificate and require the surrender of the registration plates, if any, of the driver, and shall suspend the registration certificates and require the surrender of the plates of the owner of the vehicle, trailer, or semi-trailer involved in the accident reported and shall suspend his or her license, if any, or driving privilege until such driver or owner or both shall have furnished sufficient security to satisfy any judgment or judgments for damages resulting from such accident as may be recovered against such owner or driver by or on behalf of the aggrieved person or his or her legal representative, and until such owner or driver or both shall give and thereafter maintain proof of financial responsibility in the future. Notice of such suspension and of the requirement of such surrender shall be sent by the director to such driver and owner not less than 10 days prior to the effective date of such suspension.
AMENDED ANALYSIS

This bill requires an adjudication or administrative finding of fault prior to the suspension of a driver’s license after a motor vehicle accident resulting in death, personal injury, or damage to property. Rep. Ferland spoke in favor.

On a division vote, 225 members having voted in the affirmative and 78 in the negative, floor amendment (0610h) was adopted.

The question now being adoption of the committee report as amended. Reps. DiFruscia and Ferland yielded to questions.

On a division vote, 241 members having voted in the affirmative and 61 in the negative, the committee report as amended was adopted.

Ordered to third reading.

HB 553-FN-A, relative to a state tax on large lottery winnings. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Howie Lund for the Majority of Ways and Means: The majority of the committee felt that a 10% state tax on lottery winnings of $5,000 and higher would be double taxation for some and triple taxation for others. A state resident must pay a federal income tax on all winnings over $599. The passage of this bill would cause our state resident to pay a double tax on all winnings of $5,000 and over. Our “out of state” residents who purchase lottery tickets and have a winnings of $5,000 or more would face a triple tax. They would first pay the federal income tax, second the New Hampshire 10% tax and third their home state income tax. The other concern was the fiscal note, which was incomplete. It was based on one year’s numbers. When you look back six years, you see very erratic revenue streams. Those revenue streams are good in years when there are large power ball winnings and are poor in years without the big power ball winnings. Vote 11-7.

Rep. William Butynski for the Minority of Ways and Means: Many of the members who did not support the ITL motion felt that this bill would provide some additional necessary revenue to both the Land and Community Heritage Investment Trust Program (LCHIP) fund and the general fund. Also, since the bill would tax only large lottery winners (i.e. $5,000 and above), most lottery players and winners would not feel any negative impact from the bill, while the additional revenue generated would provide substantial support for LCHIP, as well as some additional revenue for necessary state services supported by the general fund. Large lottery winners should not be excluded from paying taxes that businesses and individual consultants must pay.

Rep. Field spoke against.

Rep. Lund spoke in favor.

On a division vote, 228 members having voted in the affirmative and 57 in the negative, the majority committee report was adopted.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Bettencourt moved that the House reconsider its action whereby it voted HR 13, condemning the genocide in the Darfur region of the Sudan and urging Congress, with the support of the President, to pass the Darfur Accountability Act (S. 495) and the Darfur Genocide Accountability Act (H.R. 1424), Inexpedient to Legislate.

On a division vote, 188 members having voted in the affirmative and 96 in the negative, Reconsideration prevailed.

LAID ON THE TABLE

Rep. Giuda moved that HR 13, condemning the genocide in the Darfur region of the Sudan and urging Congress, with the support of the President, to pass the Darfur Accountability Act (S. 495) and the Darfur Genocide Accountability Act (H.R. 1424), be laid on the table.

Adopted.

REGULAR CALENDAR

SPECIAL ORDERS (CONT’D.)

HB 669-FN, setting the laboratory fee schedule for certain environmental samples. INEXPEDITENT TO LEGISLATE.

Rep. Philip G. Osgood for Ways and Means: The Department of Environmental Services (DES) favored a rise in fees because they have not been adjusted since 1999. They also wanted the fees
to be compatible with private labs and to add specific tests that were not on the 1999 list. After hearing testimony on three occasions and two committee members taking a trip to the state laboratory, the committee had these concerns. One concern was about the amount of funds that would be available to this department without legislative oversight. The equipment fund at DES is managed at the discretion of the department. The current balance in the fund is over $900,000. The capital budget has appropriated $497,000 for the conversion of approximately 2000 square feet of vacant space into a new "clean room" at the DES lab. This new clean room will be established primarily for testing of water samples from sewage treatment plants, rivers, lakes and streams. It was not clear if these unrestricted funds (that are generated mainly by drinking water testing fees) would be used for equipment directly connected to other purposes. Others questioned fees as high as independent laboratories, while receiving operating funds from the state. Concerns about fees for one test on equipment that automatically runs multiple tests and gives these results raised the questions as to whether the fee structure should be tailored to compensate for this group testing. The committee felt that some adjustments should be made to the fee schedule. However, an increase to the amount proposed would have a significant impact on municipalities, water systems and individuals that rely on the lab. The new laboratory at DES is spacious, impressive, well run and staffed. The fund is in good shape. To that end the committee felt this request needs more work and it was best to leave the fees as they are and work with the department for a more palatable fee schedule in the future. Vote 19-0.

Rep. Camm spoke against.

On a division vote, 59 members having voted in the affirmative and 222 in the negative, the committee report failed.

Rep. Camm moved Ought to Pass and offered floor amendment (0316h)

**Floor Amendment (0316h)**

Amend the title of the bill by replacing it with the following:

**AN ACT** establishing a committee to study state laboratory water tests and fees for such tests collected by the department of environmental services.

Amend the bill by replacing all after the enacting clause with the following:

**1 Committee Established.** There is established a committee to study water tests conducted by the state laboratory of hygiene and water test fees collected by the department of environmental services.

**2 Membership and Compensation.**

   (a) Five members of the house of representatives, 2 from the resources, recreation and development committee, 2 from the ways and means committee, and one from the finance committee, appointed by the speaker of the house of representatives.

   (b) Five members of the senate, appointed by the president of the senate.

**3 Duties.** The committee shall study water tests conducted by the state laboratory of hygiene and water test fees collected by the department of environmental services. The committee shall evaluate the need for future additions to existing laboratory tests and equipment and make recommendations for laboratory test fees and distributions to the laboratory equipment and replacement fund.

**4 Chairperson; Quorum.** The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section.

**5 Report.** The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.

**6 Effective Date.** This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill establishes a committee to study water tests conducted by the state laboratory of hygiene and water test fees collected by the department of environmental services.

Floor amendment (0316h) adopted.

Motion of Ought to Pass as amended adopted.

Ordered to third reading.
HB 1454-FN, relative to delivery sales of cigarettes. INEXPEDIENT TO LEGISLATE.

Rep. Donald H. Flanders for Commerce: This bill pertains to collection of tobacco taxes on the out-of-state purchase of cigarettes via the Internet or by mail order. It was the committee’s opinion that while this bill was well intended our ability to enforce it was severely limited due to our inability to regulate the Internet or the US Postal Service. Also, a substantial number of these cigarettes are being purchased from Indian reservations which are exempt from tax regulations. In view of this, it was felt these problems should be addressed by the federal government before state regulations are made. Vote 15-1.

Committee report adopted.

HB 1187, requiring a school district to disclose the percentage of its total education budget used for direct support of education. INEXPEDIENT TO LEGISLATE.

Rep. Charles B. Yeaton for Education: The committee saw several problems with this bill. There is a question as to what expenditures are direct support of education and which are not. School districts already have their methods of presenting their budgets which are most helpful in informing their voters. There is also the danger that costs not included as direct instruction might also be considered less necessary. Vote 11-2.

Committee report adopted.

HB 1249-FN-A-L, relative to state reimbursement for school breakfasts and making an appropriation therefor. OUGHT TO PASS.

Rep. Nancy F. Stiles for Education: Recognizing the rapid increase of overweight and obesity in children and its negative impact on academics and health and that hospital costs related to childhood obesity alone have tripled in the last 20 years (Center for Disease Control), as well as the NH data for the 1998-2000 years indicate a $302 million expenditure on obesity-related illness, this bill will direct state money from the Department of Education budget directly to the local school districts at the rate of $.03, per US Department of Agriculture requirements, performance based, school breakfast. This bill also works in support of local school wellness policies and is a cooperative effort to improve overall wellness in our school environment. Vote 13-0.

Committee report adopted.

Referred to the committee on Finance.

HB 1362, relative to permitting audio and video recording on school buses. OUGHT TO PASS WITH AMENDMENT.

Rep. Stephen R. L’Heureux for Education: The committee strongly believes in the adoption of this enabling legislation which provides an open process to allow a school board, after a public hearing, to adopt administrative procedures and rules regarding the addition of audio taping within a school bus while students are in transit to and from school or school functions. It limits who can view the tape, how long the audio is kept, and assures that it is only utilized when a complaint has been received relative to an incident on the bus. Vote 12-1.

Amendment (0586h)

Amend RSA 570-A:2, I(k) as inserted by section 1 of the bill by replacing it with the following:

(k)(1) The owner or operator of a school bus, as defined in RSA 259:96, to make an audio recording in conjunction with a video recording of the interior of the school bus while students are being transported to and from school or school activities, provided that the school board authorizes audio recording, the school district provides notification of such recording to the parents and students as part of the district’s pupil safety and violence prevention policy required under RSA 193-F:3, I(b), and there is a sign informing the occupants of such recording prominently displayed on the school bus.

(2) Prior to any audio recording, the school board shall hold a public hearing to determine whether audio recording should be authorized in school buses, and if authorized, the school board shall establish an administrative procedure to address the length of time which the recording is retained, ownership of the recording, limitations on who may listen to the recording, and provisions for erasing or destroying the recording. Such administrative procedure shall permit the parents or legal guardian of any student against whom a recording is being used as part of a disciplinary proceeding to listen to the recording. In no event, however, shall the recording be retained for longer than 10 school days unless the school district determines that the recording is
relevant to a disciplinary proceeding, or a court orders that it be retained for a longer period of time. An audio recording shall only be reviewed if there has been a report of an incident or a complaint relative to conduct on the school bus, and only that portion of the audio recording which is relevant to the incident or complaint shall be reviewed.

AMENDED ANALYSIS

This bill permits a school bus owner or operator to make an audio recording of a student on a school bus if the school board, after a public hearing, authorizes the recording and the parents and students are notified of the recording.

On a division vote, 213 members having voted in the affirmative and 71 in the negative, the committee amendment was adopted.

The question now being adoption of the committee report.

Reps. Keans and Boehm spoke against.

Reps. Winchell, Newton and Stephen L’Heureux spoke in favor and yielded to questions.

MOTION TO LAY ON THE TABLE

Rep. Crane moved that HB 1362, relative to permitting audio and video recording on school buses, be laid on the table.

and the committee report was adopted. Ordered to third reading.

### MOTION TO RECONSIDER
Having voted with the prevailing side, Rep. Dickinson moved that the House reconsider its action whereby it adopted the majority committee report of Ought to Pass with Amendment, HB 162, relative to general rules for vessels operating on water. On a division vote, 110 members having voted in the affirmative and 176 in the negative, reconsideration failed.

### SPECIAL ORDER
Without objection, the Deputy Speaker stated that the remainder of today’s calendar would be Special Ordered for the next session day.

### RESOLUTION
Rep. O’Neil offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, February 15, 2006 at 10:00 a.m. Adopted.
LATE SESSION
Third reading and final passage

HB 657-FN-L, relative to promoting community revitalization.

HB 162, relative to general rules for vessels operating on water.

SB 140, relative to the acceptance of in-lieu payments for the restoration or creation of wetlands and the preservation of upland areas adjacent to wetland areas.

HB 588, relative to suspension of drivers' licenses after a motor vehicle accident.

HB 669-FN, establishing a committee to study state laboratory water tests and fees for such tests collected by the department of environmental services.

HB 1362, relative to permitting audio and video recording on school buses.

ENROLLED BILLS REPORT
The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 1248, 1262, 1402 and 505 and Senate Bill numbered 175.

Rep. Currier, Sen. D'Allesandro for the Committee

PERSONAL PRIVILEGE

UNANIMOUS CONSENT

Reps. Daniel Eaton and Harvey addressed the House.

MOTION TO RECONSIDER

Having voted with the prevailing side, Rep. Stephen L'Heureux moved that the House reconsider its action whereby HB 1362, relative to permitting audio and video recording on school buses, was read a third time and passed. Reconsideration failed.

RECESS MOTION

Rep. O'Neil moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only. Adopted.

The House recessed at 6:30 p.m.

RECESS

(Rep. Tupper in the Chair)

SENATE MESSAGE

CONCURRENCE

HB 100-FN-A-L, amending the formula for funding public education.

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 100.

Rep. Currier, Sen. D'Allesandro for the Committee

RECESS

(Speaker Scamman in the Chair)

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day’s opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared A. Rardin, Pastor of the South Congregational Church in Concord.

In preparing for this day, O God, turn us inward for a moment to the miracle that is our own lives. Lives filled with everyday wonders we often miss and opportunities we take for granted, yet lives which are broken in places, searching, uncertain and possibly fearful. Center us for a moment in the deeper awareness of the goodness of life, and the blessing You give us in family, friends, and material abundance far greater than many know. Heal, we pray, any wounds of spirit, mind or body within us, and likewise in the lives of those we know and love. Help us in our own ways to be healers and helpers both in what we do in this chamber and when we leave it.

O God, there is a tremendous load of work to be done here today and tomorrow. We have before us a number of pressing bills, some of them concerning issues about which we are deeply passionate and quite divided as a body. Issues which may go to the core of our sense of what is just and right for individuals and for society. Grant to us the fortitude to move through our work with aplomb, sincerity, and compassion. Help us to stay focused on our goals and avoid distractions that might bog us down. And above all, give us the courage to legislate in ways which give deep honor to You and to Your people and to the shared blessing of this human life You entrust to our care and stewardship. We pray these things with thanksgiving. Amen.

Rep. Leon C. Calawa Jr., member from Litchfield, led the Pledge of Allegiance.

The National Anthem was sung by Holly Clayman, Momo Desmond and Emily Potoczak, 8th grade students from Rundlett Middle School in Concord.

LEAVES OF ABSENCE
Reps. Barker, Barry, Carlson, Gale, Gillick, Lessard, Maybeck, Putnam, Whiting and Zolla, the day, illness.
Reps. Charles Clark. Grassie, Hollinger, Introne, Irwin, Paula Johnson, Manning, Charles McMahon, Naro, Owen, Pepino, Schulze, Twombly and Wallner, the day, important business.
Reps. MaryAnn Blanchard, Mark Clark and Coates, the day, illness in the family.
Rep. Bergin, the day, death in the family.

INTRODUCTION OF GUESTS
Dr. Ron Butcher, Head Soccer Coach for Keene State, Mrs. Butcher and Rick Scott, guests of the Cheshire County delegation.

COMMUNICATION
February 8, 2006
Karen Wadsworth, Clerk of the House.
Please be advised that the following representative-elect was sworn into office by the Governor and Council on this day:
Rockingham County District 3
John E. Robinson, d, Londonderry (13 Elmwood Rd.) 03053
William M. Gardner, Secretary of State

SUSPENSION OF RULES
Reps. O’Neil and Craig moved that the House Rules be so far suspended as to permit the deadline of the last day to report all House Bills not going to a second committee, February 23, 2006 at noon, be moved to Friday, February 24, 2006 at 2:00 p.m.
Adopted by the necessary two-thirds.
Rep. O'Neil moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

ACR 32, relating to eminent domain. Providing that property can only be taken for public benefit other than increased tax revenues, removed by Rep. Vaillancourt.
ACR 40, relating to taking of property. Providing that property may not be taken for a public purpose, but only for a public use, removed by Rep. Vaillancourt.
HB 1624-FN, relative to boat noise, removed by Rep. Claudia Chase.
HB 1628, relative to expenses of operating bingo games, removed by Rep. Vaillancourt.
HB 1162, relative to village districts, removed by Rep. Aguiar.
Consent Calendar adopted.

HB 1419-FN, relative to mandatory mediation in divorce proceedings. OUGHT TO PASS WITH AMENDMENT.

Rep. David A. Bickford for Children and Family Law: This bill expands and broadens judges' and marital masters' discretion to order mediation to include divorce cases without children. Vote 15-0.

Amendment (0688h)

Amend the title of the bill to read as follows:
AN ACT relative to mediation in divorce proceedings.

Amend the bill by replacing all after the enacting clause with the following:

I New Section; Annulment, Divorce, and Separation; Mediation. Amend RSA 458 by inserting after section 15-b the following new section:

458:15-c Mediation.
I. In this section:
(a) "Mediation" means a process in which a neutral third party facilitates settlement discussions between parties.
(b) "Mediator" means a marital mediator, certified pursuant to RSA 328-C, who has contracted with the court to participate in court-referred mediation under this section.
II. The court may order the parties to participate in mediation upon the request of either party or at the discretion of the court. If the parties are ordered to participate in mediation under this section, all issues relevant to their case, including but not limited to property settlement and alimony also shall be mediated unless the court orders otherwise. Mediation may not be ordered pursuant to this section if the case involves minor children and the parties are eligible for mediation under RSA 461-A:7.
III. Reasons the court may choose not to order mediation include, but are not limited to, the following:
(a) A showing of undue hardship to a party.
(b) An agreement between the parties for alternate dispute resolution procedures.
(c) A finding of alcoholism or drug abuse unless all parties agree to mediation.
(d) An allegation of serious psychological or emotional abuse.
(e) Lack of an available, suitable mediator within a reasonable time period.
(f) A finding of domestic violence as defined in RSA 173-B:1, unless all parties agree to mediation.
V. The mediator has no authority to make a decision or impose a settlement upon the parties. The mediator shall attempt to focus the attention of the parties upon their needs and interests rather than upon their positions. Any settlement is entirely voluntary. In the absence of settlement, the parties lose none of their rights to a resolution of their dispute through litigation.
VI. Either party may move to have the mediator replaced for good cause.
VII. Mediation proceedings shall be held in private, and all communications, oral or written, made during the proceedings, which relate to the issues being mediated, whether made by the mediator, or a party, or any other person present, shall be privileged and confidential and shall not be disclosed and shall not be admissible in court, except as provided in RSA 328-C:9.
VIII. Any mediated agreement reached by the parties on all or some of the disputed issues shall be reduced to writing, signed by each party, and filed with the court as soon as practicable.

IX. The parties shall participate at mediation in good faith. If the mediator determines that mediation is not helpful in resolving the dispute, the mediator shall report that fact to the court and return the matter to the court for adjudication of the underlying issues.

2 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill permits the court to order mediation in divorce proceedings if either party requests mediation or at the court’s discretion.

HB 1424, relative to persons permitted to attend child abuse and neglect hearings. OUGHT TO PASS WITH AMENDMENT.

Rep. Carolyn M. Gargasz for Children and Family Law: In child abuse and neglect hearings that are not open to the public, parties are allowed to invite other persons to the hearing with prior approval of the court. It also allows the court to provide docket information to invited persons. Vote 14-0.

Amendment (0644h)

Amend the bill by replacing section 1 with the following:

1 Child Abuse and Neglect Hearings; Persons Permitted to Attend. Amend RSA 169-C:14 to read as follows:

169-C:14 Hearings not Open to the Public. The general public shall be excluded from any hearing under this chapter and such hearing shall, whenever possible, be held in rooms not used for criminal trials. Only such persons as the parties, their witnesses, counsel and representatives of the agencies present to perform their official duties shall be admitted, except that other persons invited by a party may attend, with the court’s prior approval. The court may provide docket information to invited persons.

HB 1516, relative to the modification and enforcement of child support orders. OUGHT TO PASS WITH AMENDMENT.

Rep. David A. Bickford for Children and Family Law: This bill, as amended, allows adjusting for errors in child support orders. It allows for reimbursement of overpayment and permits modification based on a change in custody. Vote 14-0.

Amendment (0697h)

Amend the bill by replacing all after the enacting clause with the following:

1 Adjustments to Child Support Guidelines Under Special Circumstances; Prior Order Contrary to Law or Unjust. Amend RSA 458-C:5, 1(j) to read as follows:

(j) A determination that the prior order was contrary to law or unjust, considering the needs of the child.

(k) Other special circumstances found by the court to avoid an unreasonably low or confiscatory support order, taking all relevant circumstances into consideration.

2 Child Support Guidelines; Modification of Order; Grounds for Modification. Amend RSA 458-C:7, 1 to read as follows:

1. [The obligor or obligee may apply to the court or, when the department of health and human services has issued a legal order of support pursuant to RSA 161-C, to the department, whichever issued the existing order, for modification of such order 3 years after the entry of the last order for support, without the need to show a substantial change of circumstances. This section shall not prohibit the obligor or obligee from applying at any time for a modification based on substantial change of circumstances.] A child support order may be modified if:

(a) Three years have elapsed since the entry of the last order for support;
(b) Either party demonstrates a substantial change in circumstances;
(c) The parties agree to a change in the child support amount;
(d) The court has removed the child from the custody of the obligee pursuant to RSA 169-B, RSA 169-C, RSA 169-D, or RSA 463 or from the residential responsibility of the obligee under RSA 461-A; or
(e) The parties agree on a change in residential responsibility or designation of obligee.
3 New Paragraphs; Modification of Order. Amend RSA 458-C:7 by inserting after paragraph II the following new paragraphs:

III. The court may correct or void a child support order to:
(a) Correct an error in calculation that is apparent on the face of the order or is readily provable by documentary evidence.
(b) Correct fraud upon the court.
(c) Credit a parent for a direct expenditure made, with the consent of the other parent, in lieu of child-support payment.
(d) Reflect a period during which an arrearage accrued because the obligor was precluded from filing a petition for modification by reason of a significant physical or mental disability or misrepresentation by another party, if the parent thereafter promptly filed for modification.

IV. The court may approve a settlement by the parties that reduces the amount owed under an existing child support order if the settlement is consistent with the interests of the child.

V. If a child support order provides for future review or modification at a specified interval of 3 years or less, such modification shall not be effective prior to the date that notice of the petition for modification has been given to the respondent, unless the parties agree otherwise. “Notice” shall have the same meaning as in paragraph II.

VI. If the modification of a support obligation results in an overpayment of support, the court shall order, absent a showing of undue hardship, the obligee to directly reimburse the obligor for such overpayment of support or order an adjustment to the modified support obligation not to exceed the amount of the support overpayment for the purpose of reimbursement. Additionally, the obligor shall have a right to seek reimbursement for any overpayment that occurs during the pending modification action from the effective date of the modification to the date of issuance of the court order. In the event the parties cannot reach an agreement on repayment, either party shall have the right to request an immediate hearing to adjudicate reimbursement in an amount and frequency as determined by the court to be fair and equitable.

4 Parental Rights and Responsibilities; Orders for Support; Effect of Modification. Amend RSA 461-A:14, VI to read as follows:

VI. All support payments ordered or administered by the court under this chapter shall be deemed judgments when due and payable. Such judgments shall be given full faith and credit by all jurisdictions of this state. However, if due to an error in calculation or fraud, the order did not comply with RSA 458-C when ordered, the order shall be corrected effective with the original order date.

5 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:
I. Permits the court to deviate from the child support guidelines if the court determines that a prior child support order was contrary to law or unjust.
II. Permits modification of a child support order based on a change in custody under the juvenile statutes or guardianship statute, a change in residential responsibility, or by mutual agreement of the parties.
III. Clarifies the effective date of a child support modification contained in a child support order.
IV. Establishes that the obligor has a right to seek reimbursement from the obligee for an overpayment that occurred during a pending modification.

HB 1561, relative to equal treatment for fathers in the determination of parental rights and responsibilities. INEXPEDIENT TO LEGISLATE.
Rep. Harriet E. Cady for Children and Family Law: This bill was not needed as HB 640 was enacted and addressed the issue of equal support. Vote 14-0.

HB 1583, relative to grounds for modification of parental rights and responsibilities. OUGHT TO PASS WITH AMENDMENT.
Rep. David A. Bickford for Children and Family Law: This bill, as amended, allows parents to ask the court for a modification of parental rights and responsibilities based on a substantial change in circumstances or once every three years. The bill also adds the “Butterick” decision about mature children being allowed to express their preference for the modification of a parental plan. Vote 15-0.
Amendment (0497h)
Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraphs; Grounds for Modification of Parental Rights and Responsibilities; Substantial Change in Circumstances; 3-Year Modification; Preference of Mature Minor. Amend RSA 461-A:11, 1 by inserting after subparagraph (d) the following new subparagraphs:
   (e) A parent petitions the court for modification based on a substantial change in circumstances, or 3 years have passed since the entry of the last order concerning parental rights and responsibilities.
   (f) If the court finds that a minor child is of sufficient maturity to make a sound judgment about his or her proper custody, the court may give substantial weight to the preference of the mature minor child as to the parent with whom he or she wants to live. Under these circumstances, the court shall also give due consideration to other factors which may have affected the minor child’s preference, including, but not limited to, whether the minor child’s preference was based on undesirable or improper influences.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill permits the court to modify a prior determination of parental rights and responsibilities based on a substantial change of circumstances or once every 3 years. The bill also permits the court to give substantial weight to the preference of a mature minor in the modification of parental rights and responsibilities.

HB 1585, relative to enforcement of orders regarding parenting plans. OUGHT TO PASS WITH AMENDMENT.
Rep. Karen K. McRae for Children and Family Law: The bill, as written, allows for an expedited hearing for enforcement of a court-ordered parenting plan. The amendment deletes the ability of the Department of Health and Human Services to use an enforcement order as the reason for initiating an investigation of abuse and neglect. Vote 12-2.

Amendment (0579h)
Amend RSA 461-A:9-a, V as inserted by section 1 of the bill by replacing it with the following:

V. The department of health and human services shall receive a copy of any order to enforce a parenting plan issued under this section.

AMENDED ANALYSIS

This bill establishes an expedited hearing process for motions to enforce parenting plans.

HB 1586, prohibiting enforcement of support orders for college or other postsecondary education expenses. REFER FOR INTERIM STUDY.
Rep. Karen K. McRae for Children and Family Law: The committee raised many questions as to how to handle multiple issues of retroactivity, constitutionality and fairness to all parties involved. Given the time frame for reporting bills out, an interim study was voted the best vehicle at this time. Vote 9-3.

HB 1610-FN, relative to a determination of incompetence under the CHINS statute. REFER FOR INTERIM STUDY.
Rep. Karen K. McRae for Children and Family Law: The committee voted for interim study in order to explore the problems presented in testimony and to come up with a solution that will serve the few mentally ill children who are falling through the cracks of existing statutes and programs. Vote 15-0.

HB 1648-FN, relative to legal residency and financial liability for children in certain residential placements. OUGHT TO PASS WITH AMENDMENT.
Rep. Sheila A. Foote for Children and Family Law: This bill identifies the Department of Health and Human Services and the Department of Education as the agencies programmatically and financially responsible for board and care general and special education services respectively for those children who are in court-ordered residential placements pursuant to RSA 169-B (Delinquency), RSA 169-C (Child Protection), RSA-169 D (Children in Need of Services) or RSA 463 (Guardianship of Minors), whose legal custodians reside out-of-state, and who have no New Hampshire or out-of-state school
district assuming liability for educational services. In addition, this bill gives standing to one or more school districts and the Department of Health and Human Services in the determination of legal residence dispute resolution process at the Department of Education. Vote 14-0.

Amendment (0603h)
Amend RSA 193:12, V-b as inserted by section 2 of the bill by replacing it with the following:

V-b. Whenever a dispute arises [between 2 or more school districts] among one or more school districts, the department of health and human services, or one or more of the previously mentioned parties, as to the residency of a child who is in the legal custody or guardianship of the department of health and human services, or who has been placed pursuant to a court order in a proceeding under RSA 169-B, RSA 169-C, RSA 169-D, or RSA 463, the department of health and human services may request in writing that the [respective] superintendents involved resolve the dispute. If the residency dispute remains unresolved 10 days after such request, the department of health and human services may request that the commissioner of the department of education determine the residence of the child. The child may attend school in the district in which the child has been placed by the court or the department of health and human services pending the resolution of the residency dispute. Liability as to the cost of school attendance provided under this paragraph shall be determined by the commissioner of education.

HB 1720-FN, relative to notice of parent liability in CHINS proceedings. OUGHT TO PASS WITH AMENDMENT.

Amend the bill by replacing all after the enacting clause with the following:

1 Children In Need of Services; Petition; Notice of Liability. Amend RSA 169-D:5, I to read as follows:

I. A petition alleging a child is in need of services may be filed by a parent, legal guardian or custodian, school official, or law enforcement officer with a judge or clerk of the court in the judicial district in which the child is found or resides. The petition shall be in writing and verified under oath. The following notice shall be printed in bold type on the first page of the petition: "Pursuant to RSA 169-D:29, parents and other individuals chargeable by law for the child's support and necessities may be liable for expenses incurred in this proceeding, including the costs of certain evaluations and placements. RSA 186-C regarding educationally disabled children grants children and their parents certain rights to services from school districts at public expense and to appeal school district decisions regarding services to be provided."

2 New Paragraph; Children In Need of Services; Notice to Parents of Potential Liability. Amend RSA 169-D:5 by inserting after paragraph VI the following new paragraph:

VII. The court shall serve both parents, and any other individual chargeable by law for the child's support, with a copy of any petition filed under this section. The court shall request the appropriate contact information from the party filing the petition.

3 Children In Need of Services; Summons; Notice of Potential Liability. Amend RSA 169-D:6, III to read as follows:

III. The summons shall state as follows: "Pursuant to RSA 169-D:29, parents and other individuals chargeable by law for the child's support and necessities may be liable for expenses incurred in this proceeding including the costs of certain evaluations and placements. RSA 186-C regarding educationally disabled children grants children and their parents certain rights to services from school districts at public expense and to appeal school district decisions regarding services to be provided."

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires all CHINS petitions to include a notice of potential liability on the first page. The bill also requires the court to provide both parents, as well as any other person who may be liable for expenses incurred on behalf of the child, with a copy of the petition and notice of liability.
HB 1725-FN, extending the pilot project relative to abuse and neglect hearings and relative to confidentiality in abuse and neglect cases. OUGHT TO PASS WITH AMENDMENT.
Rep. Carolyn M. Gargasz for Children and Family Law: The pilot project that opens child abuse and neglect public is expanded from Grafton and Rockingham Counties to also include Sullivan County. The pilot project is extended for two years to June 30, 2008. This bill allows the court to provide hearing schedule information to members of the public qualified to attend. Vote 15-0.

Amendment (0663h)
Amend the title of the bill by replacing it with the following:
AN ACT extending the pilot project relative to abuse and neglect hearings and relative to confidentiality in pilot project abuse and neglect cases.
Amend the bill by replacing section 1 with the following:

1 Court Pilot Project Continued and Expanded; Confidentiality. Amend the section heading and paragraphs I and II of 2002, 243:2 as amended by 2004, 221:1 to read as follows:

243:2 Abuse and Neglect Hearings in the Grafton [and], Rockingham, and Sullivan County Courts; Pilot Project.

I. A pilot project in the Grafton [and], Rockingham, and Sullivan county courts is established to assess opening hearings in child abuse and neglect cases to members of the public qualified by the court, absent a finding that opening the hearing or that disclosure of some or all of the evidence would be contrary to the best interests of the child or would cause unreasonable harm to one or more of the parties.

II. All observers of and participants in hearings conducted under this section shall be subject to the confidentiality provisions of RSA 169-C:25; except that information regarding court hearing schedules may be provided by the court to members of the public qualified by the court to attend such hearings.

Amend the bill by deleting section 4 and renumbering the original section 5 to read as 4.

AMENDED ANALYSIS

This bill continues the pilot project relative to abuse and neglect hearings for 2 years and extends the pilot project to Sullivan county.

The bill also clarifies that information relating to hearing schedules is exempt from the confidentiality provisions under the Child Protection Act, for purposes of the pilot project.

HB 1733-FN, establishing a reporting system for court decisions relative to residential responsibility under parenting plans. OUGHT TO PASS WITH AMENDMENT.
Rep. Mary Stuart Gile for Children and Family Law: This bill, as amended, requires the court to provide the registrar of vital records with certain information regarding parental rights and responsibilities. Such information includes decision making responsibility for the child, whether residential responsibility shall be shared equally or approximately equal, the type of petition involved, the date of the order and the name of the hearing official. The bill also gives the division the authority to collect information relative to the determination of parental rights and responsibilities available to the public, upon request. Vote 11-0.

Amendment (0818h)
Amend the bill by replacing all after the enacting clause with the following:

I New Section; Parental Rights and Responsibilities; Information Provided to State Registrar. Amend RSA 461-A by inserting after section 6 the following new section:

461-A:6-a Information Provided to State Registrar. Upon issuing or modifying a permanent order concerning parental rights and responsibilities, the court shall provide the following information to the state registrar:

I. Whether decision making responsibility for the child shall be with both parents, the mother, the father, or another person.
II. Whether residential responsibility shall be shared equally, or approximately equally, by the child’s parents, or if it shall be primarily the responsibility of the mother, father, or another party.
III. The type of petition: a petition for divorce, annulment, separation, or determination of parental rights and responsibilities.
IV. The date of the order relative to parental rights and the date of the divorce decree, if any.
V. The name of the hearing official.
2 New Section; Vital Records Administration; Record of Parental Rights and Responsibilities. Amend RSA 5-C by inserting after section 61 the following new section:

5-C:61-a Record of Parental Rights and Responsibilities. The division shall collect information relative to the determination of parental rights and responsibilities from the courts, pursuant to RSA 461-A:6-a. Such information be available to parties with a tangible interest in the record. The department also shall make statistical information relative to the determination of parental rights and responsibilities available to the public, upon request.

3 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill requires the court to provide the registrar of vital records with certain information regarding parental rights and responsibilities. The registrar shall provide statistical information relative to the determination of parental rights and responsibilities to the public, upon request.

HB 1227-FN, relative to late fees and reinstatement fees paid by business entities. OUGHT TO PASS WITH AMENDMENT.

Rep. Charles L. Clark for Commerce: This bill came to us as a request of the Secretary of State’s Office. In the last session we passed legislation intended to strengthen our late fee registration law. It turned out to be an object lesson in “unintended consequences.” The solution turned out to be worse than the problem. We recommend this bill as corrective legislation. Vote 14-0.

Amendment (0755h)

Amend the bill by inserting after section 5 the following and renumbering the original section 6 to read as 7:

6 Reimbursement of Late Fees. The secretary of state shall reimburse any business entity, not included in section 5 of this act, late fees in excess of $50 on annual returns paid by the business entity from May 1, 2005 through June 30, 2006.

Referred to the committee on Ways and Means.

HB 1372, establishing a committee to study affordable and accessible health care services for all uninsured citizens of New Hampshire. INEXPEDIENT TO LEGISLATE.

Rep. Charles L. Clark for Commerce: The sponsors decided not to pursue this bill as the subject matter of the bill is already being dealt with in other bills. Vote 18-0.

HB 1440, prohibiting the sale of certain pets. INEXPEDIENT TO LEGISLATE.

Rep. Stella Scaman for Commerce: This bill attempted to further regulate pet sales giving more options for consumers to deal with unhealthy pets. Last year a very similar bill was voted ITL by the committee and the House. We did not feel this bill should appear before us again in the same biennium. Vote 16-0.

HB 1549, excluding certain acts based on bona fide economic and public safety considerations from the prohibition against age discrimination in public accommodations. REFER FOR INTERIM STUDY.

Rep. Stephen T. DeStefano for Commerce: This bill is being sent to interim study. Currently private property owners extend overnight accommodations when they feel that they have an economic or public safety issue. The New Hampshire Commission for Human Rights wanted to make sure that we did not create an exception that would make our laws different from federal law. Both the sponsors and the New Hampshire Commission for Human Rights were committed to try and draft a bill that did not conflict with federal law, but help protect the rights of real property owners and inn keepers. Vote 15-3.

HB 1562, relative to fertility insurance coverage for out-of-state coverage holders who are living in New Hampshire. INEXPEDIENT TO LEGISLATE.

Rep. Donald H. Flanders for Commerce: This bill would require that an insurer providing fertility insurance under a group insurance policy to a Massachusetts employer extend that benefit to employees residing in New Hampshire. The only way this could be addressed under New Hampshire law would be by New Hampshire mandating fertility coverage on all New Hampshire group policies. As New Hampshire does not do this, the matter would have to be addressed through the Massachusetts legislature or insurance department. Vote 18-0.
HB 1570, relative to health insurance coverage for part-time college students. OUGHT TO PASS WITH AMENDMENT.

Rep. Stephen B. Stepanek for Commerce: The committee felt that this bill did not go far enough. This issue came up when Michelle’s law was before this committee. Currently full-time college students or full-time college students who are forced to a part time status due to an illness (Michelle’s Law), or college students forced to take a medical leave of absence are covered under their parents’ family plan. This bill would allow all part-time students to remain on their parents’ family plan. The committee felt it was to truly address this issue once and for all. The amendment provides that dependent children shall include unmarried children under the age of 24 who are financially dependent upon the parent and who either have the same legal residence as the policy holder, or are full-time or part-time students. Once coverage for a child over the age of 19 is removed from a parent’s policy, after no longer qualifying under this subparagraph, such coverage shall not be resumed. Vote 18-0.

Amendment (0756h)

Amend the bill by replacing sections 1 and 2 with the following:

1 Individual Insurance Policies; Dependent Children. Amend RSA 415:5, I(3) to read as follows:

(3) It purports to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family who shall be deemed the policyholder, any 2 or more eligible members of that family, including husband, wife, dependent children, or any children under a specified age which shall not exceed 18 years and any other person dependent upon the policyholder: provided, that dependent children shall include unmarried children under the age of 24 who are financially dependent upon the parent and who either have the same legal residence as the policy holder or are full-time or part-time students. Once coverage for a child over the age of 19 is removed from a parent’s policy after no longer qualifying under this subparagraph, such coverage shall not be resumed; and

2 Group Insurance Policies; Dependent Children. Amend RSA 415:18, IV to read as follows:

IV.(a) Any such group or blanket policy may include benefits payable on account of hospital or medical or surgical aid for an employee or other member of the group insured by such policy, his or her spouse, child or children, or other dependents, and may provide that any such benefits be paid by the insurer directly to the hospital, physician, surgeon, doctor, nurse, or other person furnishing services covered by such provision of said policy.

(b) Dependent children shall include unmarried children under the age of 24 who are financially dependent upon the parent and who either have the same legal residence as the policy holder or are full-time or part-time students. Once coverage for a child over the age of 19 is removed from a parent’s policy after no longer qualifying under this subparagraph, such coverage shall not be resumed. This subparagraph shall also apply to group hospital health service plan contracts issued pursuant to RSA 420-A, and to health maintenance organization policies and plans pursuant to RSA 420-B.

AMENDED ANALYSIS

This bill extends insurance coverage to certain unmarried children under the age of 24.

HB 1723-FN, relative to health care and health insurance data. REFER FOR INTERIM STUDY.

Rep. Stephen B. Stepanek for Commerce: After a public hearing and several subcommittee meetings, the committee had more questions than answers. The one thing that everyone did agree on was that the intent of the bill was good and we all saw the need to do something in this area. The added complication was that the insurance department determined that they would need $350,000.00 to implement this proposed bill. In the end it was felt that this bill should be referred to interim study with a commitment by all parties that they would work on this issue between now and next fall. Vote 18-0.

HB 1171, relative to the violation of protective orders. INEXPEDIENT TO LEGISLATE.

Rep. Peter M. Sullivan for Criminal Justice and Public Safety: New Hampshire’s protective order statute was the result of a long deliberative process. The existing law has served our state well. The changes proposed in this bill would create confusion and ambiguity, making an already tense situation a dangerous one for the parties involved. While the committee is sympathetic to the concerns raised by the sponsor, we believe that the existing process allowing for a judicial modification of a protective order adequately protects both the rights and safety of the parties involved. Therefore, we join the Attorney General in recommending that this bill be found Inexpedient toLegislate. Vote 16-0.
HB 1231-FN, relative to the penalty for assaulting a firefighter, emergency medical technician, or law enforcement officer. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Karl I. Gilbert for Criminal Justice and Public Safety: This bill provides for enhanced penalties for assaulting a paid firefighter, volunteer firefighter or on-call firefighter, or a licensed emergency medical care provider as defined in RSA 153-A:2v, acting in the line of duty. Vote 14-0.

**Amendment (0748h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to the penalty for assaulting a firefighter, licensed emergency medical care provider, or law enforcement officer.

Amend RSA 651:6, I(g) as inserted by section 1 of the bill by replacing it with the following:

(g) Has knowingly committed or attempted to commit any of the crimes defined in RSA 631 where he or she knows the victim was, at the time of the commission of the crime, a law enforcement officer, a paid firefighter, volunteer firefighter, or on-call firefighter, or licensed emergency medical care provider as defined in RSA 153-A:2, V acting in the line of duty;

**AMENDED ANALYSIS**

This bill provides for enhanced penalties for assaulting a law enforcement officer, firefighter, or licensed emergency medical care provider.

HB 1246-FN, relative to assault on law enforcement, corrections, and probation-parole officers. **INEXPEDIENT TO LEGISLATE.**

Rep. Karl I. Gilbert for Criminal Justice and Public Safety: The committee felt this matter is in current law, (RSA 631) in that corrections, probation and parole officers were included in the definition of “Law Enforcement Officers.” Vote 14-0.

HB 1292, relative to the application of the capital murder statute. **INEXPEDIENT TO LEGISLATE.**

Rep. George D. Winchell for Criminal Justice and Public Safety: This bill, as introduced, eliminates the provision of the death penalty for those who commit capital murder (RSA-630:1). This could be imposed for knowingly causing the death of a law enforcement officer, a judicial officer or another, during crimes of kidnapping, criminal solicitation, acts of aggravated felonious sexual assault, certain drug offense cases and those who are sentenced to life imprisonment without parole. The sponsor stated that his intent was not to eliminate the capital murder statute. Rather, his intent was to expand it to include those found guilty of other numerous crimes. The committee felt that where the death penalty has not been imposed since 1939, there is no problem with the current law. Vote 16-0.

HB 1361, relative to the penalty for shoplifting. **OUGHT TO PASS WITH AMENDMENT.**

Rep. George D. Winchell for Criminal Justice and Public Safety: This bill, as amended, addresses the recovery of civil damages agreed upon between a merchant and shoplifter in shoplifting cases. This agreement is currently in place under RSA 544-C:1. This law, which has been unchanged since enacted in 1992, provides for a civil settlement agreement of $200 in civil damages to be paid to the merchant plus the return of the merchandise, or replacement thereof, in lieu of criminal proceedings. This bill, as amended, raises the civil damages to “up to $400.” This bill was requested by the Retail Merchants Association in response to the rising costs of loss prevention, merchandise and court proceedings. Vote 15-3.

**Amendment (0409h)**

Amend RSA 544-C:1 as inserted by section 1 of the bill by replacing it with the following:

544-C:1 Recovery of Civil Damages for Shoplifting.

I. For purposes of this chapter, “shoplifting” shall mean shoplifting or willful concealment as defined in RSA 644:17.

II. A person who shoplifts shall be liable for civil damages to the merchant [in the amount of $200] up to $400 plus the merchandise or the value of the merchandise if it has been damaged or rendered unrecoverable.

III. A merchant may recover civil damages for shoplifting by bringing suit in a district court or by executing a settlement agreement in the form set out in paragraph IV of this section.
IV. A merchant and a person accused of shoplifting by such merchant may agree to execute a civil settlement agreement for [5200] up to [400] in civil damages, plus the return of the merchandise or the replacement value of the merchandise within 60 days of the date the agreement is signed. The form of the settlement agreement shall be as follows:

Settlement of Claim for Taking Merchandise Without Payment

The undersigned, ____________________________, having failed to pay for certain merchandise, more specifically described as follows ____________________________, hereby agrees to pay, within 60 days of the date this agreement is signed, civil damages [in the amount of $200] up to $400, plus the merchandise or the replacement value of the merchandise. The parties agree that this payment shall constitute full and complete payment of damages to the following establishment ____________________________. The following establishment ____________________________ agrees to waive any and all claims it may have for civil damages.

Nothing in this agreement shall constitute an admission of guilt for purposes of criminal law. If this agreement is signed and payment is made in full within 60 days, no police report or criminal complaint will be filed by the merchant relative to this incident. However, nothing in this agreement can or will bar the state of New Hampshire from instituting such criminal prosecutions as it deems necessary.

Party #1

Party #2 for the following establishment:

HB 1387, relative to emergency management powers of the governor concerning medical and health care professionals from other jurisdictions. INEXPEDIENT TO LEGISLATE.
Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill was voted Inexpedient to Legislate at the sponsor’s request. Vote 16-0.

HB 1406-FN, adding to the penalty provisions of the controlled drug act and relative to fines for violations of the controlled drug act. REFER FOR INTERIM STUDY.
Rep. E. Albert Weare for Criminal Justice and Public Safety: Several issues were raised concerning the penalty provisions of the bill and the addition of new fines. The intent of the bill has merit, but needs more study than can be accomplished during this session. Vote 15-0.

HB 1410-FN-L, relative to the cost to counties of convicted inmates awaiting sentencing in a county correctional facility. OUGHT TO PASS.
Rep. Gene P. Charron for Criminal Justice and Public Safety: The intent of this bill is to set a period of 30 days for inmates who have been found guilty and sentenced to State Prison, but are awaiting a pre-sentence investigation at county level. Examples were given that it was not uncommon to have the pre-sentence investigation take over 60 days in some cases to be completed. Counties will now have the ability to charge a per diem rate for those days beyond 30. Vote 17-0.

HB 1453-FN, relative to fireworks. INEXPEDIENT TO LEGISLATE.
Rep. Bob M. Fesh for Criminal Justice and Public Safety: This bill would have major ramifications in the way fireworks are offered for sale and used in New Hampshire. This bill may intend to segregate display fireworks and all permissible fireworks to RSA 160-B&C respectively and to simplify the fireworks regulations. However, it will weaken the sale and use of permissible fireworks by removing state regulation from licensing authority, educational and inspection requirements. It removes the requirement for a person to have a state license to sell permissible fireworks. It also removes the requirement for a stand alone building with a sprinkler system for the retail sales area for permissible fireworks. This means that any place such as a large retail chain, or the corner store could sell permissible fireworks alongside fruits and vegetables. The Department of Safety opposes this bill as do the majority of New Hampshire fireworks dealers. The entire Department of Safety rulemaking authority has been removed. Only the sponsor favored this bill. Vote 17-0.

HB 1467-FN, requiring the registration of drug offenders. INEXPEDIENT TO LEGISLATE.
Rep. E. Albert Weare for Criminal Justice and Public Safety: The establishment of a drug offender registration list with provisions similar to the sexual offender list is too demanding and costly to the Department of Safety and would provide very little value to the Drug Enforcement Program, or drug use problems throughout our communities. Vote 18-0.
**HB 1476**, relative to electronic tracking and monitoring of sexual offenders. REFER FOR INTERIM STUDY.

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill is closely related to HB 1692, the so called “Sexual Predator.” Since the subject matter will be covered in HB 1692, the committee felt this bill should go to Interim Study pending the final outcome of HB 1692. Vote 15-0.

**HB 1538**, relative to penalties for toll evasions. INEXPEDIENT TO LEGISLATE.

Rep. Timothy N. Robertson for Criminal Justice and Public Safety: The sponsor asked to have this bill find ITL as it is no longer needed. A Senate bill is already addressing the issue. Vote 14-0.

**HB 1645-FN**, relative to fireworks permit fees and the position of permissible fireworks inspector. OUGHT TO PASS WITH AMENDMENT.

Rep. Bob M. Fesh for Criminal Justice and Public Safety: This bill, as amended, requires the operator of a professional fireworks display to transmit a copy of the completed display permit issued by the town, city or village district to the Department of Safety 48 hours prior to the date of the event. Section 2 of the bill changes a seasonal fireworks inspector to a full-time classified position under the direction and supervision of the State Fire Marshall. Section 3 addresses individuals under 21 years of age, but at least 16 years of age to handle and sell permissible fireworks under the direct supervision of a person 21 years of age or older. This is allowed under the federal “Fair Labor Standards Act” which exempts employment in retail. Vote 15-3.

**Amendment (0747h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to fireworks display permits, the position of permissible fireworks inspector, and the sale of permissible fireworks.

Amend the bill by replacing all after the enacting clause with the following:

1. Requirements for the Display of Fireworks; Permit Fee. Amend RSA 160-B:7, V to read as follows:

   V. An application for a display permit shall be made in writing at least 15 days in advance of the date of the display. The town, city, or village district may charge a reasonable fee for a permit to display fireworks. No display permit granted under this section shall be transferable, and each display permit shall be valid for only one display to be held on the date permitted. If, in the opinion of the chief of the fire department, conditions deteriorate during the 15 days before the date for which such permit is granted so that a fire hazard exists, the chief may revoke the permit. At least 48 hours prior to the date of display, the operator of the display shall transmit a copy of the completed display permit, approved by the town, city, or village district, to the department of safety.

2. Permissible Fireworks Inspector. Amend the introductory paragraph of RSA 160-C:17 to read as follows:

   160-C:17 Permissible Fireworks Inspector. There is hereby established in the office of the state fire marshal the [seasonal] full-time classified position of permissible fireworks inspector. The permissible fireworks inspector shall be under the direction and supervision of the state fire marshal and shall:

3. Minimum Age for Sale of Permissible Fireworks. Amend RSA 160-C:3, VIII to read as follows:

   VIII. No person under the age of 21 shall be engaged in the business of handling or selling any permissible fireworks; provided, however, that a person less than 21 years of age but at least [18] 16 years of age may handle and sell permissible fireworks at a licensed sales location if he or she is under the direct supervision of a person 21 years of age or older.

4. Effective Date. This act shall take effect July 1, 2006.

**AMENDED ANALYSIS**

This bill:

I. Requires that the display permit be submitted to the department of safety at least 48 hours prior to the display.

II. Makes the position of permissible fireworks inspector a full-time, rather than seasonal, position.

III. Lowers the minimum age to sell permissible fireworks from 18 to 16 years of age. Referred to the committee on Finance.

Rep. Pelkey declared a conflict of interest and did not participate.
HB 1662-FN, establishing the crime of peonage. OUGHT TO PASS.
Rep. Timothy N. Robertson for Criminal Justice and Public Safety: Peonage is defined as involuntary servitude of another. Currently this crime exists only in federal law and covers only the most notorious occurrences. Missing in New Hampshire law is a tool to prosecute those no less egregious, but not "federal" cases including pimping, drug mules, gang members and contractor abuse of legal and non-legal immigrants. This bill is a Human Rights bill supported in a bipartisan fashion designed to help protect those in need. This bill, when made law, becomes a powerful tool in the prosecution of several crimes. It is an added charge in numerous instances and provides protections to all residents which are currently absent from New Hampshire statutes. As public policy, the committee felt this bill fills a gap, provides additional weapons to the arsenal of the state to protect all people's rights and will deter those who prey on the most vulnerable among us. Vote 17-1.

HB 1665-FN, creating an offense for the injury of another resulting in miscarriage or stillbirth. INEXPEDIENT TO LEGISLATE.
Rep. Lori A. Movsesian for Criminal Justice and Public Safety: This bill is unnecessary. New Hampshire law already imposes an additional penalty for assailants who commit a violent act toward a pregnant woman resulting in miscarriage or stillbirth. The penalties are covered in statute under first degree assault RSA 631:1 (c) and second degree assault RSA 631:2 (e). Vote 15-3.

HB 1412-FN, establishing a remedy for failing to file a copy of the annual town report with the department of education. INEXPEDIENT TO LEGISLATE.
Rep. Timothy E. Easson for Education: This bill would require the education commissioner to withhold state aid for education if a town is late in complying with the requirement to file a copy of the town report with the Department of Education. The committee determined that it is wrong to punish school districts for an offense they did not commit. Vote 15-0.

HB 1432, establishing a commission on special education funding. INEXPEDIENT TO LEGISLATE.
Rep. David W. Hess for Education: The committee strongly believes that the entire subject of special education should be comprehensively studied and reviewed. However, this bill is not the appropriate vehicle for that study, particularly because of its unwieldy size and composition. Vote 15-0.

HB 1685-FN, establishing a special needs scholarship program. INEXPEDIENT TO LEGISLATE.
Rep. Claire D. Clarke for Education: This bill was introduced as part of model legislation developed nationally. The committee will be working in an ad hoc committee to address all issues presented to the committee this session related to special needs students. Vote 16-0.

