# Ben I hompson Convocation Thurs.

# Dorothy Kline, Organist Harvard Glee Club Gives Recital Sunday Performance Here

Will be Assisted by Miss Ruth McDaniel

Miss Dorothy Kline, organist, assisted by Miss Ruth McDaniel, clarinetist, will present a recital at the Durham Community Church on Easter Sunday, April 25, at 4 o'clock. Both Miss Kline and Miss McDaniel are instructors in the Music department of the University of New Hampshire.

The program will open with three Chorale-Preludes of Bach, played by Miss Kline. Miss McDaniel will then play an "Adagio" by Beethoven and Schubert's "Ave Maria." A second organ group will include "Corrente Siciliano" by Karg-Elert and "Burgundy Sketches" by Jacob. Miss Mc-Daniel's second group of selections consists of a Wagner "Adagio" and "Arabesques" by Jeanjean. The program will be concluded with Miss Kline's presentation of a Fugue by Robert W. Manton, director of the Music department at the University; a Toccata on "O Filii et Filiae" by Farnum; and "Prelude and Fugue in G minor" by Dupre. Professor Manton's Fugue will receive its first performance. It was written in 1941 and is dedicated to Canon Charles F Smith of Washington Cathedral.

Miss Kline, who is also organist at the Durham Community Curch, was graduated from DePauw University in Music, Rochester, N. Y. She is a member of Pi Kappa Lambda and Mu Phi Epsilon, national music honorary societies, and is a Colleague in the American Guild of Organists.

Miss McDaniel teaches piano and woodwind in the Music department, and is also a graduate of the Eastman School of Music.

#### Students Interested in **Teaching Should Register**

Any students interested in teaching should contact the Bureau of Appointments immediately if he has not already done so. This applies especially to the members of the class which is to graduate in September as there is an unusually heavy demand for teachers at present.

R.A.C.-Victor Division representatives will be on campus April 28 to ingeneral office work and in the new R. C.A. Engineering Cadet program.

Students interested in any of the Lt. Smart's brother, Robert, gradothers on file should arrange for inter- two other brothers, Philip and Will-

# Prom Gay in Spite

Though "c'est la guerre" and conspicuous by their abserce were 95 juniors, gaiety reigned in a transformed New Hampshire Hall Friday night as the Junior Prom was attended by 240 dancing couples. Bob Allen and his band fulfilled highest expectations, catching the enthusiasm of the crowd in such numbers as "Blue Plate Special" and in the vocals of Allen himself and his pleasing songstress, Paula

Coronation Ceremony

In the traditional coronation of the Queen of Junior Prom, lovely Connie Estes, escorted by her aides, Melba McKay and Ethel Steigmann, approached the throne from the foyer of the hall through an aisle formed by the promgoers. Jim Keenan, acting in place of class president, Boo Morcom, then presented the queen with a bouquet of roses. After the coronation, Queen Connie ruled over the dance from her throne while the orchestra dedicated a medley of waltzes in her

Huge evergreens filled the corners of the hall and provided a setting for the band with the '44 numerals of the class in the background. Multicolored balloons completely covered the ceiling and a genuine rock garden flanked either side of the throne.

# Mike & Dial Revives The Silver Coronet

Dial presented a comedy, "Ask Aunt in figures was due to the high number Mary," written for radio by Helen of rejects, caused mainly by colds Woodward with the following cast: Ned Barclay, Herman Skofield, Miss afflicted with. Elder, Natalie Brooks, Janet Carter, Sallie Sawyer Smith, Milton Sinclair, and Paul DeGross.

Since the play was a light comedy, it depended on fast direction by Betty by the cast of Mike and Dial veterans were by Kay Davis and Art Sawyer they felt that the week had been a announced.

Wednesday, April 28, will revive "The only been two towns in which it has Silver Coronet."

Celebration of the third annual Ben Thompson Day, the anniversary of its founder-farmer's birth, will be held tomorrew with a special all-college convocation which will be broadcasted at 1:30 p.m. Professor Philip M. Marston, of the University's History department, will deliver the convocation address on "The World of Benjamin Thompson."

