## Pan-Hell Installs Slate of Officers at Recent Meeting

Josephine Lyons is New Prexy of Intersorority Congress for Next Year

Miss Josephine Lyons, Theta Upsilon, was installed as the new president of Pan-Hellenic at a recent meeting of the intersorority congress. Marion James, the retiring president, installed the new bill of officers which included: President, Josephine Lyons, Theta Upsilon; Secretary, Kay Sullivan, Pi Lambda Sigma; Treasurer, Marge Moore, Alpha Xi Delta.

This year a new system of choosing the president was inaugurated. Previously, the office of president has been filled by a system of rotation of officers from sorority to sorority, but this year the president was elected by popular vote of the members.

The main purposes of Pan-Hellenic congress are to regulate rushing and pledging of women, and to sponsor more friendly relationships between sororities. In addition to these primary aims, Pan-Hellenic runs one for—

## Library Displays Interesting Books

A new and very interesting shelf of books has recently been set up in the library. This contains a varied collection of books on the current international situation. The books are worthwhile selections which have not been on the regular shelves and so have been overlooked. This new shelf is just to the left of the circulation desk and the books may be taken out at any time.

Another center of attraction in the library is the Royal Copenhagen Porcelain exhibit. Cleverly made animal figures are in realistic colors and positions. Fish, birds, and people are also present adding interest and variety. The exhibit represents the work of the Royal Porcelain Factory started in 1779 by the wish of the Dowager Queen Juliane Marie. Work done by experts was reproduced in the factories. This type of exhibit may be limited in the future as German influence in Denmark may do away with some of the art and culture.

## Mask and Dagger Will Stage "Kind Lady" for Spring Play

"Kind Lady," a mysterious piece of drama by Edward Chodorov, is Mask and Dagger's choice for its spring production which will be staged on the evenings of May 22, 23, and 24, and again at commencement time. After a great deal of consideration on the part of Professor Hennessy, this play was chosen partly for its wide variation of character portrayal, and partly because nothing like it has been done on campus before. The cast was selected during vacation and rehearsals got off to a full start on Monday night. "Kind Lady" was adapted by Mr. Chodorov from a curious short story written by Hugh Walpole which winds around a rich, old lady whose home became invaded by a group of persistent crooks. Joseph Wood Krutch, drama critic for the "Nation" maga-

## Juniors Vote for 1940 Prom Queen

Between eight o'clock this morning and two o'clock this afternoon the members of the Junior class had the chance to vote for the Junior Prom Queen.

The name of any girl who is a member of the junior class could be given. However, some names were already suggested.

The voting was supervised by a check list and took place in front of "T" Hall.

The results of the election will be made known later.

## Baby Fund Places Stork on Payroll

Senior Engineers Combat Declining Birth Rate by Subsidizing Famous Bird

by Arthur Barrett

At last it can be told. After some hesitation—it's Leap Year, you know—eleven senior mechanical engineers have put their signatures to a historic document which creates the M.E. 1940 Baby Fund. This fund, the first of its kind on campus, was started to sustain class spirit and give the members a subject for conversation at their reunions. Latest reports state that a close finish is expected, with all competitors certain of victory.

As a public service to all interested persons, "The New Hampshire" gives its readers the following complete and unabridged version of this important document.

"Be it hereby resolved that the members of the graduating class of 1940 in Mechanical Engineering establish a fund to be known as the "M.E. 1940 Baby Fund," to be awarded to that mechanical engineering student who first becomes the father of a living, natural, legitimate child.

"This fund, consisting of \$5.00 (five dollars) from each member of the class, is to be forwarded to the winner upon notification by the corresponding secretary, Raymond Whitcher, home address: 147 Maple Street, Berlin, New Hampshire.

"The marriage must have taken place after graduation and the child must not be born before St. Patrick's Day, 1941.

## Senior Skulls Set Date For Annual Iedstenfod

The date for the annual Senior Skulls Songfest has been tentatively set for the week-end of April 26, although it is hoped that the date can later be changed to sometime in May.

The following committee has been chosen to work with Mr. Bergethon in preparing the rules for the contest: Louisa Edson, Marjorie Callahan, representing the Women's Glee Club; Mack Campbell, Nathan Babcock, representing the Men's Glee Club; and Vic Tyson, president of Senior Skulls, acting as their representative.

The program will follow the general lines of last year's contest with certain changes. If good weather prevails, it will take place outdoors. The rules for this year's competition will be published in another issue of "The New Hampshire." Last year's winners were Theta Chi and Alpha Chi Omega.