HB 1165, relative to absentee voting. INEXPEDIENT TO LEGISLATE.
Rep. Richard B. Drisko for Election Law: The intent of this bill is to permit anyone who does not wish to vote at the polling place eligibility to vote by absentee ballot. The committee retained five bills addressing absentee ballots: HB 221, passed by the House in early January, permitted workers unable to appear at the polling place because of work commitment to be eligible to vote by absentee ballot; HB 380 addressed absentee voting by emergency responders. Providing eligibility to vote absentee with the passage of these bills, the majority of the committee felt absentee voting had been broadened sufficiently. Vote 11-2.

HB 1173, relative to designating the clerk in municipalities with multiple polling places the chief elections officer for the municipality. OUGHT TO PASS WITH AMENDMENT.
Rep. Jane A. Clemons for Election Law: This bill designates city clerks to be the chief election officers for the cities. It applies only to cities with multiple polling places. It has no impact on definition of town moderators or towns in any way. Simply, it allows an election dispute in a city to be addressed by the city clerk with the secretary of state having the final word if no resolution has been met. Vote 13-0.

Amendment (0596h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to designating the clerk in cities the chief elections officer for the city.
Amend the bill by replacing sections 1 and 2 with the following:
1 New Section: Elections; Terms and Definitions; City Chief Elections Officer. Amend RSA 652 by inserting after section 14 the following new section:
652:14-a City Chief Elections Officer. The city clerk shall be the chief elections officer with authority to establish uniform practices and procedures that conform to state and federal law for all elections conducted by the city.

2 New Section; Conduct of Voting; City Chief Elections Officer Duties. Amend RSA 659 by inserting after section 9 the following new section:

659:9-a City Chief Elections Officer Duties. The city chief elections officer shall establish uniform practices and procedures that conform to state and federal law for the conduct of elections at all polling places within the city. The moderators and other election officials who conduct elections at the individual polling places within the city shall comply with the uniform procedures established for the city by the city chief elections officer. The secretary of state shall resolve any conflicting interpretations of state and federal laws arising between the chief elections officer and other election officials. The legislative body of any city may vote to have the duties of the ward officers relative to the selection and equipping of polling places assigned to the city chief elections officer.

AMENDED ANALYSIS

This bill designates the city clerk the chief elections officer for the city.

HB 1311-FN-A, relative to the electronic filing of reports and applications with the secretary of state and relative to certain fees paid to the secretary of state. OUGHT TO PASS WITH AMENDMENT. Rep. Charles F. Weed for Election Law: This bill addresses new filing and reporting requirements for candidates, committees and lobbyists passed by the legislature and required by the Help America Vote Act (HAVA). Reports can be more efficient, readable and accessible to the public through electronic filing. Those with responsibility to file may continue to meet their obligations by using paper forms; however, software for electronic filing has been purchased along with other tools available through HAVA. Electronic filers shall receive immediate confirmation of their filing from the secretary of state’s office. In order to offset some of the costs associated with filing and accessibility, the committee unanimously supports an increase in lobbyist registration fees from $50 to $100 per employer and from $50 to $75 for each political committee registration fee. We found compelling information that the last fee increase for lobbyists was in 1986. In the past 20 years, the budget for the secretary of state’s office has increased drastically. Doubling the registration fee for lobbyists will make a small dent in both the costs and newly mandated functions of the Department of Secretary of State. Vote 13-0.

Amendment (0574h)

Amend RSA 5:4-b, I as inserted by section 1 of the bill by replacing it with the following:

I. The secretary of state may establish a system of electronic filing and reporting for financial disclosure reports and applications which are required by law to be filed with the secretary of state and which by law are public documents. The system may include, but is not limited to, lobbyist registration, lobbyist fees, and expenditure statements pursuant to RSA 15, candidate financial disclosure pursuant to RSA 15-A, campaign political committee registration, contribution, and expenditure reports pursuant to RSA 664, notary public applications for commission pursuant to RSA 455, justice of the peace applications for commission pursuant to RSA 455-A, and such other public documents that are required to be filed with the secretary of state as the secretary of state may from time to time determine. The secretary of state shall continue to accept paper filings as an alternative to any electronic filings accepted pursuant to this paragraph.

Amend RSA 5:4-b, III as inserted by section 1 of the bill by replacing it with the following:

III. The secretary of state shall provide legislators and other persons with a duty to file with access through the Internet using a password-protected secure connection. At least one computer terminal for public access to the system shall be maintained at the office of the secretary of state at the state house and at least one access point available to the public shall be maintained at the state record and archives center. To the extent practical, each person with a duty to file shall be issued notice of his or her filing obligation and the information necessary to access the electronic filing system when the secretary of state receives notice of the person’s election, appointment, commissioning, registration, or filing for office. Upon receipt of an electronic filing, the secretary of state shall send the filer an electronic certification of receipt of the filing.

Referred to the committee on Ways and Means.
HB 1239-FN, relative to dog licensure. INEXPEDIENT TO LEGISLATE.
Rep. Timothy D. O'Connell for Environment and Agriculture: This bill would allow a dog to obtain a dog license if, for health reasons, it cannot be vaccinated against rabies. Rabies shots are administered every three years. Consequently, chances are extremely remote that an animal for health reasons would be outside the three year window of protection. The committee unanimously agrees that the risk to human life outweighs any exception to current state law. Vote 14-0.

HB 1393, requiring horse owners to inoculate horses against eastern equine encephalitis. INEXPEDIENT TO LEGISLATE.
Rep. James F. Powers for Environment and Agriculture: Although well intended, this bill would not provide any public health benefits. Medical evidence presented to the committee indicates that eastern equine encephalitis cannot be transmitted by any means, including a mosquito, from an infected horse to a human. Mosquitoes acquire the disease from birds, and can pass it on to humans or horses, but cannot transmit it from horses to humans. Vote 14-0.

HB 1416-FN-A, relative to the promotion, acquisition, and retention of a large animal veterinarian in the north country, and making an appropriation therefor. REFER FOR INTERIM STUDY.
Rep. Burton W. Williams for Environment and Agriculture: This bill would provide a dedicated fund for monies to pay off the medical school debt of large animal veterinarians who locate within the state. Because of the complexity and severity of the problem and because New Hampshire already provides grants to two students, but does not require that they practice in this state when they complete their education, the committee voted interim study in order to work on this bill so that it achieves its goal. Vote 13-0.

HB 1110, relative to exemptions from licensing requirements for athletic trainers. INEXPEDIENT TO LEGISLATE.
Rep. Nelson S. Allan for Executive Departments and Administration: Current statute exempts "athletic trainers not residents of this state" accompanying their teams or running a sports camp from licensing requirements, "provided such athletic trainers are currently licensed, certified or registered in any state or Canada, or are currently certified by the National Athletic Trainers Association Board of Certification." The committee agrees with the Board of Athletic Trainers that this exemption should apply to a New Hampshire resident who works in another state and meets the licensure certification or registration requirements cited above. The committee, however, finds an attendant provision requiring that such exempt athletic trainers register with the board would be difficult, if not with high school, middle school or youth leagues, at least with collegiate and semi-professional and professional athletic trainers. This solution is deemed to be worse than the problem with these unintended consequences. This bill, while well intended, starts the exemption from licensing concept down a slippery slope that the committee could not support. Vote 19-0.

HB 1114, relative to regulation by the board of licensure of interpreters for the deaf and hard of hearing. OUGHT TO PASS WITH AMENDMENT.
Rep. Peter F. Bergin for Executive Departments and Administration: The bill changes a requirement for an appointment to the board of licensure of interpreters for the deaf and hard of hearing to add at least two who are national level licensees. In addition, the amendment changes the license expiration date from January to September 1 in order to give the board time to get notification from national boards. Finally, the bill changes the requirements for non-resident interpreters in a court setting to be nationally certified. Vote 14-0.

Amendment (0483h)
Amend the bill by replacing all after section 2 with the following:

3 Exemptions From Licensure. Amend RSA 326-1:7, IV(a) to read as follows:
(a) Nonresident [certified or licensed] interpreters [working in this state fewer than 250 hours in the previous calendar year, or as otherwise qualified by rules by the board] certified by the National Registry of Interpreters of the Deaf (RID) or the American Consortium of Certified Interpreters (ACCI), levels IV and V, who have completed RID-approved legal training or who hold a legal specialty certificate (RID SC:L) when working in court settings, provided that such interpreter shall be subject to disciplinary proceedings of the board.
4 Effective Date. This act shall take effect July 1, 2006.
AMENDED ANALYSIS

This bill changes a requirement for an appointment to the board of licensure of interpreters for the deaf and hard of hearing, moves the renewal date for licensees, and changes the nonresident exemption.

**HB 1128-FN**, relative to definition of teacher in the New Hampshire retirement system. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Ken Hawkins for Executive Departments and Administration: This bill addresses the definition of who is a teacher for the New Hampshire Retirement System, and requires that the proof of certification by the Department of Education, or the appropriate professional license in the case of licensed professionals (speech pathologists, nurses, etc.) shall be maintained by the employer and available to the retirement system upon request. It also changes the date for the fiscal committee to decide on COLA changes from February 1 to May 31. This will allow an extra four months to assess the monies that will be available in the special account to pay COLA’s and medical benefits. Vote 14-0.

**Amendment (0822h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to definition of teacher in the New Hampshire retirement system, and relative to approval of supplemental allowances.

Amend the bill by replacing all after the enacting clause with the following:

1 Retirement System; Teachers. Amend RSA 100-A:1, VI to read as follows:

VI. “Teacher” shall mean any regular or special teacher, principal, supervisor or administrator, librarian or other member of the teaching or professional staff engaged in the service of the public elementary and secondary schools located within the state and supported by and under the control of the state, the local school district, or other employers of teachers eligible for membership in the system. For teachers who job share, teacher shall mean 2 individuals who share one position. **For purposes of membership as a teacher under this chapter, proof of appropriate certification by the department of education or appropriate professional licensure shall be maintained by the employer and available to the retirement system.**

2 Retirement System; Supplemental Allowances; Fiscal Committee Approval. Amend RSA 100-A:41-a, II to read as follows:

II. [On February 1] **No later than May 31** of each year, [beginning in 1999:] the fiscal committee of the general court may approve COLA’s for the July 1 thereafter upon certification from the actuary of the amount of the COLA which may be granted to each member classification based on the funds available in the special account for each member classification. The actuary shall look at each member classification component of the special account separately and shall certify to the fiscal committee the funds available, and any other information required by the committee, including but not limited to any change in the Consumer Price Index-Urban for the year prior to the year in which the allowance is granted. Any such supplemental allowance when granted by the fiscal committee of the general court shall become a permanent addition to the beneficiary’s base retirement allowance, and shall be included in the monthly annuity paid to the retired member, or to the member’s beneficiary if the member is deceased and the beneficiary is receiving an allowance under RSA 100-A:8, 100-A:9, 100-A:12, 100-A:13 or similar provisions of predecessor systems.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires employers of teachers in the retirement system to maintain proof of certification of its teachers and make such proof available to the retirement system.

This bill also changes the date for approval by the fiscal committee of cost of living adjustments for retirement system beneficiaries.

**HB 1134**, relative to membership of the state building code review board. **OUGHT TO PASS.**

Rep. A. Laurie Harding for Executive Departments and Administration: This bill adds a member of the Fire Prevention Society to the 16 member State Building Code Review Board. This board addresses the issue of public safety including building codes as they relate to fire prevention. The Fire Prevention Society members have particular expertise in this area and were thought to be an important addition to the review board by the committee. Vote 19-0.
HB 1156, changing the notification for public hearings on ski area passenger tramway rules from registered mail to first class mail. **OUGHT TO PASS.**
Rep. Nelson S. Allan for Executive Departments and Administration: This bill provides statutory authority to the commissioner of safety to notify registered operators about public hearings on ski area passenger tramway rules via first class mail instead of registered mail. This change brings a considerable savings to the department’s mail budget. Other notifications in the department are handled by first class mail. Vote 16-0.

HB 1181, establishing a committee to study the composition of the retirement system board of trustees. **INEXPEDIENT TO LEGISLATE.**
Rep. Peter F. Bergin for Executive Departments and Administration: The sponsor of this bill recommended inexpedient to legislate because SB 385 has similar subject matter. Vote 17-1.

HB 1191, making technical corrections to the chapter governing vital records. **OUGHT TO PASS WITH AMENDMENT.**
Rep. Maurice L. Pilotte for Executive Departments and Administration: This bill addresses housekeeping issues that were overlooked when the responsibilities in the administration of vital statistics were transferred from the department of health and human services to the department of state. The amendment eliminates section 2 of the bill dealing with the issuance of birth certificates. The provision of this section, including fees and the obligation to protect the confidentiality of adoptive birth records, are already included in other sections of the statute. The bill also addresses an overlooked needed change in regards to the signature of the secretary of state and not the commissioner of the department of health and human services on disinterment permits. Vote 17-0.

**Amendment (0424h)**
Amend the bill by deleting section 2 and renumbering the original sections 3-14 to read as 2-13, respectively.

**AMENDED ANALYSIS**
This bill makes technical corrections to the laws governing vital records, including correcting certain statutory cross-references, replacing a reference to the division of information technology with the office of information technology, and clarifying the department of state’s authority to issue burial permits.

HB 1197, establishing a committee to study requiring state government to consider using open source software when acquiring new software. **INEXPEDIENT TO LEGISLATE.**
Rep. James B. Coburn for Executive Departments and Administration: A sub-committee discussed this issue and determined that the major main frame applications are probably not available in open source software. There is software called “open office” that is similar to a Microsoft product installed on most desktops. Upon checking with the Office of Information Technology, it was determined that the state does not have the technical resources to control or support such software. Vote 15-1.

HB 1264, establishing an advisory committee to study the information practices act and establishing a temporary moratorium on reports filed under the information practices act. **OUGHT TO PASS.**
Rep. Peter F. Bergin for Executive Departments and Administration: This bill was requested by the secretary of state. It establishes an advisory committee to study the information practices act. In addition, while this study is underway, it establishes a temporary moratorium on reports filed under the information practices act. Vote 17-0.

HB 1415-FN-A, establishing the office of corrections ombudsman. **REFER FOR INTERIM STUDY.**
Rep. Anne-Marie Irwin for Executive Departments and Administration: This bill would establish the office of a correction ombudsman for the purpose of conducting independent investigations of complaints filed by employees and inmates of the Department of Corrections. Over the last few years, considerable concern has been expressed over both the number of complaints filed and the excessive expense of settlements paid. It would be the job of the ombudsman to investigate complaints and, potentially, save the state the millions of dollars presently being paid in settlements. Previously this bill received support of the Executive Department and Administration Committee, and the committee continues to express interest in the concept, but wants to gather and study all available current information. In addition, the committee believes our interim study would allow time for the new commissioner to become accustomed to his new position. Vote 16-1.
HB 1458-FN, relative to the regulation of landscape architects. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Maurice L. Pilotte for Executive Departments and Administration: Currently all large projects in two New Hampshire communities as well as state projects require that plans have the seal of a licensed landscape architect. Since New Hampshire does not presently license landscape architects, these governmental entities must hire someone licensed in another state. The committee unanimously supports this bill which, in its preparation, had input and consensus of all stake holders including engineers, architects, agriculturists, horticulturists, tree experts, arborists, foresters, wetland scientists, landscape designers, landscape contractors, irrigation contractors, irrigation designers, garden or lawn caretakers or graders, and cultivators of the land. Vote 14-0.

**Amendment (0872h)**

Amend the bill by replacing section 3 with the following:

3 New Subdivision; Licensing Landscape Architects. Amend RSA 310-A by inserting after section 139 the following new subdivision:

Licensing Landscape Architects

310-A:140 Objective. A landscape architect, regulated by this chapter, shall undertake to perform professional services only when the landscape architect is qualified by education, training, and experience in the specific technical areas involved.

310-A:141 Definitions. In this subdivision:

I. “Landscape architect” means a person who, by reason of professional education or practical experience, or both, is qualified to engage in the practice of landscape architecture as attested by licensing as a landscape architect.

II. “Landscape architectural practice” means the performance of professional services in connection with the development of land areas where, and to the extent that the dominant purpose of such services is the preservation, enhancement or determination of proper land uses, natural land features, ground cover and planting, naturalistic and aesthetic values, the setting, approaches or environment for structures of other improvements, natural drainage and the consideration and determination of inherent problems of the land relating to erosion, wear and tear, blight or other hazards, to the extent that such services protect public health, safety and welfare. The practice of landscape architecture shall include the location, design and arrangement of such tangible objects and features as are incidental and necessary to the purposes outlined in this paragraph, but shall not include the design, assessment, analysis or evaluation of structures or facilities with separate and self contained purposes, streets or highways, utilities, storm and sanitary sewer systems and appurtenant structures, and water and sewage treatment facilities such as are exclusive to the practice of professional engineers, natural scientists, or architects as defined in this chapter. Furthermore, this practice shall not include the making of land surveys or final land plats for official approval or recording, the official mapping of soils, or the analysis, testing and reporting of soil, and bedrock conditions, delineation of wetlands or determination of soil surface, or groundwater related to hazardous waste contamination. The practice of landscape architecture shall include:

   (a) Production of graphic and written material for use in the planning and design of land development programs including:

      (1) Preparation, review and analysis of master plans and land development plans incidental to the practice of landscape architecture.

      (2) Reconnaissance, planning, construction documents and specifications, and construction supervision incidental to the practice of landscape architecture.

      (3) Providing professional services for feasibility studies and site selection incidental to the practice of landscape architecture.

      (4) Providing professional advice on land preservation, restoration, conservation, reclamation, rehabilitation, management and development incidental to the practice of landscape architecture.

   (b) Consultation, research, stewardship, analysis, investigation, reconnaissance, and construction overview.

III. “Board” means the board of landscape architects.

IV. “Business organization” means any enterprise, whether corporation, partnership, limited liability company, proprietorship, association, business trust, real estate trust, or other form of organization; organized for gain or profit, carrying on any business activity within the state.
310-A:142 Board of Landscape Architects; Establishment; Criteria; Terms; Compensation and Expenses; Meetings; Records and Reports; Roster.

I. A board of landscape architects is established to administer the provisions of this subdivision. The board shall consist of 5 persons appointed by the governor and council, 4 of whom shall be landscape architects, and one public member. The public member of the board shall be a person who is not, and never was, a member of the landscape architectural profession or the spouse of any such person, and who does not have and never has had, a material financial interest in either the provision of landscape architectural services or an activity directly related to landscape architecture, including the representation of the board or profession for a fee at any time during the 5 years preceding appointment.

II. Each member of the board shall be a citizen of the United States and a resident of this state. Each landscape architect member shall have actively practiced landscape architecture for his or her means of livelihood for at least 10 years prior to appointment and shall have held a responsible position in charge of such work for at least 5 years prior to appointment, which may include the teaching of landscape architecture.

III. Members shall be appointed for 5-year terms, except that no more than one appointed member’s term may expire in any one calendar year. Appointments for terms of less than 5 years may be made in order to comply with this limitation. No appointed member shall be eligible to serve more than 2 full consecutive terms, provided that for this purpose only a period actually served which exceeds 1/2 of the 5-year term shall be deemed a full term. Upon expiration of a member’s term, the member shall serve until a successor is qualified and appointed. The successor’s term shall be 5 years from the date of expiration of the predecessor’s appointment, regardless of the date of the successor’s appointment. Vacancies occurring prior to the expiration of a specific term shall be filled by appointment for the unexpired term. A board member may be removed for cause by the governor and council under RSA 4:1.

IV. Members of the board shall receive $25 for each day actually engaged in the duties of their office and shall be reimbursed for all actual travel, incidental and clerical expenses necessarily incurred in carrying out the provisions of this chapter.

V. The board shall hold at least 3 regular meetings each year and special meetings at such times as it may deem necessary. Notice of all meetings shall be given in such a manner as rules adopted by the board may provide. The board shall biennially elect or appoint a chairperson, vicechairperson, and secretary. Three members shall constitute a quorum.

VI.(a) The board shall keep a record of its proceedings and a register of all applications for licensure, which shall show:

(1) The name, age, and residence of each applicant.
(2) The date of application.
(3) The place of business of such applicant.
(4) The applicant’s educational and other qualifications.
(5) Whether or not an examination was required.
(6) Whether the applicant was rejected and the reasons for such rejection.
(7) Whether a license was granted.
(8) The date of the action of the board.
(9) Such other information as may be deemed necessary by the board.

(b) The records of the board shall be prima facie evidence of the proceedings of the board, and a transcript of such records certified by the secretary of the board under seal shall be admissible in evidence with the same force and effect as if the original were produced. Biennially, as of December 31, the board shall submit to the governor a report of the transactions of the preceding biennium, and a complete statement of the receipts and expenditures of the board.

VII. The secretary of the board shall publish a roster listing the names and addresses of all landscape architects licensed under this subdivision by the board during February of each even-numbered year. Copies of this roster shall be mailed to each person so licensed, placed on file with the secretary of state, and furnished to the public upon request at a fee to be established by the board. The board may include in such roster any other information it deems appropriate.

310-A:143 Rulemaking Authority.

I. The board shall adopt rules, pursuant to RSA 541-A, relative to:

(a) The application procedure for a license to practice under this subdivision;
(b) The qualifications of applicants in addition to those requirements set by statute, and including the qualifications for satisfactory evidence of good professional character;
(c) How an applicant shall be examined, including the time and place of the examination;
(d) How a license to practice under this subdivision shall be renewed or reinstated, including late fees and any requirements for continuing education;
(e) The establishment of all fees required under this subdivision;
(f) Ethical and professional standards required to be met by each holder of a license under this subdivision and how disciplinary actions by the board shall be implemented for violations of these standards;
(g) Matters related to the proper administration of this subdivision;
(h) Procedures for the conduct of hearings consistent with the requirements of due process;
(i) The design of an official seal; and
(j) Application procedures for and issuance of corporate practice certificates.
II. At least 40 days prior to any hearing to be held pursuant to RSA 541-A:11, the board shall furnish a copy of any proposed rules of professional conduct, or amendments thereto, to all affected professionals licensed by the board.
310-A:144 Fees. The board shall adopt rules, under RSA 541-A, which shall establish all fees required under this subdivision including the following:
I. Examinations.
II. Application for licensure upon passing the examination.
III. Application for a license under RSA 310-A:149.
IV. Biennial renewal for licensed landscape architects.
V. Late fees for a late renewal of license.
VI. Replacement of lost or mutilated license.
VII. Transcribing and transferring records and other services.
VIII. Reinstatement fees.
310-A:145 Licensure Required. No person shall practice landscape architecture in this state, except as permitted in RSA 310-A:160, without a landscape architect’s license issued under this subdivision.
310-A:146 Eligibility Requirements for Licensure as a Landscape Architect.
I. Each applicant for licensure as a landscape architect shall meet one of the following requirements:
   (a) Possession of an accredited 4-year landscape architecture degree or equivalent, and 3 years professional experience under the direct supervision of a licensed Landscape Architect; or
   (b) Possession of a non-accredited 4-year landscape architecture degree or a 4-year degree in a related field and 5 years professional experience of which shall be under the direct supervision of a licensed landscape architect; or
II. The board shall have the discretion to reject an applicant who is not of good professional character, as evidenced by:
   (a) Conviction for commission of a felony;
   (b) Misstatement of facts by the applicant in connection with the application;
   (c) Violation of any of the standards of conduct required of landscape architects as they are set forth in this subdivision or in rules adopted by the board; or
   (d) Practicing landscape architecture without being licensed in violation of laws of the jurisdiction in which the practice took place.
III. Upon complying with the preliminary requirements set forth in this section, the applicant shall, in order to become licensed, pass written examinations as provided in RSA 310-A:151, except as otherwise provided in RSA 310-A:153.
IV. Following the effective date of the initial adoption by the board of rules under RSA 541-A, the board may issue licenses to applicants whose applications for licensure have been received during a one-year period following the effective date of adoption of the rules, who provide evidence satisfactory to the board of knowledge and experience equivalent to the requirements set forth in subparagraphs I(a) or (b), and who meet the examination requirements of RSA 310-A:151.
310-A:147 Teaching Credits. In considering the qualifications of applicants, landscape architectural teaching may be construed as landscape architectural experience.
310-A:148 Work as Contractor. The mere execution, as a contractor, of work designed by a landscape architect or the supervision of the construction of such work as a foreman or superintend-
310-A:149 Applications.

I. Applications for licensure shall be on forms prescribed and furnished by the board, shall contain statements made under oath, showing the applicant’s education and a detailed summary of the applicant’s technical work, and shall contain not less than 5 references, of whom at least 3 shall be licensed landscape architects having personal knowledge of the applicant’s professional experience. The board shall establish fees for application and any examination required under this subdivision. Should the board deny the issuance of a license to any applicant, any initial fee deposited shall be retained as an application fee.

II. References relating to experience in the practice of landscape architecture performed prior to the effective date of this subdivision may be provided by either a landscape architect or a person determined by the board to be of equivalent ethical standards, education, and experience who may or may not have been licensed.

310-A:150 Continuing Education. Evidence satisfactory to the board of the completion in each biennial renewal period of a minimum of 30 hours of continuing education shall be required for license renewal. The board shall identify the types of educational courses and activities that would further the professional competence of licensees. In general, the continuing education credits shall be determined on the basis of one credit for each contact hour of course instruction or professional development activity actually attended by a licensee.

310-A:151 Examinations. Written technical examination in landscape architecture shall be held at least annually at such times and places as the board shall determine. The scope of the technical and professional examination and the methods of procedure shall be prescribed by the board. A candidate failing an examination may apply for reexamination upon payment of an additional fee determined by the board and shall be reexamined on the next regularly scheduled examination date.

310-A:152 Certificates; Seals. The board shall issue a license upon payment of the license fee established by the board, to any applicant who, in the opinion of the board, has satisfactorily met all the requirements of this subdivision. Licenses shall show the full name of the licensee, have a serial number, and be signed by the chairperson and the secretary of the board under seal of the board. The issuance of a license by the board shall be prima facie evidence that the person named in the license is entitled to all the rights and privileges of a licensed landscape architect while the license remains valid. Each licensee shall upon licensure obtain a seal of the design authorized by the board, bearing the registrant’s name and the legend, “licensed landscape architect.” All papers or documents involving the practice of landscape architecture under this subdivision, when issued or filed for public record, shall be dated and bear the signature and seal of the licensed professional who prepared or had responsibility for and approved them. It shall be a class B misdemeanor for the licensee to stamp or seal any documents with such seal after the license of the licensee has expired or has been revoked, unless such license shall have been renewed, reinstated, or reissued.

310-A:153 Interstate Licensure.

I. The board in its discretion may, upon application and the payment of a fee, issue a landscape architect’s license to any person who holds a Council of Landscape Architectural Registration Board (CLARB) certificate, or to any person who holds an unexpired license or certificate of registration issued by any state, territory or possession of the United States, provided that the applicant’s qualifications meet the requirements of this subdivision and the rules established by the board.

II. The board may grant a landscape architect’s license to any applicant who is similarly licensed in any other state, provided the other state’s licensing requirements are substantially equivalent to or higher than those of this state.

310-A:154 Expiration and Renewals.

I. All licenses issued by the board shall expire on the last day of the licensee’s month of birth the second year following the year of issuance, or upon such other biennial date as the board may adopt. The board shall cause notification of the impending license expiration to be sent to each licensee at least one month prior to the expiration of the license, along with a request for payment of a renewal fee. Licensees in good standing may renew their licenses by paying the renewal fee prior to the expiration date of the license, and by presenting evidence satisfactory to the board of completion of the continuing education requirements. If properly renewed, a license shall remain in effect continuously from the date of issuance, unless suspended or revoked by the board for just cause.

II. If the renewal fee is not submitted within 12 months after the expiration date of the license, the licensee’s name shall be removed from the mailing list and roster. The board, pursuant to rules adopted under RSA 310-A:143, shall charge up to a 20 percent late fee for each month or fraction of a month the renewal is late, up to 12 months, in addition to the renewal fee.
III. If the renewal fee is not submitted within one year of the expiration date, an application for reinstatement shall be required and approved by the board to reinstate the license.

I. The board may undertake disciplinary proceedings:
   (a) Upon its own initiative; or
   (b) Upon written complaint of any person which charges that a person licensed by the board has committed misconduct under paragraph II and which specifies the grounds therefore.

II. Misconduct sufficient to support disciplinary proceedings under this section shall include:
   (a) The practice of fraud or deceit in procuring or attempting to procure a license to practice under this subdivision.
   (b) Conviction of a felony or any offense involving moral turpitude.
   (c) Any unprofessional conduct, or dishonorable conduct unworthy of, and affecting the practice of, the profession.
   (d) Unfitness or incompetency by reason of negligent habits or other causes; or negligent or willful acts performed in a manner inconsistent with the interests of persons relying on the expertise of the licensee.
   (e) Addiction to the use of alcohol or other habit-forming drugs to a degree which renders the licensee unfit to practice under this subdivision.
   (f) Mental or physical incompetency to practice under this subdivision.
   (g) Willful or repeated violation of the provisions of this subdivision.
   (h) Suspension or revocation of a license, similar to one issued under this subdivision, in another jurisdiction and not reinstated.
   (i) Violations of the rules of professional conduct for landscape architects, or any other rule adopted by the board.
   (j) Providing false testimony before the board.
   (k) Failure to provide, within 30 calendar days of receipt of notice by certified mail, return receipt requested, information requested by the board as a result of any formal complaint to the board alleging a violation of this subdivision.
   (l) Knowingly making or signing any false statement, certificate, or affidavit in connection with the practice of landscape architecture.

310-A:156 Hearings.

I. The board shall take no disciplinary action without a hearing. At least 14 days prior to hearing, both parties to a disciplinary proceeding shall be served, either personally or by certified mail, return receipt requested, with a written copy of the complaint filed and notice of the time and place for hearing. All complaints shall be objectively received and appropriately pursued by the board. Written complaints received by the board shall be acknowledged within 3 months of the date of notice to the board. Written notice of all disciplinary decisions made by the board shall be given to both parties to the proceeding upon their issuance.

II(a). The board shall have the power to administer oaths or affirmations, preserve testimony, subpoena witnesses, and to compel, by subpoena duces tecum, the production of all books, records, files and documents, whether originals, copies, or in electronic or other form, and other materials, relevant to its investigation of any grievance, complaint, or disciplinary proceeding before the board.
   (b) The board may issue subpoenas with the approval of the office of the attorney general.
   (c) A minimum of 10 business days’ notice shall be given for compliance with a subpoena under this subdivision.

III. At any hearing, the named person or licensee shall have the right to:
   (a) Appear in person, by counsel, or both.
   (b) Produce evidence and witnesses.
   (c) Cross-examine witnesses.

IV. If the named person fails or refuses to appear, the board may proceed to hear and determine the validity of the charges.

V. The board, upon making an affirmative finding under RSA 310-A:155, II, may take disciplinary action in any one or more of the following ways:
   (a) By written reprimand.
   (b) By suspension, refusal to renew, limitation or restriction of a license, or probation for a period of time determined to be reasonable by the board.
   (c) By revocation of a license.
(d) By requiring the person to participate in a program of continuing education in the area or areas in which the person has been found deficient.

(e) By requiring the person to practice under the direct supervision of a licensed landscape architect for a period of time specified by the board.

(f) By assessing civil penalties, after notification and due process, in amounts established by the board which shall not exceed $2,000 per offense or, in the case of continuing offenses, $200 for each day the violation continues, whichever is greater.

VI. Any applicant or licensee aggrieved by an action of the board denying, suspending, refusing to renew, or revoking its license may appeal the decision in accordance with RSA 541.

VII. In addition to any other action, the board may assess all reasonable costs incurred in connection with any disciplinary proceeding, including investigations and stenographers and attorneys fees as a condition of probation or reinstatement.

VIII. Any disciplinary action by the board shall be published in the report of the board and shall be a public record in accordance with RSA 91-A.

310-A:157 Reissuance of Licenses. The board, for reasons it may deem sufficient, may reissue a license to any person whose license has been suspended or revoked, provided 3 or more members of the board vote in favor of such reissuance. A new license may be issued, subject to the rules of the board, and a charge shall be made for such issuance.

310-A:158 Violations. It shall be a class B misdemeanor for any natural person or a felony for any business organization to:

I. Present or attempt to use the license or seal of another as one’s own;

II. Give any false or forged evidence of any kind to the board or to any board member in obtaining a license;

III. Falsely impersonate any other licensee of like or different name;

IV. Attempt to use an expired or revoked license;

V. Practice landscape architecture or to offer, advertise or hold oneself out to the public as being in the practice of landscape architecture in this state without a license; or

VI. Violate any of the provisions of this subdivision.

310-A:159 Restraint of Violations. The superior court shall have jurisdiction in equity to restrain violations of RSA 310-A:158 on proceedings brought by the attorney general, the board, or any society of licensed landscape architects duly incorporated under the laws of this state.

310-A:160 Exemptions. Nothing in this subdivision shall be construed to prevent or affect:

I. The preparation of details and shop drawings by persons, other than landscape architects, for use in connection with the execution of their work.

II. The preparation of plans, drawings and specifications for and the supervision of the construction or alteration of landscape design associated with farms, residences, institutional or commercial uses where the client or reviewing governmental entity does not require the stamp of a licensed landscape architect.

III. Supervision by builders, or superintendents employed by such builders, of the installation of landscape projects.

IV. Business conducted in this state by any agriculturist, horticulturist, tree expert, arborist, forester, wetland scientist, certified professional in erosion and sediment control, natural scientist, soil scientist, nurseryman or landscape nurseryman, gardener, landscape gardener, landscape designer, landscape contractor, irrigation contractor, irrigation designer, garden or lawn caretaker or grader or cultivator of land, as these terms are generally used, except that no such person shall use the designation “landscape architect,” “landscape architectural” or “landscape architecture” unless licensed as a landscape architect under this article.

V. The practice of architecture by an architect licensed in this state, or the practice of professional engineering or land surveying by a professional engineer or land surveyor licensed in this state, or the preparation of wetland mitigation plans by a wetland scientist, natural scientist, or soil scientist, provided that no such architect, professional engineer, wetland scientist, natural scientist, soil scientist, or land surveyor shall use the designation “landscape architect,” “landscape architectural” or “landscape architecture” unless licensed as a landscape architect in this state.

VI. The practice of landscape architecture by officers and employees of the United States while engaged within the state in the practice of landscape architecture for the federal government.

VII. Professional engineers, when engaged in the lawful practice of engineering under RSA 310-A, from performing engineering work which could be defined in this subdivision as within the practice of the profession of landscape architecture.
HB 1501, making various changes to the lottery commission. OUGHT TO PASS WITH AMENDMENT.

Rep. James M. Fitzgerald for Executive Departments and Administration: This bill was brought forward at the request of the lottery commission to make technical changes and updates after going through an internal audit. It updates and brings into compliance bonding, commission compensation, budget format and transfers, commission report and public drawings. It also allows the lottery commission to consider communities adjacent to Concord when looking for office and storage space. The amendment was recommended by rules to allow lottery to better conform to the multi-state games such as power ball. Vote 17-1.

Amendment (0533h)
Amend the bill by inserting after section 7 the following sections and renumbering the original section 8 to read as 10:

8 New Paragraph; Multi-State Lottery Association. Amend RSA 284:21-i by inserting after paragraph V the following new paragraph:

VI. The commission may adopt rules, which shall be exempt from the provisions of RSA 541-A, for any multi-jurisdictional game conducted by the Multi-State Lottery Association.

9 New Subparagraph; Exception; Multi-State Lottery Association. Amend RSA 541-A:21, 1 by inserting after subparagraph (y) the following new subparagraph:

(z) RSA 284:21-i, V relative to rules for multi-jurisdictional games conducted by the Multi-State Lottery Association.

HB 1521, requiring the appointment of alternate members to the juvenile parole board. OUGHT TO PASS WITH AMENDMENT.

Rep. Alida I. Millham for Executive Departments and Administration: The Juvenile Parole Board, a volunteer body, meets every two weeks. Illness and vacations have, from time to time, caused a lack of a quorum. This bill adds two alternate members who will be able to sit for all meetings and able to vote when a regular member is absent. The bill also puts in statute the current policy of paying mileage. Vote 16-0.

Amendment (0784h)
Amend the title of the bill by replacing it with the following:

AN ACT relative to the membership of the juvenile parole board.

Amend the bill by replacing all after the enacting clause with the following:

1 Parole of Delinquents: Juvenile Parole Board. Amend RSA 170-H:3 to read as follows:

170-H:3 Juvenile Parole Board. There shall be a juvenile parole board with 5 members and 2 alternate members. The members and alternate members of the board shall be appointed by the governor with the consent of the council for staggered terms of 5 years or until their successors are appointed. An alternate member may attend any hearing of the juvenile parole board but may only vote in the absence of a member. A vacancy on the board shall be filled by an alternate member designated by the chairman for the unexpired term. No member shall serve more than 2 consecutive terms. The governor shall designate one member as chairman, and the chairman shall designate one other member to serve as chairman in his or her absence. At least 3 members of the board shall be present at all meetings and 3 members shall constitute a quorum. The board shall hold at least 12 parole hearings each year and may hold more hearings as necessary. Members and alternate members shall be paid mileage at the state employee rate while engaged in the duties of the board and to the extent funds are available in the youth development center budget.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill adds 2 alternate members to the juvenile parole board.

HB 1634-FN, making technical changes to the law governing the New Hampshire retirement system. OUGHT TO PASS WITH AMENDMENT.

Rep. Ken Hawkins for Executive Departments and Administration: This bill was submitted as a housekeeping bill. The main items being changed are allowing political sub-divisions to join the system after a vote of the sub-division, redefining accumulated contributions and contributions for members with over 40 years service. It will also discontinue the medical subsidy for spouses of deceased members if they remarried. Vote 16-0.
Amendment (0816h)

Amend the bill by replacing section 2 with the following:

2 Definitions. Amend RSA 100-A:1, IV to read as follows:

IV. “Employer” shall mean (a) the state or any department, commission, institution, or agency of the state government by which an employee is paid through the office of the state treasurer with respect to their employees, (b) the state, the local school district, or other employers of teachers eligible for membership in the system with respect to the teachers in their employ, (c) any police department or police force of the state, or of any county, city, town, village, or precinct in the state with respect to the permanent policemen in their employ, and (d) any fire department of the state, or of any county, city, town, village, or precinct in the state with respect to the permanent firemen in their employ, and (e) any political subdivision that has elected to participate under RSA 100A:20, provided, however, that in no instance shall any employer contribute or participate in the retirement system unless by a reasonable determination of the board of trustees such employer qualifies as a governmental entity, political subdivision, agency, or instrumentality eligible to maintain participate in the retirement system as a governmental plan within the meaning of section 414(d) of the United States Internal Revenue Code of 1986, as amended.

Amend RSA 100-A:3, VI(c) as inserted by section 5 of the bill by replacing it with the following:

(c) Except for service described in subparagraph (d), in no case shall prior service purchased as credible service in the New Hampshire retirement system under the provisions of this section be deemed to be credible service for the purposes of eligibility for medical benefits after retirement under the provisions of RSA 21-I:30, RSA 100-A:52, RSA 100-A:52-a, or RSA 100-A:52-b. Amend the bill by inserting after section 10 the following and renumbering the original sections 11-19 to read as 12-20:

11 Administration. Amend RSA 100-A:14, V to read as follows:

V. The board of trustees shall have the full power to employ and compensate such employees on such terms as may be necessary as charges upon the funds of the retirement system, and establish personnel policies without regard to any personnel or civil service law or personnel or civil service rule of the state. The employees of the retirement system shall not be classified employees of the state within the meaning of RSA 21-I:49. Notwithstanding, any individual employed by the retirement system whose employment calls for 30 hours or more work in a normal calendar week, and whose position is anticipated to have a duration of 6 months or more, shall be entitled to elect to receive such health, dental, life insurance, deferred compensation, and retirement benefits as are afforded to classified employees of the state. Upon election by such individual, the retirement system shall pay from its funds the state’s share of such benefits. Any remaining costs of health, dental, and life insurance benefits which an individual elects to receive pursuant to this paragraph, shall be withheld from such individual’s salary as a payroll deduction. Written notice of the availability of these benefit options shall be provided to each individual upon employment by the retirement system. It may also engage such actuarial, medical, and like services as may be required to transact the business of the system. The compensation for such special services, and all other expenses of the board necessary, hereto, shall be paid at such rates and in such amounts as the board shall approve. Service as an employee of the retirement system shall be credited service for purposes of RSA 21-I:30. II. Any retirement system employee who transfers, without a break in service, to a state classified service position shall transfer all the days of sick leave credit and annual leave credit that the retirement system employee has accumulated pursuant to this section. At the time of such a transfer, the employee shall immediately begin to accrue annual and sick leave as granted at the time of the transfer by the receiving agency according to the employee’s continuous years worked.

Amend section 17 of the bill by replacing it with the following:

17 Payment by Retirement System; Group I State Employees. Amend RSA 100-A:52-b, I (h) to read as follows:

(h) The spouse of a qualified retiree, until death or remarriage.

HB 1661-FN, relative to the practice of real estate sales and eliminating the real estate commission. INEXPEDIENT TO LEGISLATE.

Rep. Ken Hawkins for Executive Departments and Administration: The committee feels that it would not make sense to do away with the real estate commission. The commission plays an integral part in ensuring that consumers are protected from fraudulent or unscrupulous persons who might prey on the elderly or unintimated. Vote 15-0.
HB 1671-FN, relative to the regulation of dentists and dental hygienists by the board of dental examiners. OUGHT TO PASS WITH AMENDMENT.

Rep. Ken Hawkins for Executive Departments and Administration: This bill does three things. It adds language to the professional misconduct piece of RSA 317-A:17, II(b) to include misdemeanor involving a number of items, among which are dishonesty, criminal conduct involving moral turpitude and unprofessional conduct. It also will allow dental hygienists to administer nitrous oxide/oxygen after completing an approved course and passing an examination approved by the Board of Dentistry. It also changes record keeping requirements so that only paper and radiographic records must be kept for seven years (not molds for caps, etc.). Vote 17-0.

Amendment (0797h)

Amend the bill by replacing sections 2 and 3 with the following:

2 New Subparagraph; Dental Hygienists; Services. Amend RSA 317-A:21-c, II by inserting after subparagraph (e) the following new subparagraph:

(f) The administration of nitrous oxide/oxygen minimal sedation (anxiolysis); provided the dental hygienist is certified by the board after training and after passing an examination approved by the board.

3 Dental Records. Amend RSA 317-A:27-a to read as follows:

317-A:27-a Dental Records. Dentists and dental hygienists shall make a record of all examinations and treatments performed or recommended. The record shall be in such a manner and in sufficient detail that it may be used for identification purposes. A dentist shall maintain patients’ paper and radiographic records for at least 7 years from the time the dentist or dental hygienist last treated the patient. In the case of a minor patient, a dentist shall maintain a patient’s paper and radiographic dental records for at least 7 years past the age of majority.

AMENDED ANALYSIS

This bill includes certain misdemeanors as professional misconduct, allows dental hygienists to administer certain sedation, and clarifies the retention of dental records.

This bill is a request of the board of dental examiners.

HB 1715-FN, relative to funding of the professional assistance program of dentists. OUGHT TO PASS.

Rep. James B. Coburn for Executive Departments and Administration: This bill requires that not more than $30 of each dentist fee paid to the Board of Examiners be used for funding a professional assistance program. There is already such a program in the New Hampshire Society in which dentists may already participate. This bill permits $300 of the two year dental registration fee to be used to fund the participation by dentists and dental hygienists. The committee felt that this was a good way to fund a worthwhile program without placing a significant burden on the licenses. Vote 16-0.

Referred to the committee on Ways and Means.

HB 1288, requiring an audit of federal funds received by the department of education. INEXPEDIENT TO LEGISLATE.

Rep. Marjorie K. Smith for Finance: The committee shares the sponsor’s belief that it is both timely and desirable to gain a better understanding of the use of federal “No Child Left Behind” money. The sponsor was not aware that the LBA has been working under the direction of the Performance Audit and Oversight Committee and the Fiscal Committee to develop a scoping statement to accomplish this very goal. Vote 18-0.

HB 1263, requiring certain notification before a person with a mental illness may be discharged from a state mental health services facility. INEXPEDIENT TO LEGISLATE.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill would amend the existing statute to require that “the receiving facility shall also give written notice of the discharge to the appropriate local law enforcement authorities and, if possible, the person’s next of kin.” Following testimony by two sponsors of the bill, all other speakers (8 in number) opposed the bill. Those in opposition included the New Hampshire Mental Health Consumer Council including its chair, NH Behavioral Health Association, NAMI NH, Disability Rights Center, NH Psychiatric Society and former patients and family members. In general, it was felt that this bill would tend to criminalize mentally ill patients. There is very little evidence that the current sys-
tem is not working well. This bill would infringe on patients' civil rights. Additionally their illnesses are for the most part unrelated to criminal behavior. Many of those opposing the bill are client advocates who do not represent governmental agencies. In addition, many patients at NH Hospital are civil commitments, and their health problems do not come under the purview of law enforcement officials. Another issue often repeated is the stigma associated with mental illness. Viewing their condition as reportable to law enforcement tends to reinforce that stereotype. State policy should respect the strengths and capacity of individuals to recover from their disorders and their ability to function in society in creative and positive ways. The committee, after hearing extensive testimony on this bill, unanimously voted inexpedient to legislate. Vote 16-0.

HB 1427, relative to the principles for developmentally disabled services. OUGHT TO PASS WITH AMENDMENT.

Rep. Deborah J. Hogancamp for Health, Human Services and Elderly Affairs: This bill, as amended, adds guiding principles to RSA 171-A. The purpose statement of RSA 171-A is: “This chapter enables the department to establish, maintain, implement and coordinate a comprehensive delivery system for developmentally disabled persons.” The principles put forth in this bill reflect nationally recognized principles pioneered by New Hampshire, and reflect the family centered, public-private approach used by the department in providing services to the developmentally disabled of our state. This bill does not place additional responsibility on the department, but does provide a true reflection of the developmental disability services provided, which enable individuals to participate in choices relative to their care, live as independently as possible, and work and participate in their communities. The committee felt the principles in this bill would give guidance and context for future legislation and regulation to ensure continuing quality of life for our citizens who have disabilities. Vote 17-0.

Amendment (0692h)

Amend the title of the bill by replacing it with the following:
AN ACT relative to guiding principles for developmentally disabled services.

Amend the bill by replacing section 1 with the following:

1 Developmentally Disabled Services; Guiding Principles. RSA 171-A:1 is repealed and reenacted to read as follows:

171-A:1 Purpose and Policy. The purpose of this chapter is to enable the department of health and human services to establish, maintain, implement and coordinate a comprehensive service delivery system for developmentally disabled persons. The policy of this state is that persons with developmental disabilities and their families be provided services that emphasize community living and programs to support individuals and families, beginning with early intervention, and that such services and programs shall be based on the following guiding principles:

I. People with developmental disabilities and their families are best able to determine their own needs and shall participate in decisions concerning necessary, desirable, and appropriate services.

II. Services shall provide comprehensive, responsive, and flexible support as individual and family needs evolve over time.

III. Individual and family services shall be based on full participation in the community, sharing ordinary places, developing meaningful relationships, and learning things that are useful, as well as enhancing the social and economic status of persons served.

IV. Services shall be relevant to the individual’s age, abilities, and life goals, including support for gainful employment that maximizes the individual’s potential for self-sufficiency and independence.

V. Individual choice, satisfaction, safety, and positive outcomes shall be the focus of services.

VI. Services shall be provided by competent, appropriately trained and compensated staff.

AMENDED ANALYSIS

This bill establishes guiding principles for the provision of services to developmentally disabled persons.

HB 1727-FN-L, relative to transfer or discharge of patients in residential care facilities. OUGHT TO PASS WITH AMENDMENT.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The purpose of this bill is to simplify a client’s ability to initiate a transfer or discharge from facilities licensed under RSA 151.
Its other purpose is to lessen the administrative procedures involved. This bill, as amended, achieves the goals intended. This bill was supported by the Association of Residential Care Homes, the State Long Term Care Ombudsman and the bill was amended to address the concerns of the Department of Health and Human Services. Vote 16-0.

Amendment (0807h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to transfer or discharge of patients or residents in licensed facilities.

Amend the bill by replacing section 1 with the following:

1 Statement of Purpose. The general court recognizes the need to define conditions under which patients in, or residents of, facilities licensed under this chapter may be transferred or discharged voluntarily to the custody of relatives, or to other facilities. Therefore, the general court hereby clarifies the law regarding transfer or discharge of patients or residents in licensed facilities.

Amend the unnumbered concluding paragraph after RSA 151:26, II(a)(5) as inserted by section 2 of the bill by replacing it with the following:

Except as specified in paragraph II(b) of this section, written notice of transfer or discharge shall be given at least 30 days before the resident is transferred or discharged. A copy of the notice shall be placed in the patient’s clinical record and a copy shall be transmitted to the patient, [the patient’s next of kin:] the patient’s personal representative, legal guardian, the long-term care ombudsman [in the office of the ombudsman], established under RSA 161-F:10, and the [designated agency responsible for the protection and advocacy system for a developmentally disabled or mentally ill individual, and the person or agency responsible for the patient’s placement, maintenance, and care in the facility] federal agency for individuals with disabilities.

Amend RSA 151:26, V as inserted by section 3 of the bill by replacing it with the following:

V. For the purposes of this section, “transfer” or “discharge” shall not include transfers or discharges initiated at the request of the patient or his or her legal representative, except that transfer or discharge of a resident from a nursing home certified under federal law even if initiated at the request of the resident or his or her legal representative shall be subject to all federal notice requirements.

AMENDED ANALYSIS

This bill clarifies the paperwork required for a transfer or discharge from a licensed facility.

HB 1731-FN, making pseudoephedrine products available only by prescription. INEXPEDIENT TO LEGISLATE.

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: There is a growing menace sweeping the country and it includes the use of an illegal drug called methamphetamine. New Hampshire, being the state in New England with the most “meth” labs, is trying through education, prevention, and penalty legislation to be proactive with this scourge. About five or six bills dealing on the subject have come before various committees this session, causing some duplication of effort and some are premature. This bill mandates that single-entity pseudoephedrine products, such as Sudafed, Claritin and other cold remedies, be purchased by prescription only. These products are the foundation ingredient for making meth. Because the full committee recently passed HB 1713 (which is another approach to the problem) by a unanimous vote of 17-0, the committee would like HB 1713 to have a fair shot at working. For these reasons the committee felt that HB 1731 is premature and perhaps should be considered in the future if HB 1713 is not effective. Vote 13-0.

HB 1153, Establishing a commission to study the laws and rules relating to subpoenas, summonses and complaints. OUGHT TO PASS WITH AMENDMENT.

Rep. Gregory M. Sorg for Judiciary: The committee agreed that the objective of this bill of identifying all sections of the statutes relating to subpoenas, summonses and complaints with the object of proposing possible consolidation and a standardization of them is sound. The committee, however, concluded that such an inquiry can be competently and more efficiently carried out by a House-Senate joint committee, rather than by a commission. The committee has amended the bill accordingly. Vote 15-0.
Amendment (0328h)

Amend the bill by replacing section 4 with the following:

4 Chairperson; Quorum; Research Assistant.

I. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Six members of the commission shall constitute a quorum.

II. The speaker of the house of representatives shall assign a research assistant from either house committee services or the office of legislative services to conduct research, prepare documents, and otherwise assist the committee.

HB 1511, relative to business replacement costs resulting from government program displacement. REFER FOR INTERIM STUDY.

Rep. Maureen C. Mooney for Judiciary: This early bill addresses the important subject of business replacement costs for business displacement by an eminent domain taking. A subcommittee has been formed to study all aspects of eminent domain, including constitutional amendments, statutory changes and branch topics that require study. This bill has been assigned to that very subcommittee. The intent of the bill is a laudable one, but it requires a proper and careful analysis along with the other bills relating to government takings in New Hampshire. The Department of Transportation and the Municipal Association have expressed concerns requiring the bill to be examined for a longer period of time than its due date to the Finance Committee on February 9, 2006. The subcommittee on eminent domain will assuredly address this bill in a responsible manner. Vote 18-0.

HB 1676-FN, relative to misdemeanor jury trials. INEXPEDIENT TO LEGISLATE.

Rep. Tony F. Soltani for Judiciary: This bill was intended to provide criminal defendants in class "A" misdemeanor cases with a jury trial in the first instance. However, it was improperly drafted and needed much work to cure the defects. The committee voted to kill the bill at the request of the primary sponsor. Vote 19-1.

HB 1278, increasing the fine for violating certain laws relative to labor. OUGHT TO PASS.

Rep. Franklin C. Bishop for Labor, Industrial and Rehabilitative Services: This bill increases the fine for violating certain labor laws that protect the jobs of citizens from up to $1,000 to $2,500 per day. This increase would be consistent with the fines with all other labor laws. Vote 13-0. Referred to the committee on Ways and Means.