The processional, which will include President Fred Engelhardt, Professor Marston; Carl Carlson, president of Student Council; and Marjorie Chalmers, president of the Association of Women Students, will open the Ben Thompson Day program, followed by the singing of the Star Spangled Banner and the New Hampshire Hymn. President Engelhardt will then introduce Professor Marston.

In 1893, Benjamin Thompson, a Durham farmer, left a will which pro-Of Weather and War vided for the disposal of his entire estate to be used in establishing a colvided for the disposal of his entire eslege for the teaching of agriculture and allied subjects. This resulted in the transfer of the then struggling New Hampshire College of Agriculture and the Mechanic Arts from Hanover to Durham, starting the building of what is now the modern and beautiful University of New Hampshire.

Professor Marston's talk will cover the events of the 19th century as they affected Durham and Ben Thompson. This century which saw such great advances in the territorial possessions of the United States, the development of machinery, and the integration of the once isolated communities of the original colonel America, was the background for Ben Thompson's 84 years, from 1806 to 1890. The effect of these events on all communities like Durham and on men like Benjamin Thompson will be the theme of Professor Marston's convocation address.

At the previous convocations honoring Ben Thompson, Professor Harold Scudder and Professor Donald Babcock were the principal speakers.

### 944 Pints of Blood Donated in Durham

### The Army Moves In

With the coming of soldiers to Durham in the past week, a tremendous change has been apparent on campus. No longer a cloistered sanctuary, we are all well aware that this quiet town is now an active military past.

hope that in the short time that they remain here, they will absorb | less than their share of women. some of the love for New Hampshire that we possess. The natural friendly spirits which prevails here has already been evidenced to equivocal about the opportunities for college women in public admi-

Although we realize that the program of the soldier-students is nistrative work in every field of endeavor imaginable," he says. an intensive one, we hope that they will be able to join in many of the college social activities. In this way to cement the newly formed friendships which have been formed.

It is quite an exciting period in the history of the university The months of uncertainty and planning for the arrival of the group has now culminated in the setting up of their program. Administration and army officials have worked hard to see that everything would be in readiness. From the talk of the men it seems that a good job has been done. Nearly all appear pleased at the arrangements that have been made.

But all this does make a difference. No longer can the regular students on campus remain indifferent to the events happening in the world. We are too much a part of it.

Yes, almost one hundred of our boys are now in uniform, still living among us, partaking the same meals, but somehow charging the atmosphere with the intangible nearness of war.

And yet, even with the khaki and brass buttons, there is in Durham a feeling that things are more settled. This is what we have been waiting for. Much of the tenseness and nervousness of the past few weeks are gone. Instead a serious determination is appar-

### Fine Work

The fine impression made by the juniors on the personnel at Fort Devens who handled their processing last weekend is highly commendable.

Word has come back from the army center commenting in a very favorable manner on the attitude and fine cooperation of the local group. The boys disappointed as they were at missing the Prom, nevertheless went about their business of becoming activated with good will and a fine cooperative spirit.

We might all feel very proud at the knowledge that the New Hampshire boys did themselves and their university proud.

#### CAPITOL TO CAMPUS

**GOVERNMENT GOES FEMININE** 

WASHINGTON-(ACP)-War-time government is a 3-million job industry rapidly being taken over by the ladies.

At the moment, hiring of both men and women in many sections of government is frozen. Orders from the Budget Bureau have commanded a multitude of important agencies to bring staff below ceilings in 30 days—or else.

But this unseasonal freeze doesn't mean the war boom in government service is over. Far from it. The need for trained personnel, especially women, in public services will continue to grow as government war services expand and reorganize.

What's more, the piecemeal withdrawal of men into the armed forces is just beginning to hit government where it hurts-in the ranks of 3-A.

How many women will be needed before the year ends is anybody's guess. No authority will venture an official estimate. But Alpha Chi Omega: Dean and Mrs. whatever the number, it's sure to be large.

The march of women into government is a peace-time trend quickened by war. In 1933, 15 per cent of government positions were held by women. By 1942, the proportion had risen to 24 per cent. Now nearly 70 per cent of all new appointments and reappointments go to women.

There are virtually no jobs in government today that women can't fill. Thus far, there are comparatively few women in the higher technical and administrative services and in the field services of such activities as forestry and certain aspects of public health work. But that doesn't mean women with the right training can't hold the jobs. Even in industrial occupations, a Social Security Board survey shows, 1468 of 1900 war occupations are wholly suitable for women and 276 partially suitable.

