Deferred Enlistment Plan Initiated for College Students

Aviation Cadets May Stay In School 'til Graduation Will Be Free from Draft

A new Air Force deferred service plan permits students to graduate from college before being called to the armed services. Men from eighteen to twenty-six inclusive who are enrolled at full-time undergraduate students in good standing at an accredited college may enlist in the Air Force Enlisted Reserve and receive deferred status. If the student maintains satisfactory scholastic standing, he will not be called to active duty until graduation or withdrawal from college, except in the event of necessity by direction of the Secretary of War.

Accredited colleges are those listed in the Directory of College of the U.S. Office of Education with changes as made by the Commanding General of the U. S. Army Air Forces. The applicant's status as a student must be certified by a proper official of his college. Students will be deferred from active service until graduation at the end of their senior year. A year shall be considered as being the period required to complete the full college course of that year. Summer courses will be optional.

In the event of graduation or withdrawal from college, men will be assigned to active service as soon as facilities become available.

This officers' training plan is a very recent development. All men interested in further details are requested to see Dr. Sackett at the Registrar's office.

'Mr. and Mrs. North' Gay Comedy

Amusing Suspensefulness Set by John Miller and Dorothy Briggs

by Phyllis Deveneau

"Mr. and Mrs. North," a mystery-comedy in three acts by Owen Davis, presented by Mask and Dagger under the direction of Ray Keesey, April 29, 30, and May 1, at 8:00 p.m. in New Hampshire Hall.

The Cast:
 Mr. North John Miller
 Buono Joe Ricciardone
 Mrs. North Dorothy Briggs
 Clair Brent Constance Estes
 Louis Berex Gerald Smith
 Jane Wilson Maxine Johnson
 Ben Wilson Allen Walker
 Clinton Edwards Herman Skofeld
 Cooper, a policeman Gaylerd Davis
 Mrs. Brooks Ann Miller
 Mr. Brooks Robert Boyd
 Lt. Weigand Clayton Smith
 Detective Mullins William Robinson
 Jenkins, ambulance doctor Raymond Downer
 Jones, police photographer Clarence Rollins
 Assistant Medical Examiner Norman Lennon
 Ross, fingerprint man James Tennant
 Fuller Brush Man Philip Dodge
 Inspector O'Malley Walter Webster
 Timothy Barnes Donald Cross
 Gordon, a policeman Gordon Hayward

How the dead body of a strange man found in a liquor closet can complicate the quiet life of a young married couple was ably portrayed Wednesday night, last night, and without doubt tonight, by Mask and Dagger in their latest production, Mr. and Mrs. North.

Gerald and Pamela North had always more or less minded their own business but all this privacy was stripped away by the catastrophe and not only they, but also their little circle of friends, were involved in a tangling mass of evidence and counter evidence.

Through it all the action hinged on the unpredictable Mrs. North, played (Continued on page 4)

A scene from Mask and Dagger's current production: Mr. and Mrs. North have just discovered the corpse in their closet. Left to right: Dorothy Briggs as Mrs. North, John Miller as Mr. North, Clayton Smith as Lieutenant Wigand, William Robinson as Detective Mullins, and (corpse) Philip Dodge as Stanley Brent.

Durant Lectures Here Wednesday

Probably the "Story of Philosophy" has sold over three million copies and is Dr. Durant's best known work. It has been translated into twelve languages.

His present work, "The Story of Civilization" has been divided into five volumes. "Our Oriental Heritage," "Life of Greece," "Caesar and Christ," "Age of Faith" (depicting life in the middle ages), and "Age of Reason" (depicting the modern era). It takes three years of research and two more years of writing to prepare even one volume. Only one page is written a day. First is the coordination of material, then the rough draft, next the revision and the second draft, and then the third and final draft—all in long hand.

Durant holds no pessimism for the future. "Civilization has passed through equally great crises in the past and survived."

Will Durant, well known lecturer and popularizer of philosophy, last of the Lecture Series guests for this year, will speak at 8:00 in New Hampshire Hall on May 6.

Durant, who received his A.B. and his A.M. degrees at St. Peter's College, worked as a journalist in a Hearst newspaper for four months. He left the paper to go to Seton Hall College to teach Latin, Greek, and French. Here he studied Spinoza and Spencer and then entered the school to study for two years for the priesthood. In 1914 he took over the directorship of the Labor Temple School in New York and taught Philosophy.

Journalist Also

Dr. Durant is attached to journalistic work but he cannot divorce his news judgment for his feelings of suffering of people behind the news. Even so, he covered the Snyder-Grey Case for the New York Telegram.