HB 1334, establishing a committee to study the effect on the unemployment compensation trust fund of employers with negative balance separate accounts. OUGHT TO PASS.

Rep. Benjamin C. Baroody for Labor, Industrial and Rehabilitative Services: This bill is looking to establish a committee to study the effects of negative rated employees on the unemployment compensation trust fund. Negative rated employers are those whose benefit charges to the trust fund exceed the contributions they pay into the trust fund. In New Hampshire 90% of employers enjoy a positive rated classification and only 10% are classified as negative rated. While the negative balance employers are small, their impact on the fund is dramatic. They cost the fund millions of dollars annually. Vote 13-0.

HB 1474-FN, relative to unemployment compensation contribution rates and benefits. OUGHT TO PASS.

Rep. Bruce S. Lary for Labor, Industrial and Rehabilitative Services: This bill broadens the taxable wage base, thereby preventing positive noted employers from higher tax rates. This bill keeps the trust fund above $250 million resulting in saving employers an estimated $41 million dollars, while still maintaining the high levels of unemployment benefits and assistance. It also allows the New Hampshire Department of Employment Security to keep all their offices open to serve the diverse needs of the citizens of New Hampshire. Vote 12-0. Referred to the committee on Finance.

HB 1478, relative to penalties for employers who give false or incomplete required information about employees to the department of employment security and establishing an amnesty period for certain unpaid contributions. OUGHT TO PASS.

Rep. Benjamin C. Baroody for Labor, Industrial and Rehabilitative Services: Current law requires employers to file a report with the Department of Employment Securities containing data on
employees and the wages they earn. There are not existing provisions in the New Hampshire statutes that penalize employers for furnishing false or incomplete reports to the department. This house cleaning bill gives the department the option to fine an employer $25.00 per employee for each day the employee is not reported correctly. This bill also includes a three month amnesty period following the passage of the bill to allow any business that is violating the law to come forward, pay any back taxes and avoid facing any fines. Vote 13-0.

Referred to the committee on Ways and Means.

**HB 1588**, relative to unemployment compensation requirements for governmental and non-profit employers. **OUT TO PASS.**

Rep. Herbert D. Richardson for Labor, Industrial and Rehabilitative Services: This bill is a housekeeping bill brought to the committee by the Department of Employment Securities. The bill makes a number of changes to various sections of RSA 282-A. These changes were approved unanimously by the Unemployment Advisory Council which advises the Department of Employment Security on legislative matters. The bill changes the law to include longevity, stay, retention, attendance or similar payments as wages. It more precisely defines the term “most recent employer” and redefines the term “date” regarding when the employee performed services for the employer. It further redefines the reasons for disqualifications for benefits by replacing the term “Felony and Dishonesty” with the term “Gross Misconduct” and adds the terms, an adult which causes bodily injury and criminal threatening to criminal law. Vote 9-3.

**HB 1242-FN**, relative to providing copies of the house and senate calendars to public libraries. **INEXPEDIENT TO LEGISLATE.**

Rep. Michael S. Rollo for Legislative Administration: The sponsor of this bill asked that the committee find this bill inexpedient to legislate after reaching an agreement with the clerk’s office and the state library. Vote 11-0.

**HB 1158**, relative to eligibility for the property tax exemption for the disabled. **INEXPEDIENT TO LEGISLATE.**

Rep. Robert W. Brundige for Municipal and County Government: This bill would require the Social Security Administration to implement a procedure to facilitate a property tax exemption for disabled individuals who are not eligible for Social Security disability benefits. The concept of not being eligible for social security was a new thought for a majority of the committee. Through research we learned that under Title II of the Social Security Act, recipients must have achieved a work requirement and have paid FICA taxes, along with limits on age and number of years of coverage. Title XVI, know as SSI, or Supplemental Security Income, is a welfare program not funded by FICA but by general federal tax dollars and is based on income. Social Security definition of “disabled” states that one must be unable to do any substantial work because of a medical condition and that condition has to last or be expected to last at least a year or be expected to result in death. There are classes of workers that are not covered for disability under social security – New Hampshire Retirement System Group II, pre-1984 federal workers who opted out of the coverage, railroad workers who have their own federal program for retirement. HB 1158 was introduced to cover one individual in the town of Seabrook. The committee felt that opening one path for one individual would necessitate opening the door for a larger group. The federal government has taken the circumstances into account and the committee felt that it is not practical for the State of New Hampshire to require the federal government to conform to New Hampshire laws. Vote 17-2.

**HB 1290**, requiring the attorney general to enforce city and town charters and to prosecute suspected violations of city and town charters. **INEXPEDIENT TO LEGISLATE.**

Rep. Nancy K. Johnson for Municipal and County Government: This bill requires the Attorney General to enforce city and town charters and to prosecute suspected violations of city and town charters. The sponsor believes that a charter is a contract between the state, the city or town and the local residents. The bill mirrors the authority of the Attorney General granted in RSA 7:6-c which deals with election laws. The committee has stated that a charter is a contract between the municipality, whether it is a town or city, and its citizens. The sponsor compared the ability of the Attorney General in enforcing statewide election law irregularities that would be a criminal act to those of municipal charter violations that would be civil in nature. The committee agrees with the sponsor that a town or city’s charter should be complied with at all times. However, there is a process to challenge any violation of the charter by filing a complaint with the superior court. The committee further feels that this is an effective process and no additional changes are needed at this time. Vote 15-0.
HB 1305-L, relative to license fees charged by municipalities for coin operated amusement devices. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Harry S. Gale for Municipal and County Government: This bill will provide a city with the right to establish rules and procedures for the issuance of permits to businesses within its jurisdiction and to control, manage and monitor the nature and character of any such business, all in the best interests of the community at large. Our committee believes this to be a worthy objective. Vote 16-2.

**Amendment (0672h)**

Amend the title of the bill by replacing it with the following:

AN ACT authorizing cities to adopt certain bylaws and ordinances relative to businesses obtaining city permits.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; City Bylaws and Ordinances; Businesses Obtaining City Permits. Amend RSA 47:17 by inserting after paragraph XVIII the following new paragraph:

XIX. Businesses Obtaining City Permits. To establish regulations relative to businesses obtaining city permits.

2 Effective Date. This act shall take effect 60 days after its passage.

**AMENDED ANALYSIS**

The bill authorizes cities to adopt certain bylaws and ordinances relative to businesses obtaining city permits.

**HB 1436-L,** authorizing municipal and county biennial budgets for a 24-month period. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Jessie L. Osborne for Municipal and County Government: Currently the local political subdivisions have the option to have a biennial budget based on two distinct 12-month fiscal years. The amendment has added an option of one distinct 24-month fiscal year, which the proponents advocated for, because there is a belief that this one 24-month fiscal year may save time and energy and money. Vote 15-0.

**Amendment (0778h)**

Amend the bill by replacing all after the enacting clause with the following:

1 Biennial Budget; Single Period. Amend RSA 32:25 to read as follows:

32:25 Biennial Budget; Authorization. Any city, town, unincorporated town, unorganized place, school district, village district, or county may budget receipts and expenditures, raise and appropriate revenues, and assess taxes on a biennial budget basis consisting of one distinct 24-month fiscal year or 2 distinct 12-month fiscal years. The governing body may allow for the carry over of funds from the first fiscal year of the biennium to the second.

2 Effective Date. This act shall take effect 60 days after its passage.

**AMENDED ANALYSIS**

This bill authorizes municipal and county biennial budgets for one distinct 24-month fiscal year or 2 distinct 12-month fiscal years.

**HB 1439,** relative to petitioned zoning ordinance amendments. **REFER FOR INTERIM STUDY.**

Rep. Nancy K. Johnson for Municipal and County Government: The committee heard testimony concerning the recognition that it is a common occurrence that municipalities pass warrant articles that are unconstitutional and/or illegal. The sponsor recognized that the bill, as written, may not resolve the issue, but requested that we spend some time studying it. A majority of the committee agreed. Vote 8-6.

**HB 1679-FN-L,** relative to the taxation of nongovernmental uses of university system property. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Mary R. Cooney for Municipal and County Government: This bill was presented to the committee in a somewhat drastically different format. It dealt with the possible misuse of tax-free university property. The committee heard a great deal of testimony from local business people that are directly affected by services that are provided on the campuses of the university system of New Hampshire. The testimony centered around the ability of these services to be provided on these campuses ranging from a commercial entity such as fast food establishment to monster truck events
to concerts to hotel rooms. Upon research by the committee, it was determined that a policy exists regarding payments in lieu of taxes (PILOT) by entities occupying university system of New Hampshire property that parallels the language of RSA 72:23 Real Estate and Personal Property Tax Exemptions. The committee also heard testimony that there existed a possibility that the university system of New Hampshire may not be uniformly adhering to the agreed upon PILOTs. Currently, the university system of New Hampshire policy that is stated in RSA 187-A:25 sets up an exclusive exemption for the university system and any of its institutions. Over time the use by the commercial services stated above have slowly eroded the original intent of the PILOT policy and the tax-free status granted by the legislature. In discussing the issue of fair competition, the committee felt that this possible lack of compliance was creating an uneven playing field with the private sector and that the exemption granted to the university system of New Hampshire had to be modified. During the creation of the amendment, a letter was received by the committee from the chancellor of the university system of New Hampshire stating their intentions of addressing the perceived issues that were outlined in the original bill. Therefore the committee created an amendment, with an intent paragraph, that included the university system of New Hampshire in the property taxation exemption that is afforded to all other publicly owned real and personal property as stated in RSA 72:23. The amendment also states in RSA 187-A:25 that the property of the university system of New Hampshire and each of its constituent institutions and divisions is exempt from taxation, except as provided in RSA 72:23. Vote 13-0.

Amendment (0853h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the property tax exemption for university system property.

Amend the bill by replacing sections 1-4 with the following and renumbering the original section 5 to read as 4:

1 Statement of Intent.

I. The general court recognizes the university system of New Hampshire is established for the main purpose of providing a well coordinated system of public higher education offering liberal undergraduate education encompassing the major branches of learning, emphasizing our cultural heritage, and cultivating the skills of reasoning and communication. The general court further recognizes that in order to accomplish this task there are many avenues that must be pursued. One of these avenues is to maintain and operate all housing facilities, dining halls or other food service facilities, student unions, and bookstores for students and faculty on all campuses of the university system, and to collect rents from such facilities.

II. The collection of these rents in the form of leases for such facilities rises to the level of a possible conflict with RSA 187-A:25 which states that the property of the university system of New Hampshire and each of its constituent institutions and divisions is exempt from taxation. The general court also finds that the collection of these rents/leases may be construed to create competition with local businesses. The appropriate avenue to address this would be the inclusion of the university system of New Hampshire into RSA 72:23. The general court feels that any and all personal and real property used to complete the purpose for which the university system of New Hampshire was established should be exempt from taxation. The leasing policy of the university system of New Hampshire regarding payment of taxes to the host municipality closely mirrors RSA 72:23 regarding real estate and personal property tax exemptions. The general court further believes that any facilities for which rent is collected should not be exempt from taxation.

III. Therefore, the public policy for the existing statute is to prohibit a private business from escaping taxation simply by locating itself on tax exempt property or from receiving an unfair tax advantage over another private business by doing so.

2 Property Taxation; Exempt Property. Amend RSA 72:23, I(a) and (b) to read as follows:

I.(a) Lands and the buildings and structures thereon and therein and the personal property owned by the state of New Hampshire including the university system of New Hampshire or by a New Hampshire city, town, school district, or village district unless said real or personal property is used or occupied by other than the state or a city, town, school district, or village district under a lease or other agreement the terms of which provide for the payment of properly assessed real and personal property taxes by the party using or occupying said property. The exemption provided herein shall apply to any and all taxes against lands and the buildings and structures thereon and therein and the personal property owned by the state, cities, towns, school districts,
and village districts, which have or may have accrued since March 31, 1975, and to any and all future taxes which, but for the exemption provided herein, would accrue against lands and buildings and structures thereon and therein and the personal property owned by the state, cities, towns, school districts, and village districts.

(b) All leases and other agreements, the terms of which provide for the use or occupation by others of real or personal property owned by the state including the university system of New Hampshire or a city, town, school district, or village district, entered into after July 1, 1979, shall provide for the payment of properly assessed real and personal property taxes by the party using or occupying said property no later than the due date. This subparagraph shall not apply to leases of state-owned railroad properties which are subject to railroad taxes under the provisions of RSA 82 or which provide revenue to the state, a portion of which is distributed to cities and towns pursuant to RSA 228:69, I(a). All such leases and agreements shall include a provision that "failure of the lessee to pay the duly assessed personal and real estate taxes when due shall be cause to terminate said lease or agreement by the lessor." All such leases and agreements entered into on or after January 1, 1994, shall clearly state the lessee's obligations regarding the payment of both current and potential real and personal property taxes, and shall also state whether the lessee has an obligation to pay real and personal property taxes on structures or improvements added by the lessee.

3 University System; Taxation of Nongovernmental Use. Amend RSA 187-A:25 to read as follows: 187-A:25 Tax Exemption. The property of the university system of New Hampshire and each of its constituent institutions and divisions is exempt from taxation, except as provided in RSA 72:23.

AMENDED ANALYSIS

This bill clarifies the exemption from property taxation for property of the university system of New Hampshire.

Referred to the committee on Ways and Means.

HB 1694-FN-L, relative to a spending cap on municipal and school district budgets. INEXPEDITED TO LEGISLATE.

Rep. Robert W. Brundige for Municipal and County Government: This bill sets up a spending cap on municipal and school district budgets in all non-charter municipalities. Charter municipalities already have the ability to implement a spending cap through their charter process, such as the cities of Franklin and Laconia. The sponsors of the bill believe that too many local governing bodies do not pass budgets that meet the guidelines of Consumer Price Index (CPI) in conjunction with population growth. This bill sets up a cap on any increase in a municipal or school district budget at the average rate of the CPI for the previous four years. This is an attempt to require local governments to stay within these guidelines. There is a mechanism provided in the bill to allow the cap to be exceeded by the passage of warrant articles separate from the budget. The passage of these warrant articles though will require a 60% majority. The committee believes that spending matters need to stay at the local level and not be directed by the State. Vote 14-1.

HB 1753, allowing municipalities to adopt a property tax exemption for geoexchange energy systems. INEXPEDITED TO LEGISLATE.

Rep. Eric G. Stohl for Municipal and County Government: This bill is a request of the study committee on maximizing incentives for voluntary use of renewable energy and would allow municipalities to adopt a property tax exemption for geoexchange energy systems. There were no sponsors to explain the bill to the committee at the hearing. President Bush spoke about an initiative to support alternative sources of energy in the State of the Union Address. The committee felt that it would be better for the users of a geoexchange energy system to apply for federal incentive funds instead of creating another exemption. The committee is concerned with the many requests for exemptions that really just shift the cost to other taxpayers within the municipality. Vote 16-3.

HB 1748, prohibiting candidates who did not get elected from serving as alternate members of the planning board or zoning board of adjustment. INEXPEDITED TO LEGISLATE.

Rep. Laurie J. Boyce for Municipal and County Government: This bill prohibits an elected planning board or zoning board of adjustment from appointing alternates who were candidates in the previous election. Currently, an elected planning or zoning board may appoint five alternate members for a term of three years each. We all know that finding volunteers to serve on any local board is difficult at best. Any limitation of the availability of possible worthy board members in many small communities would only hurt the local community involved. Vote 15-0.
HB 1143, renaming the bridge located on Main Street in Enfield, New Hampshire and crossing the Mascoma River as the Enfield Ladies’ Bridge. **INEXPEDIENT TO LEGISLATE.**

Rep. Candace C. W. Bouchard for Public Works and Highways: The sponsor of this bill testified that there is not a consensus in the Town of Enfield as to what this bridge should be named, since there is also a bill in the Senate to name the bridge a different name. Until such time as local officials, state officials and the general public agree on a name, the committee is reluctant to step into the fray. Since no testimony from anyone other than the sponsor was received, the committee voted the bill ITL. Vote 15-0.

HB 1152, naming a certain bridge over the Merrimack River. **OUHT TO PASS.**

Rep. John A. Graham for Public Works and Highways: This bill names a bridge over the Merrimack River between the towns of Canterbury and Boscawen as the New Hampshire Veterans’ Memorial Bridge. This bridge is on Route 4 between I-93 and the New Hampshire Veterans’ Cemetery. The committee feels that this is totally appropriate and the Boards of Selectmen of both towns support this bill. Vote 15-0.

HB 1225-FN-A, making a capital appropriation to the department of administrative services for siting, design, and construction of the new Henniker-Hillsborough courthouse. **OUHT TO PASS WITH AMENDMENT.**

Rep. John R. Cloutier for Public Works and Highways: This bill had originally made a capital appropriation of $1,960,000 for the purpose of the new Henniker-Hillsborough District Courthouse. Instead, the bill was amended to establish temporary locations for the new family courts in the eight municipalities served by the present Henniker and Hillsborough District Courts until the new courthouse is built. At a second public hearing, the House Judiciary Committee’s Vice Chairman said his committee had no problem with this amendment. Specifically, the bill was amended for two reasons. First, the committee has been reluctant to support separate capital appropriations outside the biennial capital budget. Secondly, the committee believes there are enough unresolved issues in regard to the location and construction of the courthouse that the appropriation needed to wait to be included in the next capital budget. Furthermore, the committee has committed to work with the bill’s supporters through an ad hoc subcommittee in an effort to help address such issues before the start of the next capital budget cycle in June. An earlier amendment, which included a legislative study committee on the new courthouse, was rejected because it was felt an ad hoc subcommittee would be able to work more efficiently. Vote 13-0.

**Amendment (0598h)**

Amend the title of the bill by replacing it with the following:

**AN ACT** relative to the judicial branch family division for the Henniker and Hillsborough District Courts.

Amend the bill by replacing all after the enacting clause with the following:

1 Henniker and Hillsborough District Courts; Judicial Branch Family Division. Amend RSA 490-D:4, XV-XVIII to read as follows:

**Hillsborough County**

The courthouses in Hillsborough county which will house the judicial branch family division shall be the Hillsborough County Superior Court for the northern judicial district, the Goffstown District Court, the Hillsborough County Superior Court for the southern judicial district, the Milford District Court, [and] the Merrimack District Court and, upon completion of construction, the Henniker-Hillsborough District Court.

XVI. (a) Matters arising in municipalities located within the Manchester district shall be heard in the Hillsborough County Superior Court for the northern judicial district.

(b) Matters arising in municipalities located within the Goffstown district shall be heard in the Goffstown District Court.

(c) Matters arising in municipalities located within the Nashua district shall be heard in the Hillsborough County Superior Court for the southern judicial district.

(d) Matters arising in municipalities located within the Milford district shall be heard in the Milford District Court.

(e) Matters arising in municipalities located within the Merrimack district shall be heard in the Merrimack District Court.
(f) Matters arising in Hillsborough county municipalities located within the Jaffrey-Peterborough district shall be heard in the Jaffrey-Peterborough District Court in Cheshire County.

(g) Matters arising in municipalities located within the Hillsborough district shall be heard in the [Concord] Henniker District Court in Merrimack County until the completion of construction of the Henniker-Hillsborough District Court facility in Hillsborough County, whereupon those matters shall be heard in the Henniker-Hillsborough District Court in Hillsborough County.

Merrimack County

XVII. The courthouses in Merrimack county which will house the judicial branch family division shall be the Franklin District Court, the Hooksett District Court, the Henniker District Court until the completion of construction of the Henniker-Hillsborough District Court facility, and a facility located in Concord, provided, however, that the facility meets the minimum standard prescribed by the New Hampshire court accreditation commission pursuant to RSA 490:5-c.

XVIII.(a) Matters arising in municipalities located within the Franklin district shall be heard in the Franklin District Court.

(b) Matters arising in municipalities located within the Hooksett district shall be heard in the Hooksett District Court.

(c) Matters arising in municipalities located within the Concord district [the Henniker district, and the Hillsborough district] shall be heard in the judicial branch family division facility in Concord.

(d) Matters arising in municipalities located within the New London district shall be heard in the Newport District Court in Sullivan County.

(e) Matters arising in municipalities located within the Henniker district shall be heard in the Henniker District Court in Merrimack County until the completion of construction of the Henniker-Hillsborough District Court facility in Hillsborough County, whereupon those matters shall be heard in the Henniker-Hillsborough District Court in Hillsborough county.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes locations for the judicial branch family division for municipalities served by the Henniker and Hillsborough District Courts.

HB 1589, establishing a committee to study the feasibility of using certain state-owned buildings as transition housing for 17-year olds and 18-year olds who are ready to leave foster care or the youth development center. OUGHT TO PASS WITH AMENDMENT.

Rep. Candace C.W. Bouchard for Public Works and Highways: The committee heard compelling testimony regarding the need for transitional housing for youth who age out of foster care and/or the youth development center. This study will identify state buildings throughout the state that could be used for sheltering these young adults who would otherwise be homeless. The amendment requires two of the four members of the committee be from the Public Works and Highways Committee. The amendment also removes language that specifically includes the youth development center in the study because there is already a task force studying that facility. Vote 12-2.

Amendment (0592h)

Amend subparagraph I(a) of section 2 of the bill by replacing it with the following:

(a) Four members of the house of representatives, 2 of whom shall be members of the public works and highways committee, appointed by the speaker of the house of representatives.

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall study the feasibility of using unoccupied state-owned buildings as transition homes for 17-year-olds and 18-year-olds who are ready to leave foster care or the youth development center. The committee shall identify any suitable property currently owned by the state and shall assess the feasibility of converting such property to transition homes. The committee shall solicit testimony from agencies, organizations, and individuals with relevant information and expertise.

HB 1615-FN-A, establishing a fund for improvement of the state veterans cemetery. REFER FOR INTERIM STUDY.

Rep. John R. Cloutier for Public Works and Highways: This bill would have established a fund for improvement of the State Veterans’ Cemetery in Boscawen. Many members of the committee
believe that there should be legislative oversight of the proposed fund, possibly a cap on the amount of money to be put into the fund, and better definition of what improvements should be paid for from the fund before presenting it to the full House. The committee was also concerned with establishing another dedicated fund based on available information and would like to work with the Veterans' Cemetery to come up with a workable proposal to address their concerns. Vote 8-4.

HB 1653-FN, requiring handrails on stairways in public buildings. INEXPEDIENT TO LEGISLATE.
Rep. Robert A. Foose for Public Works and Highways: The committee unanimously felt that the requirement for having handrails on both sides of stairways is already covered by building and accessibility codes that apply to all buildings in the State of New Hampshire. The committee received support for its decision from the Architectural Barrier-Free Design Committee which provided a detailed review of current codes. Vote 15-0.

HB 317-FN, relative to mooring permits and fees. OUGHT TO PASS WITH AMENDMENT.
Rep. Donald A. Brueggemann for Resources, Recreation and Development: The committee took a second look a HB 317-FN on recommittal and is satisfied that our work is solid and the fee increase justified. The original bill set up a process whereby residents in a community could petition the Commissioner of the Department of Safety to have a lake or pond included in the moorings program which currently requires permits for moorings on the six largest lakes. Currently, lakes may be added only through legislative action and the committee felt strongly against delegating this authority. The portion of this bill that provided for increases in the mooring fee for those six lakes in the mooring program is being recommended in an effort to have the program support itself. The initial decal or permit process which includes a site visit would require a $125 fee. The annual renewal fee under this bill would be $50 (up from $25). The committee felt this increase was more than justified given the time and effort needed to coordinate and monitor the program. These fees are more in line with the actual cost of program to the state. Vote 14-1.

Amendment (0074h)
Amend the title of the bill by replacing it with the following:
AN ACT relative to mooring fees.
Amend the bill by replacing all after the enacting clause with the following:
1. Mooring of Boats on Public Waters: Annual Mooring Fee. Amend RSA 270:62, V to read as follows:
   V. A fee of $125 shall be charged for each initial decal issued pursuant to this subdivision which shall be deposited in the navigation safety fund established under RSA 270-E:6-a. An annual mooring fee of [$25] $50 shall be charged for each decal [issued] renewed pursuant to this subdivision which shall be deposited in the navigation safety fund established under RSA 270-E:6-a.
2. Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS
This bill increases mooring fees.
Referred to the Committee on Ways and Means.

HB 1407-FN-A, relative to funding exotic aquatic weeds eradication and control. OUGHT TO PASS.
Rep. D. L. Chris Christensen for Resources, Recreation and Development: In 2001, a $3.00 fee was added to boat registrations for research, prevention and eradication of exotic aquatic weeds, including milfoil. The fee was sunsetted for 2006. In 2005, a very successful eradication program was completed on Lower Suncook Lake, demonstrating the efficacy of a multi-pronged attack on this program. The committee unanimously endorsed repeal of the sunset provision allowing the $3.00 fee and the milfoil research, prevention and eradication to continue. Vote 14-0.
Referred to the committee on Ways and Means.

HB 1701-FN-A, relative to boat fee agents of the department of safety, increasing the boat registration fee, and relative to the prevention of exotic aquatic weeds. OUGHT TO PASS WITH AMENDMENT.
Rep. Judith T. Spang for Resources, Recreation and Development: This bill will clarify that boat registration fees collected by agents shall be remitted to the state department of safety. Further, it provides funding for control of milfoil and other rapidly-spreading exotic weeds that are threat-
ening to degrade water bodies throughout the state. The programs inaugurated several years ago have proven to be effective, but threatened water bodies, need to be expanded. The amendment extends the effective date from June 2006 to January of 2007. Vote 15-1.

**Amendment (0861h)**

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect January 1, 2007.

Referred to the committee on Ways and Means.

**HB 1232-FN**, applying the enhanced 911 system surcharge to voice over Internet protocol telephone service providers. **INEXPEDIENT TO LEGISLATE.**

Rep. James H. Lawrence for Science, Technology and Energy: The Federal Communications Commission (FCC) is currently reviewing the best way to deal with the implementation of Enhanced 911 (E911) services on voice over Internet protocol (VOIP) telephone services and has yet to make a determination how fees should be collected at the local level. Since there is no funding crisis for our enhanced 911 system in this state, and the FCC has yet to make a determination on this issue, the committee feels that the implementation of this surcharge is premature at this time. Vote 14-1.

**HB 1376**, relative to the duties of the legislative oversight committee on electric utility restructuring. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Roy D. Maxfield for Science, Technology and Energy: The committee unanimously agreed to add evaluation of electricity issues, such as locationally installed capacity, to the legislative oversight committee's duties on electric utility restructuring. Keeping tabs on the Federal Energy Regulatory Commission (FERC) and its policies, which could result in significant impact on New Hampshire, is in our best interest. Vote 19-0.

**Amendment (0362h)**

Amend RSA 374-F-6, V as inserted by section 1 of the bill by replacing it with the following:

V. Evaluating electricity issues within the jurisdiction of the Federal Energy Regulatory Commission (FERC) that may have significant consequences to New Hampshire customers, such as locational installed capacity.

**AMENDED ANALYSIS**

This bill adds evaluation of electricity issues, such as locational installed capacity, to the duties of the legislative oversight committee on electric utility restructuring.

**HB 1535**, relative to best available control technology rules. **INEXPEDIENT TO LEGISLATE.**

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill calls for additional requirements before rules could be implemented for best available control technology (BACT). It would prohibit adoption of rules involving the new BACT guidelines until a committee finished a study relative to construction and demolition waste. The BACT legislation and subsequent rulemaking applies to all non-exempt materials and not just construction and demolition waste. If this bill were enacted, there would be no rules in place to address the specific requirements and procedures as required by RSA 173, pertaining to other non-exempt materials. The committee agrees that the new stricter standards in BACT need to be implemented without delay. Vote 18-1.

**HB 1690**, relative to renewable energy. **OUGHT TO PASS.**

Rep. Lee G. Slocum for Science, Technology and Energy: This bill was a result of a study committee to "Maximize Incentives for the Use of Renewable Energy on a Voluntary Basis." The bill enables utilities, at their discretion, to offer a renewable energy default service. If a utility offers this service, customers who sign up understand that the energy they use is derived from sources such as hydro, wind, bio-mass, or geothermal. The bill also expands the list of technologies that may be supported by conservation funds obtained through the Systems Benefits Charge. Vote 18-1.

**HB 1132**, relative to qualifications for the Global War on Terrorism operations service bonus payment. **OUGHT TO PASS WITH AMENDMENT.**

Rep. James E. Twombly for State-Federal Relations and Veterans Affairs: Currently, the Global War on Terrorism medal is provided to service members who served in Iraq, Afghanistan or Kuwait. The US Congress has authorized an Iraq Campaign Medal or an Afghanistan Campaign Medal for service members who are currently serving in Iraq or Afghanistan. This bill would update RSA-115-A:16 to
authorize payment of the bonus to these service members awarded the Global War on Terrorism Expeditionary Medal or the Iraq Campaign Medal or the Afghanistan Campaign Medal. Vote 11-0.

Amendment (0767h)

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

HR 21, urging Congress to reimburse New Hampshire municipalities for the amounts granted in veterans' tax credits. INEXPEDIENT TO LEGISLATE.

Rep. Kris E. Roberts for State-Federal Relations and Veterans Affairs: The committee believes the ability of a local town or city to provide a veteran a tax credit for war time service was granted by the state. As a result the amount of the tax credit varies from community to community. State law allows each community the freedom to value the war service of their local citizens. To demand that the federal government reimburse each community for war service tax credit would devalue our service members' service. Our country's greatness is based on the collective sacrifice of untold men and women. It is very important that we maintain the opportunity for local citizens to say "thank you for your service." Vote 10-1.

HB 1154-FN, relative to eligibility for special number plates for veterans. OUGHT TO PASS.

Rep. James W. Danforth for Transportation: This bill provides veterans with one set of plates for vehicles placed in trusts and protects the integrity of the New Hampshire Veteran's Plate. This is an administrative adjustment. Vote 8-3.

HB 1155, creating a violation for failure to pay a highway toll. OUGHT TO PASS.

Rep. Mary M. Allen for Transportation: This bill restores the penalty section of RSA 236:31 which was omitted when the EZ Pass System became law. It applies to non-electronic lanes only. Vote 13-0. Referred to the committee on Criminal Justice and Public Safety.

HB 1176, establishing a committee to study statutes relating to railroads. OUGHT TO PASS.

Rep. Stephen H. Nedeau for Transportation: The committee believes that the statutes relating to railroads are outdated. Federal law and private entities have other laws that conflict with state law. The committee feels that a study of these statutes is necessary. Vote 11-0.

HB 1199-FN, requiring out-of-state owners to register unflyable aircraft. INEXPEDIENT TO LEGISLATE.

Rep. Stephen H. Nedeau for Transportation: This bill would have charged a fee to out-of-staters who work on their unflyable aircraft that have a Federal I.D. number. Residents of New Hampshire pay no fees now. The committee felt that the low cost of the fee of $15 would only amount to approximately $150 per year. This would not even cover the cost of the program. Vote 11-0.

HB 1211, relative to tinted glass on motor vehicles. INEXPEDIENT TO LEGISLATE.

Rep. Brenda L. Ferland for Transportation: This bill would have allowed for after market tinting of the windows to the left and right of the driver. Current law states that it is unlawful to tint these windows and the windshield, nor can a vehicle be inspected or sold with after market tinting. There is a waiver process at the Department of Safety for someone who needs this done for medical reasons. It is important for an officer to be able to see into a vehicle and to be able to make eye contact with drivers of other vehicles. Vote 11-0.

HB 1213, prohibiting tampering with a motorcycle's noise control system. INEXPEDIENT TO LEGISLATE.

Rep. Brenda L. Ferland for Transportation: This bill would prevent anyone from changing or replacing an exhaust system on a motorcycle unless that replacement was on original equipment. As in any older motor vehicle, after a certain number of years the original equipment parts are not available. This subject was addressed last year. The Legislature passed a piece of legislation that banned the use of straight pipes and increased the fine for violating the noise limit already set in current law. The committee believes that we need to give that new law a chance to work before making any more changes. Vote 11-0.

HB 1244-FN, relative to eligibility to receive moneys from the driver training fund. INEXPEDIENT TO LEGISLATE.

Rep. James W. Danforth for Transportation: This bill would allow any person aged 16 or 17 to receive $150 from the driver training fund. Currently only those who take the course from a school
program are eligible to have the reimbursement. The committee believes that this would be fair, but could reduce General Fund revenue by about $800,000. We did not believe this would be appropriate at this time. Vote 12-0.

**HB 1271**, relative to speed limits on municipal ways. INEXPEDIENT TO LEGISLATE. Rep. Brenda L. Ferland for Transportation: This bill was filed to allow the altering of speed limits. The prime sponsor was unaware of RSA 265:63 that allows for local authorities, in their respective jurisdictions, to lower speed limits and how to proceed to do this as they deem necessary. Vote 11-0.

**HB 1303-FN**, requiring sex offenders to renew their drivers’ licenses annually. REFER FOR INTERIM STUDY. Rep. Brenda L. Ferland for Transportation: The committee was in agreement that the bill should pass, but the bill is putting the cart before the horse. We need to classify offenders before we decide who this bill is targeting. Another bill being studied in Criminal Justice will answer all issues pertaining to sex offenders, including renewal of drivers’ licenses. Vote 11-1.

**HB 1309**, relative to commercial driver licenses when the license holder fails a drug or alcohol test. INEXPEDIENT TO LEGISLATE. Rep. James W. Danforth for Transportation: At the request of the prime sponsor, this bill was voted inexpedient to legislate. The committee felt that there are enough laws on the books governing commercial driving licenses today. Vote 13-0.

**HB 1486**, relative to the definition of “moped.” INEXPEDIENT TO LEGISLATE. Rep. Brenda L. Ferland for Transportation: This bill would refine the meaning of a moped. It would increase the speed currently allowed from 30 miles per hour to 45 miles per hour, increase from two to five brake horsepower and increase from 50 to 80 cubic centimeters piston displacement. This might seem harmless, but we must consider that you do not currently need a motorcycle license to ride a moped. This bill could conceivably allow a whole new group of people on our roads, riding scooters without any motorcycle endorsement of any kind. The past few years have seen an increase in motorcycle fatalities and injuries. The committee felt that this could become an issue of safety, by not making people purchasing these vehicles to at least obtain a motorcycle endorsement. Vote 13-0.

**HB 1581**, relative to drivers’ licenses issued to persons under the age of 21. OUGHT TO PASS WITH AMENDMENT. Rep. Stephen H. Nedeau for Transportation: This bill, as prepared will allow the Department of Safety to, upon the passage of a new contract, make a minor’s driving license a vertical as opposed to a horizontal license. The amendment changed the effective date to January 1, 2008. Vote 14-0.

**Amendment (0744h)**

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect January 1, 2008.

**HB 1663-FN-L**, relative to the licensing fee for motor vehicle recycling yards. OUGHT TO PASS. Rep. Jean-Guy J. Bergeron for Transportation: This bill will allow local governing bodies to charge an annual licensing fee up to $250 for automobile recycling yards. The fee has not been increased since 1955 when a licensing fee was established. Vote 13-0.

**HJR 24**, supporting efforts for commuter rail in the state of New Hampshire. OUGHT TO PASS. Rep. Brenda L. Ferland for Transportation: This resolution is in support of commuter rail service. The Governor sent his support for expanding the commuter rail from Nashua. This is a good way to show Congress we support rail expansion. With ever increasing traffic, today’s commuting problems, parking, cost, pollution and overcrowding, rail expansion to other parts of the state is the way of the future. The Department of Transportation supports this resolution. Most of the transportation in New Hampshire today is focused on our roads and highways. Vote 10-0.

**HB 698-FN**, relative to the penalty assessments. REFER FOR INTERIM STUDY. Rep. Susan W. Almy for Ways and Means: The increased revenues from last year’s budget changes in court fines and fees and in state troopers are not yet coming in, due to a now-fixed delay in implementation. The committee wishes the opportunity to study this issue over the summer if these revenues do not come in as planned. Vote 13-0.
HB 1514-FN-A, relative to the business enterprise tax credit allowed against the business profits tax. INEXPEDIENT TO LEGISLATE.
Rep. Susan W. Almy for Ways and Means: This bill was meant to send a business-friendly message. Unfortunately, the message would cost the state revenues $30 to $50 million per year. The sponsor agreed with the committee that we could not afford this loss. Vote 20-0.

SPECIAL ORDERS – EARLY BILLS
HB 656-FN, relative to medical decision making for those adults without capacity to make health care decisions for themselves and establishing procedures for Do Not Resuscitate Orders. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.
Rep. Maureen C. Mooney for the Majority of Judiciary: This is a comprehensive bill that contains long awaited updates to advance directive laws. The bill clarifies the language within Durable Powers of Attorney for Health Care and Living Wills and modernizes the requirements for same. The definitions of terms, such as “near death” and “permanently unconscious,” are specifically crafted to coincide with modern medical practices. This bill, as amended, will make advance directive laws easier to understand and practical for all people, families, designated agents and health care providers alike. Additionally, this bill institutes guidelines for Do Not Resuscitate Orders in accordance with the wishes of a patient or his/her own designated agent named in an advance directive. Such Orders determine whether or not performing cardiopulmonary resuscitation is in full compliance with the consent of a patient or the patient’s hand-chosen agent. This section of the bill again clarifies the law allowing people to determine their own future medical care. Vote 15-5.
Rep. Nancy J. Elliott for the Minority of Judiciary: This bill does a disservice to our citizens by expanding the authority of an agent to make healthcare decisions, to withhold or withdraw treatment, which may result in the death of the principal, without having it expressed in a signed document. It also adds the definition of “permanently unconscious” to mean “a lasting condition, indefinitely without improvement, in which thought, awareness of self and environment, and other indicators of consciousness are absent.” This definition is to be used in connection with end of life decisions to withhold or withdraw treatments. Many elderly patients could fit this definition. The advanced directives (living will) in this bill are slanted toward death giving very little option to citizens wishing to choose life. This bill also changes wording of our current law protecting an “unborn child” to fetus.

Majority Amendment (0124h)
Amend the bill by replacing all after the enacting clause with the following:
I Medical Decision Making for Adults Without Capacity to Make Health Care Decisions for Themselves. RSA 137-J is repealed and reenacted to read as follows:
CHAPTER 137-J
MEDICAL DECISION MAKING FOR ADULTS
WITHOUT CAPACITY TO MAKE HEALTH CARE DECISIONS
137-J:1 Purpose and Policy.
I. The state of New Hampshire recognizes that a person has a right, founded in the autonomy and sanctity of the person, to control the decisions relating to the rendering of his or her own medical care. In order that the rights of persons may be respected even after such persons lack the capacity to make health care decisions for themselves, and to encourage communication between patients and their attending physicians or ARNPs, the general court declares that the laws of this state shall recognize the right of a competent person to make a written declaration:
(a) Delegating to an agent the authority to make health care decisions on the person’s behalf, in the event such person is unable to make those decisions for himself or herself, either due to permanent or temporary lack of capacity to make health care decisions;
(b) Instructing his or her attending physician or ARNP to provide, withhold, or withdraw life-sustaining treatment, in the event such person is near death or is permanently unconscious.
II. All persons have a right to make health care decisions, including the right to refuse cardiopulmonary resuscitation. It is the purpose of the “Do Not Resuscitate” provisions of this chapter to ensure that the right of a person to self-determination relating to cardiopulmonary resuscitation is protected, and to give direction to emergency services personnel and other health care providers in regard to the performance of cardiopulmonary resuscitation.
137-J:2 Definitions. In this chapter:
I. “Advance directive” means a document allowing a person to give directions about future
medical care or to designate another person to make medical decisions if he or she should lose the capacity to make health care decisions. The term “advance directives” shall include living wills and durable powers of attorney for health care.

II. “Advanced registered nurse practitioner” or “ARNP” means a registered nurse who is licensed in good standing in the state of New Hampshire as having specialized clinical qualifications as provided in RSA 326-B:10.

III. “Agent” means an adult to whom authority to make health care decisions is delegated under an advance directive.

IV. “Attending physician or ARNP” means the physician or advanced registered nurse practitioner, selected by or assigned to a patient, who has primary responsibility for the treatment and care of the patient. If more than one physician or advanced registered nurse practitioner shares that responsibility, any one of those physicians or advanced registered nurse practitioners may act as the attending physician or ARNP under the provisions of this chapter.

V. “Capacity to make health care decisions” means the ability to understand and appreciate generally the nature and consequences of a health care decision, including the significant benefits and harms of and reasonable alternatives to any proposed health care.

VI. “Cardiopulmonary resuscitation” means those measures used to restore or support cardiac or respiratory function in the event of a cardiac or respiratory arrest.

VII. “Commissioner” means the commissioner of the department of health and human services.

VIII. “Do not resuscitate identification” means a standardized identification necklace, bracelet, card, or written medical order that signifies that a “Do Not Resuscitate Order” has been issued for the principal.

IX. “Do not resuscitate order” or “DNR order” (also known as “Do not attempt resuscitation order” or “DNAR order”) means an order that, in the event of an actual or imminent cardiac or respiratory arrest, chest compression and ventricular defibrillation will not be performed, the patient will not be intubated or manually ventilated, and there will be no administration of resuscitation drugs.

X. “Durable power of attorney for health care” means a document delegating to an agent the authority to make health care decisions executed in accordance with the provisions of this chapter. It shall not mean forms routinely required by health and residential care providers for admissions and consent to treatment.

XI. “Emergency services personnel” means paid or volunteer firefighters, law-enforcement officers, emergency medical technicians, paramedics or other emergency services personnel, providers, or entities acting within the usual course of their professions.

XII. “Health care decision” means informed consent, refusal to give informed consent, or withdrawal of informed consent to any type of health care, treatment, admission to a health care facility, any service or procedure to maintain, diagnose, or treat an individual’s physical or mental condition except as prohibited in this chapter or otherwise by law.

XIII. “Health care provider” means an individual or facility licensed, certified, or otherwise authorized or permitted by law to administer health care, for profit or otherwise, in the ordinary course of business or professional practice.

XIV. “Life-sustaining treatment” means any medical procedures or interventions which utilize mechanical or other medically administered means to sustain, restore, or supplant a vital function which, in the written judgment of the attending physician or ARNP, would serve only to artificially postpone the moment of death, and where the person is near death or is permanently unconscious. “Life-sustaining treatment” includes, but is not limited to, the following: mechanical respiration, kidney dialysis or the use of other external mechanical or technological devices. Life sustaining treatment may include drugs to maintain blood pressure, blood transfusions, and antibiotics. “Life-sustaining treatment” shall not include the administration of medication, natural ingestion of food or fluids by eating and drinking, or the performance of any medical procedure deemed necessary to provide comfort or to alleviate pain.

XV. “Living will” means a document which, when duly executed, contains the express direction that no life-sustaining treatment be given when the person executing said document has been diagnosed and certified in writing by the attending physician or ARNP to be near death or permanently unconscious, without hope of recovery from such condition and is unable to actively participate in the decision-making process.

XVI. “Medically administered nutrition and hydration” means invasive procedures such as, but not limited to the following: Nasogastric tubes; gastrostomy tubes; intravenous feeding or hydration; and hyperalimentation. It shall not include the natural ingestion of food or fluids by eating and drinking.
XVII. "Near death" means an incurable condition caused by injury, disease, or illness which is such that death is imminent and the application of life-sustaining treatment would, to a reasonable degree of medical certainty, as determined by 2 physicians or a physician and an ARNP, only postpone the moment of death.

XVIII. "Permanently unconscious" means a lasting condition, indefinitely without improvement, in which thought, awareness of self and environment, and other indicators of consciousness are absent as determined by an appropriate neurological assessment by a physician in consultation with the attending physician or an appropriate neurological assessment by a physician in consultation with an ARNP.

XIX. "Physician" means a medical doctor licensed in good standing to practice in the state of New Hampshire pursuant to RSA 329.

XX. "Principal" means a person 18 years of age or older who has executed an advance directive pursuant to the provisions of this chapter.

XXI. "Reasonable degree of medical certainty" means a medical judgment that is made by a physician or ARNP who is knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.

XXII. "Residential care provider" means a "facility" as defined in RSA 161-F:11, IV, a "nursing home" as defined in RSA 151-A:2, IV, or any individual or facility licensed, certified, or otherwise authorized or permitted by law to operate, for profit or otherwise, a residential care facility for adults, including but not limited to those operating pursuant to RSA 420-D.

XXIII. "Witness" means a person 18 years or older who is present when the principal signs an advance directive.

137-J:3 Freedom From Influence.

I. No health care provider or residential care provider, and no health care service plan, insurer issuing disability insurance, self-insured employee welfare benefit plan, or nonprofit hospital service plan shall charge a person a different rate because of the existence or non-existence of an advance directive or do not resuscitate order, or require any person to execute an advance directive or require the issuance of a do not resuscitate order as a condition of admission to a hospital, nursing home, or residential care home, or as a condition of being insured for, or receiving, health or residential care services. Health or residential care services shall not be refused because a person is known to have executed an advance directive or have a do not resuscitate order.

II. The execution of an advance directive or issuance of a do not resuscitate order pursuant to this chapter shall not affect in any manner the sale, procurement, or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired, modified or invalidated in any manner by the withholding or withdrawal of life-sustaining treatment from an insured person notwithstanding any term of the policy to the contrary.

137-J:4 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid for any reason, such invalidity shall not affect any other provisions or applications of this chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

Advance Directives.

137-J:5 Scope and Duration of Agent's Authority.

I. Subject to the provisions of this chapter and any express limitations set forth by the principal in an advance directive, the agent shall have the authority to make any and all health care decisions on the principal's behalf that the principal could make.

II. An agent's authority under an advance directive shall be in effect only when the principal lacks capacity to make health care decisions, as certified in writing by the principal's attending physician or ARNP, and filed with the name of the agent in the principal's medical record. When and if the principal regains capacity to make health care decisions, such event shall be certified in writing by the principal's attending physician or ARNP, noted in the principal's medical record, the agent's authority shall terminate, and the authority to make health care decisions shall revert to the principal.

III. If the principal has no attending physician or ARNP for reasons based on the principal's religious or moral beliefs as specified in his or her advance directive, the advance directive may include a provision that a person designated by the principal in the advance directive may certify in writing, acknowledged before a notary or justice of the peace, as to the lack of decisional capacity of the principal. The person so designated by the principal shall not be the agent, or a person ineligible to be the agent.
IV. The principal's attending physician or ARNP shall make reasonable efforts to inform the principal of any proposed treatment, or of any proposal to withdraw or withhold treatment. Notwithstanding that an advance directive is in effect and irrespective of the principal's lack of capacity to make health care decisions at the time, treatment may not be given to or withheld from the principal over the principal's objection.

V. Nothing in this chapter shall be construed to give an agent authority to:
   (a) Consent to voluntary admission to any state institution;
   (b) Consent to a voluntary sterilization; or
   (c) Consent to withholding life-sustaining treatment from a pregnant principal, unless, to a reasonable degree of medical certainty, as certified on the principal's medical record by the attending physician or ARNP and an obstetrician who has examined the principal, such treatment or procedures will not maintain the principal in such a way as to permit the continuing development and live birth of the fetus or will be physically harmful to the principal or prolong severe pain which cannot be alleviated by medication.

137-J:6 Requirement to Act in Accordance with Principal's Wishes and Best Interests. After consultation with the attending physician or ARNP and other health care providers, the agent shall make health care decisions in accordance with the agent's knowledge of the principal's wishes and religious or moral beliefs, as stated orally or otherwise communicated by the principal, or, if the principal's wishes are unknown, in accordance with the agent's assessment of the principal's best interests and in accordance with accepted medical practice.

137-J:7 Provider's Responsibilities.

I. A principal's health care provider or residential care provider, and employees thereof, having knowledge of the principal's advance directive shall be bound to follow the directives of the principal's designated agent to the extent they are consistent with this chapter and the advance directive, and to the extent they are within the bounds of responsible medical practice.

   (a) An attending physician or ARNP, or other health care provider or residential care provider, who is requested to do so by the principal shall make the principal's advance directive or a copy of such document a part of the principal's medical record.

   (b) Any person having in his or her possession a duly executed advance directive or a revocation thereof, if it becomes known to that person that the principal executing the same is in such circumstances that the terms of the advance directive might become applicable, shall forthwith deliver the same to the health care provider or residential care provider with which the principal is a patient.

II. A principal's health care provider or residential care provider who is aware of the principal's execution of an advance directive shall, as appropriate to the principal's medical condition and without delay, take the necessary steps to provide for written verification of the principal's lack of capacity to make health care decisions, and/or near death or permanently unconscious condition, as applicable, so that the principal's agent may be authorized to act pursuant to this chapter.

III. Prior to the agent making a health care decision for the principal, the principal's health care provider or residential care provider shall provide the agent with the following information regarding the agent's responsibilities:

   (a) The agent shall, at all times, make health care decisions that are consistent with what the principal would have wanted, if reasonably known, had the principal had the capacity to make health care decisions.

   (b) If the principal's wishes cannot reasonably be ascertained, the agent shall, in consultation with the attending physician or ARNP, make health care decisions that are in the best interest of the principal, which may include withholding or withdrawing treatment.

   (c) The agent shall be informed by the principal's attending physician or ARNP regarding any health care decision the agent makes for the principal, and the agent shall consider the nature and consequences, including the risks, benefits and reasonable alternatives of that health care decision.

IV. When the direction of an agent requires an act or omission contrary to the moral or ethical principles or other standards of a health care provider or residential care provider of which the principal is a patient or resident, the healthcare provider shall allow for the transfer of the principal and the appropriate medical records to another health care provider chosen by the principal or by the agent and shall incur no liability for its refusal to carry out the terms of the direction by the agent; provided, that, the health care provider or residential care provider shall inform the agent of its decision not to participate in such an act or omission.

137-J:8 Restrictions on Who May Act as Agent. A person may not exercise the authority of agent while serving in one of the following capacities:
I. The principal’s health care provider or residential care provider.
II. A nonrelative of the principal who is an employee of the principal’s health care provider or residential care provider.
137-J:9 Confidentiality and Access to Protected Health Information.
I. Health care providers, residential care providers, and persons acting for such providers or under their control, shall be authorized to;
(a) Communicate to an agent any medical information about the principal, if the principal lacks the capacity to make health care decisions, necessary for the purpose of assisting the agent in making health care decisions on the principal’s behalf.
(b) Provide copies of the principal’s advance directives as necessary to facilitate treatment of the principal.
II. Subject to any limitations set forth in the advance directive by the principal, an agent whose authority is in effect shall be authorized, for the purpose of making health care decisions, to;
(a) Request, review, and receive any information, oral or written, regarding the principal’s physical or mental health, including, but not limited to, medical and hospital records.
(b) Execute any releases or other documents which may be required in order to obtain such medical information.
(c) Consent to the disclosure of such medical information.
137-J:10 Withholding or Withdrawal of Life-Sustaining Treatment.
I. In the event a health care decision to withhold or withdraw life-sustaining treatment, including medically administered nutrition and hydration, is to be made by an agent, and the principal has not executed the “Living Will” component of the advance directive document, the following additional conditions shall apply:
(a) The principal’s attending physician or ARNP shall certify in writing that the principal lacks the capacity to make health care decisions.
(b) Two physicians or a physician and an ARNP shall certify in writing that the principal is near death or is permanently unconscious.
(c) Notwithstanding the capacity of an agent to act, the agent shall make a good faith effort to explore all avenues reasonably available to discern the desires of the principal including, but not limited to, the principal’s advance directive, the principal’s written or spoken expressions of wishes, and the principal’s known religious or moral beliefs.
II. The withholding or withdrawal of life-sustaining treatment pursuant to the provisions of this chapter shall at no time be construed as a suicide or murder for any legal purpose. Nothing in this chapter shall be construed to constitute, condone, authorize, or approve suicide, assisted suicide, mercy killing, or euthanasia, or permit any affirmative or deliberate act or omission to end one’s own life or to end the life of another other than to permit the natural process of dying of those near death or in a permanently unconscious condition as provided in this chapter. The withholding or withdrawal of life-sustaining treatment in accordance with the provisions of this chapter, however, shall not relieve any individual of responsibility for any criminal acts that may have caused the principal’s condition.
III. Nothing in this chapter shall be construed to condone, authorize, or approve:
(a) The withholding of life-sustaining treatment from or to permit any affirmative or deliberate act or omission to end the life of a pregnant woman by an attending physician or ARNP when such attending physician or ARNP has knowledge of the woman’s pregnant condition, unless, to a reasonable degree of medical certainty, as certified on the principal’s medical record by the attending physician or ARNP and an obstetrician who has examined the principal, such treatment or procedures will not maintain the principal in such a way as to permit the continuing development and live birth of the fetus or will be physically harmful to the principal or prolong severe pain which cannot be alleviated by medication.
(b) The arbitrary withholding or withdrawing of life-sustaining treatment from mentally incompetent or developmentally disabled persons.
IV. Nothing in this chapter shall impair or supersede any other legal right or responsibility which any person may have to effect life-sustaining treatment in any lawful manner.
V. Nothing in this chapter shall be construed to revoke or adversely affect the privileges or immunities of health care providers or residential care providers and others to provide treatment to persons in need thereof in an emergency, as provided for under New Hampshire law.
VI. Nothing in this chapter shall be construed to create a presumption that in the absence of an advance directive, a person wants life-sustaining treatment to be either taken or withdrawn. This chapter shall also not be construed to supplant any existing rights and responsibilities under the law of this state governing the conduct of physicians or ARNPs in consultation with patients or their families or legal guardians in the absence of an advance directive.

