(d) Legislation returned from the non-originating body, with an amendment,
shall not be re-referred to Committee but shall have one of the following recommend-
dations: Concur, Nonconcur, Nonconcur and Request a Committee of Conference.
Adoption of a motion to Nonconcur kills the legislation.

(a) Whenever there be any disagreement between the Senate and the House on
the content of any bill or resolution, and whenever both bodies, voting separately, have
agreed to establish a committee of conference, the President of the Senate shall ap-
point three members to the Senate conference committee on the bill and the Speaker
of the House shall appoint four members to the House conference committee. Excep-
tions: (1) the House committee of conference on the operating budget shall consist
of five members; (2) the number of the members of the committees of conference on
any bill may increase or decrease if the President and the Speaker both agree. The
two committees of conference on a bill shall meet jointly but vote separately while in
conference. A unanimous vote by both committees of conference shall be necessary
for an agreed report to the Senate and the House by the committees of conference.

(b) The first-named person from the body where the bill or resolution in dis-
agreement originated shall have the authority to call the time and place for the first
meeting of the committees of conference on said bill.

(c) The first-named person on a committee of conference shall be the chairman
of that conference. The chairman of the committee of conference of the body where
the bill or resolution in disagreement originated shall chair the joint meeting of the
committees of conference.

(d) No action shall be taken in either body on any committee of conference report
earlier than some subsequent day, after the report has been delivered to the seats or
placed on a member’s desk. A committee of conference may neither change the title
of any bill submitted to it nor add amendments which are not germane to the subject
matter of the bill as originally submitted to it.

(e) Conference Committees on Budget Bills. The report of each committee of
conference on either the general appropriation bill, or the capital improvements bill
shall be printed in the journal or a supplement thereto of the appropriate body before
action on said report is taken on the floor. Non-germane amendments, sections and
footnotes to such bills (except footnotes in explanation of the principal text of such
bills or designating the use or restriction of any funds or portions thereof) are pro-
hibited and shall not be allowed under any circumstances. Notwithstanding the gen-
eral provisions of paragraph (h) of this section, the Conference Committee on gen-
eral appropriations bill may propose new items for inclusion in said bill but no such
item may be so included unless and until it shall have been returned to both the Sen-
ate and the House and adopted in identical form by a majority vote in each body.

(f) When both committees of conference on a concurrent resolution proposing
an amendment to the constitution have agreed, the committee of conference from the
body which acceded to a request for committees of conference shall file its report with
the clerk of that body who shall print it in full in the journal or supplement of that
body. The report shall be made a special order of business at the late session of a
subsequent day. After said report has been adopted by the first body, a message shall
be transmitted to the second body which shall then act upon the report of its commit-
tee of conference.

(g) The sponsor of any bill or joint resolution referred to committees of con-
ference shall, upon his request, be granted a hearing before said committees prior to
action thereon.

(h) No member of a committee of conference shall sign any report that contains
non-germane amendments or subject matter that has been indefinitely postponed in
either body. For the purposes of this rule, a non-germane amendment would be any
subject matter not contained in either the House or the Senate version of the bill.

20. All resolutions which may require the signature of the Governor shall be treated
in the same manner as bills.

21. Every bill shall have three readings in the Senate previous to its passage. The
first and second readings shall be by title only which may be accomplished by a con-
glomerate resolution, after which the bill shall be referred by the President to the
appropriate committee and shall be printed as provided in Rule 22, unless otherwise
ordered by the Senate. No bill after it has been read a second time shall have a third
reading until after adjournment from the early session. The time assigned for the third
reading of bills and resolutions shall be in the late session unless otherwise ordered
by the Senate. The orders of the day for the reading of bills shall hold for every suc-
ceeding day until disposed of.

22. After every bill shall have been read a second time, and referred by the Presi-
dent to the appropriate committee, the Clerk shall procure a sufficient number of
copies, printed on paper of uniform size, for the use of the legislature, and cause the
same to be distributed to the members, and when printed the bill shall be immedi-
ately delivered to the committee to which it shall have been referred. Bills received
from the House shall be printed at the same stage of their procedure unless they have
been printed in the House and copies distributed in the Senate, in which case any
amendment made by the House shall be duplicated and distributed in the Senate.

23. No amendment shall be made but upon the second reading of a bill; and all
amendments to bills and resolutions shall be in writing, with the name of the Senator
and the district he represents, or in the case of a committee amendment the name of the committee that recommended it, thereon. No amendment to any bill shall be proposed or allowed at any time or by any source, including a committee of conference, except it be germane. Amendments shall have been reviewed by the Office of Legislative Services for form, construction, statutory and chapter reference.

24. A hearing shall be held upon each bill referred to a committee, and notice of such hearing shall be advertised at least 4 days before hearing in the Senate Calendar. The Senate Calendar shall be available on the Internet for viewing as soon as it has been released for printing.

(a) All bills in the possession of committees shall be reported out with one of the following recommendations: ought to pass, ought to pass with amendment, rerefer to committee, inexpedient to legislate, or refer for interim study. Re-refer to committee shall be a committee report only in the first-year session. All rereferred bills shall be acted on by the third legislative day of the second year session. Refer for interim study shall be a committee report only in the second year session.

(b) Any legislation creating a chapter study committee shall have membership limited to members of the General Court.

25. When a bill is reported favorably with an amendment, the report of the committee shall state the amendment, and then recite the section of the bill in full as amended. The amendment shall be printed in the senate calendar on the date that the report is listed for action. If no action is taken on that day, then the amendment shall be printed on the day to which the bill has been referred. All bills reported shall be retained by the clerk and shall not be finally acted upon until the following legislative day, and a list of such bills with the report of the committee thereon shall be published in the senate calendar for the day on which action shall be taken.