Senior Outing

Because of the impossibility of obtaining transportation, the Senior Outing will be in the form of a hike to Durham Point on Sunday, May 3. Groups will leave the Commons between 10 and 11:30 A.M., Sunday morning. Those wishing to ride in their own cars may do so. Men students may bring baseballs, gloves, bats, horse shoes and any other games they wish. Anyone who failed to sign up in his house or contact members of the committee yesterday are requested to get in touch with the chairman of the outing immediately so an adequate supply of refreshments may be obtained.

Student Activity Tax To be Retained

As a result of the voting held last week the students of the university decided by a vote of 565 to 36 to retain the Student Activity Tax. A four-fifths vote in favor was required to have the tax continued next year, but 84 per cent voted for it.

The changes made include an increase in the price of the Granite from \$2.50 to \$2.75, a decrease in class dues from 50c to 35c, and a cutting down of the Women Students' Tax from \$1.00 to 70c.

1943 Granite

1943 "Granites" will be issued on Tuesday, Wednesday, and Thursday between the hours of 8 a.m. and 4:30 p.m., in Murkland Hall. Seniors who will not be on campus may authorize another individual to obtain their copy by indicating so on a slip of paper with their signature. Please call for your "Granite" during this interval.

Excellence Prevails In Student Writer

by Dr. J. E. Bachelder, Jr.

The chance to review a literary production is a delicious thing. The almost deistic feeling of superiority in dispensing learned comments and fatuous pats-on-the-back is a great shot-in-arm to the ego. More especially is this true when the reviewer steps outside the field of his specialty for in no place is one such a self-convinced expert as outside his own domain.

General Excellence

In the case of the 1942 "Student Writer," however, these expectations are frustrated. For the general level of excellence achieved in the creativeness, expression, arrangement and format of this volume leaves only a feeling of envy and off appreciation for the opportunity to wander through its pages. This is not just compensation for the usual feeling of critical superiority which is the meat of the uncreative, unproductive or merely lazy.

Let's get the bad out of the way first and then take up the best. This "Writer" has only a minimum of items effusing an olfactory stimulation of any strength. There are remnants of the drooping-lily and the oh-look-I-have-a-thought-but-I-don't-know-what-it-is schools of creative effort. Some of the prose lacks form, fortitude, and finesse. It might be wise to remember that the amateurish use of simple stereotypes does not put a body beneath external clothes nor a face under a hat. But these things are to be found in the best of writers and their minuteness in the present case only serves to set off more clearly the high level of attainment in the rest of the productions.

Mature Reactions

Now the good parts. The arrangement of the pieces sets off clearly the reflection in the writings of those (Continued on page 4)

A Challenge

This, the last issue of *The New Hampshire* for the current school year, is dedicated to the Seniors—The Class of 1942. For those of us following in their footsteps there is much to be accomplished.

Their last year of school is one that will go down in history in such a manner as never to be erased. *The United States went to war.*

The declaration of war by our president was a challenge—a challenge to all aggressor nations—a challenge to the peoples of the United States—a challenge to each individual wishing to live as he was created to live—*FREELY.*

Inferred in the declaration of war were these sentiments—*We're a nation of peace loving peoples — We don't go looking for trouble — but — !! If you think you can push us around and then get by on bluff, you're all wet. You may get away with your bluffing for a few months and you may kill thousands of our troops and sink hundreds of our ships, but sooner or later you're going to pay for it.*

It'll be up to the Class of 1942 to START payment.

Last Editorial

Ordinarily it is the privilege of the Editor of *The New Hampshire* to hold office for a period of two complete semesters. Barring scholastic, financial or accidental happenings, this policy has always been carried on. However, this year national and international happenings have so changed the course of events that the possibilities of returning for another semester's editorship seem rather remote to say the least.

Sitting down to write the last editorial makes one just a little sad, more so when one realizes that except for the war he might pick up next September where he leaves off this May.

After three years of close association with the paper, and the school as a whole, it is difficult to realize that from this point on interests are bound to lie in different directions. The school will continue on its way, doing its job for the students in the way it should be done — Those fortunate or maybe unfortunate students who will not be returning in the fall will, instead of working at text books and exams, be working in industries essential to the welfare of the nation in this time of conflict, or they will be actively carrying arms in the forces of the United Powers.

The last editorial ought to extend greetings and maybe a little advice to the incoming head of next year's paper, but instead of this we're going to give thanks to the many freshmen and upperclassmen alike who have worked long and diligently to make the paper what it is. To them belongs any credit that is due—for without them there could be no issue of the paper twice a week.