## Franklin Repeats Best Liked Shows

Beginning Sunday, the patrons of the local movie emporium will have an opportunity to enjoy seven "tried and proven" shows of past years. Mr. Stewart, the manager, has had countless requests for repeat shows, but the suggestions were so numerous and so varied as to types that some method had to be found to eliminate all but seven of them.

Believing in the old theatrical adage that the box office tells the story, Mr. Stewart perused records of the last ten years to find the largest grossing pictures. That eliminated many suggestions. Then he communicated with various film exchanges to find it there were usable prints, since after a year the ordinary show is taken out of circulation.

Next came the difficulty of getting seven revivals all in the same week, for Mr. Stewart found that there was only one print of most of these old shows and other theatres were using them. It took many weeks to line up the shows and book them all.

And what are the shows that Durham has gone to in years past and that can still be seen today? You may be surprised — "Carefree" with Astaire and Rogers; "Rose Marie," with Nelson Eddy and Jeannette MacDonald, in which critics say they sang their best; "Dracula" and "Frankenstein" of which there are no better "horror" pictures; "My Man Godfrey," the first of the screwball comedies; the original "Brother Rat" and "San Francisco."

## Varieties Cast Rehearsing Nightly for Musical Revue

by Phyllis Deveneau

Inspired by a recent interview in Boston with Arthur Pierson, professional director of Harvard's Hasty Pudding Show, "Assorted Nuts," the staff of Granite Varieties presenting "Glamorously Yours" has settled down to an intensive two week period of preparation for the final production which is to be presented Thursday, April 25, and Friday, April 26. The praise given by this experienced director to the script and music of our musical comedy, his helpful suggestions, and the cordial manner with which the committee was greeted, impressed and has greatly assisted them in connection with rehearsals, staging, and publicity work.

The students making the trip were: Charles Craig, Ray Dyer, Beatrice Fishman, Stella Pinsky, Carl Sanderson, Louis Israel and Gordon Bennett.

The leads have been rehearsing nightly under the direction of Charles Craig and Elwyn Dearborn. The leads include Winifred Kennedy who takes the part of Gwen. Winnie, as she is better known, is one of our Pep-Cats and has made a great hit as cheer leader. She graduated from Towle High School, Newport, and when a senior, had the leading feminine part in the high school operetta, "Rose of

## U. N. H. Candidate Enters National Contest Sponsored by Paramount

Miss Frances McCrillis has been selected as New Hampshire's candidate in the nation-wide College Queen contest, sponsored by Paramount Studios of Hollywood, California. The selection was made at the Sophomore Hop held just before spring vacation, by a group of judges composed of Miss Ruth Woodruff, dean of women; Alan Curtis, band leader; Mr. George Thomas, assistant professor of architecture at the University; and Mr. Albert Rivers, Dover photographer. Miss Winifred Kennedy of the Class of '42 and Miss Ruth Stoughton of the Class of '41 were runners-up in the contest. The award was based upon personal appearance and poise, scholarships and extra curricula activities.

Miss McCrillis, a senior, is a member of Chi Omega sorority, the Outing Club, German Club and Pep-Cats. She

## Alumni Fund Drive Commences Mon.

The drive for the Alumni Fund of the University opens April 15, and will continue until June 30. Instead of having a particular project as in former years, this year the fund will be used as an unrestricted gift to the trustees to be used where it is most needed. This fund is usually used for something for which there are no university funds available.

The campaign will be organized with 95 class agents under the direction of the alumni fund committee, the chairman of which will be Major Richard A. Knight, '15, of Manchester.

The number of contributions has increased from less than 1000 in the first year, to over 1600 last year, with approximately 26% of the alumni body contributing. This past year's record gives New Hampshire a tie position in third place among co-educational institutions in the country, in the percentage of alumni contributing to the fund.

In the past the income from this fund has been equal to the income from a capital fund of \$125,000.

## EXPERIMENT

New Hampshire will have a dormitory entirely for freshman women next year when Congreve North, a new wing to Congreve proper, will be completed. Approximately eighty-five of the class of 1944, along with three or four upperclass counselors, will live in the new dormitory.

This policy of having separate freshman dormitories, which has long been in use here for the men students and which seems to have worked out very well, is rapidly gaining favor among colleges and universities throughout the nation.

There are many advantages to the plan: Freshman needs are peculiar, and their problems of adjustment to college life need to be studied more closely by educators and advisors. This group might well form a sort of guinea pig section with which to experiment.