26. Referral of Bills to Finance Committee

(a). Every bill and joint resolution appropriating money, and every other bill which is accompanied by a fiscal note pursuant to RSA 14:44, which has been referred to another committee and favorably accepted by the Senate, shall be committed to the Finance Committee for review. All bills which are referred directly to the Finance Committee shall have a hearing.

(b). The Chair of a standing committee may request the Chair of the Finance Committee to exempt from review a bill that is subject to a fiscal note pursuant to RSA 14:44, but which the Chair of the Finance Committee believes has an undetermined or insignificant fiscal impact. The Chair of the Finance Committee shall announce on the floor all such bills exempted from review as soon as practicable after receipt of the request.

27. All warrants, subpoenas and other processes issued by order of the Senate shall be under the hand and seal of the President attested by the Clerk.
28. All committees of the Senate, including Senate members on committees of conference, shall consist of members of both parties as nearly equal as possible, provided that on all committees, both parties shall be represented. The President shall appoint the members of all committees, after consulting with the minority leader.

29. The standing committees of the Senate shall be as follows: the Committee on Capital Budget, the Committee on Commerce, Labor and Consumer Protection, the Committee on Education, the Committee on Election Law and Internal Affairs, the Committee on Energy, Environment and Economic Development, the Committee on Executive Departments and Administration, the Committee on Finance, the Committee on Health and Human Services, the Committee on Judiciary, the Committee on Public and Municipal Affairs, the Committee on Rules and Enrolled Bills, the Committee on Transportation and Interstate Cooperation, the Committee on Ways and Means and the Committee on Wildlife, Fish and Game.

30. Messages shall be sent to the House of Representatives by the Clerk of the Senate.

31. Messages from the Governor or House of Representatives may be received at all times, except when the Senate is engaged in putting the question, in calling the yeas and nays, or in counting the ballots.

32. All questions shall be put by the President, and each member of the Senate present shall signify his assent or dissent by voting yea or nay, or shall abstain from voting by reason of a conflict pursuant to rule 42. If the President doubts, or a division is called for, the Senate shall divide. Those in the affirmative on the question shall first rise from their seats and stand until they be counted. The President shall rise and state the decision of the Senate.

33. No person except members of the Senate and its officers, the Governor, Council members, the Secretary of State, the Treasurer, the Speaker of the House of Representatives and its officers and clerks, shall be admitted to the floor of the Senate while the Senate is in session, except by the invitation of the President, or some member with the President's consent.

34. The Senate shall adjourn to meet on the subsequent legislative day for the early session at the time mentioned in the adjournment motion. The late session shall immediately follow the early session unless the Senate shall otherwise order.

35. No standing rule of the Senate shall be suspended unless two-thirds of the members present and voting vote in favor thereof. This rule shall not apply to Senate Rule 9.

36. No rule shall be rescinded unless two days notice of the motion has been given and two-thirds of those present and voting vote therefore.

37. The Senate may resolve itself into a Committee of the Whole at any time on motion made for that purpose; and in forming a Committee of the Whole, the President shall leave the chair, and appoint a chairperson to preside in committee.
38. The President when performing the duties of the Chair may, at any time, name any member to perform the duties of the Chair.

39. The staff of the Senate shall be comprised of a clerk, an assistant clerk, a sergeant-at-arms, and a doorkeeper who are to be elected by the Senate, and such other personnel as the President shall appoint. The President shall define the duties of all members of the Senate staff which are not fixed by statute or otherwise ordered by the Senate.

40. Each member of the staff of the Senate shall be available on call to carry out the work of the Senate.

41. The committees shall promptly consider and report on all matters referred to them. The President may authorize such committees having a heavy load of investigation, re-drafting, research or amendments to meet as needed on non legislative days during the legislative session. The Clerk of the Senate shall prepare a list by number, title and sponsor of all Senate bills and resolutions in committee which have not been acted upon within one week before the deadline established for the transfer of bills and resolutions from the Senate to the House of Representatives, and he/she shall distribute this list to every member of the Senate as soon as it is prepared.

42. In all instances every member shall act in conformance with the duly adopted Ethical Guidelines and Opinions of the New Hampshire General Court.

43. Action on the floor of a report of the Committee on Finance or a Committee of Conference on either the general appropriations (budget) bill or the capital budget bill, shall not be taken by the Senate, until said report has been available from the Senate Clerk twenty-four hours in advance, in written form. Non-germane amendments and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances.

44. Personal Privilege: A Senator may, as a matter of personal privilege, defend his/her position on a bill, his/her integrity, his/her record, or his/her conduct, against unfair or unwarranted criticism, or may speak of an issue which relates to his/her rights, privileges or conveniences as a Senator; provided, however, the matters raised under personal privilege shall not be subject to questioning, answer, or debate, by another Senator. Personal Privilege remarks may be included in the Daily Journal if requested by the Senator, and in the Permanent Journal by vote of the Senate. A Senator may speak on other matters of his/her choosing and in such cases may be subject to questioning and/or answer according to the Rules of the Senate.

45. Any appeal from the ruling of the presiding officer shall be decided by majority vote of the members present and voting.

46. No new motion shall be admitted under color of amendment as a substitute for the motion under debate.
47. No officer or employee of the Senate during the session or any adjournment thereof shall purchase or contract for the purchase, pay or promise to pay any sum of money on behalf of the Senate or issue any requisition or manifest without the approval of the Senate President.

48. Deadlines:

(a) The Office of Legislative Services shall not draft a Senate Bill or resolution, unless a request by a member for drafting with complete information has been received not later than 5:00 p.m. on Wednesday, December 13, 2006.

(b) The last day to sign-off legislation for the above filing period shall be Wednesday, January 17, 2007 at 5:00 p.m.