This coming year the responsibilities of running the paper will be in their hands. It will be a long, hard job, but they have our every confidence that the job will be done in the manner in which it should be done.

YACHT CLUB

The last Yacht Club outing of the season will be Thursday, May 7, down at the bay. There will be sailing all afternoon and supper on the Island. Anyone interested must sign at Ballard by Tuesday night. Transportation will be arranged; membership is not required.

NOTICE

Pleasant though it is to report that more students are represented in the current Student Writer than ever before, it is still too bad we couldn't include more. Thank you all for trying, and particularly for turning in such neat manuscripts. And let us hope disappointments won't prevent those who missed from remembering that there are other "Writers" coming.

MIKE AND DIAL OUTING

Members of Mike and Dial and their friends who wish to go on the Mike and Dial outing will meet at 3:30 p.m. in front of "T" Hall on Wednesday afternoon. Please bring 25c to help defray expenses.

TRI-STATE CONTEST

Albert Charait and Teresa Foley took first and third places in the Essay Division of the Tri-State Contest. Teresa Foley and Robert Billings also were awarded prizes for the short story division of this contest.

GAMMA KAPPA

At the last meeting Gamma Kappa, honorary geology society, elected the following officers:

President, Robert Crosbie; Vice-president, Robert Davis; Secretary-treasurer, Franklin Hill.

It was also decided to hold the annual spring picnic on May the first.

NOTICE

Students interested in becoming government internes in state departments at Concord for the first semester 1942-43 should file applications before May 10. Blanks may be secured from Professor Thorsten V. Kalijarvi.

LOST AND FOUND

A number of items, including a Spanish book, a notebook, gloves, mittens, scarfs, watches, beads, keys, pens, pencils, combs, purses, bracelets and rings, have been found and are in the Lost and Found department at the Student Council office in Ballard 309.

If you have lost any of these items please call at the Council office and pick them up. The office is open every afternoon from 4 to 6 o'clock.

If you find anything on campus please bring it to the Council office where the owner may claim it. Also if you have lost anything be sure and check at the Council office.

NEWMAN CLUB

The final plans have been drawn up for the Newman Club outing to be held in the Scout Camp on the Lamprey River Sunday, May 3. Those going will meet in front of the Commons at 1:30 p.m. Sunday.

If anyone has a car or knows of one that will be available, will he please notify Ralph DesRoches as soon as possible at Kappa Sigma. Notices have been put up in the dormitories, fraternities and sororities for the list of those who are going to attend so that the food and transportation, which by the way is being furnished gratis by the club, may be provided for.

Gordon Barnett and Dave Ritchie Music Directors

Granite Varieties again breaks a precedent, this time with the election of two members of the fair sex to head next year's production. At a meeting held Sunday night Betty Jo Weaver was made production Director and Phyllis Deveneau, Executive Director. B.J. is well qualified for her new position, being promoted from stage manager for this year's hit show. Phyl was publicity director, a script writer, and a member of the 1942 Granite Varieties executive committee.

Co-musical directors will be this year's musical director Gordon Barnett and trumpet player Dave Ritchie. They are both members of the College Inn Orchestra.

Executive Committee

Other members of the newly appointed executive committee include Tom O'Donnell, 1942 G.V. assistant stage manager, member of the executive committee, and one of the Prime Ministers in "Katy Cadet," John Gaw, scenic designer for "Katy," Jeannette Toohill, one of the leading ladies in this year's production.

Pleasant repercussions are still coming in regarding "Katy Cadet's" success. For instance Katy (alias Wini Kennedy) has been receiving fan letters, especially from the male population at Camp Langdon and Fort Constitution.

Friend or Enemy?

They're taking no chances

Day and night thousands of civilian volunteers at Army authorized observation posts report Aircraft Flash Messages to Army "filter" centers—by telephone. From this information, each plane's course is charted on filter maps...related to operations boards such as the one shown above—by telephone. Should checking prove the aircraft to be an enemy, the telephone would play an important part in the defense strategy...in warning endangered communities...in mobilizing civilian defense units.

Bell System men cooperated with Army authorities in designing and providing the telephone facilities used by the air defense system. This is but another example of a war-time job well done.

Successes, Failures of Past Sports Teams Given in Review

by Rolly Sroyman

With this, the last edition of the year for this paper, we present a resume of the past athletic season: the successes and failures of the various sporting teams, and a short account of the players who distinguished themselves through the year.