Nor does a government job necessarily mean a Washington job At the first of the year, only 263,692 of the government's 2,687,093 employes were in Washington. Twenty-four per cent of the women, To the new arrivals, we wish to extend a sincere welcome. We however, worked in the capital, indicating the field services still have

> Donald C. Stone, assistant director of the Budget Bureau, is unnistration. "Government offers exceptional opportunity for admi-

> "The recruitment of several thousand college graduates under the examinations for junior professional assistant is having a profound effect. These young men and women have moved up to more important duties at a rapid rate. My fear is that with the dearth of adequately trained persons, promotion of many of these young employes to high positions has come too rapidly.

> "In any event, there is a desperate search going on by all agencies for persons qualified for administrative work of all grades from juniors to heads of bureaus and divisions."

> The American Council on Education has made a study of the general needs of a woman planning to enter government service All such students should be trained in report-writing, the council believes. Knowledge of research methods and the elements of statistics in simple form is helpful. Also recommended is some study on war-time economic problems and the fundamentals of American government and public administration.

> With these tools supplementing specialized training, a woman entering government today may expect a long career in public service. The shortage of trained personnel has turned government attention more and more to training on the job. The career system idea has been gaining ground, too. Higher professional positions are coming to be filled more frequently by promotions from within.

> All appointments now are made for the duration and six months

#### OUTFIT THE OUTFIT'

A young girl with a martial snap to her stride steps from the shadow of the famous war bond Minute Man, accompanied by the slogan, "She's Ready, Too!"

That's the poster idea now kicking off the second big war loan drive for 13 billion dollars on campuses of the nation's women's colleges. To get the college gals' loose change where it will do most good right now, the Treasury has cooked up "Outfit the Outfit" as a special theme for women's schools.

The Treasury hopes to boost sales of war savings stamps by linking them with clothing and equipment purchases for the armed forces. For the \$1.05 a whimsical lapel pin would cost, for instances, the U. S. can buy a soldier's steel helmet. A quarter drive from the movies to war stamps will buy a first aid pouch. A ten-dollar dress is worth an army woolen overcoat and a six-dollar sweater is worth a field jacket.

That's one way of getting more for your money, now and after the war.

Kappa Delta: Miss Helene Donne-1 ley, our national inspector, from Kingston, R. I., visited us Friday and Saturday. She attended a formal meeting at the apartment. The rest of her time was taken up by individual conferences with the officers. . Edith Phair has now completed her required practice teaching at Rochester, N. H., and returned to Durham this past week end. . . Several of the girls are recovering from the sunburns that they got while spending the week end at Ocean Park, Maine, at the summer home of

Edith King. Scudder were dinner guests at the house last week. . . The following officers have been elected for next year: president, Marilyn Whitcomb, vice-president, Betty Lucey, corresponding secretary, Connie Lycette recording secretary, Jane Barton, and treasurer, Ruth Grube. . . Recently initiated members are Elinor Abbott, Beatrice Clark, Doris Elkins, Harriet Griggs, Barbara Mc-Kay, Mariette Mudgett, Janet Pucher, Mary O'Neil, Marjorie Ware, Nancy Wassall, and Lois Water

Theta Kappa Epsilon: The elder brothers sponsored the impressive 2hours Teke formal initiation last Tuesday night. Pledges Ted Davidson, Jules Gagnon, Robert Nevers, Bob Cushing and Paul DeQuoy were initiated as members. . . Word from several members now in the armed services has been received. Letters from Frank Lambert and Ed Stewart reported that both boys liked it fine to date and appeared to be doing allright. . . Tekers soberly received the news that Frater Bob Mullen of Concord was killed in action somewhere in the sands of North Africa. A mass is to be held in his honor in his home city Wednesday morning, April 14th. . . Big "Masse" Darling got a warm welcome back to the House when he returned after a 2-week absence caused by an appendectomy. He's well on the way to a complete recovery. . . There wasn't a soul at Teke House Saturday night. Dates and visits home are the explanation. . Henry Lopes again spent the weekend at Warner, N. H. . . Paul De-Quoy spent his second successive Sunday skiing in Tuckerman's Ra-