(c) Thursday, March 15, 2007 - Deadline for Policy Committees to ACT on all Senate money bills, except bills exempted pursuant to Senate Rule 26(b)

The budget division may respond to that request when doing so will not interfere with the budget division’s principle responsibilities as outlined in RSA 14:31-b, as determined by the Legislative Budget Assistant.

DUTIES OF THE SPEAKER

1. The Speaker shall take the chair at precisely the hour to which the House has adjourned and shall immediately call the members to order.

2. The Speaker shall preserve decorum and order, may speak on points of order in preference to other members, and shall decide questions of order. The decision of the Speaker on a question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting.

3. The Speaker shall appoint all committees unless otherwise directed by the House, subject to the provisions of Rule 28.

4. The Speaker shall refer all bills, resolutions, memorials, petitions, accounts, and other matters coming before the House to the appropriate committees, unless otherwise ordered by the House. The Speaker may refer the same jointly to two committees or to a special committee.

5. The Speaker shall not be called on to vote unless the vote would be decisive. If the vote is tied after the Speaker has voted, the question shall be lost as provided in Rule 23.

6. The Speaker shall sign all bills, resolutions, and addresses after passage or enrollment. All warrants, subpoenas and other processes issued by order of the House shall be signed by the Speaker and attested to by the Clerk.

7. The Speaker or chairman of the committee of the whole House shall have the power to order the gallery cleared in cases of any disturbance or disorderly conduct.

8. The Speaker shall have power to substitute any member to perform the duties of the Chair. If absent, the Speaker shall designate a member to perform the duties of the Chair unless otherwise ordered by the House.

DECORUM AND DEBATE

9. When the House is called to order, members shall take their seats and shall activate their voting stations immediately. When they leave their seats for any reason they shall deactivate their stations.

11. When any member is about to speak in debate, make a motion, or deliver any matter to the House, the member shall rise from his or her seat and respectfully address the Speaker, declaring the purpose for which the member rises to speak.

12. In all cases the member rising first shall speak first. When two or more members rise at the same time, the Speaker shall name the person to speak. When many members choose to speak, they may file their names with the Clerk, who shall supply the list to the Speaker. The Speaker shall name the order in which the members shall speak.
13. No member shall speak more than twice on the same question without permission from the House. No member shall speak more than once until every member choosing to speak has spoken.

14. While the Speaker is putting a question or addressing the House, no one shall walk out of or across the House. While a member is speaking, no one shall pass between that member and the other members of the House, nor shall anyone engage in private conversation.

15. If any member transgresses the rules of the House, the Speaker shall, or any member may, call the member to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated by the Speaker.

16. In all instances, every member shall act in conformance with the duly adopted New Hampshire General Court Ethics Guidelines and opinions of the Legislative Ethics Committee.

17. (a) The following persons shall be admitted within the door of the Representatives’ chamber or anteroom while the House is in session: House members and officers, the Governor, Council members, the Secretary of State, the Treasurer, the President of the Senate and the Senate Clerks.

(b) No other person shall be admitted within the door of the Representatives’ chamber or anteroom while the House is in session, except with the permission of the Speaker.

18. Before any petition is received and read, the substance of the petition shall be in concise form, and the name of the person presenting it shall be recorded on the petition. The Speaker shall state the substance of the petition.

19. After a motion is stated by the Speaker, it shall be in possession of the House, but may be withdrawn at any time before an amendment.

20. (a) When any question is under debate, precedence of motions shall be as follows:

   (1) to adjourn;
   (2) to lay on the table;
   (3) for the previous question;
   (4) to postpone to a certain day;
   (5) to commit;
   (6) to amend;
   (7) to postpone indefinitely.

Motions to adjourn, to lay on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter.
(b) No vote on a motion to lay on the table a Constitutional Amendment Concurrent Resolution shall pass unless approved by an affirmative vote of three-fifths of the entire House membership.

(c) When a question is postponed indefinitely, it shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

(d) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

21. (a) The Speaker shall put the previous question in the following form: "Shall debate now be limited?" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question.

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

22. There shall be three forms of deciding the question: voice vote, division vote, roll call vote. No member shall vote in any case when the member was not present when the question was put.

(a) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

(b) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote. When a division of the House is taken, the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

(c) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by 10 other members. The member requesting the roll call vote and the 10 members who second the motion shall notify the clerk in writing or shall rise from their seats or otherwise be recognized by the Speaker.

(d) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each member present at his or her voting station shall press either the YES
(Green) or NO (Red) button unless excused by the House for a special reason. After closing the vote, the Speaker shall rise and state the decision of the House.

23. In case of a tie vote, the question shall be lost.

24. No member shall leave his or her seat while the voting machine is in use and until the Speaker announces the result of the vote.

25. No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House.

(a) Notice of a motion for reconsideration shall be in order only until noon on the next business day after the date that the vote was taken.

(b) Any such notice of reconsideration shall be effective for two legislative days only and thereafter shall be null and void. The day when notice is served shall be counted as the first legislative day, even if notice occurs while the House is in recess or adjournment.

(c) When notice of reconsideration is received by the House, the Clerk of the House shall hold the bill or resolution relative to which such notice has been served until the expiration of the time within which such notice is effective.

(d) Reconsideration of any bills subject to a transfer date established by joint rules must be acted upon on or before the joint rule deadline, and thereafter shall be null and void.

26. When the reading of a paper or a document is objected to by a member, the question shall be determined by a vote of the House without debate.

27. All members shall attend to their duties in the House or committee, and no one shall be absent from the service of the House or committee unless the member has leave, or is sick and unable to attend.