Football

Captained by Dick Gordon, the Wildcat grid machine had a fairly successful

campaign, winning four games, losing three, and tying one. Harold Hall and Stacey Clark were outstanding in the backfield while Ed Bove and Bob Neal stood out in the line. Fullback Charlie Judd was elected to captain the '42 gridsters.

Varsity Basketball

Winning but two games and losing 15 was all the varsity hoopsters could do this season. The club was composed almost entirely of inexperienced men. Captain Hal Monica played fine ball during the season as did Bob Matthews. Bob Wheeler, a soph this year, will become the first junior to captain a varsity hoop squad in modern UNH sports history.

Varsity Cross-Country

The varsity harriers endured a rather poor season, winning only one meet all year while dropping four. Their only victory was in their initial meet of the season. Joe Pushee and Rolly Kimball were outstanding for the varsity harriers.

Varsity Track

With Boo Morcom, Ed Styrna, and Wayne Lowry the only pace-setters, the varsity winter track team finished the season with one win, over Colby, and three defeats. The work of Morcom and Styrna, however, brought national fame to these lads as well as to their school. Prospects for next year are very bright.

Ski Team

The New Hampshire Ski Team met with a great season, winning three out of its four meets, its lone defeat coming by two-tenths points. Captain Bob Clark was outstanding as were captain-elect Bill Keough and Al Merrill. A victory over Dartmouth at the latter's carnival was the highlight feature of the season.

Frosh Basketball

A highly successful campaign was enjoyed by Coach George Fielding's frosh five. The Kittens were victorious eight times in their 13-game schedule, included some of the best quintets in New England. Al Britton and Dick McDermott were elected honorary captains. Bob Stafford, Soc Bobotas and Nick Bograkas played great ball also.

Morcom, Styrna Both Shine at Penn-Games

The two University of New Hampshire track aces, Boo Morcom and Ed Styrna, started their spring campaign in grand fashion at the Penn Relays held in Philadelphia last Saturday.

Boo Wins Vault

Morcom took first in the pole vault by producing a 13 foot, 6 inch jump which was good enough to win but which Boo has bettered more than once.

Adam Berry, of the Southern University team of Baton Rouge, La., created a new high jump record by doing 6 feet, 7½ inches. Morcom finished next to him to make the Wildcat team of two put on a very good showing before many track experts from all over the country.

Styrna Wins Hammer

Ed Styrna made New Hampshire's performance more impressive by taking first in the hammer with a 163 foot, 4 5/8 inch effort in an early morning decision.

There were many crack athletes from all sections of the country competing at the Penn Relays so that the work of the Wildcat duo is more extraordinary than it appears at first.

The varsity track team tackles the Brown University track team here on May 2. Both the varsity and freshmen will compete with the Brown squads.

Frosh Trackmen-Pin Defeat on St. John's

The frosh track team won its second consecutive meet of the current season by toppling the St. John's of Danvers tracksters by a 71 to 55 margin.

Tower, Johnson, and Scammon led the New Hampshire attack, Johnson winning the shot put and discus throw, Tower the broad jump, and the high jump, and Scammon the 440-yd. dash, and the 220-yd. dash.

Johnny Koumantzelis injured his leg so he wasn't able to help the New Hampshire cause and Burt Cram, one of the Kittens' best bets, was in the Hood House, but nevertheless, the Durham team was too much for the Danvers boys.

The frosh tackle the Brown first-year-men on May 1 at Providence.

The summary:

100-yd. dash—Moulton (SJ), Scammon (NH), Lane (SJ). 120-yd. high hurdles—Leavitt (NH), Sheehan (SJ), Feldman (NH). Mile run—Cullen (SJ), Dixon (NH), Birdsall (NH). 440-yd. dash—Scammon (NH), Lane (SJ). 220-yd. low hurdles—Sheehan (SJ), Mitchell (SJ), Leavitt (NH). 880-yd. run—Cullen (SJ), Birdsall (NH), Pelonsky (NH). 220-yd. dash—Scammon (NH), Moulton (SJ), Ingraham (NH). Javelin—Dixon (NH), Magnani (SJ), Johnson (NH). Shotput—Johnson (NH), Butters (SJ), Bassett (SJ). Hammer—White (SJ), Johnson (NH), Bassett (SJ). Discus—Johnson (NH), Lane (SJ), Magnani (SJ). Broad Jump—Tower (NH), Moulton (SJ), Feldman (NH). Pole Vault—Wheatley (SJ), Reekie (NH), and Rollins (NH). High Jump—Tower (NH), Creeden (SJ), Atwood (NH).