137-J:11 Liability for Health Care Costs. Liability for the cost of health care provided pursuant to the agent’s decision shall be the same as if the health care were provided pursuant to the principal’s decision.

137-J:12 Immunity.
I. No person acting as agent pursuant to an advance directive shall be subjected to criminal or civil liability for making a health care decision on behalf of the principal in good faith pursuant to the provisions of this chapter and the terms of the advance directive if such person exercised such power in a manner consistent with the requirements of this chapter and New Hampshire law.

II. No health care provider or residential care provider, or any other person acting for the provider or under the provider’s control, shall be subjected to civil or criminal liability or be deemed to have engaged in unprofessional conduct for:

(a) Any act or intentional failure to act, if the act or intentional failure to act is done pursuant to the dictates of an advance directive, the directives of the principal’s agent, and the provisions of this chapter, and said act or intentional failure to act is done in good faith and in keeping with reasonable medical standards pursuant to the advance directive and in accordance with this chapter; or

(b) Failure to follow the directive of an agent if the health care provider or residential care provider or other such person believes in good faith and in keeping with reasonable medical standards that such directive exceeds the scope of or conflicts with the authority of the agent under this chapter or the contents of the principal’s advance directive.

III. Nothing in this section shall be construed to establish immunity for the failure to exercise due care in the provision of services or for actions contrary to the requirements of this chapter or other laws of the state of New Hampshire.

IV. For purposes of this section, “good faith” means honesty in fact in the conduct of the transaction concerned.

137-J:13 Use of Statutory Forms.
I. Every person wishing to execute an advance directive shall be provided with a disclosure statement substantially in the form set forth in RSA 137-J:18 prior to execution. The principal shall be required to sign a statement acknowledging that he or she has received the disclosure statement and has read and understands its contents.

II. An advance directive executed on or after the effective date of this chapter shall be substantially in the form set forth in RSA 137-J:19.

III. Medically administered nutrition and hydration shall not be withdrawn or withheld under an advance directive unless there is a clear expression of such power in the document.

137-J:14 Execution and Witnesses.
I. The advance directive shall be signed by the principal in the presence of either of the following:

(a) Two or more subscribing witnesses, neither of whom shall, at the time of execution, be the agent, the principal’s spouse or heir at law, or a person entitled to any part of the estate of the principal upon death of the principal under a will, trust, or other testamentary instrument or deed in existence or by operation of law, or attending physician or ARNP, or person acting under the direction or control of the attending physician or ARNP. No more than one such witness may be the principal’s health or residential care provider or such provider’s employee. The witnesses shall affirm that the principal appeared to be of sound mind and free from duress at the time the advance directive was signed and that the principal affirmed that he or she was aware of the nature of the document and signed it freely and voluntarily; or

(b) A notary public or justice of the peace, who shall acknowledge the principal’s signature pursuant to the provisions of RSA 456 or RSA 456-A.

II. If the principal is physically unable to sign, the advance directive may be signed by the principal’s name written by some other person in the principal’s presence and at the principal’s express direction.

137-J:15 Revocation.
I. An advance directive consistent with the provisions of this chapter shall be revoked:

(a) By written revocation delivered to the agent or to a health care provider or residential care provider expressing the principal’s intent to revoke, signed, and dated by the principal; by
oral revocation in the presence of 2 or more witnesses, none of whom shall be the principal’s spouse or heir at law; or by any other act evidencing a specific intent to revoke the power, such as by burning, tearing, or obliterating the same or causing the same to be done by some other person at the principal’s direction and in the principal’s presence;

(b) By execution by the principal of a subsequent advance directive;

(c) By the filing of an action for divorce, legal separation, annulment or protective order, where both the agent and the principal are parties to such action, except when there is an alternate agent designated, in which case the designation of the primary agent shall be revoked and the alternate designation shall become effective. Re-execution or written re-affirmation of the advance directive following a filing of an action for divorce, legal separation, annulment or protective order shall make effective the original designation of the primary agent under the advance directive; or

(d) By a determination by a court under RSA 506:7 that the agent’s authority has been revoked.

II. A principal’s health or residential care provider who is informed of or provided with a revocation of an advance directive shall immediately record the revocation, and the time and date when he or she received the revocation, in the principal’s medical record and notify the agent, the attending physician or ARNP, and staff responsible for the principal’s care of the revocation. An agent who becomes aware of such revocation shall inform the principal’s health or residential care provider of such revocation. Revocation shall become effective upon communication to the attending physician or ARNP.

137-J:16 Documents from Other States; Documents Executed Prior to Enactment. Nothing in this chapter limits the enforceability of a durable power of attorney for health care or living will or similar instrument validly executed under prior New Hampshire law or in another state or jurisdiction in compliance with the law of that state or jurisdiction. However, any exercise of power under such a previously valid or foreign advance directive or similar instrument shall be restricted by and in compliance with the requirements of this chapter and the laws of the state of New Hampshire.

137-J:17 Naming of Multiple Agents. If the principal lists more than one person as the agent in a durable power of attorney for health care document, the agents shall have authority in priority of the order in which their names are listed on the document, unless the method of joint agency is expressly included.

137-J:18 Durable Power of Attorney; Disclosure Statement. The disclosure statement which must accompany a durable power of attorney for health care shall be in substantially the following form:

INFORMATION CONCERNING THE DURABLE POWER OF ATTORNEY FOR HEALTH CARE THIS IS AN IMPORTANT LEGAL DOCUMENT.

BEFORE SIGNING IT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except if you say otherwise in the document, this document gives the person you name as your health care agent the power to make any and all health care decisions for you when you lack the capacity to make health care decisions for yourself (in other words, you no longer have the ability to understand and appreciate generally the nature and consequences of a health care decision, including the significant benefits and harms of and reasonable alternatives to any proposed health care). “Health care” means any treatment, service or procedure to maintain, diagnose or treat your physical or mental condition. Your health care agent, therefore, will have the power to make a wide range of health care decisions for you. Your health care agent may consent (in other words, give permission), refuse to consent, or withdraw consent to medical treatment, and may make decisions about withdrawing or withholding life-sustaining treatment. Your health care agent cannot consent to or direct any of the following: commitment to a state institution, sterilization, or termination of treatment if you are pregnant and if the withdrawal of that treatment is deemed likely to terminate the pregnancy, unless the treatment will be physically harmful to you or prolong severe pain which cannot be alleviated by medication.

You may explain in this document any treatment you do not want, or any treatment you want to be sure you receive. Your health care agent’s power will begin when your doctor certifies that you lack the capacity to make health care decisions (in other words, that you are not able to make health care decisions). If for moral or religious reasons you do not want to be treated by a doctor or to be examined by a doctor to certify that you lack capacity, you must say so in the document and you must name someone who can certify your lack of capacity. That person cannot be your health care agent or alternate health care agent or any person who is not eligible to be your health care agent. You may attach additional pages to the document if you need more space to state your wishes.
If you want to give your health care agent power to withhold or withdraw medically administered nutrition and hydration, you must say so in your document. Otherwise, your health care agent will not be able to direct that. Under no conditions will your health care agent be able to direct the withholding of food and drink that you are able to eat and drink normally.

Your health care agent shall be guided by your written instructions in this document when making decisions for you. Unless you state otherwise in the document, your agent will have the same power to make decisions about your health care as you would have had, if those decisions by your health care agent are made consistent with state law.

It is important that you discuss this document with your doctor or other health care providers before you sign it, to make sure that you understand the nature and range of decisions which could be made for you by your health care agent. If you do not have a health care provider, you should talk with someone else who is knowledgeable about these issues and can answer your questions. Check with your community hospital or hospice for trained staff. You do not need a lawyer’s assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you choose as your health care agent should be someone you know and trust, and he or she must be at least 18 years old. If you choose your health or residential care provider (such as your doctor, advanced registered nurse practitioner, or an employee of a hospital, nursing home, home health agency, or residential care home, other than a relative), that person will have to choose between acting as your health care agent or as your health or residential care provider, because the law does not allow a person to do both at the same time.

You should consider choosing an alternate health care agent, in case your health care agent is unwilling, unable, unavailable or not eligible to act as your health care agent. Any alternate health care agent you choose will then have the same authority to make health care decisions for you.

You should tell the person you choose that you want him or her to be your health care agent. You should talk about this document with your health care agent and your doctor or advanced registered nurse practitioner and give each one a signed copy. You should write on the document itself the people and institutions who will have signed copies. Your health care agent will not be liable for health care decisions made in good faith on your behalf.

EVEN AFTER YOU HAVE SIGNED THIS DOCUMENT, YOU HAVE THE RIGHT TO MAKE HEALTH CARE DECISIONS FOR YOURSELF AS LONG AS YOU ARE ABLE TO DO SO, AND TREATMENT CANNOT BE GIVEN TO YOU OR STOPPED OVER YOUR CLEAR OBJECTION. You have the right to revoke the power given to your health care agent by telling him or her, or by telling your health care provider, orally or in writing, that you no longer want that person to be your health care agent.

This document cannot be changed or modified. If you want to make changes, you must make an entirely new document. THIS POWER OF ATTORNEY WILL NOT BE VALID UNLESS IT IS SIGNED IN THE PRESENCE OF A NOTARY PUBLIC OR TWO (2) OR MORE QUALIFIED WITNESSES, WHO MUST BOTH BE PRESENT WHEN YOU SIGN AND WHO WILL ACKNOWLEDGE YOUR SIGNATURE ON THE DOCUMENT. THE FOLLOWING PERSONS MAY NOT ACT AS WITNESSES:

____ The person you have designated as your health care agent;
____ Your spouse or heir at law;
____ Your attending physician or ARNP, or person acting under the direction or control of the attending physician or ARNP;
ONLY ONE OF THE TWO WITNESSES MAY BE YOUR HEALTH OR RESIDENTIAL CARE PROVIDER OR ONE OF YOUR PROVIDER’S EMPLOYEES.

137-J:19 Advance Directive; Durable Power of Attorney and Living Will; Form. An advance directive in its individual “Durable Power of Attorney for Healthcare” and “Living Will” components shall be in substantially the following form:

NEW HAMPSHIRE ADVANCE DIRECTIVE

NOTE: This form has two sections.
You may complete both sections, or only one section.
I. DURABLE POWER OF ATTORNEY FOR HEALTH CARE

1. _____________________________, hereby appoint _____________________________ (Please choose only one person. If you choose more than one agent, they will have authority in priority of the order their names are listed.) as my agent to
make any and all health care decisions for me, except to the extent I state otherwise in this document or as prohibited by law. This durable power of attorney for health care shall take effect in the event I lack the capacity to make my own health care decisions.

In the event the person I appoint above is unable, unwilling or unavailable, or ineligible to act as my health care agent, I hereby appoint __________________________ of __________________________, as alternate agent. (Please choose only one person. If you choose more than one alternate agent, they will have authority in priority of the order their names are listed.)

STATEMENT OF DESIRES, SPECIAL PROVISIONS, AND LIMITATIONS REGARDING HEALTH CARE DECISIONS.

For your convenience in expressing your wishes, some general statements concerning the withholding or removal of life-sustaining treatment are set forth below. (Life-sustaining treatment is defined as procedures without which a person would die, such as but not limited to the following: mechanical respiration, kidney dialysis or the use of other external mechanical and technological devices, drugs to maintain blood pressure, blood transfusions, and antibiotics.) There is also a section which allows you to set forth specific directions for these or other matters. If you wish, you may indicate your agreement or disagreement with any of the following statements and give your agent power to act in those specific circumstances.

A. LIFE-SUSTAINING TREATMENT.

1. If I am near death and permanently lack the capacity to make health care decisions, I authorize my agent to direct that:

(Initial beside your choice of (a) or (b).)

- (a) life-sustaining treatment not be started, or if started, be discontinued.
- (b) life-sustaining treatment continue to be given to me.

2. Whether near death or not, if I become permanently unconscious I authorize my agent to direct that:

(Initial beside your choice of (a) or (b).)

- (a) life-sustaining treatment not be started, or if started, be discontinued.
- (b) life-sustaining treatment continue to be given to me.

B. MEDICALLY ADMINISTERED NUTRITION AND HYDRATION.

1. I realize that situations could arise in which the only way to allow me to die would be to not start or to discontinue medically administered nutrition and hydration. In carrying out any instructions I have given in this document, I authorize my agent to direct that:

(Initial beside your choice of (a) or (b).)

- (a) medically administered nutrition and hydration not be started or, if started, be discontinued.
- (b) even if all other forms of life-sustaining treatment have been withdrawn, medically administered nutrition and hydration continue to be given to me.

(If you fail to complete item B, your agent will not have the power to direct the withholding or withdrawal of medically administered nutrition and hydration.)

C. ADDITIONAL INSTRUCTIONS.

Here you may include any specific desires or limitations you deem appropriate, such as when or what life-sustaining treatment you would want used or withheld, or instructions about refusing any specific types of treatment that are inconsistent with your religious beliefs or are unacceptable to you for any other reason. You may leave this question blank if you desire.

(attach additional pages as necessary)

I hereby acknowledge that I have been provided with a disclosure statement explaining the effect of this document. I have read and understand the information contained in the disclosure statement. The original of this document will be kept at ________________ and the following persons and institutions will have signed copies:
Signed this ______ day of _______________________, 20____
Principal’s Signature: ____________________________________________

[If you are physically unable to sign, this document may be signed by someone else writing your name, in your presence and at your express direction.]

THIS POWER OF ATTORNEY DOCUMENT MUST BE SIGNED BY TWO WITNESSES OR A NOTARY PUBLIC.

We declare that the principal appears to be of sound mind and free from duress at the time the durable power of attorney for health care is signed and that the principal affirms that he or she is aware of the nature of the document and is signing it freely and voluntarily.
Witness: ___________________________ Address: ___________________________
Witness: ___________________________ Address: ___________________________

STATE OF NEW HAMPshire
COUNTY OF ___________________________

The foregoing durable power of attorney for health care was acknowledged before me this ______ day of _______________________, 20____, by ___________________________ (“the Principal”).

Notary Public / Justice of the Peace
My commission expires:

II. LIVING WILL

Declaration made this ______ day of _______________________, 20____.

I, ___________________________, being of sound mind, willfully and voluntarily make known my desire that my dying shall not be artificially prolonged under the circumstances set forth below, do hereby declare:

If at any time I should have an incurable injury, disease, or illness and I am certified to be near death or in a permanently unconscious condition by my attending physician or ARNP, and my attending physician or ARNP has determined that my death will occur whether or not life-sustaining treatment is utilized or that I will remain in a permanently unconscious condition and where the application of life-sustaining treatment would serve only to artificially prolong the dying process, I direct that such procedures be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication, the natural ingestion of food or fluids by eating and drinking, or the performance of any medical procedure deemed necessary to provide me with comfort care. I realize that situations could arise in which the only way to allow me to die would be to discontinue medically administered nutrition and hydration.

In carrying out any instruction I have given under this section, I authorize that:
(Initial beside your choice of (a) or (b).)

____ (a) medically administered nutrition and hydration not be started or, if started, be discontinued,

-or-

____ (b) even if all other forms of life-sustaining treatment have been withdrawn, medically administered nutrition and hydration continue to be given to me.

In the absence of my ability to give directions regarding the use of such life-sustaining treatment, it is my intention that this declaration shall be honored by my family and health care providers as the final expression of my right to refuse medical or surgical treatment and accept the consequences of such refusal.

I understand the full import of this declaration, and I am emotionally and mentally competent to make this declaration.
Signed this ______ day of _______________________, 20____
Principal’s Signature: ____________________________________________

[If you are physically unable to sign, this document may be signed by someone else writing your name, in your presence and at your express direction.]

THIS LIVING WILL DOCUMENT MUST BE SIGNED BY TWO WITNESSES OR A NOTARY PUBLIC.

We declare that the principal appears to be of sound mind and free from duress at the time the living will is signed and that the principal affirms that he or she is aware of the nature of the document and is signing it freely and voluntarily.

____ (a) medically administered nutrition and hydration not be started or, if started, be discontinued,

-or-

____ (b) even if all other forms of life-sustaining treatment have been withdrawn, medically administered nutrition and hydration continue to be given to me.

In the absence of my ability to give directions regarding the use of such life-sustaining treatment, it is my intention that this declaration shall be honored by my family and health care providers as the final expression of my right to refuse medical or surgical treatment and accept the consequences of such refusal.

I understand the full import of this declaration, and I am emotionally and mentally competent to make this declaration.
Signed this ______ day of _______________________, 20____
Principal’s Signature: ____________________________________________

[If you are physically unable to sign, this document may be signed by someone else writing your name, in your presence and at your express direction.]

THIS LIVING WILL DOCUMENT MUST BE SIGNED BY TWO WITNESSES OR A NOTARY PUBLIC.

We declare that the principal appears to be of sound mind and free from duress at the time the living will is signed and that the principal affirms that he or she is aware of the nature of the document and is signing it freely and voluntarily.
The foregoing living will was acknowledged before me this _______ day of ____, 20__, by ______________________ (“the Principal”).

Notary Public / Justice of the Peace
My commission expires:
I. On motion filed in connection with a petition for appointment of a guardian or on petition of a guardian if one has been appointed, the probate court shall consider whether the authority of an agent designated pursuant to an advance directive should be suspended or revoked. In making its determination, the probate court shall take into consideration the preferences of the principal as expressed in the advance directive. No such consideration shall change the procedures or burden of proof involved in the guardianship process as otherwise provided by law or procedures. In such consideration, the advance directive and agent appointed shall be presumed to be in the best interest of the principal and valid, absent clear and convincing evidence to the contrary.

II. To the extent that a durable power of attorney for health care, or such component of an advance directive as set forth in RSA 137-J:19, conflicts with a terminal care document or living will, or such component of an advance directive as set forth in RSA 137-J:19, the durable power of attorney for health care shall control.

137-J:21 Civil Action.
I. The principal or any person who is a near relative of the principal, or who is a responsible adult who is directly interested in the principal by personal knowledge and acquaintance, including, but not limited to a guardian, social worker, physician, or clergyman, may file an action in the probate court of the county where the principal is located at the time:

(a) Requesting that the authority granted to an agent by an advance directive be revoked on the grounds that the principal was not of sound mind or was under duress, fraud, or undue influence when the advance directive was executed, and shall have all the rights and remedies provided by RSA 506:7 which shall apply to documents executed under this chapter and persons acting pursuant to this chapter.

(b) Challenging the right of any agent who is acting or who proposes to act as such pursuant to this chapter and naming another person, who agrees to so act, to be appointed guardian over the person of the principal for the sole purpose of making health care decisions, as provided for in RSA 464-A.

II. A copy of any such action shall be given in hand to the principal’s attending physician or ARNP and, as applicable, to the principal’s health care provider or residential care provider. To the extent they are not irreversibly implemented, health care decisions made by a challenged agent shall not thereafter be implemented without an order of the probate court or a withdrawal or dismissal of the court action.

III. The probate court in which such a petition is filed shall hold a hearing as expeditiously as possible.

137-J:22 Penalty. A person who knowingly and falsely makes, alters, forges, or counterfeits, or knowingly and falsely causes to be made, altered, forged, or counterfeited, or procures, aids or counsels the making, altering, forging, or counterfeiting, of an advance directive or revocation of same with the intent to injure or defraud a person shall be guilty of a class B felony, notwithstanding any provisions in title LXII.

Do Not Resuscitate

137-J:23 Applicability. The provisions of this subdivision apply to all persons regardless of whether or not they have completed an advance directive.

137-J:24 Presumed Consent to Cardiopulmonary Resuscitation; Health Care Providers and Residential Care Providers Not Required to Expand to Provide Cardiopulmonary Resuscitation.
I. Every person shall be presumed to consent to the administration of cardiopulmonary resuscitation in the event of cardiac or respiratory arrest, unless one or more of the following conditions, of which the health care provider or residential care provider has actual knowledge, apply:

(a) A do not resuscitate order in accordance with the provisions of this chapter has been issued for that person;
(b) A completed advance directive for that person is in effect, pursuant to the provisions of this chapter, in which the person indicated that he or she does not wish to receive cardiopulmonary resuscitation, or his or her agent has determined that the person would not wish to receive cardiopulmonary resuscitation; or

(c) A person is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination by a duly accredited practitioner thereof.

II. Nothing in this section shall be construed to revoke any statute, regulation, or law otherwise requiring or exempting a health care provider or residential care provider from instituting or maintaining the ability to provide cardiopulmonary resuscitation or expanding its existing equipment, facilities, or personnel to provide cardiopulmonary resuscitation.

137-J:25 Issuance of a Do Not Resuscitate Order; Order to be Written by the Attending Physician or ARNP.

I. An attending physician or ARNP may issue a do not resuscitate order for a person if the person, or the person's agent, has consented to the order. A do not resuscitate order shall be issued in writing in the form as described in this section for a person not present or residing in a health care facility. For persons present in health care facilities, a do not resuscitate order shall be issued in accordance with the policies and procedures of the health care facility or in accordance with the provisions of this chapter.

II. A person may request that his or her attending physician or ARNP issue a do not resuscitate order for the person.

III. An agent may consent to a do not resuscitate order for a person who lacks the capacity to make health care decisions. A do not resuscitate order written by the attending physician or ARNP for such a person with the consent of the agent is valid and shall be respected by health care providers and residential care providers.

IV. For persons not present or residing in a health care facility, the do not resuscitate order shall be noted on a medical orders form or in substantially the following form on a card suitable for carrying on the person:

Do Not Resuscitate Order
As attending physician or ARNP of ____________________________, and as a licensed physician or advanced registered nurse practitioner, I order that this person SHALL NOT BE RESUSCITATED in the event of cardiac or respiratory arrest.
This order has been discussed with ________________________ (or, if applicable, with his/her agent,) ________________, who has given consent as evidenced by his/her signature below.

Attending physician or ARNP Name ____________________________
Attending physician or ARNP Signature ____________________________
Address ____________________________________________________
Person Signature ______________________________________________
Address ____________________________________________________
Agent Signature (if applicable) __________________________________
Address ____________________________________________________

V. For persons residing in a health care facility, the do not resuscitate order shall be reflected in at least one of the following forms:

(a) Forms required by the policies and procedures of the health care facility;
(b) The do not resuscitate card as set forth in paragraph V; or
(c) The medical orders form.

137-J:26 Compliance with a Do Not Resuscitate Order.

I. Health care providers and residential care providers shall comply with the do not resuscitate order when presented with one of the following:

(a) A do not resuscitate order completed by the attending physician or ARNP on a form as specified in RSA 137-J:25;
(b) A do not resuscitate order for a person present or residing in a health care facility issued in accordance with the health care facility's policies and procedures; or
(c) A medical orders form on which the attending physician or ARNP has documented a do not resuscitate order.

II. Pursuant to this chapter, health care providers shall respect do not resuscitate orders for persons in health care facilities, ambulances, homes, and communities within this state.
137-J:27 Protection of Persons Carrying Out in Good Faith a Do Not Resuscitate Order; Notification of Agent by Attending Physician or ARNP Refusing to Comply with Do Not Resuscitate Order.

I. No health care provider or residential care provider, or any other person acting for the provider or under the provider’s control, shall be subjected to criminal or civil liability, or be deemed to have engaged in unprofessional conduct, for carrying out in good faith a do not resuscitate order authorized by this chapter on behalf of a person as instructed by the person, or the person’s agent, or for those actions taken in compliance with the standards and procedures set forth in this chapter.

II. No health care provider or residential care provider, or any other person acting for the provider or under the provider’s control, or other individual who witnesses a cardiac or respiratory arrest shall be subjected to criminal or civil liability for providing cardiopulmonary resuscitation to a person for whom a do not resuscitate order has been issued; provided, that such provider or individual:
   (a) Reasonably and in good faith is unaware of the issuance of a do not resuscitate order; or
   (b) Reasonably and in good faith believed that consent to the do not resuscitate order has been revoked or canceled.

III. Any attending physician or ARNP who refuses to issue a do not resuscitate order at a person’s request or to comply with a do not resuscitate order issued pursuant to this chapter shall take reasonable steps to advise promptly the person or agent of the person that such attending physician or ARNP is unwilling to effectuate the order. The attending physician or ARNP shall thereafter at the election of the person or agent permit the person or agent to obtain another attending physician or ARNP.

137-J:28 Revocation of Do Not Resuscitate Order.

I. At any time a person in a health care facility may revoke his or her previous request for or consent to a do not resuscitate order by making either a written, oral, or other act of communication to the attending physician or ARNP or other professional staff of the health care facility.

II. At any time a person residing at home may revoke his or her do not resuscitate order by destroying such order and removing do not resuscitate identification on his or her person. The person is responsible for notifying his or her attending physician or ARNP of the revocation.

III. At any time an agent may revoke his or her consent to a do not resuscitate order for a person who lacks capacity to make health care decisions who is admitted to a health care facility by notifying the attending physician or ARNP or other professional staff of the health care facility of the revocation of consent in writing, or by orally notifying the attending physician or ARNP in the presence of a witness 18 years of age or older.

IV. At any time an agent may revoke his or her consent for a person who lacks capacity to make health care decisions who is residing at home by destroying such order and removing do not resuscitate identification from the person. The agent is responsible for notifying the person’s attending physician or ARNP of the revocation.

V. The attending physician or ARNP who is informed of or provided with a revocation of consent pursuant to this section shall immediately cancel the do not resuscitate order if the person is in a health care facility and notify the professional staff of the health care facility responsible for the person’s care of the revocation and cancellation. Any professional staff of the health care facility who is informed of or provided with a revocation of consent pursuant to this section shall immediately notify the attending physician or ARNP of such revocation.

VI. Only a physician or advanced registered nurse practitioner may cancel the issuance of a do not resuscitate order.

137-J:29 Not Suicide or Murder. The withholding of cardiopulmonary resuscitation from a person in accordance with the provisions of this chapter shall not, for any purpose, constitute suicide or murder. The withholding of cardiopulmonary resuscitation from a person in accordance with the provisions of this chapter, however, shall not relieve any individual of responsibility for any criminal acts that may have caused the person’s condition. Nothing in this chapter shall be construed to legalize, condone, authorize, or approve mercy killing or assisted suicide.

137-J:30 Interinstitutional Transfers. If a person with a do not resuscitate order is transferred from one health care facility to another health care facility, the health care facility initiating the transfer shall communicate the existence of a do not resuscitate order to the receiving facility prior to the transfer. The written do not resuscitate order, the do not resuscitate card as described in RSA 137-J:25, or the medical orders form shall accompany the person to the health care facility receiving the person and shall remain effective until a physician at the receiving facility issues admission orders. The do not resuscitate card or the medical orders form shall be kept as the first page in the person’s transfer records.

I. Nothing in this chapter shall impair or supersede any legal right or legal responsibility which any person may have to effect the withholding of cardiopulmonary resuscitation in any lawful manner. In such respect, the provisions of this chapter are cumulative.

II. Nothing in this chapter shall be construed to preclude a court of competent jurisdiction from approving the issuance of a do not resuscitate order under circumstances other than those under which such an order may be issued pursuant to the provisions of this chapter.

137-J:32 Do Not Resuscitate Identification. Do not resuscitate identification as set forth in this chapter may consist of either a medical condition bracelet or necklace with the inscription of the person’s name, date of birth in numerical form and “NH Do Not Resuscitate” or “NH DNR” on it. Such identification shall be issued only upon presentation of a properly executed do not resuscitate order form as set forth in RSA 137J:25, a medical orders form in which a physician or advanced registered nurse practitioner has documented a do not resuscitate order, or a do not resuscitate order properly executed in accordance with a health care facility’s written policy and procedure.

2 Emergency Care; Reference Change. Amend RSA 153-A:20, II to read as follows:

II. Protocols recommended by the emergency medical services medical control board for provision of emergency medical care, which shall provide for the provision of local options under medical control. The protocols shall address living wills established under RSA [137-H] 137-J, durable powers of attorney for health care established under RSA 137-J, and patient-requested, physician generated orders relative to resuscitation.

3 Guardians; Reference Change. Amend RSA 464-A:25, I(d) to read as follows:

(d) If a ward has previously executed a valid living will, under RSA [137-H] 137-J, a guardian shall be bound by the terms of such document, provided that the court may hold a hearing to interpret any ambiguity in such document. If a ward has previously executed a valid durable power of attorney for health care, RSA 137-J shall apply.

4 Jurisdiction; Reference Change. Amend RSA 547:3, (j) to read as follows:

(j) The interpretation and effect of living wills under RSA [137-H] 137-J.

5 Repeal. RSA 137-H, relative to living wills, is hereby repealed.

6 Effective Date. This act shall take effect January 1, 2007.

Rep. Mooney offered floor amendment (0898h).

Floor Amendment (0898h)

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. RSA 137-H, relative to living wills, is hereby repealed.
2 Written Directives for Medical Decision Making for Adults Without Capacity to Make Health Care Decisions for Themselves. RSA 137-J is repealed and reenacted to read as follows:
CHAPTER 137-J
WRITTEN DIRECTIVES FOR MEDICAL DECISION MAKING FOR ADULTS
WITHOUT CAPACITY TO MAKE HEALTH CARE DECISIONS
137-J:1 Purpose and Policy.
I. The state of New Hampshire recognizes that a person has a right, founded in the autonomy and sanctity of the person, to control the decisions relating to the rendering of his or her own medical care. In order that the rights of persons may be respected even after such persons lack the capacity to make health care decisions for themselves, and to encourage communication between patients and their attending physicians or ARNPs, the general court declares that the laws of this state shall recognize the right of a competent person to make a written directive:
(a) Delegating to an agent the authority to make health care decisions on the person’s behalf, in the event such person is unable to make those decisions for himself or herself, either due to permanent or temporary lack of capacity to make health care decisions;
(b) Instructing his or her attending physician or ARNP to provide, withhold, or withdraw life-sustaining treatment, in the event such person is near death or is permanently unconscious.
II. All persons have a right to make health care decisions, including the right to refuse cardiopulmonary resuscitation. It is the purpose of the “Do Not Resuscitate” provisions of this chapter to ensure that the right of a person to self-determination relating to cardiopulmonary resuscitation is protected, and to give direction to emergency services personnel and other health care providers in regard to the performance of cardiopulmonary resuscitation.
137-J:2 Definitions. In this chapter:
I. “Advance directive” means a directive allowing a person to give directions about future medical care or to designate another person to make medical decisions if he or she should lose the capacity to make health care decisions. The term “advance directives” shall include living wills and durable powers of attorney for health care.
II. “Advanced registered nurse practitioner” or “ARNP” means a registered nurse who is licensed in good standing in the state of New Hampshire as having specialized clinical qualifications as provided in RSA 326-B:10.
III. “Agent” means an adult to whom authority to make health care decisions is delegated under an advance directive.
IV. “Attending physician or ARNP” means the physician or advanced registered nurse practitioner, selected by or assigned to a patient, who has primary responsibility for the treatment and care of the patient. If more than one physician or advanced registered nurse practitioner shares that responsibility, any one of those physicians or advanced registered nurse practitioners may act as the attending physician or ARNP under the provisions of this chapter.
V. “Capacity to make health care decisions” means the ability to understand and appreciate generally the nature and consequences of a health care decision, including the significant benefits and harms of and reasonable alternatives to any proposed health care.
VI. “Cardiopulmonary resuscitation” means those measures used to restore or support cardiac or respiratory function in the event of a cardiac or respiratory arrest.
VII. “Commissioner” means the commissioner of the department of health and human services.
VIII. “Do not resuscitate identification” means a standardized identification necklace, bracelet, card, or written medical order that signifies that a “Do Not Resuscitate Order” has been issued for the principal.
IX. “Do not resuscitate order” or “DNR order” (also known as “Do not attempt resuscitation order” or “DNAR order”) means an order that, in the event of an actual or imminent cardiac or respiratory arrest, chest compression and ventricular defibrillation will not be performed, the patient will not be intubated or manually ventilated, and there will be no administration of resuscitation drugs.
X. “Durable power of attorney for health care” means a document delegating to an agent the authority to make health care decisions executed in accordance with the provisions of this chapter. It shall not mean forms routinely required by health and residential care providers for admissions and consent to treatment.
XI. “Emergency services personnel” means paid or volunteer firefighters, law-enforcement officers, emergency medical technicians, paramedics or other emergency services personnel, providers, or entities acting within the usual course of their professions.
XII. “Health care decision” means informed consent, refusal to give informed consent, or
withdrawal of informed consent to any type of health care, treatment, admission to a health care facility, any service or procedure to maintain, diagnose, or treat an individual's physical or mental condition except as prohibited in this chapter or otherwise by law.

XIII. "Health care provider" means an individual or facility licensed, certified, or otherwise authorized or permitted by law to administer health care, for profit or otherwise, in the ordinary course of business or professional practice.

XIV. "Life-sustaining treatment" means any medical procedures or interventions which utilize mechanical or other medically administered means to sustain, restore, or supplant a vital function which, in the written judgment of the attending physician or ARNP, would serve only to artificially postpone the moment of death, and where the person is near death or is permanently unconscious. "Life-sustaining treatment" includes, but is not limited to, the following: mechanical respiration, kidney dialysis or the use of other external mechanical or technological devices. Life sustaining treatment may include drugs to maintain blood pressure, blood transfusions, and antibiotics. "Life-sustaining treatment" shall not include the administration of medication, natural ingestion of food or fluids by eating and drinking, or the performance of any medical procedure deemed necessary to provide comfort or to alleviate pain.

XV. "Living will" means a directive which, when duly executed, contains the express direction that no life-sustaining treatment be given when the person executing said directive has been diagnosed and certified in writing by the attending physician or ARNP to be near death or permanently unconscious, without hope of recovery from such condition and is unable to actively participate in the decision-making process.

XVI. "Medically administered nutrition and hydration" means invasive procedures such as, but not limited to the following: Nasogastric tubes; gastrostomy tubes; intravenous feeding or hydration; and hyperalimentation. It shall not include the natural ingestion of food or fluids by eating and drinking.

XVII. "Near death" means an incurable condition caused by injury, disease, or illness which is such that death is imminent and the application of life-sustaining treatment would, to a reasonable degree of medical certainty, as determined by 2 physicians or a physician and an ARNP, only postpone the moment of death.

XVIII. "Permanently unconscious" means a lasting condition, indefinitely without improvement, in which thought, awareness of self and environment, and other indicators of consciousness are absent as determined by an appropriate neurological assessment by a physician in consultation with the attending physician or an appropriate neurological assessment by a physician in consultation with an ARNP.

XIX. "Physician" means a medical doctor licensed in good standing to practice in the state of New Hampshire pursuant to RSA 329.

XX. "Principal" means a person 18 years of age or older who has executed an advance directive pursuant to the provisions of this chapter.

XXI. "Qualified patient" means a patient who has executed a declaration in accordance with this chapter and who has been diagnosed and certified in writing to be in a near death condition as determined by 2 physicians or a physician and an ARNP or permanently unconscious as determined by an appropriate neurological assessment by a physician in consultation with the attending physician or an appropriate neurological assessment by a physician in consultation with an ARNP.

XXII. "Reasonable degree of medical certainty" means a medical judgment that is made by a physician or ARNP who is knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.

XXIII. "Residential care provider" means a "facility" as defined in RSA 161-F:11, IV, a "nursing home" as defined in RSA 151-A:1, IV, or any individual or facility licensed, certified, or otherwise authorized or permitted by law to operate, for profit or otherwise, a residential care facility for adults, including but not limited to those operating pursuant to RSA 420-D.

XXIV. "Witness" means a competent person 18 years or older who is present when the principal signs an advance directive.

137-J:3 Freedom From Influence.

I. No health care provider or residential care provider, and no health care service plan, insurer issuing disability insurance, self-insured employee welfare benefit plan, or nonprofit hospital service plan shall charge a person a different rate because of the existence or non-existence of
an advance directive or do not resuscitate order, or require any person to execute an advance directive or require the issuance of a do not resuscitate order as a condition of admission to a hospital, nursing home, or residential care home, or as a condition of being insured for, or receiving, health or residential care services. Health or residential care services shall not be refused because a person is known to have executed an advance directive or have a do not resuscitate order.

II. The execution of an advance directive or issuance of a do not resuscitate order pursuant to this chapter shall not affect in any manner the sale, procurement, or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally impaired, modified or invalidated in any manner by the withholding or withdrawal of life-sustaining treatment from an insured person notwithstanding any term of the policy to the contrary.

137-J:4 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid for any reason, such invalidity shall not affect any other provisions or applications of this chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are severable.

Advance Directives

137-J:5 Scope and Duration of Agent’s Authority.
I. Subject to the provisions of this chapter and any express limitations set forth by the principal in an advance directive, the agent shall have the authority to make any and all health care decisions on the principal’s behalf that the principal could make.

II. An agent’s authority under an advance directive shall be in effect only when the principal lacks capacity to make health care decisions, as certified in writing by the principal’s attending physician or ARNP, and filed with the name of the agent in the principal’s medical record. When and if the principal regains capacity to make health care decisions, such event shall be certified in writing by the principal’s attending physician or ARNP, noted in the principal’s medical record, the agent’s authority shall terminate, and the authority to make health care decisions shall revert to the principal.

III. If the principal has no attending physician or ARNP for reasons based on the principal’s religious or moral beliefs as specified in his or her advance directive, the advance directive may include a provision that a person designated by the principal in the advance directive may certify in writing, acknowledged before a notary or justice of the peace, as to the lack of decisional capacity of the principal. The person so designated by the principal shall not be the agent, or a person ineligible to be the agent.

IV. The principal’s attending physician or ARNP shall make reasonable efforts to inform the principal of any proposed treatment, or of any proposal to withdraw or withhold treatment. Notwithstanding that an advance directive is in effect and irrespective of the principal’s lack of capacity to make health care decisions at the time, treatment may not be given to or withheld from the principal over the principal’s objection.

V. Nothing in this chapter shall be construed to give an agent authority to:
(a) Consent to voluntary admission to any state institution;
(b) Consent to a voluntary sterilization; or
(c) Consent to withholding life-sustaining treatment from a pregnant principal, unless, to a reasonable degree of medical certainty, as certified on the principal’s medical record by the attending physician or ARNP and an obstetrician who has examined the principal, such treatment or procedures will not maintain the principal in such a way as to permit the continuing development and live birth of the fetus or will be physically harmful to the principal or prolong severe pain which cannot be alleviated by medication.

137-J:6 Requirement to Act in Accordance with Principal’s Wishes and Best Interests. After consultation with the attending physician or ARNP and other health care providers, the agent shall make health care decisions in accordance with the agent’s knowledge of the principal’s wishes and religious or moral beliefs, as stated orally or otherwise communicated by the principal, or, if the principal’s wishes are unknown, in accordance with the agent’s assessment of the principal’s best interests and in accordance with accepted medical practice.

I. An attending physician or any other physician under his or her direction or control or an ARNP having in his or her possession his or her patient’s living will, or having knowledge that such a duly executed directive is part of the patient’s record in the institution in which he or she is receiving care, or who has been notified of the existence of a directive executed under this
chapter, shall follow as closely as possible within the bounds of responsible medical practice, the dictates of such directive subject to paragraph II. In addition, the attending physician, or any other physician under his or her control or direction or an ARNP who becomes aware, pursuant to this section, of such a directive shall, without delay, take the necessary steps to provide for written verification of the patient’s near death or permanently unconscious condition, so that the patient may be deemed to be a qualified patient under this chapter. However, if a physician or an ARNP, because of his or her personal beliefs or conscience, is unable to comply with the terms of the directive, he or she shall immediately inform the patient, the patient’s family, or the patient’s agent.

The qualified patient may, or the family of the qualified patient shall, or the patient’s agent shall, then request that the case be referred to another physician.

II. An attending physician or ARNP who, because of personal beliefs or conscience, is unable to comply with the directive pursuant to this chapter shall, without delay, make the necessary arrangements to effect the transfer of the qualified patient and the appropriate medical records that document the patient’s lack of capacity to make health care decisions to another physician or ARNP who has been chosen by the qualified patient or by the family of the qualified patient, or the patient’s agent, provided, that pending the completion of the transfer, the attending physician or ARNP shall not deny health care treatment, nutrition, or hydration which denial would, within a reasonable degree of medical certainty, result in or hasten the qualified patient’s death against the express will of the qualified patient, the directive, or the agent.

III. Medically administered nutrition and hydration and life sustaining treatment shall not be withdrawn or withheld under this chapter unless:

(a) There is a clear expression of such intent in the directive;
(b) The attending physician or ARNP is of the opinion such treatment would cause unnecessary suffering or hasten death; or
(c) The principal objects pursuant to 137-J:5, IV.

IV. When the direction of an agent or instruction under a Living Will requires an act or omission contrary to the moral or ethical principles or other standards of a health care provider or residential care provider of which the principal is a patient or resident, the health care provider shall allow for the transfer of the principal and the appropriate medical records to another health care provider chosen by the principal or by the agent and shall incur no liability for its refusal to carry out the terms of the direction by the agent; provided, that pending the completion of the transfer, the health care provider or residential care provider shall not deny health care treatment, nutrition, hydration, or life sustaining treatment which denial would with a reasonable degree of medical certainty result in or hasten the principal’s death against the expressed will of the principal, the principal’s advance directive, or the agent; and further provided, that, the health care provider or residential care provider shall inform the agent of its decision not to participate in such an act or omission.

137-J:8 Restrictions on Who May Act as Agent. A person may not exercise the authority of agent while serving in one of the following capacities:

I. The principal’s health care provider or residential care provider.
II. A nonrelative of the principal who is an employee of the principal’s health care provider or residential care provider.

137-J:9 Confidentiality and Access to Protected Health Information.

I. Health care providers, residential care providers, and persons acting for such providers or under their control, shall be authorized to:

(a) Communicate to an agent any medical information about the principal, if the principal lacks the capacity to make health care decisions, necessary for the purpose of assisting the agent in making health care decisions on the principal’s behalf.

(b) Provide copies of the principal’s advance directives as necessary to facilitate treatment of the principal.

II. Subject to any limitations set forth in the advance directive by the principal, an agent whose authority is in effect shall be authorized, for the purpose of making health care decisions, to:

(a) Request, review, and receive any information, oral or written, regarding the principal’s physical or mental health, including, but not limited to, medical and hospital records.

(b) Execute any releases or other documents which may be required in order to obtain such medical information.

(c) Consent to the disclosure of such medical information.
137-J:10 Withholding or Withdrawal of Life-Sustaining Treatment.

I. In the event a health care decision to withhold or withdraw life-sustaining treatment, including medically administered nutrition and hydration, is to be made by an agent, and the principal has not executed the “Living Will” of the advance directive, the following additional conditions shall apply:
(a) The principal's attending physician or ARNP shall certify in writing that the principal lacks the capacity to make health care decisions.
(b) Two physicians or a physician and an ARNP shall certify in writing that the principal is near death or is permanently unconscious.
(c) Notwithstanding the capacity of an agent to act, the agent shall make a good faith effort to explore all avenues reasonably available to discern the desires of the principal including, but not limited to, the principal's advance directive, the principal's written or spoken expressions of wishes, and the principal's known religious or moral beliefs.
(d) Notwithstanding paragraph I, medically administered nutrition and hydration and life sustaining treatment shall not be withdrawn or withheld under an advance directive unless there is a clear expression of such power in the directive.

II. The withholding or withdrawal of life-sustaining treatment pursuant to the provisions of this chapter shall not be construed as a suicide or murder for any legal purpose. Nothing in this chapter shall be construed to constitute, condone, authorize, or approve suicide, assisted suicide, mercy killing, or euthanasia, or permit any affirmative or deliberate act or omission to end one's own life or to end the life of another other than either to permit the natural process of dying of a patient near death or the removal of life-sustaining treatment from a patient in a permanently unconscious condition as provided in this chapter. The withholding or withdrawal of life-sustaining treatment in accordance with the provisions of this chapter, however, shall not relieve any individual of responsibility for any criminal acts that may have caused the principal's condition.

III. Nothing in this chapter shall be construed to condone, authorize, or approve:
(a) The consent to withhold or withdraw life-sustaining treatment from a pregnant principal, unless, to a reasonable degree of medical certainty, as certified on the principal's medical record by the attending physician or ARNP and an obstetrician who has examined the principal, such treatment or procedures will not maintain the principal in such a way as to permit the continuing development and live birth of the fetus or will be physically harmful to the principal or prolong severe pain which cannot be alleviated by medication.
(b) The withholding or withdrawing of life-sustaining treatment from mentally incompetent or developmentally disabled persons.

IV. Nothing in this chapter shall impair or supersede any other legal right or responsibility which any person may have to effect life-sustaining treatment in any lawful manner; provided, that this paragraph shall not be construed to authorize any violation of RSA 137-J:7, II or IV.

V. Nothing in this chapter shall be construed to revoke or adversely affect the privileges or immunities of health care providers or residential care providers and others to provide treatment to persons in need thereof in an emergency, as provided for under New Hampshire law.

VI. Nothing in this chapter shall be construed to create a presumption that in the absence of an advance directive, a person wants life-sustaining treatment to be either taken or withdrawn. This chapter shall also not be construed to supplant any existing rights and responsibilities under the law of this state governing the conduct of physicians or ARNPs in consultation with patients or their families or legal guardians in the absence of an advance directive.

137-J:11 Liability for Health Care Costs. Liability for the cost of health care provided pursuant to the agent's decision shall be the same as if the health care were provided pursuant to the principal's decision.

137-J:12 Immunity.

I. No person acting as agent pursuant to an advance directive shall be subjected to criminal or civil liability for making a health care decision on behalf of the principal in good faith pursuant to the provisions of this chapter and the terms of the advance directive if such person exercised such power in a manner consistent with the requirements of this chapter and New Hampshire law.

II. No health care provider or residential care provider, or any other person acting for the provider or under the provider's control, shall be subjected to civil or criminal liability or be deemed to have engaged in unprofessional conduct for:
(a) Any act or intentional failure to act, if the act or intentional failure to act is done pursuant to the dictates of an advance directive, the directives of the principal's agent, and the pro-
visions of this chapter, and said act or intentional failure to act is done in good faith and in keeping with reasonable medical standards pursuant to the advance directive and in accordance with this chapter; or

(b) Failure to follow the directive of an agent if the health care provider or residential care provider or other such person believes in good faith and in keeping with reasonable medical standards that such directive exceeds the scope of or conflicts with the authority of the agent under this chapter or the contents of the principal’s advance directive; provided, that this subparagraph shall not be construed to authorize any violation of RSA 137-J:7, II or IV.

III. Nothing in this section shall be construed to establish immunity for the failure to exercise due care in the provision of services or for actions contrary to the requirements of this chapter or other laws of the state of New Hampshire.

IV. For purposes of this section, “good faith” means honesty in fact in the conduct of the transaction concerned.

137-J:13 Use of Statutory Forms.
I. Every person wishing to execute an advance directive shall be provided with a disclosure statement substantially in the form set forth in RSA 137-J:18 prior to execution. The principal shall be required to sign a statement acknowledging that he or she has received the disclosure statement and has read and understands its contents.

II. An advance directive executed on or after the effective date of this chapter shall be substantially in the form set forth in RSA 137-J:19.

III. Medically administered nutrition and hydration shall not be withdrawn or withheld under an advance directive unless there is a clear expression of such power in the document.

137-J:14 Execution and Witnesses.
I. The advance directive shall be signed by the principal in the presence of either of the following:
(a) Two or more subscribing witnesses, neither of whom shall, at the time of execution, be the agent, the principal's spouse or heir at law, or a person entitled to any part of the estate of the principal upon death of the principal under a will, trust, or other testamentary instrument or deed in existence or by operation of law, or attending physician or ARNP, or person acting under the direction or control of the attending physician or ARNP. No more than one such witness may be the principal’s health or residential care provider or such provider’s employee. The witnesses shall affirm that the principal appeared to be of sound mind and free from duress at the time the advance directive was signed and that the principal affirmed that he or she was aware of the nature of the document and signed it freely and voluntarily; or

(b) A notary public or justice of the peace, who shall acknowledge the principal’s signature pursuant to the provisions of RSA 456 or RSA 456-A.

II. If the principal is physically unable to sign, the advance directive may be signed by the principal's name written by some other person in the principal’s presence and at the principal’s express direction.

137-J:15 Revocation.
I. An advance directive consistent with the provisions of this chapter shall be revoked:
(a) By written revocation delivered to the agent or to a health care provider or residential care provider expressing the principal’s intent to revoke, signed, and dated by the principal; by oral revocation in the presence of 2 or more witnesses, none of whom shall be the principal’s spouse or heir at law; or by any other act evidencing a specific intent to revoke the power, such as by burning, tearing, or obliterating the same or causing the same to be done by some other person at the principal’s direction and in the principal’s presence;

(b) By execution by the principal of a subsequent advance directive;

(c) By the filing of an action for divorce, legal separation, annulment or protective order, where both the agent and the principal are parties to such action, except when there is an alternate agent designated, in which case the designation of the primary agent shall be revoked and the alternate designation shall become effective. Re-execution or written re-affirmation of the advance directive following a filing of an action for divorce, legal separation, annulment or protective order shall make effective the original designation of the primary agent under the advance directive; or

(d) By a determination by a court under RSA 506:7 that the agent’s authority has been revoked.

II. A principal’s health or residential care provider who is informed of or provided with a revocation of an advance directive shall immediately record the revocation, and the time and date when he or she received the revocation, in the principal’s medical record and notify the agent, the attending physi-
cian or ARNP, and staff responsible for the principal’s care of the revocation. An agent who becomes aware of such revocation shall inform the principal’s health or residential care provider of such revocation. Revocation shall become effective upon communication to the attending physician or ARNP.

137-J:16 Documents from Other States; Documents Executed Prior to Enactment. Nothing in this chapter limits the enforceability of a durable power of attorney for health care or living will or similar instrument validly executed under prior New Hampshire law or in another state or jurisdiction in compliance with the law of that state or jurisdiction. However, any exercise of power under such a previously valid or foreign advance directive or similar instrument shall be restricted by and in compliance with the requirements of this chapter and the laws of the state of New Hampshire.

137-J:17 Naming of Multiple Agents. If the principal lists more than one person as the agent in a durable power of attorney for health care directive, the agents shall have authority in priority of the order in which their names are listed on the document, unless the method of joint agency is expressly included.

137-J:18 Durable Power of Attorney: Disclosure Statement. The disclosure statement which must accompany a durable power of attorney for health care shall be in substantially the following form:

INFORMATION CONCERNING THE DURABLE POWER OF ATTORNEY FOR HEALTH CARE

THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING IT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except if you say otherwise in the directive, this directive gives the person you name as your health care agent the power to make any and all health care decisions for you when you lack the capacity to make health care decisions for yourself (in other words, you no longer have the ability to understand and appreciate generally the nature and consequences of a health care decision, including the significant benefits and harms of and reasonable alternatives to any proposed health care). “Health care” means any treatment, service or procedure to maintain, diagnose or treat your physical or mental condition. Your health care agent, therefore, will have the power to make a wide range of health care decisions for you. Your health care agent may consent (in other words, give permission), refuse to consent, or withdraw consent to medical treatment, and may make decisions about withdrawing or withholding life-sustaining treatment. Your health care agent cannot consent to or direct any of the following: commitment to a state institution, sterilization, or termination of treatment if you are pregnant and if the withdrawal of that treatment is deemed likely to terminate the pregnancy, unless the treatment will be physically harmful to you or prolong severe pain which cannot be alleviated by medication.

You may state in this directive any treatment you do not want, or any treatment you want to be sure you receive. Your health care agent’s power will begin when your doctor certifies that you lack the capacity to make health care decisions (in other words, that you are not able to make health care decisions). If for moral or religious reasons you do not want to be treated by a doctor or to be examined by a doctor to certify that you lack capacity, you must say so in the directive and you must name someone who can certify your lack of capacity. That person cannot be your health care agent or alternate health care agent or any person who is not eligible to be your health care agent. You may attach additional pages to the document if you need more space to complete your statement.