The Speaker of the House shall adjudicate any disagreement concerning the publication of LSRs that may arise between bill sponsors and the Office of Legislative Services.

(b) The Office of Legislative Services shall not accept a request to draft any bill which is the same, or essentially the same, as any other drafting request already accepted. If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and mediate an agreement for the filing of a single bill. Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the original sponsor withdraws the drafting request prior to the sign-off deadline.

(c) Notwithstanding (a) and (b), legislation may be drafted and introduced upon receiving approval of a majority vote of the House Rules Committee on the request of any member based on urgent or compelling need or events unforeseen prior to the filing deadline, or on the request of the majority of any policy committee, or by a two-thirds vote of those House members present and voting.

As soon as possible after the end of the first-year session, the Clerk shall publish in the House Calendar those bills voted inexpedient to legislate or indefinitely postponed, those bills which created study committees with November 1 reporting deadlines and those bills retained in committee for action. The listings shall be in numerical order by bill number/title, and in committee order by bill number/title.

A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, made the subject of a statutory study committee in the first-year session, or retained in committee for action, unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

The Office of Legislative Services shall prepare those bills, resolutions, petitions, memorials and other papers in proper form and shall present them to the member(s) for signature. Legislative Services shall give precedence in drafting legislation to any measure which carries a fiscal note and all such legislation shall be prepared for signature by the sponsor by the date specified in Rule 64.

(b) All bills, resolutions, petitions, memorials and other papers addressed to the House, shall be endorsed with the name and the district of the legislator presenting them. All legislation shall be numbered serially according to type of legislation introduced. Each bill shall be marked on the first page “House Bill”; each joint resolution shall be marked “House Joint Resolution”; each concurrent resolution proposing a constitutional amendment shall be marked “Constitutional Amendment Concurrent Resolution”; other concurrent resolutions shall be marked “House Concurrent Resolution”; and each house resolution shall be marked “House Resolution.”
(c) When a bill is requested by any state agency, the name of the agency requesting it shall appear in the bill analysis.

(d) No LSR number shall be assigned and no House bill shall be drafted unless the LSR or bill has a House sponsor. No more than 5 House members shall be allowed to sponsor any bill or floor amendment. No more than 5 Senate members shall be allowed to co-sponsor legislation originating in the House. If more than five House members wish to be sponsors, the person who first requested the drafting of the bill, house resolution, concurrent resolution, joint resolution, or constitutional amendment-concurrent resolution shall determine the names of the 4 co-sponsors whose signatures are required for introduction. Other House members may be added as co-sponsors by notifying the Clerk prior to the date of the first public hearing on the proposal, and their names shall be recorded in the permanent journal of that session.

(e) If a drafting request for a bill or resolution, filed with the Office of Legislative Services, requires a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the Legislative Budget Assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal.

(f) For the purposes of these rules, money bills are those that either appropriate money or affect state revenues, whether new or existing.

37. Every request by a member of the House for drafting a bill, house resolution taking a policy position, concurrent resolution, constitutional amendment-concurrent resolution, or joint resolution other than the general budget or the capital budget bill, which complies with these Rules, shall be accepted by the Office of Legislative Services for processing no later than the date specified by Rule 64. Each request shall be accompanied by sufficient information necessary for drafting. This deadline shall not apply to house resolutions which do not propose policy positions.

38. (a) The sign-off deadlines set by Rule 64 shall supersede the time limits set forth in this Rule.

(b) The sponsor of any legislation shall sign it for introduction within 10 calendar days after the draft legislation is mailed to the sponsor for approval, whether or not the fiscal note has been prepared. If the 10th day falls on a Saturday, Sunday, or holiday, the 10-day period shall expire on the subsequent working day. The Director of the Office of Legislative Services may withdraw any legislation when the sign-off deadline has not been met. The sponsor’s name shall be published at least once on the “signatures needed” list in the House Calendar within the sign-off period. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for introduction within 10 calendar days after
the redraft has been mailed to the sponsor. No more than one redraft per LSR may be requested during the last 10 days prior to the sign off-deadline. The sign-off deadline in section (a) shall supersede the time limits set forth in this section.

(c) If the primary sponsor signs the legislation in time for introduction, but one or more co-sponsors fails to sign, the legislation shall be introduced in the names of those sponsors who have signed. If the primary sponsor fails to sign the legislation in time for introduction, a co-sponsor may become the primary sponsor. If the primary sponsor fails to sign, and no co-sponsor wishes to become the primary sponsor, the legislation may not be introduced.

(d) An LSR may be withdrawn at any time prior to its introduction with the consent of all of its sponsors. Any sponsor may request that his or her name be deleted as a sponsor of the bill prior to its introduction.

39. All joint resolutions shall be treated in the same manner as bills.

40. House Bills, House Joint Resolutions, House Constitutional Amendment Concurrent Resolutions, House Concurrent Resolutions and House Resolutions proposing that the House take a policy position may be introduced at any time prior to any deadline established by the House for their introduction. Exceptions:

(a) Notwithstanding any other provisions of the Rules, a House Bill, House Joint Resolution, House Constitutional Amendment Concurrent Resolution, or House Concurrent Resolution may be introduced into the House at any time prior to the crossover date specified in Rule 64, if approved by either a majority of the Committee on Rules, or a two-thirds vote of those House members present and voting; and

(b) House Resolutions proposing that the House take a policy position may be introduced into the House at any time after the deadline for introduction of bills and resolutions if approved by either a majority of the Committee on Rules, or a two-thirds vote of those House members present and voting.