Counselors in the new dormitory can keep a closer check on freshman study habits with the happy result, perhaps, that fewer of them will fail in their classroom work. And it will be easier to keep Student Government regulations with the group signing in at the same time.

Moreover, living by themselves the freshmen will not feel inferior to the older girls, and will have a better chance to express and develop their own personalities. And they will know the members of their own class well before they scatter to the various sorority houses.

But there are definite disadvantages also. Freshmen who live with upperclassmen very often adjust more easily to college life than their segregated classmates. There is no doubt that upperclassmen help freshmen a lot — in drawing up class schedules, acquainting them with various activities on campus, introducing them to other students. And, on the other hand, freshmen can often teach upperclassmen a few things.

This friendly give-and-take between classes in the dormitory breaks down class distinctions and leads to friendly feeling outside. We should cultivate this all-University feeling minimizing class rivalry.

Then, too, if you take very good care of freshmen in their first year, will they not need it their second and third years, too? Too much supervision and delicate handling is worse for development than not enough.

But it will be an interesting experiment. We shall be interested in seeing how it works out.

## EDITORIAL POINTS

Although it was a poll and not an election a check-list was run this morning for the selection of the Prom queen.

There is a large map in Conant Hall, showing by means of different-colored pins the positions of the belligerents in the war in Norway. Even if they haven't time to read the papers, students will be able to note the day-by-day movements of the troops. The geology department is responsible for this clever idea.

False modesty should not keep any man student from petitioning to have his name on the ballot for Student Council if he feels he is qualified. Rather he should consider it his duty to serve his university if he is capable. Very probably the committee on nominations, since this group of seniors could not know everyone, has missed several good men, who should not be hesitant about coming forward.

### Classical Association

Professor John S. Walsh of the language department attended a meeting of the Classical Association of New England held at William College on April 5 and 6. The members of the meeting compared and discussed various survey courses.

Mr. Walsh felt that those present reflected a growing opinion of the necessity of classical training for prospective writers of English. This idea was the keynote of an address by Mary Ellen Chase, which was entitled "Homer and Virgil on the Maine Coast."

## Freshmen Baseball Candidates Report

With about fifty candidates reporting to John Fabella, activities have officially begun for the freshman baseball aspirants. Coach Fabello has been devoting all his efforts to batting and due to the large number of candidates, fielding sessions have been impossible.

With the exception of Irving Karelis and Red Davis, most of the material on hand is unknown although Dom DiMartino and Harvey Seel shape up as good catchers. Looking over a few of the boys Norm Flint, Ray Henry and John Field show up well.

Fabello plans to keep about nineteen men on the squad and the first cut is coming at the end of this week or the early part of next.

The roster: Henry, Chamberlin, Saunders Stewart, Freedman, Charon, Strock, Beaudin, Davis, Giovannigello, Judd, Lamond, Okalovich, Stowell, Ricker Seel, Lambert, Field, Ackerman, Kwisewzy, Eckman, Murphy, N. Flint, Vaughan, Callahan, Barry Gibbs, Mahalski, Lendahl, Pichard, Lukas, Churias, Leavitt, Driscoll, Rowe, C. Flint, Mitchell, Webster, Marshall Richard Denning, Archambault, Brown, Boucher, DiMartino, Karelis, Callagy, McLaughlin, Sawyer, Gillmette, Foster, O'Kane, Perkins.

## Freshman Quiz

The first of the freshman quiz programs is definitely set for this Sunday night. Finally, enough questions were garnered from various sources, and they are really tough ones. There were not many questions received in the boxes in the Commons; but by prying into the newspapers and magazines, a large group of geographical, true and false, and literary questions have been acquired. As was mentioned before the four participants this Sunday will be Alice Colman, Ann Reder, Jack Hanlon, and Dick Nelson. It is hoped that four seniors can be prevailed upon to come for the following Sunday.

Given a little warm weather, and a lot of sunshine to dry up the University's athletic fields, and the Wildcat spring sports teams will really get to work.

At the present time about the only squads that are really working out of doors, are Coaches Dougal and DuRie's lacrosse boys. These players have been out for about a week, and a half, and are rapidly rounding into shape. These two squads held their first scrimmage this week with both coaches expressing satisfaction although the Kittens really looked pretty weak, but this was due to the experience "which they haven't got."

The frosh open with Andover on the 20th and the varsity take on M.I.T. on the 24th.