Dougalmen Lose at MIT Track Team Drops Tilt

Two Overtime Scores by Kelleher in Vain; Niles Gets Four at Cambridge

The New Hampshire varsity lacrosse team lost a 11-10 overtime verdict to MIT on Wednesday afternoon in an upset at Cambridge.

Five goals were scored in the ten-minute overtime period, two by the Wildcats and three by MIT. Smoky Kelleher got two goals in the overtime period but the Cambridge boys managed to get a goal in the dying moments to pin the favored Wildcats.

The Wildcats got two goals in the first period but the MIT team also tallied twice. In the second period the surprising Tech team rallied to register four goals whereas the Durham team only managed to score 2. In the third period the MIT team got two more goals but New Hampshire came up with three to trail by a single tally, 8-7, at the conclusion of the third period.

The Dougalmen rallied in the last period for one goal to tie the score at 10-all and hold the foe scoreless. In the overtime the Tech squad outscored the Dougal team and thereby was the victor.

Niles Gets Four

Tom Niles of New Hampshire was the high scorer, getting four. Monica and Kelleher each got two, Pointer and Kalled each scored once.

The freshman lacrosse team lost to the Phillips-Exeter by a 9-1 score.

Andover Downs Frosh 7-4 Massucco Stars

Coach Carl Lundholm's freshman nine suffered its second straight setback in as many games today at the hands of a fast Andover Academy team by a seven to four count. The game was played on Andover's diamond.

Al Dondero started on the mound for the frosh, but after walking two men in the second frame complained of a sore arm and rather than risk injuring what he considers a promising hurler "Lundy" yanked him and inserted Richard Howard who showed up well except for a lack of control in the fifth when he walked four men to force in a run. Howard pitched until the seventh when the mound chore was taken over by Gil Standish who also looked well.

Hitting Off

Failure to hit, poor control and errors of omission by the fielders were the principal reasons for the Kittens' defeat. The freshmen made only five hits; two by Massucco, the receiver, who was the batting star for Lundy's charges, and one each by John Hunton, Dave Cuning and Fred Kuss.

The Andover team made a total of nine safties or the N. H. twirlers, while five Andover pitchers gave up a total of but five to the freshmen. The game took nearly three hours to play. The next contest is against Clark school tomorrow in Durham.

Morcom and Styrna not Enough as Sweetmen Fall Before Bears at Orono

Coach Sweet's varsity track team lost its first meet of the year to a snappy Maine team, 89-46. The Wildcats captured several firsts and some thirds but failed to get enough seconds.

Styrna Brilliant

Ed Styrna was the big man in the New Hampshire attack. He won the javelin throw and the hammer (156 feet), was second in the discus, and third in the shot put.

Boo Wins Three

Boo Morcom won the pole vault with a 13 feet, 6 inch jump, won the high jump with a 6 feet, 4½ inch leap, and also won the broad jump with a 22 foot performance. Bill Cannell was good in the hurdles.

Wayne Lowry helped the New Hampshire cause by winning the half-mile and thus continuing his fine record.

The Maine team got 14 out of the 15 second places so that it was in this department of the game that they got the advantage and finally won out. However, this was the first meet for the varsity track team so that they still have a chance to do something before they go home for the summer.

Saturday afternoon, here in Durham, the Sweet varsity squad tackles a strong Brown University team at 2 o'clock. This should be a good contest. Then on May 6 Rhode Island's strong track team comes here. The Wildcats close their season here by contesting Northeastern on May 9.

Karelis Hurls 'Cat Nine to 11-0 Win Over Lowell Textile

Adams and Thayer Lead Ten-hit Attack on Textile

Sheik Karelis, New Hampshire's mound ace, continued right where he left off in the '41 season when he and Ray Dupell limited the Lowell Textile team to a total of four scattered safties in blanking them by the score of eleven to oh!!!!

Karelis had the Textile team eating right out of his hand as the Swaseymen coasted to victory in the first game of what looks now to be a highly successful season.

6-Run Icer

The Wildcats scored a pair of markers in the second frame and put the game on ice with a six-run uprising in the third.

Ray Dupell pitched the final two innings for New Hampshire and held the Yarnellmen hitless.

Red Adams and Jerry Thayer were the big guns for the Wildcat nine with a pair of safties apiece, while Hanson, Sughrue, Charron, Alimi, Hall and Karelis each had a hit, making up the Wildcat total of ten.