Theta Chi: Chaplain Dunc Woodward was awarded the Alpha Zeta Cup for being the most outstanding junior of this honorary society. In addition he was elected president of the organization. . . Ten of the brothers traveled down to Fort Devens with the Junior R.O.T.C. group this week. . . The Monte Carlo party was a huge success. Dancing, refreshments, gambling and entertainment were enjoyed by all who attended. . . Brothers Lt. Tom Burk-hart and Pvt. Pete Rawstrom visited the house last weekend. . . Roger Thunell, Dick Detsher, Bill Prince, and Fletcher Clark were also guests of the brothers. . . The house pingpong team defeated Alpha Gamma Rho in a close contest.

Phi Mu Delta: Brother Roland Kimball, '42, 2nd Lieutenant in the Air Force, was married recently to Charlotte Bulcher at Orlando, Florida. . The house dance was exceptionally enjoyable with Tony and Mrs. Dougal and Dr. and Mrs. Herbert Warfel as chaperones. . . Our ping-pong team is girding its loins for the forthcoming intramural tournament. The enlisted Reservists with the

little Corporal" commanding, returned Saturday night. . . Brother Boucher reports excellent treatment at Devens. . . Cpl. Bill Sundby, '41, a brother from the University of Connecticut stationed on campus at the moment visited the brothers recently. . . Brother Sid Dimond, ex-43 and house president last year is enjoying a vacation from his duties with the Navy Public Relation Office at Newport, R. I. He is on campus for the week.

Pi Kappa Alpha: A number of pledges recently experienced the ordeal of Hell Week. . . Among those were Russ Bagley, Herb Stearns, Stan Slack, Bud Etson, Bob Franco, Ken Haskell, Mat Lipski, and Jud Brooks. . . Pika recently lost to the better players of Phi Alpha in a ping pong match with a close finish of 2-3. . . Those winning for the losers were Hec Chartrain and Frank Michel. . . Other players for Pi Ka were Johnny Stowell, Russ Bagley and Todd Pike. . . Three of the brothers, Hec Chartrain, Frank Cram and Earl Whitney were among the Juniors who recently went to Devens for equipment and exams in accordance to army orders. . . Saturday night Pi K A held a very successful Spring Semi-Formal and buffet supper to top off the Prom weekend. Chaperones were Major and Mrs. Gage and Mr. and Mrs. Thomas. . . A. C. Bill Widger came back on furlough to attend the dance. . . Frank Michel is one of our recent pledges.

Theta Upsilon: Rae Morrison and Marion "Inksie" Ingebretson were here for the weekend. The former is teaching at Gorham, N. H., and "Inksie" is working as lab technician at Mass. General Hospital. . . . Chipper Curtis was elected first vicepresident of the Outing Club. . . Peg Jackson now fills the positions of president of the Home Economics Club and vice-president of Psi Lambda. . . We lost Helen Pearce to Yale for the weekend, while Dot Trow was bound for Hartford. . . Martha Holt and Mrs. Jack Kirk, the former Beatie MacDougal, ex-collegios, were welcomed back on their visits

Phi Mu Sorority: Shirley Boynton and Skippy Scott spent the weekend in Boston. . . The Churchill twins were at Wellesley. . . Rita Mitchell visited relatives in Dover and Louise Temple, Betty Jewet and Faith Emery went home. . . The house entertained Muriel Dione and Mary Filipowicz. . . The house is pleased to announce that Lena, our cat, has given birth to two kittens. . . Mother and twins are doing fine. They have been named "Phi" and "Mu".

Sigma Beta: A tremendously colorful "Childhood Ambition" Dance was conducted under the chairmanship of Don Barry Saturday evening. Mr. and Mrs. Brad McIntyre, Mr. and Mrs. Albert Daggett were the chaperones for the gala affair. . Sunday afternoon, the weekend house guests were tendered a banquet. . . Brother Ed Mackel has received his commission as a second lieutenant in the United States Marine Reserve Corp. . . Among the several weekend guests were Brot ers Al Coe, U. S. Navy, and Dick Morgan, '41. . . Brothers Hank Rapsis, Gene Leaver, Bill Pine, Mel Meserve, Al-Turmelle were greeted back at the House Saturday evening after a short visit with their uncle at Ayer, Mass.