This year's spring track season should be one long remembered, both for the freshmen and the varsity. The frosh, from all appearances will have one of the most balanced running teams of any of the school around here. Dash men, long distance and middle distance men are plentiful, and should be fast; especially here on the New Hampshire track which is in exceptionally fine condition this season, due to the fine work that the caretakers have done.

The Kittens are going to be handicapped by the lack of men in the weight and field events. Leo Vogel, Keene High boy, who excels in the discus throw has decided to forsake his discus for a lacrosse stick. The shot put event at the present time is devoid of participants, but Frank Bucci, although this is his first season, has all the earmarks of a fine shot putter.

### Frosh Lacrossemen Show Improvement

#### First Scrimmage Against Varsity Held Wednesday; Opener One Week Away

After their first week of lacrosse practice, the Kitten forces faced off with the varsity boys, and were shown how to play the game. Although the results of the scrimmage were only what was to be expected, Coach Johnly DuRie expressed a mild sort of satisfaction on the way his boys handled themselves.

With but one player, Phil Martin, ever having played the game before, the frosh have a lot to learn before meeting the boys from Andover Academy on April 20.

Bill Moore, freshman hockey goalie, looks like a fixture in the nets, with Ed Mackel, Bob Middleton and "Lucy" Carpenter helping him out as defense men.

Al Kitchitz showed up rather well in scrimmage at the center post and flanking him as midfield men, Win MacDonald and Phil Matthews seem to be showing the way.

As for the attack positions "Evie" Lanyon, Bob Randall, and Francis O'Malley seem to be heading the pack although little Dick Garnsey is showing up well.

Something new in the way of training rules is being tried by Coach DuRie on his Kittens. In the past, certain rules were given out by the coach, but this season, the frosh have been put on their own. Training is not compulsory, but as was stated, "A person's best lacrosse cannot be played when he is not in the best of condition."

### Sweet Issues Call for Spring Track

With spring really showing its head, Coach Paul Sweet has issued the call for his varsity spring track men. Thirty-six candidates have turned out for the early workouts, and more are expected before the first meet on May 4.

The team according to Coach Sweet, should perform better in individual events than in team play.

Brightest light on the New Hampshire squad is Matt Flaherty. Ranked high among the nation's weightmen, the 1940 football captain has hurled the hammer 179 feet, 3 inches, and the discus 134 feet. Matt is given at least an even chance of placing among the first three in the national competition this summer, a spot which he lost a year ago when he called attention to his own foul which the judges had not noted.

Little Warren Jones, one of the smallest men in eastern track, who tips the scales at 108 pounds, is likely to figure prominently in the middle-distance and distance races. Standing but a few inches over the five foot mark, he runs the mile at 4:29, and the half at 2:01.6.

Other more or less outstanding figures in New Hampshire's track picture this year are Larry Stewart, who broad jumps 23 feet 3 3/4 inches and runs the 100 yard dash in 10.2 seconds; Frank Wright who has been clocked a fraction over 50 seconds in the 440; and Ted Underwood, former New England steeplechase champion, has touched 9:45 in the two-mile.

New Hampshire's greatest weaknesses once again as in past years are in the field. Javelin, high jump, and pole vault are without contenders who can be ranked as potential winners, and Flaherty and Stewart are the only dependable entries in other events.

Hurdling is another weak spot with Mike Pieciewicz the only prospect with any experience.

Coach Sweet hopes to uncover a few new men to fill in the gaps left by graduation.

## Swaseymen Prepare for Colby Game April 22

### Coach Tony Dougal Well Pleased with Lacrosse Practice

The Wildcat varsity lacrosse squad is rapidly rounding into shape, and Coach Tony Dougal is about ready to announce his starting line-up. The first game of the season finds New Hampshire meeting M.I.T. at Boston on the twenty-fourth of the month. Three days later Williams drops in to play the 'Cats. The remaining four games of the season, Harvard, Tufts, Springfield and Dartmouth are played on successive Saturdays, the last three here in Durham.

After holding scrimmages for the past week, Coach Dougal has had a chance to see his charges in action. The play of Pat Improta has caught his eye, and looks like a sure starter on April 24. Pat is only a sophomore, but during the freshman season last year, he played every minute of the entire schedule.

The attack positions seem to be well fortified, with Piretti, Costanzo and Rudd, showing to best advantage. Piretti has yet to attain his last year's form, but he is expected to be in top shape by the first encounter.

Midfield positions are a little less sure, with two sophomores, Monica and Judkins teaming up, with the veteran Lloyd Coutts.