41. Every bill, resolution, joint resolution, and concurrent resolution proposing that the House take a policy position shall have three separate readings in the House prior to its passage. The first and second readings and referral to committee shall be by title only which may be accomplished by a single motion. No bill or resolution after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills, resolutions, and joint resolutions shall be in the late session unless otherwise ordered by the House. The orders of the day for the reading of bills shall hold for every succeeding day until disposed.
42. After each bill has been numbered and referred by the Speaker to the appropriate committee, the Clerk shall provide a copy to the committee chairman and procure a sufficient number of copies for distribution.

43. A hearing shall be held on each bill referred to a committee. Notice of committee action shall be posted as follows:

(a) Public hearings shall be advertised in the House Calendar no less than 4 days prior to a hearing.

(b) Executive sessions shall be advertised in the House Calendar no less than 2 days prior to committee action or announced on the floor of the House by the Chairman of the appropriate committee.

(c) All other committee or subcommittee meetings at which decisions are made or information is received shall be advertised in the House Calendar or, if scheduled after the calendar deadline, shall be posted in the Clerk’s Office and outside the committee room at least 24 hours prior to the meeting.

(d) When requested by the President of the Senate, the Speaker may authorize and direct the appropriate House committee or committees to sit with the appropriate Senate committee or committees at a public hearing of any Senate bill, and no further public hearing on such bill shall be required when such bill is received subsequently in the House from the Senate.

44. (a) All bills in the possession of committees shall be reported out by the date specified in Rule 64 with one of the following recommendations: Ought to Pass, Ought to Pass with Amendment, Inexpedient to Legislate, Refer for Interim Study, or Recommended but to be Laid Upon the Table Because of Funding. All bills retained by a vote of the committee for action in the second year session shall be included on a list provided to the House Clerk on or prior to the deadlines specified in Rule 64. Refer for Interim Study shall be a committee report only in the second-year session. The Committee, as its Interim Study final report, shall submit its findings and any recommendations.

(b) All committee reports on bills shall be printed in the House Calendar at least once prior to the date listed for floor action. If a bill is reported favorably with an amendment, the committee report shall describe the bill as amended. The amendment shall be printed in the House Calendar.

(c) All bills retained in committee for action shall be acted on during the second-year session.

(d) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a violation of Part I, Article 28-a of the N. H. Constitution. The vice chairman or another member of each
committee shall review all pending legislation and shall advise the chair-
man and the members of all legislation before the committee which should
be reviewed in terms of this Rule.

45. (a) No amendment shall be made until the second reading of a bill. All amend-
ments to bills shall be prepared by the Office of Legislative Services, with
the name of the member and the district represented by the member or the
name of the policy committee proposing the amendment.

(b) No amendment shall be added to any bill, resolution, joint resolution or
concurrent resolution which is not germane to the subject matter of the
legislative document as referred to the Committee, unless the amendment
has been the subject of a duly noticed public hearing advertised in the
House Calendar or, if scheduled after the calendar deadline, posted in the
Clerk's Office and outside the committee room at least 24 hours prior to
the meeting. Copies of the amendment shall be available at the Sergeant-
at-Arms office at least 24 hours prior to the scheduled hearing.

(c) When a bill comes before the House, the body shall first consider the
printed majority report of the committee. The Speaker shall not permit a
motion to substitute any permitted alternative report for the Committee
Report until the House has properly disposed of the majority report.

46. (a) All bills and joint resolutions appropriating state money shall, if approved
by the House when reported by the appropriate policy committee, be
referred to the Committee on Finance. All bills and joint resolutions af-
fecting state revenues may, if approved by the House when reported by
the appropriate policy committee, be referred to the Committee on Fi-
nance. If such bills have been referred to the Committee on Finance af-
after report by another standing committee, the Committee on Finance may
report separately and no further hearings shall be required by the Com-
mittee on Finance. Hearings on bills assigned to the Committee on Fi-
nance may at the discretion of the chairman be assigned to and held by
the division of the committee to which the bill is assigned and no fur-
ther hearing may be required.

(b) All bills and resolutions affecting state revenues and fees shall, if ap-
proved by the House when reported from the appropriate policy commit-
te, be referred to the Committee on Ways and Means.

(c) All bills and resolutions addressing licensure and/or certification shall,
if approved by the House when reported by the appropriate policy com-
mittee, be referred to the Committee on Executive Departments and
Administration for a further report on the effect of the passage of such
a bill or resolution. All those bills requiring agencies to adopt rules pur-
suant to RSA 541-A shall, if approved by the House when reported by
the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such bill or resolution on rulemaking pursuant to RSA 541-A.

(d) All bills and resolutions affecting criminal penalties, if approved by the House when reported by the appropriate policy committee, shall be referred to the Committee on Criminal Justice and Public Safety.

(e) All bills affecting state bonding authority, if approved by the House when reported by the appropriate policy committee, shall be referred to the Committee on Public Works and Highways.

(f) The chairmen of committees receiving a bill or referral as outlined in this rule with the approval of the Speaker may decline the referral of any bill from another committee or, notwithstanding the provisions of Rule 43 (a), waive the public hearing on any bill referred from another committee.

47. Any budget bill reported by the Committee on Finance shall contain a balanced spending plan. In the second-year session, the Committee on Finance shall hold hearings on proposed changes to the State spending plan for the current biennium and may submit a supplemental budget bill. The Committee on Finance shall work closely in cooperation with the Committee on Ways and Means at mutually agreed periodic times in determining the state income available for budgeted purposes.

48. (a) There shall be a detailed briefing on the general budget bill presented to the House at least two days before final action is taken on such a bill.

(b) There shall be a detailed briefing on Senate changes to the House version of the general budget bill presented to the House membership by the second session day after the establishment of a Committee of Conference. The purpose of such a briefing will be to inform the House of the Senate position on the bill and to provide a sense of the House on that position as advisory guidance to the House conferees.