dance, chaperoned by Dr. and Mrs. Harry Dahlberg and Mr. and Mrs. Fairchild was especially successful, one reason being that so many visitors and off campus guests were in attendance. . . Five brothers, Tom O'Donnell, Ralph Pino, Dick Horan, Ferry Wolcott and Ed Kelleher missed their prom to be processed at Devens last Friday and Saturday. . . Smokey Kelleher and Ralph Pino were in charge of the infantry juniors while en route to Devens. . . At a recent Newman Club meeting, two brothers were elected to office; Don Cross was named president and Pat McLaughlin, Catholic action

# Soldier-Students May Join Fraternities Here

Traditional college life will become more of a reality to the men engaged in the Army Specialized Training Program as two new rulings of the War Department go into effect. The first War Stamp Drive provides that the soldier-students may join fraternities if invited to do so although, it was stressed, there is no compulsion on the fraternities to issue such invitations. The second establishes a program of competitive team sports within the Specialized Training units to help inculcate the "will to win" and to aid in physical conditioning of the men.

Intercollegiate sports competition will be ruled out as the soldier-students will have not time to train for or participate in such events but there will be plenty of scope for first-class competition within the units themselves. Team sports will be limited interviewed. only by the availability of facilities and equipment, by the interest of the students and by the ingenuity of the instructors. Suggested sports include soccer, speedball, touch football, modified football, basketball, volleyball and baseball as it is felt that these, in particular, are conducive to the attainment of the program's four objectives: (1) To develop those qualities, capabilities and reflexes associated with firstclass physical condition. (2) To develop in the soldier-students certain fundamental skills essential either to safety or to effective operations in modern warfare. (3) To install in the minds and hearts of the soldier-students an aggressive, fighting spirit. (4) To provide a sound, sane and wholesome counter-poise to the highly accelerated schedule of academic study that is involved in the specialized training pro-

Although it is expected that much of the weekly six hours of physical training as well as considerable Saturday afternoon free time will be devoted to contests of skill and science, other activities will not be neglected in the program. Three additional categories, fying soldiers to see if they would described by the War Department as make good spies, cooks, yard birds, "aquatics, combatives, and gymnastics and obstacle courses," are to be included. Each man will receive training in all four types of activity before a 30-day refresher course bfore they military aspect of all activities. For entered the Army. Thus a man who example, in the aquatics program the was studying to be a civil engineer be elementary breast and backstrokes will fore Pearl Harbor but who is a little be stressed because of their proven rusty on his Calculus will be given an value in escaping from disasters at intensified refresher in math here at to use his own weapons, hands, feet, further in engineering. knees, elbows and head. Instruction fighting and the use of sabres.

pects to develop aggressive and well- marching aren't going to be too encoordinated fighters with a strong thusiastic about going jitterbugging competitive spirit.

# Slight Decrease in

The War Stamp Drive swung into its total of \$178.00 having been received from members of the undergraduate body. These figures were less than usual last week, perhaps accountable by the temporary departure of the Junior R.OT.C.

The following houses hit the 100 percent mark: Alpha Tau Omega; Alpha Xi Delta; Bickford House; Phi Alpha; and Tau Kappa Epsilon.

#### 96 ROTC MEMBERS

breakfast. Life insurance and the buying of war bonds were discussed, then the boys began the business of being

The issuance of dog-tags brought home the realization that they were in the Army now.

Most exciting, of course, was in re ceiving their clothing and equipment. An assembly-line process was used, the boys clothed only in their dog-tags started from one end of the room and emerged fully dressed even to an overcoat in about ten minutes. With them they also had a barracks bag loaded with about seventy five pounds of materials and equipment that makes up the enlisted man's burden.

After this came an indoctrination film and the solemn reading of the articles of war. This about completed again loaded on trucks and taken to the railroad station to return to Dur-

### NEW WAVES-SPARS BOOKLET OFFERED BY ALL NAVY RECRUITING STATIONS

The same ratings, pay and opportunities for advancement which in the past have led thousands of men to "choose the Navy" are now open to enlisted women in the WAVES and SPARS. Women from 20 to 36 years of age are eligible for enlistment.

"Never in history," says Secretary of the Navy Knox, "have American women been offered such a chance to serve their country. Never has there been such an urgent need for their service.