If you want to give your health care agent power to withhold or withdraw medically administered nutrition and hydration, you must say so in your directive. Otherwise, your health care agent will not be able to direct that. Under no conditions will your health care agent be able to direct the withholding of food and drink that you are able to eat and drink normally.

Your agent will be obligated to follow your instructions when making decisions on your behalf as guided by your medical condition or prognosis. Unless you state otherwise in the directive, your agent will have the same power to make decisions about your health care as you would have made, if those decisions by your health care agent are made consistent with state law.

It is important that you discuss this directive with your doctor or other health care providers before you sign it, to make sure that you understand the nature and range of decisions which could be made for you by your health care agent. If you do not have a health care provider, you should talk with someone else who is knowledgeable about these issues and can answer your questions. Check with your community hospital or hospice for trained staff. You do not need a lawyer’s assistance to complete this directive, but if there is anything in this directive that you do not understand, you should ask a lawyer to explain it to you.
The person you choose as your health care agent should be someone you know and trust, and he or she must be at least 18 years old. If you choose your health or residential care provider (such as your doctor, advanced registered nurse practitioner, or an employee of a hospital, nursing home, home health agency, or residential care home, other than a relative), that person will have to choose between acting as your health care agent or as your health or residential care provider, because the law does not allow a person to do both at the same time.

You should consider choosing an alternate health care agent, in case your health care agent is unwilling, unable, unavailable or not eligible to act as your health care agent. Any alternate health care agent you choose will then have the same authority to make health care decisions for you.

You should tell the person you choose that you want him or her to be your health care agent. You should talk about this directive with your health care agent and your doctor or advanced registered nurse practitioner and give each one a signed copy. You should write on the directive itself the people and institutions who will have signed copies. Your health care agent will not be liable for health care decisions made in good faith on your behalf.

EVEN AFTER YOU HAVE SIGNED THIS DIRECTIVE, YOU HAVE THE RIGHT TO MAKE HEALTH CARE DECISIONS FOR YOURSELF AS LONG AS YOU ARE ABLE TO DO SO, AND TREATMENT CANNOT BE GIVEN TO YOU OR STOPPED OVER YOUR CLEAR OBJECTION. You have the right to revoke the power given to your health care agent by telling him or her, or by telling your health care provider, orally or in writing, that you no longer want that person to be your health care agent.

Once this directive is executed it cannot be changed or modified. If you want to make changes, you must make an entirely new directive. This power of attorney will not be valid unless it is signed in the presence of a notary public or justice of the peace or two (2) or more qualified witnesses, who must both be present when you sign and who will acknowledge your signature on the document. The following persons may not act as witnesses:

____ The person you have designated as your health care agent;
____ Your spouse or heir at law;
____ Your attending physician or ARNP, or person acting under the direction or control of the attending physician or ARNP;

ONLY ONE OF THE TWO WITNESSES MAY BE YOUR HEALTH OR RESIDENTIAL CARE PROVIDER OR ONE OF YOUR PROVIDER’S EMPLOYEES.

137-J:19 Advance Directive; Durable Power of Attorney and Living Will; Form. An advance directive in its individual “Durable Power of Attorney for Healthcare” and “Living Will” components shall be in substantially the following form:

NEW HAMPSHIRE ADVANCE DIRECTIVE

NOTE: This form has two sections.

You may complete both sections, or only one section.

I. DURABLE POWER OF ATTORNEY FOR HEALTH CARE

I, ____________________________________, hereby appoint _______________________________ of _______________________________ (Please choose only one person. If you choose more than one person, they will have authority in priority of the order their names are listed, unless you indicate another form of decision making.) as my agent to make any and all health care decisions for me, except to the extent I state otherwise in this directive or as prohibited by law. This durable power of attorney for health care shall take effect in the event I lack the capacity to make my own health care decisions.

In the event the person I appoint above is unable, unwilling or unavailable, or ineligible to act as my health care agent, I hereby appoint _______________________________ of _______________________________ as alternate agent. (Please choose only one person. If you choose more than one alternate agent, they will have authority in priority of the order their names are listed.)

STATEMENT OF DESIRES, SPECIAL PROVISIONS, AND LIMITATIONS REGARDING HEALTH CARE DECISIONS.

For your convenience in expressing your wishes, some general statements concerning the withholding or removal of life-sustaining treatment are set forth below. (Life-sustaining treatment is defined as procedures without which a person would die, such as but not limited to the following: mechanical respiration, kidney dialysis or the use of other external mechanical and technological devices, drugs to maintain blood pressure, blood transfusions, and antibiotics.) There is also a section which allows you to set forth specific directions for these or other matters. If you wish, you may indicate your agreement or disagreement with any of the following statements and give your agent power to act in those specific circumstances.
A. LIFE-SUSTAINING TREATMENT.
1. If I am near death and lack the capacity to make health care decisions, I authorize my agent to direct that:
   (Initial beside your choice of (a) or (b).)
   -or-  
   (a) life-sustaining treatment not be started, or if started, be discontinued.
   (b) life-sustaining treatment continue to be given to me.
2. Whether near death or not, if I become permanently unconscious I authorize my agent to direct that:
   (Initial beside your choice of (a) or (b).)
   -or-  
   (a) life-sustaining treatment not be started, or if started, be discontinued.
   (b) life-sustaining treatment continue to be given to me.

B. MEDICALLY ADMINISTERED NUTRITION AND HYDRATION.
1. I realize that situations could arise in which the only way to allow me to die would be to not start or to discontinue medically administered nutrition and hydration. In carrying out any instructions I have given in this document, I authorize my agent to direct that:
   (Initial beside your choice of (a) or (b).)
   -or-  
   (a) medically administered nutrition and hydration not be started or, if started, be discontinued.
   (b) even if all other forms of life-sustaining treatment have been withdrawn, medically administered nutrition and hydration continue to be given to me.
   (If you fail to complete item B, your agent will not have the power to direct the withholding or withdrawal of medically administered nutrition and hydration.)

C. ADDITIONAL INSTRUCTIONS.
Here you may include any specific desires or limitations you deem appropriate, such as when or what life-sustaining treatment you would want used or withheld, or instructions about refusing any specific types of treatment that are inconsistent with your religious beliefs or are unacceptable to you for any other reason. You may leave this question blank if you desire.

(attach additional pages as necessary)

I hereby acknowledge that I have been provided with a disclosure statement explaining the effect of this directive. I have read and understand the information contained in the disclosure statement.

The original of this directive will be kept at __________________________ and the following persons and institutions will have signed copies:
Signed this ______ day of __________________________, 2____
Principal’s Signature: __________________________

[If you are physically unable to sign, this directive may be signed by someone else writing your name, in your presence and at your express direction.]

THIS POWER OF ATTORNEY DIRECTIVE MUST BE SIGNED BY TWO WITNESSES OR A NOTARY PUBLIC OR A JUSTICE OF THE PEACE.

We declare that the principal appears to be of sound mind and free from duress at the time the durable power of attorney for health care is signed and that the principal affirms that he or she is aware of the nature of the directive and is signing it freely and voluntarily.

Witness: __________________________ Address: __________________________

COUNTY OF __________________________
The foregoing durable power of attorney for health care was acknowledged before me this ______ day of __________________________, 20____, by __________________________ (“the Principal”).

Notary Public / Justice of the Peace
My commission expires:
II. LIVING WILL

Declaration made this __________ day of ________________________, 20 __________.

I, __________________________, being of sound mind, willfully and voluntarily make known my desire that my dying shall not be artificially prolonged under the circumstances set forth below, do hereby declare:

If at any time I should have an incurable injury, disease, or illness and I am certified to be near death or in a permanently unconscious condition by my attending physician or ARNP, and my attending physician or ARNP has determined that my death is imminent whether or not lifesustaining treatment is utilized and where the application of life-sustaining treatment would serve only to artificially prolong the dying process, or that I will remain in a permanently unconscious condition, I direct that such procedures be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication, the natural ingestion of food or fluids by eating and drinking, or the performance of any medical procedure deemed necessary to provide me with comfort care. I realize that situations could arise in which the only way to allow me to die would be to discontinue medically administered nutrition and hydration.

In carrying out any instruction I have given under this section, I authorize that:

(Initial beside your choice of (a) or (b).)

_____ (a) medically administered nutrition and hydration not be started or, if started, be discontinued,

-or-

_____ (b) even if all other forms of life-sustaining treatment have been withdrawn, medically administered nutrition and hydration continue to be given to me.

In the absence of my ability to give directions regarding the use of such life-sustaining treatment, it is my intention that this declaration shall be honored by my family and health care providers as the final expression of my right to refuse medical or surgical treatment and accept the consequences of such refusal.

I understand the full import of this declaration, and I am emotionally and mentally competent to make this declaration.

Signed this __________ day of ________________________, 20 __________.

Principal’s Signature: __________________________

[If you are physically unable to sign, this directive may be signed by someone else writing your name, in your presence and at your express direction.]

THIS LIVING WILL DIRECTIVE MUST BE SIGNED BY TWO WITNESSES OR A NOTARY PUBLIC OR A JUSTICE OF THE PEACE.

We declare that the principal appears to be of sound mind and free from duress at the time the living will is signed and that the principal affirms that he or she is aware of the nature of the directive and is signing it freely and voluntarily.

STATE OF NEW HAMPSHIRE
COUNTY OF __________________________

The foregoing living will was acknowledged before me this __________ day of ________________________, 20 __________, by __________________________ (the “Principal”).

Notary Public / Justice of the Peace

My commission expires:

I. On motion filed in connection with a petition for appointment of a guardian or on petition of a guardian if one has been appointed, the probate court shall consider whether the authority of an agent designated pursuant to an advance directive should be suspended or revoked. In making its determination, the probate court shall take into consideration the preferences of the principal as expressed in the advance directive. No such consideration shall change the procedures or burden of proof involved in the guardianship process as otherwise provided by law or procedures. In such consideration, the advance directive and agent appointed shall be presumed to be in the best interest of the principal and valid, absent clear and convincing evidence to the contrary.

II. To the extent that a durable power of attorney for health care, or such component of an advance directive as set forth in RSA 137-J:19, conflicts with a terminal care document or living will, or such component of an advance directive as set forth in RSA 137-J:19, the durable power of attorney for health care shall control.
137-J:21 Civil Action.

I. The principal or any person who is a near relative of the principal, or who is a responsible adult who is directly interested in the principal by personal knowledge and acquaintance, including, but not limited to a guardian, social worker, physician, or clergy, may file an action in the probate court of the county where the principal is located at the time:

(a) Requesting that the authority granted to an agent by an advance directive be revoked on the grounds that the principal was not of sound mind or was under duress, fraud, or undue influence when the advance directive was executed, and shall have all the rights and remedies provided by RSA 506:7 which shall apply to directives executed under this chapter and persons acting pursuant to this chapter.

(b) Challenging the right of any agent who is acting or who proposes to act as such pursuant to this chapter and naming another person, who agrees to so act, to be appointed guardian over the person of the principal for the sole purpose of making health care decisions, as provided for in RSA 464-A.

II. A copy of any such action shall be given in hand to the principal’s attending physician or ARNP and, as applicable, to the principal’s health care provider or residential care provider. To the extent they are not irreversibly implemented, health care decisions made by a challenged agent shall not thereafter be implemented without an order of the probate court or a withdrawal or dismissal of the court action; provided, that this paragraph shall not be construed to authorize any violation of RSA 137-J:7, II or IV.

III. The probate court in which such a petition is filed shall hold a hearing as expeditiously as possible.

137-J:22 Penalty. A person who knowingly and falsely makes, alters, forges, or counterfeits, or knowingly and falsely causes to be made, altered, forged, or counterfeited, or procures, aids or counsels the making, altering, forging, or counterfeiting, of an advance directive or revocation of same with the intent to injure or defraud a person shall be guilty of a class B felony, notwithstanding any provisions in title LXII.

Do Not Resuscitate

137-J:23 Applicability. The provisions of this subdivision apply to all persons regardless of whether or not they have completed an advance directive.

137-J:24 Presumed Consent to Cardiopulmonary Resuscitation; Health Care Providers and Residential Care Providers Not Required to Expand to Provide Cardiopulmonary Resuscitation.

I. Every person shall be presumed to consent to the administration of cardiopulmonary resuscitation in the event of cardiac or respiratory arrest, unless one or more of the following conditions, of which the health care provider or residential care provider has actual knowledge, apply:

(a) A do not resuscitate order in accordance with the provisions of this chapter has been issued for that person;

(b) A completed advance directive for that person is in effect, pursuant to the provisions of this chapter, in which the person indicated that he or she does not wish to receive cardiopulmonary resuscitation, or his or her agent has determined that the person would not wish to receive cardiopulmonary resuscitation; or

(c) A person is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination by a duly accredited practitioner thereof.

II. Nothing in this section shall be construed to revoke any statute, regulation, or law otherwise requiring or exempting a health care provider or residential care provider from instituting or maintaining the ability to provide cardiopulmonary resuscitation or expanding its existing equipment, facilities, or personnel to provide cardiopulmonary resuscitation.

137-J:25 Issuance of a Do Not Resuscitate Order; Order to be Written by the Attending Physician or ARNP.

I. An attending physician or ARNP may issue a do not resuscitate order for a person if the person, or the person’s agent, has consented to the order. A do not resuscitate order shall be issued in writing in the form as described in this section for a person not present or residing in a health care facility. For persons present in health care facilities, a do not resuscitate order shall be issued in accordance with the policies and procedures of the health care facility and in accordance with the provisions of this chapter.

II. A person may request that his or her attending physician or ARNP issue a do not resuscitate order for the person.
III. An agent may consent to a do not resuscitate order for a person who lacks the capacity to make health care decisions if the advance directive signed by the principal grants such authority. A do not resuscitate order written by the attending physician or ARNP for such a person with the consent of the agent is valid and shall be respected by health care providers and residential care providers.

IV. For persons not present or residing in a health care facility, the do not resuscitate order shall be noted on a medical orders form or in substantially the following form on a card suitable for carrying on the person:

Do Not Resuscitate Order
As attending physician or ARNP of ____________________________ and as a licensed physician or advanced registered nurse practitioner, I order that this person SHALL NOT BE RESUSCITATED in the event of cardiac or respiratory arrest.
This order has been discussed with ____________________________ (or, if applicable, with his/her agent), ____________________________, who has given consent as evidenced by his/her signature below.
Attending physician or ARNP Name
Attending physician or ARNP Signature
Address ___________________________________________________________
Person Signature _____________________________________________________
Address ___________________________________________________________
Agent Signature (if applicable)
Address ___________________________________________________________

V. For persons residing in a health care facility, the do not resuscitate order shall be reflected in at least one of the following forms:
(a) Forms required by the policies and procedures of the health care facility in compliance with this chapter;
(b) The do not resuscitate card as set forth in paragraph V; or
(c) The medical orders form in compliance with this chapter.
137-J:26 Compliance with a Do Not Resuscitate Order.

I. Health care providers and residential care providers shall comply with the do not resuscitate order when presented with one of the following:
(a) A do not resuscitate order completed by the attending physician or ARNP on a form as specified in RSA 137-J:25;
(b) A do not resuscitate order for a person present or residing in a health care facility issued in accordance with the health care facility’s policies and procedures in compliance with the chapter; or
(c) A medical orders form on which the attending physician or ARNP has documented a do not resuscitate order in compliance with this chapter.

II. Pursuant to this chapter, health care providers shall respect do not resuscitate orders for persons in health care facilities, ambulances, homes, and communities within this state.
137-J:27 Protection of Persons Carrying Out in Good Faith a Do Not Resuscitate Order; Notification of Agent by Attending Physician or ARNP Refusing to Comply with Do Not Resuscitate Order.

I. No health care provider or residential care provider, or any other person acting for the provider or under the provider’s control, shall be subjected to criminal or civil liability, or be deemed to have engaged in unprofessional conduct, for carrying out in good faith a do not resuscitate order authorized by this chapter on behalf of a person as instructed by the person, or the person’s agent, or for those actions taken in compliance with the standards and procedures set forth in this chapter.

II. No health care provider or residential care provider, or any other person acting for the provider or under the provider’s control, or other individual who witnesses a cardiac or respiratory arrest shall be subjected to criminal or civil liability for providing cardiopulmonary resuscitation to a person for whom a do not resuscitate order has been issued; provided, that such provider or individual:
(a) Reasonably and in good faith is unaware of the issuance of a do not resuscitate order; or
(b) Reasonably and in good faith believed that consent to the do not resuscitate order has been revoked or canceled.

III. Any attending physician or ARNP who refuses to issue a do not resuscitate order at a person’s request or to comply with a do not resuscitate order issued pursuant to this chapter shall take reason-
able steps to advise promptly the person or agent of the person that such attending physician or ARNP is unwilling to effectuate the order. The attending physician or ARNP shall thereafter at the election of the person or agent permit the person or agent to obtain another attending physician or ARNP. However, if a physician or ARNP, because of his or her personal beliefs or conscience, is unable to comply with the terms of the order, he or she shall immediately inform the patient, the patient’s family, or the patient’s agent. The qualified patient may, or the family of the qualified patient shall, or the patient’s agent shall, then request that the case be referred to another physician.

137-J:28 Revocation of Do Not Resuscitate Order.
   I. At any time a person in a health care facility may revoke his or her previous request for or consent to a do not resuscitate order by making either a written, oral, or other act of communication to the attending physician or ARNP or other professional staff of the health care facility.
   II. At any time a person residing at home may revoke his or her do not resuscitate order by destroying such order and removing do not resuscitate identification on his or her person. The person is responsible for notifying his or her attending physician or ARNP of the revocation.
   III. At any time an agent may revoke his or her consent to a do not resuscitate order for a person who lacks capacity to make health care decisions who is admitted to a health care facility by notifying the attending physician or ARNP or other professional staff of the health care facility of the revocation of consent in writing, or by orally notifying the attending physician or ARNP in the presence of a witness 18 years of age or older.
   IV. At any time an agent may revoke his or her consent for a person who lacks capacity to make health care decisions who is residing at home by destroying such order and removing do not resuscitate identification from the person. The agent is responsible for notifying the person’s attending physician or ARNP of the revocation.
   V. The attending physician or ARNP who is informed of or provided with a revocation of consent pursuant to this section shall immediately cancel the do not resuscitate order if the person is in a health care facility and notify the professional staff of the health care facility responsible for the person’s care of the revocation and cancellation. Any professional staff of the health care facility who is informed of or provided with a revocation of consent pursuant to this section shall immediately notify the attending physician or ARNP of such revocation.
   VI. Only a physician or advanced registered nurse practitioner may cancel the issuance of a do not resuscitate order.

137-J:29 Not Suicide or Murder. The withholding of cardiopulmonary resuscitation from a person in accordance with the provisions of this chapter shall not, for any purpose, constitute suicide or murder. The withholding of cardiopulmonary resuscitation from a person in accordance with the provisions of this chapter, however, shall not relieve any individual of responsibility for any criminal acts that may have caused the person’s condition. Nothing in this chapter shall be construed to legalize, condone, authorize, or approve mercy killing or assisted suicide.

137-J:30 Interinstitutional Transfers. If a person with a do not resuscitate order is transferred from one health care facility to another health care facility, the health care facility initiating the transfer shall communicate the existence of a do not resuscitate order to the receiving facility prior to the transfer. The written do not resuscitate order, the do not resuscitate order card as described in RSA 137-J:25, or the medical orders form shall accompany the person to the health care facility receiving the person and shall remain effective until a physician at the receiving facility issues admission orders. The do not resuscitate card or the medical orders form shall be kept as the first page in the person’s transfer records.

   I. Nothing in this chapter shall impair or supersede any legal right or legal responsibility which any person may have to effect the withholding of cardiopulmonary resuscitation in any lawful manner. In such respect, the provisions of this chapter are cumulative; provided, that this paragraph shall not be construed to authorize any violation of RSA 137-J:7, II or IV.
   II. Nothing in this chapter shall be construed to preclude a court of competent jurisdiction from approving the issuance of a do not resuscitate order under circumstances other than those under which such an order may be issued pursuant to the provisions of this chapter.

137-J:32 Do Not Resuscitate Identification. Do not resuscitate identification as set forth in this chapter may consist of either a medical condition bracelet or necklace with the inscription of the person’s name, date of birth in numerical form and “NH Do Not Resuscitate” or “NH DNR” on it.
Such identification shall be issued only upon presentation of a properly executed do not resuscitate order form as set forth in RSA 137-J:25, a medical orders form in which a physician or advanced registered nurse practitioner has documented a do not resuscitate order, or a do not resuscitate order properly executed in accordance with a health care facility’s written policy and procedure.

3 Emergency Care: Reference Change. Amend RSA 153-A:20, II to read as follows:

II. Protocols recommended by the emergency medical services medical control board for provision of emergency medical care, which shall provide for the provision of local options under medical control. The protocols shall address living wills established under RSA 137-J, durable powers of attorney for health care established under RSA 137-J, and patient-requested, physician generated orders relative to resuscitation.

4 Guardians; Reference Change. Amend RSA 464-A:25, I(d) to read as follows:

(d) If a ward has previously executed a valid living will, under RSA 137-J, a guardian shall be bound by the terms of such document, provided that the court may hold a hearing to interpret any ambiguity in such document. If a ward has previously executed a valid durable power of attorney for health care, RSA 137-J shall apply.

5 Jurisdiction; Reference Change. Amend RSA 547:3, (j) to read as follows:

(j) The interpretation and effect of living wills under RSA 137-J.

6 Effective Date. This act shall take effect January 1, 2007.

Rep. Itse spoke in favor.

Rep. Mooney spoke in favor and yielded to questions.

Rep. Itse requested a roll call; sufficiently seconded.

and floor amendment (0898h) was adopted.

Rep. Stone did not vote and notified the Clerk that he wished to be recorded in favor.

Rep. Itse offered floor amendment (0941h).

**Floor Amendment (0941h)**

Amend RSA 137-J:7, III as inserted by section 2 of the bill by replacing it with the following:

III. Medically administered nutrition and hydration and life sustaining treatment shall not be withdrawn or withheld under this chapter unless:

(a) There is a clear expression of such intent in the directive; or

(b) The principal objects pursuant to RSA 137-J:5, IV.

Reps. Itse, Mirski and Rowe spoke in favor.

Rep. Itse requested a roll call; sufficiently seconded.

MOTION TO PRINT DEBATE

Rep. Ingbretson moved that the debate on HB 656 be printed in the Permanent Journal. Motion failed.

The House recessed at 12:45 p.m.

RECESS

(Speaker Scamman in the Chair)

The House reconvened at 1:35 p.m.

SPECIAL ORDERS – EARLY BILLS (CONT’D.)

HB 1238-FN, relative to centralized voter registration database information. OUGHT TO PASS WITH AMENDMENT.

Rep. William L. O’Brien for Election Law: Based on the requirements of the Help America Vote Act (HAVA), the secretary of state’s office has compiled a statewide voter database that will be periodically updated based on information provided by the local supervisors of the checklist. The enabling legislation passed by the General Court to permit this statewide voter database does not allow the secretary of state to disseminate this checklist to anyone, and this prohibition covers candidates, political parties, and the courts seeking information for jury lists. This bill, as amended, does allow the statewide voter database to be distributed, but subjects this distribution to restrictions that are intended to protect both the revenue traditionally received by town and cities from selling voter lists, and also voters. Thus, the cost to receive a statewide checklist will be at least $400 based on the current number of voters and only local towns and cities can provide checklists of less than the full state. Also, anyone receiving the checklist from the secretary of state will be prohibited from using it for commercial purposes and distribution will be limited to candidates for elective office and political committees of political parties. Finally, this bill does not allow any information to be disclosed by the secretary of state that is not already available from local supervisors of the checklist, but it does specifically state that state and federal courts may obtain the checklist information. Vote 16-0.

Amendment (0548h)

Amend the bill by replacing section 1 with the following:

1 Availability of Checklist. Amend RSA 654:31 to read as follows:

654:31 Availability of Checklist.

1. In this section:

(a) “Checklist information” means the data, in any form, required to be placed on the public checklist by RSA 654:25, when that data is obtained or derived from a checklist or from the statewide centralized voter registration database maintained by the secretary of state.

(b) “Commercial purposes” means knowingly using, selling, giving, or receiving the checklist information for the purpose of selling or offering for sale any property or service unrelated to an election or political campaign.

(c) “Nonpublic checklist” means the checklist bearing the names of voters who by law are entitled to have their status as a voter kept nonpublic.

(d) “Public checklist” means the checklist required by RSA 654:25 which contains the names of voters who by law are to be listed on a checklist available to the public in accordance with the restrictions established by this section.

II. The public checklist as corrected by the supervisors shall be open for the examination of any person at all times before the opening of a meeting or election at which the list is to be used.
Any person may view the data that would be available on the public checklist on the statewide centralized voter registration database maintained by the secretary of state at the state records and archives center during normal business hours, but the person viewing data at the state records and archives center may not print, duplicate, transmit, or alter the data. The secretary of state or the supervisors of the checklist shall furnish one or more copies of the most recent public checklist to any person political committee of a political party as defined in RSA 664:2, V or any candidate who has filed for consideration for any office in any primary or general election or who has been nominated for any office in a general election requesting such copies. [If the supervisors maintain or have access to the checklist or information from which the checklist was derived in more than one form, the person requesting copies shall be furnished copies in any of those forms according to his preference. The supervisors may charge a reasonable fee for copies that is based on the actual costs incurred when reproducing an existing checklist, except that in no event shall the fee for paper copies of any single town or ward checklist be less than $5 nor more than $25 per checklist. The fee charged for checklists on computer disk or tape, or in any form other than paper, shall be based solely on the additional costs incurred to provide such checklist to the individual requesting it. The fee shall be for the use of the town or city.] Only the supervisors of the checklist may provide public checklists of less than the entire state. The supervisors of the checklist may charge a fee of up to $25 for each copy of the public checklist for a town or ward. For public checklists containing more than 2,500 names, the secretary of state or the supervisors of the checklist may charge a fee of up to $25, plus $0.0005 per name for each name in excess of 2,500, plus any shipping costs.

III. The secretary of state or supervisors of the checklist may provide public checklist information on computer disk, computer tape, electronic transfer, or any form other than paper. The secretary of state may only provide checklist information to a political committee of a political party as defined in RSA 664:2, V, or to a candidate who has filed for consideration for any office in any primary or general election or who has been nominated for any office in a general election. The fee charged for public checklists provided by the secretary of state or supervisors of the checklist in any form other than paper shall be based solely on the additional costs incurred to provide such checklists.

IV. Fees collected by the secretary of state under this section shall be deposited in the election fund established pursuant to RSA 5:6-d. Fees collected by a town or city under this section shall be for the use of the town or city.

V. No person shall use or permit the use of checklist information provided by the secretary of state for commercial purposes. Whoever knowingly violates any of the provisions of this section shall be guilty of a misdemeanor if a natural person or guilty of a felony if any other person.

VI. This section shall not be construed to restrict the transfer of checklist information to the state or federal courts as required by RSA 654:45 for any lawful purpose.

AMENDED ANALYSIS

This bill:
I. Modifies fees and procedures for obtaining copies of voter checklist information.

II. Prohibits the use of checklist information provided by the secretary of state for commercial purposes.

III. Permits the secretary of state to make voter database record data available to assist in the preparation of jury lists.

Amendment adopted.
Committee report adopted.
Referred to the committee on Ways and Means.

HB 1647-FN, relative to lowering the legal drinking age for members of the armed forces. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Donald R. Buxton for the Majority of Judiciary: The sponsors of this bill have good intentions, but passage of this bill most likely will result in tragic and unintended consequences. It is a fact that 4.8% of all drivers are within this age group that we are concerned with here. They account for 17% of all fatal accidents and 22% of all accidents. The majority of the committee feels that 18, 19, and 20-year olds lack the maturity and judgment necessary when dealing with alcohol. Another issue involved here is the question of constitutionality, whether or not one can
apply one set of laws to members of the armed forces and another set of laws to non-service citizens in the same group. History has shown us that lowering the drinking age did not work and there is no evidence advanced that shows us that it will work now. Representatives of the Attorney General, Department of Safety, the Liquor Commission, active and inactive military veterans and others were all opposed to this bill, as was a medical doctor. Five of the seven veterans on the Judiciary Committee voted against the bill. Vote 17-2.

Rep. Bernard E. Buzzell for the Minority of Judiciary: The minority hopes to offer a floor amendment that would address the concerns of underage drinking, the DWI, and treating all citizens as equals.

Rep. Splaine spoke to the bill.

Majority committee report adopted.

**HB 1321**, relative to qualifications for police chiefs in towns with populations of more than 3,000.

**INEXPEDIENT TO LEGISLATE.**

Rep Paul R Hopfgarten for Municipal and County Government: This bill proposes to ensure that anyone filing for the position of an elected police chief in towns with a population greater than 3,000 is pre-qualified to serve before holding office. The committee believes that there are currently other available options such as appointment of this position where the governing body determines the terms under which a chief would be hired. Also, this bill would have allowed a resident of any town in the state to run for elected office of police chief. While the committee respects and understands the intent of the sponsor, the committee was concerned about this potential precedent being set. The committee feels that if a person is elected as police chief of the municipality he or she should be a resident with a minimum length of residency prior to running for the position. This length of residency would add to the benefit of the candidate for police chief in having a general knowledge of the town and its residents. Vote 13-0.

Rep. Solomon spoke against.

Committee report adopted.

**HB 1743-FN**, relative to reimbursing towns for the operating expenses of certain railroad passenger facilities.

**MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Andrew Renzullo for the Majority of Municipal and County Government: The intent of this bill appears to try and correct an issue of fairness. The issue is who should pay for the operating expenses of the Amtrak Downeaster owned by Northern New England Public Railroad Association, located in Maine. The committee heard testimony from representatives of the University System of New Hampshire (UNH), the town of Exeter, and the city of Dover. The history of how Amtrak came to New Hampshire and these locations in particular, was addressed. An agreement between UNH, Exeter and Dover with Amtrak and the track owner took place about five years ago. Exeter, Dover and UNH agreed to pay for platform lease, platform maintenance, and liability insurance for the operation. Now with the costs of everything going up, these three entities are requesting that the Department of Transportation reimburse them for these expenses. While the committee sympathizes with the situation that UNH, Exeter, and Dover are in, we cannot support a bill that requires the state to pick up this cost. We feel that these communities can address this issue with Amtrak through negotiations. If that fails, due to the fact that the players in the original deal also included federal agencies, the issue should be presented to New Hampshire’s senators and congressmen for attention. Vote 11-2.

Rep. Jessie Osborne for the Minority of Municipal and County Government: The minority of the committee finds that the State of New Hampshire should aid and support the sponsoring towns of Exeter, Durham, and the City of Dover, and reimburse them for their expenses related to the platform maintenance and liability insurance expenses caused by their acceptance of train stations in their municipalities. These train stops service the entire region of the southeastern section of the state not solely the host towns. The State of New Hampshire has evidenced a commitment to public transportation by supporting regional transportation centers, Airports, Park & Rides and finally state and interstate highways with money and reimbursements. Department of Transportation has encouraged and helped to finalize this rail transportation contract, and left the finance payments to the municipalities. The contract which was state-negotiated did not allow the towns any options for how the local communities would pay for the continued upkeep. New Hampshire needs to support and encourage public transportation as an alternative to the automobile. We need to find alternatives to promote energy conservation and to protect the state from increasing air pollution. Majority committee report adopted.
HB 1619-FN, relative to a certain toll plaza in Merrimack. INEXPEDIENT TO LEGISLATE. Rep. James W. Danforth for Public Works and Highways: The State of New Hampshire has been able to expedite highway improvements and development with the use of toll roads in specific areas of the state. The toll roads are funded by means of the sale of public bonds and repaid by the revenue raised at the tolls. Removal of the toll plaza as outlined in this bill could affect the state’s bond rating for current and future road projects and would affect the state’s ability to repay current bonds. Vote 14-1. Rep. Mooney spoke against and requested a roll call; sufficiently seconded.

REGULAR CALENDAR – PART I

HB 1414-FN, relative to the protection of personal information by mandatory notice of security breach. INEXPEDIENT TO LEGISLATE.
Rep. Charles L. Clark for Commerce: This is one of a number of bills that came before the committee dealing with the subject of security breach notification. The committee decided to use HB 1660-FN as a foundation for the formulation of a workplace bill that will accomplish the notification objective without the unintended consequences which are likely any time we are moving into unexplored legal territory. The best parts of this bill have been incorporated into HB 1660-FN. Vote 15-0. Committee report adopted.

HB 1660-FN, regulating identity theft. OUGHT TO PASS WITH AMENDMENT.
Rep. Charles L. Clark for Commerce: This is the identity theft bill which resulted from the four bills submitted in this area. There were many competing interests and the committee struggled to resolve those differences. The committee concluded that identity theft notification was extremely important. This bill makes a good first step by requiring notification to the consumer no more than 15 business days from the time of security breach discovery. The committee agreed that we are on the right track in a very complex area. Vote 18-0.

Amendment (0808h)
Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision: Right to Privacy; Notice of Security Breach. Amend RSA 359-C by inserting after section 18 the following new subdivision:
Notice of Security Breach
359-C:19 Definitions. In this subdivision:
I. “Computerized data” means personal information stored in an electronic format.
II. “Person” means an individual, corporation, trust, partnership, incorporated or unincorporated association, limited liability company, or other form of entity, or any agency, authority, board, court, department, division, commission, institution, bureau, or other state governmental entity, or any political subdivision of the state.
III.(a) “Personal information” means an individual’s first name or initial and last name in combination with any one or more of the following data elements, when either the name or the data elements are not encrypted:

1. Social security number.
2. Driver’s license number.
3. Account number, credit card number, or debit card number.
4. Account number, credit card number, or debit card number, in combination with any required security code, access code, or password that would permit access to an individual’s financial account.

(b) Personal information shall not include information that is lawfully made available to the general public from federal, state, or local government records.

IV. “Security breach” means unauthorized acquisition of unencrypted computerized data, or encrypted computerized data in combination with any required security code, access code, or password that would permit access to the encrypted data, that materially compromises the security, confidentiality, or integrity of personal information maintained by a person doing business in this state. Good faith acquisition of personal information by an employee or agent of a person for the purposes of the person’s business shall not be considered a security breach, provided that the personal information is not used or subject to further unauthorized disclosure.

359-C:20 Notification of Security Breach Required.

I.(a) Any person doing business in this state who owns or licenses computerized data that includes personal information shall, when it becomes aware of a security breach, promptly determine the likelihood that the information has been or will be misused. If the determination is that misuse of the information has occurred or is reasonably likely to occur, or if a determination cannot be made, the person shall notify the affected individuals as soon as possible as required under this subdivision.

(b) Any person engaged in trade or commerce that is subject to RSA 358-A:3, I shall also notify the regulator which has primary regulatory authority over such trade or commerce. All other persons shall notify the New Hampshire attorney general’s office. The notice shall include the anticipated date of the notice to the individuals and the approximate number of individuals who will be notified. Nothing in this section shall be construed to require the person to provide to any regulator or the New Hampshire attorney general’s office the names of the individuals entitled to receive the notice or any personal information relating to them.

(c) The disclosures required under subparagraphs I(a)-(b) shall be made as expediently as possible, but no more than 15 business days after such breach has been discovered.

II. Notification pursuant to paragraph I may be delayed if a law enforcement agency determines that the notification will impede a criminal investigation.

III. The notice required under this section shall be provided by one of the following methods:

(a) Written notice.

(b) Electronic notice, if such notice provided is consistent with the provisions regarding electronic records and signatures set forth in 15 U.S.C. section 7001.

(c) Telephonic notice, provided that a log of each such notification is kept by the person or business who notifies affected persons.

(d) Substitute notice, if the person demonstrates that the cost of providing notice would exceed $5,000 that the affected class of subject individuals to be notified exceeds 1,000 or the person does not have sufficient contact information. Substitute notice shall consist of all of the following:

1. E-mail notice when the person has an e-mail address for the affected individuals.
2. Conspicuous posting of the notice on the person’s business website, if the person maintains one.

3. Notification to major statewide media.

(e) Notice pursuant to the person’s internal notification procedures maintained as part of an information security policy for the treatment of personal information.

IV. Notice under this section shall include at a minimum:

(a) A description of the incident in general terms.

(b) The approximate date of breach.

(c) The type of personal information obtained as a result of the security breach.

(d) The telephonic contact information of the person subject to this section.

V. Any person engaged in trade or commerce that is subject to RSA 358-A:3, I which maintains procedures for security breach notification pursuant to the laws, rules, regulations, guidelines, or guidelines issued by a state or federal regulator shall be deemed to be in compliance with this subdivision if it acts in accordance with such laws, rules, regulations, guidances or guidelines.
VI. (a) If a person is required to notify more than 1,000 consumers of a breach of security pursuant to this section, the person shall also notify, without unreasonable delay, all consumer reporting agencies that compile and maintain files on consumers on a nationwide basis, as defined by 15 U.S.C. section 1681a(p), of the anticipated date of the notification to the consumers, the approximate number of consumers who will be notified, and the content of the notice. Nothing in this paragraph shall be construed to require the person to provide to any consumer reporting agency the names of the consumers entitled to receive the notice or any personal information relating to them.

(b) Subparagraph (a) shall not apply to a person who is subject to Title V of the Gramm Leach Bliley Act, 15 U.S.C. section 6801 et seq.

359-C:21 Violation. Failure of a person engaged in trade or commerce subject to RSA 358-A to the notices required by this subdivision shall be a violation of RSA 358-A and such person shall be subject to the provisions of RSA 358-A:4 and RSA 358-A:10.

2 Effective Date. This act shall take effect January 1, 2007.

Amendment adopted.

Rep. Kurk offered floor amendment (0932h).

**Floor Amendment (0932h)**

Amend RSA 359-C:20, I(c) as inserted by section 1 of the bill by replacing it with the following:

(c) The disclosures required under subparagraphs I(a)-(b) shall be made as quickly as possible, but no more than 3 business days after such breach has been discovered.

Rep. Kurk spoke in favor and yielded to questions.

Rep. Charles Clark spoke against and yielded to questions.

On a division vote, 254 members having voted in the affirmative and 87 in the negative, floor amendment (0932h) was adopted.

Committee report as amended was adopted.

Referred to the committee on Criminal Justice and Public Safety.

**HB 1702-FN-A**, establishing a New Hampshire health access corporation, continually appropriating a special fund, and allowing the healthy kids corporation to cover adults. INEXPEDIENT TO LEGISLATE.

Rep. Stephen B. Stepanek for Commerce: The intent of this bill is laudable. Unfortunately, it has several major flaws which make this bill unworkable. We feel it is unacceptable to expand the Healthy Kids Program to include healthy adults. The Healthy Kids Program is highly successful and any adult program should stand on its own. There is legitimate concern that this bill could adversely impact Healthy Kids. Additionally, there is no funding mechanism in this bill. Vote 13-5.

Rep. Schmidt spoke against and yielded to questions.

Committee report adopted.

**HB 1704-FN-A**, establishing a health care fund, continually appropriating a special fund, and requiring certain employers to report certain information to the department of health and human services. INEXPEDIENT TO LEGISLATE.

Rep. Stephen B. Stepanek for Commerce: This is a poorly crafted bill which, on its face, says it is created to help defray health care costs of the state. In reality it has been carefully crafted to target only one company. Health insurance is still a voluntary benefit provided by the employer. This bill would make it a mandatory requirement. The bill would also dictate how much an employer is to spend, and if they didn’t, it would impose what amounts to a tax on that employer, a health care tax. Of course a company could get around this by reducing its part-time workers or by out-sourcing jobs to fall below the 1500 limit. The 1500 employee limit today could be 1000 tomorrow, 500 the next day and then just mandatory for every employer. This bill sets us on the road towards mandatory health insurance coverage by all employers coupled with mandatory levels of coverage or a health insurance tax. The committee felt this was not the direction this legislature or this state should be moving. Vote 12-6.

Reps. Moody and Harvey spoke against.

Rep. Mitchell spoke against and yielded to questions.

Rep. Sheila Francoeur spoke in favor and yielded to questions.

Rep. Moody requested a roll call; sufficiently seconded.

HB 1422-FN, relative to the death penalty. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Stanley E. Stevens for the Majority of Criminal Justice and Public Safety: This bill seeks to remove the death penalty from RSA 630:1 Capital Murder. The majority of the committee feels that while it does not repeal Capital Murder, it reduces it to First Degree Murder. It creates two separate sections that cover only one outcome – life without parole. Capital Murder was carefully crafted to protect certain positions: law enforcement officers (including sheriffs, deputy sheriffs, state police officers, constables, police officers of any city or town, an official, or employee of any prison, jail or corrections institution, a probation-parole officer, a conservation officer), or judicial officer acting in the line of duty, or when the death is caused as a consequence of, or in retaliation for such person's actions in the line of duty. It also identifies five other narrow applications. Further, the death sentence is not absolute. Paragraph III states specifically, a person convicted of a Capital Murder may be punished by death and that no person under the age of 17 can be culpable of Capital Murder. RSA 630:5 sets forth the procedures to be followed in Capital Murder. A conviction does not necessarily result in the death penalty. For these and other reasons we believe there should be no change in the current law. Vote 11-7.

Rep. Timothy N. Robertson for the Minority of Criminal Justice and Public Safety: The minority of the committee voted against the ITL motion because we believe the State of New Hampshire should abolish the death penalty. How a society deals with evil says a lot about itself. This bill would replace our death penalty of execution with another death penalty - life in prison without any chance of parole, until death. Getting "tough on crime" means doing more of the things we should be doing - giving our police and other law enforcement personnel the tools they need to do their job well. It also means supporting more of our efforts in our schools to provide quality education for our next generation, getting children into a life of employment they can succeed in so they are law abiding adults. Execution serves no purpose other than revenge. Life in prison without any chance at all of parole, and then you are dead, is a powerful message of punishment.

Reps. Rowe and DiFruscia spoke against.
Reps. Bicknell and Mirski spoke in favor.
Rep. Pilliod requested a roll call; sufficiently seconded.

SULLIVAN

(Deputy Speaker Weyler in the Chair)

HB 1241-FN-L, mandating the inclusion of kindergarten as part of an elementary school. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. William J. Remick for the Majority of Education: The committee appreciates, understands, and wanted to strongly support public kindergarten for all New Hampshire children. This bill, as written, would have created an unfunded mandate. The amendment supports those communities who do not yet have kindergarten by extending the Kindergarten Construction Aid Program through June 30, 2008. Vote 10-4.

Rep. Paul C. Ingbretson for the Minority of Education: This bill was presented as a mere extension of the aid program, but it appears to be actually adding $1.7 million in new spending.

Majority Amendment (0719h)

Amend the title of the bill by replacing it with the following:

AN ACT extending the kindergarten construction aid program.

Amend the bill by replacing all after the enacting clause with the following:

I Kindergarten Construction Program; Appropriation Amended. Amend 1997, 348:6 as amended by 2001, 287:3, and 2005, 164:1 to read as follows:

348:6 Appropriation; Kindergarten Construction. A sum not to exceed [29,500,000] [31,220,194] is hereby appropriated to the department of education for the purposes of constructing kindergarten classrooms. This appropriation shall be nonlapsing and in addition to any other appropriation to the department of education; provided, however, that the department of education shall not approve grant requests for such purposes for more than:

I. $6,000,000 in the biennium ending June 30, 1999.

II. $5,000,000 in the fiscal year ending June 30, 2000.

III. $5,000,000 in the fiscal year ending June 30, 2001.

IV. $6,500,000 in the fiscal year ending June 30, 2002.

V. $2,000,000 in the fiscal year ending June 30, 2003.

VI. $4,000,000 in the fiscal year ending June 30, 2004.

VII. $1,000,000 in the fiscal year ending June 30, 2006.

VIII. $860,097 in the fiscal year ending June 30, 2007.

IX. $860,097 in the fiscal year ending June 30, 2008.

I. To provide funds for the appropriation made in section 6 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of [29,500,000] [31,220,194] and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A; provided that bonds or notes shall not be issued in excess of:

(a) $6,000,000 in the biennium ending June 30, 1999.

(b) $5,000,000 in the fiscal year ending June 30, 2000.

(c) $5,000,000 in the fiscal year ending June 30, 2001.

(d) $6,500,000 in the fiscal year ending June 30, 2002.

(e) $2,000,000 in the fiscal year ending June 30, 2003.

(f) $4,000,000 in the fiscal year ending June 30, 2004.

(g) $1,000,000 in the fiscal year ending June 30, 2006.

(h) $860,097 in the fiscal year ending June 30, 2007.

(i) $860,097 in the fiscal year ending June 30, 2008.
3 Kindergarten Construction Program. Amend RSA 198:15-r, I to read as follows:

I. There is established in the department of education a kindergarten construction program. For the period beginning July 1, 1997, and ending June 30, [2006] 2008, the commissioner of education shall make grants available to eligible districts that currently do not operate a public kindergarten program to cover 75 percent of the actual cost of construction of kindergarten facilities, exclusive of site acquisition and core facilities. Grants shall also cover the cost of initial equipment needed to operate a kindergarten program.

4 Kindergarten Construction Program; Repeal Date Extended. Amend 2001, 287:7, I as amended by 2003, 319:137 and 2005, 164:4 to read as follows:

I. Paragraph II of section 6 of this act shall take effect July 1, [2006] 2008.

5 Effective Date. This act shall take effect July 1, 2006.

AMENDED ANALYSIS

This bill extends the kindergarten construction aid program through June 30, 2008. On a division vote, 225 members having voted in the affirmative and 92 in the negative, the majority committee amendment was adopted.

The question now being adoption of the majority committee report.

Rep. Rush spoke in favor and yielded to questions.

Rep. Mirski requested a roll call; sufficiently seconded.

and the majority committee report was adopted.

Referred to the committee on Finance.

HB 1497-L, assessing a fine against a school superintendent for late filings of school enrollment information. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kimberly S. Casey for Education: The committee, after considerable discussion, found that the bill, as amended, was a reasonable solution to the ongoing problem of late submissions to the Department of Education of statistical reports. It should be noted that the bill as amended is supported by the NH School Boards Association and the NH School Administrators Association. Vote 13-3.

**Amendment (0505h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to certification by a superintendent regarding statistical reports.

Amend the bill by replacing all after the enacting clause with the following:

I. Each statistical report submitted under this section shall include a certification, signed by the superintendent of the school district, that states: "I certify, under the pains and penalties of perjury, that all of the information contained in this document is true, accurate, and complete, and
that the school board chairperson has received a copy of this document.” [The statistical report shall also include a certification, signed by the chairperson of the school district’s governing body or the chairperson of the board of trustees of approved public academies, that states: “I certify that, to the best of my knowledge, all of the information contained in this document is true, accurate, and complete.”]

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires the school district superintendent to certify that the school board chairperson has received a copy of certain statistical reports.

Amendment adopted.

The question now being adoption of the committee report.

Rep. W. Packy Campbell yielded to questions.

Committee report adopted and ordered to third reading.

HB 1502, relative to the use of surplus funds from the education trust fund. INEXPEDIENT TO LEGISLATE.

Rep. David W. Hess for Education: The Education Trust Fund has never had a surplus in the past. In the unlikely event one might occur in the future, the use of said funds should not be dedicated to this or any other use apriori. Vote 12-2.

Committee report adopted.

(Speaker Scamman in the Chair)

HB 1593-FN-L, relative to the construction of high school athletic fields in the town of Bedford. OUGHT TO PASS WITH AMENDMENT.

Rep. Timothy E. Easson for Education: This bill, as amended, will allow school districts to utilize school building aid for the construction of athletic facilities for school use on municipally-owned land. Under administrative rules, building aid for athletic fields can only be used when a new school is built. The amendment builds in some safeguards for the school district. First, using municipal land must be more cost-effective than buying and developing new land. Second, the school district shall have first priority for use for ten years or the life of the bond or note, whichever is greater. Third, in the absence of a bond or note, or upon the expiration of any bond or note, the municipality and the school district enter into an agreement on the future use of the land, buildings, or facilities. Vote 14-0.

Amendment (0667h)

Amend the bill by replacing section 1 with the following:

1 School Building Aid; Amount of Annual Grant. Amend RSA 198:15-b, I to read as follows:

1.(a) The amount of the annual grant to any school district duly organized, any city maintaining a school department within its corporate organization, any cooperative school district as defined in RSA 195:1, any receiving district operating an area school as defined in RSA 195-A:1, or any receiving district providing an education to pupils from one or more sending districts under a contract entered into pursuant to RSA 194:21-a or RSA 194:22, shall be a sum equal to 30 percent of the amount of the annual payment of principal on all outstanding borrowings of the school district, city, cooperative school district, joint maintenance agreement, or receiving district, heretofore or hereafter incurred, for the cost of construction or purchase of school buildings and school administrative unit facilities, or for the cost of acquiring, developing, or renovating any municipally-owned land, buildings, or facilities to be used for school district purposes, to the extent approved by the department of education, provided that any school district may receive an annual grant in the amount of 40 percent for the construction of an educational administration building for a school administrative unit, and provided that the amount of the annual grant in the case of a cooperative school district, joint maintenance agreement, a receiving district operating an area school, or any receiving district providing an education to pupils from one or more sending districts under a contract
entered into pursuant to RSA 194:21-a or RSA 194:22, shall be 40 percent plus 5 percent for each pre-existing district in excess of 2 and each sending district in excess of one, and provided further that no cooperative school district, joint maintenance agreement, or receiving district operating an area school, shall receive an annual grant in excess of 55 percent.

(b) For any municipally-owned land, buildings, or facilities for which school building aid is granted under this subdivision, the following shall apply:

(1) A school district, a city maintaining a school department within its corporate organization, a cooperative school district as defined in RSA 195:1, a receiving district operating an area school as defined in RSA 195-A:1, or a receiving district providing an education to pupils from one or more sending districts under a contract entered into pursuant to RSA 194:21-a or RSA 194:22, shall have first priority in the use of such land, buildings, or facilities for 10 years or the life of any bond or note issued to provide funds for such land, buildings, or facilities, whichever is greater.

(2) The cost of any proposed renovation project shall be less than the cost of a new acquisition for the same purpose.

(3) In the absence of a bond or note or upon the expiration of any bond or note issued to provide funds for land, buildings, or facilities, the principal parties shall enter into an agreement on how such land, buildings, or facilities are to be used.

Amendment adopted.

On a division vote, 221 members having voted in the affirmative and 66 in the negative, the committee report was adopted.

Referred to the committee on Finance.

HB 1601-FN-L, relative to the funding of catastrophic special education aid. OUGHT TO PASS WITH AMENDMENT.

Rep. Claire D. Clarke for Education: This bill does three things: it lowers the threshold for catastrophic aid by one-half percent; it increases the designated funds available to districts for qualifying emergency assistance from $250,000 to $900,000 and increases special education appropriations available for statewide programs from $300,000 to $1,000,000. An amendment, passing unanimously in committee, allowed a warrant to be drawn for direct payment to the Laurent Clerc School for the Deaf and Hard of Hearing to keep the School viable, resulting in a savings in catastrophic aid projected to be $300,000. Vote 15-0.

Amendment (0789h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the funding of catastrophic special education aid and making an appropriation to the department of education to support the Laurent Clerc Academy.

Amend the bill by replacing all after section 1 with the following:

2 Statement of Purpose. The general court finds that elementary and secondary education for students who are deaf or hard of hearing should be provided in an environment that is respectful of the culture of the deaf and hard of hearing. Since a linguistically accessible environment is generally the least restrictive environment for deaf and hard of hearing students, such an environment would be consistent with the Individuals with Disabilities Education Improvement Act of 2004.

3 Appropriation. There is appropriated the sum of $186,000 for the fiscal year ending June 30, 2006, and the sum of $241,000 for the fiscal year ending June 30, 2007, to the department of education which shall use such funds to support the Laurent Clerc Academy in providing elementary and secondary education for deaf and hard of hearing students. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

4 Effective Date.

I. Section 1 of this act shall take effect 60 days after its passage.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill changes the formula used to determine liability for catastrophic aid expenses. The bill also makes an appropriation to the department of education for the 2006 and 2007 fiscal years to support the Laurent Clerc Academy.

Amendment adopted.

Committee report adopted.

Referred to the committee on Finance.
HB 1695-FN, defining an adequate education and relative to calculating the cost of an adequate education and adequate education grants. INEXPEDIENT TO LEGISLATE.
Rep. Michael B. Asselin for Education: The committee supported the ITL motion given the probability of an ad hoc committee being established to comprehensively look at all special education issues. Vote 17-0. Committee report adopted.