Karelis fanned eight Lowell men in the seven innings he worked and didn't issue a single pass.

FOUL PIPE NE'ER WON FAIR MAID

—but Dan's out of the dog house now!

"TAKE YOUR OLD RING and go far, far away! You're finished with college, but I'm finished with men who smoke smelly pipes! My heart says yes, but my nose says phew! Good-bye!"

SO DAN REFORMED. He switched to Sir Walter, the mild blend of fragrant burleys. His girl took one sniff... smiled... and snuggled. Ever tried a tin? Swell for moonlight and noses!

KEEP OUT OF THE DOG HOUSE WITH SIR WALTER

This NEW Cellophane topo-seals-flavor in, brings you tobacco 100% factory-fresh!

STUDENT WRITER

(Continued from page 1)

things most prominent in the minds of college students; their campus and their reactions to it, their deep and sincere concern with life as it is thrown at them by their membership in our present culture, and their emotional reactions to the war. The things that their eyes see and the emotions that they feel and sometimes suffer are not the adolescent chest heaving and kicking at the pricks as was occasionally evident in previous "Writers", but are surprisingly mature and without question excellently verbalized.

While the authors and poets in this volume have not found an answer to their perplexities, there is clearly evident much less confusion and fatalism in their offerings. Perhaps we have the war to thank for this but at any rate this volume shows a real and almost delicate perception of the stimuli arising from the natural environment.

What particular things stand out after reading through this "Writer?" Charait's master of imagery and sustained tone; Foley's superb handling of dialogue and analysis of personality—her people are real; and Bean's Johnny Sands—there is a character who is you or me or the fellow we know back home—a character who will stand out through years of the "Writer;" Dent's liquid handling of words; and Smith's sharpness of mood. But this is not supposed to be another "culture in a capsule" or "Reader's Digest" of the "Writer;" read it yourself and find out what you like and don't like.

Addition of Cuts

Because they are a new addition to the "Writer" and because they are well done, you should see the cuts that accompany some of the pieces. These are not mere counterparts to the writing but are works of creative strength in themselves.

Finally a word of credit to Professor Towle under whose guidance the "Writer" appears each year. An appreciation of his influence can be stated in that while he has guided and sometimes been forced to kindle these authors and poets he has not drowned their individuality into a dull sameness, but has brought out in each his particular interpretation and skill.

A hint—be sure to get the "Writer" if for no other reason than that you might find yourself pictured in it.

MR. AND MRS. NORTH

(Continued from page 1)

by Dotty Briggs. She might have been a "bungling little chatterbox" as one of the characters called her, but it was her ingenious accusation which finally unmasked the real murderer. Orchids go to Miss Briggs for sustaining throughout the three acts the mood of a very charming scatterbrained young woman. Her seemingly incoherent explanations of such things as pranklets and flippers, her vivaciousness, and her whimsicality atmospherized the amusing suspensefulness, of this mystery-comedy. She could be more than appealing whacky too, as evidenced in her terrified hysteria scene in the second act.

Dusty Miller who played opposite Dotty was well cast as the stabilizing influence in his wife's life. His quiet gritting of teeth on pipe while trying to unravel some of the inexplicable tangents his wife went out on was most convincing. It was this combination of Mr. North's patient practicality and Mrs. North's mad impracticality that caused many of the laughs throughout the whole play.

Clayt Smith Good

Clayt Smith (who, incidentally, did not clown as many people thought he might) played the part of Lieutenant Weigand very well. His perfect stage presence lent an easy air of professionalism to the whole production.

Connie Estes, Maxine Johnson, and Walt Webster, all experienced members of Mask and Dagger, turned in good performances.

Newcomer Joe Ricciardone came near to stealing the show with his brief entrances and exits. We could almost smell garlic when he swung into his voluble Italian accent and gesticulations. Other small parts which should be mentioned are Ann Miller with her very realistic scream; the Fuller Brush Man, Phil Dodge; the Postman, Donald Cross; and that fantastic looking fingerprint man, James Tennant.

Registration

Registration for both summer and fall session is being held now but if a student registers now for summer school he is not compelled to go; or if a student has not yet registered for summer school he can still go. Registration Day for the first session of summer school will be on June 29. At that time bills must be paid. Registration Day for the second session will be on August 10.

The Greatest Air Army in the World
Needs Flight and Ground Crew Officers

NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ New Deferred Service Plan Allows You to Continue Your Education ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an *urgent need* here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

Three Enlistment Plans for College Men

Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is *here*—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information *now*.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.