Full information about training and opportunities for useful work is contained in the new booklet, "How to Serve Your Country in the WAVES or SPARS." It is obtainable at all Navy Recruiting Stations and Offices of Naval Officer Procurement.

# Watercolor Exhibit Displayed in Library

A series of colorful paintings, en-"The Hemisphere in Watercolor," by Eliot O'Hara, is now on exhibit at the Hamilton Smith Library and wil continue to be shown until April 30.

The exhibit represents a most unusual interpretation of this hemisphere-from Alaska to the Straits of Magellan-through the brush of one of America's outstanding watercolorists. Mr. O'Hara is forever traveling, seeking out te beauties of faraway places and painting his impressions.

Among the outstanding paintings in this collection are "Bathing Beach, Montevido," "Penguin Island," and 'Downtown Pittsburg." In 1937, a group of four pictures called "Yuma Dunes" was awarded the Philadelphia Water Color Club Prize. "Plaza, Hermosillo, Mexico," and "Docks at Gordova, Alaska," two of the most recent paintings, were added to the current series in 1941. Practically every section of this hemisphere is represented in this unique collection.

Mr. O'Hara is the author of several books, among which are Watercolor Fares Forth, and Making Watercolor Behave. During the year, Mr. O'-Hara travels up and down the continent, painting; but every summer, for twelve years, he has returned to New England to direct the O'Hara Water Color School at Goose Rocks Beach, Maine. His paintings are to be found in many public collections throughout the country, including art museums in Washington, D. C., Palm Beach, and New York City.

#### LIFE ON CAMPUS (continued from page 3)

team was doing well and consequently the program so the new privates were qualified for the National Inter-collegiate Rifle Championships. This year the rifle team missed having one of the best teams in history because four of the stars were engulfed by the armed

> Last year at this time Coach Sauer was conducting spring football at the local pigskin fields. This year no spring football was conducted and Coach George Sauer joined the Naval Reserves. Coach Sauer on April 20, them personally, much to his sorrow. 1942, reported to active duty in the Navy, thus leaving the Wildcats after five consecutives years as a coach here. Sauer was one of the best liked coaches ever to serve New Hampshire students and to most of the sports enthusiasts on campus his departure signalized the first precise symtom of the fangs of

One year ago Carl Lundholm was preparing his freshman baseball team for its opener with Phillips Exeter Academy and Coach Paul Sweet of the track forces was preparing his freshman trackmen for their encounter with there is no freshman baseball team and no organized freshman track team.

About 12 months ago the largest and probably one of the most talented freshman lacrosse squad was organized er. This year there is no Freshman Lacrosse team.

But the things mentioned are only a few of the numerous items that could be mentioned. Big dances have been reduced in length, there are fewer Saturday night dances, the number of undergraduate male students is rapidly diminishing and after May 15 there may be no civilian male students of good physical condition on campus.

The war was actually brought to our campus last week by the arrival of the first contigent of the Army Specialized Training group and the presence of the Blood Donor Unit. Then last Saturday evening the Juniors came back from Camp Devens attired in khaki, thus making the armylike appearance of the campus almost complete.

Even though many good times and well-liked activities have been curtailed or eliminated the average student isn't kicking, but is taking the condition in stride.

# Lacroose Team Takes Harvard Easily 9 to 5

Parker, Saunders, Martin Hastings, Lead Attack

By virtue of a third period barrage of markers led by the sensational combination of Ace Parker and Fred Saunders, the University of New Hampshire Lacrosse team opened its 1943 season here Monday with an easy 9 to 5 victory over a unexpectedly weak Harvard ten. A large crowd of both students and service men braved the winter like winds to support the home team in its opener. The weather made the game a bit drab in parts.

Hurley drew first blood in the game with a goal just at the 5 minute mark for the Crimson. With Ace Parker cleverly faking and pivoting the length of the field, the Wildcats knotted the count within 15 seconds on a shot by Cochran on the end of a Parker pass

From this point on in the game it was all New Hampshire although the score did not indicate that fact. A ten minute driving offense resulted in two goals that sent the Wildcats ahead at the end of the first stanza 3 to 1. Capt. Pail Martin was responsible for the tally that put the team ahead and Ace Parker netted the third marker which sent the crowd standing and cheering, on an underhook shot that hugged the turf clear into the nets.