49. (a) Whenever there is any disagreement between the House and the Senate on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a committee of conference, the Speaker shall appoint four members to the House conference committee. Exceptions: (1) the House committee of conference on the operating budget shall consist of five members; and (2) the number of members of the committees of conference on any bill may increase or decrease if the presiding officers of both the House and the Senate agree.

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the committee of conference on said bill.
(c) The first-named House member on a committee of conference shall be the chairman of the House conferees. The chairman of the committee of conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting(s) of the committee of conference.

(d) A committee of conference report analysis for all bills and resolutions in conference shall be prepared by the first-named House member on each conference and shall be printed in the House Calendar.

(e) A committee of conference report may be placed on the Consent Calendar only by a unanimous vote of all House conferees.

(f) No action shall be taken on any committee of conference report earlier than some subsequent day after the report has been delivered to the members' seats.

(g) A committee of conference may neither change the title of any bill submitted to it nor add amendments which are not germane to the subject matter of the bill as originally submitted to it. For the purpose of this rule, a non-germane amendment is any subject matter not contained in either the House or Senate version of the bill.

(h) The prime sponsor of any bill or resolution referred to committee of conference shall, upon request, be granted a hearing before said committee prior to action on the bill or resolution.

(i) A member of a committee of conference who has been removed for any reason and replaced with another member of the House shall have his or her name appear on the committee of conference report with a strike-through showing the individual is no longer a member of the committee of conference.

50. All committees must report all bills referred to them seven days prior to any deadline for the House to take action unless otherwise provided in Rule 64. Any bill not reported shall be placed on the calendar by the Speaker with a report of No Recommendation and the reference to committee shall be revoked.

51. No bill shall be on a Consent Calendar unless the committee to which the bill was referred approves its placement on the Consent Calendar by a unanimous vote in executive session. Any member may request removal of any bill listed on the Consent Calendar. Any bill removed from the Consent Calendar shall be taken up at the conclusion of the Regular Calendar. All matters remaining on the Consent Calendar shall be acted upon without debate.

52. No standing rule of the House shall be suspended unless two-thirds of the members present vote in favor thereof. A motion to suspend the rules is debatable.

53. No rule shall be rescinded unless two days notice of a motion has been given and two-thirds of House members present vote therefor.
COMMITTEE OF THE WHOLE HOUSE

54. The House may resolve itself into a committee of the whole at any time on the motion of a member made for that purpose. In forming a committee of the whole House, the Speaker shall leave the chair, and a chairman to preside in committee shall be appointed by the Speaker.

55. When a bill or a resolution is committed to a committee of the whole House, the entire bill or resolution shall first be read by the Clerk, and then again read and debated by clauses, leaving the preamble of the bill to be considered last. The body of the bill or resolution shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper, as they are agreed to by the committee and so reported to the House. After reporting, the bill or resolution shall again be subject to debate and amendment by clauses before a question to pass it to a third reading is taken.

56. The rules of proceeding in the House shall be observed in the committee of the whole House, as far as they may be applicable, except the rule limiting the time of speaking.

ORDER OF BUSINESS

57. (a) The order of business in the early session shall be as follows:
   1. Prayer by the Chaplain, pledge of allegiance and leaves of absence if received before the start of the legislative day;
   2. Introduction of guests;
   3. Petitions of members;
   4. Consideration of unfinished business;
   5. Introduction, first and second reading and referral of bills;

   4. Adjournment to a date certain.

(c) The order of business listed in this rule shall be adhered to unless otherwise ordered by a majority of those members of the House present and voting.

(d) Leaves of absence may be granted by the House at any time.
58. The unfinished business in which the House was engaged at the last preceding adjournment, if called for by any member, shall have preference over all other business except the general order of the day; and no motion, or any other business except the general order of the day, shall be received without special leave of the House, until the former is disposed.

OFFICERS AND PERSONNEL

59. The elected and appointed non-member officers and personnel of the House shall be under the direction of the Speaker, who shall define their duties not fixed by statute or otherwise ordered by the House.

60. No officer or employee of the House during the session or any adjournment thereof shall purchase or contract to purchase, pay or promise to pay any sum of money on behalf of the House or issue any requisition or manifest without securing the approval in writing of the Speaker of the House or designee.

61. The Speaker may appoint an individual trained and experienced in security matters or law enforcement work, who, under the supervision and direction of the Speaker, shall prevent the deliberations of the House from being disrupted or interfered with by any person or persons not members thereof.

62. No employee or attaché of the House Sergeant-at-Arms shall, directly or indirectly, be personally involved with or attempt to influence the passage or consideration of any measure whatsoever. If any such employee or attaché becomes involved with any such measure, it shall be grounds for summary dismissal.

Any person in violation of this rule shall be subject to ejection from any such premises on the order of the Speaker and disciplinary action or arrest or both by action of the House. Nothing in this rule shall indicate that the security officer appointed by the House under Rule 61 has the right to stop and search a member of the House on the premises of the House. With the exception of devices for the hearing impaired, no member shall operate audible electronic transmitting and/or receiving devices nor shall any member operate a video camera or a camera utilizing flash bulbs on the floor of the House, while the House is in session.

DEFINITIONS

RESOLUTIONS
Resolutions are the formal expressions of the opinions and wishes of the legislature. There are four types: joint resolutions, concurrent resolutions, simple resolutions, and constitutional amendment-concurrent resolutions (CACRs). Joint resolutions, concurrent resolutions and CACRs must be approved by both branches of the legislature, while simple resolutions are considered only by the body of introduction. All resolutions take effect upon passage, so they often are used to meet emergency situations.