HB 1622-FN, relative to the state recycling program. REFER FOR INTERIM STUDY.
Rep. Burton W. Williams for Environment and Agriculture: The Committee is in complete agreement with the intent of this bill, but finds RSA 21-I covers many of the aspects requiring state agencies to recycle. There is much ambiguity in RSA 21-I and state agencies are not adhering to its intent. The committee recommends a complete rewrite of RSA 21-I and incorporate it into HB 1622. Vote 12-2. Committee report adopted.

HB 1240-FN, establishing the position of state ethics officer. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: REFER FOR INTERIM STUDY.
Rep. A. Laurie Harding for the Majority of Executive Departments and Administration: This bill, as amended, is supported by both the offices of Secretary of State and Attorney General. This legislation creates an ethics officer as an unclassified position assigned to the office of Secretary of State to serve in the role of being the “go-to” person about ethics questions for New Hampshire. The person in this position could have prevented some of the ethical problems that have occurred in the past 2 – 3 years. Legislators, department/agency employees, board/commission members and candidates for public office would have their questions answered in a timely, consistent and confidential fashion. The forms that we must file would be double-checked assuming fewer instances of missed deadlines or improperly completed forms. Passage of this bill is consistent with the priority audit the legislature is placing on ethical practice in state government. Vote 15-2.
Rep. Judson K. Dexter for the Minority of Executive Departments and Administration: This is one of those soft and fuzzy bills we get that looks good to the public but has little, if any impact on the real world. However, there are some major unforeseen consequences that are not addressed by the bill. 1) There are no guidelines as to the qualifications to be the “state ethics officer”. 2) The opinions of the “state ethics office” are advisory only. “The state ethics officer” shall NOT be authorized to render legal advice. 3) The “state ethics officer” has no power to enforce his non-opinion. 4) The cost for this individual is somewhere between $15,000/yr - $80,000/yr. No one could answer the question. It was suggested to combine this bill with other bills dealing with ethics coming from both the house and senate. The minority, without success, tried to move this to interim study in an attempt to answer these questions.

Majority Amendment (0795h)
Amend the bill by replacing all after the enacting clause with the following:
1 New Section; State Agency Code of Ethics; Position Established. Amend RSA 21-G by inserting after section 29 the following new section:
21-G:30 Ethics Officer; Appointment; Duties and Responsibilities.
I. There is established the classified position of state ethics officer who shall be hired by the secretary of state. The state ethics officer shall be administratively attached to the secretary of state.
II. The state ethics officer shall be responsible for the administration of this subdivision. The ethics officer shall:
(a) Review the administrative requirements of this subdivision and the submission of forms pursuant to RSA 21-G:28.
(b) Communicate with all candidates for public office, public officials, and public employees on the administrative requirements of this subdivision and the submission of forms pursuant to RSA 21-G:28.
(c) Respond to any inquiries from candidates for public office, public officials, and public employees on the administrative requirements of this subdivision and the submission of forms pursuant to RSA 21-G:28.
(d) Assist state agencies adopting supplemental ethics codes under RSA 21-G:27.
(e) Make or forward complaints alleging violations of the provisions of the state ethics code to the attorney general or any other committee or commission authorized by statute to investigate ethics complaints for prosecution.
III. The state ethics officer shall not be authorized to render legal advice.

IV. The state ethics officer shall attend meetings of and act as a liaison to the legislative ethics committee, as well as any other ethics committees or commissions established by statute.

V. Any state agency, commission, or committee authorized by statute to interpret a state ethics law shall submit a copy of any written decision or opinion to the state ethics officer and to the secretary of state. Such written decisions or opinions may be redacted prior to submission in order to protect confidential or nonpublic information.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the classified position of state ethics officer for the administration of the state ethics code.

Rep. Dexter spoke against.

Rep. DeJoie requested a roll call; sufficiently seconded.

HB 1739-FN, relative to body art practitioners. INEXPEDIENT TO LEGISLATE.
Rep. James B. Coburn for Executive Departments and Administration: This bill would establish the board of licensed body art practitioners and revises the laws regulating the practice of body piercing, branding and tattooing. The bill is well written, going into the detail necessary to properly establish a board of licensed body art practitioners. The committee did not feel that the work necessary to set up the board would result in significant improvement over how the profession is regulated today. Vote 12-4.
Committee report adopted.
RESOLUTION

Rep. O'Neil offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted. Adopted.

LATE SESSION

Third reading and final passage

HB 1419-FN, relative to mediation in divorce proceedings.
HB 1424, relative to persons permitted to attend child abuse and neglect hearings.
HB 1516, relative to the modification and enforcement of child support orders.
HB 1583, relative to grounds for modification of parental rights and responsibilities.
HB 1585, relative to enforcement of orders regarding parenting plans.
HB 1648-FN, relative to legal residency and financial liability for children in certain residential placements.
HB 1720-FN, relative to notice of parent liability in CHINS proceedings.
HB 1725-FN, extending the pilot project relative to abuse and neglect hearings and relative to confidentiality in pilot project abuse and neglect cases.
HB 1733-FN, establishing a reporting system for court decisions relative to residential responsibility under parenting plans.
HB 1570, relative to health insurance coverage for part-time college students.
HB 1231-FN, relative to the penalty for assaulting a firefighter, licensed emergency medical care provider, or law enforcement officer.
HB 1361, relative to the penalty for shoplifting.
HB 1410-FN-L, relative to the cost to counties of convicted inmates awaiting sentencing in a county correctional facility.
HB 1662-FN, establishing the crime of peonage.
HB 1173, relative to designating the clerk in cities the chief elections officer for the city.
HB 1114, relative to regulation by the board of licensure of interpreters for the deaf and hard of hearing.
HB 1128-FN, relative to definition of teacher in the New Hampshire retirement system, and relative to approval of supplemental allowances.
HB 1134, relative to membership of the state building code review board.
HB 1156, changing the notification for public hearings on ski area passenger tramway rules from registered mail to first class mail.
HB 1191, making technical corrections to the chapter governing vital records.
HB 1264, establishing an advisory committee to study the information practices act and establishing a temporary moratorium on reports filed under the information practices act.
HB 1458-FN, relative to the regulation of landscape architects.
HB 1501, making various changes to the lottery commission.
HB 1521, relative to the membership of the juvenile parole board.
HB 1634-FN, making technical changes to the law governing the New Hampshire retirement system.
HB 1671-FN, relative to the regulation of dentists and dental hygienists by the board of dental examiners.
HB 1427, relative to guiding principles for developmentally disabled services.
HB 1727-FN, relative to transfer or discharge of patients or residents in licensed facilities.
HB 1153, establishing a commission to study the laws and rules relating to subpoenas, summonses and complaints.
HB 1334, establishing a committee to study the effect on the unemployment compensation trust fund of employers with negative balance separate accounts.
HB 1588, relative to unemployment compensation requirements for governmental and non-profit employers.
HB 1305-L, authorizing cities to adopt certain bylaws and ordinances relative to businesses obtaining city permits.
HB 1436-L, authorizing municipal and county biennial budgets for a 24-month period.
HB 1152, naming a certain bridge over the Merrimack River.
HB 1225-FN-A, relative to the judicial branch family division for the Henniker and Hillsborough District Courts.
HB 1589, establishing a committee to study the feasibility of using certain state-owned buildings as transition housing for 17-year olds and 18-year olds who are ready to leave foster care or the youth development center.
HB 1376, relative to the duties of the legislative oversight committee on electric utility restructuring.
HB 1690, relative to renewable energy.
HB 1132, relative to qualifications for the Global War on Terrorism operations service bonus payment.
HB 1154-FN, relative to eligibility for special number plates for veterans.
HB 1176, establishing a committee to study statutes relating to railroads.
HB 1581, relative to drivers’ licenses issued to persons under the age of 21.
HB 1663-FN-L, relative to the licensing fee for motor vehicle recycling yards.
HJR 24, supporting efforts for commuter rail in the state of New Hampshire.
HB 656-FN, relative to medical decision making for those adults without capacity to make health care decisions for themselves and establishing procedures for Do Not Resuscitate Orders.
HB 1497-L, relative to certification by a superintendent regarding statistical reports.

SPECIAL ORDER
Without objection, the Speaker ordered the remainder of bills on today’s calendar be Special Ordered for Thursday, February 16, 2006.

RECESS MOTION
Rep. O’Neil moved that the House stand in recess until 1:00 p.m. tomorrow.
Adopted.

The House recessed at 5:30 p.m.

RECESS

(Speaker Scamman in the Chair)

The House reconvened at 1:00 p.m. and the Speaker called the recessed session of February 15, 2006 to order.
Without objection, the Chair ordered that since the House was technically still in the February 15, 2006 session, any leave of absence requests received by the Clerk today will be granted, unless otherwise ordered by the House.

LEAVES OF ABSENCE
Reps. Barker, Barry, Carlson, Chabot, Egbers, Gillick, Hunter, Lefebvre, Lessard, Maybeck, Putnam, Whiting, and Wiley, the day, illness.
Reps. Aboshar, Benn, Jennifer Brown, Buzzell, Daniuk, Dowling, Gargasz, Giuda, Gonzalez, Goodwin, Greco, Hollinger, Hutchinson, Introne, Irwin, Stephen L’Heureux, MacKay, Mason, McConkey, McMahon, McRae, Michon, Morneau, Naro, Pappas, Pepino, Plifka, Reed, Rochette, Schulze, Serlin, Spang, Katherine Taylor and Twombly, the day, important business.
Rep. Mears, the day, illness in the family.
Rep. Bergin, the day, death in the family.

INTRODUCTION OF GUESTS

SUSPENSION OF RULES
Reps. O’Neil and Craig moved that the House Rules be so far suspended to permit the deadline of last day to report a House Bill not going to a second committee, to be moved to Thursday, March 16, 2006 for House Bill 1692, establishing the New Hampshire sexual predators act.
Adopted by the necessary two-thirds.
CLERK'S NOTE

When less than two-thirds of the elected membership is present, Part II, Article 20 of the state constitution requires the assent of two-thirds of those present and voting to render their acts and proceedings valid.

REGULAR CALENDAR – PART I (CONT’D.)

**HB 1611-FN**, relative to reimbursement for personal care services. **OUGH TO PASS WITH AMENDMENT.**

Rep. Thomas E. Donovan for Health, Human Services and Elderly Affairs: This bill will authorize the Dept. of Health and Human Services to reimburse a parent who chooses or needs to provide personal care to a minor child with special health care needs residing at home under certain circumstances. Though there were a number of concerns expressed by the committee, these concerns seemed to pale with the unanimous vote to offer this support to those parents who commit themselves, and their resources, and their lives, to care for their medically fragile sons and daughters in their own homes rather than placing their children in various institutional care settings. Though we most certainly recognize the tremendous emotional and financial commitment of parents to go this alone, we are understanding that not all parents can do this and need to help them maintain the integrity of their family. These children for the most part are already known to the system because of their special obvious medical needs, and are receiving higher level waivered Medicaid services that at times may not be totally responsive to the needs of the family. Thus, this bill will allow for the continuity of services by shifting some of the already authorized monies to a mechanism of parental choice and support, overseen and evaluated by an independent entity. No reimbursement will be authorized to a parent until he or she is trained in any special care and until a quality-care plan is established and the mechanism of this process is adopted pursuant to RSA 541-A, and also reviewed and approved by the Legislative Oversight Committee on Health and Human Services. The committee, through much discussion and testimony, was concerned that this would help resolve some of the shortage of healthcare workers and this entire process has the support of the H.H.S. Commission, as they see this as the future with no additional cost to the department. As a matter of fact, the department sees this as a potential saving. This program will go to administrative rules to insure that specific guidelines are forthcoming. In the opinion of this committee, this is the right thing at the right time. Vote 17-0.

**Amendment (0580h)**

Amend RSA 161-I:3-a as inserted by section 2 of the bill by replacing it with the following:

161-I:3-a Authorization of Legally Responsible Relative. The department may authorize reimbursement to a parent who provides personal care to a minor child with special health care needs residing at home. Such reimbursement shall occur only when the department determines that the needs of the child, the unavailability of appropriate providers or suitable alternative care services, and cost efficiencies make utilization of a parent for the provision of such services necessary and appropriate. Reimbursement shall be limited to care that is medically necessary due to specific health needs and shall not be made for care generally expected and provided by parents to a child of similar age and developmental stage. The department shall not authorize reimbursement to a parent until a plan and rules adopted pursuant to RSA 541-A, are reviewed and approved by the oversight committee on health and human services, established in RSA 126-A:13.

Amendment adopted by the necessary two-thirds.

Committee report adopted by the necessary two-thirds.

Referred to the committee on Finance.

Rep. Itse declared a conflict of interest and did not participate.

**HB 1713-FN**, restricting the over-the-counter sale of pseudophedrine base and ephedrine base drugs and establishing commission to study the feasibility of an electronic tracking system for sales of pseudophedrine base and ephedrine base drugs. **OUGH TO PASS WITH AMENDMENT.**

Rep. Deborah J. Hogancamp for Health, Human Services and Elderly Affairs: This bill, as amended, establishes restrictions on the sale of products containing pseudophedrine and ephedrine. These over-the-counter cold/allergy medications are the primary ingredient used in the manufacture of methamphetamine. Methamphetamine is a highly addictive illegal drug that has been around for many years. The current methamphetamine is more lethal and addictive than any produced in history. Methamphetamine can be manufactured almost anywhere, including the trunk of a vehicle. The manufacture of
methamphetamine is dangerous and can result in explosions or fires. The manufacturing process, also known as a cook, produces toxic waste, which contaminates the area of manufacture as well as where the waste is dumped. New Hampshire has the highest incidence of clandestine labs of all New England states. Since January 1, 2006, 3 labs have been found in the state; in the previous 5 years a total of 17 labs were found. The bill, as amended, allows a person to purchase 1 package, or 3 grams, of a single-entity pseudoephedrine or ephedrine product, per transaction at a pharmacy, with photographic proof of being 18 years of age. In addition, this bill, as amended, allows a person to purchase 2 single dose packages, per transaction (not more than 120mg) of single entity pseudoephedrine or ephedrine product, with photographic proof of being 18 years of age, at any retail establishment. A person wishing to purchase more than 1 package in a single transaction, at a pharmacy, may purchase up to 6 grams and is required to sign a written or electronic log maintained by the pharmacy. The log requires date and time of sale, amount of drug sold, the name and signature of the buyer. The bill, as amended bill, requires all single entity pseudoephedrine or ephedrine products be kept behind the pharmacy counter or retail counter or in a locked case where the public is not permitted. Other over-the-counter medications containing a combination of ingredients and pseudoephedrine or ephedrine are to be kept in line of sight of the store cash register and purchases are limited to 2 items per transaction. Pediatric, liquid, or gel capsules are not affected by this legislation. This bill also establishes a commission to study the feasibility of a statewide electronic log system for the tracking of illicit pseudoephedrine and ephedrine purchases. Information from other states that have experienced severe problems with clandestine methamphetamine labs, experienced a reduction in methamphetamine labs by making it more difficult to purchase the pseudo ephedrine and ephedrine products. The committee unanimously agreed this bill, as amended, is a fair measured approach to limiting access to those who would use these medications to manufacture a very dangerous, illegal drug, and providing access to those who rely on these medications for relief of cold and allergy symptoms. Vote 17-0.

Amendment (0619h)

Amend the bill by replacing all after the enacting clause with the following:

I New Chapter; Sales of Certain Over-the-Counter Drugs by Retail Establishments. Amend RSA by inserting after chapter 358-R the following new chapter:

CHAPTER 358-S
SALES OF CERTAIN OVER-THE-COUNTER DRUGS
BY RETAIL ESTABLISHMENTS

358-S:1 Definition. In this chapter, “over-the-counter sale” means a retail sale of a drug or product to consumers but does not include the sale of a drug or product pursuant to the terms of a valid prescription.

358-S:2 Retail Sale Restrictions.

I. Except as provided in paragraph III, a retail establishment that offers for sale single-entity pseudoephedrine base or ephedrine base products in an over-the-counter sale shall ensure that all packages of the drugs are displayed behind a pharmacy counter where the public is not permitted and are offered for sale only by a licensed pharmacist or a registered pharmacy technician.

II. No retail establishment or individual shall transfer, sell, deliver, or provide more than 2 packages or a total of 6 grams, whichever is greater, of single-entity pseudoephedrine base or ephedrine base products, to any person per transaction.

III. A retail establishment may transfer, sell, deliver, or provide single-dose packages of single-entity pseudoephedrine base or ephedrine base products. No person shall purchase through over-the-counter sales more than 2 single-dose packages of such products or a total of 120 milligrams of such products in any single transaction. Such products shall be displayed either behind the cash register counter or in a locked display case accessible only to store employees.

IV. No retail establishment may sell in an over-the-counter sale, products containing single-entity pseudoephedrine base or ephedrine base to a person under the age of 18 years. It is an affirmative defense to a charge under this paragraph if the defendant proves by a preponderance of the evidence that the defendant reasonably and in good faith relied on proof of age based upon the required photographic identification under RSA 358-S:3, I(a).

V. A retail establishment that offers for sale combination pseudoephedrine base or ephedrine base products shall keep these products in direct line of sight of a store cash register or store counter staffed by one or more store employees.

VI. No retail establishment or individual shall transfer, sell, deliver, or provide more than 2 packages of combination pseudoephedrine base or ephedrine base products to any person in any single transaction.
358-S:3 Requirements for Purchase.

I. Before any transfer, sale, delivery, or provision of single-entity pseudoephedrine base or ephedrine base products is made, a retail establishment shall require:

(a) Photographic identification showing the buyer's date of birth; and
(b) For any transfer, sale, delivery, or provision of more than one package or a total of 3 grams, whichever is greater, of single-entity pseudoephedrine base or ephedrine base products, a pharmacy shall maintain a written or electronic log detailing:

(1) The date and time of the sale;
(2) The amount of the drug sold;
(3) The name of the buyer; and
(4) The signature of the buyer.

II. Nothing in this section requires the buyer to obtain a prescription for the purchase of pseudoephedrine base or ephedrine base products.

358-S:4 Penalty; Reporting Required; Limitation of Liability.

I. Except as provided in paragraph III, a person who knowingly violates any provision of this chapter shall be guilty of a class A misdemeanor.

II. Any person employed by a business establishment that offers for sale pseudoephedrine base or ephedrine base products who sells such a drug to any person in a suspicious transaction shall report the transaction to the owner, supervisor, or manager of the establishment. The owner, supervisor, or manager shall report the transaction to the local law enforcement agency. A person who reports information under this paragraph in good faith is immune from civil liability relating to the report.

III. An owner, operator, supervisor, or manager of a business establishment that offers for sale products containing pseudoephedrine base or ephedrine base whose employee or agent is convicted of or charged with violating a provision of this chapter shall not be subject to the criminal penalty under paragraph I if the person:

(a) Did not have prior knowledge of, participate in, or direct the employee or agent to commit the violation; or
(b) Documents that an employee training program was in place to provide the employee or agent with information on the state and federal laws and regulations regarding methamphetamine precursor drugs.

2 Commission Established. There is established a commission to study the feasibility of establishing an electronic tracking system for sales of pseudoephedrine base and ephedrine base products.

3 Membership and Compensation.

I. The members of the commission shall be as follows:

(a) Three members of the house of representatives, 2 of whom shall be from the health, human services and elderly affairs committee, appointed by the speaker of the house of representatives.
(b) Three members of the senate, at least one of whom shall be from the health and human services committee, appointed by the president of the senate.
(c) The commissioner of the department of health and human services, or designee.
(d) The attorney general, or designee.
(e) One member representing the pharmacy board, appointed by the pharmacy board.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

4 Duties. The commission shall study the feasibility of establishing an electronic tracking system for sales of pseudoephedrine base and ephedrine base products.

5 Chairperson; Quorum. The members of the commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Six members of the commission shall constitute a quorum.

6 Report. The commission shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.

7 Effective Date.

I. Section 1 of this act shall take effect January 1, 2007
II. The remainder of this act shall take effect upon its passage.

Amendment adopted by the necessary two-thirds.

Committee report adopted by the necessary two-thirds and ordered to third reading.
HB 1221-FN, relative to recovery of medical assistance from a decedent’s estate. OUGHT TO PASS WITH AMENDMENT.

Rep. Gregory M. Sorg for Judiciary: Among many other things, last year’s HB 691 revised the provisions of RSA 167 dealing with recovery of Medicaid assistance from the estate of a deceased recipient. However, it soon became evident to the Department of Health and Human Services that the particular section involved, RSA 167:14-a, V, was defective, in particular by not providing workable methods for calculating the value of a decedent’s recoverable interest in property in which he held a life estate or property he held in joint tenancy with others. There were also concerns that the section, as passed, might inadvertently have unconstitutionally impaired the vested rights of remaindermen or surviving joint tenants. The committee amendment represents its best effort to clarify the methodology and address the constitutional issues of this section in the manner least disruptive to the department’s revenue projections that have previously been made based upon it. Vote 16-1.

**Amendment (0631h)**

Amend the title of the bill by replacing it with the following:

AN ACT relative to recovery of medical assistance.

Amend the bill by replacing all after the enacting clause with the following:

1. Recovery of Assistance from Successor Owners of Non-Probate Assets of Recipient. RSA 167:14-a, V and VI are repealed and reenacted to read as follows:

V.(a) Solely for purposes of calculating the amount of medical assistance recoverable from successor legal or beneficial owners of property interests of the recipient passing to them at the death of the recipient outside of probate, the estate of a recipient shall be deemed to include the value immediately prior to the recipient’s death of the decedent’s equitable interest in all property, real or personal:

1. Held by the recipient in joint tenancy with rights of survivorship;

2. Held by the recipient in life tenancy; or

3. Held in a revocable trust of which the recipient was directly or indirectly a grantor to the extent of the recipient’s proportionate share of contribution.

(b) No sooner than 45 days from the death of the recipient, the department shall provide the surviving joint owner, remainderman of the life estate, or trustee of the revocable trust, as the case may be, notice of the department’s claim. Within 30 days of the receipt of notification of the department’s claim, the surviving joint owner, remainderman, or trustee shall acknowledge receipt of the department’s claim and, provided that there shall not be undue hardship imposed upon the surviving joint owner, remainderman, or beneficiary of the trust, either tender an amount equal to the deceased recipient’s interest in the identified property or financial instrument to the state of New Hampshire toward the deceased’s medical assistance bill, but such amount shall not exceed the total amount of medical assistance provided to the deceased recipient, or enter into a binding agreement to make such payment as soon as is practicable. If the joint owner, remainderman, or trustee refuses to acknowledge receipt of the department’s claim or to tender payment or fail to fulfill the agreement to pay without good cause, as required by this paragraph, the commissioner may bring an action in superior court to compel such payment. Nothing in this paragraph shall be interpreted or applied so as to violate RSA 167:16-a, IV or 42 U.S.C. section 1396p(b)(2)(A) prohibiting recovery when the recipient is survived by a spouse, minor children, or disabled children. The department shall not compel the sale of any real estate that constitutes the primary residence of any surviving joint owner, remainderman, or trust beneficiary, or require payments that would leave any surviving joint owner, remainderman, or trust beneficiary without sufficient income or resources to maintain his or her housing.

VI.(a) Paragraph V shall not affect any real or personal property held by the recipient in sole ownership or in tenancy in common, but such property or the recipient’s share thereof shall be included in the recipient’s probate estate and shall be subject to claims filed by the department as a creditor in the normal course pursuant to RSA 167:14, II.

(b) Paragraph V shall apply to all specified property interests of the recipient passing to others at the death of the recipient outside of probate, where the death of the recipient occurs on or after the effective date of this act, but without regard to the date that such interests were first created; provided that it shall not apply to life estates created or reserved by the recipient:

1. Before July 1, 2005; or

2. Before the beginning of the period specified in RSA 167:4, I(b) during which transfers by the recipient for less than fair market value may be taken into account for purposes of determining eligibility for assistance, as such period may be limited by federal law.
(c) “Equitable interest” as used in paragraph V shall mean the legal interest of the recipient as adjusted to take into account any disproportionate contributions by any other joint tenant or by any co-grantor of a trust, and in the case of a life tenancy shall be valued in accordance with the applicable federal Social Security regulation. In the absence of evidence to the contrary, the “equitable interest” of the recipient in any real estate, or in a trust’s real estate holdings, shall be presumed to be the result of reducing the equalized property tax value, as computed from the latest assessment, by any amounts owing on mortgages or for back taxes or under other liens, and dividing by the total number of co-owners of the property, including the recipient.

(d) Recovery from any remainderman shall be limited to any amount by which the value of the interest received by the remainderman, valued as of the date the interest was acquired and in accordance with the applicable Social Security regulation, exceeds any consideration given by the remainderman from the date the interest was acquired to the date of death of the recipient.

(e) Recovery from any surviving joint tenant shall be limited to any amount by which the value of the interest received by the joint tenant, valued as of the date the interest was acquired, exceeds any consideration given by the surviving joint tenant from the date the interest was acquired to the date of death of the recipient.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill restricts the department of health and human service’s ability to recover the cost of medical assistance from life estates created before July 1, 2005 or created 5 years prior to the decedent’s eligibility for such assistance. The bill also prohibits the department from compelling the sale of the primary residence of a surviving joint owner as part of the department’s estate recovery practice.

Amendment adopted by the necessary two-thirds.
Committee report adopted by the necessary two-thirds and ordered to third reading.

HB 1677-FN, relative to the annulment of the arrest record of a person found not guilty by a jury. INEXPEDIENT TO LEGISLATE.

Rep. James E. Wheeler for Judiciary: The sponsor of this bill related to the committee a problem he was aware of with one individual who was denied employment in law enforcement several times because he had an arrest record that had been annulled when he was found not guilty of the accused crime. When prospective employers did background checks they were told that this individual had no record but there was something sealed in his file. This bill would do nothing to help that individual or anyone like him. The law already states that if a person is found not guilty or is not prosecuted, that person can obtain an annulment without having to pay the normal $100.00 fee. The committee urges the sponsor to work on this issue again but with legislation that better fits the problem to be addressed. Vote 18-0.
Committee report adopted by the necessary two-thirds.

CLERK’S NOTE

The constitutionally required two-thirds of the membership for action by majority vote was declared present.

REGULAR CALENDAR – PART I (CONT’D.)

HB 1703-FN, requiring certain employers to report on the percentage of payroll which is being spent on health insurance premiums for employees. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Edgar H. Mears for the Majority of Labor, Industrial and Rehabilitative Services: This bill will collect vital information not currently available regarding the scope of health insurance benefits provided by large employers. Anecdotal evidence shows a large disparity in access to and the level of health care benefits offered by large employers. Available data confirms that there presently is cost shifting to taxpayers, but it is not possible to determine the breadth of the problem among large employers. Collection of this data will provide policy makers another tool for setting policies to slow cost shifting of health care costs to taxpayers. This legislation would add vital data to the information already collected from large employers. This bill was supported by the Commissioner of Employment Security who stated it would provide vital statistics not presently collected at minimal cost to both the department and to employers. The majority of the committee
believes that this information is necessary to develop good public policy addressing the ongoing concerns about the diminishing availability and the ever increasing costs of health care. Vote 7-6. Rep. William J. Infantine for the Minority of Labor, Industrial and Rehabilitative Services: The minority of the committee believes this bill is flawed and should not be supported for the following reasons. There are only 96 employers with 500 or more employees, so the sample data would not be sufficient to provide any meaningful conclusions. The bill does not exclude the state, county, city or towns and requesting this information may be a violation of the New Hampshire Constitution under Section 28-A. The information being requested is proprietary in nature and provides the public with information that can be used by competitors, etc. Lastly, the fiscal note is undetermined as the LBA has not received the requested information from the Department of Employment Securities. Without a firm financial determination this bill should not pass the House.

Majority Amendment (0611b)

Amend the bill by replacing section 1 with the following:

1 New Section; Reporting Guidelines for Employee Health Care Coverage. Amend RSA 282A by inserting after section 117-a the following new section:

I. In this section:
(a) “Commissioner” means the commissioner of the department of employment security.
(b) “Employee” means all individuals employed full-time or part-time directly by an employer.
(c) “Health insurance benefits” includes payments for medical care, prescription drugs, vision care, medical savings accounts, and any other costs to provide health benefits, as defined in section 213(d) of the Internal Revenue Code.
(d) “Health insurance costs” means the amount paid by an employer to provide health care or health insurance to employees in the state to the extent the costs may be deductible by the employer under federal tax law. The term “health insurance costs” includes payments for medical care, prescription drugs, vision care, medical savings accounts, and any other costs to provide health benefits as defined in section 213(d) of the Internal Revenue Code.

II. An employer which has 500 or more employees shall, commencing on January 1, 2007 and annually thereafter, submit on a form and in a manner approved by the commissioner:
(a) The number of employees of the employer in the state as of one day in the year immediately preceding the previous calendar year as determined by the employer on an annual basis.
(b) The number of employees eligible for health insurance benefits.
(c) The requirements employees and dependents must meet to qualify for health insurance benefits.
(d) The amount spent by the employer in the year immediately preceding the previous calendar year on health insurance costs in the state.
(e) The percentage of payroll that was spent by the employer in the year immediately preceding the previous calendar year on health insurance costs in the state.

III. The information required under paragraph II shall:
(a) Be designated in a report signed by the principal executive officer or an individual performing a similar function; and
(b) Include an affidavit under penalty of perjury that the information required under paragraph I of this section:
(1) Was reviewed by the signing officer; and
(2) Was based on the officer’s knowledge and does not contain any untrue statement of a material fact or omit a material fact necessary to make the statement made not misleading is true to the best of the signing officer’s knowledge, information, and belief.

IV. When calculating the percentage of payroll under paragraph II, an employer may exempt:
(a) Wages paid to any employee beyond the amount taxable for federal Social Security (FICA) purposes;
(b) Wages paid to an employee who is enrolled in or eligible for Medicare; and
(c) Wages paid to an employee who is a seasonal worker or works less than 90 days a year.

V. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:
(a) The content of any forms required under this subdivision.
(b) Further information which may be required under paragraph II of this section.
VI. On or before March 15 of each year, the commissioner shall make a report to the general court and the governor relative to:
  (a) The name of each nonprofit and for profit employer with 500 or more employees in the state.
  (b) The employer’s definition of full-time employee and part-time employee.
  (c) The number of full-time employees.
  (d) The number of full-time employees eligible to receive health insurance benefits.
  (e) The number of full-time employees receiving health insurance benefits from the employer.
  (f) The source of health insurance benefits for those eligible full-time employees not receiving health insurance benefits through an employer subject to reporting under this subdivision.
  (g) The number of part-time employees.
  (h) The number of part-time employees eligible to receive health insurance benefits.
  (i) The number of part-time employees receiving health insurance benefits from the employer.
  (j) The source of health insurance benefits for those eligible part-time employees not receiving health insurance benefits through an employer subject to reporting under this subdivision.

AMENDED ANALYSIS

This bill requires employers with 500 or more employees to report to the commissioner of the department of employment security on the percentage of payroll which is being spent on health insurance premiums for employees. The bill grants rulemaking authority to the commissioner of the department of employment security for the purposes of the bill.

Rep. Walz spoke in favor.
Rep. Infantine spoke against and yielded to questions.

On a division vote, 136 members having voted in the affirmative and 179 in the negative, the majority committee amendment failed.

The question now being adoption of the motion of Ought To Pass.

LAID ON TABLE

Rep. Soltani moved that HB 1703-FN, requiring certain employers to report on the percentage of payroll which is being spent on health insurance premiums for employees, be laid on the table. On a division vote, 179 members having voted in the affirmative, and 146 members in the negative, HB 1703 was laid on the table.

REGULAR CALENDAR - PART I (CONT’D.)

HB 1102, allowing municipalities to adopt a property tax credit for homeowners supporting a disabled adult child in the home. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Laurie J. Boyce for the Majority of Municipal and County Government: The committee has heard testimony about needs that a family faces when a disabled adult child lives at home. The majority of the committee is sympathetic to those needs but also has a longstanding policy to find balance for our local municipalities. The federal Government offers the Medicaid program to help fund the needs of a disabled adult child. An individual who is on Medicaid and whose developmentally disabled services are being funded through Medicaid is also able to access other services offered through the New Hampshire State Medicaid plan, such as physicians and nursing services, prescription drug costs, rehabilitative and optometrist services and emergency hospital services, if needed. These acute care services may be used to complement the long-term care services that the individual receives from the developmentally disabled service system. The local selectmen are able to abate taxes for “just cause” by a majority vote of the board. The sponsor of the bill requested that a credit be given to the homeowners that support a disabled adult child in the home. The definition of a “disabled adult child” was not included in the bill, which even the sponsor acknowledged needs to be defined. Since there is already funding available and since the committee does not have adequate time to “fix” this bill because of its workload, the committee felt that this issue can be introduced when the sponsors address the concerns raised. Vote 12-6.

Rep. Stephen G. Pritchard for the Minority of Municipal and County Government: This bill will allow, not require, a municipality to give property tax credit to a homeowner who supports a se-
While they may receive some medical and financial help for wheelchair accessibility or special vans, the overall emotional and financial burdens can be almost unbearable. We give tax credits to veterans and the elderly and rightly so. If those parents were not providing this immeasurable humanitarian service, the state or county nursing home would have to provide it at costs up to $150,000 a year. While this act, if adopted by a municipality, would ask other homeowners to share in the care of the disabled it would actually translate into pennies per household to fulfill what is in fact a moral imperative to care for our neighbors who very much need our help.

On a division vote, 203 members having voted in the affirmative and 120 in the negative, the majority committee report was adopted.

Reps. Itse and Carson declared a conflict of interest and did not participate.  

**HB 1632**, relative to qualifications for the elderly property tax exemption. **INEXPEDIENT TO LEGISLATE.**

Rep. Paul R. Hopfgarten for Municipal and County Government: This bill looks to raise the minimum income, asset and exemption levels for elderly exemptions that a municipality may enact. Currently, the vast majority of towns and cities in the state already have income asset and exemption levels above the existing minimums and communities that wish to raise their minimum levels may do so by a majority vote of the legislative body. What this bill addresses is already available through local means and changing the minimums would in fact reduce local control. Vote 14-4.

Committee report adopted.

**HB 1698-FN-A-L**, relative to determination of town’s share on county taxes. **INEXPEDIENT TO LEGISLATE.**

Rep. Nancy K. Johnson for Municipal and County Government: This bill provides a new formula for apportioning the county tax obligation among the towns and cities in each county. Currently, the county tax is apportioned based on the equalized valuation of each municipality within the county. The new formula would make reductions to the apportionment based on population and general municipal government taxes. The amount of these reductions would not be included in the county tax warrant to the towns, but would be made up by payments from state funds. The bill would reduce the amount of county tax apportioned to some municipalities by an indeterminate amount depending on the amount of the municipality’s county tax share according to equalized valuation, the municipality’s population, and the size of the municipality’s general government taxes. The majority of the committee understands that this change in formula will create a situation that will not only be challenged legally, but potentially create greater inequities between towns and cities in a county. Vote 12-4.

Committee report adopted.

**HB 1734-FN-A-L**, establishing a homestead exemption for seniors against the statewide enhanced education tax and a tax cap credit for seniors against local and state property taxes. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Eric G. Stohl for the Majority of Municipal and County Government: This bill establishes a homestead exemption for persons 65 years of age and older against the statewide enhanced education tax and a tax cap credit for persons 65 years of age and older against local and state property taxes. The intention of the sponsor is an honorable one, in the fact that, citizens of this state that have reached age 65 should have assistance with their property taxes. This bill addresses an exemption of $100,000 of assessed value of a person’s residence against the statewide education tax and a tax cap credit which is greater than five percent of the statewide and local property taxes owed by the owner against local and state property taxes. This bill is not means tested, so someone with great wealth would also be able to receive these benefits. Municipalities now have the ability to exempt property taxes for persons that are blind and disabled. The Department of Revenue Administration states that New Hampshire has 101,849 households with a person 65 years of age or older residing in it. The total assessed value that would be reduced as a result of this bill would be $587,408,732 resulting in a tax shift of approximately $14,119,392. The committee feels these two additional property tax exemptions that add to the cost shifting that takes place as a result of any exemption would not be in the best interests of the state as a whole. Vote 14-5.
Rep. Nancy K. Johnson for the Minority of Municipal and County Government: The minority recognizes that there are some minor flaws with the bill. The inherent inequity of the property tax is what requires many seniors living on a fixed income to decide between paying their property taxes and buying groceries and medications. With the increasing burden of oil and gas prices, the minority believes that, at some point many seniors will lose the homes they have spent their lives paying for.

Rep. Espiefs spoke against and yielded to questions.
Rep. Stohl spoke in favor.
Rep. Espiefs requested a roll call; sufficiently seconded.

HB 1737-FN-A, establishing a beverage fee to be paid by beverage manufacturers and distributors.

MAJORITY: REFER FOR INTERIM STUDY. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Marcia G. Moody for the Majority of Resources, Recreation and Development: The majority opinion is to create an interim study on this bill which establishes a fee to be paid by beverage manufacturers and distributors on beverages sold for resale in this state. The committee felt that new sources of revenue are urgently needed to support much needed programs rather than relying on revenues taken from the general fund. Before debate continues, the committee feels that elements contained in this bill need to be clarified by further study. Programs that need funding contained in this bill include LCHIP, dam maintenance, SAFE Drinking Water, Water Resources and Water Supply Protection Programs as well as River Management and Protection. Further study will provide additional material that would allow the committee to make an informed decision. Vote 12-5.

Rep. John M. Gibson for the Minority of Resources, Recreation and Development: The minority of the committee believe that placing a new tax on soda and bottled water products is unfair and further erodes the New Hampshire tax advantage. This legislation will not address funding of the priorities that the committee has identified like dam maintenance, in-stream flow studies, water uses registration, LCHIP, state water resource mapping and water conservation in this fiscal year. The vast majority of the millions of new revenue dollars raised by this new tax will go to programs not related to protecting water resources and the minority believes that those issues relating to our water resources should be addressed in the budget process which is slated to begin in January of 2007.

Rep. Gibson spoke against and yielded to questions.

Rep. Richard Cooney requested a roll call; sufficiently seconded.

and the majority committee report failed.
Motion adopted.
Rep. Soltani declared a conflict of interest and did not participate.

HB 1470, relative to overweight vehicle permit fees. OUGHT TO PASS WITH AMENDMENT.
Rep. James W. Danforth for Transportation: This bill will update the overweight vehicle permit fees. These fees were last addressed in 1982. This small increase will bring us up to date to cover the administrative costs for issuing these permits. Vote 14-0.

Amendment (0790h)
Amend the bill by replacing section 1 with the following:

I. Each permit for either over-length, over-width or over-height or any combination thereof, $\{5\} 9$

II. Each permit for vehicle and load over-weight, fee based on the following schedule: vehicle and load over registered weight but not exceeding 50,000 pounds, $\{5\} 7$; 50,001 pounds to 60,000 pounds, $\{6\} 8$; 60,001 pounds to 70,000 pounds, $\{7\} 9$; 70,001 pounds to 80,000 pounds, $\{8\} 10$; 80,001 pounds to 90,000 pounds, $\{9\} 11$; 90,001 pounds to 100,000 pounds, $\{49\} 12$; and for each additional 10,000 pounds $2$ shall be added to the above rate;

III. Provided a special permit may be issued to a person to cover all types of moves made within a radius of 100 miles from the person’s home location for a fee of $\{50\} 75$ for each unit. Permits issued under the provisions of this paragraph may be issued for such time as the commissioner of transportation may determine.

IV. Provided further that a special annual permit may be issued to a person to cover all types of moves for a fee of $\{499\} 150$ for each unit. Each permit issued under the provisions of this paragraph shall be issued for one year;

AMENDED ANALYSIS

This bill changes the special permit fee amounts.
Amendment adopted.
Committee report adopted.

HB 1705-FN, relative to limited driving privileges for certain persons whose licenses have been revoked or suspended. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Brenda L. Ferland for the Majority of Transportation: This bill would have allowed limited driving privileges to persons who have lost their license for drunk driving. The majority of the committee feels there is no way to regulate that the violator, if given the privilege to drive to and from work, would adhere to those stipulations. The committee felt that if a license is that, then offenders should think before they drink and drive. Vote 9-4.

Rep. Jennifer M. Brown for the Minority of Transportation: This bill would allow someone who has lost their license the ability to keep their job or go to rehab. Someone who has lost their license for the first time should not also have to lose their job for not being able to get there. This bill includes circumstances under which this limited privilege would not be offered.

Majority committee report adopted.

(Deputy Speaker Weyler in the Chair)

HB 1457-FN-A-L, establishing an electricity transmission utility property tax. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: REFER FOR INTERIM STUDY.

Rep. John H. Thomas for the Majority of Ways and Means: Portions of the revenues raised would be dedicated to certain funds. The bill has far reaching repercussions on a regional (New England) basis, such as law suits from other states and uncertainties in the allowance policies of three regulatory organizations, FERC, Federal Energy Regulatory Commission; ISO-NE, Independent Sys-
In addition, there were also many policy issues unanswered, because in the past these issues have gone to the Science, Technology and Energy Committee. Vote 12-8.

Rep. John M. Pratt for the Minority of Ways and Means: The House should understand that killing this bill takes $10 million of new funds, mostly coming from out of state sources, entirely off the table. A far wiser course, we suggest, would be to send this bill to Interim Study where a joint committee of members both from Science and Technology and from Ways and Means could examine carefully the scientific and fiscal implications of this highly innovative approach to taxing high voltage transmission lines, lines which supply electricity primarily to the lower New England states. Such a committee’s work would be invaluable to the next House when it again takes this measure up.

Reps. Pratt and Kurk spoke against.
Reps. Parker and Thomas spoke in favor.
Rep. Mirski requested a roll call; sufficiently seconded.

(Speaker Scamman in the Chair)

HB 1651-FN-A-L, repealing the statewide enhanced education tax. MAJORITY: INEXPEDITIVE TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.

Rep. John M. Pratt for the Majority of Ways and Means: The majority believes that the statewide enhanced education tax is the vehicle the legislature has enacted over the past decade to meet the constitutional requirements imposed by the Supreme Court in the Claremont case. In any discussion of elimination, the statewide enhanced education tax should be thoroughly studied because this tax plays an important role in the calculation of grants to New Hampshire communities. The state funds a low and moderate income property tax relief program, which would be eliminated under this legislation. This program currently makes $5,000,000 available annually to those taxpayers statewide. HB 100, which passed the House on January 4, 2006, was a technical correction that eliminated all donor communities. Abolishing the statewide enhanced education tax at this time could expose the legislature to the possible charge of defiance or disregard of the court’s ruling. It would also alter the funding formula, thereby creating uncertainty within the communities and take away a relief program from our most vulnerable citizens. Vote 16-4.

Rep. Jim Ryan for the Minority of Ways and Means: This bill repeals the statewide enhanced education tax, without making any changes in the way the state distributes grants to local school districts in support of public education; nor does the bill affect the state’s case in the latest challenge to the education funding law that is pending before the Supreme Court. The minority amendment makes a minor change to the bill, to ensure that the calculation of the grants remains consistent with the intent of the current law. With the elimination of donor towns last session, the statewide property tax is merely window dressing and serves no legitimate function other than to artificially inflate the state’s overall commitment to funding an adequate education. Of the $836 million in state aid for public education in FY 2006, only $473 million is actual state revenue that is deposited in the treasury and distributed in the forms of grants to local school districts. The remainder, $363 million raised by the enhanced education tax, is a state tax and is raised locally and spent locally. This bill puts an end to the sham, and sends an honest message to the taxpayers about New Hampshire’s real commitment to public education.

Rep. Mirski spoke against.

Majority committee report adopted.
BILL REMOVED FROM CONSENT CALENDAR

HB 1624-FN, relative to boat noise. OUGHT TO PASS WITH AMENDMENT.
Rep. Stephen H. Nedeeau for Transportation: Currently the method used for testing boat noise is at 50 feet. This is very impractical and difficult to enforce. The bill would allow a second testing procedure SAEJ2005. This test would be performed at four feet, not 50 feet, from the rear of the boat making it more practical to enforce the boat noise statute. The bill also increases the fines. Vote 13-0.

Amendment (0351h)
Amend the bill by replacing section 5 with the following:
5 Effective Date. This act shall take effect upon its passage.
Amendment adopted.

The question now being adoption of the committee report.
Rep. Claudia Chase spoke in favor.
Committee report adopted.
Referred to the committee on Criminal Justice and Public Safety.

REGULAR CALENDAR
SPECIAL ORDERS

HB 1557, establishing guidelines for leaving children home alone and establishing babysitter age guidelines. INEXPEDIENT TO LEGISLATE.
Rep. Karen K. McRae for Children and Family Law: The committee was sympathetic to the problem presented but felt that the enforcement was difficult, if not impossible. Vote 12-1.
Rep. Lars Christiansen spoke against.
Committee report adopted.

HB 1125, relative to the filing period for candidates in the presidential primary. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.
Rep. James R. Splaine for the Majority of Election Law: This legislation permits the secretary of state to change the filing period for candidates running in the New Hampshire presidential primary at a time that he decides is necessary to ensure our lead-off status. Current law requires the secretary of state to accept fillings during a period of the first Monday in November through the third Friday in November. To provide more flexibility to the secretary of state in administering our First In the Nation Presidential Primary Law, this bill allows that filing period to be moved earlier, or later, as he may decide is necessary to respond to any threat to our lead-off status from other states or by any of the national political parties. The amendment clarifies the language of the statute. It is the belief of the committee that passage of this legislation will greatly enhance our protection of the importance, relevance, and “first” status which New Hampshire has had since 1916 in the national presidential selection process. With approval of this bill, all states and the national political parties should be put on notice that New Hampshire will do what is necessary to preserve our tradition. The governor and the secretary of state also strongly endorse this legislation. Vote 15-2.
Rep. William L. O'Brien for the Minority of Election Law: This bill seeks to address a situation created by a national democrat commission having voted to do away with New Hampshire’s first in the nation primary status. During committee hearings and work sessions on this bill, the sponsor and democratic leadership were asked if they were confident that this bill will solve the problems and if the impression on when presidential candidates are to file would not be cited by democrat presidential candidates as being so arbitrary and capricious that they could award New Hampshire presidential primary. The response we received was that they are confident that the legislation “does a job” and “sends a message,” but they did not say either that the legislation would solve the problem created by the democrat commission or the legislation would not be used by democrat candidates for not participating in New Hampshire’s presidential primary. Before we change New Hampshire laws to accommodate national party assaults on New Hampshire’s presidential primary, we ought to be assured that the change will defend the state against the assault and not be used against the state.
Majority Amendment (0445h)
Amend the bill by replacing section 1 with the following:
1 Presidential Nominations; Declaration of Candidacy; Filing Period. Amend RSA 655:47, II to read as follows:
II. Declarations of candidacy shall be filed between the first Monday in November and the third Friday in November, or during such other time period as the secretary of state shall announce.

AMENDED ANALYSIS
This bill permits the secretary of state to change the filing period for candidates at the presidential primary.
Rep. Splaine spoke in favor.
Majority committee amendment adopted.
Majority committee report adopted and ordered to third reading.

HB 1222-FN, relative to unlawful voting. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.
Rep. Robert W. Forsing for the Majority of Election Law: This bill makes it a Class B felony to vote in more than one state in the same election. This bill clarifies existing law that now prohibits an individual from voting more than once for any office or measure in the same election. As a practical matter, the bill allows the marking of a checklist by an election official, for a voter, to be sufficient evidence that a voter voted in that election, although it does not shift the burden of proof from the state in any criminal prosecution. The attorney general's office spoke in favor of the bill at the public hearing. Vote 11-6.
Rep. Charles F. Weed for the Minority of Election Law: We believe that existing law already forbids voters casting ballots in the same election in different states. We support underlining our commitment to the integrity of New Hampshire elections, if that is the intent of the sponsor. But we feel it goes too far when it uses the term prima facie evidence as defined, "sufficient to establish a fact or raise a presumption unless disproved or rebutted." We believe this may, in some jurisdictions, shift the burden to prove innocence to the accused. The burden of proof of guilt beyond a reasonable doubt must remain unequivocally with the state.
Rep. Vaillancourt offered floor amendment (0956h).

Floor Amendment (0956h)
Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:
2 Wrongful Voting: Penalties for Voter Fraud. Amend RSA 659:34, II to read as follows:
II. A person is guilty of a class B felony if, at any election, such person purposefully or knowingly commits an act specified in subparagraph 1(b). A person is guilty of a class A misdemeanor if, at any election, such person purposefully or knowingly commits any of the other acts listed in paragraph 1.
Reps. Vaillancourt and Whalley spoke in favor.
Floor amendment (0956h) adopted.
The question now being adoption of the committee report as amended.
Rep. Weed spoke against and yielded to questions.
Committee report as amended adopted and ordered to third reading.

HB 1286, authorizing the secretary of state to initiate recounts. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.
Rep. Ralph G. Boehm for the Majority of Election Law: This bill would authorize the secretary of state to initiate a recount and conduct random audit recounts. The current recount procedure works well. This bill will cause confusion as to the outcome of some elections and may cause a lack of finality in declaring election results. Vote 11-5.
Rep. James R. Splaine for the Minority of Election Law: This bill would authorize the secretary of state to initiate a recount when there is evidence that the election night count may be inaccurate. It also authorizes the secretary of state to conduct random audit recounts. The
minority believes the integrity and creditably of the election process is enhanced when there is assurance that all ballots are counted accurately. While 50% of the democratic process of voting is to ensure that all qualified voters can vote, 50% of the process is to guarantee the ballots are accurately counted.

Rep. Splaine spoke against.

Majority committee report adopted.

CACR 31, relating to the attorney general. Providing that the attorney general be elected for the same term as the governor. INEXPEDIENT TO LEGISLATE.

Rep. Nelson S. Allan for Executive Departments and Administration: This constitutional amendment concurrent resolution removes the attorney general from the list of state officers nominated and appointed by the governor and council. It provides for the attorney general to be elected for the same term and in the same manner as the governor. This bill would inject the attorney general into the biennial political election process similar to the governor and with its attendant distractions and expense. An already weak executive branch would be further weakened with this resolution and politicize the attorney general's office. The current attorney general and a long line of attorneys general have opposed this change. In the traditional New Hampshire way, "if it ain't broke, don't fix it" was the decision at the committee executive session. Vote 17-0.

Reps. DiFruscia and Soltani spoke against.

Rep. John Flanders moved the previous question.

Adopted.

Rep. Soltani requested a roll call; sufficiently seconded.

Pratt, John
Rep. Major moved that the referral to the committee on Ways and Means of HB 1679-FN-L, relative to the taxation of nongovernmental uses of university system property, be withdrawn. Adopted.
Ordered to third reading.

HB 1183, relative to the terms of office for state department commissioners. INEXPEDIENT TO LEGISLATE.
Rep. Anne-Marie Irwin for Executive Departments and Administration: This bill sought to establish two-year terms for all department commissioners and the executive director of fish and game department. While the committee appreciated the sponsor’s intention to make terms uniform, it does not seem prudent for every commissioner's term to begin and end simultaneously every two years. Vote 15-1.
Rep. Kennedy spoke against and yielded to questions.
On a division vote, 228 members having voted in the affirmative and 60 in the negative, the committee report was adopted.

and the committee report was adopted.
HB 1456-FN, relative to licensure of septic system inspectors. **INEXPEDIENT TO LEGISLATE.**
Rep. James B. Coburn for Executive Departments and Administration: This bill would require that septic system inspectors obtain a license from the Department of Environmental Services. The committee felt that the proposed legislation dealt more with consumer protection than public safety. There appeared to be only one organization in the state dealing with standards for this profession. There didn’t seem to be much, if any, consumer abuse that licensing would cure. The committee saw no significant public benefit to the proposed licensing. Vote 14-0.
Rep. Dalrymple moved Recommit to committee and spoke in favor.
Motion adopted.
Recommitted to the committee on Executive Departments and Administration.

HB 1108, relative to the transfer of funds among PAU’s within a department. **OUGHT TO PASS.**
Rep. Elizabeth S. Hager for Finance: This bill is a small step in removing the legislature from micro-management of state agencies. It allows transfer of up to $2,500 among PAUs in a given budget without Fiscal Committee approval. It will save money in both time and paperwork. Vote 22-0.
Committee report adopted and ordered to third reading.