In the second period a Harvard goal Wildcats missed many opportunities during this quarter to roll up the count the home team having a two-point 4 to

**OUR GOOD SERVICE** 

By D. E. McPherson

Rumor No. 8549011345 was confirmed last Thursday and dis pelled over the weekend by Lt. Colonel Morton Smith, which had the coaching staff as well as the student body in a curious turmoil. The word was that Junior ROTC lads would not be allowed to compete in intercollegiate 'competition after their recent journey to Devens. When this news reached the Field House, Director of Athletics, Carl Lundholm, Lacrosse Coach Tony Dougal, Baseball opening meet with Northeastern a Coach Hank Swasey, and Track Coach Paul Sweet frantically were after the real dope. Saturday, after a lengthy conference, it was announced that the Juniors were given the OK signal. Twenty-nine men were affected directly by the initial pitchers; Tony Dougal had given up on seven men, most of which were the main cogs in the smooth functioning of the club; and Paul Sweet lost his team (Morcom,) as well as a dozen others.

But the rumor now officially dispelled, coaches and candidates alike are now all set for a successful season.

Word was received this week announcing an All-Star Team in the New England Conference of Basketball Teams. In the selections, made by the coaches of the various teams, honors were distributed locally to Capt. Bob Wheeler, Soc Bobotas, Nick Bograkos,

First Team		
F Calverly	Rhode Island	
F McPadden	McPadden Connecticut	
C Dropo Connecticut		
G Cure	Rhode Island	
G Cuddy	Connecticut	
Second Team		
F Donabedian	Rhode Island	
F Wheeler No	ew Hampshire	
F Koris		
C Hussey	Maine	
G Beck		
G Mearns	. Rhode Island	
G Sperling	Rhode Island	
G Azzone		

Honorable Mention: Forward: Washburn, Northeastern; Bograkos, New Hampshire; Curtis, Maine; Pratt, Maine; Bobotas, New Hampshire; Applebee, Rhode Island; Center: Phillips, Northeastern; Guards: Card, New Hampshire; Kolnsky, New Hampshire Work, Maine; Luchuck, Connecticut.

The Bull wishes to draw serious attention to the Letter to Editor this week concerning Negroes in Major League Ball. When reading it remember the day that Satchlefoot Paige wiffed Joltin Joe DiMaggio four times in one contest. Incidentally it was the only time that the Yankee Bomber ever faced the Black Yankees' ace. Readers might be interested to know that a girl was the author of that very reasonable and intelligent letter. Give it an extra thought

This week marks the beginning of the spring sports activities. This would not be the Bull if a few predictions were thrown in to be considered. The baseball team is in for a good season with 4 victories in Sheik's right paw and we hope 2 to 4 more in other hands. A Morcom, Don Lamson; Broad Jumptremendously unbalanced track team will have another "fair" or Boo Morcom, Herb Wieland, Bob better season through no fault of 15-point Morcom. The Lacrosse Dowd. team is after top glory and stands a high chance of attaining their goal in the New England Conference of Lacrosse Teams.

Speculating has been carried on for weeks now as to the steps that will be taken for the new Durham visitors in the barracks concerning sports. As yet no word has been heard from Director of Athletics Carl Lundholm. Mayhap there will be more enlightening developments through the course of the week. For the interest of all, our rumor mongers will be out for any and all news pertaining Hampshire Hall to install the officers ting eighth as is customary, Swasey to this subject this week.

Something similar to the Gripe Day conducted by the Student first vice-president, Chipper Curtis; Educational Policy Committee is planned this week for those Durham Sports enthusiasts who have any and all Sports Gripe. If you and you and you and even you have any gripe at all with the Durham Sports Activities please register your complaints with the Sports Editor via mail. We promise prompt attention. If any letters are received pertaining to the physical educational department, immediate progress is promised for an answer.

# Spring Ski Trip Planned for April 24

A gala weekend, including a choice of spring skiing on Mt. Washington or hiking on Iron Mountain has been planned for April 24 and 25 by the Outing Club. Members of the club and outdoor enthusiasts will participate in a trip to the Jackson Cabin.