(a) JOINT RESOLUTION:
A joint resolution is one which has the force and effect of law, and as such must pass both the house and senate and be signed by the governor. The constitution, Pt. II, Art. 45, provides that joint resolutions shall be treated as bills.
Joint resolutions are introduced and considered in the same manner as bills, except that they can only be used for temporary provisions. Joint resolutions cannot be used to amend the public or private laws of New Hampshire (the RSA or the session laws), but they can be used to appropriate money for limited purposes; to establish tempo-
rary study committees; and to make adjustments in the state retirement system for certain individuals. Because a joint resolution is effective upon passage, it is useful for supplemental or deficiency appropriations, but such appropriations may not extend beyond the second fiscal year of the biennium. As with other appropriations, if a resolution makes an appropriation from the general fund the governor must be authorized to draw [his] a warrant for the sums appropriated.

(b) CONCURRENT RESOLUTION:
A concurrent resolution is acted on by the house or senate and sent to the other house for approval but is not sent to the governor for signature. Therefore, it does not have the effect of a law, and it is important to note that it can not be used to appropriate money. Concurrent resolutions may be used to put the legislature on record as supporting or disavowing some aspect of national or state policy. Also, a concurrent resolution may be utilized to express appreciation to some individual or group.

(c) SIMPLE RESOLUTION:
A simple resolution is one which is considered by the legislative body in which it is introduced and is of interest to only that body. Neither house nor senate resolutions have the effect of law. They are written to show appreciation to some individual or group, to ask the supreme court for an advisory opinion on a bill originating in that body, to express sympathy for an individual's death or illness, or, in a lighter vein, to commemorate an event affecting one of the members.

(d) CONSTITUTIONAL AMENDMENT-CONCURRENT RESOLUTION:
An amendment to the constitution may be proposed by the legislature, as well as a constitutional convention. N. H. Const. Pt. 2, Art. 100. Each body must approve the CACR by a three-fifths vote of the entire membership, then be submitted to the voters at the next biennial November election. The CACR must be approved by two-thirds of the qualified voters present and voting.

June 2, 1784*

[Art.] 2. [Natural Rights.] All men have certain natural, essential, and inherent rights - among which are, the enjoying and defending life and liberty; acquiring, possessing, and protecting, property; and, in a word, of seeking and obtaining happiness. Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin.
June 2, 1784*

June 2, 1784

[Art.] 4. [Rights of Conscience Unalienable.] Among the natural rights, some are, in their very nature unalienable, because no equivalent can be given or received for them. Of this kind are the Rights of Conscience.
June 2, 1784

[Art.] 5. [Religious Freedom Recognized.] Every individual has a natural and unalienable right to worship God according to the dictates of his own conscience, and reason; and no subject shall be hurt, molested, or restrained, in his person, liberty, or estate, for worshipping God in the manner and season most agreeable to the dictates of his own conscience; or for his religious profession, sentiments, or persuasion; provided he doth not disturb the public peace or disturb others in their religious worship.
June 2, 1784*

* The date on which each article was proclaimed as having been adopted is given after each article. This is followed by the year in which amendments were adopted and the subject matter of all the amendments.
[Art.] 6. [Morality and Piety.] As morality and piety, rightly grounded on high principles, will give the best and greatest security to government, and will lay, in the hearts of men, the strongest obligations to due subjection; and as the knowledge of these is most likely to be propagated through a society, therefore, the several parishes, bodies corporate, or religious societies shall at all times have the right of electing their own teachers, and of contracting with them for their support or maintenance, or both. But no person shall ever be compelled to pay towards the support of the schools of any sect or denomination. And every person, denomination or sect shall be equally under the protection of the law; and no subordination of any one sect, denomination or persuasion to another shall ever be established.

June 2, 1784

Amended 1968 to remove obsolete sectarian references.

[Art.] 7. [State Sovereignty.] The people of this state have the sole and exclusive right of governing themselves as a free, sovereign, and independent state; and do, and forever hereafter shall, exercise and enjoy every power, jurisdiction, and right, pertaining thereto, which is not, or may not hereafter be, by them expressly delegated to the United States of America in congress assembled.

June 2, 1784

[Art.] 8. [Accountability of Magistrates and Officers; Public’s Right to Know.] All power residing originally in, and being derived from, the people, all the magistrates and officers of government are their substitutes and agents, and at all times accountable to them. Government, therefore, should be open, accessible, accountable and responsive. To that end, the public’s right of access to governmental proceedings and records shall not be unreasonably restricted.

June 2, 1784

[Art.] 10. [Right of Revolution.] Government being instituted for the common benefit, protection, and security, of the whole community, and not for the private interest or emolument of any one man, family, or class of men; therefore, whenever the ends of government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the people may, and of right
ought to reform the old, or establish a new government. The doctrine of nonresistance against arbitrary power, and oppression, is absurd, slavish, and destructive of the good and happiness of mankind.

June 2, 1784

No person shall have the right to vote under the constitution of this state who has been convicted of treason, bribery or any willful violation of the election laws of this state or of the United States; but the supreme court may, on notice to the attorney general, restore the privilege to vote to any person who may have forfeited it by conviction of such offenses. The general court shall provide by law for voting by qualified voters who at the time of the biennial or state elections, or of the primary elections therefor, or of city elections, or of town elections by official ballot, are absent from the city or town of which they are inhabitants, or who by reason of physical disability are unable to vote in person, in the choice of any officer or officers to be elected or upon any question submitted at such election. Voting registration and polling places shall be easily accessible to all persons including disabled and elderly persons who are otherwise qualified to vote in the choice of any officer or officers to be elected or upon any question submitted at such election. tion, and to yield his personal service when necessary. But no part of a man’s property shall be taken from him, or applied to public uses, without his own consent, or that of the representative body of the people. Nor are the inhabitants of this state controllable by any other laws than those to which they, or their representative body, have given their consent.