HB 1370, transferring certain surplus moneys to the revenue stabilization reserve account. **MAJORITY: OUGHT TO PASS. MINORITY: OUGHT TO PASS WITH AMENDMENT.**
Rep. Elizabeth S. Hager for the Majority of Finance: This important bill places last year’s state surplus into the revenue stabilization reserve account (rainy day fund). The majority of the committee agreed with the sponsor, the state treasurer and the governor that it should be a legislative priority to start bringing the rainy day fund up to an agreed to, basic level of 5% of general fund revenues. In addition, the majority believes if there is a need for any funding this year, current revenues are potentially available. Vote 13-9.
Rep. Marjorie K. Smith for the Minority of Finance: The unofficial FY 2005 surplus exceeds $80 million of money already in hand. So far this year we have had two emergencies – fuel assistance and prescriptions for seniors, which we addressed. Other emergencies are out there, some of which we already know about including the state response to the floods in the south-west portion of the state. The minority would like to reserve $10 million of the 2005 surplus to address crises. If the money is not spent by the end of the year it could then go into the rainy day account. While FY 2006 figures currently indicate a $43 million surplus, we cannot now be sure what the final 2006 surplus will be. The minority amendment reserves $10 million of the existing $80 million surplus as a responsible way to provide for emergencies while honoring our fiduciary responsibility.
Rep. Marjorie Smith offered minority committee amendment (0393h).

Minority Amendment (0393h)
Amend the bill by replacing section 1 with the following:

1 Transfer of Surplus to Revenue Stabilization Reserve Account. Notwithstanding the provisions of 2005, 177:53, any undesignated, general fund surplus for the fiscal year ending June 30, 2005, in excess of $40,500,000 shall be transferred to the revenue stabilization reserve account, under RSA 9:13-e.

Rep. Major spoke against.
Minority committee amendment (0393h) failed.
Majority committee report adopted and ordered to third reading.

HB 1678-FN-A, relative to state reimbursement of public safety expenditures made by the town of Plymouth on behalf of Plymouth state university. **INEXPEDIENT TO LEGISLATE.**
Rep. Daniel M. Hughes for Finance: The committee felt that the relationship between the state university system and the Town of Plymouth is a local, non-legislative issue. Although the committee is sympathetic to Plymouth, the town currently has a contract with the university system to provide a payment in lieu of taxes that expires in 2010. When unusual events occur that strain the local public safety budget, we would expect the university system to continue to work in good faith to resolve the problem in an equitable manner. Vote 19-1.
Committee report adopted.

HB 1716-FN, relative to state reimbursement for public safety expenditures made by towns on behalf of public higher education residence halls. **INEXPEDIENT TO LEGISLATE.**
Rep. Kenneth L. Weyler for Finance: In an annual budget of 4.5 billion dollars, New Hampshire distributes over one billion to cities and towns under 28 different funds. This bill would propose an additional state distribution of funds to pay for public safety in a municipality that hosts a part
of the university system or a community technical college. Elements of public safety are already paid for by the state as represented by the state police and also its detective bureau. County sheriffs also back up local police when called. A major portion of public safety is supported by property taxes. Studies in the past have shown that host communities of these schools have a more favorable tax structure as to the ratio of businesses to residences. The student spending supports many of these businesses. In almost all cases, the communities involved lobbied to have these schools located there. Although some in the community may judge what was once an advantage has now become a disadvantage, the point would be difficult to prove if all statistics were fairly compared. Isolating one community expense and attributing it to the state was not judged to be a fair charge. Vote 19-1. Committee report adopted.

**HB 1724-FN**, relative to compensation and benefits for reserve and national guard members who are state employees. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Robert L. Wheeler for Finance: The committee felt that the objective of paying the differential to reserve and national guard people called to active duty from their regular job was important and the amendment helps clarify that objective. In addition, we changed lines 16-18 (Section IV(a) (3)) to a reference to RSA-100 to continue what is done now at NHRS and eliminated section IV-2, III lines 25-27 dealing with workers compensation as unnecessary. Vote 16-7.

**Amendment (0378h)**

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; State Employee Called to Active Duty; Pay and Benefits. Amend RSA 110B:37 by inserting after paragraph III the following new paragraph:

IV.(a) In addition to the pay authorized under paragraphs I and III of this section, any state employee who is a member of a reserve or the national guard and who is called to full-time active duty by the President of the United States, under the authority of the governor, or under the authority of another governor who participates in the Emergency Management Assistance Compact, shall, for the duration of such full-time active duty, be entitled to special leave with partial pay and continuation of benefits as follows:

(1) Partial pay shall be the difference between the employee’s regular state compensation and the employee’s full-time military basic pay, if the full-time military basic pay is less than the regular state pay.

(2) Continuation of health and dental insurance benefits for which the employee and/or the employee’s legal dependents are otherwise eligible but for the employee’s special leave; provided, however, that in the event of a deployment for which federal health and dental benefits are provided, the federal health and dental benefits shall be primary for the employee.

(3) Retirement benefits shall continue to be paid in accordance with RSA 100-A. (b) The adjutant general shall, on a monthly basis, provide the department of administrative services with a list of all members of the national guard affected under subparagraph (a) and their respective military salaries, and other reserve units are encouraged voluntarily to provide the same information.

2 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Committee report adopted and ordered to third reading.

Rep. Coughlin declared a conflict of interest and did not participate.

**SPECIAL ORDER**

Rep. O’Neil moved that **HB 1269**, relative to the taking of red deer or elk, be made a Special Order for Wednesday, February 22, 2006 at its regular place in the calendar and spoke in favor. Motion adopted.

**REGULAR CALENDAR**

**SPECIAL ORDERS (CONT’D.)**

**HB 1294**, relative to antique snowmobiles. **OUGHT TO PASS WITH AMENDMENT.**

Rep. John F. Klose for Fish and Game: This bill clarifies the definition of an antique snowmobile. To qualify for this distinction, a snowmobile must meet one of the following criteria: be manufactured prior to 1969; be 25 years old or more; or be a Model T Ford manufactured prior to 1940 which was converted to travel over snow. Vote 9-1.
Amend the bill by replacing all after the enacting clause with the following:

1 Snowmobiles; Definition of Antique Snowmobile. RSA 215-C:1, II is repealed and reenacted to read as follows:

II. "Antique snowmobile" means a snowmobile owned by a resident of this state which is any of the following:

(a) A snowmobile manufactured prior to the year 1969; or
(b) A snowmobile 25 or more years old; or
(c) A Model T Ford converted to travel over snow, manufactured prior to 1940.

2 Effective Date. This act shall take effect July 1, 2006.

Committee amendment adopted.
Committee report adopted and ordered to third reading.

HB 1160, establishing a committee to study the effects of willful, habitual misconduct by individuals on their subsequent well-being which may impose a burden on public funds. INEXPEDITED TO LEGISLATE.

Rep. Charles E. McMahon for Health, Human Services and Elderly Affairs: The bill proposed to study habitual misconduct by individuals, the subsequent effects on their well being, and the resulting costs on New Hampshire taxpayers, to provide programs to solve the problems caused by this conduct. The bill provided for sanctions to motivate good behavior. These included denial of state assistance, the limitation of or curtailment of services up to and including restitution. The committee believed this to be impractical in application. However, the committee found agreement in the sponsor’s intent which is to promote personal responsibility and consequences for bad behavior. To that end, it was suggested that the sponsor’s ideas would best be handled within existing committees. Those would include the Governor’s Commission on Alcohol & Drug Abuse Prevention, Intervention Aid Treatment as well as the Wellness and Primary Prevention Council. Based on these facts the committee voted to recommend ITL. Vote 15-0.

Committee report adopted.

HB 1230-FN, relative to clinical trials for pharmaceuticals. INEXPEDITED TO LEGISLATE.

Rep. Joseph M. Miller for Health, Human Services and Elderly Affairs: This bill focused on the possibility that publicizing the results of clinical drug trials would help the consumer become better aware of the adverse effects of prescription drugs. In actuality, clinical drug trials authorized by the FDA or the National Institute of Health are quite purposely performed before the approval of a drug’s use by the public, and hence the public has no need to know of such side effects. When side effects do exist in the use of prescription drugs, adverse effects are usually advised by the prescribing physician or can be easily found in the Physician’s Desk Reference (PDR), a volume available in all public libraries. To delve into the dangers of drugs which never become FDA approved would serve no use to the public. Vote 14-0.

Rep. Matarazzo spoke against and yielded to questions.
Rep. Miller spoke in favor and yielded to questions.
Committee report adopted.

HB 1318, relative to prohibiting services for illegal immigrants. INEXPEDITED TO LEGISLATE.

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee was unanimous that there is a serious problem in this country regarding illegal immigrants. Primarily this is a federal responsibility under the Immigration and Naturalization Service. It is a matter of frustration in New Hampshire and elsewhere regarding the lack of enforcement. However, the committee does not agree that denying services or assistance to illegal aliens from the Department of Health and Human Services is an answer to the problem. Some services are required by federal law and regulation. The serious issues, for example, confronting the state regarding the treatment of infectious diseases is an example of the difficulty of denying services. The implication of individuals with tuberculosis who are denied treatment and instead spread the disease is frightening. Doctors and other health care providers would be required to break their confidentiality requirement. DCYF could not protect children in need. At present, the percentage of money spent by DHHS on illegal aliens is negligible. There are many who are without documents who are not illegal aliens. In testimony, it was heard that at least 1/3 of
homeless individuals have no proof of citizenship even though most are citizens. For this and other reasons, the committee cannot support this denial of health and human services as written in this bill. The committee has agreed to put this entire matter into further study in a similar bill (HB 1563). We will take up this matter and include more data and study. Because of federal guidelines we need to insure our actions regarding this matter be addressed in a responsible manner. Vote 15-0.

Committee report adopted.

HB 1409-FN, relative to organ and tissue donation. OUGHT TO PASS WITH AMENDMENT.
Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This bill amends the existing statute to establish a donor registry for anatomical gifts and allows that an organ procurement organization has access to such information. Testimony on this bill emphasized the importance of a central registry that can provide immediate information on a specific individual’s decision as to their decision about anatomical gifts. Speed is critical to utilizing all organ donations. Under emergency conditions, the individual may not be capable of communicating his previously made decision to donate. This bill creates a donor registry agency that fills this existing critical gap in lack of access to decisions under emergency conditions. There is an existing agency that is accredited for that purpose and already is providing services in New England. This agency, the New England Organ Bank, is the federally designated agency for these purposes. Questions as to confidentiality regarding the identity of donors were raised. The agency operates under HIPPA regulation which requires a very high level of confidentiality. There is no cost to the state of New Hampshire. All costs involved in these transactions are covered by the recipient of the organ donation. The only donor information provided to the Donor Registry for Anatomical Gifts will be the donor name, date of birth, and date of registration as a donor. All of that data is protected by HIPPA regulations. Children under the age of eighteen cannot make a designation. Nationally, over 25 states have adopted this type of legislation. Once a donor has made a designation, it cannot be changed by anyone except the donor. Vote 16-0.

Amendment (0461h)
Amend RSA 263:41, I as inserted by section 4 of the bill by replacing it with the following:

I. The director shall provide to federally-designated organ procurement organizations serving the state access to names, dates of birth, and date of registration of licensed drivers and individuals who obtain a nondriver’s picture identification card who have registered with the division of motor vehicles as organ and tissue donors for the purpose of identifying those individuals as organ and tissue donors. Such access shall be provided in a manner and form to be determined by the director following consultation with such organizations, and shall include electronic transmission of initial information and periodic updating of information.

Amendment failed.
Rep. Kurk offered floor amendment (0695h).

Floor Amendment (0695h)
Amend RSA 263:41, I as inserted by section 4 of the bill by replacing it with the following:

I. The director shall provide to federally-designated organ procurement organizations serving the state access to names, dates of birth, and date of registration of licensed drivers and individuals who obtain a nondriver’s picture identification card who have registered with the division of motor vehicles as organ and tissue donors for the purpose of identifying those individuals as organ and tissue donors. Such access shall be provided only with the prior written consent of the donor and shall be provided in a manner and form to be determined by the director following consultation with such organizations, and shall include electronic transmission of initial information and periodic updating of information.

Floor amendment (0695h) adopted.
Committee report as amended adopted and ordered to third reading.

HB 1654, relative to the probate court mediation fund and fee. OUGHT TO PASS.
Rep. Frances D. Potter for Judiciary: The probate court mediation program has been extremely successful, with 70% of the mediated cases settled, thus avoiding trial, and its attendant expense and emotional turmoil. Though not all parties choose to avail themselves of mediation, those that
did seem to be satisfied with the process. We must do all we can to encourage inexpensive alternatives to resolve legal disputes. The Probate Court mediator program does just this and therefore the committee believes the mediation fund should not be allowed to sunset. Vote 12-6.

Committee report adopted and ordered to third reading.

**HB 1255**, establishing a committee to study improvements to the Amoskeag Street interchange at exit 6 of the F.E. Everett Turnpike. **INEXPEDIENT TO LEGISLATE.**

Rep. Bernard L. Benn for Public Works and Highways: The committee heard testimony describing the traffic and safety problems associated with Exit 6 of the Everett Turnpike and the Amoskeag interchange. While the testimony was compelling, it was noted by the committee that this project has never been presented by the City of Manchester, or the Regional Planning Commission to be included in the 10-Year Highway Plan through the GACIT process. If the City of Manchester wants this exit studied, it should submit a request to D. O. T. to have it studied in relation to Exit 5 (currently under construction) and Exit 7 which is in the 10-Year Plan. In general, the committee encourages following the normal process to be considered for the 10-Year Highway Transportation Plan and does not favor legislative “specials.” The sponsors and proponents are welcome to attend the committee’s hearings on the 10-Year Highway Plan which would be a more appropriate venue to consider this legislation. Vote 14-0. Committee report adopted.

**HB 1401**, exempting certain all terrain vehicle (ATV) and trail bike trail criteria from the change in use designation of rail trails. **INEXPEDIENT TO LEGISLATE.**

Rep. Christopher R. Irish for Resources, Recreation and Development: The use of ATVs as a recreation activity is increasing rapidly on both public and private lands. The need for trail development on state lands is both necessary and required by statute. The committee received testimony from the Trails Bureau that this bill would all but eliminate the possibility of the change in use designation of rail trails to include any new rail trails for ATV or trail bike use. Individually, the criteria included in RSA 215-A:43 could be applied to the change in use designation of rail trails. However when considered as a whole, it would almost be impossible for any specific section of rail trail to meet the requirements and thus ATVs and trail bikes would be prohibited. It was also stated that there could be conflicts with federal law due to possible use of federal funds for rail trail acquisition. Concern was also raised that this is targeted legislation as other motorized vehicles were not considered, such as snowmobiles. In order to change a use designation, the municipality must request it, and an environmental impact statement from the federal government must be considered. Therefore the committee felt that sufficient safeguards are already in place. Vote 12-7.

On a division vote, 190 members having voted in the affirmative and 89 in the negative, the committee report was adopted.

**CACR 38**, relating to funding for education. Providing that revenue from lotteries and games of change may only be used for educational purposes. **INEXPEDIENT TO LEGISLATE.**

Rep. Jim Ryan for Ways and Means: This bill seeks to amend Article 6-b of the Constitution of the State of New Hampshire by the insertion of four words, “and games of chance.” Article 6-b is the provision of the constitution that requires that all monies and interest gained by lottery sales be appropriated exclusively for education. The sponsors indicate that inclusion of the four words will make certain that, should the General Court ever approve a state sanctioned system of gaming, the state’s share of such revenue by way of tax would be dedicated to education. The proponents of the measure were less than clear in establishing the need for a constitutional amendment. One theory was that such an amendment would have the effect of a statewide referendum on gambling, while another theory advanced that enactment would increase the comfort level of legislators struggling with the reality of revenue needs against the perceived societal costs of legalized gaming. The committee is of the belief that an amendment to the constitution might be considered in the future, but only after the policy questions regarding gaming are resolved by legislative action, not the reverse situation as proposed by this bill. Absent a policy directive from the legislature and the public, there is no need to tinker with the New Hampshire Constitution. Accordingly, the committee recommends that this bill be voted inexpedient to legislate. Vote 17-1.

Committee report adopted.

**HB 1473-FN-A**, temporarily reducing the road toll. **INEXPEDIENT TO LEGISLATE.**

Rep. Steve Vaillancourt for Ways and Means: “Road toll” as referenced in this legislation is more commonly known as the gasoline tax. It should not be confused with the tolls paid at booths on
interstate highways. New Hampshire’s “road toll” or gasoline tax is currently 18 cents per gallon. This bill would cut that amount in half for a nine month period from April 1 through December 31, 2006. State highway revenue would decrease by $19,350,000 this fiscal year and $38,700,000 next year. Local revenues would also be decreased, by $2,322,000 and $4,644,000 for the two fiscal years. While the committee sympathizes with the sponsor’s desire to lower gasoline prices for consumers, the state simply cannot afford this loss of revenue if we are to maintain our roads. In fact, there is evidence that we need to spend more for highway maintenance and construction. We hear, for example, that the ten year highway plan is in reality a 14 or 16 year plan since that is how long it will take to accomplish the goals with currently projected revenues. While the consumer price index has been increasing at approximately three percent a year, costs of highway construction, including materials such as steel and cement, have far exceeded that. The cost of salt is up 30 percent this year. However, the “road toll” has not been increased since 1991. While some might view this as a tax, it is in the truest sense a user fee. Those who buy gasoline are using state and local highways, and the “road toll” is used to keep the highways in good repair and free of snow and ice in the winter. At the very time this bill was being heard, we were experiencing a winter storm which the Department of Transportation estimated was costing the state $30,000 an hour to deal with. Also, some members of the committee expressed concern that even if the tax were to be cut in half for a nine month period; consumers would not realize significant savings since there is some evidence that oil companies or gas stations would simply raise their price by a commensurate amount. A decrease in the “road toll”, which is already less than in most surrounding states, could have consequences the motoring public would not be willing to accept. Vote 18-0.

Committee report adopted.

HB 1599-FN-A-L, reducing the rate of the business profits tax and repealing the business enterprise tax. INEXPEDIENT TO LEGISLATE.

Rep. Shawn N. Jasper for Ways and Means: This bill would reduce the business profit tax by 2 percent and eliminate the business enterprise tax. This would reduce state revenues by over $143 million per year beginning July 1, 2006. The sponsor believes that this would encourage business growth in the state and force state government to eliminate wasteful spending. Unfortunately, no specific information was provided which would lead the committee to believe that either of these outcomes was likely. While cutting taxes is an admirable goal, New Hampshire is already a low tax state. Legislators who wish to cut spending should craft proposals for savings before they attempt to reduce the revenues which support a budget which has already been signed into law. Vote 17-1.

Rep. Jasper spoke in favor and yielded to questions.

Rep. John Flanders moved the previous question.

Adopted.

HB 254-FN, establishing lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow and bolt licenses. **OUGHT TO PASS WITH AMENDMENT.**

Rep. Kenneth L. Weyler for Finance: Fish and Game Department’s main revenue source is the sale of hunting and fishing licenses. Although 68,000 currently buy annual licenses, there has been a decline in license sales in recent years. This bill proposes three new lifetime licenses in hopes of increasing revenue. The department sells a few thousand lifetime hunting licenses each year. Such basic license would be required in order to add on any of these proposed new lifetime licenses. The bill proposes new lifetime licenses for 1) bow and arrow, 2) muzzleloader, and 3) crossbow. Cost of lifetime licenses vary with applicants’ age. The revenue goes to a pool where annual withdrawals go to the fish and game fund. In the past, increases in annual license fees have convinced some to buy the lifetime license. This proposal anticipates that these new opportunities for lifetime license will better serve hunters and improve the fish and game fund. Vote 14-7.
Amendment (0632h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow licenses.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Fish and Game; Lifetime Licenses for Bow, Muzzleloader, and Crossbow. Amend RSA 214 by inserting after section 9-c the following new section:

214:9-cc Lifetime Licenses for Bow and Arrow, Muzzleloader, and Crossbow.

I. (a) The executive director, at the department of fish and game headquarters only, shall issue lifetime bow and arrow, muzzle loading firearm, and crossbow licenses for each type of game taken similar to that issued on an annual basis under RSA 208:5, RSA 208:5-a, or RSA 208:7a, respectively, to any resident applicant upon payment of the proper fee, which shall be established by the executive director in accordance with the provisions of paragraph II. Lifetime bow and arrow, muzzle loading firearm, and crossbow licenses shall be issued only to residents who would be eligible to purchase annual licenses of the same type.

(b) In addition, the executive director may issue lifetime licenses under this section to any resident under 16 years of age. The parent or legal guardian of the applicant shall be a resident pursuant to RSA 207:1, XXIII. The bow and arrow, muzzle loading firearm, and crossbow licenses shall not be valid until the licensee has met all requirements for the issuance of such license. Upon meeting the requirements of RSA 214:23-a, the licensee shall have the license validated at the fish and game department headquarters only.

II. The executive director shall obtain an actuarial table based on an appropriate annuity from the commissioner of insurance and shall set the fee for the various licenses annually on July 15 of each year for the following year based on the age of the applicant. The fee for any applicant under 16 years of age shall be the same as the fee for a 16-year-old applicant. In addition the applicant shall pay the agent’s fee in accordance with RSA 214:15, I.

III. In no case shall any lifetime license issued be transferable or any portion of the cost of the license refundable.

IV. Notwithstanding any other provision of law, the moneys received from the sale of such lifetime bow and arrow, muzzle loading firearm, and crossbow licenses shall be deposited with the state treasurer who shall keep the same in the prepaid fish and game license fund. The state treasurer shall annually transfer to the fish and game fund from the prepaid fish and game license fund an amount equal to 9 percent of the portion of the principal balance in the fund each year attributed to lifetime bow and arrow, muzzle loading firearm, and crossbow licenses, and any interest that accrues to such portion of the prepaid fish and game license fund in excess of 5 percent.

V. In addition, the state treasurer shall pay the amount of one annual license fee to the fish and game fund from the proceeds of each lifetime bow and arrow, muzzle loading firearm, and crossbow license sold during the current year, the balance going into the prepaid fish and game license fund.

VI. Licenses issued pursuant to this section shall entitle the holder thereof to the same privileges and subject the licensee to the same restrictions as a holder of an annual license.

VII. The executive director shall, if necessary, adopt rules, pursuant to RSA 541-A, relative to the issuance and validation of the lifetime licenses.

2 Prepaid Fish and Game License Fund; Reference Added. Amend RSA 6:12, I(b)(163) to read as follows:

(163) Moneys deposited in the prepaid fish and game license fund under RSA 214:9c, IV and RSA 214:9-cc, IV.

3 Wildlife Habitat Stamp; Exception. Amend RSA 214:1-f, I to read as follows:

I. No person shall at any time take wild animals or wild birds in this state without first procuring, in addition to any applicable licenses required by title XVIII, a wildlife habitat stamp or license under RSA 214:9, XV, for the same period. If a stamp is issued it shall be signed across the face in a permanent manner with the applicant’s signature and shall be carried upon such person while engaged in taking wild animals or wild birds. A person under the age of 16 years may take wild animals or wild birds without such a stamp or license provided that, while so doing, the person is accompanied by an adult who has procured such stamp or license. This paragraph shall not apply to any person who takes wild animals or wild birds under a complimentary license, excluding any administrative fee, issued pursuant to RSA 214:3, RSA 214:7-a, RSA 214:13, RSA 214:13-b, or RSA 214:13-c, or a lifetime license issued pursuant to RSA 214:9-c or RSA 214:9-cc that was purchased in a prior calendar year.

4 Effective Date. This act shall take effect January 1, 2007.
AMENDED ANALYSIS

This bill establishes lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow licenses which may be purchased by qualified residents. Amendment adopted.

Committee report adopted and ordered to third reading.

**HB 1563**, establishing a committee to study the effects of immigration on the social services system.

**MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: REFER FOR INTERIM STUDY.**

Rep. James R. MacKay for the Majority of Health, Human Services and Elderly Affairs: The majority of the committee expanded the parameters of the study on immigration effects in New Hampshire to consider the positive and negative aspects of immigration on the human services system in New Hampshire. The intent is to consider immigration impact in the most comprehensive extent possible including on a state, county and local level. The committee felt that there is considerable expertise in the state to assist the study committee to reach a balanced, comprehensive and objective report. It is recognized that there are conflicting attitudes and concerns about the impact of immigration in New Hampshire. However, the majority of the committee supports a study that is constructive in its approach and open-minded as to the facts. In addition, the majority of the committee, and possibly the entire committee, strongly suggest that the federal government fulfill its statutory responsibilities concerning the various issues for which it is responsible.

A legislative study committee as defined in this bill representing knowledgeable standing committees can help to bring a factual, impartial, and constructive New Hampshire plan that identifies issues and solutions. Vote 8-6.

Rep. Thomas E. Donovan, Jr. for the Minority of Health, Human Services and Elderly Affairs: The minority of the committee, through supporting legislation to study the "effects of immigration," feels that whatever the results of this study, they will be interpreted as negative and as an additional burden to our tax payers. By not considering all the positive contributions of a large segment of individuals in this country legally, especially in the economic, social and cultural areas the final inclusions will be quite negatively slanted. We recognize the various challenges to all systems with new populations of individuals. We are in hope that the federal government will also help support the state's regulations to these issues through a broad, open-minded approach.

**Majority Amendment (0634h)**

Amend the title of the bill by replacing it with the following:

**AN ACT establishing a committee to study immigration.**

Amend the bill by replacing all after the enacting clause with the following:

I. Committee Established. There is established a committee to study the positive and negative effects of immigration on the human services system in New Hampshire.

II. Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives, 2 of whom shall be members of the health, human services and elderly affairs committee and one of whom shall be a member of the education committee.

(b) Three members of the senate, appointed by the president of the senate, 2 of whom shall be members of the health and human services committee and one of whom shall be a member of the education committee.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

III. Duties. The committee shall study the positive and negative effects of immigration on the human services system in communities throughout the state. The committee also shall identify recent immigration trends and their effect on the availability and provision of services. The committee shall solicit information and testimony from such agencies and individuals as may assist the committee in the performance of its duties.

IV. Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.
5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2006.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the positive and negative effects of immigration on the human services system.

Majority committee amendment adopted.

Majority committee report adopted and ordered to third reading.

HB 1576, implementing a voluntary Meth Watch program in New Hampshire. INEXPEDIENT TO LEGISLATE.

Rep. Joan H. Schulze for Health, Human Services and Elderly Affairs: The committee voted against this bill because earlier it had voted to pass HB 1578 which addresses the need to provide enhanced awareness of and education on methamphetamine to the citizens of New Hampshire and is more comprehensive. The Meth Watch project would be voluntary and provide the public with methamphetamine related education and information strategies for dealing with the program. The program outlined by HB 1578 may include information on prevention, methamphetamine use and abuse, and associated health conditions, treatment, and how to access services, endangerment of children and incapacitated persons, as well as first responders and others, dangers from methamphetamine labs, toxic waste, and resulting environmental hazards, methamphetamine and other drug laws and penalties, prevention strategies for schools to use. The Governor’s Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment may initiate the development and implementation of a Meth Watch program. HB 1578 is more inclusive to all areas of methamphetamine awareness and education. Vote 13-1.

Committee report adopted.

HB 1578, to provide enhanced awareness of and education on methamphetamine to the citizens of New Hampshire. OUGHT TO PASS WITH AMENDMENT.

Rep. Joy K. Tilton for Health, Human Services and Elderly Affairs: This is one of several bills designed to confront the methamphetamine menace that has ravaged many sections of the United States. Meth is short for methamphetamine, a seriously addictive drug that can lead to a variety of physical, neurological and psychological symptoms. It is truly unfortunate that there is evidence that “meth labs” are being detected in New Hampshire at a higher rate than other New England states. This bill outlines a public awareness and education initiative that emphasizes prevention, descriptions of clinical manifestations of meth addiction, treatment, susceptibility of children and incapacitated individuals, the environmental changes, drug laws and penalties and preventive strategies for schools to use. In addition to awareness and public education, this bill also introduces a Meth Watch program as another tool to be used to confront this serious public health problem. These programs will be supported by the Governor’s Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment and the Department of Health and Human Services. This is one of several initiatives being brought forward based on the legislative caucus on methamphetamine and the government leaders task force on methamphetamine. The committee was unanimous in support of this bill. Vote 17-0.

Amendment (0620h)

Amend RSA 12-J:5, I as inserted by section 2 of the bill by inserting after subparagraph (f) the following:

(g) Preventive strategies for schools to use.

Amend RSA 12-J:5, II as inserted by section 2 of the bill by replacing it with the following:

II. The department of health and human services, in cooperation with the commission, may initiate the development and implementation of a Meth Watch program similar to the Meth Watch program first designed and implemented in the state of Kansas and adopted by numerous other states, including the state of Maine, and coordinate its efforts with the department of health and human services and other state agencies.

Committee amendment adopted.

Committee report adopted and ordered to third reading.
HB 1437, establishing a committee to study the effects of current state and federal laws on illegal drugs and the possession and use of such drugs. **OUGH TO PASS.**
Rep. Pamela D. Coughlin for State-Federal Relations and Veterans Affairs: This bill establishes a study committee to study the effects of current state and federal laws on illegal drugs and possession and use of drugs. The study committee will review the effects of current state and federal drug laws from a financial and social perspective, including the effects on state, county and local communities. Vote 11-1.
Committee report adopted and ordered to third reading.

HB 1477, implementing the federal Law Enforcement Officers Safety Act of 2004. **OUGH TO PASS.**
Rep. Pamela D. Coughlin for State-Federal Relations and Veterans Affairs: The U.S. Congress in 2004 passed the “Law Enforcement Officers Safety Act of 2004.” Here are two major provisions (1) Allow active law enforcement officers nationwide to carry their secure weapons in any state. (2) Allow retired law enforcement officers that meet certain criteria to carry a concealed weapon nationwide and describes criteria under which states may verify these individuals as meeting the criteria of the law. This bill creates a training program for the new category of retired law enforcement officers including use of deadly force training. This legislation is necessary and in the best interest of New Hampshire’s law enforcement community and citizens. Vote 8-3.
Committee report adopted and ordered to third reading.

HCR 21, urging the Department of Homeland Security to study New Hampshire’s northern border and protection to our dam network. **INEXPEDIENT TO LEGISLATE.**
Rep. Kris E. Roberts for State-Federal Relations and Veterans Affairs: The Homeland Security Department has ranked the Murphy Dam about 700th on its priority list. The safety of the dam is a very important issue. The committee felt that enhanced cooperation between Northern New England Governors would produce quicker and more effective solutions to confront the grave risks of loss of life and property in case of catastrophic failure, regardless of the cause. It has to be understood that a major dam failure in Maine could result in serious and long-term damage in New Hampshire. Vote 11-2.
Committee report adopted.

**SPECIAL ORDER**
Adopted.

**REGULAR CALENDAR – PART II (CONT’D.)**

**HB 1319-FN-A,** decreasing the rate of the tobacco tax. **INEXPEDIENT TO LEGISLATE.**
Rep. Howie Lund for Ways and Means: This bill would reduce the tax on a pack of cigarettes from the current rate of 80 cents to the old tax rate of 52 cents per pack. This proposed change would reduce state revenues an estimated $43 million per year without offering a method for making up those funds. The cigarette tax is the fourth largest revenue stream in the state and 40 percent of the tax burden is borne by out-of-state citizens. Further, the committee felt that having just made a major change in this revenue stream last session it would not be logical to make another change this soon. Our biennial state budget has incorporated the revenues produced at 80 cents in its revenue projection. Vote 12-1.
Rep. Major yielded to questions.
Committee report adopted.

**HB 1693-FN-A-L,** relative to funding an adequate education. **INEXPEDIENT TO LEGISLATE.**
Rep. Michael D. Whalley for Ways and Means: In June of last year, this Legislature overwhelmingly adopted HB 616 which set up a new education funding formula. In the seven months since the bill became law, towns have begun the process of adjusting to the new formula, and the majority of the committee believes this law is constitutional and will withstand the legal challenge it now faces. The majority believes that the education funding law needs time to work, let the communities adjust to it and give the state some stability. This bill would be detrimental to that aim. This bill would not only create a new funding mechanism, it would also establish gambling as a revenue source and dedicate funds in several areas. The House voted just weeks ago on a
gambling measure that failed nearly 2.5-1. The gambling revenues that this bill projects would be placed into a dedicated fund, funds with which the majority believes it should not be dealing with. This bill requires dedicating a significant amount of money into LCHIP while reducing the BPT and BET with the assumption that 3,900 machines around the state will fully fund education, the above mentioned LCHIP funds and revenue losses. The majority believes that all expenses should be addressed in the same manner as all others, specifically, in the budget. Vote 15-5.

Committee report adopted.

BILLs REMOVED FROM CONSENT CALENDAR

HB 1621-FN, prohibiting overpricing of fuel. OUGHT TO PASS WITH AMENDMENT.
Rep. Stephen B. Stepanek for Commerce: After a public hearing and many subcommittee meetings the sponsors, industry and the Attorney General’s Office were all able to agree to a price gouging bill which gives the Attorney General the ability to investigate alleged price gouging while protecting wholesalers and retail merchants from being blamed for price increases beyond their control. The trigger to investigate price gouging was carefully crafted to allow the Attorney General to investigate price gouging only if a state of emergency is declared by the governor or if following the finding of an abnormal market disruption by the Merrimack County Superior Court upon a petition filed by the Attorney General. Vote 14-1.

Amendment (0729h)
Amend the title of the bill by replacing it with the following:
AN ACT
prohibiting the overpricing of commodities during a declared state of emergency or a market emergency.
Amend the bill by replacing all after the enacting clause with the following:
1 New Chapter; Commodity Prices; Overpricing Prohibited. Amend RSA by inserting after chapter 359-H the following new chapter:

CHAPTER 359-I
COMMODITY PRICES

359-I:1 Definitions. In this chapter:
I. “Commodity” means any goods, services, materials, merchandise, supplies, equipment, resources, or other article of commerce, including food, water, ice, medicine, chemicals, petroleum products, and lumber, necessary for consumption or use as a direct result of a declared state of emergency or market emergency.
II. “Distributor” means the seller of a commodity to a selling merchant.
III. “Market emergency” means a significant disruption to the production, distribution, or sale of a commodity or commodities caused by an event such as a natural or man-made emergency or disaster.
IV. “Selling merchant” means the retail seller of a commodity to an end user of the commodity.

359-I:2 Prohibition on Price Gouging.
I. It is unlawful for any distributor or selling merchant, or his or her agent or employee, to sell a commodity to a consumer at an unconscionably high price during any of the following events:
(a) During a declaration of a state of emergency by the governor within the area of the declared state of emergency.
(b) Following the finding of a market emergency by the Merrimack county superior court upon petition filed by the attorney general within the area of the finding of a market emergency.
II. A price is unconscionably high if the amount charged represents a gross disparity between the price of the commodity and:
(a) The price at which the same commodity was sold or offered for sale in the usual course of business during the 7 days immediately prior to the declared state of emergency or market emergency; and
(b) The price of the commodity of like grade and quality when compared to the highest price at which the commodity was offered for sale by other similar businesses in the same or adjacent county.
III. Price increases due to an increase in the amount charged attributable to increased wholesale, delivery, labor, replacement costs or other necessary costs incurred or reasonably anticipated to be incurred by the selling merchant or wholesaler, shall not be considered price gouging.
IV. A violation of this chapter shall be enforceable by the attorney general for civil penalties pursuant to RSA 358-A:4, and shall not be subject to the criminal provisions under RSA 358-A:6 or the private right of action of RSA 358-A:10. Any violation of this chapter shall be based on the setting of the price and such violation shall not be based on each separate sale.

2 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS

This bill prohibits distributors and merchants from selling commodities at unconscionably high prices during a declared state of emergency or a market emergency. Amendment adopted.

The question now being adoption of the committee report.
Rep. O'Brien spoke against and yielded to questions.
Rep. Peter Sullivan requested a roll call; sufficiently seconded.

</table>
and the committee report failed.
Rep. O’Brien moved Refer For Interim Study.
Motion adopted.

**CACR 32**, relating to eminent domain. Providing that property can only be taken for public benefit other than increased tax revenues. **REFER FOR INTERIM STUDY.**
Rep. Maureen C. Mooney for Judiciary: The committee received three CACRs this session relative to an eminent domain taking. The intent of this amendment was similar to CACRs 30 and 40; however, the wording of it changed the original language of Part 1, Article 12 of the NH Constitution. The subcommittee voted to place this amendment into Interim Study in order to refer to its wording if necessary. With regards to the other CACR’s, the subcommittee on eminent domain has chosen to only work off of CACR 30. Vote 15-6.
Rep. Vaillancourt spoke against.
Committee report adopted.

**CACR 40**, relating to taking of property. Providing that property may not be taken for a public purpose, but only for a public use. **REFER FOR INTERIM STUDY.**
Rep. Maureen C. Mooney for Judiciary: The committee received three CACRs this session relative to an eminent domain taking. This amendment was very similar in language and intent to CACR 30. The subcommittee on eminent domain has chosen to place this amendment into interim study and work off of only CACR 30. The subcommittee may still use the language of this amendment, if amending CACR 30 is necessary. Vote 13-7.
Committee report adopted.

**HB 1162**, relative to village districts. **ought to pass with amendment.**
Rep. Robert W. Brundige for Municipal and County Government: This bill, as amended, requires a vote of the town in which a village district is located before a district can be formed. The committee believes the entire town should be aware of the proposed district before it is formed, to preclude a small group of residents from forming a district that the whole town does not support. Vote 13-4.
Amendment (0774h)
Amend the bill by deleting section 2 and renumbering the original section 3 to read as 2.

**Amended analysis**
This bill requires a vote of the town or towns in which a village district is located before a district can be formed.
Amendment adopted.
Committee report adopted and ordered to third reading.

**HB 1398**, relative to titles for motor vehicles of a certain age. **Inexpedient to legislate.**
Rep. Stephen H. Nadeau for Transportation: This bill would have changed the age of motor vehicles from 15 years to 10 years for the purpose of Certificate of Title. The idea of a title is to secure the collateral of a lien holder. When the title law first passed, vehicles older than 10 years were exempted. As years have gone by, prices have increased, vehicles stay roadworthy for many more years, and loans are for a longer period of time. In 1998 it moved to 11 years, in 1999 to 12 years, in 2000 to 13 years, in 2001 it moved to 14 years, and lastly in 2002 it moved to 15 years. Going back to 10 years would seem to reverse what the Legislature has done in the past. Vote 12-0.
On a division vote, 174 members having voted in the affirmative and 91 in the negative, the committee report was adopted.
SPECIAL ORDER

Rep. O’Neil moved that HB 1628, relative to expenses of operating bingo games, be made a Special Order for Wednesday, February 22, 2006 in its regular place in the calendar. Adopted.

RESOLUTION

Rep. O’Neil offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, February 22, 2006 at 1:00 p.m. Adopted.

LATE SESSION

Third reading and final passage

HB 1713-FN, restricting the over-the-counter sale of pseudoephedrine base and ephedrine base drugs and establishing commission to study the feasibility of an electronic tracking system for sales of pseudoephedrine base and ephedrine base drugs.

HB 1221-FN, relative to recovery of medical assistance.

HB 1125, relative to the filing period for candidates in the presidential primary.

HB 1222-FN, relative to unlawful voting.

HB 1679-FN-L, relative to the property tax exemption for university system property.

HB 1108, relative to the transfer of funds among PAU’s within a department.

HB 1370, transferring certain surplus moneys to the revenue stabilization reserve account.

HB 1724-FN, relative to compensation and benefits for reserve and national guard members who are state employees.

HB 1294, relative to antique snowmobiles.

HB 1409-FN, relative to organ and tissue donation.

HB 1654, relative to the probate court mediation fund and fee.

HB 254-FN, establishing lifetime licenses for bow and arrow, muzzle loading firearm, and crossbow licenses.

HB 1563, establishing a committee to study immigration.

HB 1578, to provide enhanced awareness of and education on methamphetamine to the citizens of New Hampshire.

HB 1437, establishing a committee to study the effects of current state and federal laws on illegal drugs and the possession and use of such drugs.

HB 1162, relative to village districts.

UNANIMOUS CONSENT

REMARKS

Rep. David Smith: Thank you, Mr. Speaker. My friends, Nashua lost a very valued citizen this week. On Tuesday morning, at 5:30 a.m. comrade and Commander Byron Buckingham passed away. To everyone who has lived in Nashua for the last 50 years, who is a veteran, his was a well known name.

He served in World War II, received two Purple Hearts, and received the Bronze Star and the Silver Star. Upon coming home in 1946, he immediately joined various veterans’ organizations.

When he passed, he was Commander of the State Chapter of the Military Order of Purple Heart. He was also very active in the Veterans of Foreign Wars, Disabled Veterans and has been carrying offices in those even as he has died now at 86 years old.

Every child, probably for the last 30 years, who has ever marched in a parade in the City of Nashua, has known Byron Buckingham simply as “Bucky”, passing out the potato chips and soda at the end of the trail. There are many people here sitting in this room who have known him personally
and have shared his optimism on life and what he wanted to do for all our veterans. He was a most unselfish, un-self-serving man. He was always looking about for what he could do for other people. In the last three years, I have worked very, very closely with Bucky. He was also a very strong Republican and was active in many local Republican affairs. He was close to the Gregg family which of course has their roots in Nashua.

When I ran for office, I asked him if I could put a sign on his front lawn and he said, “Yes.” And I did so. After I did, he stood back and had a very puzzled look on his face. And I said to him, “Bucky, what’s the matter?” He said, “You know, this is the first time I have ever had a sign of a Democrat on my front lawn,” and then he said “But I know you’ll be good”. I didn’t think about it at the time but he did not say “You will do good,” he said “You’ll will be good,” as if some of my colleagues on this side are not that way.

I am a member of the Church of Jesus Christ of Latter Day Saints. As a Mormon, I believe that we are all God’s children. We come to this world to be tested and when we are tested and when we pass, we go on back to our heavenly Father leaving our mortal bodies behind. While we are here the major test is to be in God’s service and the most major way to be of service is to be in service to your fellow man. If you are a success when you are welcomed back, you are greeted by, “Welcome home, O most loyal and faithful servant.” I know that “Bucky” Byron Buckingham has been received in that manner. Now Mr. Speaker, I would like you to ask my colleagues to stand in a moment of silence to observe the service that he rendered on this side of the veil. Thank you, Mr. Speaker.

REMARKS

Rep. Camm: Thank you, Mr. Speaker. At first I’d like thank the House for the vote on House Bill 1651. I apologize for my mediocre presentation in the math, I was thrown a soft curve, and I didn’t handle it well. I must confess my mind has been preoccupied today. Hopefully I will do better with this, my first unanimous consent request. So here goes. Thank you, Mr. Speaker, Honorable members of the House. I rise today to inform the House about a tragic event that occurred last Thursday in Jalalabad, Afghanistan. On that day a United States Marine lost his life serving his country. Private First Class Matthew Lee Bertolino lost his life serving his country. PFC Matthew Bertolino was from New Hampshire, he was from Rockingham County and he was from Hampstead. Marine Bertolino died when the vehicle he was riding hit something and rolled over. A Department of Defense spokesman said that his convoy was not under attack when the accident happened.

He was a wonderful, perfect, handsome 20-year old who loved being a Marine. “He was proud of that,” his mother said. He was going to become a policeman when he got home. He was going to build a house. He had so many plans. Marine Bertolino was a 2003 graduate from Pinkerton Academy in Derry. My son, class of 2005, told me he was in a construction class with Matt. I understand that Matthew Bertolino was a carpenter before becoming a Marine. “He was proud of what he was doing over there,” said his father. “He was very proud to be a Marine.”

It is times like this Mr. Speaker that remind us that freedom isn’t free. Rest assured that all of us are very proud of Matthew Lee Bertolino from Hampstead, New Hampshire. Our deepest sympathy goes out to his family and his loved ones. Semper fi, Marine, semper fi. Calling hours are today until 8:00 p.m. at the Peabody Funeral Home. The funeral service is at the Hampstead Congregational Church, Main Street, Hampstead at 10:00 a.m. Mr. Speaker, honorable members of the House, would you please join me in a moment of silence to honor the life of PFC First Class Matthew L. Bertolino, United States Marine from Hampstead, New Hampshire. Thank you, Mr. Speaker, Honorable members, thank you.

RECESS MOTION

Rep. O’Neil moved that the House stand in recess for the purposes of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only. Adopted.

The House recessed at 6:10 p.m.

RECESS
(Speaker Scamman in the Chair)

COMMITTEE ASSIGNMENTS

SENATE MESSAGES
CONCURRENCE

HB 331, relative to restraining dogs and relative to livestock working dogs.
HJR 1, recognizing that Seavey Island and the Piscataqua River are within the boundaries of the state of New Hampshire.

RECESS

(Rep. Craig in the Chair)

ENROLLED BILLS REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bills numbered 331, House Joint Resolution numbered 1, and Senate Bill numbered 72.

ENROLLED BILL AMENDMENTS

HB 406, revising certain provisions of the home education statutes.

Amendment (0628-EBA)

Amend section 5 of the bill by replacing lines 1-3 with the following:

5 Home Education; Hearing; Notice and Procedure. RSA 193-A:7 is repealed and reenacted to read as follows:

Adopted.

HB 1184, relative to the majority vote required for the use of bond proceeds in certain school districts or municipalities.

Amendment (0731-EBA)

Amend RSA 33:3-a, II as inserted by section 1 of the bill by replacing lines 4-7 with the following:

city council or a town, school district, or village district by a vote of 2/3 of the voters present and voting at an annual meeting, [and] a county by a 2/3 vote of all the members of the county convention, a political subdivision which has adopted official ballot voting procedures pursuant to RSA 40:13 by a vote of 3/5 of those voting, and a municipality that has adopted an

Adopted.

RECESS

(Speaker Scamman in the Chair)

Rep. Weyler moved that the House adjourn.
Adopted.
The House assembled at 1:00 p.m., the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor John H. Lynch, joined the Speaker on the rostrum for the day’s opening ceremonies.

Prayer was offered by House Chaplain, Reverend Jared Rardin, Pastor of the South Congregational Church in Concord.

O Gracious God, in the stillness of this moment remind us of the depth of who we are and whose we are. We give You thanks for this glorious day. We give You thanks for the companionship and the comradeship that we share here in this House. We ask Your blessing and guidance today upon the work before us. We have many bills to consider, bills considering immigration, concerning clergy notification in cases of suspected abuse, bills dealing with hunting, and many more. In all things, O God, guide us both in heart and in mind reminding us that we serve all, especially those who are less fortunate and less powerful than we. If there be anyone here in this gathered body today who is suffering in mind, or spirit or body, grant Your healing and Your peace. All this we pray in Your name. Amen.

Rep. Fran Wendelboe, member from New Hampton, led the Pledge of Allegiance.

The National Anthem was sung by Cacia and Morgan King, sisters and students at Epping Elementary and Middle School.

**LEAVES OF ABSENCE**

Reps. Aguiar, Berube, MaryAnn Blanchard, W. Packy Campbell, Carter, Dexter, Dokmo, Domingo, Dunn, Daniel Eaton, Foose, Goodwin, Hansen, Hebert, Introne, Irwin, Klose, Lawrence, Mason, McRae, Messier, Moore, Pantelakos, Parker, Reed, Twombly and Yeaton, the day, important business.

Reps. Lary, Oliver and Serlin, the day, illness in the family.

Rep. Katherine Taylor, the day, death in the family.

**INTRODUCTION OF GUESTS**

**COMMUNICATION**

February 22, 2006

Karen Wadsworth. Clerk of the House

Please be advised that the following representative-elect was sworn into office by the Governor and Council on this day:

Rockingham County District 9
Penn Brown, d, Epping (153 Old Hedding Road. #40) 03042

William M. Gardner, Secretary of State

**SUSPENSION OF RULES**

Reps. O’Neil and Craig moved that House Rules be so far suspended as to allow HB 1767-FN-A, authorizing the state acquisition of real estate destroyed in the October 2005 floods, establishing a commission to determine the appropriate use of the property, and making an appropriation therefor, an extension of the deadline of last day to act on House Bills not in a second committee, be moved to Thursday, March 16, 2006.

Adopted by the necessary two-thirds.
HOUSE JOURNAL  FEBRUARY 22,  2006  525

SUSPENSION OF RULES

Reps. O’Neil and Craig moved that all deadlines be suspended for the bill which will contain the 10-year Highway Plan. Adopted by the necessary two-thirds.

CLERK’S NOTE

When less than two-thirds of the elected membership is present, Part II, Article 20 of the state constitution requires the assent of two-thirds of those present and voting to render their acts and proceedings valid.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. O’Neil moved that the Consent Calendar with the relevant amendments as printed in the day’s House Record be adopted.

HB 1335, relative to the authority of law enforcement officers during a state of emergency, removed by Rep. Phinizy.

HB 1639-FN, prohibiting the confiscation of lawfully owned and lawfully carried firearms during a state of emergency, removed by Rep. Hopfgarten.

HB 1193-FN, directing the secretary of state to remove certain language from the text of Part II, Article 73-a of the New Hampshire constitution, removed by Rep. Marple.

HB 1266, relative to acceptance of consular identification documents, removed by Rep. Velez.

HB 1322, relative to the establishment of allodial rights, removed by Rep. Marple.

Consent Calendar adopted by the necessary two-thirds.

HB 1218, relative to the unauthorized use of the name of a financial institution. INEXPEDIENT TO LEGISLATE.

Rep. James R. Martin for Commerce: RSA 384:12-a, IV prohibits the use of the name of a financial institution in a “deceptive” manner. This bill would amend that RSA by deleting the word “deceptive” thus prohibiting any use of the name of a financial institution. Violation could result in license revocation and an administrative fine of $2500 for each violation with each individual piece of mail constituting a violation in the case of mailed advertising. The committee believes that the legislature should not prohibit the use of the name of a financial institution where the information is in the public domain and the use is not deceptive. Vote 11-7.

HB 1299, establishing a medical malpractice insurance study commission. INEXPEDIENT TO LEGISLATE.

Rep. Donald H. Flanders for Commerce: There are already several study committees looking into the various aspects of malpractice insurance which are in the process of gathering statistics. The first report will not be available until late summer which will not allow sufficient time to prepare a viable report before the end of this session. In view of this it was felt this issue could be better addressed next session when the results of the current studies will be available. Vote 17-0.

HB 1325, relative to state regulation of martial arts schools. REFER FOR INTERIM STUDY.

Rep. James R. Martin for Commerce: This bill removes martial arts schools from the definition of health clubs and establishes a separate chapter regulating martial arts schools. It would permit such schools to offer three year contracts and makes other material changes to current law. Over 20 representatives attended the final subcommittee meeting and raised questions to which answers were not readily available, including the proper definition of “martial arts,” the need for separate regulation, how to treat martial arts, whether three year contracts are appropriate and other basic issues. The committee concluded that further study was required. Vote 16-1.

HB 1483, authorizing vehicle licensing, title, and registration recovery fees by motor vehicle rental companies. INEXPEDIENT TO LEGISLATE.

Rep. Donald H. Flanders for Commerce: The Attorney General’s Office informed the committee that car rental companies are not prohibited from collecting vehicle licensing, registration, and title
fees as long as the recovery is disclosed. Current law does not require disclosure. However, if the fees are included in the rental price and not disclosed, the rental company may be subject to a claim that it is acting in an unfair or deceptive manner. Because many rental companies appear to disclose recovered fees, the committee did not feel it was necessary to address this issue at this time. Vote 18-0.

**HB 1606-FN**, relative to coupons and rebates used to purchase alcohol. **INEXPEDIENT TO LEGISLATE.**

Rep. David H. Kidder for Commerce: The committee could not substantiate that coupons were being fraudulently turned in by retail employees. As a result, we felt that the problem was not significant and didn’t need to be dealt with by the legislation at this time. Vote 18-0.

**HB 1105**, relative to eyewitness identification procedures. **INEXPEDIENT TO LEGISLATE.**

Rep. James H. Oliver for Criminal Justice and Public Safety: New Hampshire Police Departments have policies in place that are compatible with the Commission on Law Enforcement accreditation standards. This bill is no doubt well intended in response to articles in the media and experiences in some courts describing flaws in eyewitness identification. Identification of a perpetrator of a crime is part of evidence gathering and the court will develop their own procedures for admissibility of evidence. It is best to leave this matter to be decided by judges and juries and not through legislation. Vote 15-3.

**HB 1149**, regarding public notification of sexual offender information and establishing a committee to study the creation of a sexual offender classification system. **REFER FOR INTERIM STUDY.**

Rep. Gene P. Charron for Criminal Justice and Public Safety: The committee voted to keep the bill for Interim Study. The so called Child Protection Act (HB 1692) has similar subject matter, but the committee voted to stay involved with this subject as HB 1692 begins its journey through the legislative process. Vote 16-0.