As for defense men, Coach Dougal is finding it hard to choose the better men. Herb Glines, Pep Martin, Dick Gordon, and Roger Cattabriga are slowly pulling away from the rest of the defense candidates, and the starters will undoubtedly be picked from these four lads.

### Holy Communion

Holy Communion will be celebrated at 8:30 A.M. on Sunday, April 14, in the Community Church. The Rev. Charles W. F. Smith, Christ Church, Exeter, will be the Celebrant.

### Long Grind Ahead

After a good week's relaxation, the athletes are back once more; this time to begin the long spring sports grind; the hardest part of which will be to get into competitive condition.

### 'Cat Mentor Expresses Optimism as Opener Looms on Horizon

With the official opening of the baseball schedule ten days away, Hank Swasey has been putting the 1940 edition through a series of stiff work outs. Having cut his squad to a workable size, Coach Swasey has been busy trying to dope out a starting nine to answer the ump's call to play ball.

Returning from a week's layoff the boys looked a bit seedy, but they are rapidly whipping into condition and by a week from now, a starting line-up should be known.

Coach Swasey has been emphasizing hitting in his preparation for the battle with Colby on April 22. Colby will field a strong club, having many of last year's men back, and the fact that they are on a southern tour will prove a handicap for the Wildcats.

Sam Clark has returned to practice and is hitting the ball at his usual clip. He was welcomed with open arms as his clubbing has been sorely missed. He hits anything that the hurlers serve and those rafters have been taking an awful beating.

Phil Richards has reported for practice. Phil was late showing up due to a case of the mumps. He is coming along well and should see service before the season's finale.

Larry Blais has been impressing Coach Swasey immensely. He is the hardest working man on the squad and the only thing that is holding him back is the lack of experience.

Coach Swasey has been holding daily fielding sessions. He has been using Swede Larson and Jack Adams on first; Midge Hall at second; Toote Plante, Phil Richards at short; and Ace Parker and Buck O'Brien on third.

At this stage of the game it is impossible to determine a starting line-up, but a tentative one will find Hersey behind the bat; Roper, Jordan or Tighe on the hill; Larson on first, Hall at second, Plante at short, Parker at third, Clark in left, Cryans in center, and either Pesarisi or Blais in right.

Those who survived the cuts were: Hersey, Alimi, Wheeler, catchers; Roper, Jortlan, Tighe, Dupell, Carlisle, and Draper, pitchers; Larson, Adams, Hall, Plante, Richards, O'Brien, Parker, infielders; Sam Clark, Stacey Clark, Cryans, Pesarisi and Blais, outfielders.

"Let me tell your fortune."  
"How much?"  
"Fifty cents."  
"Good guess."

# Busiest Cigarette in the Country

...that's Chesterfield

Miss Aasta Pedersen

... the smiling hostess who welcomes guests at one of New York's most famous hotels. She will tell you Chesterfield is the busiest cigarette in the place.

Going "two packs at a time" because Chesterfield is today's definitely milder, cooler-smoking, better-tasting cigarette

These three qualities—MILDNESS, COOLNESS, TASTE... are the sum and substance of real smoking pleasure. You enjoy all three in Chesterfield's right combination of the world's best cigarette tobaccos.

At over a million places where cigarettes are sold you can see these clean white Chesterfield packages going into more pockets and more handbags every day. All over the country smokers are finding out you can't buy a better cigarette.

## BEAUTY QUEEN

(Continued from page 1)

has worked on the staff of The Granite, junior class yearbook. She was Junior Prom Queen last year and has been in the Carnival Queen's court for the past two years.

Photographs of campus winners throughout the country will be judged by a group of New York artists. Twelve national winners will be entertained by a motion picture company at the world premiere in Galesburg, Ill., of "Those Were the Days," the story of Siwash College. One of this group of twelve will be taken to Hollywood for a screen test. This is the first time that a University of New Hampshire co-ed has the distinction of being in a national beauty contest.

## MASK AND DAGGER

(Continued from page 1)

sensation the "kind lady" has in the play. She recognizes the irrational events as irrational, but she cannot call her senses to assist her.

Miss Jean Adams, veteran Mask and Dagger star of "Stage Door," and "What A Life," will be the leading lady. This is as difficult a portrayal as an actress would probably ever want; but everyone concerned heartily feels that Miss Adams can do it if anyone on campus can.