The Harvard and Radcliffe Outing Clubs will join the N.H.O.C. on this excursion. Lists will be posted at Ballard Hall Thursday morning at 8 o'clock; the approximate expenses for the trip will be \$2.00 per person. The trip is strictly limited to fourteen peo-

Other trips scheduled for the remainder of the Semester include: May 1-2-Hiking trip to Mt. Chocorua; May 8-9-N.H.O.C. Franconia Cabin.

With the exception of this Saturday, the usual weekly Mendum's trips will place Thursday for the annual Blue Circle Outing. The truck will leave Ballard Hall at 5:00 P. M. after drill.

Saturday afternoon at Orono, Maine, the University of New Hampshire baseball team will officially open its 1943 season in a double header with conference competitors, the Maine Bears. Probably one of the best looking nine in many seasons will take the field. In Durham sports circles, a double victory is anticipated.

With Sheik Karelis toeing the slab in the initial contest, a New Hampshire triumph is virtually certain. The 2-year veteran will be hard to beat this year, Coach Swasey announced. Swasey is looking for at least four victo-

#### Starting Lineup

The starting Wildcat lineup will include Charron, Bobotas, Flint, and Card in the infield; Dupont, Adams, Sheik Karelis, and Alki Hall or Fred

The Maine team will present but two veterans in their lineup. The Bears might, however, have a slight edge on the Durhamites in that they have had four weeks of outdoor practice already

In a pre-game probable batting order, Coach Swasey has set Leo Dupont as leadoff man. Leo is a notably consistent hitter and deserves the number one spot for his work this spring is as follows: 100 yd. dash—Art Mur- and varsity work last spring. He is phy, Herb Wieland, Murray Smith, one of the best outfielders in the conference.

Second in the batting order is agile Norm Flint. This little lad from North Newport has earned himself a regular spot on the Swasey nine mainly because of his inspiring talk and pep. Batting practice has seen Norm conald Lamson, Preston, Roberts; 880 yd. nect with slashing line drives contirun-Frank Cram, Royce Crimmins, nually. He bats from the port side. Fred Charron, versatile veteran of Johnson, Pat McLaughlin, Dick Simes, many Swasey teams has been given the nod as No. 3 in the batting order. run-Phil Canney, Frank Cram, Si This year Fred is holding down the Dunklee, Royald "Bucket" Holmes, initial sack and has been knocking the cover off the pill at the chilly practices. 2 Mile Run-Si Dunklee, Al Brown, In the cleanup spot is Soc Bobotas. John French; High Hurdles-Brad Soc is remembered for his sensational play on the Frosh nine last year, but more so for his semi-pro activities in the past two years. Definitely one of Wieland; Shot Put-Murray Smith, the best stickers on the club, a great Bill Driscoll, Bob Neal, Bob Baker; deal of the team's success depends upon the batting stability of Soc this year.

In all important fifth position in the Dick Sullivan; Javelin Throw-Ralph batting order will be Red Adams, vet-Pino, Bill Driscoll, Tuffy Fitanites, eran centerfielder of the Wildcats. Red is accepted as one of the top gardeners Tupper, Louis Wheeler, Julius Okolo- in the conference as well as a dangerous man with the stick. A junior transfer student from Green Mounbasketball season for his excellent play has captured the hot corner job and is batting sixth. In the seventh spot at the place will be Tom Callagy, installed this year in right field. Tom is capable as both an infielder and outfielder. Dave Cunning, back to practice after a recent attack of mumps, has been given the brain position, On Monday, April 19th, Blue Circle, catcher. As captain of field play, Dave governing body of the Outing Club, will have a tremendous amount of met in the Alumni Room in New responsibility on his shoulders. Batfor the coming year. The following will have punch at both ends of the batting order.

The starting nod in the first game of course is to Sheik Karelis. Either Alki Hall, another Green Mountain from the mound in the nightcap.

The beginning of the second abbreviated season is now under way. Watch the Wildcats this year.

On Monday night Phi Kappa Phi, honorary scholastic society, held its spring initiation. Twelve high ranking seniors were admitted to the organization. From Liberal Arts: John Colocousis, Joseph Arena, Robert Harding, Marcia Wetherell, Miriam Eastman, Evelyn Tipping. Technology: Charles Forbes, Arthur Barrett, Hyman Ston. Agriculture: Charles Obert.