**HB 1380**, establishing the New Hampshire forensic science oversight commission. **INEXPEDIENT TO LEGISLATE.**

Rep. James H. Oliver for Criminal Justice and Public Safety: No tangible need for an Oversight Commission was provided at this time for the State of New Hampshire. No example of what this Commission could correct was cited. One problem brought out was a past situation in the Medical Examiner’s Office. This matter was dealt with by investigation, arrest and conviction as it should have been. A positive result of debate was the suggestion that new legislation be forthcoming requiring the State Police Lab and Medical Examiners be nationally accredited. The State Police Lab is accredited and is reviewed every five years. It is also audited annually by the FBI and the National Institute of Justice. The Medical Examiner’s Office is soon to be accredited. These standards should be maintained to establish and preserve the integrity of the office. Vote 18-0.

**HB 1435**, relative to the emergency plan for service dogs and other animals. **ought to pass with amendment.**

Rep. Peter M. Sullivan for Criminal Justice and Public Safety: This bill arose in the aftermath of Hurricane Katrina, when countless owners of service animals and pets experienced difficulties in evacuating the disaster area. This legislation will require state emergency management officials to develop a plan for evacuation of guide dogs, hearing ear dogs and other service animals. The committee considered the sponsor’s proposal that all pets be included in this plan. However, such a plan is considered overly ambitious and unworkable at this point in time. Vote 16-0.

**Amendment (0691h)**

Amend the title of the bill by replacing it with the following:

**AN ACT relative to the emergency plan for service animals.**

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Emergency Services, Communications, and Management; Service Animal Evacuation Plan. Amend RSA 21-P:37 by inserting after paragraph V the following new paragraph:

VI. To prepare a comprehensive plan and program for the evacuation of hearing ear dogs, guide dogs, and other service animals, as defined in RSA 167-D.

**AMENDED ANALYSIS**

This bill authorizes the director of the division of emergency services, communications, and management to prepare a plan for service animals to be evacuated in the event of an emergency.
HB 1642-FN, relative to criminal penalties and forfeiture for activities in support of illegal immigration. INEXPEDIENT TO LEGISLATE.

Rep. John E. Tholl for Criminal Justice and Public Safety: While the intent of this bill is understandable, it contains so many constitutional issues so as to make it unworkable. Portions of this bill are already covered under Peonage (HB 1662). The committee believes that the federal government needs to expend more effort to address this area which is in the area of federal responsibility. Vote 17-2.

HB 1643-FN, relative to enhanced penalties for committing an assault in the presence of a minor. INEXPEDIENT TO LEGISLATE.

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This is a well intentioned bill brought forward as the result of one anecdotal incident. It addresses, specifically, second degree assault RSA 631:2, simple assault RSA 631:2-a, reckless conduct RSA 631:3, or criminal threatening RSA 631:4, creating an enhanced penalty if the offense is committed in the presence of a person under the age of 16. There are broad negative implications to creating an enhanced penalty to these laws. With no intent to downplay these offenses, for the most part they are relatively minor assault offenses. In particular, the mens rea for reckless conduct does not require the state of mind necessary to prove an assault. Passage of this type of legislation could lead to some serious unintended consequences. After serious deliberation, the committee does not recommend passage of this bill. Vote 20-0.

HB 1729-FN, implementing a “good time” sentence reduction system for inmates in the state prison system. REFER FOR INTERIM STUDY.

Rep. E. Albert Weare for Criminal Justice and Public Safety: This bill proposes to establish a “good time” sentence reduction system for inmates in the state prison system. This bill as written would create more problems than it would correct. It is in direct conflict with the truth in sentencing statute already in effect, would create a financial burden on the already under funded Department of Corrections and would compromise the vast majority of plea bargain sentences that have been adjudicated in our court system. The Department of Corrections has informed the committee that three hundred current inmates may be eligible for release if the bill is enacted and 126 of those would be convicted sex offenders. Because of the issues raised, the short funding and limited programs presently being conducted by the Department of Corrections, it would not be possible for DOC field services to monitor those released. The possibility exists that a study may develop programs to alleviate some of the issues now confronted by the Department of Corrections. Vote 11-5.

HB 1157, relative to the definition of a sending district. OUGHT TO PASS.

Rep. J. Timothy Dunn for Education: This bill will correct RSA 193:17 IV, a statute that since the June 18, 1998 revision has had unintended consequences that have resulted in possible lawsuits and potential financial liability for students for whom some school districts believed they were no longer responsible. Court proceedings pursuant to RSA 169-C (Child Protection), RSA 169-B (Delinquency), RSA 169-D (Children in Need of Services (CHINS) or RSA 463 (Guardianship of Minors) may result in residential placements of children into foster homes, group homes, educational facilities and so on. When the court awards legal custody of a child to the Department of Health and Human Services, Division for Children, Youth and Families (DCFY), that school district where the parent or guardian of the child resides when the child comes into care is the sending school district until legal custody is returned to the parent, guardian or some other person. This remains constant through numerous changes in placement. The Department of Health and Human Services, Division for Juvenile Justice Services (DJJS) has legal supervision of children who are Delinquents or CHINS. In these cases the sending school district is always the district in which the parent or guardian having legal custody resides. Each time a parent or guardian moves, the school district where they reside is joined as a party to the court proceedings as the sending district, and the previous school district is discharged from the proceedings. The definition of “sending school district” became problematic at the last revision of RSA 193:27 IV, specifically June 18, 1998. The language that was added left the statute open to interpretation by stating that “the sending district shall be, from the change in legal custody or guardianship forward, that district in which the child resided at the time of the original placement.” The unintended consequence in the case of a CHINS or Delinquency case, should it become an abuse or neglect matter, is that the original school district in which the child and the parent or guardian resided when the child was originally placed pursuant to the CHINS or Delinquency proceeding could wrongly be named the sending district, rather
than the school district where the parent or guardian having legal custody resided when DCYF was awarded legal custody by the court in the child protection case. If RSA 193:27 IV is not corrected, more lawsuits regarding the identification of liable sending district could be the result, needlessly pitting one school district against one another, thereby wasting valuable resources. Vote 15-1.

HB 1306, relative to threats made by pupils against a school. INEXPEDIENT TO LEGISLATE.
Rep. Paul C. Ingbretson for Education: This bill would weaken present procedures turning a delinquency offense into a milder ‘CHINS” offense and would make it more difficult to get an offender into the appropriate process. Local SAU’s already have the ability to do, on their own, what is provided for in this bill. It was opposed by the School Boards Association, the NEA, and the Department of Health and Human Services Juvenile Division. Vote 16-0.

HB 1308, establishing a commission to study revising the New Hampshire special education statutes. INEXPEDIENT TO LEGISLATE.
Rep. Nancy F. Stiles for Education: Several bills before the committee this session dealt with concerns and issues relative to special education. An ad hoc committee that could gather information from all the parties identified in HB 1308 as well as other interested parties could begin the discussion earlier with possible legislation to be ready for the 2007 session. Vote 16-0.

HB 1378, establishing a committee to study the financial implications on local school districts when special education students attend charter schools. INEXPEDIENT TO LEGISLATE.
Rep. Kimberley S. Casey for Education: The committee, by recommendation of both the sponsor and co-sponsor, understands that these concepts will be folded into an ad hoc committee to look at all aspects of the special education laws. Vote 12-0.

HB 1428, relative to the duties of the advisory committee on the education of children/students with disabilities. INEXPEDIENT TO LEGISLATE.
Rep. Barbara J. Hagan for Education: The subject of this legislation will be addressed in an ad hoc committee dealing with numerous special education issues. Vote 16-0.

HB 1518, relative to the joint board of a school administrative unit. INEXPEDIENT TO LEGISLATE.
Rep. Timothy E. Eason for Education: The sponsors asked that this bill be found inexpedient because the issue was resolved locally and legislation is not needed. Vote 12-0.

HB 1385, relative to nomination papers and the definition of “party.” INEXPEDIENT TO LEGISLATE.
Rep. Richard B. Drisko for Election Law: The intent of this bill was to lower the requirement necessary for a party to qualify for ballot status. The percentage of vote necessary from the previous election would be lowered from 4 percent to 2 percent. The number of signatures necessary for nomination petitions was reduced. In addition, a candidate may substitute payment of a fee per petition signature for the filing of a nomination paper. The committee felt that this bill violated the intent of current statutes. Vote 14-0.

HB 1577, relative to the eligibility of persons with nontraditional domicile to vote. INEXPEDIENT TO LEGISLATE.
Rep. Claudia A. Chase for Election Law: Under current law, persons with nontraditional domiciles have not been excluded from voting and, therefore, we determined that this bill is unnecessary and redundant. Vote 13-1.

HB 690-FN, relative to aid to the needy blind and relative to undue hardship for public assistance. OUGHT TO PASS.
Rep. Larry A. Emerton for Finance: This bill continues the legislature’s effort to ensure that long-term care under Medicaid is provided to those who need it. It slightly eases the standard of undue hardship that must be met before the transfer of assets penalty can be imposed. The bill makes a technical correction, adding those receiving aid to the needy blind to other categories that must agree to reimburse the government, if they can, for any government aid they receive. The fiscal impact of these changes is indeterminable but believed to be relatively small absolutely and in relation to the size of the programs. Vote 20-0.
HB 1656-FN-A, establishing an electronic toll collection transponder inventory fund. OUGHT TO PASS WITH AMENDMENT.

Rep. Kenneth Weyler for Finance: The turnpike managers would like to have an inventory fund established so that they could buy transponders as needed, without governor and council approval for each contract. Since we have joined an interagency group and have agreed to their rules on EZ Pass, there is only one source for the transponders. Transponders are currently being sold at the rate of 200 per day. They are sold at our cost of $25 each. As of January 25, 2006, 269,596 were in use by our subscribers. The turnpike would like to buy 16,000 transponders per quarter, and keep 5-7 thousand in stock. We are still in a transition year for establishing EZ Pass, and this fund was seen as a necessary tool. The amendment changed the source of the fund from the highway fund to the turnpike fund. The amount requested remained one million dollars. The turnpike fund has a present balance of about 62 million dollars; only 43 million of that is now dedicated. Vote 20-0.

Amendment (0629h)

Amend RSA 228 as inserted by section 1 of the bill by replacing it with the following:

1 New Section; Electronic Toll Collection Transponder Inventory Fund. Amend RSA 228 by inserting after section 24-c the following new section:

228:24-d Electronic Toll Collection Transponder Inventory Fund. There is hereby established an electronic toll collection transponder inventory fund not to exceed $1,000,000, which sum is hereby authorized as a revolving fund comprised of funds in the turnpike fund that are not otherwise appropriated. The commissioner of transportation may purchase, through the Interagency Group, such electronic toll collection transponders as may be necessary for the operation of the department, which shall be a charge against the fund. All sales of electronic toll collection transponders from inventory shall be credited to the inventory fund and are hereby appropriated to the department of transportation and made available for expenditures from the inventory fund.

HB 1765-FN-A-L, appropriating matching funds for disaster relief resulting from the October 2005 floods. OUGHT TO PASS WITH AMENDMENT.

Rep. Elizabeth Hager for Finance: This bill provides funds for the towns devastated by the October 2005 floods in western New Hampshire. The state generally pays 12.5% of the town’s costs after FEMA pays 75%. This bill asks each town to pay up to $5,000 and appropriates $2,911,000 for the state to pay the rest of the match. Vote 21-0.

Amendment (0758h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to funding for disaster relief efforts in response to the October 2005 floods and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Appropriation; State Matching Funds for Federal Emergency Management Agency Disaster Assistance Grants. In response to October 2005 flood damage sustained by communities in Cheshire, Sullivan, Grafton, Merrimack, and Belknap counties, a sum not to exceed $2,911,000 is hereby appropriated to the department of safety, bureau of emergency management, for the fiscal year ending June 30, 2006, as the required state match for federal disaster assistance funds from the Federal Emergency Management Agency for flood damage sustained during the period from October 8, 2005 to October 17, 2005. With prior approval of the fiscal committee, the department of safety, bureau of emergency management shall distribute the funds appropriated by this act to any eligible municipality or state agency that completed a request for public assistance within the required 30-day period of the October 26, 2005 declaration date. The funds shall be distributed pursuant to the following funding formula: federal funds shall be used for 75 percent of eligible costs and state funds shall be used for the remaining costs, except that the local municipality first shall pay a portion of such remaining costs, not to exceed 12.5 percent of its total eligible costs or $5,000, whichever is less. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated. Any unexpended funds shall lapse to the general fund on June 30, 2008.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill appropriates state matching funds to the department of safety, bureau of emergency management, for disaster assistance to the communities that sustained flood damage in October 2005.
HB 1140, establishing a committee to study the establishment and enforcement of protection zones for nesting loons. OUGHT TO PASS.

Rep. Peter E. Solomon for Fish and Game: This bill authorizes a legislative study of the effectiveness of the existing programs to protect loon nesting areas. Over the past ten years, the Loon Preservation Committee has placed signs and/or rope lines around 338 nesting sites in New Hampshire. Although these protected sites have produced 15% more chicks than open sites, the overall loon population has been declining in recent years. The committee unanimously supports a study to determine if legislation is needed to improve the current program which is aimed at increasing our resident loon population. Vote 9-0.

HB 1182-FN, relative to the recreational taking of lobster by scuba divers. OUGHT TO PASS WITH AMENDMENT.

Rep. David L. Smith for Fish and Game: This bill adds a new designation to the number of traps a lobster fisherman may use. A recreational lobster fisherman or a very limited commercial fisherman (100 traps or less) may obtain a license for $103.00. This is a new category authorized by this bill. The commercial lobster fisherman with 600 or fewer traps moves up to a $175 annual license fee. The full commercial license for 1200 traps or less shall remain at $300 for the annual license. This amendment was not directly germane to the original bill; an act relative to the recreational taking of lobster by scuba divers. The hearing for the original bill was held on January 24, 2006, and all testimony, except for the sponsor, was against the bill. A public hearing on the amendment was held on February 7, 2006. All testimony was in favor. The Fish and Game Department is in favor of the legislation. Vote 9-0.

Amendment (0602h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the limited commercial lobster license fees.

Amend the bill by replacing all after the enacting clause with the following:

1 Limited Commercial Lobster License; Fees. Amend RSA 211:18, III(c) to read as follows:

(c) Any individual who is not eligible for the commercial license under subparagraph (b) and any other individual engaged in commercial taking of lobster and crab may receive a limited commercial license. The fee for a resident limited commercial lobster and crab license shall be $103 for new licensees on and after January 1, 2006, and $175 for licensees who held a limited commercial license prior to January 1, 2006. The fee for a nonresident, limited commercial lobster and crab license shall be $350.

2 Effective Date. This act shall take effect July 1, 2006.

AMENDED ANALYSIS

This bill increases fees for certain persons acquiring a limited commercial lobster license.

HB 1302, relative to hunting in the town of Bow. INEXPEDIENT TO LEGISLATE.

Rep. Robert J. L’Heureux for Fish and Game: This legislation, which has come before the committee on several occasions and has consistently been defeated, would have made the town of Bow a shotgun only town. Hunting and safety issues, that may be a concern to Bow, are already adequately covered under existing statutes. According to testimony provided by the Fish and Game Department, there have been no reported incidents in the last six years or more. Furthermore, the implementation of more restrictions on the hunters and sportsmen of New Hampshire is unnecessary to solve a problem that doesn’t exist. The New Hampshire Fish and Game Department, Sunset Mt. Fish and Game Club, and the New Hampshire Wildlife Federation all opposed this bill. Vote 10-0.

HB 1341, relative to the use of land for hunting. INEXPEDIENT TO LEGISLATE.

Rep. David L. Smith for Fish and Game: Although the intent of the legislation is good, the bill as proposed would have done little other than create expense for the Fish and Game Department. It was the feeling of the committee that hunting in the southern tier of the state is somewhat controlled by zoning. In the less populated areas, the problem is land being posted by owners. Rather than wasting precious Fish and Game funds, and using time unproductively, the committee felt that somehow the state should come up with some program to encourage land owners to let their land be open to hunting and fishing. The Fish and Game Department was opposed to the bill. Vote 9-0.
HB 1423-FN, relative to prorating the initial registration fee for off highway recreational vehicles.  
INEXPEDIENT TO LEGISLATE.
Rep. Dennis Reed for Fish and Game: The committee recommends that the bill be Inexpedient to Legislate after discussions with the Fish and Game Department and the Bureau of Trails. Each agency noted that the bill as written would be difficult to administer because of the existing registration structure. Both agencies, with agreement of the prime sponsor, feel that the concept and intent of the bill needs to be analyzed by the agencies to address the best interest of the other users. Vote 9-0.

HB 1646-FN, relative to the use of a leashed tracking dog in the recovery of a wounded deer, moose, or bear.  
OUGHT TO PASS WITH AMENDMENT.
Rep. Paul Mirski for Fish and Game: Allowing for the Department of Fish and Game to promulgate rules to provide for the use of leashed tracking dogs for the recovery of wounded deer, moose or bear is good environmental policy and resource sensitive. Vote 9-0.

Amendment (0992h)
Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Leashed Tracking Dogs. Amend RSA 207 by inserting after section 12b the following new section:

207:12-c Notwithstanding any provision of this title to the contrary, a handler with a leashed dog may track wounded deer, moose, or bear. The executive director shall adopt rules pursuant to RSA 541A, relative to the method and manner of take, time periods for training or using leashed tracking dogs, licensing requirements and fees, possession of recovered deer, moose, or bear, notification requirements, and other provisions deemed necessary to effectively regulate this practice. No person shall use an intact carcass of a deer, moose, or bear for training purposes, but may use samples of blood, tissue, and hide of a deer, moose, or bear legally taken or acquired in this state.

2 Effective Date. This act shall take effect January 1, 2007.

AMENDED ANALYSIS
This bill allows a handler to use a leashed tracking dog for the recovery of a wounded deer, moose, or bear, as provided in rules adopted by the executive director of fish and game.

HB 1747-FN, establishing a New Hampshire healthy tidal waters and shellfish protection program and fund and establishing fees.  
OUGHT TO PASS WITH AMENDMENT.
Rep. David L. Smith for Fish and Game: The activities provided for in this bill have been in place since 1999. To date, annual expenses have not fluctuated significantly. Since the programs inception, it has been funded by federal dollars. This bill appropriates $175,000 which will not be provided by Federal sources in Fiscal Year 2006. At the original bill hearing, everyone was in favor of the program being maintained; however, a large amount of testimony was against the fees being assessed as proposed. A subcommittee was formed including a Ways and Means Committee member. It was felt that fees would not be able to be fairly assessed, for it would be almost impossible to attribute accurate percentage of costs, and the percentage could change from year to year due to various factors. Also a number of the potential fee increases would be on fees fairly recently increased due to cost increases. For this reason, and also due to the program promoting healthy seafood (shipped all over New Hampshire), and maintaining a healthy seashore which encourages seasonal visitors and the room and meal tax money they leave here. The committee supports the amendment. Vote 9-0.

Amendment (0886h)
Amend the title of the bill by replacing it with the following:

AN ACT establishing a New Hampshire healthy tidal waters and shellfish protection program and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The purpose of this act is to replace federal funds received in past years with state funds in order to keep an existing program fully operational. The state shall fund the program with a $175,000 appropriation from the general fund. This act is consistent with and supported by 1993, 251 (HJR 4), approved June 15, 1993; RSA 143:26; RSA 211:63; and RSA 485-A:8, V.
2 New Subdivision: Healthy Tidal Waters and Shellfish Protection Program. Amend RSA 487 by inserting after section 33 the following new subdivision:

New Hampshire Healthy Tidal Waters and Shellfish Protection Program

487:34 Healthy Tidal Waters and Shellfish Protection Program Established.

I. There is established within the department of environmental services the New Hampshire healthy tidal waters and shellfish protection program. This program ensures that water quality in coastal waters supports the propagation, conservation, and harvest of shellfish.

II. To the extent that funds are available, the department shall:
(a) Exercise and administer the classification of coastal waters under New Hampshire shellfish sanitation control authority, pursuant to RSA 143:21 and RSA 143:21-a, so that all waters suitable for shellfish propagation and harvest are classified, and, to the maximum extent possible, classified areas are approved for harvest of shellfish, in accordance with the National Shellfish Sanitation Program.
(b) Identify impaired water quality for shellfish harvesting and work with cooperating agencies and the public to mitigate impairments.
(c) Educate citizens about the need for watershed stewardship to keep coastal waters clean for harvest of shellfish and other designated uses that depend upon safe and clean water.
(d) Conduct strategic planning, together with cooperating agencies and organizations, for New Hampshire’s shellfish program, to enhance recreational shellfish harvest and establish commercial aquaculture harvest potential.

487:35 Finding of Public Purpose. The general court finds that it is for the public good and welfare of this state to protect and preserve its tidal waters for propagation and harvest of shellfish and for other beneficial uses. Shellfish propagation and harvest is a primary indicator of the overall ecological and water quality health of coastal waters. As such, the general court further recognizes the need to restore, preserve, and maintain the state’s tidal waters in order that these significant environmental, aesthetic, and recreational assets will continue to benefit the social and economic well-being of the state’s citizens.

487:36 Definitions. In this subdivision
I. “Commissioner” means the commissioner of the department of environmental services.
II. “Coastal waters” means surface waters of the state, as defined in RSA 485-A:2, XIV, that are subject to the influence of the tides.
III. “Department” means the department of environmental services.
IV. “Coastal watershed area” means the entire watershed area from which water eventually drains to the state’s estuaries and coastal waters.

487:37 Healthy Tidal Waters and Shellfish Protection Fund Established.

I. A special healthy tidal waters and shellfish protection fund is established for exclusive use by the department to accomplish the purposes of this subdivision. This fund shall be nonlapping and continually appropriated to the department for the purposes of this subdivision.

II. The commissioner may apply for and accept, from any source, gifts; donations of money; federal, municipal, or private grants; legislative appropriations; and other funds and incentives for the purposes of this subdivision. The funds accepted under this paragraph shall be paid into the healthy tidal waters and shellfish protection fund established under paragraph 1.

3 New Subparagraph; New Hampshire Healthy Tidal Waters and Shellfish Protection Fund. Amend RSA 6:12, I(b) by inserting after subparagraph (242) the following new subparagraph:
(243) Moneys received under RSA 487:37, II which shall be credited to the New Hampshire healthy tidal waters and shellfish protection fund established under RSA 487:37.

4 Appropriations. The sum of $175,000 is hereby appropriated for the fiscal year ending June 30, 2006 to the healthy tidal waters and shellfish protection fund established in RSA 487:36. The governor is authorized to draw a warrant for said sum of any money in the treasury not otherwise appropriated.

5 Effective Date. This act shall take effect July 1, 2006.

AMENDED ANALYSIS

This bill establishes a New Hampshire healthy tidal waters and shellfish protection program and fund, and makes an appropriation to fund the program.
HB 1331, establishing a committee to study the Temporary Assistance to Needy Families (TANF) reauthorization. OUGHT TO PASS WITH AMENDMENT.

Rep. James R. MacKay for Health. Human Services and Elderly Affairs: The Temporary Assistance to Needy Families (TANF) program has recently been reauthorized by Congress. As required, New Hampshire places the federal authorization into New Hampshire statute by this bill. This bill contains only the federal authorization. No other content was included. The committee was disappointed with some of the changes made in this program. However, this bill is not the vehicle to address possible changes. Other legislation would be required. Failure to place the federal authorization into statute could lead to administrative and fiscal consequences including loss of financial support for the Department of Health and Human Services and the clients who need and will benefit from the program. The committee was in unanimous support of this legislation. Vote 14-0.

Amendment (0670h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the New Hampshire Temporary Assistance to Needy Families (TANF) program.

Amend the bill by replacing all after the enacting clause with the following:

I New Hampshire Employment Program and Family Assistance Program: Statement of Purpose.

Amend RSA 167:77 to read as follows:

167:77 Statement of Purpose.

I. The purpose of this subdivision is to reform welfare through the vehicle made available by the federal government [., whether through block grants or by a federal waiver. If a waiver is necessary, it is the intent of the general court that the commissioner of the department of health and human services request such a waiver so that this subdivision may be implemented]. To the extent permitted by federal law, it is the intent of the general court to [replace the aid to families with dependent children program with] operate the Temporary Assistance to Needy Families (TANF) program through 2 subprograms:

(a) The New Hampshire employment program which shall provide financial assistance for families with dependent children when the children are cared for by a parent or relative who is receiving assistance and is considered to be able-bodied for employment.

(b) The family assistance program which shall provide financial assistance for families with dependent children when the parent or other relative is considered unable to work due to a physical or mental disability or the children are cared for by a relative other than a parent who is not receiving assistance.

II. [Such replacement establishes] The New Hampshire employment program and the family assistance program [as the] are cash assistance programs upon which Medicaid and Food Stamps are automatically granted in the same relationship [as under the AFDC program].

III. [A waiver or a block grant may be phased in, at the discretion of the commissioner. If there is a phasing-in then the existing AFDC/JOBS program may be maintained in all or part of the state at the discretion of the commissioner. To the extent that some portions of the state are covered by the AFDC/JOBS program, the statutes and rules governing that program shall apply and be in effect.] Notwithstanding any other laws to the contrary, the New Hampshire employment program and family assistance program shall be covered by this subdivision and the rules adopted under the authority of this section. All statutory provisions within RSA 161 and 167 which are not inconsistent with the provisions of this subdivision shall remain in full force and effect and shall apply to the New Hampshire employment program and the family assistance program.

IV. The New Hampshire employment program shall promote economic independence and help maintain and strengthen family life by enabling able-bodied persons with dependent children to assume responsibility for their families through the dignity of work. Work shall be promoted by:

(a) Offering employment services, support services, and transitional financial assistance with the expectation that participants move quickly towards employment.

(b) Developing long-term employment skills that lead to self-sufficiency.

(c) Recognizing the equal responsibility of both parents to provide economic support for their children.

V. The goals of the New Hampshire employment program shall be to:

(a) Eliminate or reduce the harmful effects of poverty on families and children by fostering employment and opportunity as a means to economic independence.
(b) Assist participants to gain employment as rapidly as possible, given due consideration to individual circumstances, labor market conditions, the needs of the dependent children for continuing care and protection, and the ultimate goal of long-term economic independence.

(c) Eliminate the stigma of welfare by promoting a philosophy and perception that the purpose of welfare is to eliminate or reduce the harmful effects of poverty on families and children by promoting work opportunities for all New Hampshire residents.

(d) Support and coordinate with activities that promote self-sufficiency and strengthen family life.

(e) Provide a comprehensive support service package that includes: medical assistance, food stamps, child care, transportation, child support, and other support services necessary to promote economic independence.

(f) Promote successful transition from public assistance [through the provision of job readiness activities, training, and education activities concurrently with employment or seeking employment, family support skills, and follow-up services for problem resolution and job advancement] to the labor market.

(g) Develop partnerships with employers to create job opportunities and meet the needs of both employers and participants.

(h) Provide a program where it is more advantageous to work than not to work by rewarding self-sufficiency.

(i) Implement a program that is clear, focused, and simple to administer.

VI. The goals of the family assistance program shall be to:

(a) Eliminate or reduce the harmful effects of poverty on families and children by providing financial assistance and medical assistance only to families with children in a manner compatible with decency and health.

(b) Promote employment opportunities [on a voluntary basis].

2 Definition of Employment-Related Activities. RSA 167:78, IX is repealed and reenacted to read as follows:

IX. "Employment-related activities" mean activities that meet the federally defined work activities in The Personal Responsibility and Work Opportunity Reconciliation Act, Public Law 104-193, Section 407(d) of the Social Security Act, as amended by the Deficit Reduction Act of 2005, and further defined in rules adopted pursuant to RSA 541-A.

3 Employment Program; Eligibility. Amend RSA 167:79, II to read as follows:

II. The following persons shall be included in the assistance group, unless such person receives state supplemental assistance or supplemental security benefits under Title XVI of the Social Security Act, foster care or adoption assistance, if living in the same household or temporarily absent from the household: any dependent child and all minor blood-related, step, or adoptive brothers and sisters, and all natural, step, or adoptive parents of such children, including cohabitating adults who share a minor child. In the case of a minor parent, the assistance unit may also include all natural, step, or adoptive parents of the minor parent and all minor blood-related, step or adoptive brothers and sisters. If the parents are not residing together a child shall be considered residing with the parent who has physical custody of the child the majority of the time.

4 Employment Program; Requirement to Prevent Reduction in Benefits. Amend RSA 167:79, VI (c) to read as follows:

(c) A parent/caretaker relative and case members shall cooperate with [all employment-related activities of] required appointments for entry into the employment program.

5 Employment Program Characteristics. Amend RSA 167:82 to read as follows:

167:82 Employment Program Characteristics.

I. The program shall provide financial assistance to assistance groups who meet and comply with all the eligibility and employment program participation requirements under RSA 167:79, 167:80, and 167:81.

II. The following persons shall be temporarily deferred from the participation [requirements in RSA 167:85, 167:90, and 167:91] in employment-related activities:

(a) Dependent children under the age of 16.

(b) Dependent children age 16 or older who are full-time students in an elementary, secondary, vocational/technical school, or the equivalent.

(c) [One] A parent or caretaker relative [per assistance group] who is personally providing care for a child under the deferral age established by the department by rules adopted pursuant to RSA 541-A.
(d) A parent or caretaker relative who is 60 years of age or older.
(e) A pregnant woman as defined by the department by rules adopted pursuant to RSA 541-A.
(f) A person who is employed full-time as defined by the department by rules adopted pursuant to RSA 541-A:
(g) A person who is temporarily unable to participate in program requirements due to illness or incapacity as certified by a licensed physician or board certified psychologist. The physician or psychologist shall certify, on a form provided by the department, the duration and limitations of the disability:

(h) A parent or caretaker relative required to be in the home to care for another relative or assistance group member who resides in the same household due to that member’s illness or incapacity or disability; and there are no other household members to provide the care; and required care is considered necessary by a licensed physician or board certified psychologist. The physician or psychologist shall certify, on a form provided by the department, the duration that care is required.

(ii) A person with significant employment-related barriers, as determined by the department by rules adopted pursuant to RSA 541-A, that prevent the person from accepting immediate employment.

(iii) Any other person as determined by the department by rules adopted pursuant to RSA 541-A as necessary to promote the purpose and goals of this subdivision.

III. Financial assistance for an assistance group shall be reduced if a parent or caretaker relative of the assistance group:

(a) Fails to assign child support rights to the department.

(b) Fails to cooperate with child support requirements without good cause. A parent or caretaker relative shall have good cause for noncooperation with child support requirements when efforts to establish paternity or secure support are against the best interests of the child or parent or caretaker relative or when efforts to establish paternity or secure support can reasonably be anticipated to result in physical or emotional harm to the child or parent or caretaker relative. A parent or caretaker relative shall also have good cause for noncooperation with child support requirements when at least one of the following conditions exists:

(1) The child for whom support is sought was conceived as a result of incest or forcible rape;

(2) Proceedings for adoption of the child are pending in a court; or

(3) A social service agency is helping the parent or caretaker relative decide whether to relinquish the child for adoption, and the discussions have not occurred for more than 3 months.

(c) Voluntarily quits a job consisting of at least 20 hours of work per week without good cause 60 days or less prior to the date of application for financial assistance, and such parent or caretaker relative has not become reemployed at a level consisting of at least 20 hours of work per week. Good cause for leaving employment shall include any of the following:

(1) Discrimination by an employer based on age, race, sex, color, physical or mental disability, religious belief, national origin, or political beliefs;

(2) Work demands or conditions that render continued employment unreasonable, including but not limited to, employment in which the degree of risk to health or safety is unreasonable or employment yielding weekly earnings of less than the state or federal hourly minimum wage;

(3) Resignation by a person under the age of 60 which is recognized by the employer as retirement;

(4) Employment which becomes or is revealed to be unsuitable following acceptance of such employment, including, but not limited to, employment which the parent or caretaker relative is physically or mentally unfit to perform, or employment in which the distance from the parent or caretaker relative’s home to the place of employment is unreasonable considering the wage and the time and cost of commuting;

(5) Acceptance by the parent or caretaker relative of new employment[, or enrollment of at least half-time in any recognized school, training program or institution of higher education] that requires the parent or caretaker relative to leave current employment;

(6) Leaving a job in order to accept a bona-fide job offer which job offer, because of subsequent circumstances beyond the control of the applicant, is withdrawn or results in employment of fewer than 20 hours per week or weekly earnings of less than the state or federal hourly minimum wage;

(7) Leaving a job in connection with patterns of employment in which workers frequently move from one employer to another, such as migrant farm labor or construction work, even though employment at the new site has not actually begun;
(8) Leaving a job because of circumstances beyond the control of the parent or caretaker relative which render continued employment impracticable, including but not limited to, lack of transportation or child care, or illness, incapacity or disability of the parent or caretaker relative, or illness, incapacity or disability of another household member serious enough to require the presence in the home of the parent or caretaker relative, net loss of cash income, required court appearance, or mandated appointments; or

(9) Other good cause.

(d) Voluntarily quits or refuses a job without good cause as defined in RSA 167:82, III(c) while receiving financial assistance. A parent or caretaker relative shall be considered to have voluntarily quit a job while receiving financial assistance if such person fails to report for work without good cause as defined in RSA 167:82, III(c), resulting in the termination of the parent or caretaker relative’s employment while receiving assistance. A parent or caretaker relative who is fired or resigns from a job at the request of the employer due to such person’s inability to maintain the employer’s normal work productivity standard shall not be considered to have voluntarily quit the job.

(e) Fails to comply without good cause with ongoing participation requirements in RSA 167:85, 167:88, 167:90, or 167:91. Failure to participate in employment-related activities for the number of hours specified by The Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, as amended by the Deficit Reduction Act of 2005, and by rules adopted pursuant to RSA 541-A shall result in the denial of benefits for the entire assistance group. Good cause shall exist when circumstances are beyond the participant’s control, including, but not limited to, lack of transportation or child care, or illness, incapacity or disability of the participant, or illness, incapacity or disability of another household member serious enough to require the presence in the home of the participant, net loss of cash income, required court appearance, mandated appointments, or unreasonable risk to the health or safety of any household member.

(f) Fails to comply with other eligibility requirements as determined by the department by rules adopted pursuant to RSA 541-A as necessary to promote the purpose and goals of this subdivision.

IV. Financial assistance for an assistance group shall be reduced if a non-deferred dependent child of the assistance group:

(a) Fails to comply without good cause with ongoing participation requirements as required by RSA 167:85, 167:88, 167:90, or 167:91. Good cause shall exist when circumstances are beyond the participant’s control, including, but not limited to, lack of transportation or child care, or illness, incapacity or disability of the participant, or illness, incapacity or disability of another household member serious enough to require the presence in the home of the participant, net loss of cash income, required court appearance, mandated appointments, or unreasonable risk to the health or safety of any household member.

(b) Fails to comply with other eligibility requirements as determined by the department by rules adopted pursuant to RSA 541-A as necessary to promote the purpose and goals of this subdivision.

V. The department shall establish reduction rates, [and] the duration of the reduction [for reductions under RSA 167:79, VI, 167:82, III, and 167:82, IV] rates and financial assistance closure reasons by rules adopted pursuant to RSA 541-A. [The initial reduction rate imposed on any household shall be determined by disregarding the needs of the participant who is out of compliance, but not the needs of the dependent children. If the participant remains out of compliance at the end of the initial reduction period, then a greater reduction may be imposed which partially disregards the needs of the dependent children.] No reduction or closure shall be imposed on a household unless the participant who is out of compliance has received prior written notice of the reason for the reduction of assistance or closure and the specific actions which must be taken in order to reinstate full assistance. No reduction or closure shall be imposed [which disregards the needs of the children] when the parent or caretaker relative who is out of compliance lacks the means necessary to immediately come into compliance.

VI. Participants shall be eligible for medical assistance as categorically needy provided they receive financial assistance under this subdivision, or are otherwise eligible to receive such assistance but do not. An assistance group that becomes ineligible due to new or increased earnings shall remain eligible for medical assistance for 12 months from when the assistance group became ineligible pursuant to rules adopted under RSA 541-A.

VII.(a) Financial assistance payments shall be based on the characteristics of the assistance group under this section and the standard of need and payment standard as authorized in RSA 167:7, II.
The financial assistance grant is the difference between the assistance group’s net income and the payment standard. The financial assistance payments may be contingent on the performance of program activities and may be made after the performance of such program activities. The following disregards and deductions shall be allowed in determining net income:

(1) An applicant earned income disregard.
(2) A participant earned income disregard.
(3) A deduction for all amounts actually paid by the assistance group for court-ordered payments.
(4) A deduction for amounts actually paid for child care expenses not to exceed the applicable rate as determined by the department by rules adopted pursuant to RSA 541-A.
(5) [Repealed.]
(6) Any other disregard or deduction established by the department by rules adopted pursuant to RSA 541-A as necessary to promote the purpose and goals of this subdivision.

(b) The department may establish the amount of the earned income disregard or any other disregard or deduction by rules adopted pursuant to RSA 541-A.

VIII. When the department has made a final determination that a parent or caretaker relative, without good cause, has failed to comply with employment program work requirements under RSA 167:85, and assistance to the household has been reduced or closed pursuant to RSA 167:82, III(c)-(e) or IV(a), the amount of reduction shall be a qualified state assistance reduction. The reduction or closure shall remain a qualified state assistance reduction for so long as the parent or caretaker relative is a New Hampshire employment program recipient and maintains the present ability to cure the reduction by complying with employment program work requirements. The department shall provide advance notice to the parent or caretaker relative of the amount and effective date of the qualified state assistance reduction or closure and that a city or town may consider the amount as deemed income for purposes of calculating eligibility for and the amount of general assistance. Upon request, the department, in a timely manner, shall make available to the welfare administrator of any city or town information as to the existence and amount of any qualified state assistance reduction or closure amount that has been imposed on any person applying for assistance from that municipality.

6 Infringement on Rights of Other Employees Prohibited. Amend RSA 167:82-a, I to read as follows:

I. The employment program shall not [use participants] permit individuals to participate in the employment program in any way contrary to federal law under section 407(f) of the Social Security Act.

Rulemaking: Notice Requirements. Amend RSA 167:83, II(b) to read as follows:
(b) Notification of case decisions which affect the type or amount of benefits, [or] the level of eligibility [to participants], or changes in participation requirements.

Rulemaking. Amend RSA 167:83, II(o) to read as follows:

(p) Any other matters necessary to implement the program in a manner that promotes the purpose and goals of this subdivision.

Right to Notice of Type and Amount of Benefits. Amend RSA 167:83, III(c) to read as follows:
(c) To be notified of the decision relative to eligibility, and benefit amounts and of any changes which affect the benefit amount, the level of eligibility, or changes in participation requirements.

Family Assistance Program. Amend RSA 167:84, I and II to read as follows:
I. The family assistance program shall provide financial assistance for dependent children who:
(a) Are deprived of parental support or care by reason of death, continued absence from the home, physical or mental incapacity, or the unemployment or underemployment of a parent, and
(b) Reside with either their nonable-bodied specified relative or a caretaker relative who is not included in the assistance group. Financial assistance shall be provided to the parents of the dependent child. Financial assistance may be provided to the nonable-bodied caretaker relative.

(a) Are cared for by a caretaker relative who is not included in the assistance group.
(b) Are cared for by a specified relative and does not meet the definition of RSA 167:78, I.
(c) Are cared for by caretaker relative who is included in the case and does not meet the definition of RSA 167:78, I.
II. An applicant shall meet all eligibility requirements under RSA 167:79, II, III, IV, V, VI(a), 167:80 and 167:81 to be eligible for financial assistance under this section, and shall be subject to applicable sanctions or case closures under RSA 167:82, III(a), III(b), and III(f).

11 Employment Program Work Component; Employment-Related Activities. RSA 167:85 is repealed and reenacted as follows:

167:85 Employment Program Work Component; Employment-Related Activities. All participants in the employment program shall participate in an assessment, employment plan development, and be involved in an employment-related activity while participating in the program unless temporarily deferred from participation as authorized by rules adopted pursuant to RSA 541-A and RSA 167:82. II. Noncompliance with employment-related activities without good cause shall be subject to financial assistance penalties pursuant to RSA 167:82, III and IV.

I. Employment-related activities shall be available as specified in The Personal Responsibility and Work Opportunity Reconciliation Act and The Deficit Reduction Act of 2005. Additional employment-related activities that are consistent with the purpose and goals of The Personal Responsibility and Work Opportunity Reconciliation Act, The Deficit Reduction Act of 2005, and this subdivision shall be defined by rules adopted under RSA 541-A.

II. A person temporarily deferred under RSA 167:82, II may participate in the employment program on a voluntary basis to the extent that the program is available and funding and resources are sufficient as determined by the commissioner. If such a person participating in the employment program does not meet the requirements of this section without good cause pursuant to RSA 167:82, the person shall not re-enroll for 3 months.

III. The commissioner may waive requirements under this section if funding and resources are not available to administer this section.

12 Support Services. Amend RSA 167:86 to read as follows:

167:86 Support Services. The commissioner shall reimburse persons for [necessary] travel, child care, and other support service expenses [incurred], as funding and resources permit, while [conducting] participating in approved employment program activities. The amount shall be determined by the commissioner by rules pursuant to RSA 541-A. Child care shall be appropriate and safe. The lack of such care shall be considered good cause for deferral from participation.

13 Initial Employment Appraisal and Assessment; Employment Contract. Amend RSA 167:88 to read as follows:

167:88 Initial Employment Appraisal and Assessment; Employment Contract.

I. The commissioner shall determine a participant's ability for employment based on:

(a) Such person's work experience, skills, training, education, physical abilities, local labor market area conditions, and if appropriate, aptitude and vocational interests;

(b) Such person's child care, transportation, and other support service needs;

(c) Any other factors that the employment program considers relevant in accordance with rules adopted pursuant to RSA 541-A.

II. The commissioner may make the determination in paragraph I through various methods, including, but not limited to, interviews, testing, counseling sessions, and self-assessment instruments. Participants identified as needing additional services not provided by the commissioner may be referred to community agencies, resources, and services.

III. [make initial and ongoing assessments of the skills, prior work experience, and employability of each participant entering the employment program.]

II. The commissioner shall develop an employment [contract] plan in conjunction with the participant. [To the extent that it is feasible and consistent with the purpose and goals of this subdivision, the employment contract shall reflect the preferences of the participant with respect to goals for employment, training or education:] The employment contract plan shall:

(a) Indicate employment goals for achieving long-term economic independence, including goals for immediate employment in the labor market.

(b) [Outline a planned series of action steps necessary to achieve employment goals:] Describe the obligations of the participant that will help him or her become or remain employed in the private sector, and describe the steps necessary for the participant to engage and remain in good standing with program requirements.

(c) Describe the services to be provided by the employment program.

(d) Identify the support service needs of the participant and indicate how those needs are being addressed.
(e) Follow any other requirements pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act, as amended by the Deficit Reduction Act of 2005.

IV. The commissioner shall make the final approval of the employment contract.

14 Job Search Programs; Employment Related Activities. RSA 167:90 is repealed and reenacted to read as follows:

167:90 Employment Related Activities.

I. Participants shall engage in employment-related activities for the number of hours requires by 42 U.S.C. section 607(c), as amended, to meet participation requirements. The department shall adopt rules under RSA 541-A relative to the required number of hours and the method of reporting and verifying the reported hours of employment-related activity.

II. The commissioner shall provide employment-related activities, as funding and resources permit, pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act, as amended by the Deficit Reduction Act of 2005, and rules adopted under RSA 541-A.

15 Specialized Employment-Related Activities. Amend RSA 167:91 to read as follows:

167:91 Specialized [Services] Employment-Related Activities. The following describes [the employment program specialized services] certain specialized employment-related activities and associated participant requirements:

I. Each participant less than [24] 20 years of age, who is not enrolled in school and who does not have a general education diploma (GED) or a high school diploma (HSD) shall:

(a) Actively pursue an education designed to prepare such person to qualify for a high school equivalency diploma; or

(b) Enroll in school to pursue a high school diploma.

II. [Each participant required to pursue an education under paragraph I and who is unable to obtain a GED or HSD in a specified period of time may be offered services to enhance basic literacy and work skills:

III. A participant shall be permitted to volunteer to participate under paragraphs I and II as funding and resources permit.

IV. The commissioner may offer English as a Second Language services to eligible participants identified by rules adopted under RSA 541-A.

V. A participant shall be exempt from the requirements of paragraphs I and II if:

(a) The participant is unable to successfully complete educational activities and is willing and able to participate in job search activities; or

(b) The participant’s involvement in educational activities is inappropriate, based on assessment and the employment goals established in the employment contract, and such goals do not require a high school diploma or equivalent.

VI. III. The commissioner may provide on-the-job training. A participant shall make satisfactory progress in the employment placement to continue to qualify as an employment-related activity under the employment program and be an approved activity under The Personal Responsibility and Work Opportunity Reconciliation Act, as amended by the Deficit Reduction Act of 2005.

VII. IV. The commissioner may refer a participant to a training agency if such participant requires short-term training to enter the work force. All training shall emphasize vocational skills training for participants in a specific occupational area. The commissioner shall require an assessment for referral to training programs to determine the appropriateness of the training in accordance with the criteria established by the commissioner by rules adopted pursuant to RSA 541-A. Final approval of the training program shall be the responsibility of the commissioner.

VIII. The commissioner may refer a participant to postsecondary education if it appears that postsecondary education is required for the household to achieve long-term economic independence. All postsecondary education shall emphasize vocational skills training for participants in a specific occupational area. The commissioner shall require an assessment for referral to postsecondary educational programs to determine the appropriateness of the postsecondary education in accordance with the criteria established by the commissioner by rules adopted pursuant to RSA 541-A. Final approval of the postsecondary educational program shall be the responsibility of the commissioner. The following shall apply:

(a) Any initial postsecondary educational program that is considered at least half-time as defined by the institution, shall include a part-time employment requirement that is reasonable and consistent with the needs of the dependent children for continuing parental care and protection:
(b) Any initial postsecondary educational program that is considered less than half-time as defined by the institution, shall include an employment requirement that may include full-time employment, if reasonable and consistent with the needs of the dependent children for continuing parental care and protection:

(c) A work placement or paid employment shall be arranged prior to the beginning of any educational program to satisfy the requirement in subparagraph VIII(a) or (b):

(d) Any initial postsecondary educational plans shall emphasize vocational skills training in a specific occupational area and shall not be approved beyond the associates degree level:

(e) The department shall not reimburse for tuition, books, supplies, or school fees:

(f) If a participant becomes unemployed while attending postsecondary educational activities, job search activities may be allowed for a predetermined period of time to meet the conditions in subparagraphs VIII(a) or (b):

(g) If a work placement or paid employment position is not available, participants may be required to enter into the alternative work experience program:

IX. A person in good standing in a postsecondary educational program or training program at the time of application to the department may continue to attend if the following requirements are met:

(a) The additional requirements in paragraphs VII and VIII are met

(b) The costs of the education or training shall not be the responsibility of the department:

(c) Self-initiated education shall not be approved beyond the associates degree level unless the participant is completing a bachelors degree program within a limited period of time to be determined by the department by rules adopted pursuant to RSA 541-A which shall not exceed 2 years and meets any additional requirements of the program:

[X.] VI. (a) The department may operate an alternative work experience program pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act, as amended by the Deficit Reduction Act of 2005.

[(b)] Participants shall not be entitled to a salary or training expense when participating in the alternative work experience program:

(c) At the successful conclusion of an alternative work experience program placement, the commissioner may reassess and enroll such participant in another employment-related activity, if appropriate and available:

(d) Any placement that is not considered full-time shall require participation in another employment-related activity. Placements less than 26 weeks shall be permitted:

(e) A participant who voluntarily quits an alternative work experience placement without good cause, as defined in RSA 167:82, III(c) and (d) shall be subject to RSA 167:82.

(f) Participants who do not comply with all the requirements under this section without good cause, as defined in RSA 167:82, III(c) shall be subject to RSA 167:82.

[XII.] VII. The department shall be the payor of last resort for all expenses involved in any training and postsecondary educational activity; and participants shall be required to apply for any other available assistance, prior to receiving financial assistance from the department. Financial assistance for training and educational programs shall have monetary limits established by the department by rules adopted by the commissioner pursuant to RSA 541-A.

[XIII.] VIII. Job search requirements and the work for benefits placement may be suspended by the commissioner for a specified time when the person is participating in other specialized services.

[XIV.] Participants assessed as needing intensive job readiness assistance in order to obtain full-time employment shall be referred to a job readiness program or educational services below the postsecondary level:

[XV.] Participants assessed as needing assistance to resolve significant personal barriers prior to obtaining and accepting full-time employment shall be referred to the appropriate community services and resources:

[XVI.] The duration of services under this section shall be determined by the commissioner by rules adopted pursuant to RSA 541-A as necessary to promote the purpose and goals of this subdivision:

16 Repeal. The following are repealed:

I. RSA 167:78, XIII, relative to the definition of job search program.

II. RSA 167:78, XIV, relative to the definition of making good progress.

III. RSA 167:78, XXII, relative to specialized services.

IV. RSA 167:78, XXIV, relative to suspension of job search.

V. RSA 167:78, XXVI, relative to benefits program.

17 Effective Date. This act shall take effect 60 days after its passage.
AMENDED ANALYSIS

This bill revises the Temporary Assistance to Needy Families (TANF) program in anticipation of federal, legislative changes to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

HB 1346, requiring certain persons to keep the contents of prescriptions confidential. OUGHT TO PASS WITH AMENDMENT.

Rep. Cindy Rosenwald for Health, Human Services and Elderly Affairs: This bill safeguards the privacy of both patients and physicians by preventing the sale of their identity for use by pharmacies and drug companies to promote specific medications or monitor the effectiveness of sales and marketing efforts. The bill makes the sale of such private information a violation of the Unfair Trade Practice Act. While HIPAA is supposed to protect patient identity from being bought and sold, it is not always effective. A major drug company is under investigation for paying pharmacists and employees of physician offices to identify patients whose medications could be switched to a competing brand. In New Hampshire, the Pharmacy Board receives complaints from individuals who get coupons for other drug brands in the mail. Currently, drug companies buy the prescribing records of health care providers who prescribe medications. This is done without the provider’s permission, and the committee believes it is an unwarranted invasion of privacy that eventually leads to higher drug utilization costs. The bill was amended to define carefully the prohibited uses of identity data. It also protects legitimate uses of identity such as insurance reimbursement, private insurance and Medicaid formulary compliance, fraud investigation, and academic research. Significantly, the legislation does not prohibit the collection, sale, or use of prescriber identity in the aggregate (e.g. the number of prescriptions for a specific brand by all the psychiatrists in Manchester). Therefore, the committee believes that a drug company’s commercial interest in promoting its products and evaluating its sales force is adequately protected. In restricting the commercial use of identity data, doctors will be allowed to make prescribing decisions based on therapeutic value without influence from drug reps. This can lead to slower increases in cost for Medicaid and health insurance premiums paid by businesses and individuals. The Medical Society, DHHS, and the AG’s office all support the legislation. Vote 13-0.

Amendment (0738h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Pharmacist and Pharmacies; Prescription Information to be Kept Confidential. Amend RSA 318 by inserting after section 47-e the following new section:

318:47-f Prescription Information to be Kept Confidential. Records relative to prescription information containing identifiable patient and prescriber data shall not be used, transferred, licensed, or sold by any pharmacy benefits manager, insurance company, electronic transmission intermediary, retail, mail order, or Internet pharmacy, or other similar entity, for any commercial purpose, except for the limited purposes of pharmacy reimbursement, care management, and utilization review by the patient’s insurance provider or the provider’s agent. Commercial purpose includes, but is not limited to, advertising, marketing, promotion, or any other purpose that could be used to influence sales or market share of a pharmaceutical product, influence or evaluate the prescribing behavior of an individual health care professional, except for evaluation by an insurance provider or the provider’s agent for the purpose of compliance with the provider’s formulary, or evaluate the effectiveness of a professional detailing sales force. In addition to other appropriate remedies under this chapter, a violation of this section is an unfair or deceptive act or practice within the meaning of RSA 358-A:2. Any right or remedy set forth in RSA 358-A may be used to enforce the provisions of this section.

2 New Paragraph; Controlled Drug Act; Prescription Information to be Kept Confidential. Amend RSA 318-B:12 by inserting after paragraph III the following new paragraph:

IV. Records relative to prescription information containing identifiable patient and prescriber data shall not be used, transferred, licensed, or sold by any pharmacy benefits manager, insurance company, electronic transmission intermediary, retail, mail, or Internet pharmacy, or other similar entity, for any commercial purpose, except the limited purposes of pharmacy reimbursement, care management, and utilization review by the patient’s insurance provider or the provider’s agent. Commercial purpose includes, but is not limited to, advertising, marketing, promotion, or any other purpose that could be used to influence sales or market share of a pharmaceutical product, influ-