[Legal Remedies to be Free, Complete, and Prompt.] Every subject of this state is entitled to a certain remedy, by having recourse to the laws, for all injuries he may receive in his person, property, or character; to obtain right and justice freely, without being obliged to purchase it; completely, and without any denial; promptly, and without delay; conformably to the laws.

June 2, 1784

[Right of Accused.] No subject shall be held to answer for any crime, or offense, until the same is fully and plainly, substantially and formally, described to him; or be compelled to accuse or furnish evidence against himself. Every subject shall have a right to produce all proofs that may be favorable to himself; to meet the witnesses against him face to face, and to be fully heard in his defense, by himself, and counsel. No subject shall be arrested, imprisoned, despoiled, or deprived of his property, immunities, or privileges, put out of the protection of the law, exiled or deprived of his life, liberty, or estate, but by the judgment of his peers, or the law of the land; provided that, in any proceeding to commit a person acquitted of a criminal charge by reason of insanity, due process shall require that clear and convincing evidence that the person is potentially dangerous to himself or to others and that the person suffers from a mental disorder must be established. Every person held to answer in any crime or offense punishable by deprivation of
liberty shall have the right to counsel at the expense of the state if need is shown; this right he is at liberty to waive, but only after the matter has been thoroughly explained by the court.

Nor shall the legislature make any law that shall subject any person to a capital punishment, (excepting for the government of the army and navy, and the militia in actual service) without trial by jury.

June 2, 1784

[Art.] 17. [Venue of Criminal Prosecutions.] In criminal prosecutions, the trial of facts, in the vicinity where they happened, is so essential to the security of the life, liberty and estate of the citizen, that no crime or offense ought to be tried in any other county or judicial district than that in which it is committed; except in any case in any particular county or judicial district, upon motion by the defendant, and after a finding by the court that a fair and impartial trial cannot be had where the offense may be committed, the court shall direct the trial to a county or judicial district in which a fair and impartial trial can be obtained.

Amended 1792 to change “assembly” to: legislature. Amended 1978 so that court at defendant’s request may change trial to another county or judicial district.

[Art.] 18. [Penalties to be Proportioned to Offenses; True Design of Punishment.] All penalties ought to be proportioned to the nature of the offense. No wise legislature will affix the same punishment to the crimes of theft, forgery, and the like, which they do to those of murder and treason. Where the same undistinguishing severity is exerted against all offenses, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do the lightest offenses. For the same reason a multitude of sanguinary laws is both impolitic and unjust. The true design of all punishments being to reform, not to exterminate mankind.

June 2, 1784

Amended 1792 deleting “those of “ after do in 3d sentence and changing “dye” to: offenses.
[Art.] 19. [Searches and Seizures Regulated.] Every subject hath a right to be secure from all unreasonable searches and seizures of his person, his houses, his papers, and all his possessions. Therefore, all warrants to search suspected places, or arrest a person for examination or trial in prosecutions for criminal matters, are contrary to this right, if the cause or foundation of them be not previously supported by oath or affirmation; and if the order, in a warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons or to seize their property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure; and no warrant ought to be issued; but in cases and with the formalities, prescribed by law.

June 2, 1784
Amended 1792 to change order of words.

[Art.] 20. [Jury Trial in Civil Causes.] In all controversies concerning property, and in all suits between two or more persons except those in which another practice is and has been customary and except those in which the value in controversy does not exceed $1,500 and no title to real estate is involved, the parties have a right to a trial by jury. This method of procedure shall be held sacred, unless, in cases* arising on the high seas and in cases relating to mariners’ wages, the legislature shall think it necessary hereafter to alter it.

June 2, 1784
Amended in 1877 to prohibit jury trials unless the amount in controversy exceeds $100.

[Art.] 28-a. [Mandated Programs.] The state shall not mandate or assign any new, expanded or modified programs or responsibilities to any political subdivision in such a way as to necessitate additional local expenditures by the political subdivision unless such programs or responsibilities are fully funded by the state or unless such programs or responsibilities are approved for funding by a vote of the local legislative body of the political subdivision.

[Art.] 32. [Rights of Assembly, Instruction, and Petition.] The people have a right, in an orderly and peaceable manner, to assemble and consult upon the common good, give instructions to their representatives, and to request of the legislative body, by way of petition or remonstrance, redress of the wrongs done them, and of the grievances they suffer.

June 2, 1784

[Art.] 35. [The Judiciary; Tenure of Office, etc.] It is essential to the preservation of the rights of every individual, his life, liberty, property, and character, that there be an impartial interpretation of the laws, and administration of justice. It is the right of every citizen to be tried by judges as impartial as the lot of humanity will admit. It is therefore not only the best policy, but for the security of the rights of the people, that the judges of the supreme judicial court should hold their offices so long as they behave well; subject, however, to such limitations, on account of age, as may be provided by the constitution of the state; and that they should have honorable salaries, ascertained and established by standing laws.

June 2, 1784

Amended 1792 to provide for age limitation as provided by the constitution.

All of the assets and proceeds, and income therefrom, of the New Hampshire retirement system and of any and all other retirement systems for public officers and employees operated by the state or by any of its political subdivisions, and of any successor system, and all contributions and payments made to any such system to provide for retirement and related benefits shall be held, invested or disbursed as in trust for the exclusive purpose of providing for such benefits and shall not be encumbered for, or diverted to, any other purposes.

November 28, 1984

[Art.] 37. [Separation of Powers.] In the government of this state, the three essential powers thereof, to wit, the legislative, executive, and judicial, ought to be kept as separate from, and independent of, each other, as the nature of a free government will admit, or as is consistent with that chain of connection that binds the whole fabric of the constitution in one indissoluble bond of union and amity.