The entire cast is as follows:

Mr. Foster	.....	Thomas McNamara
Mary Herries	.....	Jean Adams
Lucy Weston	.....	Katherine Sullivan
Rose	.....	Elizabeth Kinsman
Phyllis Glenning	.....	Dorothy Briggs
Peter Santard	.....	Donald Crafts
Henry Abbott	.....	Kenneth Tuxbury
Ada	.....	Helen Vasilion
Doctor	.....	Sumner Fellman
Mr. Edwards	.....	David Crockett
Mrs. Edwards	.....	Justine Pillsbury
Aggie Edwards	.....	Virginia Alden
Gustav Rosenberg	.....	Paul Nolan

## Campus Notes

### Alpha Zeta

Members of Alpha Zeta, honorary agricultural fraternity, were guests at a party given by Professor and Mrs. T. B. Charles at their home last Monday evening. The evening was spent playing games and then refreshments were served.

### Christian Movement

Attention all members of Student Christian Movement: Election of executive officers will be held in Bob James' office on Wednesday and Thursday, April 17 and 18. Plan to come and cast your ballot. Your vote is important.

### Economics Club

Meeting at the Commons Trophy Room, Monday evening, April 15, at 7 o'clock.

### Men's Phys. Ed.

There are eighteen openings for men students who want yachting for phys. ed. credit. These men may sign up in Mr. Lundholm's office.

### Women's Phys. Ed.

Women's gym open from 4:00 to 5:30 for co-ed and women's groups for badminton and ping pong. Also Saturdays from 2:00-5:00.

### Budding Waitresses

Students interested in a short course in waitress work enrolled at Pettee Hall today. The classes will be held twice a week for a period of three or four weeks. Practical experience such as carrying trays will be given.

### U. S. Army Air Corps

The advance agent of the U.S. Army Air Corps will be on the campus on Wednesday, April 17, to give information regarding the possibilities of employment with the Army Air Corps and to answer any questions which interested students may have.

Students must have completed at least two years of the college course to be eligible for consideration. Those interested students should make arrangements with Colonel Starlings for the time of the meeting.

### Phi Sigma

Pledging plans for Phi Sigma, honorary biological society, have been changed and the proposed trip to Franconia Notch on Saturday has been cancelled. In its place a trip to the Outing Club cabin at Mendum's Pond on Sunday will be substituted. All members and pledges are asked to be at Nesmith Hall at 4 o'clock on Sunday dressed for an outing. Those who have cars available are asked to bring them.

### Biology Conference

New Hampshire will be represented at the tenth annual Connecticut Valley Conference of Biological Sciences held at Dartmouth tomorrow. Five members of Phi Sigma, local biological society — Archibald Ramage, Louisa Stewart, Paul Shaw, Martha Holt, and Patricia MacMartin will attend this meeting of undergraduate scientists in Hanover. This is the first delegation that has been sent from this University to the Dartmouth Conference.

### Outing Club

At last Monday evening's meeting of Blue Circle elections for membership were held and the following heelers were taken into the Outing Club governing body: Roger Peabody, Monroe Evans, John Gowen, Phyllis Deveneau, Ruth Dickson, Ray Hastings, and Barbara Adams.

### Lens and Shutter

The Lens and Shutter Club will present Duncan MacD. Little's eleventh International Amateur Motion Picture Show at 8 o'clock Monday evening in Murkland auditorium. These were all made by amateurs; several were produced by school children and filmed by their teachers. They will be accompanied by sound recordings. The color movies are "New York World's Fair," "Flaming Canyons," "Marshland Mysteries," "Below Zero," "Skis Over Skoki," and "At Christmas Time." The black and white movies include "The First Christmas Gift," "Gold! Gold! Gold!," "When the Cat's Away," and "Mexican Silhouette." Two reels from Bombay were held up at sea and reached Mr. Little only a few days ago. One of these, called "Indian Rope Trick," may explain some of the famed Hindu feats.

### Flying Club

The Flying Club held its first meeting this spring on Wednesday evening in DeMeritt Hall. Activities are starting for the spring and plans are being made for the usual trips with the club's glider. This year the club members will use Portsmouth field instead of the one at Concord. Any students interested in joining the club are invited to attend the next meeting which will be in DeMeritt at 7:30, Wednesday, April 17.

### Horseman's Associations

The New Hampshire Horseman's Association invited Priscilla Emery, chairman of last fall's successful Horse Show, and William Moore, newly elected president of Blue Circle, to be their guests at their annual banquet and dance which was to be held at the Hotel Carpenter in Manchester, on Tuesday, April 9.

### Newman Club Dance

The University Newman Club will hold its annual spring dance on Saturday, April 13, in the women's gym from 8:00 until 11:45. The music will be supplied by Lenny Fields and his orchestra.
